

SECTION 999.5(d)(1)

DESCRIPTION OF TRANSACTION

(d)(1)(A)

(A) The following is a full description of the proposed transaction:

Sale of Windsor

The proposed transaction involves the sale of a continuing care retirement community known as "Windsor" ("Windsor" or the "Community"), located on an approximately 2.8-acre site at 1230 E. Windsor Road, Glendale, California. Originally the two-story home of the mayor of Glendale, Windsor, then known as Windsor Manor, opened in 1937. Later, physical additions were made permitting a total population of 40. The original building was razed in 1965 and a new structure was built with a total of 78 living units, with more construction in 1973. Currently, Windsor has a total of 141 apartments, including 74 residential living apartments, 39 assisted living apartments, and a 28-bed health center. It offers continuing care contracts, regulated by the California Department of Social Services pursuant to Health & Safety Code sections 1770 et seq.

Seller: HumanGood SoCal

The current owner of Windsor is HumanGood SoCal, a California non-profit public benefit corporation, and the proposed purchaser is Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (referred to herein as "Ararat," "Ararat Home," and "Ararat Home of Los Angeles"). A Purchase and Sale Agreement was entered into between the parties on May 17, 2022. The purchase price is \$14,500,000.

HumanGood SoCal, formerly known as Southern California Presbyterian Homes, was founded in 1955, when the leaders of three Southern California presbyteries of the Presbyterian Church recognized the need for communities that would support older adults in their aging journeys. From 2011 to February 2017, Southern California Presbyterian Homes and its affiliates were branded as "be.group."

HumanGood SoCal is a subsidiary of HumanGood, a California nonprofit public benefit corporation. HumanGood SoCal adopted HumanGood as its sole corporate member in May 2016 with the approval of the California Attorney General as part of an affiliation between Southern California Presbyterian Homes dba be.group and American Baptist Homes of the West.

Purchaser: Ararat Home of Los Angeles

Ararat Home of Los Angeles is a non-profit, non-denominational organization that operates three residential care and nursing facilities on two campuses and serves as a cultural center for the Armenian community in the Los Angeles area. Ararat was founded in 1949 by a group of Armenian-Americans who recognized the need for a facility to care for elderly Armenians in Los Angeles. Ararat is an experienced senior living operator with an excellent RCFE and SNF licensing compliance record. As a nonprofit with strong ties to the predominantly Armenian

Community, Ararat Home of Los Angeles is an ideal choice for a Buyer with plans to integrate the facility further into the community.

Proposed Transaction

As more fully discussed elsewhere in this application, HumanGood SoCal decided to sell Windsor due to the sustained operational challenges and significant and growing financial losses the Community has experienced over the last five years. After soliciting valuations from multiple parties and entertaining a lower verbal offer from another organization, HumanGood SoCal and Ararat entered into a non-binding Letter of Intent as of March 24, 2022 with an initial agreed-upon purchase price of \$14,800,000. Following initial diligence and negotiations, the parties entered into a Purchase and Sale Agreement on May 17, 2022 (as amended on July 29, 2022, the "PSA") for a purchase price of \$14,500,000. The reduction in purchase price was to account for the initial understanding by Ararat that the original purchase price of \$14,800,000 included the transfer of accounts receivable. Both parties agreed on a \$300,000 price reduction in order to cause all receivables accrued prior to closing to remain the assets of HumanGood SoCal.

The 45-day due diligence period established by the PSA ended on July 13, 2022. At that time, Ararat lifted all contingencies and the parties issued formal notices to residents, employees, applicable regulatory agencies and the public of their intent to complete the transaction following receipt of necessary governmental approvals. These notices are attached to this Application under Section 999.5(d)(10). Shortly after making such announcements, on July 15, 2022, Ararat submitted applications for licensure to the Continuing Care Contracts Branch of California's Department of Social Services (DSS/CCCB), the Community Care Licensing CCLD Division of DSS (DSS/CCLD), the California Department of Public Health ("CDPH"), and the Center for Medicare and Medicaid Services ("CMS), and HumanGood submitted this application for approval by the California Attorney General. The transaction is expected to close, and title to Windsor is expected to transfer to Ararat, after approval by the California Attorney General and upon receipt by Ararat of a Certificate of Authority from DSS/CCCB and a Residential Care Facility for the Elderly ("RCFE") license from DSS/CCLD. On the date of such approvals (the "Closing Date"), Ararat will become the new licensed operator of the Community's independent living and assisted living residences (the "RCFE Premises"), and Ararat will assume resident contracts and various operating contracts pursuant to an Assignment and Assumption Agreement.

As permitted by CMS and CDPH, the Closing Date will occur before Ararat has received its skilled nursing facility license from CDPH and Medicare and Medi-Cal certification from CMS and other applicable state and federal governmental authorities. To assure that a licensed party at all times controls the physical premises of the Community's skilled nursing facility (the "SNF Premises") while CDPH processes Ararat's skilled nursing facility license application, the parties will enter into an Interim Lease effective as of the Closing Date. Under the Interim Lease, Ararat will agree to sublease its interest in the SNF Premises back to HumanGood SoCal, subject to the agreement of HumanGood SoCal to engage Ararat to manage the SNF Premises on an interim basis on behalf of HumanGood SoCal pursuant to an Interim Management Agreement effective on the Closing date. The Interim Lease and Interim Management Agreement will be in effect from the Closing Date until the date that CDPH issues Transferee a new skilled nursing facility license for the SNF Premises (such period, the "Management Period"). In order to facilitate a transition of operational and financial responsibility from HumanGood SoCal to Ararat during the Management Period in a manner which will ensure the continued operation of the SNF Premises in compliance with applicable law and in a manner which does not jeopardize the health and welfare of the

residents of the SNF Premises, the parties will also enter into an Operations Transfer Agreement on the Closing Date. Forms of the Interim Lease, Interim Management Agreement and Operations Transfer Agreement are provided in the subsection of this Application responsive to H&S Code Section 999.5(d)(1)(B).

SECTION 999.5(d)(1)(B)

(B) A complete copy of all proposed written agreements or contracts to be entered into by the applicant and the transferee that relate to or effectuate any part of the proposed transaction.

The following agreements have been or will be executed to effect the proposed sale and, along with drafts of such agreements, are attached to this Section:

1. First Amendment to Purchase and Sale Agreement by and between HumanGood SoCal and Ararat Home of Los Angeles dated July 29, 2022.

17. Interim Management Agreement by and between HumanGood SoCal and Ararat Home of Los Angeles, to be entered into upon the closing date of the sale dated July 8, 2022.

Section 999.5(d)(1)(B)

1) First Amendment to Purchase and Sale Agreement by and between HumanGood SoCal and Ararat Home of Los Angeles dated July 29, 2022.

FIRST AMENDMENT TO PURCHASE AND SALE AGREEMENT
(Windsor Manor)

THIS FIRST AMENDMENT TO PURCHASE AND SALE AGREEMENT (this "Amendment") is made and entered into as of this 29th day of July, 2022, by and between HumanGood SoCal, a California non-profit public benefit corporation d/b/a "Windsor" and "Windsor Manor" ("Seller") and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation, or its assigns ("Purchaser").

RECITALS:

A. **WHEREAS**, Seller and Purchaser entered into that certain Purchase and Sale Agreement dated May 17, 2022 (the "**Agreement**"), pursuant to which Purchaser agreed to acquire and Seller agreed to sell the Real Property, the Facility, and the Business operations conducted therein, subject to the terms and conditions set forth in the Agreement; and

B. **WHEREAS**, Seller and Purchaser now desire to amend the Agreement to, among other things, confirm that Purchaser has waived all contingencies to Closing, provide a date for the approval of public announcements, provide Purchaser with additional time to submit its licensing applications, and confirm mutually agreed upon form documents ancillary to the Agreement, all upon the terms and conditions contained herein.

NOW, THEREFORE, in consideration of the terms, conditions and covenants contained in the Agreement and in this Amendment, and of other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Seller and Purchaser agree as follows:

1. **Recitals Incorporated; Certain Defined Terms.** The foregoing recitals are true and correct. Unless otherwise defined herein, capitalized terms used herein shall have the meanings ascribed to such terms in the Agreement.

2. **Purchaser's Waiver of Contingencies to Closing.** Purchaser hereby acknowledges that the Due Diligence Period has expired, that Purchaser is satisfied with its Due Diligence Review and that Purchaser has elected to proceed to Closing.

3. **Public Announcement Date.** Seller and Purchaser hereby agree that either party may make a public announcement or disclosure concerning the execution of the Agreement or the transactions contemplated thereby on or after July 15, 2022.

4. **Licensing Applications.** The parties agree that Purchaser shall have additional time to submit its licensing applications as required under Section 10 of the Agreement, which applications include the CHOW, the application for a new Certificate of Authority and the SNF Application. The parties agree that Purchaser shall submit each of these applications by August 1, 2022.

5. **Forms of Leaseback Documents and OTA.** Pursuant to Section 10.2 of the Agreement, Seller and Purchaser have approved the attached forms of the following documents: Interim Lease (attached hereto as Exhibit A); Interim Management Agreement (attached hereto as Exhibit B); and OTA (attached hereto as Exhibit C).

6. **Identification of Due Diligence Materials.** Attached hereto as Exhibit D is a list of the Due Diligence Materials provided by Seller to Purchaser in accordance with Section 4.1.1 of the Agreement.

7. **Representation.** Purchaser hereby represents that it has no intention of reducing the capacity of nursing home beds at the Facility and intends to continue providing services to Medicare and Medicaid (Medi-Cal) residents after the Closing.

8. **Effect of Amendment.** Except as amended and/or modified by this Amendment, the Agreement is hereby ratified and confirmed and all other terms of the Agreement shall remain in full force and effect, unaltered and unchanged by this Amendment. In the event of any conflict between the provisions of this Amendment and the provisions of the Agreement, the provisions of this Amendment shall prevail. Whether or not specifically amended by the provisions of this Amendment, all of the terms and provisions of the Agreement are hereby amended to the extent necessary to give effect to the purpose and intent of this Amendment.

9. **Governing Law.** This Amendment shall be governed by, construed and enforced in accordance with the laws of the State of California.

10. **Counterparts.** This Amendment may be executed in any number of counterparts, each of which shall be deemed an original, but all of which when taken together will constitute one and the same instrument. The signature page of any counterpart may be detached therefrom without impairing the legal effect of the signature(s) thereon provided such signature page is attached to any other counterpart identical thereto except having additional signature pages executed by other parties to this Amendment attached thereto. This Amendment may also be executed by facsimile or PDF signatures, and each copy of this Amendment bearing the facsimile or PDF signature of any party's authorized representative shall be deemed to be an original. The parties hereto agree to exchange original signatures as soon as practical thereafter.

[SIGNATURES APPEAR ON THE FOLLOWING PAGES]

IN WITNESS WHEREOF, the parties have executed this Amendment as of the day, month and year first written above.

FORM OF INTERIM LEASE

[Attached]

INTERIM LEASE AGREEMENT

THIS INTERIM LEASE AGREEMENT (this "Interim Lease") is made and entered into as of this ____ day of _____, 2022 (the "Effective Date") by and between Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation ("Landlord"), and HumanGood SoCal, a California non-profit public benefit corporation d/b/a "Windsor" and "Windsor Manor" ("Licensee").

RECITALS

A. Licensee, as "Seller," and Landlord, as "Buyer", are parties to that certain Purchase and Sale Agreement dated May 17, 2022 (the "Purchase Agreement"), pursuant to which Licensee is, on the Effective Date, transferring and assigning, and Landlord is acquiring, substantially all of the assets of Licensee relating to that certain continuing care retirement community commonly referred to "Windsor" and "Windsor Manor" and located at 1230 E. Windsor Road, Glendale, California (the skilled nursing portion of the Facility, together with all of Landlord's right, title and interest in and to the assets being transferred or assigned to Landlord pursuant to the Purchase Agreement, the "Facility"), all as more particularly set forth in the Purchase Agreement.

B. Licensee currently holds skilled nursing facility license (the "SNF License") for the operation of the Facility.

C. As of the Effective Date, Landlord has applied for a new skilled nursing facility license (the "New License") from the California Department of Public Health ("DPH") for the continued operation of the Facility as a Skilled Nursing Facility by Landlord.

D. Pending the issuance of the New License to Landlord, Landlord desires to lease the Facility to Licensee and Licensee desires to lease the Facility from Landlord for the purposes of assuring that a licensed party at all times controls the physical premises of the Facility and providing for the continued operation of the Facility by Licensee under the SNF License.

E. Concurrently with this Interim Lease, Licensee and Landlord are entering into that certain Interim Management Agreement of even date with the Effective Date (the "Interim Management Agreement") and together with this Interim Lease, the "Interim Agreements"), pursuant to which Licensee is engaging Landlord to manage the Facility, all as more particularly set forth in the Interim Management Agreement.

F. The parties are interested in documenting the terms and conditions under which the Lease of the Facility shall occur.

G. Commensurate with DPH policy and within applicable time frames, Landlord will notify DPH of a change in licensure application and will submit to DPH all documentation required in connection therewith.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants herein contained, IT IS AGREED AS FOLLOWS:

AGREEMENT

1. LEASE OF THE FACILITY

Landlord does hereby lease to Licensee, and Licensee does hereby lease from Landlord, the Facility. Licensee hereby agrees to act as “tenant” of the Facility during the term hereof for the limited purpose of allowing Licensee to continue operating the Facility under the SNF License pending issuance of the New License in the name of Landlord, provided, however, that Licensee shall not have any liability for any claim in connection with this Interim Lease except to the extent resulting from the negligence or willful misconduct of Licensee. Without limiting the foregoing, Landlord shall be solely responsible for acquiring, maintaining and paying for any liability or other insurance for the Facility and shall be solely responsible for any losses relating to the Facility which are not covered by such insurance. In connection with the foregoing, Landlord agrees that during the Lease Term (as defined below) and for a period of three (3) years after the Lease Term, Licensee shall be named as additional insured on all policies of liability insurance for the Facility maintained by Landlord which policies of insurance shall be approved by Licensee. Prior to the Effective Date, Landlord shall provide to Licensee certificates of insurance evidencing such coverage.

2. TERM OF LEASE; DILIGENCE IN OBTAINING REQUIRED APPROVALS

The term of this Interim Lease (the “Lease Term”) shall commence on the Effective Date and shall terminate automatically without the need for further action or the execution of any further documents by any of the parties hereto, upon the date on which the New License is issued to Landlord. Landlord hereby covenants and agrees to proceed with commercially reasonable diligence to secure the New License and to inform Licensee in writing promptly upon issuance of the New License. In the event the Lease Term extends beyond the date that is twelve (12) months after the Effective Date, Landlord shall pay to Licensee a sum equal to Five Thousand Dollars (\$5,000) per month, commencing on _____, and on the first day of each month thereafter for the duration of the Lease Term, as compensation for its services provided under this Interim Lease; PROVIDED, HOWEVER, that if Tenant has proceeded with commercially reasonable diligence to secure the New License and the New License is delayed for reasons beyond Landlord’s reasonable control, such fee shall not be charged until the date that is fifteen (15) months after the Effective Date.

3. RENT

3.1. Landlord shall be entitled to any net cash flow from the operation of the Facility. Further, Landlord shall be responsible for all costs and expenses related to the operation of the Facility during the term of this Interim Lease.

3.2. Without limiting the foregoing, Landlord shall be solely responsible for the condition of the Facility, including without limitation, all repairs (whether or not structural), and Landlord shall bear the risk of any condemnation or eminent domain proceeding and shall bear the entire risk of any fire or other casualty or damage to or destruction of any or all of the Facility.

3.3 Notwithstanding any provisions of this Interim Lease to the contrary, the obligations of Licensee and Landlord arising under this Section 3 for the period prior to the termination of this Interim Lease shall survive any termination of this Interim Lease.

4. ASSIGNMENT

The rights and obligations of a party under this Interim Lease may not be assigned or further sublet, or otherwise transferred in whole or in part without the prior written consent of the other party, provided, that Landlord may collaterally assign its rights under this Interim Lease to any lender providing financing for the Facility.

5. SKILLED NURSING FACILITY REGULATIONS

5.1. During the Lease Term, Licensee shall use commercially reasonable efforts to maintain, for the benefit of Landlord, the SNF License and any other necessary licenses, permits, consents, approvals and certifications from all governmental authorities that have jurisdiction over the ownership and operation of the Facility (other than any material permits or licenses required to be held by any of the commercial tenants under the commercial leases in connection with their respective operations at the Facility), such that the Facility will comply with all applicable and relevant regulations related to skilled nursing facilities in effect from time to time (provided, however, that Licensee shall be excused from taking any action for which Landlord has not provided sufficient sums in accordance with its obligations hereunder).

5.2 Licensee shall not take any action which it knows or has reason to believe will cause, nor will it unreasonably refuse to take any action that Landlord requests in writing that Licensee take at no cost to Licensee (provided, however, that Licensee shall be excused from taking any action for which Landlord has not provided sufficient sums) which it knows or has reason to believe will prevent, any governmental authority having jurisdiction over the ownership and operation of the Facility to institute any proceeding for the suspension, recession or revocation of any necessary license, permit, consent, approval or certification.

6. NOTICE PROVISIONS

All notices, demands and communications permitted or required to be given hereunder shall be in writing, and shall be delivered (i) personally, (ii) by United States registered or certified mail, postage prepaid, (iii) by Federal Express or other reputable courier service regularly providing evidence of delivery (with charges paid by the party sending the notice), or (iv) by facsimile or a PDF or similar attachment to an email. Any such notice to a party shall be addressed at the address set forth below (subject to the right of a party to designate a different address for itself by notice similarly given):

Service of any such notice or other communications so made shall be deemed effective on the day of actual delivery (whether accepted or refused), as evidenced by printed confirmation if by facsimile (provided that if any notice or other communication to be delivered by facsimile or email attachment as provided above cannot be transmitted because of a problem affecting the receiving party's computer, the deadline for receiving such notice or other communication shall be extended through the next business day), as shown by the addressee's return receipt if by certified mail, and as confirmed by the courier service if by courier; provided, however, that if such actual delivery occurs after 5:00 p.m. local time where received or on a non-business day, then such notice or communication so made shall be deemed effective on the first business day after the day of actual delivery. The attorneys for any party hereto shall be entitled to provide any notice that a party desires to provide or is required to provide hereunder.

7. INDEMNITY

7.1. Landlord shall indemnify, defend and save Licensee and its members and their respective affiliates, partners, members, managers, successors, assigns, heirs, legal representatives, devisees, officers, directors, shareholders, employees, and agents (each, a "Related Person") harmless from and against all actions, causes of action, claims, demands, liabilities, losses, damages, expenses (including without limitation court costs and attorneys' fees and other costs of enforcing this Interim Lease), judgments and amounts asserted against or incurred by them or paid in settlement (collectively, "Liabilities") in connection with (a) the Facility (to the extent such matters arise, and relate to events occurring, from and after the

Effective Date) or (b) any other obligations hereunder, except to the extent arising from Licensee's negligence, intentional fraud or willful misconduct.

7.2 Licensee shall indemnify, defend and hold Landlord and its members and Related Person harmless from any loss, liability or cost (including reasonable attorneys' fees) that Landlord may sustain, incur, or assume as a result of Licensee's breach of its obligations hereunder, except to the extent arising from Landlord's negligence, intentional fraud or willful misconduct.

7.3. Notwithstanding any provisions of this Interim Lease to the contrary, the indemnification obligations set forth herein shall survive the termination of this Interim Lease. Landlord and Licensee, respectively, shall have the right to defend with reputable counsel reasonably satisfactory to the other, and if the obligated party fails to defend any claim, the other may do so at the reasonable cost and expense of, and upon notice to, the other. Any settlement shall be subject to Landlord or Licensee's prior written approval, as the case may be.

7.4 Notwithstanding the above or anything to the contrary contained herein, in the event Landlord takes any action which would cause, or otherwise permit, any suspension or revocation of any licenses, certifications or permits, including the SNF License, held by Licensee, Landlord hereby agrees to indemnify and hold Licensee free and harmless from any loss, liability, or cost (including reasonable attorneys' fees) that Licensee may sustain, incur, or assume as a result thereof.

8. OTHER GENERAL PROVISIONS

8.1. Each of the parties hereto agrees to execute and deliver any and all further agreements, documents or instruments necessary to effectuate this Interim Lease or reasonably requested by the other party to perfect or evidence their rights hereunder, provided that no additional cost, obligation or liability is imposed.

8.2. This Interim Lease may not be modified or amended except in writing signed by the parties hereto. No waiver of any term, provision or condition of this Interim Lease in any one or more instances, shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Interim Lease. No failure to act shall be construed as a waiver of any term, provision, condition or right granted hereunder. In the event one or more non-material terms of this Interim Lease is invalid, illegal or unenforceable under applicable law, the balance of this Interim Lease shall be deemed valid, legal and enforceable.

8.3. Nothing contained herein shall be construed as forming a joint venture or partnership between the parties hereto with respect to the subject matter hereof.

8.4. The section headings contained herein are for convenience only and shall not be considered or referred to in resolving questions of interpretation.

8.5. This Interim Lease may be executed in one or more counterparts and all such counterparts taken together shall constitute a single original instrument.

8.6. This Interim Lease shall be governed in accordance with the laws of the State of California.

8.7 If either Landlord or Licensee brings any suit or other proceeding, including an arbitration proceeding, with respect to the subject matter or the enforcement of this Interim Lease, the prevailing party (as determined by the court, agency, arbitrator or other authority before which such suit or proceeding is commenced), in addition to such other relief as may be awarded, shall be entitled to recover reasonable attorneys' fees, expenses and costs of investigation actually incurred. The foregoing includes attorneys' fees, expenses and costs of investigation (including those incurred in appellate proceedings), costs incurred in establishing the right to indemnification, or in any action or participation in, or in connection with, any case or proceeding under Chapter 7, 11 or 13 of the Bankruptcy Code (11 United States Code Sections 101 et seq.), or any successor statutes. The provisions of this Section 8.7 shall survive any termination of this Interim Lease.

8.8 All of the provisions of this Interim Lease shall bind and inure to the benefit of the parties and, subject to the provisions of this Section 8.8, shall inure to the benefit of any lender to whom this Interim Lease has been or will be collaterally assigned by Landlord ("**Lender**"), and any successors and/or assigns of Lender (each, a "**Collateral Assignee Party**"), and upon any such Collateral Assignee Party's (i) succeeding to the interest of Landlord under this Interim Lease in any manner, including but not limited to foreclosure, deed in lieu of foreclosure or similar conveyance, or (ii) obtaining the appointment of a receiver for the benefit of such Collateral Assignee Party, Licensee acknowledges and agrees that (A) this Interim Lease and the obligations of Licensee hereunder shall, at the Collateral Assignee Party's option, remain in full force and effect for the benefit of the Collateral Assignee Party as if such Collateral Assignee Party were the original Landlord's capacity hereunder, and (B) any liability of any such Collateral Assignee Party under the Interim Lease shall be limited to its interest in the Facility.

IN WITNESS WHEREOF, the parties hereby execute this Interim Lease as of the Effective Date set forth above.

FORM OF INTERIM MANAGEMENT AGREEMENT

[Attached]

INTERIM MANAGEMENT AGREEMENT

THIS INTERIM MANAGEMENT AGREEMENT (the "Agreement") is made and entered into as of _____, 2022 (the "Effective Date"), by and between HumanGood SoCal, a California non-profit public benefit corporation d/b/a "Windsor" and "Windsor Manor" ("Licensee"), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (the "Manager").

RECITAL

WHEREAS, Licensee, as "Seller," and Manager, as "Buyer", are parties to that certain Purchase and Sale Agreement dated May 17, 2022, as amended to date (the "Purchase Agreement"), pursuant to which Licensee is, on the Effective Date, transferring and assigning, and Manager is acquiring, substantially all of the assets of Licensee relating to that certain continuing care retirement community commonly referred to "Windsor Manor" and located at 1230 E. Windsor Road, Glendale, California (the skilled nursing portion of such Facility, together with all of Buyer's right, title and interest in and to the assets being transferred or assigned to Buyer pursuant to the Purchase Agreement, the "Facility"), all as more particularly set forth in the Purchase Agreement;

WHEREAS, Licensee is currently licensed under applicable law and regulations to operate the Facility as a Skilled Nursing Facility ("SNF License");

WHEREAS, Manager has applied to the California Department of Public Health for a Skilled Nursing Facility License, under which it shall be the named licensee with respect to the Facility;

WHEREAS, To assure that a licensed party at all times controls the physical premises of the Facility, Manager and Licensee have entered into an Interim Lease Agreement dated of even date herewith ("Lease"), whereby Manager leases the Facility to Licensee;

WHEREAS, Licensee and Manager are entering into this Agreement, pursuant to which Licensee shall engage Manager to manage the Facility for and on behalf of Licensee from and after the Effective Date, subject to the Lease and this Agreement; and

WHEREAS, until Manager has obtained a Skilled Nursing Facility License from the California Department of Public Health, Licensee is willing to fulfill the role of licensee of the Facility in conjunction with Manager, subject to the terms of the Lease and this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and agreements contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE 1
ENGAGEMENT OF MANAGER

1.1 Engagement. During the Term hereof, Licensee hereby engages Manager to perform the management services set forth in this Agreement and in the Lease subject to Licensee's responsibility as specified in Section 1.4. Manager hereby accepts such engagement and hereby agrees to perform its duties hereunder in a commercially reasonable manner. Manager further agrees to apply prudent and reasonable business practices in the performance of its duties hereunder during the Term.

1.2 Relationship. Nothing contained in this Agreement is intended to or shall be construed to give rise to or create a partnership, employment, or joint venture relationship between Licensee and Manager. No act, commission, or omission by Licensee or Manager shall be construed to make or constitute the other as partner, employee, principal, agent, or joint venture.

1.3 Grant of Day-to-Day Management Authority. Subject to Section 1.4, hereunder, Manager shall have full responsibility for managing the operation of the Facility and hereby agrees and covenants to assume and discharge all responsibilities related to the Facility and the Licensee which accrue during or subsequent to the Term in connection with properly operating and maintaining the Facility in accordance with the regulations and standards required of a facility so licensed, including, but not limited to the services listed in Article 2 hereof.

1.4 Ultimate Authority and Responsibility. Licensee, as the holder of the SNF License, retains ultimate statutory authority and shall have the on-going statutory and regulatory responsibility for the continued operation of the Facility, in accordance with applicable law which cannot be legally delegated by Licensee to the Manager. Without limitation, Licensee does not engage Manager to perform, and Licensee, as the licensee of the Facility, retains ultimate responsibility for any activity or duty which requires a license or other governmental authorization. Notwithstanding the statutory liability and responsibility of Licensee for the continued operation of the Facility, it is recognized that under this Agreement, the Manager shall be actually in day-to-day charge of managing the operation and maintenance of the Facility and of patient care and of patients' funds in accordance with the terms of this Agreement. In the event that any violation of any statute, law, regulation, or obligation or claim is made, for any reason by any person or entity, arising from or applicable to the management of the Facility by Manager during or after the Term, that would reasonably be expected to result in the imposition of penalties, fines, court or administrative orders, litigation, including third party and governmental claims, or license revocation or decertification as to the Facility or as to Licensee, Manager shall (i) immediately notify Licensee of any such event, and (ii) take all actions reasonably necessary to protect, defend, and hold harmless the Licensee, and its officers, directors, shareholders, and employees, including but not limited to the contesting of any such actions against the Licensee and the Facility at the sole cost of Manager, whether administrative or court proceedings. Licensee retains the right, at Licensee's expense, to join Manager in contesting said action(s) upon providing Manager with such notice.

ARTICLE 2
SERVICES TO BE RENDERED BY MANAGER; COVENANTS

2.1 General Responsibilities and Services. Manager shall perform the services described in this Article 2 and all related functions, as Manager shall determine to be reasonably necessary for the effective management of the Facility. Without limitation of the foregoing, and except as may be limited by other provisions of this Agreement or the Purchase Agreement, Manager shall provide and perform the following services during the Term:

(i) Provide and maintain directly, or indirectly through others, accounting, billing, patient, resident, and collection records on behalf of Licensee; prepare and file on behalf of Licensee's insurance, Medicare and Medicaid (as applicable), and any and all necessary or appropriate reports, claims, and rate increase requests (collectively "Reports") related to goods sold or services provided by the Facility during the Term. Licensee acknowledges that it will be required to sign and file certain of the Reports and agrees to promptly do so.

(ii) On behalf of Licensee, issue bills for services and materials furnished by the Facility on and after the Effective Date, issue and re-issue bills for unpaid services and materials furnished by the Facility before the Effective Date, supervise directly and through others the collection of accounts and monies owed to the Facility for goods sold or services rendered by the Facility on and after the Effective Date, including the institution of legal proceedings in the name of the Facility to collect such accounts and to enforce the rights of the Facility as creditors under any contract or in connection with the rendering of such services and the sale of such goods. The collection of accounts and monies owed to the Facility for goods sold or services rendered by the Facility before the Effective Date shall be governed by Sections 2.3 and 2.4 of this Agreement, except as otherwise provided in the Purchase Agreement, in which case the applicable provisions of the Purchase Agreement shall prevail.

(iii) Order, supervise, and conduct an effective program of regular housekeeping, maintenance, and repair at the Facility.

(iv) Purchase and maintain an adequate inventory of supplies reasonably anticipated to be used in the operations of the Facility. Such supplies shall include, but not be limited to, raw food and dietary supplies; nursing and pharmaceutical supplies; housekeeping and laundry supplies; office supplies; and supplies necessary for repair and maintenance of plant and equipment.

(v) Engage in such marketing activities with respect to the Facility as Manager deems to be appropriate in connection with the operation thereof.

(vi) Supervise and provide for the operation of dietary services facilities.

(vii) Coordinate directly and through others the orderly payment of bills, accounts payable, lease payments, employee payroll, taxes, insurance premiums, and other debts of the Facility, all as more fully described at Section 2.3 of this Agreement.

(viii) Obtain and maintain at Manager's expense insurance coverage for the Facility and the personnel engaged in the operation of the Facility.

(ix) Establish and maintain charts of accounts, accounting systems, and internal controls, using accounts, classifications, and procedures.

(x) Prepare and promptly file, within any time limitations set forth under applicable laws, with the appropriate governmental authority or appropriate other third party payor, as applicable, all Medicare and Medicaid, as applicable, cost reports for the Facility as may be required by any appropriate governmental authority during the Term. Licensee acknowledges that it will be required to sign the above-referenced cost reports, and agrees to promptly do so.

2.2 **Reserved.**

2.3 **Financial Obligations.** Without limitation of any rights arising under the Purchase Agreement and during the Term, Manager shall have responsibility for the financial obligations of the Facility and its operations. The payment of all expenses, utilities, and other costs associated with the Facility and its operations, and the right to receive all rental, resident occupancy fees, and other cash-flow income from the Facility and its operations with respect to the periods prior to and after the Effective Date shall be prorated and allocated between Licensee and Manager in accordance with the Purchase Agreement. Manager will pay in the ordinary course of business the bills, invoices, and costs that are incurred in connection with the operation of the Facility during the Term.

2.4 **Billing and Collection.** Manager shall be responsible for performing the billing, coding, and collection of fees associated with the Facility on behalf of Licensee. Licensee will cooperate with Manager in such activities and execute all documents reasonably required by Manager to perform such activities in compliance with applicable laws.

2.5 **Eligibility for Reimbursement/Correction of Deficiencies.** At its expense during the Term, Manager shall comply with all requirements of any applicable governmental authority in order to maintain eligibility of the Facility and its operations for payments and reimbursements from government insurers (including Medicare) or private insurers or third party payors; it being understood and agreed that as of the Effective Date, the Facility is not licensed in the name of Manager. Except with respect to the implementation of any existing plan of correction, Manager shall not be responsible for any certification deficiencies or state licensure violations affecting the Facility that relate to events or activities occurring or accruing before the Effective Date. Commencing as of the Effective Date, Manager shall be responsible at Manager's expense for the correction of any certification deficiencies or state licensure violations affecting the Facility that arise

on and after the Effective Date and relate to events or activities occurring or accruing on or after the Effective Date.

2.6 Manager's Representations and Covenants.

(i) Manager shall comply in all material respects with all statutes, rules and regulations of governmental authorities applicable to Manager's management of the operations of the Facility.

(ii) Manager agrees and covenants that it shall manage the Facility so as to provide compliance with the Lease and in accordance with applicable industry standards and standards of care. Manager shall use commercially reasonable efforts to avoid any citations or complaints against the Facility or Licensee's license by any governmental authority or any resident representative with regard to resident care or the operation and maintenance of the Facility.

(iii) Manager shall diligently pursue the new Skilled Nursing Facility License and shall provide reports of its application progress to Licensee promptly upon request.

ARTICLE 3
LICENSEE'S RESPONSIBILITIES

3.1 Cooperation with Manager. At no cost to Licensee, Licensee shall timely cooperate with Manager to assist and facilitate performance of Manager's management responsibilities under this Agreement.

3.2 Responsibilities of Licensee. During the Term, Licensee shall be solely responsible for (i) maintaining ultimate authority and responsibility for all aspects of operation of the Facility, to the extent required by licensing, certification, accreditation and other applicable requirements; and (ii) maintaining all state and federal licenses, permits, certifications, and approvals required in connection with the management and operation of the Facility.

3.3 Data and Information. Licensee shall timely provide to Manager, without charge, such necessary and relevant data and information in the possession of Licensee as Manager shall reasonably require or request in order to enable it to perform its duties under this Agreement, subject to applicable laws and confidentiality obligations.

3.4 Notification of Complaints. During the Term, Licensee shall promptly notify Manager of any inquiry, notice, or claim of which Licensee is or becomes aware alleging any deficiency or violation of any law, ordinance, or regulation relating to the Facility or the provision of the services on or after the Effective Date. Licensee shall also notify Manager of any claims or complaints by patients, residents, providers, employees, or independent contractors pertaining to the operation of the Facility or the use of the assets

of the Facility that could reasonably be expected either to damage the reputation of Manager or its affiliates or to subject Manager or its affiliates to any potential liability.

3.5 Permits. To the extent permitted by law, Licensee shall allow Manager to perform, and shall timely assist Manager upon request in the performance of, its management responsibilities under this Agreement, and Licensee shall further allow Manager to manage the Facility under all permits, licenses, or certificates held in the name of Licensee and which are necessary to operate the Facility as Licensee's agents and attorneys-in-fact.

ARTICLE 4 COMPENSATION

Except for reimbursement of any expenses pursuant to this Agreement, which shall be reimbursed as a facility expense from the operations of the Facility, Manager shall not be entitled to any other fees or other compensation for its services under this Agreement. To the fullest extent permitted under applicable law, Licensee shall retain no right, title, or interest in or to the Facility revenues and, to the fullest extent permitted under applicable law, hereby waives and disclaims any such right, title, and interest. The parties acknowledge and agree that Manager shall be responsible for the payment of operating expenses of the Facility incurred from and after the effective date of this Agreement.

ARTICLE 5 TERM

5.1 Term. This Agreement shall commence on the Effective Date and shall end and terminate on the effective date of the new Skilled Nursing Facility License as issued to Manager and/or the effective date of termination of the Lease (the "Term").

ARTICLE 6 INDEMNITY

6.1 By Manager. Manager shall indemnify, protect, defend, and hold Licensees harmless from and against any and all claims, suits, demands, liability, damages, and expenses, including reasonable attorneys' fees and costs, to the extent arising from or in connection with Manager's management of the operation of the Facility on or after the Effective Date, negligent acts or omissions, willful misconduct, or breach of this Agreement.

6.2 By Licensee. Licensee shall indemnify, protect, defend, and hold Manager harmless from and against any and all claims, suits, demands, liability, damages, and expenses, including reasonable attorneys' fees and costs, to the extent arising from or in connection with Licensee's negligence or willful misconduct, or breach of this Agreement.

6.3. Process. If any action or proceeding is brought against a party indemnified under this Article 6 in connection with any claims, suits, demands, liability, damages, and expenses for which such party is indemnified hereunder (collectively, "Indemnified Claims"), upon notice from such party, the indemnifying party shall defend the same at the indemnifying party's expense with counsel reasonable acceptable to the indemnified party. The Indemnification obligations under this Article 6 shall survive the termination of this Agreement.

ARTICLE 7 REPRESENTATIONS AND WARRANTIES

7.1 Licensee. Licensee represents and warrants to Manager as of the Effective Date that Licensee has all necessary power and authority to enter into this Agreement, and all necessary action has been taken to authorize the individuals executing this Agreement on Licensee's behalf to do so. During the term of this Agreement, Licensee further warrants that it will not revoke any of the state and federal licenses, permits, certifications, and approvals from governmental authorities that have jurisdiction over the Facility's licensure and operation that are required to be held by Licensee, including the SNF License, until the date Manager obtains the permits, certifications and approvals from governmental authorities needed to operate the Facility as a skilled nursing facility. This Agreement has been duly and validly executed and delivered by Licensee and is enforceable against Licensee in accordance with its terms. In addition to the foregoing provisions of this Section 7.1, the Representations and Warranties applicable to Licensee under the Purchase Agreement are incorporated herein by this reference and made a part of this Agreement.

7.2 Manager. Manager represents and warrants to Licensee as of the Effective Date that Manager has all necessary power and authority to enter into this Agreement, and all necessary action has been taken to authorize the individuals executing this Agreement on Manager's behalf to do so and that Manager is in good standing in the State of California. This Agreement has been duly and validly executed and delivered by Manager and is enforceable against Manager in accordance with its terms.

ARTICLE 8 PATIENT/RESIDENT RECORDS

All medical records shall be maintained in accordance with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act, and all regulations promulgated therewith (collectively, "HIPAA") and any other applicable laws. Upon execution of this Agreement, Manager and Licensee will enter into a business associate addendum to this Agreement, in the form attached hereto as Exhibit A.

ARTICLE 9 MISCELLANEOUS

9.1 Assignment. Neither party may transfer or assign any of its rights or obligations under this Agreement without the prior written consent of the other party, and any such transfer or assignment or attempt thereat shall be null and void and of no force and effect. It is understood, however, that Manager may subcontract certain functions of Manager hereunder to entities that Manager reasonably believes are capable of performing such functions, including to entities affiliated with Manager.

9.2 Governing Law. This Agreement will be governed by and construed in accordance with the law of the State of California (without regard to its principles of conflicts of laws).

9.3 Notice. Any notice hereunder shall be in writing and hand delivered or sent by a nationally recognized overnight courier service, addressed to the parties at their respective addresses set forth below:

If to the Manager:

Ararat Home of Los Angeles, Inc.
15105 Mission Hills Road
Mission Hills, CA 91345
Attention: Derik Ghookasian
Email: derikg@ararathome.org

If to the Licensee:

HumanGood SoCal
1900 Huntington Drive
Duarte, California 91010
Attention: Dan Ogus and Bethany Ghassemi
Email: Dan.Ogus@HumanGood.org;
Bethany.Ghassemi@HumanGood.org

Any such notice shall be deemed effective (i) if delivered personally, upon receipt or refusal of delivery, (ii) if mailed by registered or certified mail (postage prepaid, return-receipt requested), four business days after deposit with the U.S. Postal Service, (iii) if delivered via a nationally recognized overnight courier, upon deposit with such overnight courier, and (iv) if sent by electronic transmission (email), one business day after such electronic transmission. Either party may change its address for notice by giving notice as provided hereunder.

9.4 Execution and Counterparts. This Agreement may be executed in any number of counterparts. It is not necessary that both parties sign all or any of the counterparts, but each party must sign at least one counterpart for this Agreement to be effective.

9.5 Amendment. This Agreement may be amended only by an instrument in writing signed by the parties hereto. The parties agree to confer promptly and in good faith in order to amend this Agreement if required by any local, state, or federal law or regulation or any interpretation thereof by an agency having jurisdiction over the Facility.

9.6 Waiver. A failure or delay by either party in exercising any of its rights or remedies under this Agreement is not a waiver of those rights or remedies and does not otherwise diminish or affect any such right or remedy. A waiver by either party of any right or remedy under this Agreement is effective only to the extent that it is expressed in writing and signed by the party waiving its right or remedy.

9.7 Entire Agreement. This Agreement, Lease and the Purchase Agreement contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior understandings and agreements, whether written or oral, and all prior dealings of the parties with respect to such subject matter. In the event that any provision of this Agreement or the Lease conflicts with a provision of the Purchase Agreement, the provision of the Purchase Agreement prevails.

9.8 Severability. If any provision of this Agreement or the application of any such provision in any person or circumstance is held invalid, the remainder of this Agreement, and the application of such provision other than to the extent it is held invalid shall not be invalidated or affected thereby.

9.9 Confidentiality. Each party hereto covenants and agrees that it shall not disclose the terms of this Agreement or any agreement supplementing this Agreement to third parties, except as and to the extent disclosure is required by law, or required for the performance of its obligations hereunder or under related agreements, or as necessary or appropriate in dealing with the accountants, attorneys, and other representatives of the respective parties and/or as necessary to complete the transactions contemplated hereunder and/or under the Purchase Agreement.

BUSINESS ASSOCIATE PRIVACY ADDENDUM

This Business Associate Privacy Addendum (the "Addendum") is made and entered into as of the ____ day of _____, 2022, by and between HumanGood SoCal, a California non-profit public benefit corporation (the "Covered Entity") and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (the "Business Associate") (each a "Party" and collectively the "Parties").

WHEREAS, Covered Entity and Business Associate have contemporaneously entered into an Interim Management Agreement under which Business Associate provides certain management services to Covered Entity (the "Agreement"); and

WHEREAS, in providing services pursuant to the Agreement, Business Associate will have access to Protected Health Information ("PHI") (as defined below); and

WHEREAS, the services provided by Business Associate to Covered Entity cause Business Associate to be considered a "business associate" under the privacy and security regulations issued under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), as set forth in 45 C.F.R. Parts 160 and 164, and as amended by the Health Information Technology for Economic and Clinical Health Act (the "HIPAA Privacy Rule" and the "HIPAA Security Rule"); and

WHEREAS, Covered Entity and Business Associate desire to modify the Agreement to include certain provisions required by the HIPAA Privacy Rule and the HIPAA Security Rule.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein and the continued provision of PHI by Covered Entity to Business Associate under the Agreement in reliance on this Addendum, the Parties agree as follows:

1. **Definitions.** For purposes of this Addendum, the terms below shall have the meanings given to them in this Section.

- (a) "Breach" shall mean the acquisition, access, use, or disclosure of PHI in a manner not permitted under the HIPAA Privacy Rule which compromises the security or privacy of the PHI, as defined in 45 C.F.R. § 164.402.
- (b) "Data Aggregation" shall mean, with respect to PHI created or received by Business Associate in its capacity as the business associate of Covered Entity, the combining of such PHI by Business Associate with the PHI received by Business Associate in its capacity as business associate of other covered entities, to permit data analyses that relate to the Health Care Operations (defined below) of Covered Entity. The meaning of "data aggregation" in this Addendum shall be consistent with the meaning given to that term in the HIPAA Privacy Rule.
- (c) "Designated Record Set" shall mean a group of Records maintained by or for the Covered Entity that: (a) consists of medical records and billing records about

individuals maintained by or for the Covered Entity; (b) consists of the enrollment, payment, claims adjudication, and case or medical management record systems maintained by or for a health plan; or (c) consists of Records used, in whole or part, by or for the Covered Entity to make decisions about individual patients. As used herein, the term "Record" shall mean any item, collection or grouping of information that includes PHI and is maintained, collected, used or disseminated by or for a provider. The term "designated record set," however, shall not include any information in the possession of Business Associate that is the same as information in the possession of Covered Entity (information shall be considered the same information even if the information is held in a different format, medium or presentation or it has been standardized).

- (d) "De-Identify" shall mean to alter the PHI such that the resulting information meets the requirements described in 45 C.F.R. § 164.514(a) and (b).
- (e) "Electronic PHI" shall mean any PHI maintained in or transmitted by electronic media as defined in 45 C.F.R. § 160.103.
- (f) "Health Care Operations" shall have the meaning given to that term at 45 C.F.R. § 164.501.
- (g) "HHS" shall mean the U.S. Department of Health and Human Services.
- (h) "HITECH Act" shall mean the Health Information Technology for Economic and Clinical Health Act, enacted as part of the American Recovery and Reinvestment Act of 2009, Public Law 111-5.
- (i) "Protected Health Information" or "PHI" shall mean information transmitted or maintained in any form or medium, including demographic information collected from an individual, that
 - (i) is created or received by a health care provider, health plan, employer, or health care clearinghouse; and
 - (ii) relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual, and (a) identifies the individual or (b) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

The meaning of "protected health information" or "PHI" in this Addendum shall be consistent with the meaning given to that term in the HIPAA Privacy Rule.

- (j) "Security Incident" shall mean the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system. This term shall not include trivial incidents that occur on a daily basis, such as scans, "pings," or unsuccessful

attempts to penetrate computer networks or servers maintained by Business Associate.

- (k) "Subcontractor" shall mean a person to whom Business Associate delegate a function, activity, or service, other than in the capacity of a member of Business Associate' workforce, as defined in 45 C.F.R. § 160.103.
- (l) "Unsecured PHI" shall mean PHI that has not been rendered unusable, unreadable, or indecipherable to unauthorized individuals under standards published by the Secretary of HHS under Section 13402(h)(2) of the HITECH Act.

2. **Use and Disclosure of PHI.**

- (a) Except as otherwise provided in this Addendum, Business Associate may use or disclose PHI as reasonably necessary to provide the services described in the Agreement to the Covered Entity, and to undertake other activities of Business Associate permitted or required of Business Associate by this Addendum or as required by law.
- (b) Except as otherwise limited by this Addendum, Covered Entity authorizes Business Associate to use the PHI in its possession for the proper management and administration of Business Associate's business and to carry out its legal responsibilities. Business Associate may disclose PHI for its proper management and administration, provided that (i) such disclosures are required by law; or (ii) Business Associate obtains, in writing, prior to making any disclosure to a third party (a) reasonable assurances from such third party that the PHI will be held confidential as provided under this Addendum and used or further disclosed only as required by law or for the purpose for which it was disclosed to such third party; and (b) an agreement from such third party to notify Business Associate immediately of any breaches of the confidentiality of the PHI, to the extent it has knowledge of such breach.
- (c) Covered Entity authorize Business Associate to De-Identify the PHI.
- (d) Business Associate shall not use or disclose PHI in a manner other than as provided in this Addendum, as permitted under the HIPAA Privacy Rule, or as required by law. Business Associate shall use or disclose only the minimum necessary amount of PHI, in accordance with Section 13405(b) the HITECH Act, or any implementing regulations adopted thereunder for each use or disclosure of PHI hereunder.
- (e) Upon request, Business Associate shall make available to Covered Entity any of Covered Entity's PHI that Business Associate, or any of its Subcontractors, has in its possession.

3. **Compliance with HIPAA Privacy Rule.** To the extent that Business Associate carries out one or more of Covered Entity's obligations under Subpart E of 45 C.F.R. Part 164,

Business Associate must comply with the requirements of Subpart E that apply to Covered Entity in the performance of such obligations.

4. **Safeguards Against Misuse of PHI.** Business Associate shall use appropriate safeguards to prevent the use or disclosure of PHI other than as provided by the Agreement or this Addendum; and Business Associate agrees to comply with Subpart C of 45 C.F.R. Part 164 and implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the Electronic PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity. Business Associate agrees to take reasonable steps to ensure that the actions or omissions of its employees or agents do not cause Business Associate to breach the terms of this Addendum.
5. **Reporting Disclosures of PHI and Security Incidents.** Business Associate shall report to Covered Entity in writing any use or disclosure of PHI not provided for by this Addendum of which it becomes aware; and Business Associate agrees to report to Covered Entity any Security Incident affecting Electronic PHI of Covered Entity of which it becomes aware. Business Associate agrees to report any such event within ten (10) business days of becoming aware of the event.
6. **Reporting Breaches of PHI.** Business Associate shall notify Covered Entity in writing promptly upon the discovery of any Breach of Unsecured PHI in accordance with 45 C.F.R. § 164.410, but in no case later than 30 calendar days after discovery. Business Associate will reimburse Covered Entity for any reasonable costs incurred by it in complying with the requirements of 45 C.F.R. §164.410 imposed on Covered Entity as a result of a Breach committed by Business Associate or its Subcontractors.
7. **Mitigation of Disclosures of PHI.** Business Associate shall take reasonable measures to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of any use or disclosure of PHI by Business Associate or its Subcontractors in violation of the requirements of this Addendum.
8. **Agreements with Subcontractors.** Business Associate shall ensure that any of its Subcontractors that have access to or to which Business Associate provide PHI agrees in writing to the restrictions and conditions concerning uses and disclosures of PHI contained herein and agrees to implement reasonable and appropriate safeguards to protect any Electronic PHI that it creates, receives, maintains or transmits on behalf of Business Associate or Covered Entity.
9. **Access to PHI by Individuals.**
 - (a) Upon request, except for PHI that duplicates PHI in the possession of Covered Entity, Business Associate agrees to furnish Covered Entity with copies of the PHI maintained by Business Associate in a Designated Record Set in the time and manner reasonably designated by Covered Entity.
 - (b) In the event any individual or personal representative requests access to the individual's PHI directly from Business Associate, Business Associate within ten

(10) business days, shall forward that request to Covered Entity. Any disclosure of, or decision not to disclose, the PHI requested by an individual or a personal representative and compliance with the requirements applicable to an individual's right to obtain access to PHI shall be the sole responsibility of the Covered Entity.

10. Amendment of PHI.

- (a) Upon request and instruction from Covered Entity, Business Associate shall amend PHI or a Record about an individual in a Designated Record Set that is maintained by, or otherwise within the possession of, Business Associate as directed by Covered Entity in accordance with procedures established by 45 C.F.R. § 164.526. Any request by Covered Entity to amend such information shall be completed by Business Associate within fifteen (15) business days of Covered Entity's request.
- (b) In the event that any individual requests that Business Associate amend such individual's PHI or Record in a Designated Record Set, Business Associate within ten (10) business days, shall forward such request to Covered Entity. Any amendment of, or decision not to amend, the PHI or Record as requested by an individual and in compliance with the requirements applicable to an individual's right to request an amendment of PHI shall be the sole responsibility of the Covered Entity.

11. Accounting of Disclosures.

- (a) Business Associate shall document any disclosures of PHI made by it, except for disclosures relating to treatment, payment, or health care operations or other disclosures excepted under 45 C.F.R. § 164.528(a). Business Associate also shall make available information related to such disclosures as would be required for Covered Entity to respond to a request for an accounting of disclosures in accordance with 45 C.F.R. § 164.528. At a minimum, Business Associate shall furnish Covered Entity the following with respect to any covered disclosures by Business Associate: (i) the date of disclosure of PHI; (ii) the name of the entity or person who received PHI, and, if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of the disclosure which includes the basis for such disclosure.
- (b) Business Associate hereby agrees to implement an appropriate recordkeeping system to enable it to comply with the requirements of this Section. Business Associate agrees to retain such records for a minimum of six (6) years.
- (c) Business Associate shall furnish to Covered Entity information collected in accordance with this Section, within ten (10) days after written request by the Covered Entity, to permit Covered Entity to make an accounting of disclosures as required by 45 C.F.R. § 164.528, or in the event that Covered Entity elects to provide an individual with a list of its business associates, Business Associate will provide an accounting of its disclosures of PHI upon request of the individual, if

and to the extent that such accounting is required under Section 13405(c) of the HITECH Act or any implementing regulations adopted thereunder.

- (d) In the event an individual delivers the request for an accounting directly to Business Associate, Business Associate shall within ten (10) days forward such request to Covered Entity.

12. **Availability of Books and Records.** Business Associate shall make available its internal practices, books, agreements, records, and policies and procedures relating to the use and disclosure of PHI, upon request, to the Secretary of HHS for purposes of determining Covered Entity's compliance with the HIPAA Privacy Rule, the HIPAA Security Rule, and this Addendum.

13. **Term and Termination.**

- (a) This Addendum shall become effective on the Effective Date, as defined in the Agreement, and shall continue in effect until all obligations of the Parties have been met under the Agreement and under this Addendum.
- (b) Covered Entity may terminate immediately this Addendum if the Covered Entity reasonably determines that the Business Associate has breached a material term of this Addendum and Business Associate has failed to cure that material breach, to Covered Entity's reasonable satisfaction, within thirty (30) days after written notice from Covered Entity.
- (c) Upon termination of the Agreement or this Addendum for any reason other than Manager having assumed operations of the Facility as contemplated under the Purchase Agreement (as defined in the Agreement), all PHI of Covered Entity maintained by Business Associate shall be returned to Covered Entity or destroyed by Business Associate. Business Associate shall not retain any copies of such information. This provision shall apply to PHI of Covered Entity in the possession of Business Associate's Subcontractors. The foregoing notwithstanding, if return or destruction of the PHI is not feasible, in Business Associate's reasonable judgment, Business Associate shall furnish Covered Entity with notification, in writing, of the conditions that make return or destruction infeasible, and Business Associate will extend the protections of this Addendum to such information for as long as Business Associate retains such information and will limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible. This Section 13(c) shall survive any termination of this Addendum.
- (d) Upon Business Associate having assumed operations of the Facility as contemplated under the Purchase Agreement (as defined in the Agreement), the Business Associate shall become the Covered Entity and shall maintain all PHI in accordance with applicable law.

14. Effect of Addendum.

- (a) This Addendum is a part of and subject to the terms of the Agreement, except that to the extent any terms of this Addendum conflict with any term of the Agreement, the terms of this Addendum shall govern.
- (b) Except as expressly stated herein or as provided by law, this Addendum shall not create any rights in favor of any third party.

15. Regulatory References. A reference in this Addendum to a section in the HIPAA Privacy Rule or HIPAA Security Rule means the section as in effect or as amended.

16. Notices. All notices, requests, and demands or other communications to be given hereunder to a Party shall be made to the addresses identified in, and in accordance with the procedure, set forth in Section 9.3 of the Agreement.

17. Amendments; Waiver. This Addendum may not be modified, nor shall any provision be waived or amended, except in writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

18. HITECH Act Compliance. The Parties acknowledge that the HITECH Act includes significant changes to the HIPAA Privacy Rule and the HIPAA Security Rule. The Privacy Subtitle of the HITECH Act sets forth provisions that significantly change the requirements for business associates and the agreements between business associates and covered entities under the HIPAA Regulations and many of these changes will be clarified in forthcoming regulations and guidance. Each Party agrees to comply with the applicable provisions of the HITECH Act and any implementing regulations issued thereunder. Also, the Parties agree to negotiate in good faith to modify this Agreement as reasonably necessary to comply with the HITECH Act and its implementing regulations as they become effective; provided, however, that if the Parties are unable to reach agreement on such a modification, either Party shall have the right to terminate this Addendum upon thirty (30) days prior written notice to the other Party.

In Witness Whereof, this Addendum is executed by the Parties effective as of the Effective Date, as defined in the Agreement.

OPERATIONS TRANSFER AGREEMENT

THIS OPERATIONS TRANSFER AGREEMENT (this “Agreement”) is made and entered into as of [●], 2022 (the “Effective Date”), by and among HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee”) (each of Transferor and Transferee being a “Party” and, collectively, the “Parties”), with respect to the following:

RECITALS

A. Transferor is the owner and licensed operator of that certain continuing care retirement community commonly referred to as “Windsor” and “Windsor Manor” and located at 1230 E. Windsor Road, Glendale, California (the “Facility”). The Facility includes independent living residences and assisted living that are licensed Residential Care Facility for the Elderly (the “RCFE Premises”) and a licensed Skilled Nursing Facility (the “SNF Premises”).

B. Transferor, as Seller, and Transferee, as Purchaser, are parties to that certain Purchase and Sale Agreement dated May 17, 2022 (as the same may hereinafter be amended or modified from time to time, the “PSA”), pursuant to which Transferor has agreed, upon and subject to the terms and conditions of such agreement, to transfer to Transferee all of its right, title and interest in and to certain properties and assets used in connection with the Facility, as of the “Closing Date” (as defined in the PSA).

C. Effective as of the Closing Date Transferee will become the new licensed operator of the RCFE Premises.

D. Transferee has applied for a skilled nursing facility license from the California Department of Public Health (“CDPH”) and Medicare and Medi-Cal certification from the applicable state and federal governmental authorities to operate the SNF Premises (the “License Approvals”).

E. To assure that a licensed party at all times controls the physical premises of the SNF Premises while CDPH processes Transferee’s skilled nursing facility license application, Transferor and Transferee have entered into an Interim Lease effective as of the Closing Date whereby Transferee has agreed to sublease its interest in the SNF Premises back to Transferor pursuant to the terms of the Interim Lease and subject to the agreement of Transferor to engage Transferee to manage the SNF Premises on an interim basis on behalf of Transferor pursuant to that certain Interim Management Agreement effective on the Closing date, pending issuance of the SNF License to Transferee by CDPH. The Interim Lease and Interim Management Agreement (collectively, the “Interim Agreements”) will terminate on the OTA Closing Date, which is the date that CDPH issues Transferee a new skilled nursing facility license for the SNF Premises.

F. In order to facilitate a transition of operational and financial responsibility from Transferor to Transferee in a manner which will ensure the continued operation of the SNF Premises after the Closing Date in compliance with applicable law and in a manner which does not jeopardize the health and welfare of the residents of the SNF Premises, Transferor and Transferee are desirous of documenting the terms and conditions on which Transferee will manage

the SNF Premises for Transferor on and after the Closing Date and certain other terms and conditions relevant to the transition of operational and financial responsibility from Transferor to Transferee.

AGREEMENT

IN CONSIDERATION OF the foregoing recitals, the mutual promises contained herein, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties hereby agree as follows:

1. Transfer of Property; Excluded Assets.

(a) Inventory. Transferor shall transfer and convey to Transferee on the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the consumable inventories of every kind and nature whatsoever located on or about the SNF Premises and used or held for use in connection with the operation of the SNF Premises (the “Inventory”).

(b) Personal Property. Transferor shall transfer and convey to Transferee on the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the Personal Property and Vehicles described in the PSA.

(c) Permits. Transferor shall transfer and convey to Transferee as of the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the Permits described in the PSA, it being understood and agreed that the Permits shall specifically exclude any state issued regulatory permits, certificates, licenses and authorizations that are not transferable by law, regulation or ordinance.

(d) Excluded Assets. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, the transactions contemplated by this Agreement shall exclude the Excluded Assets (as defined in the PSA) and in no event shall Transferor be required to convey to Transferee or to any other person any Excluded Assets.

(e) Delivery of Possession. On the Closing Date, Transferor shall deliver possession of its Inventory, the Personal Property, and the Permits for the SNF Premises to Transferee (at the SNF Premises, in the case of tangible property).

(f) “As Is, Where Is” Transfer. Except as specifically set forth in this PSA, the Inventory, the Personal Property, the Vehicles and the Permits are being conveyed in their “as is, where is” condition.

(g) Bill of Sale and General Assignment. On the Closing Date, Transferor shall execute a Bill of Sale and General Assignment substantially in the form annexed as Exhibit A hereto to evidence the conveyance by Transferor of its Inventory, the Personal Property and the Permits to Transferee.

2. Employees.

(a) Employees Interviews. At any time during the thirty (30) day period prior to the anticipated Closing Date, upon prior notice to Transferor and in consultation with Transferor and as otherwise provided in the PSA, Transferee may conduct interviews of individuals employed at the Facility (collectively, "Employees"); and prior to the Closing Date, Transferee shall make offers of employment to the Employees in accordance with the terms of the PSA. Transferee shall coordinate with Transferor prior to making any disclosures of its hire/no hire decisions or making offers of employment to any such Employees.

(b) Accrued Employee Benefits. Transferor shall pay out the Accrued Employee Benefits to all of the hired Employees, on or before the next regularly scheduled payroll date following the Closing Date or at such earlier time as required by (and otherwise in accordance with) applicable law, in accordance with Transferor's standard policies in effect prior to the Closing Date.

3. Residency Agreements; Operating/Lease Contracts; Records.

(a) Residency Agreements. Effective on the OTA Closing Date, Transferor shall assign to Transferee and Transferor shall assume the residency agreements (the "Residency Agreements") for the then-current residents (the "Residents") of the SNF Premises. Transferor shall remain responsible for the obligations of Transferor arising under the Residency Agreements prior to the OTA Closing Date.

(b) Operating/Lease Contracts. In accordance with the terms of the PSA, Transferor shall assign to Transferee the service or equipment contracts or leases with certain third-party vendors that provide goods or services to the Facility, including the SNF Premises, designated by Transferee to the extent assignable (the "Operating Contracts"). Transferor shall be responsible for the obligations of Transferor arising under the Operating Contracts that are not assigned. Transferee shall be responsible for the obligations under the assigned Operating Contracts. On the Closing Date, all vendor or service arrangements for the benefit of multiple senior living communities of Seller or its affiliates, including the Facility and other communities owned, leased or managed by Seller or its affiliates, including, without limitation, any national or regional contracts and/or leases negotiated by Transferor or its affiliates (the "National Contracts") will cease providing goods or services to the Facility and Transferee will be responsible for establishing new relationships with vendors for these goods and services.

(c) Assignment and Assumption Agreement. On the OTA Closing Date, Transferor and Transferee shall execute an Assignment and Assumption Agreement with respect to the Residency Agreements substantially in the form annexed as Exhibit B hereto.

(d) Records. On the Closing Date, Transferor shall deliver possession to Transferee of (i) copies of the employee records which relate exclusively to the SNF Premises and are necessary for the continued operation of the SNF Premises; (ii) all of the records or written documents physically located at the SNF Premises and relating to current Residents of the SNF Premises, in the form in which such records or written documents are currently held; and (iii) any

active sales leads solely for the SNF Premises, and the lead sources related thereto, in the format in which such sales leads and lead source are currently maintained for the SNF Premises.

4. Medicare, Medi-Cal and Managed Care Agreements

(a) Medicare/Medi-Cal/Managed Care Agreements.

(i) Schedule I lists Transferor's Medicare and Medi-Cal provider numbers that pertains to the SNF Premises, Schedule II sets forth a list of the contracts between Transferor and managed care organizations that pertain to the SNF Premises (collectively, the "Medicare MCO Contracts").

(ii) Assignment and Assumption. To the extent permitted by applicable law, Transferor transfers, assigns, conveys and delivers to Transferee, and Transferee acquires and accepts from Transferor, all of Transferor's right, title and interest in Transferor's Medicare Provider Agreement (the "Medicare Assets"), provided that the parties recognize that this Agreement is not enforceable against the Centers for Medicare and Medicaid Services ("CMS") with respect to the imposition by CMS of any successor liability under applicable laws and CMS regulations. Transferee will be solely responsible pursuant to applicable law for the assigned Medicare Assets.

(iii) On the Closing Date, Transferor shall deliver to each managed care organization that is a party to a Medicare MCO Contract written notice of the transfer of the operations of the SNF Premises (including, without limitation, all billing related to the care rendered to the Residents thereof) from Transferor to Transferee. From and after the Closing Date, Transferee shall (x) perform all of the obligations that are to be performed by the operator and manager of the SNF Premises under the MCO Contracts or the Replacement MCO Contracts (as defined below) and that first arise from and after the Closing Date and (y) at Transferee's sole cost and expense, diligently pursue and use commercially reasonable efforts to cause each managed care organization to enter into a new contract with Transferee (each such replacement contract, a "Replacement MCO Contract"). Transferee acknowledges and agrees that Transferor makes no representation or warranty as to when or if each such managed care organization will agree to enter into a Replacement MCO Contract with Transferee.

(iv) Transferee shall indemnify, defend and hold harmless Transferor from and against any loss, damage, liability, claim, cost or expense (including, without limitation, reasonable attorneys' fees and any amounts payable by Transferor, whether by contractual indemnity or otherwise) that may be incurred by, or asserted against, Transferor arising out of or relating to Transferee's efforts to obtain assignment of the Medicare Assets, Transferee's efforts to cause the managed care organizations to enter into the Replacement MCO Contracts, any failure of Transferee to comply with their obligations pursuant to this Section or Transferee's billings under the Government Program (as defined below), or any other payer contracts.

5. Medicare Change of Ownership

(a) Transferee has filed a Medicare change of ownership application (the “CHOW”) with the applicable CMS Medicare Administrative Contractor (the “CMS MAC”) for the assignment of the Medicare Assets to Transferee. Transferee shall use commercially reasonable efforts to obtain, as soon as possible following the date hereof, CMS MAC and CMS Regional Office (“RO”) approval of the CHOW. Transferee shall be solely responsible for any and all costs associated with the CHOW process. Promptly upon receipt of a request from Transferor, Transferee will provide Transferor with copies of its CHOW application (which may be redacted for personal and ownership information) and any further documents submitted by Transferee to Medicare in response to any requests from such governmental authority.

(b) Transferor shall complete and file in a timely manner the “former owner,” “former operator,” or similar portions of the CHOW application, and complete and file in a timely manner all other required applications and forms, and shall otherwise reasonably cooperate with Transferee in order to facilitate the approval of the CHOW and assignment of the Medicare Assets. Promptly upon receipt of a request from Transferee, Transferor will provide Transferee with copies of its portion of the CHOW applications (which may be redacted for personal and ownership information) and any further documents reasonably requested by Transferee to be submitted to Medicare in response to any requests from such governmental authority.

(c) Transferee acknowledges that Transferor has not made, and is not making, any representation, warranty or other assurance regarding Transferee’s ability to (i) obtain any third-party payer agreement, or (ii) participate in any third-party payer program. Transferee acknowledges and agrees that it bears the entire risk of the foregoing and that, without waiving any rights or remedies under the PSA, Transferee will not have any claims against Transferor or any right to rescind all or any part of this Agreement, on the basis of any failure of the foregoing, unless and to the extent Transferor fails to cooperate or otherwise comply with its obligations pursuant to this Section. The provisions of this Section shall survive the expiration or any earlier termination of this Agreement.

6. Billings, Collections and Accounts Receivable.

(a) Billing. Transferor covenants to Transferee that, until the Closing Date, Transferor shall continue to bill the Residents and all other payers in the ordinary course of business consistent with past practices for amounts due under Residency Agreements or other payer contracts. From and after the Closing Date, Transferee shall assume responsibility for the billing of such amounts on and after the Closing Date, provided that Transferee is responsible for obtaining all other payer or provider agreements (commercial, governmental, or otherwise) which may be necessary for operating the SNF Premises on or after the Closing Date pursuant to Section 4. Transferor shall retain its right, title and interest in and to all unpaid accounts receivable with respect to the SNF Premises that relate to all periods prior to the Closing Date, including, but not

limited to, any accounts receivable arising from rate increase adjustments which relate to periods prior to the Closing Date even if such adjustments occur after the Closing Date.

(b) Private Pay Billing. The Parties acknowledge that private pay Residents are typically billed monthly by Transferor for amounts due under Residency Agreements in advance on or about the first (1st) day of each calendar month. Until the Closing Date, Transferor shall continue to bill private pay Residents in the ordinary course of business for amounts due under Residency Agreements. From and after the Closing Date, Transferee shall assume responsibility for billing private pay Residents for services provided to such residents on and after the Closing Date; provided, however, that Transferor may bill Residents after the Closing Date for services provided prior to the Closing Date that were not billed in advance on the first day of any calendar month prior to the Closing Date. Any private pay Resident payments that specifically identify dates of service, regardless of when received, shall be disbursed to Transferor or Transferee according to whether the dates of service were before or after the Closing Date. Private pay Resident payments that are not identified by dates of service and that are received by Transferor or Transferee during the first sixty (60) business days following the Closing Date shall be remitted to Transferor to be applied to reduce any outstanding private pay resident's obligations to Transferor, with any excess applied to reduce any balances due for services rendered by Transferee on and after the Closing Date. Private pay Resident payments that are not identified by dates of service and that are received by Transferor or Transferee on or after the sixty-first (61st) business day following the Closing Date, shall be remitted to Transferee or retained by Transferee, as applicable, to be applied to reduce private pay Residents' obligations to Transferee arising from and after the Closing Date. In the event the Parties mutually determine that any private pay Residents are entitled to a refund of payments, the portion thereof that relates to the period from and after the Closing Date shall be paid by Transferee and the portion thereof that relates to the period prior to the Closing Date shall be paid by Transferor to such private pay Resident.

(c) Medicare Billing.

(i) The Parties recognize that, subject to compliance with Medicare assignment rules, the Transferee is entitled to any and all outstanding Medicare receivables arising after the Closing Date on account of services rendered at the SNF Premises after the Closing Date. The Parties recognize that the CMS MAC continues to pay Transferor Medicare funds for the SNF Premises until the CMS MAC receives the tie-in/approval notice for the Medicare CHOW from the RO. Therefore, to the extent permitted under applicable law, (i) Transferee is hereby authorized to use the Medicare Provider Number in the name of and on behalf of Transferor, and in accordance with all applicable laws, regulations, and payor rules, to process invoices to and payments from Medicare, so long as those payments are deposited directly into a bank account designated in writing by, and in the name of and under the sole control of, Transferor for eligible services rendered at the SNF Premises after the Closing Date and until receipt of the tie-in/approval notice from the RO (the "CHOW Processing Period"), and (ii) Transferor is hereby authorized to continue to use the Medicare Provider Number, in its own name and behalf, to process invoices to and payments from Medicare for eligible services rendered at the SNF Premises on or prior to the Closing Date. '

(ii) Transferee and Transferor hereby acknowledge and agree that following the Closing Date and until the date that CMS sends the tie-in/approval notice to the CMS MAC, Transferee shall be allowed to bill under Transferor's existing Medicare Provider Agreement, insurance contracts and any other payor program related agreements for the SNF Premises (collectively, "Program Agreements"), and provider numbers for purposes of billing and collecting receivables on account of services rendered by Transferee after the Closing Date. In order to assist in the billing and collection of such receivables, and periodically track receivables, Transferor agrees to use its commercially reasonable efforts to permit Transferee access to any website of any carrier, fiscal intermediary or CMS MAC (collectively referred to as a "MAC"), or any other third-party payor. Transferor agrees to grant Transferee or its designee status as an authorized user under such websites (including establishing a new user id and password if applicable). From the Closing Date, Transferor hereby acknowledges that Transferee may submit claims, reports, documents and other information to the MAC for services provided to residents at the SNF Premises from the Closing Date until the date that CMS sends the tie-in/approval notice to the CMS MAC, as necessary to receive payment for such services. Transferor acknowledges and agrees that all receivables arising from services rendered on and after the Closing Date are the sole property of Transferee. Transferee shall not assume or be deemed to have assumed and shall not be responsible for any liability or obligation of Transferor under Transferor's Provider Agreement related to the operation of the SNF Premises with respect to periods prior to the Closing Date, and Transferor shall not assume or be deemed to have assumed and shall not be responsible for any liability or obligation relating to the operation of the SNF Premises with respect to periods subsequent to the Closing Date. Transferee shall be liable for any overpayments, recoupments or other liabilities relating to the SNF Premises by Medicare or any other third-party payor arising from the operation of the SNF Premises following the Closing Date.

(iii) Payments received by Transferor or Transferee on and after the Closing Date with respect to the SNF Premises from Medicare shall be handled as follows:

(A) If such payments either specifically indicate on the accompanying remittance advice, or if the Parties agree, that they relate to the period prior to the Closing Date, they shall be retained by Transferor or, if received by Transferee, remitted by Transferee to Transferor, as applicable, and the applicable remittance advice shall be provided to Transferee or Transferor as applicable.

(B) If such payments either specifically indicate on the accompanying remittance advice, or if the parties agree, that they relate to the period on or after the Closing Date, they shall be remitted by Transferor to Transferee, or if received by Transferee, retained by Transferee, as applicable, and the applicable remittance advice shall be provided to Transferee or Transferor as applicable.

(C) If such payments indicate on the accompanying remittance advice, or if the parties agree, that they relate to periods both prior to and after the Closing Date, the portion thereof which relates to the period after the

Closing Date shall be forwarded to, or retained by, Transferee, as applicable, and the balance shall be remitted to, or retained by, Transferor, as applicable.

(D) If the accompanying remittance advice, which is received by either party during the first sixty (60) days following the Closing Date does not indicate the period to which a payment relates or if there is no accompanying remittance advice, Transferor will attempt to reconcile the payment to the dates of service for which such payment was made, and the payments thereof which Transferor determines relate to the period after the Closing Date shall be forwarded to, or retained by, Transferee, as applicable, and any payments that relate to the period prior to the Closing Date shall be remitted to, or retained by, Transferor, as applicable. On the sixty-first (61st) day following the Closing Date, Transferor will provide Transferee with all information necessary to allow Transferee to perform the reconciliation described in this section of unaccounted for payments and will either forward to Transferor or retain such payments, as applicable. The party who performs the reconciliation of unaccounted for payments received in accordance with this section will promptly forward documentation to the other party supporting the allocation of the payment. If the Parties do not agree as to how to apply an unaccounted-for payment, then the payment shall be deemed to apply against the oldest outstanding account receivable due from such payor.

(d) Other Third-Party Payor Payments. Payments received by Transferor or Transferee on and after the Closing Date with respect to the SNF Premises from other third-party payors, such as the Medi-Cal Program, the Veterans Administration, managed care companies, or health maintenance organizations, shall be handled in accordance with Section 6(c)(iii).

(e) Timing. By the 20th day of each calendar month, Transferor or Transferee, as applicable, shall deposit to an account designated by Transferor or Transferee all payments due to Transferor or Transferee which are allocable to Transferor or Transferee pursuant to this Section 6 for the previous calendar month.

(f) Statement of Reconciliation. Promptly upon making payment due to Transferor or Transferee which are allocable to Transferor or Transferee pursuant to this Section 6 and in no event later than ten (10) days following a such payment, Transferor or Transferee, as applicable, shall prepare and deliver to Transferor or Transferee, as applicable, a proposed statement of reconciliation of payments received by either Party during such calendar month in respect of the SNF Premises (the "Proposed Reconciliation"). The Proposed Reconciliation shall appropriately reflect the net amount owed to each Party, respectively, as a result of such reconciliation. After approval of the Proposed Reconciliation by both Parties, the Party determined to owe any amounts as a result of such Proposed Reconciliation shall promptly pay such amounts to the other Party by wire transfer to an account designated in writing by such other Party. In addition to the Statement of Reconciliation, each Party agrees to forward to the other Party, as applicable, any and all remittance advice, explanations of benefits, denial of payment notices, and

all other correspondence related to the billing and collection of Accounts Receivable and allocation of payments promptly following receipt by each Party.

(g) Misapplied Payments. In the event the Parties mutually determine that any payment hereunder was misapplied by the parties, the party which erroneously received said payment shall remit the same to the other within two (2) business days after said determination is made.

(h) No Right Offset or Recoupment. To the extent either Transferor or Transferee receive any proceeds from the Accounts Receivable of the other Party, the Parties acknowledge that the Party receiving the payment belonging to the other Party shall hold the payment in trust. Neither Transferee nor Transferor shall have any right to offset or recoupment with respect to such Accounts Receivable, and any Party erroneously receiving a payment belonging to the other Party shall have no right, title or interest whatsoever in the payment and shall remit the same to the other as provided herein.

(i) Cooperation in Processing of Claims. Each Party agrees that it will provide the other Party with any information reasonably required to enable any Party to complete its billing to Residents or other payouts in accordance with this Agreement. If necessary, for a period of eighteen (18) months following the Closing Date:

(i) Each Party agrees to take all reasonable steps to assist the other in processing the Government Programs claims and obtaining payments for services rendered (i) in the case of Transferee, from and after the Closing Date, and (ii) in the case of Transferor, prior to the Closing Date.

(ii) The Party being assisted pursuant to this Section agrees to reimburse the Party rendering assistance for any reasonable, documented, out-of-pocket expenses (due to third parties) actually incurred by the assisting Party in rendering such assistance.

7. Cost Reports

(a) Transferor and Transferee shall each timely prepare and file with the appropriate Medicare and/or Medi-Cal agency, in accordance with applicable law and regulation, any final or other cost reports with respect to its operation of the SNF Premises which are required to be filed by law under the terms of the Medicare or Medi-Cal programs. The Parties shall cooperate fully by providing to each other any and all necessary financial or accounting information reasonably required by the other Party to enable such other Party to timely submit the foregoing described final or other cost reports and shall cooperate fully in any accounting decisions related to the depreciation of certain assets and the inclusion of Medicare bad debt on the final cost report filed by Transferor.

(b) In addition to the foregoing obligations, Transferor shall file, to the extent required by applicable regulations, a credit balance report (Form CMS-838) with Medicare within thirty (30) days following the end of the quarter in which this Agreement is executed and delivered. Transferor and Transferee shall each timely prepare and file with the appropriate payor

authorities, in accordance with applicable laws, any final or other cost reports with respect to its operation of the SNF Premises that are required under the terms of the Medicare program, including, without limitation, Transferor preparing and filing any and all final cost reports for the SNF Premises for the time period during which Transferor was the licensed operator of the SNF Premises (the “Final Assignor Cost Reports”), within the time frames required by applicable laws, but no later than one hundred and eighty (180) days after the Closing Date; provided, however, that Transferee shall reasonably cooperate with Transferor in connection with the preparation of any Final Assignor Cost Reports with respect to any portion of such Final Assignor Costs Reports relating to operations at the SNF Premises during the time between the Closing Date and the OTA Closing Date (the “Interim Period”). Prior to filing any Final Assignor Cost Reports that cover the Interim Period, Transferor shall forward drafts of the same to Transferee for review, and Transferee shall have ten (10) business days to review and comment on any portion thereof relating to the Interim Period. Transferor shall provide Transferee with copies of the Final Assignor Cost Reports within five (5) days after the same are filed with the applicable government program.

8. Indemnification. (a) In consideration of Transferor agreeing to allow Transferee to operate the SNF Premises under Transferor’s skilled nursing facility license and bill Medicare and other government programs using Transferor’s provider numbers during the Interim Period and as a further inducement for Transferor to enter into this Agreement and the Interim Agreements, Transferee hereby agrees to indemnify, protect, defend, and hold harmless Transferor and its affiliates, members, managers, directors, officers, employees and agents (collectively “Transferor Indemnified Parties”) from any losses, damages (other than consequential damages except to the extent payable to third parties), costs and expenses (including reasonable attorneys’ fees) which Transferor Indemnified Parties may at any time suffer or incur, or become subject to, as a result of or arising from: (a) a breach by Transferee of its obligations under this Agreement which is not cured within thirty (30) days after receipt of written notice from Transferor setting forth, in reasonable detail, the nature of such breach, or any breach of the obligation by Transferee to bill correctly and in accordance with all applicable laws, regulations, and payer rules during the time that the CHOW is being processed by the CMS MAC and RO (the “CHOW Billing Obligations”), (b) any liabilities with respect to Transferee’s handling of the Resident Funds received by Transferee; and (c) any liabilities incurred by any Transferor Indemnified Party with respect to the assigned Medicare Assets for services rendered on or after the date hereof, except to the extent arising from Transferor’s negligence or willful misconduct. The foregoing indemnity obligations of Transferee do not limit Transferee’s responsibility to perform its duties and obligations as set forth in this Agreement or Transferee’s direct responsibility for any breach of such obligations. (b) Transferor hereby agrees to indemnify, protect, defend, and hold harmless Transferee and its affiliates, members, managers, directors, officers, employees and agents from any and all claims, suits, demands, liability, damages, and expenses, including reasonable attorneys' fees and costs, to the extent arising from or in connection with Licensee’s negligence or willful misconduct hereunder, or breach of this Agreement, except to the extent of Transferee’s negligence or willful misconduct. During the term of this Agreement, Licensee warrants that it will not revoke any of the state and federal licenses, permits, certifications, and approvals from governmental authorities that have jurisdiction over the Facility's licensure and operation that are required to be held by Licensee after the Closing Date, including the SNF License, until the date Transferee obtains the permits, certifications and

approvals from governmental authorities needed to operate the Facility as a skilled nursing facility.

9. Transfer of Resident Trust Funds

(a) On the Closing Date, Transferor shall provide Transferee with a true, correct and complete accounting and inventory of all funds belonging to residents at the SNF Premises (each, a “Resident”) which are held by Transferor in a custodial capacity (collectively, “Resident Funds”) as of the date hereof, subject to adjustment within fifteen (15) days following the date hereof. Such accounting and inventory will set forth the names of the Residents for whom such Resident Funds are held and the amounts held on behalf of each Resident. On the date hereof, Transferee acknowledges receipt of and expressly assumes all of Transferor’s financial and custodial obligations with respect thereto, it being the intent and purpose of this provision that, on the date hereof, Transferor will be relieved of all fiduciary and custodial obligation with respect to such Resident Funds delivered to Transferee and that Transferee will assume all such obligations and be directly accountable to the Residents with respect to all Resident Funds delivered to Transferee.

(b) Transferee shall have no responsibility as to the applicable Resident/responsible party and regulatory authorities for claims which arise from actions or omissions of Transferor with respect to the Resident Funds prior to the Closing Date, and such pre-existing liabilities (if any) related to the Resident Funds shall be and remain the responsibility of Transferor.

(c) Except as set forth above, Transferor shall have no responsibility to the applicable Resident/responsible party and regulatory authorities with respect to any Resident Funds delivered to Transferee. The provisions of this Section shall survive the expiration or any earlier termination of this Agreement.

10. Interim Covenants.

(a) The Parties acknowledge that (i) Transferee is required under the laws of the State of California to obtain all of the permits, licenses and governmental approvals described on Schedule III attached hereto for the operation of the SNF Premises (the “License Approvals”). Accordingly, Transferee agrees to (u) assume full responsibility for securing the License Approvals required with respect to the SNF Premises, (v) at its sole cost and expense, diligently pursue, and use commercially reasonable efforts to obtain the License Approvals, (w) prepare and deliver to Transferor a written status report with respect to Transferee’s efforts to obtain the License Approvals (a “License Approval Status Report”) with fifteen (15) day following Transferor’s written request, but no more than once every two months, (x) promptly notify Transferor in writing of any material development in connection with the License Approvals, (y) deliver to Transferor such reasonable documentation and information in respect of the License Approvals as Transferor may reasonably request from time to time and (z) deliver written notice to Transferor of Transferee’s receipt of the License Approvals no later than ten (10) business days after Transferee’s receipt thereof. Each License Approval Status Report shall summarize in reasonable detail (a) the efforts of Transferee (and any person acting on behalf of Transferee) to obtain the License Approvals for the period commencing since the prior License Approval Status Report was delivered and continuing up to the date of the License Approval Status Report then

being delivered (except that the first License Approval Status Report shall instead cover the period between the Closing Date and the date such first License Approval Status Report is delivered), (b) the current status of the application for each License Approval (including commentary regarding the timing and likelihood of the receipt thereof), (c) the dates and subject matter of any and all future meetings, if any, planned (and/or scheduled, as applicable) with any Governmental Authority in respect of the License Approvals and (d) any setbacks encountered by Transferee (and/or by any person acting on behalf of Transferee) in pursuit of the License Approvals. At Transferee's written request, Transferor agrees to cooperate reasonably and in good faith with Transferee as Transferee seeks to obtain the License Approvals from any applicable Governmental Authority as may be required, provided that Transferee shall pay all out-of-pocket costs and expenses arising in connection with the same or imposed by any Governmental Authority requirement (and reimburse Transferor for any such costs and expenses). If, at any time, Transferee receives notice that a License Approval has been denied, then Transferee shall (A) deliver written notice thereof to Transferor within five (5) business days after Transferee's receipt of such denial notice and (B) diligently pursue, at its sole cost and expense, any lawful challenge or appeal of such denial.

(b) Interim Agreements. On the Closing Date, Transferor and Transferee shall execute the Interim Agreements, pursuant to which an interim arrangement structure permits Transferee to begin managing the SNF Premises under Transferor's skilled nursing facility license, and allows for the applicable existing material permits, licenses, agreements and other authorizations issued and required by Governmental Authorities in connection with the operation of the SNF Premises to remain in full force and effect following the Closing Date and until the OTA Closing Date.

11. Costs and Prorations.

(a) As between Transferee and Transferor, any payments (including any amount paid to Transferor prior to the Closing Date for services to be rendered on and after the Closing Date from social security payments, private pay residents' security deposits and prepayments, applied income payments, resident trust prepayments, etc.) for SNF Premises operating expenses, utility charges for the billing period in which the Closing Date occurs, and prepaid expenses and other related items of revenue or expense attributable to the SNF Premises, including prepaid SNF Premises license and permit fees, shall be prorated between Transferor and Transferee as of Closing Date. In general, such prorations shall be made so that as between Transferee and Transferor, Transferor shall be reimbursed for prepaid expense items to the extent that the same are applied to expenses attributable to periods on and after the Closing Date and Transferor shall be charged for unpaid expenses to the extent that the same are attributable to periods prior to the Closing Date. Any CDPH annual license renewal fees shall be the sole responsibility of, and paid by, Transferee. [NTD: TRANSFEE SHOULD BE RESPONSIBLE FOR ALL LICENSE FEES POST-CLOSING AS TRANSFEE IS THE OWNER OF THE PROJECT AT THAT POINT AND IS THEREFORE RESPONSIBLE FOR ALL FEES ATTRIBUTABLE TO THE OWNERSHIP/OPERATION OF THE PROJECT]

(b) Section 11(a) shall be implemented by Transferee remitting to Transferor any invoices (or the applicable portion thereof in the case of invoices which cover periods both prior to and after the Closing Date) which describe goods or services provided to the

SNF Premises before the Closing Date and by Transferee assuming responsibility for the payment of any invoices (or portions thereof) which describe goods or services provided to the SNF Premises on and after the Closing Date; provided, however, that notwithstanding any provision of this Agreement to the contrary, any and all deposits paid by Transferor with respect to the SNF Premises, including without limitation, any and all utility, insurance company or surety shall remain the sole and exclusive property of Transferor, and Transferee shall have no right or interest therein or thereto, and to the extent that Transferor does not receive a return of any such deposit on the Closing Date and such security deposit has been assumed by Transferee, Transferee shall reimburse the Transferor on the Closing Date the full amount of any such security deposit assumed by Transferee.

(c) All such prorations shall be made on the basis of actual days elapsed in the relevant accounting or revenue period and shall be based on the most recent information available to Transferor. Utility charges which are not metered and read on the Closing Date shall be estimated based on prior charges, and shall be re prorated upon receipt of statements therefor as of the Closing Date. Transferee shall obtain its own insurance coverage covering all periods commencing on and after the Closing Date and for the duration of the Interim Period, and shall name Transferor as an "Additional Insured" to said insurance coverage policies.

(d) All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the OTA Closing Date shall be settled within ten (10) business days after the OTA Closing Date or, in the event the information necessary for such adjustment is not available within said ten (10) business day period, then within seven (7) business days of receipt of information by either party necessary to settle the amounts subject to proration.

12. Intentionally deleted.

13. Accounting and Resident Data. Transferor shall transfer its accounts receivable data and resident care data in electronic form, if possible, to Transferee on or before the Closing Date and Transferor agrees to cooperate with Transferee in transferring such information and shall allow, to the extent such temporary arrangement is permissible under Transferor's vendor contracts, to use computer systems and software for a period of ninety (90) days after the Closing Date for accounts receivable collections and resident care maintenance. In the event, the Parties agree that it is not possible to electronically transfer Transferor's accounts receivable and/or resident care data to Transferee, Transferor shall provide hardcopy paper records of its resident care data to Transferee. Transferee will be responsible for any cost associated with the transfer (electronically or otherwise) by Transferor of its resident care data to Transferee not to exceed \$ _____.

14. Submission to Jurisdiction. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY

CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.

15. Notice. Unless expressly provided otherwise herein, any notice, communication or demand required or permitted to be given under this Agreement shall be in writing (including e-mail communications) and shall be sent to the applicable party in accordance with the terms of the PSA.

16. Miscellaneous.

(a) No Bulk Transfer. Neither anything contained herein, nor the transactions provided for herein, shall be deemed or construed to constitute a “bulk sale”.

(b) Further Assurances. Each Party agrees to execute and deliver to any other Party any agreement, document or instrument deemed reasonably necessary or desirable to give effect to the transactions described in this Agreement.

(c) Entire Agreement. There are no agreements, understandings, commitments, representations or warranties between the Parties with respect to the subject matter hereof except as expressly set forth in this Agreement. This Agreement supersedes all prior oral or written negotiations, understandings and agreements between the Parties with respect to the subject matter hereof. In the event that any provision of this Agreement conflicts with a provision of the Purchase Agreement, the provision of the Purchase Agreement prevails.

(d) Captions; Pronouns. Any titles or captions contained in this Agreement are for convenience only and shall not be deemed part of the text of this Agreement. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as appropriate.

(e) Counterparts; Facsimile or Electronic Transmission. This Agreement may be executed in any number of multiple counterparts, each of which shall be deemed to be an original copy and all of which shall constitute one agreement, binding on the Parties. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Agreement. The words “executed”, “execution”, “signed”, “signature”, and words of like import in this Agreement shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable

law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

(f) Governing Law. IN ALL RESPECTS THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF CALIFORNIA (WITHOUT REGARD OF PRINCIPLES OR CONFLICTS OF LAW).

(g) Specific Performance. Each Party shall be entitled to enforce the terms of this Agreement through specific performance.

(h) Attorneys' Fees. If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement or to resolve any dispute under this Agreement, the losing Party(ies) shall pay the attorneys' fees, costs and necessary disbursements of the prevailing Party(ies) in addition to any other relief to which such prevailing Party(ies) may be entitled.

(i) No Third-Party Beneficiaries; Successors and Assigns. This Agreement shall not confer any rights or remedies upon any person other than the Parties and their respective successors and permitted assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. No Party, however, may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other Parties.

(j) Amendments. No amendment of any provision of this Agreement shall be valid unless, as a condition to the effectiveness of such change, the same shall be in writing and signed by the Party against whom the amendment is sought to be enforced. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

(k) Severability. In the event that any provision of this Agreement, as applied to any Party or to any circumstance, shall be adjudged by a court to be void, unenforceable or inoperative as a matter of law, then the same shall in no way affect any other provision in this Agreement, the application of such provision in any other circumstance or with respect to any other Party, or the validity or enforceability of this Agreement as a whole.

(l) Full Review and Advice of Counsel. Each Party and their respective attorneys have had full opportunity to review and participate in the drafting of the final form of this Agreement. Accordingly, this Agreement shall be construed without regard to any presumption or other rule of construction against the Party causing this Agreement to be drafted.

(m) Time of the Essence. Time is of the essence of each and every provision of this Agreement.

IN WITNESS WHEREOF, the Parties have executed and entered into this Agreement as of the Effective Date.

BILL OF SALE AND GENERAL ASSIGNMENT

THIS BILL OF SALE AND GENERAL ASSIGNMENT (this “Bill of Sale”) is made as of this [____] day of [____] (the “Effective Date”), by HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and [Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee)”].

W I T N E S S E T H

WHEREAS, Transferor owns and operates that certain continuing care retirement community commonly referred to “Windsor” and “Windsor Manor” and located at 1230 E. Windsor Road, Glendale, California.

WHEREAS, pursuant to that certain Operations Transfer Agreement dated as of [●], 2022 (the “OTA”), Transferor is required to transfer and convey to Transferee all of its right, title and interest in and to the Inventory, Personal Property and Permits (as each of such terms is defined in the OTA) other than the Excluded Assets (as defined in the OTA) (collectively, the “Transferred Property”) with respect to the Facility (as defined in the OTA), free and clear of all liens, charges, claims and encumbrances thereon, and Transferee is required to accept the transfer and conveyance thereof.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Transferor hereby agrees as follows:

1. Transfer of the Transferred Property. Transferor hereby grants, assigns, transfers, conveys and delivers to Transferee, absolutely and unconditionally, all of its right, title and interest in and to the Transferred Property with respect to the Facility. Except as aforesaid, the Transferred Property is being conveyed in its “as is, where is” condition.

2. Impact of Interim Agreements. Notwithstanding the foregoing, due to the fact that the Interim Agreements are being implemented for the SNF Premises as of the Closing Date, if applicable law prohibits the conveyance of any of the Transferred Property to Transferee until the OTA Closing Date, then such Transferred Property shall not be assigned, transferred or conveyed by Transferor as of the Closing Date, but rather shall be automatically assigned, transferred and conveyed by Transferor to Transferee upon the OTA Closing Date; provided, however, nothing herein shall derogate from any of Transferee’s obligations, as applicable, under the Interim Agreements (including, without limitation, Transferee’s responsibility for obligations with respect to the Transferred Property with respect to the SNF Premises for all periods from and after the Closing Date).

3. Successors and Assigns. This Bill of Sale shall be binding upon and inure to the benefit of Transferor and Transferee and their respective successors.

4. Signatures; Counterparts. This Bill of Sale may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Bill of Sale by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Bill of Sale. The words “executed”, “execution”, “signed”, “signature”, and words of like import in this Bill of Sale shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

5. Governing Law. This Bill of Sale shall be governed by and construed and enforced in accordance with the internal laws of the state of California without giving effect to the principles of conflicts of law thereof.

Form of Assignment and Assumption Agreement

ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (this "Assignment") is made as of this [____] day of [____] (the "Effective Date"), by and between HumanGood SoCal, a California non-profit public benefit corporation d/b/a "Windsor" and "Windsor Manor" ("Transferor"), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation ("Transferee").

W I T N E S E T H

WHEREAS, Assignor and Assignee are parties to that certain Operations Transfer Agreement dated as of [●], 2022 (the "Operations Transfer Agreement"), which governs the transfer of operations and management of the continuing care retirement community commonly referred to as Windsor or Windsor Manor (the "Community").

WHEREAS, pursuant to the Operations Transfer Agreement, (a) Transferor is required to assign, transfer and convey to Assignee all of its right, title and interest in, to and under the (i) Residency Agreements, other than Excluded Assets (as each such term is defined in the Operations Transfer Agreement) (collectively, the "Assigned Agreements") with respect to the Facility (as defined in the Operations Transfer Agreement) and (b) Assignee is required to accept such assignment, transfer and conveyance from and after the Closing Date with respect to the Facility (except with respect to the Residency Agreements that are applicable to the SNF Premises (as defined in the Operations Transfer Agreement), which shall be from and after the OTA Closing Date (as defined in the Operations Transfer Agreement); provided that nothing herein shall derogate from any of Transferee's obligations, if applicable, under the Interim Agreements (as defined in the Operations Transfer Agreement) (including, without limitation, Transferee's responsibility for Transferor's obligations under the Residency Agreements with respect to the SNF Premises for periods from and after the Effective Date).

NOW THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the mutual receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

1. Assignment. Assignor assigns, transfers, and conveys unto Assignee all of its rights, title, interest, benefits and privileges in, to and under the Assigned Agreements and the Assigned Accounts with respect to the Facility.

2. Assumption. Each Assignee hereby expressly assumes and agrees to perform from and after the Effective Date all of the obligations of Assignor under the Assigned Agreements which first arise from and after the Effective Date (except with respect to the Residency Agreements that are applicable to the SNF Premises, which shall be from and after the OTA Closing Date; provided that nothing herein shall derogate from any of Transferee's obligations, if applicable, under the Interim Agreements (including, without limitation,

Transferee's responsibility for Transferor's obligations under the Residency Agreements with respect to the SNF Premises for periods from and after the Effective Date).

3. Impact of Interim Agreements. Notwithstanding the foregoing, due to the fact that the Interim Agreements (as defined in the Operations Transfer Agreement) are being implemented for the SNF Premises as of the Closing Date as defined in the PSA, if applicable law prohibits the assignment of any of the Assigned Agreements or Assigned Accounts to Assignee until the OTA Closing Date, then such Assigned Agreement or Assigned Account shall not be assigned, transferred or conveyed by Assignor as of the Closing Date, but rather shall be automatically assigned, transferred and conveyed by Assignor to Assignee upon the OTA Closing Date; provided, however, nothing herein shall derogate from any of Transferee's obligations, if applicable, under the Interim Agreements (including, without limitation, Transferee's responsibility for Transferor's obligations with respect to the Assigned Agreements and Assigned Accounts with respect to the SNF Premises for all periods from and after the Effective Date).

4. Binding Effect. This Assignment shall be binding upon, enforceable by and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Signatures; Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Assignment by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Assignment. The words "executed", "execution", "signed", "signature", and words of like import in this Assignment shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg") and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

6. Governing Law. This Assignment shall be governed by and construed and enforced in accordance with the internal laws of the state of California without giving effect to the principles of conflicts of law thereof.

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment as of the Effective Date.

1.1.7 All inventory, wherever located, including all raw materials, spare parts and all other materials and supplies to be used in the Business or in connection with maintenance of the Facility (the "**Inventory**");

1.1.8 All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");

1.1.9 All intangible personal property of any kind or character of the Seller, including without limitation, all warranties, guarantees and all of Seller's legal and equitable claims, causes of action, and rights, if any, arising post-Closing, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

1.1.10 All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

1.1.11 Other than corporate and trade names used by Seller in connection with the Business as well as related social media accounts, domain name and website and any content therein, all of the Seller's Intellectual Property, including, but not limited to, licenses and sublicenses granted and obtained with respect thereto, related to the Business, to the extent transferable, Seller's telephone and fax numbers, all passwords and similar access requirements with respect thereto, and all goodwill associated therewith, including rights thereunder, remedies against infringements thereof, and rights to protection of interests therein;

1.1.12 The vehicles described in **Schedule 1.1.12** (the "**Vehicles**");

1.1.13 The goodwill associated with operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the Business;

1.1.14 All prepayments, vendor credits, loans to employees, prepaid expenses and similar assets.

1.1.15 Excluding the Excluded Assets, any other asset, property, or right of any Seller, tangible or intangible, used in the conduct of the Business.

1.1.16 All books, files and records in whatever form or medium related to the operation of the Facility and the Business, including, but not limited to, original records for current residents and employees of the Business, quotation and purchase records and all books, records, ledgers, files, documents, correspondence, lists, reports, and other printed or written materials with respect to the Real Property, Facility and Business but specifically excluding those documents whose disclosure is restricted by applicable law.

Hereinafter the assets described in this **Section 1.1** shall sometimes be collectively referred to as "Seller's Assets." The parties hereby acknowledge and agree that HumanGood SoCal owns and operates seniors housing communities other than the Facility ("**Other Assets**"), and that Seller's Assets being sold hereunder do not include the Other Assets.

1.2 Excluded Assets. Purchaser acknowledges and agrees that the Seller's Assets shall not include the following, all of which shall be and remain the property of Seller (the "**Excluded Assets**"):

1.2.1 the Other Assets;

1.2.2 Seller's cash, including petty cash, or accounts receivable of Seller arising from the operation of the Facility prior to the Closing Date;

1.2.3 Except as provided in Section 1.1.3 above, Seller's proprietary or organizational documents, financial (including historical financials), accounting and/or tax records and other records that Seller is required by law to retain in its possession;

1.2.4 Seller's rights arising under this Agreement or under any other agreement between Purchaser and Seller;

1.2.5 any insurance policies in the name of either of the entities comprising Seller which are in effect at Closing with respect to any or all of the Seller's Assets;

1.2.6 Seller's deposits, including utility deposits and prepaid expenses accruing through the Closing Date, unless and to the extent that Seller is reimbursed therefor on the Closing Date;

1.2.7 Except as may be otherwise provided herein, any claim, cause of action, or right of recovery or settlement held by Seller against third parties including vendors, relating to the ownership and/or operation of the Facility on or before the Closing Date;

1.2.8 Except as may be otherwise provided herein, any and all proprietary and confidential materials, rights and information located at and used in connection with the ownership and/or operation of the Facility, including but not limited to, policy and procedure manuals;

1.2.9 any personal property identified on **Schedule 1.2.8** hereto (the "**Excluded Personal Property**");

1.2.10 the name "HumanGood" or "HumanGood SoCal" and any variations thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that Seller and its affiliates will continue to use the name HumanGood and HumanGood SoCal post-Closing. At Closing, Seller will grant to Purchaser a non-exclusive, nontransferable, limited license to use the name "Windsor" and "Windsor Manor" and all associated logos in connection with Purchaser's ownership and management of the Facility post-Closing, which license shall remain in place for a period of ninety (90) days post-Closing, or in the case of the skilled nursing facility ("**SNF**") that is part of the Facility (the "**Windsor Manor SNF**"), until the date that the California Department of Public Health ("**CDPH**") issues a new skilled nursing facility to Purchaser. The foregoing license provision shall survive the Closing; and

1.2.11 all contracts and agreements to which Seller may be a party in connection with the ownership and operation of the Facility which are not Assigned Contracts and any national contracts.

1.3 Assumption of Liabilities. Except for the deposits and obligations related to the Assigned Contracts arising on or after Closing, Purchaser does not hereby or in connection herewith assume any liability of Seller or any other party whatsoever in relation to the Seller's Real Property, Facility or the Business (the "**Assumed Liabilities**").

1.4 Notwithstanding the provisions of **Section 1.3** or any other provision in this Agreement to the contrary, Purchaser shall not assume and shall not be responsible to pay, perform or discharge any liabilities of Seller of any kind or nature whatsoever other than the Assumed Liabilities (the "**Excluded Liabilities**"). Seller shall pay and satisfy in due course all Excluded Liabilities, which shall include all monies owed by Seller under the Assigned Contracts through the Closing.

2. Purchase Price.

2.1 Purchase Price. The aggregate consideration for the Seller's Assets (the "**Purchase Price**") shall be Fourteen Million Five Hundred Thousand and No/100 Dollars (\$14,500,000.00) plus the assumption of any Assumed Liabilities, subject to any proration adjustment contemplated in **Section 6.2** hereof. At the Closing, the Purchaser will deliver to Seller, by wire transfer or immediately available funds, an amount equal to the Purchase Price, less the Deposit as set forth in 2.1.1. as follows:

2.1.1 Deposit. Within two (2) business days after the Execution Date, Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Initial Deposit**") with Commonwealth Land Title, 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660 Attention: Kelly Ralph (the "**Escrow Agent**"). Within two (2) business days after the expiration of the Due Diligence Period (as defined below), Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Additional Deposit**") with Escrow Agent. The Initial Deposit and Additional Deposit shall be defined herein as the "Deposit". In the event the Closing occurs, the Deposit shall be applied against the Purchase Price. In the event the Closing fails to occur, the Deposit shall be remitted to the Seller or to Purchaser as set forth more fully in **Section 11**; provided, however, if Purchaser does not provide an Approval Notice (as defined below) prior to expiration of the Due Diligence Period for any reason, this Agreement and the escrow shall be cancelled, and the Initial Deposit immediately returned to Purchaser.

2.1.2 Balance of Purchase Price. The balance of the Purchase Price, less the Deposit, plus or minus any costs and prorations for which Seller and/or Purchaser are responsible under **Section 6.2** hereof shall be paid by wire transfer of immediately available funds at Closing.

2.2 Allocation of Purchase Price. The Purchase Price shall be allocated among the Seller's Assets in the manner set forth in **Schedule 2.2**.

2.3 Independent Consideration. As consideration for Seller's agreement to enter into this Agreement, Purchaser shall deliver directly to Seller, within two (2) business days following the Execution Date, the sum of One Hundred Dollars (\$100.00) (the "**Independent Consideration**"), which Independent Consideration shall be retained by Seller as Seller's sole property immediately upon receipt thereof and which shall be nonrefundable to purchaser in all events; provided, however, that the Independent Consideration shall be applied to the Purchase Price at Closing.

3. Closing

3.1 Time and Place of Closing. Subject to the satisfaction or waiver of the closing conditions set forth in **Section 5** below, the closing of the Transaction contemplated hereby (the "**Closing**") shall occur on the date that the California Department of Social Services ("**DSS**") approves Purchaser's new Residential Care Facility for the Elderly license ("**RCFE License**") to operate the Facility post-Closing and issues Purchaser a Certificate of Authority ("**COA**") to enter into continuing care contracts with residents of the Facility post-Closing, such approval and issuance occurring on the same date, with documents to be released for recording and the funds

released by Purchaser to Seller on or before 3:00 PM (Pacific Time) and shall be effective at 12:01 am on such date (the "**Closing Date**"); provided that in the event the Closing has not occurred on or before December 31, 2023, Seller shall have the right to terminate this Agreement upon written notice to Purchaser in which case the Deposit shall be returned to Purchaser unless Purchaser is then in default and neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

3.2 Closing Process. The Closing shall occur through escrow and accordingly, at or prior to the Closing Date, the Parties shall deposit in escrow with the Escrow Agent all documents and monies necessary to close the transaction as herein provided. Closing shall occur in accordance with the procedures and instructions given by the Parties to the Escrow Agent prior to Closing.

4. Due Diligence; Title and Survey.

4.1 Due Diligence Investigation.

4.1.1 Within three (3) Business Days after the Opening of Escrow, Seller shall deliver to Purchaser or provide Purchaser access to all materials in Seller's possession or control relating to the Real Property or Facility including, but not limited to: (i) copies of the most recent property tax bills and assessments for the Property; (ii) copies of all documents evidencing interests not shown on the Title Report, if any, (iii) a copy of any and all leases, service contracts, easements, licenses, development approvals and/or other agreements related to the Real Property or Facility including, without limitation, contracts for design work thereon; (iv) any and all existing surveys of the Real Property; (v) any and all soils reports, reports pertaining to hazardous materials or other environmental conditions or other reports relating to the physical condition of the Real Property; (vi) any and all engineering documents relating to the Facility including, without limitation, plans and specifications prepared for Seller in connection with the development of the Real Property and Facility (the "**Plans and Specifications**"); (vii) any and all other correspondence, reports, studies, permits, approvals or documents relating to the Real Property or Facility, except for Seller's internal materials, documents, correspondence, and/or analysis; (viii) audited financial statements for the Business for the period ending December 31, 2019, 2020 and 2021 (the "**Financial Statements**"), as well as the three month period ending March 31, 2022; (ix) the general ledger and trial balance supporting the Financial Statements; (x) contracts and agreements and other documents material to the Business; (xi) a redacted current and complete list of all employees of Seller who work at the Facility, together with their dates of hire, positions and their annual salaries and other compensation; and (xii) and other documents to be provided by Seller in accordance with this **Section 4.1.1** (collectively, the "**Due Diligence Materials**"). In addition, Seller shall promptly deliver to Purchaser or provide Purchaser access to such other information relating to the Real Property, Facility and Business that is specifically and reasonably requested by Purchaser of Seller in writing to the extent such information is in the possession or control of Seller. Except as otherwise expressly set forth in this Agreement, Seller makes no representations or warranties whatsoever regarding the Due Diligence Materials, including, without limitation, as to their completeness or accuracy. Prior to the expiration of the Due Diligence Period, Seller will provide to Purchaser a final list of the Due Diligence Materials provided to Purchaser.

4.1.2 During the period (the "**Due Diligence Period**") commencing on the later of the Execution Date and the delivery of all the Due Diligence Items in Seller's possession or control, and ending forty-five (45) days thereafter, Purchaser will have the right, at its sole cost and expense, to conduct such investigations with respect to Seller's Assets as it deems to be necessary in the exercise of its sole and absolute discretion in connection with its purchase thereof, including without limitation, environmental site assessments, property condition reports, appraisals, engineering tests and studies, physical examinations of the Property, and feasibility studies, as well as inspections of the financial condition and operations of the Facility.

4.1.2.1 At all reasonable times from the date of this Agreement to the Closing, or earlier termination of this Agreement, upon forty-eight (48) hours prior written notice to Seller, Purchaser and their respective employees, agents, consultants, managers and contractors shall be entitled, at Purchaser's sole cost and expense, to: (a) enter onto the Real Property and Facility to perform any inspections, investigations, studies, and tests of the Real Property and Facility (including, without limitation, physical, engineering, soils, geotechnical, and environmental tests) that Purchaser deems reasonable; provided however that Purchaser shall not do any invasive testing on the land without the prior consent of Seller, which consent shall not be unreasonably withheld; (b) review all Due Diligence Materials; and (c) investigate such other matters pertaining to the Real Property, Facility and Business as Purchaser may desire. Any entry by Purchaser onto the Real Property shall be subject to, and conducted in accordance with, all applicable laws. Upon completion of any such testing, Purchaser shall immediately restore the Real Property and Facility to substantially the same condition as it existed prior to Purchaser's entry under this **Section 4.1.2.1**. During the term of Escrow, Purchaser shall have the right to meet with representatives of the City and other governmental agencies having jurisdiction over the Real Property and Facility. Seller shall have the right to have a representative attend each and every meeting with representatives of the City and other governmental agencies having such jurisdiction. Seller shall cooperate with Purchaser in its investigation of the Real Property, Facility and Business (the "**Due Diligence Review**").

4.1.2.2 Purchaser shall indemnify, defend and hold Seller and Seller's Assets harmless of and from any and all losses, liabilities, costs, expenses (including without limitation, reasonable attorneys' fees and costs of court at trial and on appeal), damages, liens, claims (including, without limitation mechanics' or materialmans' liens or claims of liens), actions and causes of action arising from or relating to Purchaser (or Purchaser's agents, employees, or representatives) entering on the Real Property and/or the Facility to test, study, investigate or inspect the same or any part thereof (except for the discovery of any pre-existing conditions). The foregoing indemnity shall expressly survive the Closing or the earlier termination of this Agreement.

4.1.2.3 Purchaser shall have the right at any time on or before the end of the Due Diligence Period (the "**Due Diligence Termination Date**"), to terminate this Agreement by delivering a written notice of such termination to Seller and Escrow Agent if Purchaser determines, in its sole and absolute discretion, that the Seller's Assets are not acceptable to Purchaser for any reason. Purchaser shall indicate its satisfaction and/or waiver of the Due Diligence condition described in this **Section 4.1** by delivering written notice of such satisfaction and/or waiver ("**Approval Notice**") to Seller and Escrow Agent on or prior to the Due Diligence Termination

Date. In the event Purchaser fails to timely deliver an Approval Notice, then this Agreement and the Escrow shall be automatically deemed terminated. In the event this Agreement is terminated in accordance with this Section, then the Initial Deposit shall be immediately returned to Purchaser and the parties shall thereafter be relieved from further liability hereunder, except with respect to any obligations under this Agreement that are expressly stated to survive any termination of this Agreement.

4.2 Title Matters. After the Execution Date, Purchaser will also conduct a review of the condition of title to the Real Property pursuant to the procedures outlined below:

4.2.1 Property Documents. After the Execution Date, to the extent not previously obtained, Seller shall obtain a title report or title commitment (the "**Title Commitment**") for a standard owner's title insurance policy with respect to the Property issued by Commonwealth Land Title (the "**Title Company**"), along with copies of all of the exception documents referenced therein and a map showing all easements plotted. Purchaser shall have the right, at its own cost and expense, to obtain a zoning compliance letter issued by the local zoning authority or a zoning report issued by a third party provider qualified in the preparation of such reports, an ALTA survey with respect to the Real Property (the "**Survey**") prepared by a surveyor selected by Purchaser, a Phase One Environmental Site Assessment (the "**Phase One**") and Property Condition Report.

4.2.2 Title Objections.

(a) Not later than fifteen (15) days after the receipt of the Title Commitment, Purchaser shall advise Seller in writing of its objections, if any, to the matters reflected in the Title Commitment (a "**Title Document Objection Letter**").

(b) Within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall specify by written notice delivered to Purchaser which of the objections described therein it will correct at or prior to the Closing Date and which of such objections it refuses to correct at or prior to the Closing Date (the "**Seller Title Document Response Notice**"). If Seller fails to deliver a Seller Title Document Response Notice within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall be deemed to have refused to correct any of the matters to which Purchaser objected in the Title Document Objection Letter. If Seller refuses to or is deemed to have refused to correct some or all of the matters objected to in the Title Document Objection Letter, Purchaser shall have five (5) days after receipt or deemed receipt of a Seller Title Document Response Notice in which to advise Seller of its decision to terminate this Agreement, in which case the Deposit shall be immediately returned to Purchaser. If Purchaser does not deliver a notice of termination under this Section, Purchaser shall be deemed to have waived its objections, notwithstanding the defects which Seller has refused to correct. In the event Purchaser elects to terminate this Agreement as a result of the existence of matters contained in the Title Commitment which Seller refuses to correct by Closing, then the provisions of **Section 11** shall apply.

(c) Any matter reflected in the Title Commitment and not objected to by Purchaser or as to which Purchaser waives or is deemed to have waived its objections in

accordance with the terms hereof, shall be deemed accepted by Purchaser and shall for purposes hereof be deemed to be the "Permitted Exceptions".

(d) If any update to the Title Commitment issued by the Title Company following the above reveals any additional lien or encumbrance, Purchaser shall have the right to object to the matters contained in such update in accordance with the provisions set forth above with a supplemental property document objection letter.

4.3 Access to Key Employees. Seller agrees to provide Purchaser with access to meet with Seller's executive director and other department heads (and no other employees of the Facility) during the Due Diligence Period. Such meetings shall be conducted with prior notice to and approval by Seller and in the presence of Seller. Purchaser shall not disclose to other members of Seller's staff or the residents, the existence of this Agreement, or of any proposed sale of the Facility. After the expiration of the Due Diligence Period, Seller shall provide Purchaser with access to the other employees of the Facility, which meetings shall also be conducted with prior notice to and approval by Seller and in the presence of Seller.

5. Conditions to Closing.

5.1 Purchaser's Conditions. Purchaser's obligation to purchase Seller's Assets hereunder is subject to fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Seller at the Closing) (the "**Purchaser's Closing Conditions**"), which conditions may be waived by Purchaser only in a writing executed by Purchaser:

5.1.1 Closing Deliveries. Seller shall have delivered to Purchaser or, if applicable, to the Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

(a) A Grant Deed in substantially the form annexed hereto as **Exhibit A** (the "**Deed**") in proper form for recording, duly executed and acknowledged by Seller, sufficient to convey to Purchaser fee simple title to the Real Property, free and clear of all liens and encumbrances, other than the Permitted Exceptions;

(b) A bill of sale executed by Seller in substantially the form annexed hereto as **Exhibit B** (the "**Bill of Sale**") sufficient to convey to Purchaser good and indefeasible title to the remainder of the Seller's Assets, free and clear of all liens, encumbrances and security interests;

(c) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit C** (the "**Assignment**") duly executed by Seller with respect to the Assumed Operating Contracts and the Resident Agreements;

(d) Such title affidavits and indemnities as may be reasonably required by the Title Company in connection with the issuance of the Title Policy (as defined below);

(e) A Foreign Investment in Real Property Tax Act affidavit duly executed by Seller in substantially the form annexed hereto as **Exhibit D**;

(f) A Form 1099-S identifying Seller's gross proceeds and tax identification number, if required by the Escrow Agent;

(g) A certificate, in form and substance reasonably acceptable to Purchaser, of Seller to the effect that the representations and warranties of Seller set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Seller has complied with all covenants of Seller set forth herein;

(h) A counterpart copy of the Seller's "Closing Statement" prepared by the Escrow Agent and approved and signed by Seller;

(i) Written closing instructions directed to the Escrow Agent;

(j) Documentation, reasonably acceptable to the Title Company, confirming the authority of Seller to execute and deliver this Agreement and all of the documents described in this **Section 5.1.1** and to consummate the Transaction contemplated hereby;

(k) An Interim Lease, Interim Management Agreement and OTA;

(l) The consent of all other parties to the Assumed Operating Contracts for each Assumed Operating Contract that requires the consent of another party prior to the consummation of the transaction contemplated by this Agreement; and

(m) Such other customary closing documents required from the sellers of real estate in the applicable city, state and county in which the Facility is located as Purchaser or the Title Company may reasonably require.

5.1.2 Title Policy. The Title Company shall be irrevocably and unconditionally prepared and committed to issue to Purchaser a standard, or if Purchaser has paid the additional cost thereof as contemplated by **Section 6.1.1**, an extended, coverage title insurance policy insuring Purchaser's title to the Real Property as of the Closing Date subject to no exceptions other than the Permitted Exceptions, with those endorsements reasonably requested by Purchaser (provided that such endorsements are available in the State of California and are paid for in accordance with the terms in this Agreement), in an amount equal to the part of the Purchase Price allocated to the Real Property and Facility (the "**Title Policy**").

5.1.3 Representations and Warranties. The representations and warranties of Seller contained in this Agreement shall be true, correct, and complete in all material respects as of the Closing Date and Seller shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.1.4 Seller's Performance. Seller shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Seller to be complied with or performed under the terms of this Agreement prior to or at Closing.

5.1.5 Licenses and Approvals. Purchaser and/or its designee shall have obtained a RCFE license and a COA from DSS. CDPH shall have received a SNF Change of Ownership

application for Windsor Manor SNF from Purchaser that includes the executed Interim Lease and Interim Management Agreements required in **Sections 5.1.1(k)** and **5.2.2(g)**.

5.1.6 Due Diligence Review. Purchaser shall have delivered an Approval Notice pursuant to **Section 4.1.2.3**.

5.1.7 New Encumbrances. Other than new Resident Agreements entered into in the ordinary course of business by Seller, Seller shall not have encumbered or granted any interest in or to the Property or any portion thereof to any party for any reason whatsoever, include the grant or dedication of any easements, any security interest or otherwise burden the title or use of the Property or any portion thereof after the Opening of Escrow.

5.2 Seller's Conditions. Seller's obligation to sell Seller's Assets hereunder is subject to the fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Purchaser at the Closing) (the "**Seller's Closing Conditions**"), which conditions may be waived by Seller only in a writing executed by Seller:

5.2.1 Purchase Price. Purchaser shall have delivered to Escrow Agent the Purchase Price as set forth in **Section 2** above.

5.2.2 Closing Deliveries. Purchaser shall have delivered to Seller or, if applicable, to Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

- (a) The executed Assignment;
- (b) A certificate, in form and substance reasonably acceptable to Seller, of Purchaser to the effect that the representations and warranties of Purchaser set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Purchaser has complied with all covenants of Purchaser set forth herein;
- (c) A counterpart copy of the Purchaser's "Closing Statement" prepared by the Escrow Agent and approved and signed by Purchaser;
- (d) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit C** (the "**Assignment**") duly executed by Purchaser with respect to the Assumed Operating Contracts and the Resident Agreements;
- (e) Written closing instructions directed to the Escrow Agent;
- (f) Documentation, reasonably acceptable to Seller and the Title Company, confirming the authority of Purchaser to execute and deliver this Agreement and all of the documents described in this **Section 5.2.2** and to consummate the transaction contemplated hereby;
- (g) An Interim Lease, Interim Management Agreement and OTA; and

(h) Such other customary closing documents required from the purchasers of real estate in the applicable city, state and county in which the Facility is located as Seller or the Title Company may reasonably require.

5.2.3 Representations and Warranties. The representations and warranties of Purchaser contained in this Agreement shall be true, correct and complete in all material respects as of the Closing Date and Purchaser shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.2.4 Attorney General and California Department of Social Services Approval. All consents, approvals and other authorizations from the Attorney General's Office, DSS, and any other consents or approvals necessary to transfer the Assets to Purchaser, have been obtained by Seller, without the imposition of conditions unsatisfactory to Seller in its sole discretion.

5.2.5 Purchaser's Performance. Purchaser shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Purchaser to be complied with or performed under this Agreement prior to or at Closing, including Purchaser and/or its designee having obtained the Residential Care Facility for the Elderly license and Certificate of Authority per **Section 5.1.5**.

5.3 Conditions Generally. The foregoing conditions are for the benefit only of the Party for whom they are specified to be conditions precedent and such Party may, in its sole discretion, waive any or all of such conditions and proceed with the Closing under this Agreement without any increase in, abatement of or credit against the Purchase Price.

6. Closing Costs and Prorations.

6.1 Costs and Expenses. All costs and expenses associated with the Transaction shall be allocated between the Parties as follows:

6.1.1 Seller shall pay the cost of a standard coverage title insurance policy with respect to the Real Property in the amount of the Purchase Price and Purchaser shall pay the additional cost to secure extended coverage and for all endorsements, as well as the cost of the Survey and any lender's title insurance policy which Purchaser may elect to obtain.

6.1.2 Seller shall pay for the transfer taxes applicable to the sale of the Real Property.

6.1.3 Purchaser shall pay all of the costs associated with the Due Diligence Review.

6.1.4 Each of the Parties shall each pay their own legal fees and expenses.

6.1.5 Purchaser and Seller shall share on a 50-50 basis all escrow fees.

6.1.6 Seller shall pay the cost of recording the Deed and all recording fees required to remove any exceptions from title other than the Permitted Exceptions and Purchaser shall pay any other recording fees.

6.1.7 Purchaser shall pay any and all filing fees and all other costs which may be due in connection with securing the Purchaser's licenses and permits necessary to operate the Facility.

6.2 Prorations and Adjustments.

6.2.1 All of the revenues and expenses related to the ownership of the Seller's Assets and the operation of the Facility as of the Closing Date shall be prorated between Seller and Purchaser, with Seller entitled to such revenues and responsible for such expenses for the period prior to the Closing Date and with Purchaser entitled to such revenues and responsible for such expenses for the period from and after the Closing Date. For the avoidance of doubt, any market rate fees due to any resident referral/placement agencies shall be the responsibility of Seller to the extent the applicable resident commenced occupancy at the Facility at any time prior to the Closing Date and shall be the responsibility of Purchaser to the extent the applicable resident commences occupancy at the Facility at any time on or after the Closing Date. Similarly, any amounts due under the Operating Contracts relating to the Facility and Business for services rendered or goods received prior to the Closing Date, whether an Assigned Contract or not, shall be the responsibility of Seller. Further, the parties acknowledge and agree that post-Closing Seller will continue to collect certain governmental receivables for services rendered by Seller prior to Closing as set forth in Section 10.7 below and pursuant to the terms of the OTA.

6.2.2 Real and personal property taxes shall be prorated as of the Closing Date, with Seller responsible therefor for the period prior to the Closing Date and with Purchaser responsible therefor for the period from and after the Closing Date. Such proration shall be based on the most recently available tax bills and shall be subject to re-proration after Closing in accordance with the provisions of **Section 6.2.3** below.

6.2.3 Prior to Closing, Seller shall arrange for a final statement with respect to all utilities serving the Real Property and the Facility as of the Closing Date and shall pay all fees identified thereon and Purchaser shall arrange for all such utilities to be billed in its name from and after the Closing Date and shall pay all fees due therefor as of the Closing Date.

6.2.4 All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the Closing Date shall be settled within sixty (60) days after the Closing Date or, in the event the information necessary for such adjustment is not available within said sixty (60) day period, then within ten (10) Business Days of receipt of information by either Party necessary to settle the amounts subject to proration and, unless otherwise set forth herein, any payment owed shall be made within fifteen (15) days of a Party's receipt of a request for payment. In the event of a disagreement regarding any item(s) (or the amount of any item(s)) subject to proration under the terms of this Agreement, Seller and Purchaser shall negotiate in good faith to resolve any such disagreement within ten (10) Business Days after either Party articulates to the other a basis for disagreement. If the Parties are unable to resolve

such dispute within ten (10) Business Days, then the Parties shall appoint an independent accounting firm of national or regional reputation as is mutually acceptable to the Seller and Purchaser and having no current relationship with either Seller or Purchaser or any affiliate thereof (an "**Independent Accounting Firm**"), which shall review the items then subject to disagreement and determine the appropriate proration within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The determination by the Independent Accounting Firm with respect to each item in dispute shall be conclusive and binding on the Parties hereto. All fees and expenses billed by the Independent Accounting Firm in connection with the resolution of disputes under this Section shall be borne one-half by Seller and one-half by Purchaser.

6.2.5 This **Section 6** shall survive the Closing.

7. **Seller's Representations, Warranties and Covenants.** Seller does hereby warrant and represent to Purchaser solely in its capacity as the owner of the Facility and the Real Property (and not on behalf of any facility or other real or personal property owned by Seller) as follows:

7.1 **Organization and Authority.** Seller is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California. Seller has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

7.2 **Enforceability; No Conflict.** This Agreement is valid, binding and enforceable against Seller in accordance with its terms, except as such enforceability may be limited by creditors' rights laws. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under or violation of the Seller's organizational documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Seller is now a party or by which Seller or any of the assets of Seller may be bound or affected. Except with respect to the approvals provided for in **Section 5.2.4** above, with respect to Seller, no other consent, approval, order or authorization of or from, or registration, notification, declaration or filing with any Person, including without limitation, any Government Entity, is required in connection with the execution, delivery or performance of this Agreement by Seller or the consummation by Seller of the transactions contemplated herein.

7.3 **Litigation.** Except as disclosed to Purchaser on **Schedule 7.3** hereto, there is no pending or, to Seller's knowledge, threatened litigation, administrative investigation or other proceeding with respect to or affecting Seller, the Real Property, the Facility or the Business, at law or in equity. Seller is not a party to, nor is Seller or the Real Property, Facility or Business bound by, any orders, judgments, injunctions, decrees or settlement agreements under which Purchaser may have continuing obligations after the Closing Date. **Schedule 7.3** lists all ongoing actions against the Seller at law or in equity and a summary of prior legal proceedings against Seller (including, without limitation, general/professional liability, employment, property and

workers' compensation legal proceedings) for the prior three (3) years with the Due Diligence Materials.

7.4 Compliance with Law. Seller has received no written notice that the Facility or Business is not in compliance with applicable laws, nor is Seller aware of any condition that would reasonably be expected to give rise to such non-compliance.

7.5 The Facility. The Facility is a licensed continuing care retirement community. Seller holds the following licenses and certificates ("**Licenses**"): (i) Residential Care Facility for the Elderly license issued by DSS, (ii) a Certificate of Authority issued by DSS, and (iii) a SNF license issued by CDPH. True and correct copies of the current Licenses to operate the Facility, the form of Resident Agreements in use at the Facility (the "**Resident Agreements**") and rent roll for the Facility (the "**Rent Roll**") have been provided to Purchaser as part of the Due Diligence Review. The Rent Roll shall be updated by Seller monthly. The Licenses are in full force and effect.

7.6 Employees of the Facility; Unions. All of the employees of the Business at the Facility are the employees of Seller. None of the employees of the Business at the Facility are members of a labor union or subject to any collective bargaining agreement nor to Seller's knowledge are such employees engaged in any union organizing activities or threatened an attempt to organize or establish any labor union or employee association to represent any employees. Seller is not a party to any labor dispute or grievances with respect to the operations at the Facility. Except as disclosed to Purchaser on **Schedule 7.3** hereto, Seller has received no written notice of nor does Seller have knowledge of any non-compliance with applicable laws governing employment and employee relations, including laws relating to employment discrimination, sexual harassment, civil rights, equal pay, wages, meal and rest breaks, hours, overtime, sick leave, collective bargaining and labor relations, occupational safety and health, workers' compensation, immigration, or the withholding and payment of income, social security (FICA) or similar taxes, and any similar laws of any foreign jurisdiction. Except as disclosed to Purchaser on **Schedule 7.3** hereto, to Seller's knowledge, no action alleging a violation of any applicable employment law has been threatened. Seller hereby acknowledges that it has I-9's on file at the Facility for each of the employees of Seller. To Seller's knowledge, Seller does not have any existing workers' compensation liabilities with respect to Seller's employees that are not covered by insurance. Purchaser will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any such law or regulation relating to actions arising out of or related to any event occurring on or before the Closing Date. Seller will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any law or regulation relating to actions arising out of or related to any event occurring after the Closing Date.

7.7 Condemnation; Reassessment. Seller has not received written notice of any (a) condemnation proceeding relating to the Real Property, (b) reclassification of any or all of the Real Property for local zoning purposes, or (c) reassessment or reclassification of any or all of the Real Property for state or local real property taxation purposes. To Seller's knowledge, no such actions have been threatened.

7.8 Operating Contracts. Copies of all written operating contracts and equipment leases to which Seller is a party in connection with the ownership and/or operation of the Facility (collectively, the "**Operating Contracts**") have been provided to Purchaser as part of the Due Diligence Review. Each of the Operating Contracts is in full force and effect, none of the Operating Contracts has been modified or amended except any modifications or amendments provided to Purchaser as part of the Due Diligence Review, and, to Seller's knowledge, Seller is in compliance in all material respects with all obligations under the Operating Contracts. Seller has received no written notice that it or the Facility is in default of any obligations under the Operating Contracts.

7.9 Executive Order 13224. None of Seller or the entities or individuals that constitute Seller, or that may own or control Seller, or that may be owned or controlled by Seller (in all cases, other than through the ownership of publicly traded, direct or indirect, ownership interests) are: (i) in violation of any laws relating to terrorism or money laundering, or (ii) among the individuals or entities identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/tllsdn.pdf> or any replacement website or other replacement official publication of such list which identifies an "Specially Designated National" or "blocked person."

7.10 Tax Returns. To Seller's knowledge, all tax returns and reports required by law to be filed by Seller relating to the ownership and operation of the Business prior to Closing (collectively, "**Tax Returns**") have been or will be properly and timely filed (subject to the right to extend or delay the filing thereof) and do, or at the time of the filing thereof will, correctly reflect the tax position of Seller and all taxes due under such Tax Returns have been or will be timely objected to, disputed and/or paid. Moreover, to Seller's knowledge, (i) no liens have been filed against Seller or Seller's Assets in respect of taxes, and no waivers of statutes of limitations have been given or requested with respect to Seller; (ii) there are no pending tax audits or other proceedings with respect to Seller or Seller's Tax Returns nor has Seller been notified of any dispute or claim with respect to taxes that has not been resolved; (iii) Seller is not now a party to any tax sharing, allocation or distribution agreement; and (iv) Seller has no obligation to make (or possibly make) any payments that will be non-deductible under, or would otherwise constitute a "parachute payment" within the meaning of, Section 280G of the Code (or any corresponding provision of state, local or foreign income Tax law).

7.11 No Violations of Environmental Laws. To Seller's knowledge and except as disclosed in the Property Materials or any environmental reports obtained by Purchaser in connection with this Agreement: (a) the Property is not nor has it been under investigation for violation of any federal, state, or local law, ordinance, or regulation relating to industrial hygiene, worker health and safety, or to the environmental conditions in, at, on, under, or about the Property, including, but not limited to, soil and groundwater conditions ("**Environmental Laws**"); (b) the Property has not been subject to a deposit of any Hazardous Substance except in compliance with applicable laws; (c) Seller has not used, generated, manufactured, stored, or disposed in, at, on, or under the Property any Hazardous Substance except in compliance with applicable laws; and (d) there is not now in, on, or under the Property any underground or above ground storage tanks or surface impoundments, any asbestos containing materials, or any polychlorinated biphenyls used in hydraulic oils, electrical transformers, or other equipment. Seller hereby assigns to Purchaser

as of the Closing all claims, counterclaims, defenses, and actions, whether at common law or pursuant to any other applicable federal, state or other laws that Seller may have against any third party or parties relating to the existence or presence of any Hazardous Substance in, at, on, under, or about the Property. For purpose of this Agreement, the term "Hazardous Substance" shall be deemed to include any wastes, materials, substances, pollutants, and other matters regulated by Environmental Laws including, without limitation, per- and polyfluoroalkyl substances (PFAS).

7.12 Health Care Representations. To Seller's knowledge, Seller is not a target of, participant in, or subject to any pending or threatened action, proceeding, suit, audit, investigation or sanction by any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident which could reasonably be expected to have a material adverse effect on Seller, or the operation of the Facility. With respect to Windsor Manor SNF, Seller is certified for participation in the Medicare and Medi-Cal programs, and has current and valid provider contracts with each of such programs. Seller has no pending license revocation or suspension proceedings, outstanding or uncompleted plan of correction that remains outstanding or uncompleted beyond its stated due date, denial of payment or denial of new admission orders or directives from Medicare or Medi-Cal. Seller has no pending or outstanding allegations or orders for civil money penalties or recoupment payments from the Medicare and/or Medi-Cal programs.

7.13 Financial Statements. Each of the audited Financial Statements of the Business provided by Seller to Purchaser as part of the Due Diligence Materials has been prepared in accordance with GAAP applied on a consistent basis (except as otherwise may be indicated therein) and in accordance with the books and records of Seller. Each of the Financial Statements is complete and accurate and presents fairly in all material respects the financial position of Seller at the dates thereof and the results of operations and cash flows for the periods indicated subject, in the case of interim Financial Statements, to normal year-end adjustments and that interim financial statements do not include footnote disclosure. To Seller's knowledge, since December 31, 2019, except as required by applicable law or changes in GAAP, there has been no change in any accounting principle, procedure, or practice followed by Seller or in the method of applying any such principle, procedure, or practice.

7.14 Undisclosed Liabilities. To Seller's knowledge, Seller does not have any liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for liabilities or obligations reflected or reserved against in the Financial Statements and liabilities incurred in the ordinary course of Business since the respective dates thereof.

7.15 Absence of Certain Developments. Since January 1, 2021, the Company has conducted the Business only in the ordinary course of business, as applicable, consistent with past practice, including with regard to nature, frequency and magnitude.

7.16 Anti-Bribery.

7.16.1 Neither Seller nor any of its officers or directors, or any employee, agent, distributor or other person acting on behalf of Seller has, directly or indirectly, used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to

political activity, made any unlawful payment to foreign or domestic government officials or employees or made any bribe, rebate, payoff, influence payment, kickback or other similar unlawful payment, or taken any action which would cause them to be in violation of any Anti-Corruption or Anti-Bribery Law.

7.16.2 There is no pending or threatened claims, charges, investigations, violations, settlements, civil or criminal enforcement actions, lawsuits, or other court actions against Seller with respect to any Anti-Corruption or Anti-Bribery Law.

7.16.3 To Seller's Knowledge, there are no actions, conditions, or circumstances pertaining to the activities of Seller that would reasonably be expected to give rise to any claims, charges, investigations, violations, settlements, civil or criminal actions, lawsuits, or other court actions under any Anti-Corruption or Anti-Bribery Law.

7.17 Sufficiency and Condition of Assets. Excluding the Other Assets, Seller's Assets: (a) constitute all of the assets, tangible and intangible, of any nature whatsoever, necessary to operate the Business in the manner presently operated by Seller, and (b) include no assets other than those used in the operation of the Business. Seller has good and valid title, or a leasehold interest in, all of Seller's Assets, free and clear of all liens.

7.18 Contracts.

7.18.1 The Due Diligence Materials contain copies of the Assumed Contracts to which Seller is a party and that are related to the Business. As of the Effective Date, Seller has no knowledge of any material disputes with any existing vendors of the Facility and Seller agrees to disclose to Purchaser any material disputes with vendors arising prior to Closing.

7.18.2 To Seller's knowledge: (i) Seller is not in default under any of the Assumed Contracts; (ii) there has not occurred any event that, with the lapse of time or the giving of notice, or both, would constitute such a default; and (iii) no party to any of the Assumed Contracts other than Seller is in default under any Assumed Contract nor has any event occurred that, with the lapse of time or the giving of notice, or both, would constitute such a default by any such other party.

7.18.3 To Seller's knowledge, each Assumed Contract is in full force and effect and is valid and enforceable in accordance with its terms.

7.19 Legal Compliance; Permits and Licenses.

7.19.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with applicable laws, ordinances, rules, regulations, judgments, orders, decrees, and Permits of all Governmental Entities that are applicable to Seller, and to Seller's Knowledge, Seller is in compliance in all material respects; and (ii) to Seller's knowledge, no investigation by any Governmental Entity with respect to Seller, the operation of the Business, or the ownership or use of any of the Seller Assets is pending or threatened.

7.19.2 (i) Seller holds all material Permits required for the operation of the Business (including, without limitation, all material Permits required by any Environmental Laws), all of which are valid and in full force and effect in all material respects; and (ii) Seller has not received any notice that any Governmental Entity which has issued any such Permit intends to cancel, terminate or not renew any such Permit

7.20 Labor Matters. Seller shall provide a redacted list of all persons who are employees, independent contractors or consultants of the Business as of the date hereof in the Due Diligence Materials, including any employee who is on a leave of absence of any nature, paid or unpaid, authorized or unauthorized, and sets forth for each such individual the following: (i) title or position (including whether full-time or part-time); (ii) hire or retention date; (iii) current annual base compensation rate or contract fee; and (iv) commission, bonus or other incentive-based compensation.

7.20.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with all applicable laws and regulations respecting employment, including, without limitation, laws and regulations respecting employment practices, employment terms and conditions, wages and hours, tax withholding, immigration and collective bargaining, and is not engaged in any unfair labor practice, except as disclosed on **Schedule 7.3**; (ii) except as disclosed to Purchaser on **Schedule 7.3** hereto, there is no pending or, to Seller's knowledge, threatened charge, complaint, or grievance against Seller related to any employment law or regulation; (iii) there is no labor strike, material dispute, slowdown or stoppage actually pending or, to Seller's knowledge, threatened against or involving Seller; and (iv) to Seller's knowledge, there is no threat of unionization involving Seller or any of its employees.

7.20.2 To Seller's knowledge, Seller is not delinquent in payments to any of their employees or independent contractors for any wages, salaries, commissions, bonuses, or other direct compensation for any services performed by them to date or amounts required to be reimbursed to such employees or independent contractors.

7.21 Employee Benefit Plans.

7.21.1 Employee Benefit Plans. **Schedule 7.21.1** sets forth a complete list of all material employee retirement, welfare, bonus, incentive, deferred compensation, vacation, equity, severance, employment, change of control, and/or fringe benefit plans, programs, policies, practices, and/or other arrangements: (i) covering any current employee, officer or director of Seller or any ERISA Affiliate; (ii) that are sponsored or maintained by Seller or any ERISA Affiliate; or (iii) with respect to which either Seller or any ERISA Affiliate has any current or potential liability (each, a "**Plan**").

7.21.2 Administration and Compliance of the Plans. With respect to each Plan, to Seller's knowledge:

7.21.2.1 all required, declared or discretionary (in accordance with historical practices) payments, premiums, contributions, reimbursements or accruals for all periods ending prior to or as of the Closing Date have been made or properly accrued on the latest balance

sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller;

7.21.2.2 there is no unfunded liability relating to any Plan which is not reflected on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller; and

7.21.2.3 there have been no violations of applicable laws with respect thereto; neither Seller nor any of its agents or delegates has any liability for breach of fiduciary duty or any other failure to act or comply in connection with the administration or investment of the assets thereof; no Plan has engaged in or been a party to a "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975(c) of the Code) without an exemption applying thereto; no Proceeding with respect to the administration or the investment of the assets thereof (other than routine claims for benefits) for which Seller or any ERISA Affiliate could have any liability is pending or threatened, and Seller does not have any knowledge of any basis for any a Proceeding with respect to any Plan.

7.22 Certain Fees and Liabilities. Seller has not paid or is obligated to pay any fee or commission to any broker, finder, or intermediary in connection with the transactions contemplated by this Agreement.

7.23 For purposes of this Agreement, "Health Care Authority/ies" shall mean any Governmental Entity or quasi-Governmental Entity or any agency, intermediary, board, authority or entity with lawful jurisdiction over Seller and concerned with the ownership, operation, use or occupancy of the Facility as a licensed continuing care retirement community.

Upon Purchaser becoming aware (whether by notice from Seller or otherwise) of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, the provisions of **Section 11** shall apply. For purposes of this **Section 7**, "Seller's knowledge" or similar phrase means: the current actual knowledge of Dan Ogus without a duty of investigation or inquiry, and nothing in this Agreement shall be deemed to create or impose any personal liability of any kind whatsoever on such party. Seller represents and warrants that Dan Ogus is the person most knowledgeable about the subject matter contained in each representation and warranty provided in such manner. Further, the parties acknowledge and agree that the representations and warranties made by Seller herein relate only to the Facility and Business being purchased by Purchaser and specifically exclude the Other Assets.

8. **Purchaser's Representations and Warranties.** Purchaser represents and warrants as follows:

8.1 Organization and Authority. Purchaser is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California, and is recognized by the Internal Revenue Service as an organization described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Purchaser has full power

and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

8.2 Enforceability; No Conflict. This Agreement is valid, binding and enforceable against Purchaser in accordance with its terms except as such enforceability may be limited by creditors' rights laws and general principles of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under, or a violation of, Purchaser's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Purchaser is now a party or by which any of the assets of Purchaser are bound or affected.

8.3 Litigation. The right or ability of Purchaser to consummate the Transaction contemplated herein has not been challenged by any governmental agency or any other person and Purchaser has no knowledge of the occurrence of any event which would provide a reasonable basis for any such litigation, investigation or other proceeding.

8.4 Financing. Purchaser has access to the funds required to pay the Purchase Price and other costs for which Purchaser is responsible under this Agreement. Accordingly, as a material inducement to Seller's willingness to enter into this Agreement with Purchaser, Purchaser represents, warrants, acknowledges and agrees that arranging financing shall not be a condition to the Purchaser's ability to consummate the Transaction provided for herein.

8.5 AS IS. IT IS UNDERSTOOD AND AGREED THAT EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) SELLER'S ASSETS ARE BEING SOLD BY SELLER AND PURCHASED AND ACCEPTED BY PURCHASER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION WHICH MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE UPON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON BEHALF OF SELLER EXCEPT THOSE REPRESENTATIONS, WARRANTIES AND AGREEMENTS SPECIFICALLY SET FORTH IN THIS AGREEMENT; (B) PURCHASER IS BEING GIVEN THE OPPORTUNITY TO THOROUGHLY INSPECT AND EXAMINE SELLER'S ASSETS TO THE EXTENT DEEMED NECESSARY BY PURCHASER IN ORDER TO ENABLE PURCHASER TO EVALUATE THE PURCHASE OF THE SELLER'S ASSETS ON THE FOREGOING BASIS; AND (C) PURCHASER IS RELYING SOLELY UPON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF SELLER'S ASSETS BY PURCHASER IN PURCHASING THE SELLER'S ASSETS ON AN "AS IS", "WHERE IS" AND "WITH ALL FAULTS" BASIS, WITHOUT REPRESENTATION, WARRANTY, AGREEMENT OR STATEMENT BY SELLER OR ANYONE ACTING ON BEHALF OF SELLER, EXPRESS OR IMPLIED, OF ANY KIND OR NATURE, EXCEPT AS MAY BE SET FORTH IN THIS AGREEMENT. SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER REGARDING ANY INTELLECTUAL PROPERTY RIGHTS. SELLER EXPRESSLY DISCLAIMS, WHICH PURCHASER HEREBY ACKNOWLEDGES AND ACCEPTS, ANY IMPLIED WARRANTY OF CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. **Pre-Closing Covenants/Risk of Loss.**

9.1 **Conduct Pending Closing.** Between the Execution Date and the Closing Date, Seller covenants as follows:

9.1.1 Seller will operate the Facility and Business in the ordinary course of business, in compliance with all applicable law, including, but not limited to, the rules and regulations of any Health Care Authority, and, unless consented to by Purchaser, will not sell or dispose of any of the Seller's Assets or enter into any contract, commitment or agreement affecting Seller's Assets except in the ordinary course of business, including, but not limited to, any Resident Agreement which deviates in any material respect from the form of Resident Agreement provided to Purchaser under the term of this Agreement.

9.1.2 From time to time between the Execution Date and the Closing Date, Seller will provide to Purchaser such information as Purchaser may reasonably require in order to allow Purchaser to secure the New Licenses (as defined below).

9.1.3 Seller will cooperate in Purchaser's efforts to conduct the Due Diligence Review including, but not limited to, providing Purchaser and its agents and employees with access to the Facility and to the books and records of the Facility; *provided, however*, that such access and inspection shall be on no less than 48 hours' prior notice (or if longer, the notice required under applicable law, including, without limitation, residential landlord tenant law) and during normal business hours at such time and in such manner as the Parties shall reasonably agree upon. Notwithstanding the above, access to the Facility may be limited during the current COVID pandemic based on the regulation, guidelines or recommendations of the any Health Care Authority, State of California and other state or federal regulatory agencies.

9.1.4 Seller will maintain in force the existing hazard and liability insurance policies, or comparable coverage, for Seller's Assets.

9.1.5 Seller will maintain Seller's Assets in substantially the same condition as they are in as of the Execution Date, ordinary wear and tear excepted.

9.1.6 Seller shall maintain the Inventory consistent with Seller's past practices and in compliance with applicable laws, and will replenish the same consistent with Seller's past practices.

9.1.7 Unless this Agreement is terminated in accordance with the terms hereof, Seller shall not market the Seller's Assets or negotiate with any third party with respect to the sale of Seller's Assets or the equity interests in Seller.

9.2 **Risk of Loss**

9.2.1 **Condemnation.** If, prior to any Closing, all or any material portion of the Property is taken by condemnation or eminent domain (or is the subject of a pending or contemplated taking which has not been consummated), Seller shall immediately notify Purchaser in writing of such fact. In such event, Purchaser shall have the option to terminate this Agreement

upon written notice to Seller given within ten (10) Business Days after receipt of such notice from Seller, in which event the Deposit shall be returned to Purchaser. Notwithstanding the foregoing, Purchaser's failure to provide written notice of Purchaser's election to terminate within such ten (10) Business Day period shall be deemed Purchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, Purchaser shall have the right to participate in any proceedings and negotiations with respect to the taking and any transfer in lieu of taking (and Seller shall not consummate any transfer in lieu of taking without Purchaser's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed). If Purchaser waives the right to terminate this Agreement and elects to proceed with the Closing, then (a) Seller, at, and as a condition precedent to Purchaser's obligation to proceed with, the Closing, must: (i) pay to Purchaser (or direct Escrow Agent to credit Purchaser against the Purchase Price for) the amount of any awards for the taking (and any consideration for any transfer in lieu of taking) actually received by Seller; and (ii) assign to Purchaser by written instrument reasonably satisfactory to Purchaser all rights or claims to any future awards for the taking (and any consideration for any transfer in lieu of taking); and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement.

9.2.2 Casualty. If, at any time after the Effective Date and prior to Closing or earlier termination of this Agreement, the Property or any portion thereof is materially damaged or destroyed by fire or any other casualty (as used herein, "material" shall mean a casualty which would cost more than \$50,000 to repair or cure), Seller shall immediately notify Purchaser in writing of such fact. In the event of a material casualty, Purchaser shall have the option to terminate this Agreement upon written notice to Seller given within ten (10) Business Days after receipt of any such notice from Seller, in which event the Deposit shall be returned to Purchaser. Notwithstanding the foregoing, Purchaser's failure to provide written notice of Purchaser's election to terminate within such ten (10) Business Day period shall be deemed Purchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, Purchaser shall have the right to participate in any adjustment of the insurance claim. If Purchaser waives the right to terminate this Agreement and elects to proceed with the Closing, or in the event of a non-material casualty, then (a) Seller, at, and as a condition precedent to Purchaser's obligation to proceed with, the Closing, must agree with Purchaser to either: (i) pay to Purchaser (or direct Escrow Agent to credit Purchaser against the Purchase Price for) the amount of any insurance proceeds actually received by Seller plus the amount of any deductible under Seller's insurance; (ii) if no insurance proceeds have been received by Seller, assign to Purchaser by written instrument reasonably satisfactory to Purchaser all rights or claims to the insurance proceeds and credit Purchaser against the Purchase Price for any deductible payable under Seller's insurance policy; or (iii) have Seller repair the Property to the reasonable satisfaction of Purchaser and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement. In the event of a non-material casualty, the Closing Date may be extended to the date that is five (5) business days after the date Seller has completed to Purchaser's reasonable satisfaction any repairs to the Facility necessitated by the casualty.

10. Operations Transfer Provisions.

10.1 Licenses. On or prior to the expiration of the Due Diligence Period and concurrent with Seller's delivery of the Approval Notice, Purchaser shall submit a change of ownership

application ("**CHOW**") with DSS pursuant to which Purchaser will obtain a new **RCFE License** to operate the Residential Care Facility for the Elderly portion of the Facility. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit an application for a new certificate of Authority with DSS pursuant to which Purchaser will obtain a new COA to enter into continuing care contracts with residents of the Facility and operate the Facility as a continuing care retirement community. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a SNF license application ("**SNF Application**") with CDPH pursuant to which Purchaser will obtain a new SNF license ("**SNF License**") to operate the Windsor Manor SNF portion of the Facility. The parties acknowledge that Purchaser must obtain the RCFE License and COA on the Closing date. Following the submission of the applications for the RCFE License, COA and SNF License, Purchaser will take and/or cause its designee to take such actions as are necessary to obtain the RCFE License, COA and SNF License in a timely manner, including, without limitation, submitting any missing information required for Purchaser's licensing applications reasonably promptly following receipt thereof by Purchaser. Purchaser shall notify the Seller promptly following its submission of the license applications and shall keep Seller reasonably informed as to the status of the license applications, including without limitation, informing Seller of any material communications with DSS and/or CDPH as to the timing of the issuance of the RCFE License, COA and SNF License.

10.2 Interim Lease and Management Agreements. Seller and Purchaser acknowledge that Purchaser will be unable to obtain the SNF License on the Closing Date and that the Parties will need to enter into an interim arrangement to allow the continued operation of the Windsor Manor SNF under Seller's SNF License until the Purchaser's SNF License is issued. The Parties shall enter into an Interim Lease ("**Interim Lease**"), Interim Management Agreement ("**Interim Management Agreement**"), and SNF operations transfer agreement ("**OTA**") to be negotiated and agreed upon in good faith during the Due Diligence Period. If the parties cannot agree on a form of OTA, Interim Lease and/or Interim Management Agreement prior to the expiration of the Due Diligence Period, either party may terminate this Agreement upon written notice to the other in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

10.3 Notices. Seller is required to provide one hundred and twenty (120) days' written notice to DSS of the Transaction and to Seller's RCFE residents at least thirty (30) days prior to Closing (the "**CHOW Notice**") and to Seller's SNF residents at least ninety (90) days prior to Closing. Seller is also required to provide written notice to CDPH of the Transaction. Purchaser and Seller shall jointly approve the notices set forth in this Section.

10.4 CHOMs. On or prior to the expiration of the Due Diligence Period, if mutually agreed to by Seller and Purchaser, Purchaser shall submit change of manager applications to DSS with respect to the RCFE License and COA, and CDPH with respect to the SNF License pursuant to which Purchaser will become the manager of the Facility as approved by DSS and CDPH. During the Due Diligence Period, if the parties mutually agree that Purchaser will submit change of manager applications, the parties will agree upon a mutually agreeable form of management agreement pursuant to which Purchaser will manage the Facility prior to Closing.

10.5 Employees.

10.5.1 At the Closing Date, Seller shall terminate all of the employees of the Facility and shall pay to them any wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before the Closing Date and Seller shall help Purchaser facilitate the employee interviews. In accordance with Cal H & S Code Section 1267.62, at least ten (10) days preceding the Closing Date, except for the Retained Employees, Purchaser shall provide written offers of employment, as of the Closing Date, to all of the skilled nursing employees of the Facility for a 60-day transition period in the employee's primary language or another language in which the employee is literate conditioned only on the occurrence of the Closing Date (the "**SNF Employees**"). The offer to the SNF Employees shall state the time within which the employee shall accept the offer, but that time period may not be fewer than ten (10) days. During the 60-day transition period, Purchaser shall not discharge without cause any SNF Employee that accepts Purchaser's offer of employment ("**SNF Hired Employees**") pursuant to this **Section 10.5.1**. Cause shall be based only on the performance or conduct of the particular SNF Hired Employee. During the 60-day transition period, a SNF Hired Employee shall not suffer any reduction in wages, benefits, or other terms and conditions of employment, economic or otherwise, as a result of the transfer or change of ownership.

10.5.2 In addition to the Purchaser's hiring of all SNF Hired Employees pursuant to **Section 10.5.1**, in order to insure that the transaction does not trigger any notice obligations under the California WARN Act, at least ten (10) days preceding the Closing Date, Purchaser shall offer to employ as of the Closing Date a total number of the remaining employees of the Facility conditioned only on the occurrence of the Closing Date (the "**Hired RCFE Employees**") such that there does not result in a total loss of employment during any 30-day period of fifty (50) or more employees – in other words the total number of employees that the Purchaser does not offer employment cannot exceed forty-nine (49) employees. The parties hereto agree that, notwithstanding anything to the contrary contained in this Agreement, Purchaser shall hire that number or percentage of employees and upon such terms so as to avoid applicability of the Worker Adjustment Retraining and Notification Act and any other applicable laws or regulations requiring notice prior to plant or facility closings or a mass layoff, due to the transaction contemplated hereby and by this Agreement. Purchaser acknowledges and agrees that Seller is relying on Purchaser's agreement as set forth in this **Section 10.5** in not giving notice to the employees of the Facility of the Transaction provided for herein under the provisions of the WARN.

10.5.3 As of the Closing, Seller shall deliver to Purchaser the file for all employees hired by Purchaser in Seller's possession, including but not limited to training records, licenses and certifications, criminal background check results, and other required documents. Seller shall have satisfied its obligations under this **Section 10.5.2** as long as all of such employee records are present at the Facility on the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.5.4 Salaries and Benefits.

10.5.4.1 Seller shall be responsible for: (A) the payment of all wages and other remuneration due to Seller's employees for their services as employees of Seller through the conclusion of Hired Employees' employment with Seller, including pro rata bonus and commission payments and all vacation, paid time off and sick leave pay obligations to the extent accrued prior to the Closing Date and required by applicable law; and (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of COBRA and Sections 601 through 608 of ERISA.

10.5.4.2 Seller shall be liable for any claims made or incurred by Hired Employees and/or their beneficiaries through the Closing Date, including, but not limited to, claims made under any law or under the Plans, and Seller agrees to defend, indemnify and to hold Purchaser harmless from any costs, losses, damages, liabilities, claims and obligations incurred related thereto, including attorneys' fees. For purposes of the immediately preceding sentence, a claim will be deemed incurred when the conduct that is the subject of the claim occurs or when services that are the subject of the claim are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

10.5.4.3 No Transfer of Assets. Seller will not make any transfer of pension or other employee benefit plan assets to Purchaser.

10.5.4.4 General Employee Provisions.

10.5.4.4.1 Seller shall provide Purchaser with completed I-9 forms and attachments with respect to all Hired Employees, except for such employees as Seller certify in writing to Purchaser are exempt from such requirement.

10.5.4.4.2 Purchaser shall not have any responsibility, liability or obligation arising prior to Closing (based on conduct of Seller occurring prior to Closing) whether to Hired Employees, former employees, their beneficiaries or to any other Person, with respect to any employee benefit plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA coverage extension) maintained by Seller.

10.5.5 To the extent permitted by applicable law, Seller shall deliver to Purchaser the full and complete employment file for all current employees in Seller's possession, including, but not limited to, training records, licenses and certifications, criminal background check results, performance reviews, and other required documents, in connection with Purchaser's review and investigation of prospective employment of Seller's employees. Seller shall have satisfied its obligations under this **Section 10.5.4** as long as all of such employee records are present at the Facility as of the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.6 Bulk Sales Laws. The parties hereby waive compliance with the provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Seller's Assets to Purchaser; it being understood that any liabilities arising out of the failure of Seller to comply with the requirements and provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction which would not otherwise constitute Assumed Liabilities shall be treated as Excluded Liabilities.

10.7 Accounts Receivable.

10.7.1 Within ten (10) days prior to the Closing Date, Seller shall provide Purchaser with a detailed listing of Seller's accounts receivable which arose from the provision of goods or services prior to the Closing Date and are anticipated to be outstanding on the Closing Date (the "**Pre-Closing AR Schedule**"), and Seller shall provide Purchaser with an update to such schedule as of the Closing Date as soon as possible post-Closing.

10.7.2 Except as set forth in the OTA between Seller and Purchaser, from and after the Closing Date, Purchaser, or its management agent shall assume responsibility for the billing for and collection of payments on account of services rendered or goods sold by Purchaser on and after the Closing Date and Seller shall retain all right, title and interest in and to and all responsibility for the collection of its accounts receivable for services rendered or goods sold prior to the Closing Date.

10.7.3 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services prior to the Closing Date, they shall either be retained by Seller if received by Seller, or if they have been received by Purchaser, they shall be remitted to Seller, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.4 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services from and after the Closing Date, they shall either be retained by Purchaser if received by Purchaser, or if they have been received by Seller, they shall be remitted to Purchaser, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.5 Except as set forth in the OTA, if any payments are received by Purchaser after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to then current amounts owed the Purchaser to reduce post-Closing Date balances and Purchaser shall remit to Seller any excess up to the amount due Seller for pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) within five (5) Business Days after receipt.

10.7.6 Except as set forth in the OTA, if any payments are received by Seller after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) and Seller shall remit the excess, if any, to Purchaser to reduce any post-Closing Date balances within five (5) Business Days after receipt.

10.7.7 Seller shall have the right during normal business hours and on reasonable notice to Purchaser to inspect Purchaser's books and records with respect to the accounts receivable received by it after the Closing Date from residents with balances due as of the Closing Date.

10.8 Access to Records.

10.8.1 From and after the Closing Date and, except as otherwise specifically provided below, for a period of seven (7) years thereafter, each party hereto agrees to give the other (and their agents and representatives) reasonable access to (upon reasonable prior written notice and during normal business hours), and to make copies of (at the requesting party's expense), the books and records and supporting material of the Facility which are in said party's possession, to the extent reasonably necessary to enable said party to among other things investigate and defend malpractice, employee or other claims and to file or defend cost reports and tax returns.

10.8.2 Seller shall have the right, at its sole cost and expense, within three (3) days of the delivery of a request therefor to Purchaser to enter the Facility and remove originals or copies of any of the records delivered to Purchaser for purposes of litigation involving a resident or employee to whom such record relates. If an officer of or counsel for Seller certifies that an original of such record must be produced in order to comply with applicable law or the order of a court of competent jurisdiction in connection with such litigation then the records so removed shall be an original. Any record so removed shall promptly be returned to Purchaser following its use, and nothing herein shall be interpreted to prohibit Purchaser from retaining copies of any such documents. All cost of making such copies shall be for the account of Seller. Upon request of Seller, Purchaser shall cooperate with such requests and shall make its employees available to comply with such requests and assist in responding to such litigation requests provided that their availability is requested during normal business hours and does not interfere with the performance of their duties for Purchaser. In the event such use of Purchaser's employees to assist Seller is more than de minimis, Seller shall pay Purchaser's costs for the employee time spent assisting Seller.

10.9 Operating Contracts. Purchaser shall review the Operating Contracts and inform Seller during the Due Diligence Period which of such Operating Contracts Purchaser desires to assume effective as of the Closing Date (the "**Designated Operating Contracts**"). Further, the parties hereby acknowledge and agree that notwithstanding any provision to the contrary herein, no national Operating Contracts will be assigned by Seller to Purchaser at Closing. Seller shall use commercially reasonable efforts to obtain any third party consents required in connection with the assignment to Purchaser of the Designated Operating Contracts, it being understood and agreed

that (i) if a Designated Operating Contract requires consent of the counterparty to be assigned to Purchaser, such Designated Operating Contract shall not be assigned unless and until the requisite consent is received and (ii) if any principal or affiliate of Seller has guaranteed the obligations of Seller under any Designated Operating Contract, the same shall not be assigned to Purchaser unless and until the guarantor has been released from his/her/its guaranteed obligations effective from and after the Closing Date. Effective as of the Closing Date, the Designated Operating Contracts that may be assigned hereunder shall be referred to herein as the "Assumed Operating Contracts." At Closing, subject to **Section 5.1.1(I)**, (i) Seller shall assign the Assumed Operating Contracts to Purchaser pursuant to the Assignment, and (ii) terminate any Operating Contracts which are not Assumed Operating Contracts hereunder. In either case, Seller shall be responsible to pay balances owed under all Operating Contracts for good ordered and services provided prior to the Closing Date.

10.10 Benevolent Residents. The parties acknowledge that presently there are two (2) continuing care residents ("**Benevolent Residents**") at the Facility who are no longer paying a portion of their care costs due under their Resident Agreements. Seller agrees to subsidize all care costs associated with the Benevolent Residents that are not covered by Medi-Cal post-Closing until such time as the Benevolent Residents are no longer residents at the Facility. Seller shall provide the names of the Benevolent Residents to Purchaser at Closing. After Closing and on a monthly basis, Purchaser shall provide to Seller an accounting of any care costs due from Seller for the Benevolent Residents, and Seller shall pay any undisputed costs within ten (10) business days of Purchaser's request therefor. If Seller contests any of the costs due to Purchaser for the Benevolent Residents, Seller and Purchaser shall use good faith efforts to resolve any such dispute for a period of thirty (30) days thereafter, and if the parties are unable to resolve the dispute, either party shall have the right to submit the dispute to mediation for resolution before Judicial Arbitration and Mediation Service in Los Angeles, California. As of the Closing Date, Purchaser shall be solely responsible for all costs and expenses associated with any residents who apply for benevolence after Closing.

11. Termination and Remedies.

11.1 Termination. This Agreement may be terminated as follows:

11.1.1 By mutual written agreement of Purchaser and Seller;

11.1.2 By Seller, if any of the conditions set forth in **Section 5.2** are not fulfilled on the Closing Date, unless resulting from a material breach by Seller of its obligations hereunder, and the same shall not have been waived in writing by Seller;

11.1.3 By Purchaser, if any of the conditions set forth in **Section 5.1** are not fulfilled on the Closing Date, unless resulting from a material breach by Purchaser of its obligations hereunder, and the same shall not have been waived in writing by Purchaser; provided that if Purchaser becomes aware of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, Purchaser shall elect any such termination right, if at all, within eight (8) Business Days after Purchaser becomes aware of such matter;

11.1.4 By Seller in the event of a material default by Purchaser of its obligations hereunder or by Purchaser in the event of a material default by Seller of its obligations hereunder; or

11.1.5 By Purchaser pursuant to **Section 9.2** (Damage or Condemnation).

11.2 Opportunity to Cure. No Party to this Agreement may claim termination or pursue any other remedy referred to in this Section on account of a breach of a condition, covenant or warranty by the other Party, without first giving the other Party written notice of such breach and not less than ten (10) days within which to cure such breach. The Closing Date shall be postponed for up to ten (10) days if necessary to afford such opportunity to cure.

11.3 Seller's Remedies Upon Termination. In the event Seller has the right to terminate this Agreement under **Section 11.1.2** because a condition of closing has not been met (rather than because of a material default by Purchaser), then Escrow shall return the Deposit to the Purchaser and escrow shall be cancelled. In the event Seller has the right to terminate this Agreement under **Section 11.1.4** because of a material default by Purchaser, Purchaser and Seller acknowledge and agree as follows:

SELLER SHALL BE ENTITLED TO TERMINATE THIS AGREEMENT AND TO RETAIN THE DEPOSIT AND ANY INTEREST ACCRUED THEREON AS SELLER'S SOLE AND EXCLUSIVE REMEDY AND ALL ACCRUED INTEREST THEREON AS LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGING AND AGREEING THAT THE AMOUNT OF DAMAGES WHICH SELLER MAY INCUR AS A RESULT OF SUCH TERMINATION MAY BE DIFFICULT TO ASCERTAIN AND THAT THE DEPOSIT (OR SO MUCH THEREOF AS MAY, AT THE TIME OF TERMINATION, HAVE BEEN DELIVERED BY PURCHASER TO ESCROW AGENT IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT) IS A REASONABLE AND FAIR ESTIMATE THEREOF, AFTER WHICH THE PARTIES SHALL HAVE NO FURTHER RIGHTS OR OBLIGATIONS HEREUNDER OTHER THAN THOSE RIGHTS AND OBLIGATIONS, IF ANY, WHICH SPECIFICALLY SURVIVE TERMINATION OF THIS AGREEMENT.

11.4 Purchaser's Remedies Upon Termination. In the event Purchaser has the right to terminate this Agreement under **Section 11.1.3** because a condition of closing has not been met (rather than because of a material default by Seller), then Purchaser shall have the right either to (i) waive the condition at issue and proceed with the Transaction on the terms contemplated herein, or (ii) terminate this Agreement and secure the return of the Deposit and any accrued interest thereon. In the event Purchaser has the right to terminate this Agreement under **Sections 11.1.5** because a because of a material default by Seller, Purchaser and Seller acknowledge and agree that Purchaser's sole and exclusive remedy shall be:

11.4.1 TO TERMINATE THIS AGREEMENT UPON DELIVERY OF WRITTEN NOTICE TO THE SELLER AND ESCROW AGENT (IN WHICH CASE, EXCEPT AS OTHERWISE SET FORTH HEREIN AS EXPRESSLY SURVIVING A TERMINATION OF THIS AGREEMENT AND THE PARTIES' DUTIES UNDER THIS SECTION, THE

RESPECTIVE RIGHTS, DUTIES AND OBLIGATIONS OF PURCHASER AND SELLER UNDER THIS AGREEMENT SHALL FORTHWITH TERMINATE WITHOUT FURTHER LIABILITY) AND RECOVER THE DEPOSIT AND BE REIMBURSED FOR PURCHASER'S DOCUMENTED OUT-OF-POCKET EXPENSES INCURRED BY PURCHASER IN CONNECTION WITH THIS AGREEMENT OR ITS INVESTIGATION OF THE PROPERTY (SUCH AMOUNT NOT TO EXCEED \$100,000). SELLER SHALL PAY ANY CANCELLATION CHARGES DUE TO ESCROW AGENT AND THE TITLE COMPANY. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES AND PURCHASER HEREBY WAIVES ANY AND ALL RIGHT TO PURSUE SUCH DAMAGES; OR

11.4.2 PURCHASER MAY INSTITUTE AN ACTION (WITHOUT THE NECESSITY OF PROVING IRREPARABLE HARM OR POSTING SECURITY) (A "SPECIFIC PERFORMANCE ACTION") SEEKING SPECIFIC PERFORMANCE OF SELLER'S OBLIGATIONS UNDER THIS AGREEMENT SO LONG AS PURCHASER SHALL HAVE FILED THE SPECIFIC PERFORMANCE ACTION WITHIN SIXTY (60) DAYS OF THE DATE THE CLOSING WAS TO HAVE OCCURRED. PURCHASER IS EXPRESSLY PROHIBITED FROM RECORDING A NOTICE OF LIS PENDENS AGAINST THE PROPERTY.

IF PURCHASER RECOVERS LIQUIDATED DAMAGES IN ACCORDANCE WITH SECTION 12.1(a), SUCH AMOUNTS SHALL BE DEEMED TO CONSTITUTE A REASONABLE ESTIMATE OF PURCHASER'S DAMAGES UNDER THE PROVISIONS OF SECTION 1671 OF THE CALIFORNIA CIVIL CODE AND SHALL CONSTITUTE PURCHASER'S SOLE AND EXCLUSIVE REMEDIES FOR SELLER'S FAILURE TO CLOSE ESCROW.

THE FOREGOING SHALL NOT LIMIT PURCHASER'S RIGHTS OR REMEDIES (WHETHER ARISING AT LAW OR IN EQUITY) TO RECEIVE REIMBURSEMENT FOR ATTORNEYS' FEES AND COSTS IN ACCORDANCE WITH THIS AGREEMENT OR FOR ANY CLAIMS RELATING TO SELLER'S WILLFUL MISCONDUCT OR FRAUD, NOR WAIVE OR AFFECT PURCHASER'S RIGHTS AND SELLER'S OBLIGATIONS UNDER ANY SECTION HEREIN WHICH STATES THAT AN OBLIGATION ON THE PART OF SELLER SURVIVES THE CLOSING OR THAT SELLER SHALL INDEMNIFY AND/OR DEFEND PURCHASER.

BY INITIALING BELOW, THE PARTIES ACKNOWLEDGE AND AGREE THAT BASED UPON THE CIRCUMSTANCES NOW EXISTING, KNOWN OR UNKNOWN, IT WOULD BE EXTREMELY DIFFICULT, COSTLY AND IMPRACTICAL TO ESTABLISH DAMAGES FOR EITHER PARTY. ACCORDINGLY, BOTH PURCHASER AND SELLER, BY THEIR RESPECTIVE INITIALS SET FORTH BELOW, DO HEREBY ACKNOWLEDGE AND AGREE THAT TERMS SET FORTH IN THIS SECTION 11.4 ARE NEGOTIATED AND REASONABLE.

11.5 Other Termination Provisions. In the event this Agreement is terminated pursuant to **Sections 11.1.1** (mutual agreement) or **Section 11.1.5** (damage or condemnation), then the Deposit and any accrued interest thereon shall immediately be refunded and returned to Purchaser.

11.6 Post-Termination. Following the conveyance of the amounts due to the appropriate Party under this **Section 11**, neither Party shall have any further rights or obligations hereunder other than those rights and obligations, if any, which specifically survive termination of this Agreement.

12. **Notices.** All notices, demands or other communications given hereunder shall be in writing and shall be given by (a) messenger or overnight express delivery service, (b) certified mail return receipt requested, postage prepaid, at a post office maintained by the United States Postal Service, or (c) by electronic transmission with confirmed receipt, addressed as follows:

Any notice sent in accordance with the provisions of this **Section 12**, shall be deemed received upon the actual receipt or refusal of receipt thereof regardless of the method of delivery used. Any Party may, by notice given as aforesaid, change the address or addresses, or designate an additional address or additional addresses, for its notices, provided, however, that no notice of a change of address shall be effective until actual receipt of such notice. Each Party covenants and agrees that simultaneously with sending any notice pursuant to this **Section 12** it will use reasonable good faith efforts to send a copy of such notice to the addressee thereof by email, at the email address

set forth above or such other email address as a Party may designate in writing given to the other parties pursuant to this **Section 12**; provided that in no event shall any notice sent by email be effective as a notice under this Agreement unless receipt is confirmed, and the failure of any Party to deliver any notice pursuant to email shall not affect the validity of any notice that is sent pursuant to this **Section 12**.

13. **Indemnities.**

13.1 **By Seller to Purchaser.** From and after the Closing Date, Seller shall indemnify, defend and hold Purchaser harmless from and against any and all costs, losses, damages, liabilities, claims and obligations, including, but not limited to, reasonable attorneys' fees (the "**Losses**") arising from or related to: (a) the ownership and operation of the Seller's Assets prior to the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Purchaser, the designee of Purchaser to operate the Facility, or any affiliate of Purchaser; and (b) any material misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part of Seller under this Agreement.

13.2 **By Purchaser to Seller.** From and after the Closing Date, Purchaser shall indemnify, defend and hold Seller harmless from and against any and all Losses arising from or related to: (a) the ownership and operation of the Seller's Assets from and after the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Seller or any affiliate of Seller; (b) any misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part on the part of Purchaser under this Agreement; and (c) against any and all Losses which Seller may incur as a result of physical damage or injury to any person or property as a result of the acts or omissions of Purchaser or its agents or employees while performing the Due Diligence Investigation with respect to the Seller's Assets.

13.3 **Method of Indemnification.**

13.3.1 In the event that any claim for Losses (a "**Claim**") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "**Indemnitee**") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "**Indemnitor**") in writing of Indemnitee's Claim and shall endeavor to do so reasonably promptly after becoming aware of the same; provided, however, that unless the Indemnitee's failure to timely notify the Indemnitor of Indemnitee's Claim materially prejudices Indemnitor's ability to defend any such Claim as more particularly set forth below, Indemnitee's failure to timely notify Indemnitor of Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect subject to the applicable terms hereof. If the Indemnitee fails to provide timely notice of Indemnitee's Claim, the Indemnitor will not be obligated to indemnify the Indemnitee with respect to such Claim to the extent (and only to the extent) that the Indemnitor's ability to defend such Claim has been materially prejudiced by such failure of the Indemnitee to timely notify Indemnitor of the same.

13.3.2 If the applicable Indemnitee Claim relates to a Claim made by a third party against Indemnitee, then the Indemnitor at its sole cost and expense shall defend, with counsel reasonably satisfactory to the Indemnitee, such Claim by all appropriate proceedings, which proceedings will be diligently prosecuted to a final conclusion or will be settled at the discretion of the Indemnitor (with the consent of the Indemnitee, which shall not be unreasonably withheld and which shall be deemed to be provided if such settlement provides a release to the Indemnitee without the payment of any amount or the taking of any action or admission of liability by the Indemnitee). The Indemnitee will cooperate in such defense at the sole cost and expense of the Indemnitor. Notwithstanding the foregoing, if the named parties to any proceeding include both the Indemnitee and the Indemnitor and, in the reasonable opinion of counsel to the Indemnitee, representation of both parties by the same counsel would be in conflict or otherwise inappropriate due to actual or potential differing interests between them, then the Indemnitee shall be entitled to retain separate counsel for the Indemnitee, at the expense of the Indemnitor (provided that the costs and expenses of such separate counsel are reasonable).

13.4 Survival. All indemnities, warranties and representations of Purchaser and Seller herein shall survive the Closing for a period of twelve (12) months, after which they shall terminate and be of no further force or effect except with respect to claims made within such period, in which case the applicable indemnity, warranty and/or representation shall survive until the full and final resolution thereof. Notwithstanding the foregoing, the indemnity period for Seller's indemnity for any pre-Closing event as provided in **Section 13.1** shall survive through the applicable Statute of Limitations including any applicable tolling period for any third party claim as may apply (the "**Survival Period**"). In addition, Purchaser's indemnity in **Section 13.2** shall survive the termination of this Agreement for the Survival Period.

13.5 Limitations. Except as otherwise specifically set forth in this Section neither Seller nor Purchaser shall have any right to seek indemnity against the other Party pursuant to **Section 13.1** or **Section 13.2** either (A) where the claim is made after the Survival Period or (B) unless the amount of such indemnity claim, individually or when taken together with all other such indemnity claims hereunder, is at least equal to Ten Thousand and No/100 Dollars (\$10,000.00) (the "**Indemnity Floor**"), after which the Indemnitor shall be responsible for any such Indemnitee's Claims on a first dollar basis, or (C) for any such indemnity claims hereunder in an aggregate amount in excess of Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) (the "**Indemnity Cap**"). Attorneys' fees arising out of any indemnified third party claim shall be subject to such Indemnity Cap, provided, that any attorneys' fees and costs payable to the prevailing Party arising out of any dispute between Seller and Purchaser hereunder, including, without limitation, to enforce any Indemnitee Claim, shall not be subject to the Indemnity Cap. Notwithstanding anything to the contrary set forth in **Section 13.4** or **Section 13.5**, (i) neither the Indemnity Floor nor the Indemnity Cap shall apply in the case of claims that allege fraud on the part of the Party named therein, or (ii) the prorrations and adjustments to be made pursuant to **Section 6** hereof.

14. **Confidentiality and Non-Solicitation**

14.1 Confidentiality. Seller and Purchaser acknowledge that the other party may be irreparably damaged if the confidential knowledge and information possessed or hereafter acquired

by either party relating to the Business (which shall include the terms of this Agreement and other agreements delivered pursuant to this Agreement and all other non-public information regarding either party and/or the Business, including, without limitation, trade secrets or technology/inventions now known or hereafter discovered, and information reflecting or pertaining to research, developments, techniques, purchasing, marketing, business plans and strategies, accounting, licensing, know-how, methods, projects, processes, computer hardware and programs, software libraries, databases, compositions, discoveries, cost systems, personnel data, customer lists, business partner names and lists (including, but not limited to, vendors, suppliers, licensees, licensors, franchisees, referral sources, and consultants), training, the particular needs and requirements of customers and/or business partners, the identity of customers and potential customers, business partners and potential business partners, pending business transactions, pricing for customers or potential customers, pricing of business partners or potential business partners, policies and procedures, equipment and materials used by either party, methods used in the recruiting or placement of personnel by either party and methods and marketing of products or services by either party) were disclosed to or utilized on behalf of others. Accordingly, neither party shall directly or indirectly: (i) disclose to any Person any non-public information concerning the Business or any of the terms of this Agreement or the other agreements delivered pursuant to this Agreement, for any reason or purpose whatsoever; or (ii) make use of any such non-public information for either party's own purpose or for the benefit of any other Person.

14.2 For a period of one (1) year after termination of the Interim Lease, Interim Management Agreement and OTA following issuance of a new license for Purchaser' operation of the SNF, Seller shall not, directly or indirectly:

14.2.1 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Purchaser to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser;

14.2.2 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Seller on the Closing Date or within the year preceding the Closing Date to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser; or

14.2.3 hire or attempt to hire any employee or independent contractor of Purchaser or in any way interfere with the relationship between Purchaser and any of its employees or independent contractors; provided the parties acknowledge and agree that Seller will retain the employees ("**Retained Employees**") listed on **Schedule 14.2.3** hereto from and after Closing.

14.2.4 The foregoing restrictions on solicitation shall not restrict general advertising or residents or employees initiating contact with Seller or Seller affiliates for purposes of relocating to another senior living facility operated by Seller or affiliates of Seller.

14.3 If, at the time of enforcement of this **Section 14**, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties agree that the maximum period, scope or geographical area reasonable under such circumstances shall be

substituted for the stated period, scope or area so as to protect Purchaser to the greatest extent possible under applicable law from improper competition. The parties hereto acknowledge that money damages would be an inadequate remedy for any breach of this **Section 14** and that Purchaser would be irreparably damaged if any party were to breach the covenants set forth in this **Section 14**. Therefore, in the event of a breach or threatened breach of this **Section 14**, Purchaser, or their respective successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions of this **Section 14** (without posting a bond or other security). If Purchaser prevails in any legal proceedings to enforce this Agreement, then Purchaser is also entitled to recover its costs and fees incurred, including reasonable attorney's fees and out-of-pocket costs.

14.4 Seller acknowledges that the foregoing restrictions are supported by sufficient consideration and other benefits that they have received and will receive hereunder. They also acknowledge that the restrictions protect against unfair competition and that the restrictions do not prevent them from earning a living given their education, skills, and ability. Seller agrees and acknowledge that (i) Purchaser has required that Seller make the covenants set forth in this **Section 14** as a condition to Purchaser's obligations to consummate the transactions contemplated hereby; and (ii) the provisions of this **Section 14** are reasonable and necessary to protect and preserve the Business.

15. **Miscellaneous.**

15.1 **Entire Agreement.** This Agreement, including the Exhibits and Schedules attached hereto, constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof, and supersede all prior discussions, negotiations or writings with respect to such subject matter, including, but not limited to, that certain Letter of Intent executed as of March 29, 2022. This Agreement may not be modified, amended or cancelled except pursuant to the terms hereof or an instrument in writing signed by the Parties. The Schedules and Exhibits annexed hereto are hereby incorporated herein by reference as fully as though set forth herein.

15.2 **Time is of the Essence.** Time is of the essence with respect to all terms, conditions, provisions and covenants of this Agreement.

15.3 **Waiver.** No waiver of any term, provision or condition of this Agreement shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

15.4 **Public Announcements.** Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and to issue no press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders.

15.5 Attorneys' Fees in the Event of Litigation. Except as provided otherwise in this Agreement, in the event any dispute between the Parties results in litigation, the prevailing Party shall be reimbursed for all reasonable costs, including, but not limited to, reasonable attorneys' fees and consultants' fees and reimbursable costs and expenses, whether at trial, upon appeal or otherwise.

15.6 Jurisdiction; Venue. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS RULES OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.

15.7 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

15.8 Headings and Business Day. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement. Any day other than a Saturday, Sunday or other day on which commercial banks are authorized to close under the laws of the State of California is defined herein as either "Business Day".

15.9 Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

15.10 Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the

Parties; provided however, that (i) Seller shall not assign this Agreement without the prior written consent of Purchaser, and (ii) Purchaser shall not assign this Agreement without the prior written consent of Seller, other than an assignment to an entity owned or controlled by or under common control with Purchaser. Any assignment not permitted hereunder and undertaken without such prior written consent shall be deemed null and void.

15.11 Further Assurances. Between the Execution Date and the Closing Date, neither Seller nor Purchaser shall take any action which is inconsistent with its obligations under this Agreement. Further, whether prior to or after Closing, Seller and Purchaser shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the Party so executing and delivering said instrument.

15.12 Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but each term and provision shall be valid and be enforced to the fullest extent permitted by law.

15.13 Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, "any" shall mean "any and all", "or" shall mean "and/or", and "including" shall mean "including without limitation".

15.14 No Strict Construction. The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any of the Parties.

15.15 Confidentiality. Purchaser and its parent, subsidiary and affiliate entities will obtain access to confidential information of Seller that could cause material and irreparable damage to the business prospects of the Seller in the event that such information is disclosed or otherwise used if the Transaction contemplated in this Agreement is not concluded. Purchaser shall maintain the confidentiality of any information concerning the Seller which it obtains during its Due Diligence Review and shall return any Due Diligence Materials to Seller in the event the Transaction fails to close for any reason.

15.16 Calculation of Time Periods. Unless otherwise specified, (a) in computing any period of time described herein, the day of the act or event on which the designated period of time begins to run shall not be included and the last day of the period so computed shall be included and (b) if the last day of any period or any date otherwise specified hereunder is a Saturday, Sunday or legal holiday, the period shall run until, or such date shall be automatically revised to, the next day which is not a Saturday, Sunday or a legal holiday. Further, unless otherwise specified, any reference to a specified number of days shall be deemed to refer to calendar days. This obligation shall survive the Closing or termination of this Agreement.

15.17 Exhibits and Schedules. If any exhibits or schedules are not attached hereto, the Parties agree to attach such exhibits and schedules as soon as reasonably practicable and that it shall be a condition to the non-preparing Party's obligations hereunder that any Exhibits and Schedules attached hereto after the Execution Date shall be subject to the review and approval of the non-preparing Party. The Parties hereto agree that the Party charged with providing an exhibit or schedule to this Agreement shall, to the extent necessary after delivery thereof (but subject to the following sentence) amend and/or supplement all exhibits and schedules in order for the same to be current, true and correct as of the Closing Date. In furtherance and not in limitation of the foregoing, Purchaser acknowledges and agrees that the pendency of the Transaction provided for in this Agreement may, from time to time, require Seller to amend and/or supplement the exhibits and schedules attached hereto, provided that no such amendment or supplement shall be effective or modify the representations and warranties herein unless approved by Purchaser in its reasonable discretion.

15.18 Third Party Beneficiary. Nothing in this Agreement express or implied is intended to and shall not be construed to confer upon or create in any person (other than the Parties) any rights or remedies under or by reason of this Agreement, including without limitation, any right to enforce this Agreement.

15.19 1031 Exchange. Purchaser and Seller acknowledge that either Party may wish to structure this transaction as a tax deferred exchange of like kind property within the meaning of Section 1031 of the Internal Revenue Code. Each Party agrees to reasonably cooperate with the other Party to effect such an exchange; provided, however, that (a) the cooperating Party shall not be required to acquire or take title to any exchange property, (b) the cooperating Party shall not be required to incur any expense or liability whatsoever in connection with the exchange, including, without limitation, any obligation for the payment of any escrow, title, brokerage or other costs including attorneys' fees incurred with respect to the exchange, (c) no substitution of the effectuating Party shall release said Party from any of its obligations, warranties or representations set forth in this Agreement or from liability for any prior or subsequent default under this Agreement by the effectuating Party, its successors, or assigns, which obligations shall continue as the obligations of a principal and not of a surety or guarantor, (d) the effectuating Party shall give the cooperating Party at least ten (10) Business Days prior notice of the proposed changes required to effect such exchange and the identity of any Party to be substituted in the escrow, (e) the effectuating Party shall be responsible for preparing all additional agreements, documents and escrow instructions (collectively, the "**Exchange Documents**") required by the exchange, at its sole cost and expense, (f) the effectuating Party shall be responsible for making all determinations as to the legal sufficiency, tax considerations and other considerations relating to the proposed exchange, the Exchange Documents and the transactions contemplated thereby, and the cooperating Party shall in no event be responsible for, or in any way be deemed to warrant or represent any tax or other consequences of the exchange transaction, and (g) the election to effect such an exchange shall not delay the Closing of the transaction as defined herein.

15.20 Exclusivity. Unless this Agreement shall be terminated by Seller or Purchaser as provided herein, neither Seller nor any member, manager, officer, director, employee, authorized representative or agent of Seller shall, directly or indirectly, solicit, seek, enter into, conduct or

participate in any discussions or negotiations, or enter into any agreement with any person or entity, regarding the sale, lease or other transfer of all or any portion of the Seller's Assets.

15.21 Brokerage Commissions. Each of the Parties hereby represents, covenants, and warrants to the other that neither has employed any broker or finder in connection with the Transaction. Each Party agrees to indemnify and hold harmless the other from and against all liability, claims, demands, damages or costs of any kind, including attorneys' fees, arising from or connected with any broker's commission or finder's fee or commission or charge claimed to be due any other person arising from the Party's conduct with respect to the Transaction. This **Section 15.21** shall survive Closing.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be signed as of the Execution Date.

- Call Anthem at 833.954.1076. If you have specific questions about what type of medical benefits are covered, contact an Anthem customer service representative.
- Contact your local HR Representative. They can answer questions, facilitate calls and point you in the right direction about other resources.

Enroll for your benefits

There are 3 ways to enroll in benefits:

1. Enroll online through www.myhumangood.org and click on the UKG link. Then choose Life Events under the Myself menu.
2. Schedule a dedicated enrollment appointment for a time convenient for you. (Reference QR code at the back of this guide.) You can also navigate to this link: https://book.appointment-plus.com/d4p02rz0/?employee_id=8367#/.
3. Enroll by phone with a benefits counselor at 866.486.1417.

The site will walk you through your options, help you compare plans, and show your cost for each plan.

Eligibility

Here's how eligibility and enrollment works:

- **Who's eligible:** Regular full-time team members who work at least 30 hours per week.
- **When benefits begin:** The first day of the month following the completion of 60 days of employment. If your 60th day of employment lands on the first of the month, your coverage will begin on your 60th day.
- **What you need to do:** You must take action to enroll in coverage and submit the appropriate supporting documentation within the 45-day enrollment window starting on your date of hire or status change date.

Eligibility requirements for the 401(k) retirement plan differ; see the "401(k) Retirement Plan" on page 29 for details.

Eligible dependents for medical, dental, and vision coverage include:

- Your spouse or domestic partner.
- Your dependent child up to age 26 (regardless of marital or student status).
- Your dependent child who is incapable of self support due to a mental or physical disability.

WANT TO COVER A DOMESTIC PARTNER?

If you cover a domestic partner and they qualify as a "tax dependent" under IRS rules, you need to complete the Domestic Partner Civil Union Tax Status Form. Otherwise, your domestic partner's coverage will be subject to additional taxes, called imputed income. This means you may have to pay state and federal taxes, including Social Security and Medicare (FICA) taxes on the cost of your domestic partner's coverage. Request, complete, and return the form to your local HR Representative. If this form is not completed, you will be taxed.

Dependent documentation required

You're required to provide appropriate supporting documentation to your local HR representative for each eligible dependent under your medical, dental, and/or vision coverage. If documentation is not provided, your dependent(s) will not be covered. If you're not sure what qualifies as documentation, refer to the table below.

To cover your:	You need to submit to your local Human Resources Representative:
Spouse	Marriage license or certificate
Domestic partner	Domestic Partner Affidavit; go to the Benefits Document Library on www.myhumangood.org , under the My Worklife section then Benefits.
Child under age 26	<ul style="list-style-type: none"> ■ For your own children, one of the following: Birth certificate, hospital letter, midwife letter, legal custody papers, or adoption papers ■ For a child of your spouse (such as through marriage): One of the child documents noted above AND your marriage license AND documentation of responsibility (for example, tax forms) ■ For a child through legal guardianship: Child's birth certificate AND guardianship papers

Your dependent(s) will not be covered if appropriate documentation is submitted to your local HR representative within 45 days from start date.

Adding new dependents

When you add a new family member, the family member won't be added to your benefits automatically. On the Verify Beneficiary and Dependent Screen, please verify and/or correct all dependent and beneficiary information for each qualified dependent you will be enrolling and each beneficiary you will designate.

To add new, click the Add button. You must click on the box beside Dependent to qualify them as a dependent for coverage before the system will allow you to enroll them in a specific benefit plan. You must click on the box beside Beneficiary to designate the individual as a beneficiary to your life plans.

Please be sure and include full legal names, Social Security numbers, genders, relationships, and dates of birth for dependents that will be covered under our health plans.

Submit the appropriate dependent documentation (birth certificate, marriage license, etc.) to your local HR representative.

Note: If you add a dependent and do not follow the instructions listed above, your dependent will NOT be covered.

Qualifying life events

In general, the coverage you elect is effective until the next scheduled annual Benefits Open Enrollment (normally in November — changes are effective the following January 1). However, you can cancel or make changes to your benefits if you have a qualifying life event, as defined by the IRS. You can enroll or make changes to your HSA and commuter benefits any time during the year. If you have a qualifying life event, as defined by the IRS, you can enroll or make changes to your health care insurance (medical, dental, vision) outside the annual Benefits Open Enrollment period.

You have a **31-day window**, starting on the day of a qualifying life event, to submit your life event and provide the appropriate supporting documentation to your local HR representative. Qualifying life events include:

- Marriage or divorce;
- Birth, adoption, or custody change of an eligible dependent;
- Death of a dependent;
- Change in your spouse's or domestic partner's employment or insurance status;
- Unpaid leave of absence by you, your spouse, or your domestic partner;
- Moving into or out of your medical plan's service area;
- A change in employment status (either yours, your spouse's, or your domestic partner's) from non-benefited to benefited, or benefited to non-benefited;
- A cost increase for medical, dental, and/or vision coverage for you, your spouse, or your domestic partner due to your spouse's or domestic partner's employment;
- A cost increase or reduction for your HumanGood health care benefits; and
- Gaining or losing other health care coverage.

You can learn more about which situations allow you to change your benefits by visiting the Benefits Document Library on www.myhumangood.org, under the My Worklife section then Benefits or calling a Benefits Counselor at 866.486.1417, Monday through Friday, 8 a.m. to 5 p.m. Pacific Time/11 a.m. to 8 p.m. Eastern Time. (Navigate to page 3 and follow the steps to enroll to submit your life event.)

Medical plan

You have three medical plan options through Anthem and one medical plan option through Kaiser. All three Anthem plans are PPO plans, which means you can use any doctor, but you receive the highest level of coverage when you stay inside the network. All three Anthem plans use the same Anthem network of doctors and hospitals. Beyond that, they each work differently.

In addition to the three Anthem plans, HumanGood provides employees with a fourth medical plan option through Kaiser. The Kaiser HMO plan offers a different network from the Anthem plans with access to the HSA. The Kaiser plan design is similar to the Anthem \$2,800 deductible plan. You can find complete detail about coverage in the Kaiser summary. This section will help you find the plan that fits your needs for coverage and cost.

Here are some key features that make each of the plans unique:

Plan name	Key feature
Anthem \$1,000 Deductible Plan	Copay plan
Anthem \$2,800 Deductible Plan	Anthem HSA plan
Anthem \$6,550 Deductible Plan	Free team member-only coverage (no paycheck deductions)
Kaiser \$2,800 Deductible Plan	Kaiser HSA plan

KEY WORDS

COPAY: A flat dollar amount that you pay for a covered service each time you use that service. It does not apply toward the deductible.

COINSURANCE: The percentage of the charge for medical care that you pay.

DEDUCTIBLE: The amount you pay each calendar year before the plan begins to pay.

OUT-OF-POCKET MAXIMUM: The maximum amount you pay for covered services in a calendar year.

PRESCRIPTIONS:

Tier 1 generic medications are similar to more costly alternatives, and are not sold using a brand name.

Tier 2 medications are generally brand medications that are available at a lower cost to you than Tier 3 brand medications.

Tier 3 medications are generally brand medications with the highest cost to you.

Medical insurance options

This table provides a summary of in-network benefits; you'll find complete details about coverage and cost at www.myhumangood.org, click on the UKG link, then choose Life Events under the Myself menu.

If you enroll in one of the Anthem medical plans, you will also have access to the following:

- 24/7 NurseLine: You can connect with a registered nurse who'll answer your health questions. They can help you decide where to go for care and find providers in your area. All you have to do is call 1-800-700-9184.
- LiveHealth Online: You can have a video visit with a doctor using your smartphone, tablet or computer with a webcam. Doctors are available 24/7 for advice, treatment and prescriptions if needed. The cost is usually \$59 or less. Register at www.livehealthonline.com.
- Sydney text a doc: Allows you to connect to a doctor online or through your mobile device. Features a chat features with a doctor to ask questions and seek guidance for \$19.

Please see your Anthem E-Kit for full details!

¹Federal rules allow HumanGood to offer an HSA only to team members who are not enrolled in Medicare or TRICARE. Once you enroll in Medicare or TRICARE, you'll have access to your HSA balance, but you and HumanGood will no longer be allowed to make additional contributions.

²The Mandatory Generic Program applies to all of the medical plans. If you choose to buy a brand-name (Tier 2 or Tier 3) prescription medication when a generic (Tier 1) version is available, you'll pay the cost of the brand-name medication plus the difference in cost between the generic and brand-name prescription. However, if the prescribing physician indicates "Dispense as Written" or "DAW" on the prescription, you will not be responsible for the cost difference. Keep in mind, any cost difference that you pay will not be applied to the annual out-of-pocket maximum.

ANTHEM AND KAISER MEDICAL ID CARDS

After you enroll in an Anthem or Kaiser medical plan, new medical ID cards will be mailed to your address of record.

How prescription medications work

If you frequently use prescription medications, that may be a factor in deciding which medical plan is right for you. Below are some important considerations that you need to know about.

When purchasing prescription medications...

Under the Anthem \$1,000 Deductible Plan: You pay a copay, with no annual deductible.

Under the Anthem \$2,800 Deductible Plan: You pay out of pocket until you meet the annual deductible (unless it's a PreventiveRx medication) — and after that you pay coinsurance (30% of the medication cost). There's also a cap on the coinsurance amount you pay, which varies based on whether it's a generic or brand-name medication.

Under the Anthem \$6,550 Deductible Plan: You pay coinsurance (30% of the medication cost), with no annual deductible. There's also a cap on the coinsurance amount you pay, which varies based on whether it's a generic or brand name medication.

Under the Kaiser \$2,800 Deductible Plan: You pay out of pocket until you meet the annual deductible (unless it's a PreventiveRx medication) — and after that you will either pay a copay (tier 1 and tier 2) or coinsurance (30% of the medication cost to a \$250 max).

IN-NETWORK VS. OUT-OF-NETWORK

All Anthem plans allow you to see any provider of your choice; however, you'll typically save money with in-network care. The Kaiser \$2,800 deductible plan offers in-network coverage only. Visit www.anthem.com/ca or www.kp.org/newmember to search for in-network providers.

Find a medical provider

Go to www.anthem.com/ca/find-care or www.kp.org/newmember

Anthem

- You can look for a doctor by using either:
 - Search as a member: Log in with a username and password or with the member number on your ID card.
 - Search as guest: Select a plan or network, * or search by all plans and networks. The network HumanGood utilizes is the National PPO (BlueCard PPO).
- Once you log in, select the Find Care option on the welcome menu.
- Next, choose who you would like to see. You can search for a doctor nearby or use the doctor's name.
- Select a provider to see more details, such as:
 - Specialties
 - Gender
 - Languages spoken
 - Training
 - A map of their office location
 - Phone number

Do you . . .	Then consider . . .				Why?
	Anthem \$1,000 deductible	Anthem \$2,800 deductible	Anthem \$6,550 deductible	Kaiser \$2,800 deductible	
Want preventive care benefits covered at 100% with no deductible?	✓	✓	✓	✓	All four plans pay 100% for in-network preventive care with no deductible.
Want a plan with the lowest cost for office visits?	✓				For PCP and specialist visits, the Anthem \$1,000 Deductible Plan is the only plan where you pay a copay, with no annual deductible.
Want prescriptions that aren't subject to the deductible?	✓		✓		<ul style="list-style-type: none"> Under the Anthem \$1,000 Deductible Plan, you pay a copay with no annual deductible. Under the Anthem \$6,550 Deductible Plan, you pay coinsurance with no annual deductible.
Want a plan where you pay copays for prescription medications?	✓				The Anthem \$1,000 Deductible Plan is the only plan where you pay a copay for pharmacy and mail order prescriptions. For your other plan options, you pay coinsurance.
Want team member-only coverage with no paycheck deductions?			✓		The Anthem \$6,550 Deductible Plan is provided at no cost for team member-only coverage if certain wellness activities are completed.
Want a plan with the lowest deductible?	✓				The Anthem \$1,000 Deductible Plan has the lowest deductible and higher per-paycheck costs compared to your other plan options.
Want a pre-tax savings account?	✓ FSA	✓ HSA Limited Purpose FSA	✓ FSA	✓ HSA Limited Purpose FSA	There is a pre-tax savings account option no matter which plan you sign up for.
Want the HSA with HumanGood contribution?		✓		✓	HumanGood contributes to your HSA in the Anthem \$2,800 or Kaiser \$2,800 Deductible Plan, making it easier for you to pay for services before you meet the deductible (or you can save your HSA money for later).
Want flexibility to see any provider?	✓	✓	✓		All three Anthem plans let you choose between in-network and out-of-network providers, however, your out-of-pocket costs are generally lower when you stay inside the network. The Kaiser plan offers in-network services only.

Tax-advantaged accounts: HSA and FSA

You can save money on your health care and dependent care costs through tax-advantaged accounts, administered through Optum Financial, that allow you to use pre-tax dollars to pay for eligible expenses. For additional details about the following accounts, visit the Benefits Document Library on www.myhumangood.org, under the My Worklife section then Benefits.

Health savings account

Plan features	How it works
Who's eligible	<ul style="list-style-type: none"> Available only to participants in the Anthem \$2,800 or Kaiser \$2,800 Deductible Plan. An HSA is not allowed if you're enrolled in Medicare or TRICARE. Once you enroll in Medicare or TRICARE, you'll have access to your existing HSA balance; however, you and HumanGood will no longer be allowed to make additional contributions.
Eligible expenses	The HSA works like a bank account that you manage to pay for your health care expenses not covered by your plans including medical, prescription, dental, and vision copays, deductibles, and coinsurance.
HumanGood contributions	HumanGood contributions for 2022: <ul style="list-style-type: none"> For individual coverage: \$325/quarter (\$1,300/year) For family coverage: \$650/quarter (\$2,600/year) HumanGood contributes three months worth of the total annual contribution to your HSA at the beginning of every quarter. Your annual amount will be pro-rated based on the month in which you're hired (or the month in which your status change date occurs) and in which you open an HSA.
Your optional contributions	You have the option to make pre-tax contributions of your own for 2022, up to: <ul style="list-style-type: none"> For individual coverage: \$2,350 For family coverage: \$4,700 If you're age 55 or older, or will turn 55 in 2022, you can contribute up to an additional \$1,000 to your HSA in 2022 as a "catch-up" contribution.
When funds are available	Once funds are deposited into your account, they are yours to use.
How to pay expenses	You can use a debit card to pay for eligible expenses or reimburse yourself for payments you've made (only money you've already contributed can be spent). Debit cards are issued when you first enroll in an HSA and are valid for three years. Replacement cards are sent by Optum Financial in advance of the expiration date.
Making changes	You can change your contribution amount or stop contributing at any time.
No use it or lose it rule	Unused money can be carried over each year and invested for the future — you can even take it with you if you leave HumanGood.
Choosing your beneficiary	It's important to choose who you want to receive your HSA benefit in the event of your death. Go to the Optum Financial website to designate to select your HSA beneficiary.

DON'T FORGET TO OPEN YOUR HSA!

In order to receive HumanGood's contribution, you'll need to enroll in the HSA through UKG and register your account through Optum Financial. The HSA must meet the requirements of the U.S. Patriot Act (name, Social Security number, date of birth, and address — a P.O. Box will not be accepted). Check with your tax advisor regarding the withdrawal of HSA funds.

Health care flexible spending account (FSA)

Plan features	How it works
Who's eligible	Available only if don't have a health savings account (HSA)
Annual contribution maximum	You can contribute up to \$2,750 in pre-tax money.
Eligible expenses	Use this FSA for medical, prescription, dental, and vision expenses not covered by your plans, including copays, deductibles, and coinsurance. Note: You can use these accounts to purchase over-the-counter (OTC) drugs and medicines, without a prescription, as well as menstrual care products.
When funds are available	Your entire annual contribution is available to you from the beginning of the plan year.
How to pay for expenses	You can use your Optum Financial debit card to pay for eligible expenses or reimburse yourself for payments you've made up front. Debit cards are issued when you first enroll in an HSA and are valid for three years. Replacement cards are sent by Optum Financial in advance of the expiration date.
Use it or lose it	Unused money does not carry over to the next year and will be forfeited.
Making changes	You choose your contribution amount for the year during annual Benefits Open Enrollment. You may only make a change during the year if your personal situation changes, such as getting married or having a baby. <small>Note: If you start the plan year with an FSA and experience a qualifying life event and you elect the Anthem \$2,800 or Kaiser \$2,800 Deductible Plan, you will not be eligible to participate in the HSA and must continue with the FSA.</small>

Limited purpose flexible spending account (FSA)

Plan features	How it works
Who's eligible	Available only if you have a health savings account (HSA).
Annual contribution maximum	You can contribute up to \$2,750 in pre-tax money.
Eligible expenses	This FSA pairs with your HSA. Use this limited purpose FSA only for dental and vision expenses not covered by your plans, including copays, deductibles, and coinsurance.
When funds are available	Your entire annual contribution is available to you at the beginning of the plan year.
How to pay for expenses	You can use your Optum Financial debit card to pay for eligible expenses or reimburse yourself for payments you've made up front. Debit cards are issued when you first enroll in an FSA and are valid for three years. Replacement cards are sent by Optum Financial in advance of the expiration date.
Use it or lose it	Unused money does not carry over to the next year and will be forfeited.
Making changes	You choose your contribution amount for the year during annual Benefits Open Enrollment. You may only make a change during the year if your personal situation changes, such as getting married or having a baby.

Dependent care FSA

Most people are in favor of having a larger paycheck, right? If you routinely pay for child care expenses, you can make that a reality if you use the dependent care FSA.

Did you know?

1. You could be paying up to \$5,000 for your child's day care completely tax free. Child care can add up to a lot of money throughout the year. But you'll avoid taxes on those costs if you pay for them using a dependent care FSA.
2. Think day care when using this FSA — not medical. This account is specifically for child day care expenses (or care for a disabled or elderly dependent). However, it's not for medical expenses — you can use a health care FSA for that.
3. Your child must be under age 13. Be sure to only estimate day care expenses for children through age 12. Once they turn 13, you can't use this account for them.
4. You have to plan ahead for reimbursements. Using this FSA takes a little planning, since you must first pay your day care provider up-front, and then submit a claim to be reimbursed. But once you get the hang of it, you'll be saving money all year long!

Below is a summary of how the dependent care FSA works.

Plan features	How it works
Annual contribution maximum	You can contribute up to \$5,000 in pre-tax money.
Eligible expenses	Use this FSA for qualified dependent care expenses, including child care for children up to age 13 and care for disabled or elderly dependents.
When funds are available	When you make a claim, you'll receive a reimbursement from the money you have in your account at that time. For instance, if you have \$300 in eligible expenses, but only have \$200 in your account, you can only be reimbursed for \$200. You'll receive the remainder of the reimbursement for your eligible expenses once you contribute additional funds to your account.
How to pay for expenses	You pay for eligible expenses up front. Then, you submit a reimbursement claim and attach any bills or receipts for reimbursement.
Use it or lose it	Unused money does not carry over to the next year and will be forfeited.
Making changes	You choose your contribution amount for the year during annual Benefits Open Enrollment. You may only make a change during the year if your personal situation changes, such as getting married or having a baby.

IRS NONDISCRIMINATION RULES

The HumanGood FSA plans are subject to IRS nondiscrimination rules, which exist to prevent plans from being designed in such a way that they discriminate in favor of "highly compensated employees." If the HumanGood FSA plans should fail to pass the required IRS nondiscrimination testing, team members defined as highly compensated employees according to the IRS definitions may lose the tax benefits of participating in the plan (that is, they must include the benefits or compensation in their income). You'll be notified if this applies to you.

Supplemental medical insurance

Supplemental medical insurance through Aetna can help protect you from significant or unexpected out-of-pocket expenses. Keep in mind that these plans are intended to supplement a medical plan.

Consider your anticipated medical needs along with the cost of the insurance plans available to you. Adding a supplemental plan to a lower-cost medical plan may help you save money while providing important coverage.

The following three supplemental medical plans are available to you with no pre-existing condition limitations. Complete details about coverage and cost can be found by visiting the Benefits Document Library on www.myhumangood.org, under the My Worklife section then Benefits.

Accident

Accident insurance supplements your medical plan by providing cash benefits in cases of accidental injuries. You can use this money to help pay for uncovered medical expenses, such as your deductible or coinsurance, or for ongoing living expenses such as your mortgage or rent.

Critical illness

Critical illness insurance helps protect against the financial impact of certain illnesses, such as heart attack, cancer, Alzheimer's disease, and more. You receive a lump-sum payment to use as you choose.

The critical illness insurance also includes a health screening benefit. This pays a lump sum of \$50 if you or any dependent receive any of the approved health screening tests. A charge must be incurred and there is a maximum of one screening per plan year.

Hospital indemnity

Hospital indemnity insurance provides supplemental payments that you can use to cover expenses that your medical plan doesn't cover for hospital stays, ambulance service, surgery, and certain inpatient or outpatient treatments. When you're eligible for a benefit under this plan, you receive a lump-sum payment to use as you choose.

Dental insurance

The following dental plans are available to you through United Concordia. This table provides a summary of in-network benefits; you'll find complete details about coverage and cost at www.unitedconcordia.com or by visiting the Benefits Document Library on www.myhumangood.org, under the My Worklife section then Benefits.

Spouse AD&D ²	Spouse/domestic partner	\$5,000 increments up to the lesser of the team member-elected amount
Child term AD&D ²	Your children	\$2,000 increments up to \$10,000

¹ These plans are only available if you first elect employee-paid term life coverage.

² These plans are only available if you first elect employee-paid AD&D coverage.

In addition to the life and AD&D insurance, Mutual of Omaha includes a Living Care Benefit. For coverage paid for by HumanGood, the Living Care Benefit will pay a sum equal to 80% of the term life insurance benefit, up to a maximum of \$480,000, if you are affected with a terminal illness. This amount is subtracted from the term life insurance benefit amount prior to payment of a death benefit.

If you elect additional employee-paid term life insurance, the Living Care Benefit will pay a sum equal to 80%, up to a maximum of \$500,000, if you are affected with a terminal illness. The employer-paid term life insurance also provides free will preparation.

The employer-paid term life insurance also provides free will preparation. In just a few clicks you can complete a basic will or other documents to protect your family and property. To get started, visit www.willprepservices.com.

IMPUTED INCOME FOR EMPLOYER-PAID LIFE INSURANCE

The IRS requires you to be taxed on the value of employer provided group term life insurance over \$50,000. The taxable value of this life insurance coverage is called imputed income. This amount will appear as an earning and a deduction on your paycheck.

18

Evidence of insurability (EOI)

Life insurance over a certain amount may require you to complete a health questionnaire and be approved by medical underwriting. After electing coverage, you'll receive more information from Mutual of Omaha if Statement of Health is required.

Plans	Evidence of insurability
Employee-paid term life	Not required for lesser of 5 x earnings or \$330,000
Employee-paid AD&D	Not required
Spouse term life	Not required for amounts up to \$50,000
Child term life	Not required

Permanent whole life

Atlantic American Employee Benefits offers group whole life insurance, which provides cash value accumulation, guaranteed premiums, guaranteed coverage with no medical questions, and coverage that can be taken with you if you change jobs or retire. This also provides living benefits that can afford you the ability to take care of critical medical events, such as a nursing home, home health care, assisted living facility, and adult daycare.

Plans	Amount of coverage
Employee whole life	In increments of \$10,000 up to \$100,000 coverage
Spouse whole life	In increments of \$10,000 up to \$30,000 coverage (employee must be enrolled in Whole Life)
Child whole life	\$10,000 coverage (employee must be enrolled in Whole Life)

Disability insurance

Short term disability

Short term disability (STD) is available through Mutual of Omaha to all benefits-eligible team members. If you need to miss work due to a non-work-related illness or accident, STD benefits can replace a percentage of your lost income, as listed in the chart below. If elected, you pay the cost of coverage.

	Benefit waiting period	Benefit percentage	Maximum benefit duration
Employer-paid STD ¹ (for all Non-California team members)	14 calendar days	30% up to \$250/week	Up to 24 weeks per disability

If you and your family determine that you need additional short term disability coverage to help you cover expenses while you are unable to work, you have the opportunity to purchase additional short term disability coverage.

	Benefit waiting period	Benefit percentage	Maximum benefit duration
Employee-paid buy-up STD ²	14 calendar days	30% up to \$500/week	Up to 24 weeks per disability

¹The STD plan has a pre-existing condition limitation, meaning any injury or sickness for which you incurred medical expenses or received medical treatment three months prior to your effective date of coverage may not be covered under the plan for twelve months after the effective date.

²For California team members, this is a "buy-up" option. California State Disability Insurance (CA SDI) provides 60%-70% income replacement up to a maximum of \$1,357/week, as of early 2022. If you elect employee-paid STD coverage through HumanGood, you'll be purchasing an additional 30% benefit (the buy-up amount), giving you up to an additional \$500 a week in coverage.

WHAT IS CALIFORNIA STATE DISABILITY INSURANCE?

California State Disability Insurance (CA SDI) is a mandatory state disability program for California team members in which a small portion of income is taken out of each paycheck. CA SDI benefits may continue up to 52 weeks.

Long term disability

If you're unable to work for longer than 26 weeks due to a covered disability, long term disability (LTD) insurance through Mutual of Omaha replaces a portion of your income. There are two types of LTD coverage:

- **Employer-paid LTD:** Available to salaried team members at no cost. There is no need to enroll.
- **Employee-paid LTD:** Available to all team members. If you would like this benefit, you must enroll and pay for the cost of coverage. If you're an exempt team member, this coverage is a "buy-up" option to enhance and supplement your employer-paid LTD coverage.

	Benefit waiting period	Benefit percentage	Maximum benefit duration
Employer-paid LTD¹ (for all benefits-eligible salaried team members)	180 calendar days of disability	Salaried: 60% up to \$5,000/month	If you become disabled prior to age 62, benefits may continue for as long as you remain disabled, or until the greater of your Social Security normal retirement age or four years. If your disability occurs at age 62 or above, the number of payments may reduce.
Employee-paid LTD² (for all benefits-eligible team members)	180 calendar days of disability	<ul style="list-style-type: none"> ■ Hourly (those eligible for overtime): 50% up to \$5,000/month ■ Salaried: 66 2/3% up to \$10,000/month² 	

¹ The LTD plan has a pre-existing condition limitation, meaning any injury or sickness for which you incurred medical expenses or received medical treatment three months (for salaried) and six months (for hourly) prior to your effective date of coverage may not be covered under the plan.

² For salaried team members, this is a "buy-up" option. 60% of this benefit is your employer-paid LTD that's provided at no cost to you by HumanGood (you're automatically enrolled for coverage when you meet the eligibility requirements). If you elect employee-paid LTD coverage, you'll be purchasing an additional 6 2/3% benefit (the buy-up amount), giving you a combined total LTD benefit of 66 2/3% up to a monthly maximum of \$10,000.

Commuter benefits

Commuter benefits allow you to pay for your work-related transit and parking costs tax free with a debit card, administered through Optum Financial. If you have an HSA or FSA, your commuter benefits are loaded onto the same debit card and these purchases are tracked separately from your health care expenses. This could save you up to 40% in taxes! You decide how much you want to set aside for your commuter expenses, within these guidelines:

- Transit account: Up to \$270 per month for bus, subway, train, ferry, streetcar, or vanpool expenses.
- Parking account: Up to \$270 per month for parking at or near work, or for Park and Ride expenses.

IMPORTANT NOTE! You have complete flexibility to enroll or change your contribution for commuter benefits any time during the year.

For more information, visit the Benefits Document Library on www.myhumangood.org, under the My Worklife section then Benefits.

Legal assistance

MetLife Legal Plans offer economical access to attorneys for you, your spouse, and your eligible dependents.

For \$18 a month, you can receive legal advice and services for a wide range of personal matters, including:

- Court appearances and defense of civil lawsuits.
- Financial, family, and real estate matters.
- Immigration assistance.
- Estate planning.
- Traffic offenses (except DUI).
- Document review and preparation.
- Consumer protection.

Please note: Divorce and employment-related matters are not covered.

For more information, go to www.legalplans.com.

Pet insurance

Nationwide offers a cost-effective way to protect you from unexpected veterinary expenses. You can choose from two plans, each which cover things like accidents, injuries, serious/chronic illnesses, and surgeries. And one of the plans additionally covers wellness (such as exams, dental cleanings, flea and tick prevention, and more). Note, some exclusions apply.

Key features of the plans include:

- \$250 annual deductible.
- \$7,500 annual maximum.
- Range of 50% to 70% reimbursement on vet bills.
- No age limits.

Here's how it works:

1. Visit the vet of your choice.
2. Submit a claim.
3. You'll receive a reimbursement check in the mail.

IMPORTANT NOTE! You have complete flexibility to enroll in or change your pet insurance any time during the year. Your coverage will be effective with the next applicable payroll cycle following your election date.

If you have an existing policy with Nationwide, you may want to contact Nationwide to review your options. For more details and cost information, go to <https://benefits.petinsurance.com/humangood> or call 877-738-7874.

Identity theft protection

You can purchase identity theft protection benefits through Allstate Identity Protection for you and/or your family members who live with you. Here's a few of the services included in your coverage:

- Credit report monitoring.
- Monitoring of public and private databases for activity associated with your personal information.
- Monitoring of social media sites for reputational damage.
- Wallet/card replacement assistance.
- Password safety.
- Identity restoration services if you're the victim of identity theft.

Allstate Identity Theft Protection pricing:

- Team member only: \$9.95 per month.
- Team member and family members who live with you: \$17.95 per month.

For more details and cost information, go to www.myaip.com or call 800.789.2720.

Paid time off

HumanGood provides you with paid time off (PTO) to recover from sickness, care for an ill family member, to observe a religious holiday, or to just get a short break from work. The amount you accrue is based on your date of hire, as follows:

Length of service	Annual day equivalent	Maximum accrual
Less than 4 years	20	30 days/240 hours
4 through 5 years	22	33 days/264 hours
6 through 10 years	25	37.5 days/300 hours
11 through 15 years	30	45 days/360 hours
16 through 20 years	32	48 days/384 hours
21 years or more	35	52.5 days/420 hours

Eligible team members may use PTO once it's accrued.

Holidays

HumanGood provides seven company-paid holidays as follows:

- New Year's Day
- Independence Day
- Thanksgiving Day
- Martin Luther King, Jr. Day
- Labor Day
- Christmas Day
- Memorial Day

Jury duty

HumanGood encourages you to fulfill your civic responsibilities by serving as a juror when required. You may request up to 22 days of paid jury duty leave over any one-year period.

Bereavement

In the event of a death of an immediate family member, you may receive up to five days of paid leave.

Educational assistance

HumanGood proudly offers educational assistance program financial repayment to team members who pursue professional growth and development through higher education.

Who can participate

The program is available to:

■ FULL-TIME TEAM MEMBERS:

- If you've completed one year of service and have a satisfactory job performance rating.
- Team members must be on active payroll from the date of enrollment through the date the reimbursement request is submitted.

How it works

Program type	Tuition amount per fiscal year
Graduate degree program	\$5,250
Undergraduate degree program	\$4,250
Secondary schools, certifications, and license programs	\$2,250
English as a second language (ESL)	Up to \$300

IMPORTANT

Contact your supervisor for an application and approval before you register for a program or course.

Student loan forgiveness

As a HumanGood team member, you may be eligible for forgiveness on your outstanding student loans through the federally funded Public Service Loan Forgiveness (PSLF) program.

Through PSLF, full-time employees of a non-profit organization like HumanGood may receive forgiveness on the remaining balance of their direct loans after they have made 120 qualifying monthly payments and completed 10 years of services under a qualifying repayment plan.

PSLF can be beneficial to team members. The average student loan balance in the U.S. is more than \$35,000, adding up to more than \$1.41 trillion in borrowed education funds in 2019. This may impact many of us, who budget for each month to make payments in order to reduce our student loan debt.

Visit the program website at www.studentaid.gov/manage-loans/forgiveness-cancellation/public-service to learn about the PSLF program and to determine if you qualify.

PerkSpot

The HumanGood discount program by PerkSpot offers exclusive discounts on popular brands and from your favorite retailers. You can get deals on things like:

- Travel and hotels (Expedia, Avis, Budget Rent-a-Car, Choice Hotels)
- Tickets and entertainment (Disneyland, Six Flags, AMC Theatres, Regal movie tickets)
- Cell phones and electronics (Verizon, Sprint, AT&T, Apple, HP, Dell)
- Retail purchases (Costco, Best Buy, Walmart)
- Gym and fitness services (24 Hour Fitness, Crunch Fitness, Jenny Craig)
- Auto purchases (Ford, Hyundai, Toyota, Jeep)
- All previous discounts from CPS
- ... and more!

401(k) retirement plan

The 401(k) retirement plan through Transamerica gives you an excellent opportunity to build your retirement security. Below is a summary of how the plan works.

SELECT A BENEFICIARY

It's important to choose who you want to receive your 401(k) benefit in the event of your death. Go to www.transamerica.com/portal/home to select your 401(k) beneficiary.

Plan features	401(k) highlights
Eligibility	You may participate in the plan immediately and are eligible to contribute if you're at least age 21.
Enrolling and making changes	You can enroll, start/stop, and/or change contributions at any time by visiting www.transamerica.com/portal/home or calling Transamerica at 800.755.5801
Your contributions (traditional, Roth, catch-up)	<ul style="list-style-type: none"> ■ You can contribute up to 100% of your eligible compensation, up to the IRS limit of \$20,500 for 2022, in either traditional or Roth contributions: <ul style="list-style-type: none"> ● Traditional contributions are made on a tax-deferred basis each pay period. You reduce your taxable income now, but pay taxes down the road when you withdraw the funds. ● Roth contributions are made on an after-tax basis. That means you pay taxes while you're funding the account, in exchange for not paying taxes later (assuming you meet the age requirement and other criteria when you withdraw funds). ■ If you're age 50 or older, you can make "catch-up" contributions, up to an additional \$6,500 in 2022. ■ Your contributions are deducted from your regular earnings and any bonuses.
HumanGood matching contributions	<ul style="list-style-type: none"> ■ You're eligible after you've completed one year of service and 1,000 hours. ■ HumanGood matches 100% of the first 3% of pay that you contribute, plus 50% of the next 2%. So, if you contribute 5% or more of pay, HumanGood adds a 4% matching contribution. ■ Matching contributions are deposited on a quarterly basis. ■ HumanGood also matches on catch-up contributions.

Plan features	401(k) highlights
Vesting	You're always 100% vested in your own contributions, in addition to the contributions made by HumanGood. This means you always own contributions as soon as they're deposited into your account.
Investment options	<ul style="list-style-type: none"> The plan offers many investment options to help you build a portfolio that meets your goals. You can change your investment mix at any time.
Loans	<ul style="list-style-type: none"> You can borrow up to 50% of your vested account balance (minimum loan is \$1,000, maximum is \$50,000). There can be only one outstanding loan at a time; repayments are made via payroll deduction. Personal loans have a maximum duration of five years, residential loans are 15 years
Rollover rules	<ul style="list-style-type: none"> This plan accepts rollovers from other qualified plans, like another 401(k) plan, a conduit IRA, or other qualified retirement plan. Voluntary after-tax contributions from another plan are not allowed.

If you contribute...	HumanGood will contribute...
1%	1%
2%	2%
3%	3%
4%	3.5%
5% or more	4%

Team member contributions

The amounts below are per-paycheck amounts shown separately for medical, dental, and vision coverage — deducted 24 times a year. HumanGood will give you a \$15 per paycheck discount on your medical premiums for completing certain activities within the wellness program such as a biometric screening and health quality assessment. If you do not complete the wellness program activities, you will pay the non-wellness rate.

Steps to enroll

Enroll (or waive coverage) within the 45-day window starting on your date of hire or eligible status change date (to full-time status).

Qualifying life events have a 31-day window to enroll or make changes.

1. There are 3 ways to enroll in benefits:
 - Enroll online through www.myhumangood.org and click on the UKG link. Then choose Life Events under the Myself menu.
 - Schedule a dedicated enrollment appointment for a time convenient for you by scanning the QR code. You can also navigate to this link: https://book.appointment-plus.com/d4p02rz0/?employee_id=8367#/.
 - Enroll by phone with a benefits counselor at 866.486.1417.
2. Open an HSA (if applicable). If you elect the Anthem \$2,800 Deductible Plan or Kaiser \$2,800 Deductible Plan with HSA, enroll in the HSA through UKG and register your account through Optum Financial.
 - If you haven't opened an HSA before — you must enroll and certify that you meet the eligibility criteria.
3. Submit dependent documentation. When you add a new family member, the family member won't be added to your benefits automatically. You will need to add your dependents to each and every benefit you want them to have. If you are adding dependent(s) coverage, you will need to provide your local HR representative with appropriate dependent documentation within your 45-day window (31-day window for life events).
 - Appropriate documentation (such as a birth certificate or marriage license) for any dependents you enroll.
 - If you cover a domestic partner and that person qualifies as a "tax dependent" under IRS rules, you need to complete the Domestic Partner or Civil Union Partner Tax Status Form. Otherwise, your domestic partner's coverage will be subject to additional taxes, called imputed income.
4. Don't forget to choose your beneficiaries. They apply to your basic life, accidental death and dismemberment (AD&D) insurance, and critical illness. There is a separate beneficiary designation form for your HSA and retirement plans.
5. Save or print your benefits confirmation statement. If you enroll by phone, you can request that your enrollment confirmation be emailed to you.

Your benefits checklist

Take time to learn about the great HumanGood benefits that are available to you, which are detailed in this Benefits Guide. As you review your options, use this worksheet to take notes and keep track of the benefit elections that work best for you. Please note, you must enroll through UKG, which can be accessed on www.myhumangood.org. This worksheet is NOT an enrollment form.

FINAL NOTES

This summary of benefits is not intended to be a complete description of HumanGood's insurance benefit plans. Please refer to the plan document(s) for a complete description. Each plan is governed in all respects by the terms of its legal plan document rather than by this or any other summary of the insurance benefits provided by the plan.

In the event of any conflict between a summary of the plan and the official document, the official document will prevail. Although HumanGood maintains its benefit plans on an ongoing basis, HumanGood reserves the right to terminate or amend each plan in its entirety or in any part at any time.

Please contact your HumanGood human resources representative with questions regarding the information provided in this overview.

Original and, to the extent in the possession of Seller or under the control of Seller, digital copies of all reports, drawings, plans, blueprints, studies, specifications, certificates of occupancy, building permits and grading permits relating to all or any part of the Real Property or the Facility and all amendments, modifications, supplements, general conditions and addenda thereto;
5. All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");
6. All of Seller's legal and equitable claims, causes of action, and rights, if any, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

7. All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

8. The owned vehicle described on Exhibit A hereto (the "**Vehicle**");

9. The goodwill associated with the operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the business of the Facility;

10. All books, files and records related to the operation of the Facility, including, but not limited to, original records for current residents and employees of the Facility, but specifically excluding (a) proprietary or organizational document and financial, accounting and/or tax records or Seller, (b) those documents whose disclosure is restricted by applicable law and (c) any records of former residents and employees which may be removed from the Facility by prior to the Closing Date; and

11. All computer hardware and software which are located at the Facility, owned by Seller and used in connection with the operation of the Facility, but specifically excluding any non-assignable software included in the Excluded Assets.

Except for the Excluded Assets identified in Section 1.2 of the Purchase Agreement.

TO HAVE AND TO HOLD, all and singular, the foregoing hereby sold, assigned, transferred and conveyed to Purchaser, its successors and assigns, to and for its own use and benefit.

Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

IN WITNESS WHEREOF, the Seller does hereby execute this Bill of Sale as of the day and year first set forth above.

This PURCHASE AND SALE AGREEMENT (this "**Agreement**") is made as of May _____, 2022 (the "**Execution Date**"), by and between HumanGood SoCal, a California non-profit public benefit corporation d/b/a "Windsor" and "Windsor Manor" ("**Seller**"), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation, or assigns ("**Purchaser**").

RECITALS

A. Seller is the owner and operator of certain real property described on **Schedule 1** hereto (the "**Real Property**") and the improvements thereon including the furniture, fixtures and equipment therein that comprise that certain continuing care retirement community commonly known as "Windsor" and "Windsor Manor" located at 1230 E. Windsor Road, Glendale, CA (the "**Facility**").

B. Purchaser is the owner of and has experience operating a senior care community.

C. Seller is interested in selling the Real Property, the Facility and the business operations conducted therein (the "**Business**") to Purchaser and Purchaser is interested in purchasing the Real Property, the Facility and the Business from Seller (the "**Transaction**").

D. The Parties are interested in documenting the terms and conditions on which the Transaction would occur.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and provisions herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto (the "**Parties**" and each a "**Party**") hereby covenant and agree as follows:

1. Purchase and Sale.

1.1 Seller's Assets. On the terms and conditions set forth herein, on the Closing Date (as defined below) Seller shall sell to Purchaser and Purchaser shall purchase from Seller the following:

1.1.1 The Real Property, and the Facility, together with all tenements, hereditaments, rights, privileges, interests, easements (both benefitting and burdening such Real Property) and appurtenances now or hereafter belonging or in any way pertaining thereto;

1.1.2 All fixtures attached or appurtenant to the Real Property and the Facility;

1.1.3 All furnishings and equipment, including, but not limited to, tools, machinery, appliances, bed linens, inventory, food, housekeeping supplies, and all other tangible personal property located on or about the Real Property and the Facility which is owned by Seller including the computers and related systems (collectively, the "**Personal Property**"); provided

that Seller will wipe all of the hard drives and remove all confidential information and materials from the operating systems; and provided further, Seller will save certain resident information needed in connection with Purchaser's operation of the Business after the Closing, including resident medical and pharmacy records, home health and other doctors' orders, billing records and resident payment history on a drive or on the cloud for the Purchaser to download at Closing;

1.1.4 To the extent assignable, all of the permits, licenses, approvals, entitlements, certifications and other governmental and quasi-governmental authorizations including, without limitation, bed rights, certificates of occupancy and other similar permits relating to all or any part of the Real Property and the Facility, and all amendments, modifications, supplements, general conditions and addenda thereto, required in connection with the ownership and the operation of the Facility ("**Permits**");

1.1.5 All rights existing under all contracts related to the ownership, planning, development, construction, use, operation and/or maintenance of the Facility to which the Seller is a party, excluding those identified as Excluded Assets, but including without limitation the Resident Agreements and the Assumed Operating Contracts (each as defined below), ~~along with those set forth on Schedule 1.1.5~~ ("**Assigned Contracts**");

1.1.6 To the extent in the possession of Seller or under the control of Seller, digital copies of all reports, drawings, plans, blueprints, studies, specifications, certificates of occupancy, building permits and grading permits relating to all or any part of the Real Property or the Facility and all amendments, modifications, supplements, general conditions and addenda thereto;

1.1.7 All inventory, wherever located, including all raw materials, spare parts and all other materials and supplies to be used in the Business or in connection with maintenance of the Facility (the "**Inventory**");

1.1.8 All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");

1.1.9 All intangible personal property of any kind or character of the Seller, including without limitation, all warranties, guarantees and all of Seller's legal and equitable claims, causes of action, and rights, if any, arising post-Closing, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

1.1.10 All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

1.1.11 Other than corporate and trade names used by Seller in connection with the Business as well as related social media accounts, domain name and website and any content therein, all of the Seller's Intellectual Property, including, but not limited to, licenses and sublicenses granted and obtained with respect thereto, related to the Business, to the extent transferable, Seller's telephone and fax numbers, all passwords and similar access requirements with respect thereto, and all goodwill associated therewith, including rights thereunder, remedies against infringements thereof, and rights to protection of interests therein;

1.1.12 The vehicle described in **Schedule 1.1.12** (the "**Vehicle**");

1.1.13 The goodwill associated with operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the Business;

1.1.14 All prepayments, vendor credits, loans to employees, prepaid expenses and similar assets.

1.1.15 Excluding the Excluded Assets, any other asset, property, or right of any Seller, tangible or intangible, used in the conduct of the Business.

1.1.16 All books, files and records in whatever form or medium related to the operation of the Facility and the Business, including, but not limited to, original records for current residents and employees of the Business, quotation and purchase records and all books, records, ledgers, files, documents, correspondence, lists, reports, and other printed or written materials with respect to the Real Property, Facility and Business but specifically excluding those documents whose disclosure is restricted by applicable law.

Hereinafter the assets described in this **Section 1.1** shall sometimes be collectively referred to as "Seller's Assets." The parties hereby acknowledge and agree that HumanGood SoCal owns and operates seniors housing communities other than the Facility ("**Other Assets**"), and that Seller's Assets being sold hereunder do not include the Other Assets.

1.2 Excluded Assets. Purchaser acknowledges and agrees that the Seller's Assets shall not include the following, all of which shall be and remain the property of Seller (the "**Excluded Assets**"):

1.2.1 the Other Assets;

1.2.2 Seller's cash, including petty cash, or accounts receivable of Seller arising from the operation of the Facility prior to the Closing Date;

1.2.3 Except as provided in Section 1.1.3 above, Seller's proprietary or organizational documents, financial (including historical financials), accounting and/or tax records and other records that Seller is required by law to retain in its possession;

1.2.4 Seller's rights arising under this Agreement or under any other agreement between Purchaser and Seller;

1.2.5 any insurance policies in the name of either of the entities comprising Seller which are in effect at Closing with respect to any or all of the Seller's Assets;

1.2.6 Seller's deposits, including utility deposits and prepaid expenses accruing through the Closing Date, unless and to the extent that Seller is reimbursed therefor on the Closing Date;

1.2.7 Except as may be otherwise provided herein, any claim, cause of action, or right of recovery or settlement held by Seller against third parties including vendors, relating to the ownership and/or operation of the Facility on or before the Closing Date;

1.2.8 Except as may be otherwise provided herein, any and all proprietary and confidential materials, rights and information located at and used in connection with the ownership and/or operation of the Facility, including but not limited to, policy and procedure manuals;

1.2.9 any personal property identified on **Schedule 1.2.8** hereto (the "**Excluded Personal Property**");

1.2.10 the name "HumanGood" or "HumanGood SoCal" and any variations thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that Seller and its affiliates will continue to use the name HumanGood and HumanGood SoCal post-Closing. At Closing, Seller will grant to Purchaser a non-exclusive, nontransferable, limited license to use the name "Windsor" and "Windsor Manor" and all associated logos in connection with Purchaser's ownership and management of the Facility post-Closing, which license shall remain in place for a period of ninety (90) days post-Closing, or in the case of the skilled nursing facility ("**SNF**") that is part of the Facility (the "**Windsor Manor SNF**"), until the date that the California Department of Public Health ("**CDPH**") issues a new skilled nursing facility to Purchaser. The foregoing license provision shall survive the Closing; and

1.2.11 all contracts and agreements to which Seller may be a party in connection with the ownership and operation of the Facility which are not Assigned Contracts and ~~the~~[any](#) national contracts ~~identified on Schedule 1.1.5 hereto~~.

1.3 Assumption of Liabilities. Except for the deposits and obligations related to the Assigned Contracts arising on or after Closing, Purchaser does not hereby or in connection herewith assume any liability of Seller or any other party whatsoever in relation to the Seller's Real Property, Facility or the Business (the "**Assumed Liabilities**").

1.4 Notwithstanding the provisions of **Section 1.3** or any other provision in this Agreement to the contrary, Purchaser shall not assume and shall not be responsible to pay, perform or discharge any liabilities of Seller of any kind or nature whatsoever other than the Assumed Liabilities (the "**Excluded Liabilities**"). Seller shall pay and satisfy in due course all Excluded Liabilities, which shall include all monies owed by Seller under the Assigned Contracts through the Closing.

2. Purchase Price.

2.1 Purchase Price. The aggregate consideration for the Seller's Assets (the "**Purchase Price**") shall be Fourteen Million Five Hundred Thousand and No/100 Dollars (\$14,500,000.00) plus the assumption of any Assumed Liabilities, subject to any proration adjustment contemplated in **Section 6.2** hereof. At the Closing, the Purchaser will deliver to Seller, by wire transfer or immediately available funds, an amount equal to the Purchase Price, less the Deposit as set forth in 2.1.1. as follows:

2.1.1 Deposit. Within two (2) business days after the Execution Date, Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Initial Deposit**") with Commonwealth Land Title, 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660 Attention: Kelly Ralph (the "**Escrow Agent**"). Within two (2) business days after the expiration of the Due Diligence Period (as defined below), Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Additional Deposit**") with Escrow Agent. The Initial Deposit and Additional Deposit shall be defined herein as the "Deposit". In the event the Closing occurs, the Deposit shall be applied against the Purchase Price. In the event the Closing fails to occur, the Deposit shall be remitted to the Seller or to Purchaser as set forth more fully in **Section 11**; provided, however, if Purchaser does not provide an Approval Notice (as defined below) prior to expiration of the Due Diligence Period for any reason, this Agreement and the escrow shall be cancelled, and the Initial Deposit immediately returned to Purchaser.

2.1.2 Balance of Purchase Price. The balance of the Purchase Price, less the Deposit, plus or minus any costs and prorations for which Seller and/or Purchaser are responsible under **Section 6.2** hereof shall be paid by wire transfer of immediately available funds at Closing.

2.2 Allocation of Purchase Price. The Purchase Price shall be allocated among the Seller's Assets in the manner set forth in **Schedule 2.2**.

2.3 Independent Consideration. As consideration for Seller's agreement to enter into this Agreement, Purchaser shall deliver directly to Seller, within two (2) business days following the Execution Date, the sum of One Hundred Dollars (\$100.00) (the "**Independent Consideration**"), which Independent Consideration shall be retained by Seller as Seller's sole property immediately upon receipt thereof and which shall be nonrefundable to purchaser in all events; provided, however, that the Independent Consideration shall be applied to the Purchase Price at Closing.

3. Closing

3.1 Time and Place of Closing. Subject to the satisfaction or waiver of the closing conditions set forth in **Section 5** below, the closing of the Transaction contemplated hereby (the "**Closing**") shall occur on the date that the California Department of Social Services ("**DSS**") approves Purchaser's new Residential Care Facility for the Elderly license ("**RCFE License**") to operate the Facility post-Closing and issues Purchaser a Certificate of Authority ("**COA**") to enter into continuing care contracts with residents of the Facility post-Closing, such approval and issuance occurring on the same date, with documents to be released for recording and the funds

released by Purchaser to Seller on or before 3:00 PM (Pacific Time) and shall be effective at 12:01 am on such date (the "**Closing Date**"); provided that in the event the Closing has not occurred on or before December 31, 2023, Seller shall have the right to terminate this Agreement upon written notice to Purchaser in which case the Deposit shall be returned to Purchaser unless Purchaser is then in default and neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

3.2 Closing Process. The Closing shall occur through escrow and accordingly, at or prior to the Closing Date, the Parties shall deposit in escrow with the Escrow Agent all documents and monies necessary to close the transaction as herein provided. Closing shall occur in accordance with the procedures and instructions given by the Parties to the Escrow Agent prior to Closing.

4. Due Diligence; Title and Survey.

4.1 Due Diligence Investigation.

4.1.1 Within three (3) Business Days after the Opening of Escrow, Seller shall deliver to Purchaser or provide Purchaser access to all materials in Seller's possession or control relating to the Real Property or Facility including, but not limited to: (i) copies of the most recent property tax bills and assessments for the Property; (ii) copies of all documents evidencing interests not shown on the Title Report, if any, (iii) a copy of any and all leases, service contracts, easements, licenses, development approvals and/or other agreements related to the Real Property or Facility including, without limitation, contracts for design work thereon; (iv) any and all existing surveys of the Real Property; (v) any and all soils reports, reports pertaining to hazardous materials or other environmental conditions or other reports relating to the physical condition of the Real Property; (vi) any and all engineering documents relating to the Facility including, without limitation, plans and specifications prepared for Seller in connection with the development of the Real Property and Facility (the "**Plans and Specifications**"); (vii) any and all other correspondence, reports, studies, permits, approvals or documents relating to the Real Property or Facility, except for Seller's internal materials, documents, correspondence, and/or analysis; (viii) audited financial statements for the Business for the period ending December 31, 2019, 2020 and 2021 (the "**Financial Statements**"), as well as the three month period ending March 31, 2022; (ix) the general ledger and trial balance supporting the Financial Statements; (x) contracts and agreements and other documents material to the Business; (xi) a redacted current and complete list of all employees of Seller who work at the Facility, together with their dates of hire, positions and their annual salaries and other compensation; and (xii) and other documents to be provided by Seller in accordance with this **Section 4.1.1** (collectively, the "**Due Diligence Materials**"). In addition, Seller shall promptly deliver to Purchaser or provide Purchaser access to such other information relating to the Real Property, Facility and Business that is specifically and reasonably requested by Purchaser of Seller in writing to the extent such information is in the possession or control of Seller. Except as otherwise expressly set forth in this Agreement, Seller makes no representations or warranties whatsoever regarding the Due Diligence Materials ~~created by third parties~~, including, without limitation, as to their completeness or accuracy. ~~Seller represents and warrants that, to Seller's knowledge, the Due Diligence Materials prepared by Seller and provided to Buyer, are complete and accurate.~~ Prior to the expiration of the Due Diligence Period, Seller will provide to Purchaser a final list of the Due Diligence Materials provided to Purchaser.

4.1.2 During the period (the "**Due Diligence Period**") commencing on the later of the Execution Date and the delivery of all the Due Diligence Items in Seller's possession or control, and ending forty-five (45) days thereafter, Purchaser will have the right, at its sole cost and expense, to conduct such investigations with respect to Seller's Assets as it deems to be necessary in the exercise of its sole and absolute discretion in connection with its purchase thereof, including without limitation, environmental site assessments, property condition reports, appraisals, engineering tests and studies, physical examinations of the Property, and feasibility studies, as well as inspections of the financial condition and operations of the Facility.

4.1.2.1 At all reasonable times from the date of this Agreement to the Closing, or earlier termination of this Agreement, upon forty-eight (48) hours prior written notice to Seller, Purchaser and their respective employees, agents, consultants, managers and contractors shall be entitled, at Purchaser's sole cost and expense, to: (a) enter onto the Real Property and Facility to perform any inspections, investigations, studies, and tests of the Real Property and Facility (including, without limitation, physical, engineering, soils, geotechnical, and environmental tests) that Purchaser deems reasonable; provided however that Purchaser shall not do any invasive testing on the land without the prior consent of Seller, which consent shall not be unreasonably withheld; (b) review all Due Diligence Materials; and (c) investigate such other matters pertaining to the Real Property, Facility and Business as Purchaser may desire. Any entry by Purchaser onto the Real Property shall be subject to, and conducted in accordance with, all applicable laws. Upon completion of any such testing, Purchaser shall immediately restore the Real Property and Facility to substantially the same condition as it existed prior to Purchaser's entry under this **Section 4.1.2.1**. During the term of Escrow, Purchaser shall have the right to meet with representatives of the City and other governmental agencies having jurisdiction over the Real Property and Facility. Seller shall have the right to have a representative attend each and every meeting with representatives of the City and other governmental agencies having such jurisdiction. Seller shall cooperate with Purchaser in its investigation of the Real Property, Facility and Business (the "**Due Diligence Review**").

4.1.2.2 Purchaser shall indemnify, defend and hold Seller and Seller's Assets harmless of and from any and all losses, liabilities, costs, expenses (including without limitation, reasonable attorneys' fees and costs of court at trial and on appeal), damages, liens, claims (including, without limitation mechanics' or materialmans' liens or claims of liens), actions and causes of action arising from or relating to Purchaser (or Purchaser's agents, employees, or representatives) entering on the Real Property and/or the Facility to test, study, investigate or inspect the same or any part thereof (except for the discovery of any pre-existing conditions). The foregoing indemnity shall expressly survive the Closing or the earlier termination of this Agreement.

4.1.2.3 Purchaser shall have the right at any time on or before the end of the Due Diligence Period (the "**Due Diligence Termination Date**"), to terminate this Agreement by delivering a written notice of such termination to Seller and Escrow Agent if Purchaser determines, in its sole and absolute discretion, that the Seller's Assets are not acceptable to Purchaser for any reason. Purchaser shall indicate its satisfaction and/or waiver of the Due Diligence condition described in this **Section 4.1** by delivering written notice of such satisfaction and/or waiver ("**Approval Notice**") to Seller and Escrow Agent on or prior to the Due Diligence Termination

Date. In the event Purchaser fails to timely deliver an Approval Notice, then this Agreement and the Escrow shall be automatically deemed terminated. In the event this Agreement is terminated in accordance with this Section, then the Initial Deposit shall be immediately returned to Purchaser and the parties shall thereafter be relieved from further liability hereunder, except with respect to any obligations under this Agreement that are expressly stated to survive any termination of this Agreement.

4.2 Title Matters. After the Execution Date, Purchaser will also conduct a review of the condition of title to the Real Property pursuant to the procedures outlined below:

4.2.1 Property Documents. After the Execution Date, to the extent not previously obtained, Seller shall obtain a title report or title commitment (the "**Title Commitment**") for a standard owner's title insurance policy with respect to the Property issued by Commonwealth Land Title (the "**Title Company**"), along with copies of all of the exception documents referenced therein and a map showing all easements plotted. Purchaser shall have the right, at its own cost and expense, to obtain a zoning compliance letter issued by the local zoning authority or a zoning report issued by a third party provider qualified in the preparation of such reports, an ALTA survey with respect to the Real Property (the "**Survey**") prepared by a surveyor selected by Purchaser, a Phase One Environmental Site Assessment (the "**Phase One**") and Property Condition Report.

4.2.2 Title Objections.

(a) Not later than fifteen (15) days after the receipt of the Title Commitment, Purchaser shall advise Seller in writing of its objections, if any, to the matters reflected in the Title Commitment (a "**Title Document Objection Letter**").

(b) Within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall specify by written notice delivered to Purchaser which of the objections described therein it will correct at or prior to the Closing Date and which of such objections it refuses to correct at or prior to the Closing Date (the "**Seller Title Document Response Notice**"). If Seller fails to deliver a Seller Title Document Response Notice within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall be deemed to have refused to correct any of the matters to which Purchaser objected in the Title Document Objection Letter. If Seller refuses to or is deemed to have refused to correct some or all of the matters objected to in the Title Document Objection Letter, Purchaser shall have five (5) days after receipt or deemed receipt of a Seller Title Document Response Notice in which to advise Seller of its decision to terminate this Agreement, in which case the Deposit shall be immediately returned to Purchaser. If Purchaser does not deliver a notice of termination under this Section, Purchaser shall be deemed to have waived its objections, notwithstanding the defects which Seller has refused to correct. In the event Purchaser elects to terminate this Agreement as a result of the existence of matters contained in the Title Commitment which Seller refuses to correct by Closing, then the provisions of **Section 11** shall apply.

(c) Any matter reflected in the Title Commitment and not objected to by Purchaser or as to which Purchaser waives or is deemed to have waived its objections in

accordance with the terms hereof, shall be deemed accepted by Purchaser and shall for purposes hereof be deemed to be the "Permitted Exceptions".

(d) If any update to the Title Commitment issued by the Title Company following the above reveals any additional lien or encumbrance, Purchaser shall have the right to object to the matters contained in such update in accordance with the provisions set forth above with a supplemental property document objection letter.

4.3 Access to Key Employees. Seller agrees to provide Purchaser with access to meet with Seller's executive director and other department heads (and no other employees of the Facility) during the Due Diligence Period. Such meetings shall be conducted with prior notice to and approval by Seller and in the presence of Seller. Purchaser shall not disclose to other members of Seller's staff or the residents, the existence of this Agreement, or of any proposed sale of the Facility. After the expiration of the Due Diligence Period, Seller shall provide Purchaser with access to the other employees of the Facility, which meetings shall also be conducted with prior notice to and approval by Seller and in the presence of Seller.

5. Conditions to Closing.

5.1 Purchaser's Conditions. Purchaser's obligation to purchase Seller's Assets hereunder is subject to fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Seller at the Closing) (the "**Purchaser's Closing Conditions**"), which conditions may be waived by Purchaser only in a writing executed by Purchaser:

5.1.1 Closing Deliveries. Seller shall have delivered to Purchaser or, if applicable, to the Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

(a) A Grant Deed in substantially the form annexed hereto as **Exhibit A** (the "**Deed**") in proper form for recording, duly executed and acknowledged by Seller, sufficient to convey to Purchaser fee simple title to the Real Property, free and clear of all liens and encumbrances, other than the Permitted Exceptions;

(b) A bill of sale executed by Seller in substantially the form annexed hereto as **Exhibit B** (the "**Bill of Sale**") sufficient to convey to Purchaser good and indefeasible title to the remainder of the Seller's Assets, free and clear of all liens, encumbrances and security interests;

(c) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit C** (the "**Assignment**") duly executed by Seller with respect to the Assumed Operating Contracts and the Resident Agreements;

(d) Such title affidavits and indemnities as may be reasonably required by the Title Company in connection with the issuance of the Title Policy (as defined below);

(e) A Foreign Investment in Real Property Tax Act affidavit duly executed by Seller in substantially the form annexed hereto as **Exhibit D**;

(f) A Form 1099-S identifying Seller's gross proceeds and tax identification number, if required by the Escrow Agent;

(g) A certificate, in form and substance reasonably acceptable to Purchaser, of Seller to the effect that the representations and warranties of Seller set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Seller has complied with all covenants of Seller set forth herein;

(h) A counterpart copy of the Seller's "Closing Statement" prepared by the Escrow Agent and approved and signed by Seller;

(i) Written closing instructions directed to the Escrow Agent;

(j) Documentation, reasonably acceptable to the Title Company, confirming the authority of Seller to execute and deliver this Agreement and all of the documents described in this **Section 5.1.1** and to consummate the Transaction contemplated hereby;

(k) An Interim Lease, Interim Management Agreement and OTA;

(l) The consent of all other parties to the Assumed Operating Contracts for each Assumed Operating Contract that requires the consent of another party prior to the consummation of the transaction contemplated by this Agreement; and

(m) Such other customary closing documents required from the sellers of real estate in the applicable city, state and county in which the Facility is located as Purchaser or the Title Company may reasonably require.

5.1.2 Title Policy. The Title Company shall be irrevocably and unconditionally prepared and committed to issue to Purchaser a standard, or if Purchaser has paid the additional cost thereof as contemplated by **Section 6.1.1**, an extended, coverage title insurance policy insuring Purchaser's title to the Real Property as of the Closing Date subject to no exceptions other than the Permitted Exceptions, with those endorsements reasonably requested by Purchaser (provided that such endorsements are available in the State of California and are paid for in accordance with the terms in this Agreement), in an amount equal to the part of the Purchase Price allocated to the Real Property and Facility (the "**Title Policy**").

5.1.3 Representations and Warranties. The representations and warranties of Seller contained in this Agreement shall be true, correct, and complete in all material respects as of the Closing Date and Seller shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.1.4 Seller's Performance. Seller shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Seller to be complied with or performed under the terms of this Agreement prior to or at Closing.

5.1.5 Licenses and Approvals. Purchaser and/or its designee shall have obtained a RCFE license and a COA from DSS. CDPH shall have received a SNF Change of Ownership

application for Windsor Manor SNF from Purchaser that includes the executed Interim Lease and Interim Management Agreements required in **Sections 5.1.1(k)** and **5.2.2(g)**.

5.1.6 Due Diligence Review. Purchaser shall have delivered an Approval Notice pursuant to **Section 4.1.2.3**.

5.1.7 New Encumbrances. Other than new Resident Agreements entered into in the ordinary course of business by Seller, Seller shall not have encumbered or granted any interest in or to the Property or any portion thereof to any party for any reason whatsoever, include the grant or dedication of any easements, any security interest or otherwise burden the title or use of the Property or any portion thereof after the Opening of Escrow.

5.2 Seller's Conditions. Seller's obligation to sell Seller's Assets hereunder is subject to the fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Purchaser at the Closing) (the "**Seller's Closing Conditions**"), which conditions may be waived by Seller only in a writing executed by Seller:

5.2.1 Purchase Price. Purchaser shall have delivered to Escrow Agent the Purchase Price as set forth in **Section 2** above.

5.2.2 Closing Deliveries. Purchaser shall have delivered to Seller or, if applicable, to Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

- (a) The executed Assignment;
- (b) A certificate, in form and substance reasonably acceptable to Seller, of Purchaser to the effect that the representations and warranties of Purchaser set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Purchaser has complied with all covenants of Purchaser set forth herein;
- (c) A counterpart copy of the Purchaser's "Closing Statement" prepared by the Escrow Agent and approved and signed by Purchaser;
- (d) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit C** (the "**Assignment**") duly executed by Purchaser with respect to the Assumed Operating Contracts and the Resident Agreements;
- (e) Written closing instructions directed to the Escrow Agent;
- (f) Documentation, reasonably acceptable to Seller and the Title Company, confirming the authority of Purchaser to execute and deliver this Agreement and all of the documents described in this **Section 5.2.2** and to consummate the transaction contemplated hereby;
- (g) An Interim Lease, Interim Management Agreement and OTA; and

(h) Such other customary closing documents required from the purchasers of real estate in the applicable city, state and county in which the Facility is located as Seller or the Title Company may reasonably require.

5.2.3 Representations and Warranties. The representations and warranties of Purchaser contained in this Agreement shall be true, correct and complete in all material respects as of the Closing Date and Purchaser shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.2.4 Attorney General and California Department of Social Services Approval. All consents, approvals and other authorizations from the Attorney General's Office, DSS, and any other consents or approvals necessary to transfer the Assets to Purchaser, have been obtained by Seller, without the imposition of conditions unsatisfactory to Seller in its sole discretion.

5.2.5 Purchaser's Performance. Purchaser shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Purchaser to be complied with or performed under this Agreement prior to or at Closing, including Purchaser and/or its designee having obtained the Residential Care Facility for the Elderly license and Certificate of Authority per **Section 5.1.5**.

5.3 Conditions Generally. The foregoing conditions are for the benefit only of the Party for whom they are specified to be conditions precedent and such Party may, in its sole discretion, waive any or all of such conditions and proceed with the Closing under this Agreement without any increase in, abatement of or credit against the Purchase Price.

6. Closing Costs and Prorations.

6.1 Costs and Expenses. All costs and expenses associated with the Transaction shall be allocated between the Parties as follows:

6.1.1 Seller shall pay the cost of a standard coverage title insurance policy with respect to the Real Property in the amount of the Purchase Price and Purchaser shall pay the additional cost to secure extended coverage and for all endorsements, as well as the cost of the Survey and any lender's title insurance policy which Purchaser may elect to obtain.

6.1.2 Seller shall pay for the transfer taxes applicable to the sale of the Real Property.

6.1.3 Purchaser shall pay all of the costs associated with the Due Diligence Review.

6.1.4 Each of the Parties shall each pay their own legal fees and expenses.

6.1.5 Purchaser and Seller shall share on a 50-50 basis all escrow fees.

6.1.6 Seller shall pay the cost of recording the Deed and all recording fees required to remove any exceptions from title other than the Permitted Exceptions and Purchaser shall pay any other recording fees.

6.1.7 Purchaser shall pay any and all filing fees and all other costs which may be due in connection with securing the Purchaser's licenses and permits necessary to operate the Facility.

6.2 Prorations and Adjustments.

6.2.1 All of the revenues and expenses related to the ownership of the Seller's Assets and the operation of the Facility as of the Closing Date shall be prorated between Seller and Purchaser, with Seller entitled to such revenues and responsible for such expenses for the period prior to the Closing Date and with Purchaser entitled to such revenues and responsible for such expenses for the period from and after the Closing Date. For the avoidance of doubt, any market rate fees due to any resident referral/placement agencies shall be the responsibility of Seller to the extent the applicable resident commenced occupancy at the Facility at any time prior to the Closing Date and shall be the responsibility of Purchaser to the extent the applicable resident commences occupancy at the Facility at any time on or after the Closing Date. Similarly, any amounts due under the Operating Contracts relating to the Facility and Business for services rendered or goods received prior to the Closing Date, whether an Assigned Contract or not, shall be the responsibility of Seller. Further, the parties acknowledge and agree that post-Closing Seller will continue to collect certain governmental receivables for services rendered by Seller prior to Closing as set forth in Section 10.7 below and pursuant to the terms of the OTA.

6.2.2 Real and personal property taxes shall be prorated as of the Closing Date, with Seller responsible therefor for the period prior to the Closing Date and with Purchaser responsible therefor for the period from and after the Closing Date. Such proration shall be based on the most recently available tax bills and shall be subject to re-proration after Closing in accordance with the provisions of **Section 6.2.3** below.

6.2.3 Prior to Closing, Seller shall arrange for a final statement with respect to all utilities serving the Real Property and the Facility as of the Closing Date and shall pay all fees identified thereon and Purchaser shall arrange for all such utilities to be billed in its name from and after the Closing Date and shall pay all fees due therefor as of the Closing Date.

6.2.4 All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the Closing Date shall be settled within sixty (60) days after the Closing Date or, in the event the information necessary for such adjustment is not available within said sixty (60) day period, then within ten (10) Business Days of receipt of information by either Party necessary to settle the amounts subject to proration and, unless otherwise set forth herein, any payment owed shall be made within fifteen (15) days of a Party's receipt of a request for payment. In the event of a disagreement regarding any item(s) (or the amount of any item(s)) subject to proration under the terms of this Agreement, Seller and Purchaser shall negotiate in good faith to resolve any such disagreement within ten (10) Business Days after either Party articulates to the other a basis for disagreement. If the Parties are unable to resolve

such dispute within ten (10) Business Days, then the Parties shall appoint an independent accounting firm of national or regional reputation as is mutually acceptable to the Seller and Purchaser and having no current relationship with either Seller or Purchaser or any affiliate thereof (an "**Independent Accounting Firm**"), which shall review the items then subject to disagreement and determine the appropriate proration within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The determination by the Independent Accounting Firm with respect to each item in dispute shall be conclusive and binding on the Parties hereto. All fees and expenses billed by the Independent Accounting Firm in connection with the resolution of disputes under this Section shall be borne one-half by Seller and one-half by Purchaser.

6.2.5 This **Section 6** shall survive the Closing.

7. **Seller's Representations, Warranties and Covenants.** Seller does hereby warrant and represent to Purchaser solely in its capacity as the owner of the Facility and the Real Property (and not on behalf of any facility or other real or personal property owned by Seller) as follows:

7.1 **Organization and Authority.** Seller is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California. Seller has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

7.2 **Enforceability; No Conflict.** This Agreement is valid, binding and enforceable against Seller in accordance with its terms, except as such enforceability may be limited by creditors' rights laws. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under or violation of the Seller's organizational documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Seller is now a party or by which Seller or any of the assets of Seller may be bound or affected. Except with respect to the approvals provided for in **Section 5.2.4** above, with respect to Seller, no other consent, approval, order or authorization of or from, or registration, notification, declaration or filing with any Person, including without limitation, any Government Entity, is required in connection with the execution, delivery or performance of this Agreement by Seller or the consummation by Seller of the transactions contemplated herein.

7.3 **Litigation.** Except as disclosed to Purchaser on **Schedule 7.3** hereto, there is no pending or, to Seller's knowledge, threatened litigation, administrative investigation or other proceeding with respect to or affecting Seller, the Real Property, the Facility or the Business, at law or in equity. Seller is not a party to, nor is Seller or the Real Property, Facility or Business bound by, any orders, judgments, injunctions, decrees or settlement agreements under which Purchaser may have continuing obligations after the Closing Date. **Schedule 7.3** lists all ongoing actions against the Seller at law or in equity and a summary of prior ~~actions~~[legal proceedings](#) against Seller (including, without limitation, general/professional liability, employment, property

and workers' compensation ~~claims) as well as threatened claims that have not matured into litigation,~~ legal proceedings) for the prior three (3) years with the Due Diligence Materials.

7.4 Compliance with Law. Seller has received no written notice that the Facility or Business is not in compliance with applicable laws, nor is Seller aware of any condition that would reasonably be expected to give rise to such non-compliance.

7.5 The Facility. The Facility is a licensed continuing care retirement community. Seller holds the following licenses and certificates ("**Licenses**"): (i) Residential Care Facility for the Elderly license issued by DSS, (ii) a Certificate of Authority issued by DSS, and (iii) a SNF license issued by CDPH. True and correct copies of the current Licenses to operate the Facility, the form of Resident Agreements in use at the Facility (the "**Resident Agreements**") and rent roll for the Facility (the "**Rent Roll**") have been provided to Purchaser as part of the Due Diligence Review. The Rent Roll shall be updated by Seller monthly. The Licenses are in full force and effect.

7.6 Employees of the Facility; Unions. All of the employees of the Business at the Facility are the employees of Seller. None of the employees of the Business at the Facility are members of a labor union or subject to any collective bargaining agreement nor to Seller's knowledge are such employees engaged in any union organizing activities or threatened an attempt to organize or establish any labor union or employee association to represent any employees. Seller is not a party to any labor dispute or grievances with respect to the operations at the Facility. Except as disclosed to Purchaser on **Schedule 7.3** hereto, Seller has received no written notice of nor does Seller have knowledge of any non-compliance with applicable laws governing employment and employee relations, including laws relating to employment discrimination, sexual harassment, civil rights, equal pay, wages, meal and rest breaks, hours, overtime, sick leave, collective bargaining and labor relations, occupational safety and health, workers' compensation, immigration, or the withholding and payment of income, social security (FICA) or similar taxes, and any similar laws of any foreign jurisdiction. Except as disclosed to Purchaser on **Schedule 7.3** hereto, to Seller's knowledge, no action alleging a violation of any applicable employment law has been threatened. Seller hereby acknowledges that it has I-9's on file at the Facility for each of the employees of Seller. To Seller's knowledge, Seller does not have any existing workers' compensation liabilities with respect to Seller's employees that are not covered by insurance. Purchaser will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any such law or regulation relating to actions arising out of or related to any event occurring on or before the Closing Date. Seller will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any law or regulation relating to actions arising out of or related to any event occurring after the Closing Date.

7.7 Condemnation; Reassessment. Seller has not received written notice of any (a) condemnation proceeding relating to the Real Property, (b) reclassification of any or all of the Real Property for local zoning purposes, or (c) reassessment or reclassification of any or all of the Real Property for state or local real property taxation purposes. To Seller's knowledge, no such actions have been threatened.

7.8 Operating Contracts. Copies of all written operating contracts and equipment leases to which Seller is a party in connection with the ownership and/or operation of the Facility (collectively, the "**Operating Contracts**") have been provided to Purchaser as part of the Due Diligence Review. Each of the Operating Contracts is in full force and effect, none of the Operating Contracts has been modified or amended except any modifications or amendments provided to Purchaser as part of the Due Diligence Review, and, to Seller's knowledge, Seller is in compliance in all material respects with all obligations under the Operating Contracts. Seller has received no written notice that it or the Facility is in default of any obligations under the Operating Contracts.

7.9 Executive Order 13224. None of Seller or the entities or individuals that constitute Seller, or that may own or control Seller, or that may be owned or controlled by Seller (in all cases, other than through the ownership of publicly traded, direct or indirect, ownership interests) are: (i) in violation of any laws relating to terrorism or money laundering, or (ii) among the individuals or entities identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/tllsdn.pdf> or any replacement website or other replacement official publication of such list which identifies an "Specially Designated National" or "blocked person."

7.10 Tax Returns. To Seller's knowledge, all tax returns and reports required by law to be filed by Seller relating to the ownership and operation of the Business prior to Closing (collectively, "**Tax Returns**") have been or will be properly and timely filed (subject to the right to extend or delay the filing thereof) and do, or at the time of the filing thereof will, correctly reflect the tax position of Seller and all taxes due under such Tax Returns have been or will be timely objected to, disputed and/or paid. Moreover, to Seller's knowledge, (i) no liens have been filed against Seller or Seller's Assets in respect of taxes, and no waivers of statutes of limitations have been given or requested with respect to Seller; (ii) there are no pending tax audits or other proceedings with respect to Seller or Seller's Tax Returns nor has Seller been notified of any dispute or claim with respect to taxes that has not been resolved; (iii) Seller is not now a party to any tax sharing, allocation or distribution agreement; and (iv) Seller has no obligation to make (or possibly make) any payments that will be non-deductible under, or would otherwise constitute a "parachute payment" within the meaning of, Section 280G of the Code (or any corresponding provision of state, local or foreign income Tax law).

7.11 No Violations of Environmental Laws. To Seller's knowledge and except as disclosed in the Property Materials or any environmental reports obtained by Purchaser in connection with this Agreement: (a) the Property is not nor has it been under investigation for violation of any federal, state, or local law, ordinance, or regulation relating to industrial hygiene, worker health and safety, or to the environmental conditions in, at, on, under, or about the Property, including, but not limited to, soil and groundwater conditions ("**Environmental Laws**"); (b) the Property has not been subject to a deposit of any Hazardous Substance except in compliance with applicable laws; (c) Seller has not used, generated, manufactured, stored, or disposed in, at, on, or under the Property any Hazardous Substance except in compliance with applicable laws; and (d) there is not now in, on, or under the Property any underground or above ground storage tanks or surface impoundments, any asbestos containing materials, or any polychlorinated biphenyls used in hydraulic oils, electrical transformers, or other equipment. Seller hereby assigns to Purchaser

as of the Closing all claims, counterclaims, defenses, and actions, whether at common law or pursuant to any other applicable federal, state or other laws that Seller may have against any third party or parties relating to the existence or presence of any Hazardous Substance in, at, on, under, or about the Property. For purpose of this Agreement, the term "Hazardous Substance" shall be deemed to include any wastes, materials, substances, pollutants, and other matters regulated by Environmental Laws including, without limitation, per- and polyfluoroalkyl substances (PFAS).

7.12 Health Care Representations. To Seller's knowledge, Seller is not a target of, participant in, or subject to any pending or threatened action, proceeding, suit, audit, investigation or sanction by any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident which could reasonably be expected to have a material adverse effect on Seller, or the operation of the Facility. With respect to Windsor Manor SNF, Seller is certified for participation in the Medicare and Medi-Cal programs, and has current and valid provider contracts with each of such programs. Seller has no pending license revocation or suspension proceedings, outstanding or uncompleted plan of correction that remains outstanding or uncompleted beyond its stated due date, denial of payment or denial of new admission orders or directives from Medicare or Medi-Cal. Seller has no pending or outstanding allegations or orders for civil money penalties or recoupment payments from the Medicare and/or Medi-Cal programs.

7.13 Financial Statements. Each of the audited Financial Statements of the Business provided by Seller to Purchaser as part of the Due Diligence Materials has been prepared in accordance with GAAP applied on a consistent basis (except as otherwise may be indicated therein) and in accordance with the books and records of Seller. Each of the Financial Statements is complete and accurate and presents fairly in all material respects the financial position of Seller at the dates thereof and the results of operations and cash flows for the periods indicated subject, in the case of interim Financial Statements, to normal year-end adjustments and that interim financial statements do not include footnote disclosure. To Seller's knowledge, since December 31, 2019, except as required by applicable law or changes in GAAP, there has been no change in any accounting principle, procedure, or practice followed by Seller or in the method of applying any such principle, procedure, or practice.

7.14 Undisclosed Liabilities. To Seller's knowledge, Seller does not have any liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for liabilities or obligations reflected or reserved against in the Financial Statements and liabilities incurred in the ordinary course of Business since the respective dates thereof.

7.15 Absence of Certain Developments. Since January 1, 2021, the Company has conducted the Business only in the ordinary course of business, as applicable, consistent with past practice, including with regard to nature, frequency and magnitude.

7.16 Anti-Bribery.

7.16.1 Neither Seller nor any of its officers or directors, or any employee, agent, distributor or other person acting on behalf of Seller has, directly or indirectly, used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to

political activity, made any unlawful payment to foreign or domestic government officials or employees or made any bribe, rebate, payoff, influence payment, kickback or other similar unlawful payment, or taken any action which would cause them to be in violation of any Anti-Corruption or Anti-Bribery Law.

7.16.2 There is no pending or threatened claims, charges, investigations, violations, settlements, civil or criminal enforcement actions, lawsuits, or other court actions against Seller with respect to any Anti-Corruption or Anti-Bribery Law.

7.16.3 To Seller's Knowledge, there are no actions, conditions, or circumstances pertaining to the activities of Seller that would reasonably be expected to give rise to any claims, charges, investigations, violations, settlements, civil or criminal actions, lawsuits, or other court actions under any Anti-Corruption or Anti-Bribery Law.

7.17 Sufficiency and Condition of Assets. Excluding the Other Assets, Seller's Assets: (a) constitute all of the assets, tangible and intangible, of any nature whatsoever, necessary to operate the Business in the manner presently operated by Seller, and (b) include no assets other than those used in the operation of the Business. Seller has good and valid title, or a leasehold interest in, all of Seller's Assets, free and clear of all liens.

7.18 Contracts.

7.18.1 The Due Diligence Materials contain copies of the Assumed Contracts to which Seller is a party and that are related to the Business. As of the Effective Date, Seller has no knowledge of any material disputes with any existing vendors of the Facility and Seller agrees to disclose to Purchaser any material disputes with vendors arising prior to Closing.

7.18.2 To Seller's knowledge: (i) Seller is not in default under any of the Assumed Contracts; (ii) there has not occurred any event that, with the lapse of time or the giving of notice, or both, would constitute such a default; and (iii) no party to any of the Assumed Contracts other than Seller is in default under any Assumed Contract nor has any event occurred that, with the lapse of time or the giving of notice, or both, would constitute such a default by any such other party.

7.18.3 To Seller's knowledge, each Assumed Contract is in full force and effect and is valid and enforceable in accordance with its terms.

7.19 Legal Compliance; Permits and Licenses.

7.19.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with applicable laws, ordinances, rules, regulations, judgments, orders, decrees, and Permits of all Governmental Entities that are applicable to Seller, and to Seller's Knowledge, Seller is in compliance in all material respects; and (ii) to Seller's knowledge, no investigation by any Governmental Entity with respect to Seller, the operation of the Business, or the ownership or use of any of the Seller Assets is pending or threatened.

7.19.2 (i) Seller holds all material Permits required for the operation of the Business (including, without limitation, all material Permits required by any Environmental Laws), all of which are valid and in full force and effect in all material respects; and (ii) Seller has not received any notice that any Governmental Entity which has issued any such Permit intends to cancel, terminate or not renew any such Permit

7.20 Labor Matters. Seller shall provide a redacted list of all persons who are employees, independent contractors or consultants of the Business as of the date hereof in the Due Diligence Materials, including any employee who is on a leave of absence of any nature, paid or unpaid, authorized or unauthorized, and sets forth for each such individual the following: (i) title or position (including whether full-time or part-time); (ii) hire or retention date; (iii) current annual base compensation rate or contract fee; and (iv) commission, bonus or other incentive-based compensation.

7.20.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with all applicable laws and regulations respecting employment, including, without limitation, laws and regulations respecting employment practices, employment terms and conditions, wages and hours, tax withholding, immigration and collective bargaining, and is not engaged in any unfair labor practice, except as disclosed on **Schedule 7.3**; (ii) except as disclosed to Purchaser on **Schedule 7.3** hereto, there is no pending or, to Seller's knowledge, threatened charge, complaint, or grievance against Seller related to any employment law or regulation; (iii) there is no labor strike, material dispute, slowdown or stoppage actually pending or, to Seller's knowledge, threatened against or involving Seller; and (iv) to Seller's knowledge, there is no threat of unionization involving Seller or any of its employees.

7.20.2 To Seller's knowledge, Seller is not delinquent in payments to any of their employees or independent contractors for any wages, salaries, commissions, bonuses, or other direct compensation for any services performed by them to date or amounts required to be reimbursed to such employees or independent contractors.

7.21 Employee Benefit Plans.

7.21.1 Employee Benefit Plans. **Schedule 7.21.1** sets forth a complete list of all material employee retirement, welfare, bonus, incentive, deferred compensation, vacation, equity, severance, employment, change of control, and/or fringe benefit plans, programs, policies, practices, and/or other arrangements: (i) covering any current employee, officer or director of Seller or any ERISA Affiliate; (ii) that are sponsored or maintained by Seller or any ERISA Affiliate; or (iii) with respect to which either Seller or any ERISA Affiliate has any current or potential liability (each, a "**Plan**").

7.21.2 Administration and Compliance of the Plans. With respect to each Plan, to Seller's knowledge:

7.21.2.1 all required, declared or discretionary (in accordance with historical practices) payments, premiums, contributions, reimbursements or accruals for all periods ending prior to or as of the Closing Date have been made or properly accrued on the latest balance

sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller;

7.21.2.2 there is no unfunded liability relating to any Plan which is not reflected on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller; and

7.21.2.3 there have been no violations of applicable laws with respect thereto; neither Seller nor any of its agents or delegates has any liability for breach of fiduciary duty or any other failure to act or comply in connection with the administration or investment of the assets thereof; no Plan has engaged in or been a party to a "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975(c) of the Code) without an exemption applying thereto; no Proceeding with respect to the administration or the investment of the assets thereof (other than routine claims for benefits) for which Seller or any ERISA Affiliate could have any liability is pending or threatened, and Seller does not have any knowledge of any basis for any a Proceeding with respect to any Plan.

7.22 Certain Fees and Liabilities. Seller has not paid or is obligated to pay any fee or commission to any broker, finder, or intermediary in connection with the transactions contemplated by this Agreement.

7.23 For purposes of this Agreement, "Health Care Authority/ies" shall mean any Governmental Entity or quasi-Governmental Entity or any agency, intermediary, board, authority or entity with lawful jurisdiction over Seller and concerned with the ownership, operation, use or occupancy of the Facility as a licensed continuing care retirement community.

Upon Purchaser becoming aware (whether by notice from Seller or otherwise) of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, the provisions of **Section 11** shall apply. For purposes of this **Section 7**, "Seller's knowledge" or similar phrase means: the current actual knowledge of Dan Ogus without a duty of investigation or inquiry, and nothing in this Agreement shall be deemed to create or impose any personal liability of any kind whatsoever on such party. Seller represents and warrants that Dan Ogus is the person most knowledgeable about the subject matter contained in each representation and warranty provided in such manner. Further, the parties acknowledge and agree that the representations and warranties made by Seller herein relate only to the Facility and Business being purchased by Purchaser and specifically exclude the Other Assets.

8. **Purchaser's Representations and Warranties.** Purchaser represents and warrants as follows:

8.1 Organization and Authority. Purchaser is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California, and is recognized by the Internal Revenue Service as an organization described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Purchaser has full power

and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

8.2 Enforceability; No Conflict. This Agreement is valid, binding and enforceable against Purchaser in accordance with its terms except as such enforceability may be limited by creditors' rights laws and general principles of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under, or a violation of, Purchaser's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Purchaser is now a party or by which any of the assets of Purchaser are bound or affected.

8.3 Litigation. The right or ability of Purchaser to consummate the Transaction contemplated herein has not been challenged by any governmental agency or any other person and Purchaser has no knowledge of the occurrence of any event which would provide a reasonable basis for any such litigation, investigation or other proceeding.

8.4 Financing. Purchaser has access to the funds required to pay the Purchase Price and other costs for which Purchaser is responsible under this Agreement. Accordingly, as a material inducement to Seller's willingness to enter into this Agreement with Purchaser, Purchaser represents, warrants, acknowledges and agrees that arranging financing shall not be a condition to the Purchaser's ability to consummate the Transaction provided for herein.

8.5 AS IS. IT IS UNDERSTOOD AND AGREED THAT EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) SELLER'S ASSETS ARE BEING SOLD BY SELLER AND PURCHASED AND ACCEPTED BY PURCHASER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION WHICH MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE UPON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON BEHALF OF SELLER EXCEPT THOSE REPRESENTATIONS, WARRANTIES AND AGREEMENTS SPECIFICALLY SET FORTH IN THIS AGREEMENT; (B) PURCHASER IS BEING GIVEN THE OPPORTUNITY TO THOROUGHLY INSPECT AND EXAMINE SELLER'S ASSETS TO THE EXTENT DEEMED NECESSARY BY PURCHASER IN ORDER TO ENABLE PURCHASER TO EVALUATE THE PURCHASE OF THE SELLER'S ASSETS ON THE FOREGOING BASIS; AND (C) PURCHASER IS RELYING SOLELY UPON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF SELLER'S ASSETS BY PURCHASER IN PURCHASING THE SELLER'S ASSETS ON AN "AS IS", "WHERE IS" AND "WITH ALL FAULTS" BASIS, WITHOUT REPRESENTATION, WARRANTY, AGREEMENT OR STATEMENT BY SELLER OR ANYONE ACTING ON BEHALF OF SELLER, EXPRESS OR IMPLIED, OF ANY KIND OR NATURE, EXCEPT AS MAY BE SET FORTH IN THIS AGREEMENT. SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER REGARDING ANY INTELLECTUAL PROPERTY RIGHTS. SELLER EXPRESSLY DISCLAIMS, WHICH PURCHASER HEREBY ACKNOWLEDGES AND ACCEPTS, ANY IMPLIED WARRANTY OF CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. **Pre-Closing Covenants/Risk of Loss.**

9.1 **Conduct Pending Closing.** Between the Execution Date and the Closing Date, Seller covenants as follows:

9.1.1 Seller will operate the Facility and Business in the ordinary course of business, in compliance with all applicable law, including, but not limited to, the rules and regulations of any Health Care Authority, and, unless consented to by Purchaser, will not sell or dispose of any of the Seller's Assets or enter into any contract, commitment or agreement affecting Seller's Assets except in the ordinary course of business, including, but not limited to, any Resident Agreement which deviates in any material respect from the form of Resident Agreement provided to Purchaser under the term of this Agreement.

9.1.2 From time to time between the Execution Date and the Closing Date, Seller will provide to Purchaser such information as Purchaser may reasonably require in order to allow Purchaser to secure the New Licenses (as defined below).

9.1.3 Seller will cooperate in Purchaser's efforts to conduct the Due Diligence Review including, but not limited to, providing Purchaser and its agents and employees with access to the Facility and to the books and records of the Facility; *provided, however*, that such access and inspection shall be on no less than 48 hours' prior notice (or if longer, the notice required under applicable law, including, without limitation, residential landlord tenant law) and during normal business hours at such time and in such manner as the Parties shall reasonably agree upon. Notwithstanding the above, access to the Facility may be limited during the current COVID pandemic based on the regulation, guidelines or recommendations of the any Health Care Authority, State of California and other state or federal regulatory agencies.

9.1.4 Seller will maintain in force the existing hazard and liability insurance policies, or comparable coverage, for Seller's Assets.

9.1.5 Seller will maintain Seller's Assets in substantially the same condition as they are in as of the Execution Date, ordinary wear and tear excepted.

9.1.6 Seller shall maintain the Inventory consistent with Seller's past practices and in compliance with applicable laws, and will replenish the same consistent with Seller's past practices.

9.1.7 Unless this Agreement is terminated in accordance with the terms hereof, Seller shall not market the Seller's Assets or negotiate with any third party with respect to the sale of Seller's Assets or the equity interests in Seller.

9.2 **Risk of Loss**

9.2.1 **Condemnation.** If, prior to any Closing, all or any material portion of the Property is taken by condemnation or eminent domain (or is the subject of a pending or contemplated taking which has not been consummated), Seller shall immediately notify Purchaser in writing of such fact. In such event, Purchaser shall have the option to terminate this Agreement

upon written notice to Seller given within ten (10) Business Days after receipt of such notice from Seller, in which event the Deposit shall be returned to Purchaser. Notwithstanding the foregoing, Purchaser's failure to provide written notice of Purchaser's election to terminate within such ten (10) Business Day period shall be deemed Purchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, Purchaser shall have the right to participate in any proceedings and negotiations with respect to the taking and any transfer in lieu of taking (and Seller shall not consummate any transfer in lieu of taking without Purchaser's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed). If Purchaser waives the right to terminate this Agreement and elects to proceed with the Closing, then (a) Seller, at, and as a condition precedent to Purchaser's obligation to proceed with, the Closing, must: (i) pay to Purchaser (or direct Escrow Agent to credit Purchaser against the Purchase Price for) the amount of any awards for the taking (and any consideration for any transfer in lieu of taking) actually received by Seller; and (ii) assign to Purchaser by written instrument reasonably satisfactory to Purchaser all rights or claims to any future awards for the taking (and any consideration for any transfer in lieu of taking); and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement.

9.2.2 Casualty. If, at any time after the Effective Date and prior to Closing or earlier termination of this Agreement, the Property or any portion thereof is materially damaged or destroyed by fire or any other casualty (as used herein, "material" shall mean a casualty which would cost more than \$50,000 to repair or cure), Seller shall immediately notify Purchaser in writing of such fact. In the event of a material casualty, Purchaser shall have the option to terminate this Agreement upon written notice to Seller given within ten (10) Business Days after receipt of any such notice from Seller, in which event the Deposit shall be returned to Purchaser. Notwithstanding the foregoing, Purchaser's failure to provide written notice of Purchaser's election to terminate within such ten (10) Business Day period shall be deemed Purchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, Purchaser shall have the right to participate in any adjustment of the insurance claim. If Purchaser waives the right to terminate this Agreement and elects to proceed with the Closing, or in the event of a non-material casualty, then (a) Seller, at, and as a condition precedent to Purchaser's obligation to proceed with, the Closing, must agree with Purchaser to either: (i) pay to Purchaser (or direct Escrow Agent to credit Purchaser against the Purchase Price for) the amount of any insurance proceeds actually received by Seller plus the amount of any deductible under Seller's insurance; (ii) if no insurance proceeds have been received by Seller, assign to Purchaser by written instrument reasonably satisfactory to Purchaser all rights or claims to the insurance proceeds and credit Purchaser against the Purchase Price for any deductible payable under Seller's insurance policy; or (iii) have Seller repair the Property to the reasonable satisfaction of ~~Purchaser~~ and/or ~~(iv) agree to a reduction in the Purchase Price;~~ Purchaser and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement. In the event of a non-material casualty, the Closing Date may be extended to the date that is five (5) business days after the date Seller has completed to Purchaser's reasonable satisfaction any repairs to the Facility necessitated by the casualty.

10. Operations Transfer Provisions.

10.1 Licenses. On or prior to the expiration of the Due Diligence Period and concurrent with Seller's delivery of the Approval Notice, Purchaser shall submit a change of ownership application ("**CHOW**") with DSS pursuant to which Purchaser will obtain a new **RCFE License** to operate the Residential Care Facility for the Elderly portion of the Facility. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit an application for a new certificate of Authority with DSS pursuant to which Purchaser will obtain a new COA to enter into continuing care contracts with residents of the Facility and operate the Facility as a continuing care retirement community. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a SNF license application ("**SNF Application**") with CDPH pursuant to which Purchaser will obtain a new SNF license ("**SNF License**") to operate the Windsor Manor SNF portion of the Facility. The parties acknowledge that Purchaser must obtain the RCFE License and COA on the Closing date. Following the submission of the applications for the RCFE License, COA and SNF License, Purchaser will take and/or cause its designee to take such actions as are necessary to obtain the RCFE License, COA and SNF License in a timely manner, including, without limitation, submitting any missing information required for Purchaser's licensing applications reasonably promptly following receipt thereof by Purchaser. Purchaser shall notify the Seller promptly following its submission of the license applications and shall keep Seller reasonably informed as to the status of the license applications, including without limitation, informing Seller of any material communications with DSS and/or CDPH as to the timing of the issuance of the RCFE License, COA and SNF License.

10.2 Interim Lease and Management Agreements. Seller and Purchaser acknowledge that Purchaser will be unable to obtain the SNF License on the Closing Date and that the Parties will need to enter into an interim arrangement to allow the continued operation of the Windsor Manor SNF under Seller's SNF License until the Purchaser's SNF License is issued. The Parties shall enter into an Interim Lease ("**Interim Lease**"), Interim Management Agreement ("**Interim Management Agreement**"), and SNF operations transfer agreement ("**OTA**") to be negotiated and agreed upon in good faith during the Due Diligence Period. If the parties cannot agree on a form of OTA, Interim Lease and/or Interim Management Agreement prior to the expiration of the Due Diligence Period, either party may terminate this Agreement upon written notice to the other in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

10.3 Notices. Seller is required to provide one hundred and twenty (120) days' written notice to DSS of the Transaction and to Seller's RCFE residents at least thirty (30) days prior to Closing (the "**CHOW Notice**") and to Seller's SNF residents at least ninety (90) days prior to Closing. Seller is also required to provide written notice to CDPH of the Transaction. Purchaser and Seller shall jointly approve the notices set forth in this Section.

10.4 CHOMs. On or prior to the expiration of the Due Diligence Period, if mutually agreed to by Seller and Purchaser, Purchaser shall submit change of manager applications to DSS with respect to the RCFE License and COA, and CDPH with respect to the SNF License pursuant to which Purchaser will become the manager of the Facility as approved by DSS and CDPH. During the Due Diligence Period, if the parties mutually agree that Purchaser will submit change of manager applications, the parties will agree upon a mutually agreeable form of management agreement pursuant to which Purchaser will manage the Facility prior to Closing.

10.5 Employees.

10.5.1 At the Closing Date, Seller shall terminate all of the employees of the Facility and shall pay to them any wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before the Closing Date and Seller shall help Purchaser facilitate the employee interviews. In accordance with Cal H & S Code Section 1267.62, at least ten (10) days preceding the Closing Date, except for the Retained Employees, Purchaser shall provide written offers of employment, as of the Closing Date, to all of the skilled nursing employees of the Facility for a 60-day transition period in the employee's primary language or another language in which the employee is literate conditioned only on the occurrence of the Closing Date (the "**SNF Employees**"). The offer to the SNF Employees shall state the time within which the employee shall accept the offer, but that time period may not be fewer than ten (10) days. During the 60-day transition period, Purchaser shall not discharge without cause any SNF Employee that accepts Purchaser's offer of employment ("**SNF Hired Employees**") pursuant to this **Section 10.5.1**. Cause shall be based only on the performance or conduct of the particular SNF Hired Employee. During the 60-day transition period, a SNF Hired Employee shall not suffer any reduction in wages, benefits, or other terms and conditions of employment, economic or otherwise, as a result of the transfer or change of ownership.

10.5.2 In addition to the Purchaser's hiring of all SNF Hired Employees pursuant to **Section 10.5.1**, in order to insure that the transaction does not trigger any notice obligations under the California WARN Act, at least ten (10) days preceding the Closing Date, Purchaser shall offer to employ as of the Closing Date a total number of the remaining employees of the Facility conditioned only on the occurrence of the Closing Date (the "**Hired RCFE Employees**") such that there does not result in a total loss of employment during any 30-day period of fifty (50) or more employees – in other words the total number of employees that the Purchaser does not offer employment cannot exceed forty-nine (49) employees. The parties hereto agree that, notwithstanding anything to the contrary contained in this Agreement, Purchaser shall hire that number or percentage of employees and upon such terms so as to avoid applicability of the Worker Adjustment Retraining and Notification Act and any other applicable laws or regulations requiring notice prior to plant or facility closings or a mass layoff, due to the transaction contemplated hereby and by this Agreement. Purchaser acknowledges and agrees that Seller is relying on Purchaser's agreement as set forth in this **Section 10.5** in not giving notice to the employees of the Facility of the Transaction provided for herein under the provisions of the WARN.

10.5.3 [As of the Closing](#), Seller shall deliver to Purchaser the file for all employees hired by Purchaser in Seller's possession, including but not limited to training records, licenses and certifications, criminal background check results, and other required documents. Seller shall have satisfied its obligations under this **Section 10.5.2** as long as all of such employee records are present at the Facility on the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.5.4 Salaries and Benefits.

10.5.4.1 Seller shall be responsible for: (A) the payment of all wages and other remuneration due to Seller's employees for their services as employees of Seller through the conclusion of Hired Employees' employment with Seller, including pro rata bonus and commission payments and all vacation, paid time off and sick leave pay obligations to the extent accrued prior to the Closing Date and required by applicable law; and (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of COBRA and Sections 601 through 608 of ERISA.

10.5.4.2 Seller shall be liable for any claims made or incurred by Hired Employees and/or their beneficiaries through the Closing Date, including, but not limited to, claims made under any law or under the Plans, and Seller agrees to defend, indemnify and to hold Purchaser harmless from any costs, losses, damages, liabilities, claims and obligations incurred related thereto, including attorneys' fees. For purposes of the immediately preceding sentence, a claim will be deemed incurred when the conduct that is the subject of the claim occurs or when services that are the subject of the claim are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

10.5.4.3 No Transfer of Assets. Seller will not make any transfer of pension or other employee benefit plan assets to Purchaser.

10.5.4.4 General Employee Provisions.

10.5.4.4.1 Seller shall provide Purchaser with completed I-9 forms and attachments with respect to all Hired Employees, except for such employees as Seller certify in writing to Purchaser are exempt from such requirement.

10.5.4.4.2 Purchaser shall not have any responsibility, liability or obligation arising prior to Closing (based on conduct of Seller occurring prior to Closing ~~or otherwise~~), whether to Hired Employees, former employees, their beneficiaries or to any other Person, with respect to any employee benefit plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA coverage extension) maintained by Seller.

10.5.5 To the extent permitted by applicable law, Seller shall deliver to Purchaser the full and complete employment file for all current employees in Seller's possession, including, but not limited to, training records, licenses and certifications, criminal background check results, performance reviews, and other required documents, in connection with Purchaser's review and investigation of prospective employment of Seller's employees. Seller shall have satisfied its obligations under this **Section 10.5.4** as long as all of such employee records are present at the Facility as of the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.6 Bulk Sales Laws. The parties hereby waive compliance with the provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Seller's Assets to Purchaser; it being understood that any

liabilities arising out of the failure of Seller to comply with the requirements and provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction which would not otherwise constitute Assumed Liabilities shall be treated as Excluded Liabilities.

10.7 Accounts Receivable.

10.7.1 Within ten (10) days prior to the Closing Date, Seller shall provide Purchaser with a detailed listing of Seller's accounts receivable which arose from the provision of goods or services prior to the Closing Date and are anticipated to be outstanding on the Closing Date (the "**Pre-Closing AR Schedule**"), and Seller shall provide Purchaser with an update to such schedule as of the Closing Date as soon as possible post-Closing.

10.7.2 Except as set forth in the OTA between Seller and Purchaser, from and after the Closing Date, Purchaser, or its management agent shall assume responsibility for the billing for and collection of payments on account of services rendered or goods sold by Purchaser on and after the Closing Date and Seller shall retain all right, title and interest in and to and all responsibility for the collection of its accounts receivable for services rendered or goods sold prior to the Closing Date.

10.7.3 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services prior to the Closing Date, they shall either be retained by Seller if received by Seller, or if they have been received by Purchaser, they shall be remitted to Seller, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.4 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services from and after the Closing Date, they shall either be retained by Purchaser if received by Purchaser, or if they have been received by Seller, they shall be remitted to Purchaser, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.5 Except as set forth in the OTA, if any payments are received by Purchaser after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to then current amounts owed the Purchaser to reduce post-Closing Date balances and Purchaser shall remit to Seller any excess up to the amount due Seller for pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) within five (5) Business Days after receipt.

10.7.6 Except as set forth in the OTA, if any payments are received by Seller after the Closing Date from residents with balances due for the periods both prior to and after the

Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) and Seller shall remit the excess, if any, to Purchaser to reduce any post-Closing Date balances within five (5) Business Days after receipt.

10.7.7 Seller shall have the right during normal business hours and on reasonable notice to Purchaser to inspect Purchaser's books and records with respect to the accounts receivable received by it after the Closing Date from residents with balances due as of the Closing Date.

10.8 Access to Records.

10.8.1 From and after the Closing Date and, except as otherwise specifically provided below, for a period of seven (7) years thereafter, each party hereto agrees to give the other (and their agents and representatives) reasonable access to (upon reasonable prior written notice and during normal business hours), and to make copies of (at the requesting party's expense), the books and records and supporting material of the Facility which are in said party's possession, to the extent reasonably necessary to enable said party to among other things investigate and defend malpractice, employee or other claims and to file or defend cost reports and tax returns.

10.8.2 Seller shall have the right, at its sole cost and expense, within three (3) days of the delivery of a request therefor to Purchaser to enter the Facility and remove originals or copies of any of the records delivered to Purchaser for purposes of litigation involving a resident or employee to whom such record relates. If an officer of or counsel for Seller certifies that an original of such record must be produced in order to comply with applicable law or the order of a court of competent jurisdiction in connection with such litigation then the records so removed shall be an original. Any record so removed shall promptly be returned to Purchaser following its use, and nothing herein shall be interpreted to prohibit Purchaser from retaining copies of any such documents. All cost of making such copies shall be for the account of Seller. Upon request of Seller, Purchaser shall cooperate with such requests and shall make its employees available to comply with such requests and assist in responding to such litigation requests provided that their availability is requested during normal business hours and does not interfere with the performance of their duties for Purchaser. In the event such use of Purchaser's employees to assist Seller is more than de minimis, Seller shall pay Purchaser's costs for the employee time spent assisting Seller.

10.9 Operating Contracts. Purchaser shall review the Operating Contracts and inform Seller during the Due Diligence Period which of such Operating Contracts Purchaser desires to assume effective as of the Closing Date (the "**Designated Operating Contracts**"). Further, the parties hereby acknowledge and agree that notwithstanding any provision to the contrary herein, no national Operating Contracts will be assigned by Seller to Purchaser at Closing. Seller shall use commercially reasonable efforts to obtain any third party consents required in connection with the assignment to Purchaser of the Designated Operating Contracts, it being understood and agreed that (i) if a Designated Operating Contract requires consent of the counterparty to be assigned to Purchaser, such Designated Operating Contract shall not be assigned unless and until the requisite

consent is received and (ii) if any principal or affiliate of Seller has guaranteed the obligations of Seller under any Designated Operating Contract, the same shall not be assigned to Purchaser unless and until the guarantor has been released from his/her/its guaranteed obligations effective from and after the Closing Date. Effective as of the Closing Date, the Designated Operating Contracts that may be assigned hereunder shall be referred to herein as the "Assumed Operating Contracts." At Closing, subject to **Section 5.1.1(I)**, (i) Seller shall assign the Assumed Operating Contracts to Purchaser pursuant to the Assignment, and (ii) terminate any Operating Contracts which are not Assumed Operating Contracts hereunder. In either case, Seller shall be responsible to pay balances owed under all Operating Contracts for good ordered and services provided prior to the Closing Date.

10.10 Benevolent Residents. The parties acknowledge that presently there are two (2) continuing care residents ("**Benevolent Residents**") at the Facility who are no longer paying a portion of their care costs due under their Resident Agreements. Seller agrees to subsidize all care costs associated with the Benevolent Residents and those additional residents who may apply for benevolence prior to the Closing Date that are not covered by Medi-Cal post-Closing until such time as the Benevolent Residents are no longer residents at the Facility. Seller shall provide the names of the Benevolent Residents to Purchaser ~~during the Due Diligence Period~~ at Closing. After Closing and on a monthly basis, Purchaser shall provide to Seller an accounting of any care costs due from Seller for the Benevolent Residents, and Seller shall pay any undisputed costs within ten (10) business days of Purchaser's request therefor. If Seller contests any of the costs due to Purchaser for the Benevolent Residents, Seller and Purchaser shall use good faith efforts to resolve any such dispute for a period of thirty (30) days thereafter, and if the parties are unable to resolve the dispute, either party shall have the right to submit the dispute to mediation for resolution before Judicial Arbitration and Mediation Service in Los Angeles, California. Purchaser shall be solely responsible for all costs and expenses associated with any residents who apply for benevolence after Closing.

11. Termination and Remedies.

11.1 Termination. This Agreement may be terminated as follows:

11.1.1 By mutual written agreement of Purchaser and Seller;

11.1.2 By Seller, if any of the conditions set forth in **Section 5.2** are not fulfilled on the Closing Date, unless resulting from a material breach by Seller of its obligations hereunder, and the same shall not have been waived in writing by Seller;

11.1.3 By Purchaser, if any of the conditions set forth in **Section 5.1** are not fulfilled on the Closing Date, unless resulting from a material breach by Purchaser of its obligations hereunder, and the same shall not have been waived in writing by Purchaser; provided that if Purchaser becomes aware of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller; provided Purchaser shall elect any such termination right, if at all, within five (5) Business Days after Purchaser becomes aware of such matter;

11.1.4 By Seller in the event of a material default by Purchaser of its obligations hereunder or by Purchaser in the event of a material default by Seller of its obligations hereunder; or

11.1.5 By Purchaser pursuant to **Section 9.2** (Damage or Condemnation).

11.2 Opportunity to Cure. No Party to this Agreement may claim termination or pursue any other remedy referred to in this Section on account of a breach of a condition, covenant or warranty by the other Party, without first giving the other Party written notice of such breach and not less than ten (10) days within which to cure such breach. The Closing Date shall be postponed for up to ten (10) days if necessary to afford such opportunity to cure.

11.3 Seller's Remedies Upon Termination. In the event Seller has the right to terminate this Agreement under **Section 11.1.2** because a condition of closing has not been met (rather than because of a material default by Purchaser), then Escrow shall return the Deposit to the Purchaser and escrow shall be cancelled. In the event Seller has the right to terminate this Agreement under **Section 11.1.4** because of a material default by Purchaser, Purchaser and Seller acknowledge and agree as follows:

SELLER SHALL BE ENTITLED TO TERMINATE THIS AGREEMENT AND TO RETAIN THE DEPOSIT AND ANY INTEREST ACCRUED THEREON AS SELLER'S SOLE AND EXCLUSIVE REMEDY AND ALL ACCRUED INTEREST THEREON AS LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGING AND AGREEING THAT THE AMOUNT OF DAMAGES WHICH SELLER MAY INCUR AS A RESULT OF SUCH TERMINATION MAY BE DIFFICULT TO ASCERTAIN AND THAT THE DEPOSIT (OR SO MUCH THEREOF AS MAY, AT THE TIME OF TERMINATION, HAVE BEEN DELIVERED BY PURCHASER TO ESCROW AGENT IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT) IS A REASONABLE AND FAIR ESTIMATE THEREOF, AFTER WHICH THE PARTIES SHALL HAVE NO FURTHER RIGHTS OR OBLIGATIONS HEREUNDER OTHER THAN THOSE RIGHTS AND OBLIGATIONS, IF ANY, WHICH SPECIFICALLY SURVIVE TERMINATION OF THIS AGREEMENT.

11.4 Purchaser's Remedies Upon Termination. In the event Purchaser has the right to terminate this Agreement under **Section 11.1.3** because a condition of closing has not been met (rather than because of a material default by Seller), then Purchaser shall have the right either to (i) waive the condition at issue and proceed with the Transaction on the terms contemplated herein, or (ii) terminate this Agreement and secure the return of the Deposit and any accrued interest thereon. In the event Purchaser has the right to terminate this Agreement under **Sections 11.1.5** because a because of a material default by Seller, Purchaser and Seller acknowledge and agree that Purchaser's sole and exclusive remedy shall be:

11.4.1 TO TERMINATE THIS AGREEMENT UPON DELIVERY OF WRITTEN NOTICE TO THE SELLER AND ESCROW AGENT (IN WHICH CASE, EXCEPT AS OTHERWISE SET FORTH HEREIN AS EXPRESSLY SURVIVING A TERMINATION OF THIS AGREEMENT AND THE PARTIES' DUTIES UNDER THIS SECTION, THE

RESPECTIVE RIGHTS, DUTIES AND OBLIGATIONS OF PURCHASER AND SELLER UNDER THIS AGREEMENT SHALL FORTHWITH TERMINATE WITHOUT FURTHER LIABILITY) AND RECOVER THE DEPOSIT AND BE REIMBURSED FOR PURCHASER'S DOCUMENTED OUT-OF-POCKET EXPENSES INCURRED BY PURCHASER IN CONNECTION WITH THIS AGREEMENT OR ITS INVESTIGATION OF THE PROPERTY (SUCH AMOUNT NOT TO EXCEED \$150,000). SELLER SHALL PAY ANY CANCELLATION CHARGES DUE TO ESCROW AGENT AND THE TITLE COMPANY. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES AND PURCHASER HEREBY WAIVES ANY AND ALL RIGHT TO PURSUE SUCH DAMAGES; OR

11.4.2 PURCHASER MAY INSTITUTE AN ACTION (WITHOUT THE NECESSITY OF PROVING IRREPARABLE HARM OR POSTING SECURITY) (A "SPECIFIC PERFORMANCE ACTION") SEEKING SPECIFIC PERFORMANCE OF SELLER'S OBLIGATIONS UNDER THIS AGREEMENT ~~AND RECORD AND MAINTAIN AGAINST THE PROPERTY A NOTICE OF LIS PENDENS IN ACCORDANCE WITH APPLICABLE LAW~~ SO LONG AS PURCHASER SHALL HAVE FILED THE SPECIFIC PERFORMANCE ACTION WITHIN SIXTY (60) DAYS OF THE DATE THE CLOSING WAS TO HAVE OCCURRED. ~~NOTWITHSTANDING THE FOREGOING, IF SPECIFIC PERFORMANCE IS NOT AVAILABLE TO BUYER DUE TO THE INTENTIONAL ACTIONS OF THE SELLER OR ANY PARTY ACTING ON BEHALF OF OR WITH AUTHORITY OF THE SELLER THEN BUYER MAY SEEK ANY REMEDIES AVAILABLE AT LAW OR IN EQUITY AND TO RECOVER ITS ACTUAL, OUT OF POCKET DAMAGES FROM SELLER EXERCISING ALL AVAILABLE REMEDIES.~~ PURCHASER IS EXPRESSLY PROHIBITED FROM RECORDING A NOTICE OF LIS PENDENS AGAINST THE PROPERTY.

IF PURCHASER RECOVERS LIQUIDATED DAMAGES IN ACCORDANCE WITH SECTION 12.1(a), SUCH AMOUNTS SHALL BE DEEMED TO CONSTITUTE A REASONABLE ESTIMATE OF PURCHASER'S DAMAGES UNDER THE PROVISIONS OF SECTION 1671 OF THE CALIFORNIA CIVIL CODE AND SHALL CONSTITUTE PURCHASER'S SOLE AND EXCLUSIVE REMEDIES FOR SELLER'S FAILURE TO CLOSE ESCROW.

THE FOREGOING SHALL NOT LIMIT PURCHASER'S RIGHTS OR REMEDIES (WHETHER ARISING AT LAW OR IN EQUITY) TO RECEIVE REIMBURSEMENT FOR ATTORNEYS' FEES AND COSTS IN ACCORDANCE WITH THIS AGREEMENT OR FOR ANY CLAIMS RELATING TO SELLER'S WILLFUL MISCONDUCT OR FRAUD, NOR WAIVE OR AFFECT PURCHASER'S RIGHTS AND SELLER'S OBLIGATIONS UNDER ANY SECTION HEREIN WHICH STATES THAT AN OBLIGATION ON THE PART OF SELLER SURVIVES THE CLOSING OR THAT SELLER SHALL INDEMNIFY AND/OR DEFEND PURCHASER.

BY INITIALING BELOW, THE PARTIES ACKNOWLEDGE AND AGREE THAT BASED UPON THE CIRCUMSTANCES NOW EXISTING, KNOWN OR UNKNOWN, IT WOULD BE EXTREMELY DIFFICULT, COSTLY AND IMPRACTICAL TO ESTABLISH

DAMAGES FOR EITHER PARTY. ACCORDINGLY, BOTH PURCHASER AND SELLER, BY THEIR RESPECTIVE INITIALS SET FORTH BELOW, DO HEREBY ACKNOWLEDGE AND AGREE THAT TERMS SET FORTH IN THIS SECTION 11.4 ARE NEGOTIATED AND REASONABLE.

11.5 Other Termination Provisions. In the event this Agreement is terminated pursuant to **Sections 11.1.1** (mutual agreement) or **Section 11.1.5** (damage or condemnation), then the Deposit and any accrued interest thereon shall immediately be refunded and returned to Purchaser.

11.6 Post-Termination. Following the conveyance of the amounts due to the appropriate Party under this **Section 11**, neither Party shall have any further rights or obligations hereunder other than those rights and obligations, if any, which specifically survive termination of this Agreement.

12. Notices. All notices, demands or other communications given hereunder shall be in writing and shall be given by (a) messenger or overnight express delivery service, (b) certified mail return receipt requested, postage prepaid, at a post office maintained by the United States Postal Service, or (c) by electronic transmission with confirmed receipt, addressed as follows:

Any notice sent in accordance with the provisions of this **Section 12**, shall be deemed received upon the actual receipt or refusal of receipt thereof regardless of the method of delivery used. Any Party may, by notice given as aforesaid, change the address or addresses, or designate an additional address or additional addresses, for its notices, provided, however, that no notice of a change of address shall be effective until actual receipt of such notice. Each Party covenants and agrees that simultaneously with sending any notice pursuant to this **Section 12** it will use reasonable good faith efforts to send a copy of such notice to the addressee thereof by email, at the email address set forth above or such other email address as a Party may designate in writing given to the other parties pursuant to this **Section 12**; provided that in no event shall any notice sent by email be effective as a notice under this Agreement unless receipt is confirmed, and the failure of any Party to deliver any notice pursuant to email shall not affect the validity of any notice that is sent pursuant to this **Section 12**.

13. **Indemnities.**

13.1 **By Seller to Purchaser.** From and after the Closing Date, Seller shall indemnify, defend and hold Purchaser harmless from and against any and all costs, losses, damages, liabilities, claims and obligations, including, but not limited to, reasonable attorneys' fees (the "**Losses**") arising from or related to: (a) the ownership and operation of the Seller's Assets prior to the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Purchaser, the designee of Purchaser to operate the Facility, or any affiliate of Purchaser; and (b) any material misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part of Seller under this Agreement.

13.2 **By Purchaser to Seller.** From and after the Closing Date, Purchaser shall indemnify, defend and hold Seller harmless from and against any and all Losses arising from or related to: (a) the ownership and operation of the Seller's Assets from and after the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Seller or any affiliate of Seller; (b) any misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part on the part of Purchaser under this Agreement; and (c) against any and all Losses which Seller may incur as a result of physical damage or injury to any person or property as a result of the acts or omissions of Purchaser or its agents or employees while performing the Due Diligence Investigation with respect to the Seller's Assets.

13.3 **Method of Indemnification.**

13.3.1 In the event that any claim for Losses (a "**Claim**") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "**Indemnitee**") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "**Indemnitor**") in writing of Indemnitee's Claim and shall endeavor to do so reasonably promptly after becoming aware of the same; provided, however, that unless the Indemnitee's failure to timely notify the Indemnitor of Indemnitee's Claim materially prejudices Indemnitor's ability to defend any such Claim as more particularly set forth below, Indemnitee's failure to timely notify Indemnitor of Indemnitee's Claim shall not impair,

void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect subject to the applicable terms hereof. If the Indemnitee fails to provide timely notice of Indemnitee's Claim, the Indemnitor will not be obligated to indemnify the Indemnitee with respect to such Claim to the extent (and only to the extent) that the Indemnitor's ability to defend such Claim has been materially prejudiced by such failure of the Indemnitee to timely notify Indemnitor of the same.

13.3.2 If the applicable Indemnitee Claim relates to a Claim made by a third party against Indemnitee, then the Indemnitor at its sole cost and expense shall defend, with counsel reasonably satisfactory to the Indemnitee, such Claim by all appropriate proceedings, which proceedings will be diligently prosecuted to a final conclusion or will be settled at the discretion of the Indemnitor (with the consent of the Indemnitee, which shall not be unreasonably withheld and which shall be deemed to be provided if such settlement provides a release to the Indemnitee without the payment of any amount or the taking of any action or admission of liability by the Indemnitee). The Indemnitee will cooperate in such defense at the sole cost and expense of the Indemnitor. Notwithstanding the foregoing, if the named parties to any proceeding include both the Indemnitee and the Indemnitor and, in the reasonable opinion of counsel to the Indemnitee, representation of both parties by the same counsel would be in conflict or otherwise inappropriate due to actual or potential differing interests between them, then the Indemnitee shall be entitled to retain separate counsel for the Indemnitee, at the expense of the Indemnitor (provided that the costs and expenses of such separate counsel are reasonable).

13.4 Survival. All indemnities, warranties and representations of Purchaser and Seller herein shall survive the Closing for a period of twelve (12) months, after which they shall terminate and be of no further force or effect except with respect to claims made within such period, in which case the applicable indemnity, warranty and/or representation shall survive until the full and final resolution thereof. Notwithstanding the foregoing, the indemnity period for Seller's indemnity [for any pre-Closing event as provided in Section 13.1](#) shall survive through the applicable Statute of Limitations ~~to the broadest extent permissible~~ [including any applicable tolling period](#) for any third party claim as may apply (the "**Survival Period**"). In addition, Purchaser's indemnity in **Section 13.2** shall survive the termination of this Agreement for the Survival Period.

13.5 Limitations. Except as otherwise specifically set forth in this Section neither Seller nor Purchaser shall have any right to seek indemnity against the other Party pursuant to **Section 13.1** or **Section 13.2** either (A) where the claim is made after the Survival Period or (B) unless the amount of such indemnity claim, individually or when taken together with all other such indemnity claims hereunder, is at least equal to Ten Thousand and No/100 Dollars (\$10,000.00) (the "**Indemnity Floor**"), after which the Indemnitor shall be responsible for any such Indemnitee's Claims on a first dollar basis, or (C) for any such indemnity claims hereunder in an aggregate amount in excess of Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) (the "**Indemnity Cap**"). Attorneys' fees arising out of any indemnified third party claim shall be subject to such Indemnity Cap, provided, that any attorneys' fees and costs payable to the prevailing Party arising out of any dispute between Seller and Purchaser hereunder, including, without limitation, to enforce any Indemnitee Claim, shall not be subject to the Indemnity Cap. Notwithstanding anything to the contrary set forth in **Section 13.4** or **Section 13.5**, (i) neither the

Indemnity Floor nor the Indemnity Cap shall apply in the case of claims that allege fraud on the part of the Party named therein, or (ii) the prorations and adjustments to be made pursuant to **Section 6** hereof.

14. **Confidentiality and Non-Solicitation**

14.1 **Confidentiality.** Seller and Purchaser acknowledge that the other party may be irreparably damaged if the confidential knowledge and information possessed or hereafter acquired by either party relating to the Business (which shall include the terms of this Agreement and other agreements delivered pursuant to this Agreement and all other non-public information regarding either party and/or the Business, including, without limitation, trade secrets or technology/inventions now known or hereafter discovered, and information reflecting or pertaining to research, developments, techniques, purchasing, marketing, business plans and strategies, accounting, licensing, know-how, methods, projects, processes, computer hardware and programs, software libraries, databases, compositions, discoveries, cost systems, personnel data, customer lists, business partner names and lists (including, but not limited to, vendors, suppliers, licensees, licensors, franchisees, referral sources, and consultants), training, the particular needs and requirements of customers and/or business partners, the identity of customers and potential customers, business partners and potential business partners, pending business transactions, pricing for customers or potential customers, pricing of business partners or potential business partners, policies and procedures, equipment and materials used by either party, methods used in the recruiting or placement of personnel by either party and methods and marketing of products or services by either party) were disclosed to or utilized on behalf of others. Accordingly, neither party shall directly or indirectly: (i) disclose to any Person any non-public information concerning the Business or any of the terms of this Agreement or the other agreements delivered pursuant to this Agreement, for any reason or purpose whatsoever; or (ii) make use of any such non-public information for either party's own purpose or for the benefit of any other Person.

14.2 For a period of one (1) year after termination of the Interim Lease, Interim Management Agreement and OTA following issuance of a new license for Purchaser' operation of the SNF, Seller shall not, directly or indirectly:

14.2.1 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Purchaser to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser;

14.2.2 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Seller on the Closing Date or within the year preceding the Closing Date to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser; or

14.2.3 hire or attempt to hire any employee or independent contractor of Purchaser or in any way interfere with the relationship between Purchaser and any of its employees or independent contractors; provided the parties acknowledge and agree that Seller will retain the employees ("**Retained Employees**") listed on **Schedule 14.2.3** hereto from and after Closing.

14.2.4 The foregoing restrictions on solicitation shall not restrict general advertising or residents or employees initiating contact with Seller or Seller affiliates for purposes of relocating to another senior living facility operated by Seller or affiliates of Seller.

14.3 If, at the time of enforcement of this **Section 14**, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area so as to protect Purchaser to the greatest extent possible under applicable law from improper competition. The parties hereto acknowledge that money damages would be an inadequate remedy for any breach of this **Section 14** and that Purchaser would be irreparably damaged if any party were to breach the covenants set forth in this **Section 14**. Therefore, in the event of a breach or threatened breach of this **Section 14**, Purchaser, or their respective successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions of this **Section 14** (without posting a bond or other security). If Purchaser prevails in any legal proceedings to enforce this Agreement, then Purchaser is also entitled to recover its costs and fees incurred, including reasonable attorney's fees and out-of-pocket costs.

14.4 Seller acknowledges that the foregoing restrictions are supported by sufficient consideration and other benefits that they have received and will receive hereunder. They also acknowledge that the restrictions protect against unfair competition and that the restrictions do not prevent them from earning a living given their education, skills, and ability. Seller agrees and acknowledge that (i) Purchaser has required that Seller make the covenants set forth in this **Section 14** as a condition to Purchaser's obligations to consummate the transactions contemplated hereby; and (ii) the provisions of this **Section 14** are reasonable and necessary to protect and preserve the Business.

15. **Miscellaneous.**

15.1 **Entire Agreement.** This Agreement, including the Exhibits and Schedules attached hereto, constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof, and supersede all prior discussions, negotiations or writings with respect to such subject matter, including, but not limited to, that certain Letter of Intent executed as of March 29, 2022. This Agreement may not be modified, amended or cancelled except pursuant to the terms hereof or an instrument in writing signed by the Parties. The Schedules and Exhibits annexed hereto are hereby incorporated herein by reference as fully as though set forth herein.

15.2 **Time is of the Essence.** Time is of the essence with respect to all terms, conditions, provisions and covenants of this Agreement.

15.3 **Waiver.** No waiver of any term, provision or condition of this Agreement shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

15.4 Public Announcements. Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and to issue no press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders.

15.5 Attorneys' Fees in the Event of Litigation. Except as provided otherwise in this Agreement, in the event any dispute between the Parties results in litigation, the prevailing Party shall be reimbursed for all reasonable costs, including, but not limited to, reasonable attorneys' fees and consultants' fees and reimbursable costs and expenses, whether at trial, upon appeal or otherwise.

15.6 Jurisdiction; Venue. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS RULES OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.

15.7 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

15.8 Headings and Business Day. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement. Any day other than a Saturday, Sunday or other day on which commercial banks are authorized to close under the laws of the State of California is defined herein as either "Business Day".

15.9 Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

15.10 Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the Parties; provided however, that (i) Seller shall not assign this Agreement without the prior written consent of Purchaser, and (ii) Purchaser shall not assign this Agreement without the prior written consent of Seller, other than an assignment to an entity owned or controlled by or under common control with Purchaser. Any assignment not permitted hereunder and undertaken without such prior written consent shall be deemed null and void.

15.11 Further Assurances. Between the Execution Date and the Closing Date, neither Seller nor Purchaser shall take any action which is inconsistent with its obligations under this Agreement. Further, whether prior to or after Closing, Seller and Purchaser shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the Party so executing and delivering said instrument.

15.12 Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but each term and provision shall be valid and be enforced to the fullest extent permitted by law.

15.13 Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, "any" shall mean "any and all", "or" shall mean "and/or", and "including" shall mean "including without limitation".

15.14 No Strict Construction. The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any of the Parties.

15.15 Confidentiality. Purchaser and its parent, subsidiary and affiliate entities will obtain access to confidential information of Seller that could cause material and irreparable damage to the business prospects of the Seller in the event that such information is disclosed or otherwise used if the Transaction contemplated in this Agreement is not concluded. Purchaser shall maintain the confidentiality of any information concerning the Seller which it obtains during its Due Diligence Review and shall return any Due Diligence Materials to Seller in the event the Transaction fails to close for any reason.

15.16 Calculation of Time Periods. Unless otherwise specified, (a) in computing any period of time described herein, the day of the act or event on which the designated period of time

begins to run shall not be included and the last day of the period so computed shall be included and (b) if the last day of any period or any date otherwise specified hereunder is a Saturday, Sunday or legal holiday, the period shall run until, or such date shall be automatically revised to, the next day which is not a Saturday, Sunday or a legal holiday. Further, unless otherwise specified, any reference to a specified number of days shall be deemed to refer to calendar days. This obligation shall survive the Closing or termination of this Agreement.

15.17 Exhibits and Schedules. If any exhibits or schedules are not attached hereto, the Parties agree to attach such exhibits and schedules as soon as reasonably practicable and that it shall be a condition to the non-preparing Party's obligations hereunder that any Exhibits and Schedules attached hereto after the Execution Date shall be subject to the review and approval of the non-preparing Party. The Parties hereto agree that the Party charged with providing an exhibit or schedule to this Agreement shall, to the extent necessary after delivery thereof (but subject to the following sentence) amend and/or supplement all exhibits and schedules in order for the same to be current, true and correct as of the Closing Date. In furtherance and not in limitation of the foregoing, Purchaser acknowledges and agrees that the pendency of the Transaction provided for in this Agreement may, from time to time, require Seller to amend and/or supplement the exhibits and schedules attached hereto, provided that no such amendment or supplement shall be effective or modify the representations and warranties herein unless approved by Purchaser in its reasonable discretion.

15.18 Third Party Beneficiary. Nothing in this Agreement express or implied is intended to and shall not be construed to confer upon or create in any person (other than the Parties) any rights or remedies under or by reason of this Agreement, including without limitation, any right to enforce this Agreement.

15.19 1031 Exchange. Purchaser and Seller acknowledge that either Party may wish to structure this transaction as a tax deferred exchange of like kind property within the meaning of Section 1031 of the Internal Revenue Code. Each Party agrees to reasonably cooperate with the other Party to effect such an exchange; provided, however, that (a) the cooperating Party shall not be required to acquire or take title to any exchange property, (b) the cooperating Party shall not be required to incur any expense or liability whatsoever in connection with the exchange, including, without limitation, any obligation for the payment of any escrow, title, brokerage or other costs including attorneys' fees incurred with respect to the exchange, (c) no substitution of the effectuating Party shall release said Party from any of its obligations, warranties or representations set forth in this Agreement or from liability for any prior or subsequent default under this Agreement by the effectuating Party, its successors, or assigns, which obligations shall continue as the obligations of a principal and not of a surety or guarantor, (d) the effectuating Party shall give the cooperating Party at least ten (10) Business Days prior notice of the proposed changes required to effect such exchange and the identity of any Party to be substituted in the escrow, (e) the effectuating Party shall be responsible for preparing all additional agreements, documents and escrow instructions (collectively, the "**Exchange Documents**") required by the exchange, at its sole cost and expense, (f) the effectuating Party shall be responsible for making all determinations as to the legal sufficiency, tax considerations and other considerations relating to the proposed exchange, the Exchange Documents and the transactions contemplated thereby, and the cooperating Party shall in no event be responsible for, or in any way be deemed to warrant or

represent any tax or other consequences of the exchange transaction, and (g) the election to effect such an exchange shall not delay the Closing of the transaction as defined herein.

15.20 Exclusivity. Unless this Agreement shall be terminated by Seller or Purchaser as provided herein, neither Seller nor any member, manager, officer, director, employee, authorized representative or agent of Seller shall, directly or indirectly, solicit, seek, enter into, conduct or participate in any discussions or negotiations, or enter into any agreement with any person or entity, regarding the sale, lease or other transfer of all or any portion of the Seller's Assets.

15.21 Brokerage Commissions. Each of the Parties hereby represents, covenants, and warrants to the other that neither has employed any broker or finder in connection with the Transaction. Each Party agrees to indemnify and hold harmless the other from and against all liability, claims, demands, damages or costs of any kind, including attorneys' fees, arising from or connected with any broker's commission or finder's fee or commission or charge claimed to be due any other person arising from the Party's conduct with respect to the Transaction. This **Section 15.21** shall survive Closing.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be signed as of the Execution Date.

1. All fixtures attached or appurtenant to the Real Property and the Facility (the "**Fixtures**");
2. All furnishings and equipment, including, but not limited to, tools, machinery, appliances, bed linens, inventory, food, housekeeping supplies, and all other tangible personal property located on or about the Real Property and the Facility which is owned by Seller (collectively, the "**Personal Property**");
3. To the extent assignable, all of the permits, licenses, approvals, entitlements, certifications and other governmental and quasi-governmental authorizations including, without limitation, bed rights, certificates of occupancy and other similar permits relating to all or any part of the Real Property and the Facility, and all amendments, modifications, supplements, general conditions and addenda thereto, required in connection with the ownership and the operation of the Facility;
4. Original and, to the extent in the possession of Seller or under the control of Seller, digital copies of all reports, drawings, plans, blueprints, studies, specifications, certificates of occupancy, building permits and grading permits relating to all or any part of the Real Property or the Facility and all amendments, modifications, supplements, general conditions and addenda thereto;
5. All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");
6. All of Seller's legal and equitable claims, causes of action, and rights, if any, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

7. All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

8. The owned vehicle described on Exhibit A hereto (the "**Vehicle**");

9. The goodwill associated with the operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the business of the Facility;

10. All books, files and records related to the operation of the Facility, including, but not limited to, original records for current residents and employees of the Facility, but specifically excluding (a) proprietary or organizational document and financial, accounting and/or tax records or Seller, (b) those documents whose disclosure is restricted by applicable law and (c) any records of former residents and employees which may be removed from the Facility by prior to the Closing Date; and

11. All computer hardware and software which are located at the Facility, owned by Seller and used in connection with the operation of the Facility, but specifically excluding any non-assignable software included in the Excluded Assets.

Except for the Excluded Assets identified in Section 1.2 of the Purchase Agreement.

TO HAVE AND TO HOLD, all and singular, the foregoing hereby sold, assigned, transferred and conveyed to Purchaser, its successors and assigns, to and for its own use and benefit.

Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

IN WITNESS WHEREOF, the Seller does hereby execute this Bill of Sale as of the day and year first set forth above.

RECITALS

A. Seller is the owner and operator of certain real property described on **Schedule 1** hereto (the "**Real Property**") and the improvements thereon including the furniture, fixtures and equipment therein that comprise that certain continuing care retirement community commonly known as "Windsor" and "Windsor Manor" located at 1230 E. Windsor Road, Glendale, CA (the "**Facility**").

B. Purchaser is the owner of and has experience operating a senior care community.

C. Seller is interested in selling the Real Property, the Facility and the business operations conducted therein (the "**Business**") to Purchaser and Purchaser is interested in purchasing the Real Property, the Facility and the Business from Seller (the "**Transaction**").

D. The Parties are interested in documenting the terms and conditions on which the Transaction would occur.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and provisions herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto (the "**Parties**" and each a "**Party**") hereby covenant and agree as follows:

1. Purchase and Sale.

1.1 Seller's Assets. On the terms and conditions set forth herein, on the Closing Date (as defined below) Seller shall sell to Purchaser and Purchaser shall purchase from Seller the following:

1.1.1 The Real Property, and the Facility, together with all tenements, hereditaments, rights, privileges, interests, easements (both benefitting and burdening such Real Property) and appurtenances now or hereafter belonging or in any way pertaining thereto;

1.1.2 All fixtures attached or appurtenant to the Real Property and the Facility;

1.1.3 All furnishings and equipment, including, but not limited to, tools, machinery, appliances, bed linens, inventory, food, housekeeping supplies, and all other tangible personal property located on or about the Real Property and the Facility which is owned by Seller including the computers and related systems (collectively, the "**Personal Property**"); provided

that Seller will wipe all of the hard drives and remove all confidential information and materials from the operating systems; and provided further, Seller will save certain resident information needed in connection with Purchaser's operation of the Business after the Closing, including resident medical and pharmacy records, home health and other doctors' orders, billing records and resident payment history on a drive or on the cloud for the Purchaser to download at Closing;

1.1.4 To the extent assignable, all of the permits, licenses, approvals, entitlements, certifications and other governmental and quasi-governmental authorizations including, without limitation, bed rights, certificates of occupancy and other similar permits relating to all or any part of the Real Property and the Facility, and all amendments, modifications, supplements, general conditions and addenda thereto, required in connection with the ownership and the operation of the Facility ("**Permits**");

1.1.5 All rights existing under all contracts related to the ownership, planning, development, construction, use, operation and/or maintenance of the Facility to which the Seller is a party, excluding those identified as Excluded Assets, but including without limitation the Resident Agreements and the Assumed Operating Contracts (each as defined below), along with those set forth on **Schedule 1.1.5 ("Assigned Contracts")**; ~~[NOTE - RESIDENT AGREEMENTS AND ASSUMED OPERATING CONTRACTS ARE COVERED HERE]~~

1.1.6 To the extent in the possession of Seller or under the control of Seller, digital copies of all reports, drawings, plans, blueprints, studies, specifications, certificates of occupancy, building permits and grading permits relating to all or any part of the Real Property or the Facility and all amendments, modifications, supplements, general conditions and addenda thereto;

1.1.7 All inventory, wherever located, including all raw materials, spare parts and all other materials and supplies to be used in the Business or in connection with maintenance of the Facility (the "**Inventory**");

1.1.8 All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");

1.1.9 All intangible personal property of any kind or character of the Seller, including without limitation, all warranties, guarantees and all of Seller's legal and equitable claims, causes of action, and rights, if any, arising post-Closing, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

1.1.10 All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

1.1.11 Other than corporate and trade names used by Seller in connection with the Business as well as related social media accounts, domain name and website and any content therein, all of the Seller's Intellectual Property, including, but not limited to, licenses and sublicenses granted and obtained with respect thereto, related to the Business, to the extent transferable, Seller's telephone and fax numbers, all passwords and similar access requirements with respect thereto, and all goodwill associated therewith, including rights thereunder, remedies against infringements thereof, and rights to protection of interests therein;

1.1.12 The vehicle described in **Schedule 1.1.12** (the "**Vehicle**");

1.1.13 The goodwill associated with operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the Business;

1.1.14 All prepayments, vendor credits, loans to employees, prepaid expenses and similar assets.

1.1.15 Excluding the Excluded Assets, any other asset, property, or right of any Seller, tangible or intangible, used in the conduct of the Business.

1.1.16 All books, files and records in whatever form or medium related to the operation of the Facility and the Business, including, but not limited to, original records for current residents and employees of the Business, quotation and purchase records and all books, records, ledgers, files, documents, correspondence, lists, reports, and other printed or written materials with respect to the Real Property, Facility and Business but specifically excluding those documents whose disclosure is restricted by applicable law.

Hereinafter the assets described in this **Section 1.1** shall sometimes be collectively referred to as "Seller's Assets." The parties hereby acknowledge and agree that HumanGood SoCal owns and operates seniors housing communities other than the Facility ("**Other Assets**"), and that Seller's Assets being sold hereunder do not include the Other Assets.

1.2 Excluded Assets. Purchaser acknowledges and agrees that the Seller's Assets shall not include the following, all of which shall be and remain the property of Seller (the "**Excluded Assets**"):

1.2.1 the Other Assets;

1.2.2 Seller's cash, including petty cash, or accounts receivable of Seller arising from the operation of the Facility prior to the Closing Date;

1.2.3 Except as provided in Section 1.1.3 above, Seller's proprietary or organizational documents, financial (including historical financials), accounting and/or tax records and other records that Seller is required by law to retain in its possession;

1.2.4 Seller's rights arising under this Agreement or under any other agreement between Purchaser and Seller;

1.2.5 any insurance policies in the name of either of the entities comprising Seller which are in effect at Closing with respect to any or all of the Seller's Assets;

1.2.6 Seller's deposits, including utility deposits and prepaid expenses accruing through the Closing Date, unless and to the extent that Seller is reimbursed therefor on the Closing Date;

1.2.7 any claim, cause of action, or right of recovery or settlement held by Seller against third parties including vendors, relating to the ownership and/or operation of the Facility on or before the Closing Date;

1.2.8 any and all proprietary and confidential materials, rights and information located at and used in connection with the ownership and/or operation of the Facility, including but not limited to, policy and procedure manuals;

1.2.9 any personal property identified on **Schedule 1.2.8** hereto (the "**Excluded Personal Property**");

1.2.10 the name "HumanGood" or "HumanGood SoCal" and any variations thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that Seller and its affiliates will continue to use the name HumanGood and HumanGood SoCal post-Closing. At Closing, Seller will grant to Purchaser a non-exclusive, nontransferable, limited license to use the name "Windsor" and "Windsor Manor" and all associated logos in connection with Purchaser's ownership and management of the Facility post-Closing, which license shall remain in place for a period of ninety (90) days post-Closing, or in the case of the skilled nursing facility ("**SNF**") that is part of the Facility (the "**Windsor Manor SNF**"), until the date that the California Department of Public Health ("**CDPH**") issues a new skilled nursing facility to Purchaser. The foregoing license provision shall survive the Closing; and

1.2.11 all contracts and agreements to which Seller may be a party in connection with the ownership and operation of the Facility which are not Assigned Contracts and the national contracts identified on **Schedule 1.1.5** hereto.

1.3 Assumption of Liabilities. Except for the deposits and obligations related to the Assigned Contracts arising on or after Closing, Purchaser does not hereby or in connection herewith assume any liability of Seller or any other party whatsoever in relation to the Seller's Real Property, Facility or the Business (the "**Assumed Liabilities**").

1.4 Notwithstanding the provisions of **Section 1.3** or any other provision in this Agreement to the contrary, Purchaser shall not assume and shall not be responsible to pay, perform or discharge any liabilities of Seller of any kind or nature whatsoever other than the Assumed Liabilities (the "**Excluded Liabilities**"). Seller shall pay and satisfy in due course all Excluded Liabilities, which shall include all monies owed by Seller under the Assigned Contracts through the Closing.

2. Purchase Price.

2.1 Purchase Price. The aggregate consideration for the Seller's Assets (the "**Purchase Price**") shall be Fourteen Million Five Hundred Thousand and No/100 Dollars (\$14,500,000.00) plus the assumption of any Assumed Liabilities, subject to any proration adjustment contemplated in **Section 6.2** hereof. At the Closing, the Purchaser will deliver to Seller, by wire transfer or immediately available funds, an amount equal to the Purchase Price, less the Deposit as set forth in 2.1.1. as follows:

2.1.1 Deposit. Within two (2) business days after the Execution Date, Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Initial Deposit**") with Commonwealth Land Title, 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660 Attention: Kelly Ralph (the "**Escrow Agent**"). Within two (2) business days after the expiration of the Due Diligence Period (as defined below), Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Additional Deposit**") with Escrow Agent. The Initial Deposit and Additional Deposit shall be defined herein as the "Deposit". In the event the Closing occurs, the Deposit shall be applied against the Purchase Price. In the event the Closing fails to occur, the Deposit shall be remitted to the Seller or to Purchaser as set forth more fully in **Section 11**; provided, however, if Purchaser does not provide an Approval Notice (as defined below) prior to expiration of the Due Diligence Period for any reason, this Agreement and the escrow shall be cancelled, and the Initial Deposit immediately returned to Purchaser.

2.1.2 Balance of Purchase Price. The balance of the Purchase Price, less the Deposit, plus or minus any costs and prorations for which Seller and/or Purchaser are responsible under **Section 6.2** hereof shall be paid by wire transfer of immediately available funds at Closing.

2.2 Allocation of Purchase Price. The Purchase Price shall be allocated among the Seller's Assets in the manner set forth in **Schedule 2.2**.

2.3 Independent Consideration. As consideration for Seller's agreement to enter into this Agreement, Purchaser shall deliver directly to Seller, within two (2) business days following the Execution Date, the sum of One Hundred Dollars (\$100.00) (the "**Independent Consideration**"), which Independent Consideration shall be retained by Seller as Seller's sole property immediately upon receipt thereof and which shall be nonrefundable to purchaser in all events; provided, however, that the Independent Consideration shall be applied to the Purchase Price at Closing.

3. Closing

3.1 Time and Place of Closing. Subject to the satisfaction or waiver of the closing conditions set forth in **Section 5** below, the closing of the Transaction contemplated hereby (the "**Closing**") shall occur on the date that the California Department of Social Services ("**DSS**") approves Purchaser's new Residential Care Facility for the Elderly license ("**RCFE License**") to operate the Facility post-Closing and issues Purchaser a Certificate of Authority ("**COA**") to enter into continuing care contracts with residents of the Facility post-Closing, such approval and issuance occurring on the same date, with documents to be released for recording and the funds

released by Purchaser to Seller on or before 3:00 PM (Pacific Time) and shall be effective at 12:01 am on such date (the "**Closing Date**"); provided that in the event the Closing has not occurred on or before December 31, 2023 ~~[NOTE—SELLER NEEDS AN OUTSIDE DATE FOR CLOSING AS THE PSA CAN'T CONTINUE INDEFINITELY]~~. Seller shall have the right to terminate this Agreement upon written notice to Purchaser in which case the Deposit shall be returned to Purchaser unless Purchaser is then in default and neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

3.2 Closing Process. The Closing shall occur through escrow and accordingly, at or prior to the Closing Date, the Parties shall deposit in escrow with the Escrow Agent all documents and monies necessary to close the transaction as herein provided. Closing shall occur in accordance with the procedures and instructions given by the Parties to the Escrow Agent prior to Closing.

4. Due Diligence; Title and Survey.

4.1 Due Diligence Investigation.

4.1.1 Within three (3) Business Days after the Opening of Escrow, Seller shall deliver to Purchaser or provide Purchaser access to all materials in Seller's possession or control relating to the Real Property or Facility including, but not limited to: (i) copies of the most recent property tax bills and assessments for the Property; (ii) copies of all documents evidencing interests not shown on the Title Report, if any, (iii) a copy of any and all leases, service contracts, easements, licenses, development approvals and/or other agreements related to the Real Property or Facility including, without limitation, contracts for design work thereon; (iv) any and all existing surveys of the Real Property; (v) any and all soils reports, reports pertaining to hazardous materials or other environmental conditions or other reports relating to the physical condition of the Real Property; (vi) any and all engineering documents relating to the Facility including, without limitation, plans and specifications prepared for Seller in connection with the development of the Real Property and Facility (the "**Plans and Specifications**"); (vii) any and all other correspondence, reports, studies, permits, approvals or documents relating to the Real Property or Facility, except for Seller's internal materials, documents, correspondence, and/or analysis; (viii) audited financial statements for the Business for the period ending December 31, 2019, 2020 and 2021 (the "**Financial Statements**"), as well as the three month period ending March 31, 2022; (ix) the general ledger and trial balance supporting the Financial Statements; (x) contracts and agreements and other documents material to the Business; (xi) a redacted current and complete list of all employees of Seller who work at the Facility, together with their dates of hire, positions and their annual salaries and other compensation; and (xii) and other documents to be provided by Seller in accordance with this **Section 4.1.1** (collectively, the "**Due Diligence Materials**"). In addition, Seller shall promptly deliver to Purchaser or provide Purchaser access to such other information relating to the Real Property, Facility and Business that is specifically and reasonably requested by Purchaser of Seller in writing to the extent such information is in the possession or control of Seller. Except as otherwise expressly set forth in this Agreement, Seller makes no representations or warranties whatsoever regarding the Due Diligence Materials, including, without limitation, as to their completeness or accuracy. Prior to the expiration of the Due Diligence Period, Seller will provide to Purchaser a final list of the Due Diligence Materials provided to Purchaser.

4.1.2 During the period (the "**Due Diligence Period**") commencing on the later of the Execution Date and the delivery of all the Due Diligence Items in Seller's possession or control, and ending forty-five (45) days thereafter, Purchaser will have the right, at its sole cost and expense, to conduct such investigations with respect to Seller's Assets as it deems to be necessary in the exercise of its sole and absolute discretion in connection with its purchase thereof, including without limitation, environmental site assessments, property condition reports, appraisals, engineering tests and studies, physical examinations of the Property, and feasibility studies, as well as inspections of the financial condition and operations of the Facility.

4.1.2.1 At all reasonable times from the date of this Agreement to the Closing, or earlier termination of this Agreement, upon forty-eight (48) hours prior written notice to Seller, Purchaser and their respective employees, agents, consultants, managers and contractors shall be entitled, at Purchaser's sole cost and expense, to: (a) enter onto the Real Property and Facility to perform any inspections, investigations, studies, and tests of the Real Property and Facility (including, without limitation, physical, engineering, soils, geotechnical, and environmental tests) that Purchaser deems reasonable; provided however that Purchaser shall not do any invasive testing on the land without the prior consent of Seller, which consent shall not be unreasonably withheld; (b) review all Due Diligence Materials; and (c) investigate such other matters pertaining to the Real Property, Facility and Business as Purchaser may desire. Any entry by Purchaser onto the Real Property shall be subject to, and conducted in accordance with, all applicable laws. Upon completion of any such testing, Purchaser shall immediately restore the Real Property and Facility to substantially the same condition as it existed prior to Purchaser's entry under this **Section 4.1.2.1**. During the term of Escrow, Purchaser shall have the right to meet with representatives of the City and other governmental agencies having jurisdiction over the Real Property and Facility. Seller shall have the right to have a representative attend each and every meeting with representatives of the City and other governmental agencies having such jurisdiction. Seller shall cooperate with Purchaser in its investigation of the Real Property, Facility and Business (the "**Due Diligence Review**").

4.1.2.2 Purchaser shall indemnify, defend and hold Seller and Seller's Assets harmless of and from any and all losses, liabilities, costs, expenses (including without limitation, reasonable attorneys' fees and costs of court at trial and on appeal), damages, liens, claims (including, without limitation mechanics' or materialmans' liens or claims of liens), actions and causes of action arising from or relating to Purchaser (or Purchaser's agents, employees, or representatives) entering on the Real Property and/or the Facility to test, study, investigate or inspect the same or any part thereof (except for the discovery of any pre-existing conditions). The foregoing indemnity shall expressly survive the Closing or the earlier termination of this Agreement.

4.1.2.3 Purchaser shall have the right at any time on or before the end of the Due Diligence Period (the "**Due Diligence Termination Date**"), to terminate this Agreement by delivering a written notice of such termination to Seller and Escrow Agent if Purchaser determines, in its sole and absolute discretion, that the Seller's Assets are not acceptable to Purchaser for any reason. Purchaser shall indicate its satisfaction and/or waiver of the Due Diligence condition described in this **Section 4.1** by delivering written notice of such satisfaction and/or waiver ("**Approval Notice**") to Seller and Escrow Agent on or prior to the Due Diligence Termination

Date. In the event Purchaser fails to timely deliver an Approval Notice, then this Agreement and the Escrow shall be automatically deemed terminated. In the event this Agreement is terminated in accordance with this Section, then the Initial Deposit shall be immediately returned to Purchaser and the parties shall thereafter be relieved from further liability hereunder, except with respect to any obligations under this Agreement that are expressly stated to survive any termination of this Agreement.

4.2 Title Matters. After the Execution Date, Purchaser will also conduct a review of the condition of title to the Real Property pursuant to the procedures outlined below:

4.2.1 Property Documents. After the Execution Date, to the extent not previously obtained, Seller shall obtain a title report or title commitment (the "**Title Commitment**") for a standard owner's title insurance policy with respect to the Property issued by Commonwealth Land Title (the "**Title Company**"), along with copies of all of the exception documents referenced therein and a map showing all easements plotted. Purchaser shall have the right, at its own cost and expense, to obtain a zoning compliance letter issued by the local zoning authority or a zoning report issued by a third party provider qualified in the preparation of such reports, an ALTA survey with respect to the Real Property (the "**Survey**") prepared by a surveyor selected by Purchaser, a Phase One Environmental Site Assessment (the "**Phase One**") and Property Condition Report.

4.2.2 Title Objections.

(a) Not later than fifteen (15) days after the receipt of the Title Commitment, Purchaser shall advise Seller in writing of its objections, if any, to the matters reflected in the Title Commitment (a "**Title Document Objection Letter**").

(b) Within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall specify by written notice delivered to Purchaser which of the objections described therein it will correct at or prior to the Closing Date and which of such objections it refuses to correct at or prior to the Closing Date (the "**Seller Title Document Response Notice**"). If Seller fails to deliver a Seller Title Document Response Notice within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall be deemed to have refused to correct any of the matters to which Purchaser objected in the Title Document Objection Letter. If Seller refuses to or is deemed to have refused to correct some or all of the matters objected to in the Title Document Objection Letter, Purchaser shall have five (5) days after receipt or deemed receipt of a Seller Title Document Response Notice in which to advise Seller of its decision to terminate this Agreement, in which case the Deposit shall be immediately returned to Purchaser. If Purchaser does not deliver a notice of termination under this Section, Purchaser shall be deemed to have waived its objections, notwithstanding the defects which Seller has refused to correct. In the event Purchaser elects to terminate this Agreement as a result of the existence of matters contained in the Title Commitment which Seller refuses to correct by Closing, then the provisions of **Section 11** shall apply.

(c) Any matter reflected in the Title Commitment and not objected to by Purchaser or as to which Purchaser waives or is deemed to have waived its objections in

accordance with the terms hereof, shall be deemed accepted by Purchaser and shall for purposes hereof be deemed to be the "Permitted Exceptions".

(d) If any update to the Title Commitment issued by the Title Company following the above reveals any additional lien or encumbrance, Purchaser shall have the right to object to the matters contained in such update in accordance with the provisions set forth above with a supplemental property document objection letter.

4.3 Access to Key Employees. Seller agrees to provide Purchaser with access to meet with Seller's executive director and other department heads (and no other employees of the Facility) during the Due Diligence Period. Such meetings shall be conducted with prior notice to and approval by Seller and in the presence of Seller. Purchaser shall not disclose to other members of Seller's staff or the residents, the existence of this Agreement, or of any proposed sale of the Facility. After the expiration of the Due Diligence Period, Seller shall provide Purchaser with access to the other employees of the Facility, which meetings shall also be conducted with prior notice to and approval by Seller and in the presence of Seller.

5. Conditions to Closing.

5.1 Purchaser's Conditions. Purchaser's obligation to purchase Seller's Assets hereunder is subject to fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Seller at the Closing) (the "**Purchaser's Closing Conditions**"), which conditions may be waived by Purchaser only in a writing executed by Purchaser:

5.1.1 Closing Deliveries. Seller shall have delivered to Purchaser or, if applicable, to the Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

(a) A Grant Deed in substantially the form annexed hereto as **Exhibit A** (the "**Deed**") in proper form for recording, duly executed and acknowledged by Seller, sufficient to convey to Purchaser fee simple title to the Real Property, free and clear of all liens and encumbrances, other than the Permitted Exceptions;

(b) A bill of sale executed by Seller in substantially the form annexed hereto as **Exhibit B** (the "**Bill of Sale**") sufficient to convey to Purchaser good and indefeasible title to the remainder of the Seller's Assets, free and clear of all liens, encumbrances and security interests;

(c) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit C** (the "**Assignment**") duly executed by Seller with respect to the Assumed Operating Contracts and the Resident Agreements;

(d) Such title affidavits and indemnities as may be reasonably required by the Title Company in connection with the issuance of the Title Policy (as defined below);

(e) A Foreign Investment in Real Property Tax Act affidavit duly executed by Seller in substantially the form annexed hereto as **Exhibit D**;

(f) A Form 1099-S identifying Seller's gross proceeds and tax identification number, if required by the Escrow Agent;

(g) A certificate, in form and substance reasonably acceptable to Purchaser, of Seller to the effect that the representations and warranties of Seller set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Seller has complied with all covenants of Seller set forth herein;

(h) A counterpart copy of the Seller's "Closing Statement" prepared by the Escrow Agent and approved and signed by Seller;

(i) Written closing instructions directed to the Escrow Agent;

(j) Documentation, reasonably acceptable to the Title Company, confirming the authority of Seller to execute and deliver this Agreement and all of the documents described in this **Section 5.1.1** and to consummate the Transaction contemplated hereby;

(k) An Interim Lease, Interim Management Agreement and OTA;

(l) The consent of all other parties to the Assumed Operating Contracts for each Assumed Operating Contract that requires the consent of another party prior to the consummation of the transaction contemplated by this Agreement; and

(m) Such other customary closing documents required from the sellers of real estate in the applicable city, state and county in which the Facility is located as Purchaser or the Title Company may reasonably require.

5.1.2 Title Policy. The Title Company shall be irrevocably and unconditionally prepared and committed to issue to Purchaser a standard, or if Purchaser has paid the additional cost thereof as contemplated by **Section 6.1.1**, an extended, coverage title insurance policy insuring Purchaser's title to the Real Property as of the Closing Date subject to no exceptions other than the Permitted Exceptions, with those endorsements reasonably requested by Purchaser (provided that such endorsements are available in the State of California and are paid for in accordance with the terms in this Agreement), in an amount equal to the part of the Purchase Price allocated to the Real Property and Facility (the "**Title Policy**").

5.1.3 Representations and Warranties. The representations and warranties of Seller contained in this Agreement shall be true, correct, and complete in all material respects as of the Closing Date and Seller shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.1.4 Seller's Performance. Seller shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Seller to be complied with or performed under the terms of this Agreement prior to or at Closing.

5.1.5 Licenses and Approvals. Purchaser and/or its designee shall have obtained a RCFE license and a COA from DSS. CDPH shall have received a SNF Change of Ownership

application for Windsor Manor SNF from Purchaser that includes the executed Interim Lease and Interim Management Agreements required in **Sections 5.1.1(k)** and **5.2.2(g)**.

5.1.6 Due Diligence Review. Purchaser shall have delivered an Approval Notice pursuant to **Section 4.1.2.3**.

5.1.7 New Encumbrances. Other than new Resident Agreements entered into in the ordinary course of business by Seller, Seller shall not have encumbered or granted any interest in or to the Property or any portion thereof to any party for any reason whatsoever, include the grant or dedication of any easements, any security interest or otherwise burden the title or use of the Property or any portion thereof after the Opening of Escrow.

5.2 Seller's Conditions. Seller's obligation to sell Seller's Assets hereunder is subject to the fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Purchaser at the Closing) (the "**Seller's Closing Conditions**"), which conditions may be waived by Seller only in a writing executed by Seller:

5.2.1 Purchase Price. Purchaser shall have delivered to Escrow Agent the Purchase Price as set forth in **Section 2** above.

5.2.2 Closing Deliveries. Purchaser shall have delivered to Seller or, if applicable, to Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

- (a) The executed Assignment;
- (b) A certificate, in form and substance reasonably acceptable to Seller, of Purchaser to the effect that the representations and warranties of Purchaser set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Purchaser has complied with all covenants of Purchaser set forth herein;
- (c) A counterpart copy of the Purchaser's "Closing Statement" prepared by the Escrow Agent and approved and signed by Purchaser;
- (d) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit C** (the "**Assignment**") duly executed by Purchaser with respect to the Assumed Operating Contracts and the Resident Agreements;
- (e) Written closing instructions directed to the Escrow Agent;
- (f) Documentation, reasonably acceptable to Seller and the Title Company, confirming the authority of Purchaser to execute and deliver this Agreement and all of the documents described in this **Section 5.2.2** and to consummate the transaction contemplated hereby;
- (g) An Interim Lease, Interim Management Agreement and OTA; and

(h) Such other customary closing documents required from the purchasers of real estate in the applicable city, state and county in which the Facility is located as Seller or the Title Company may reasonably require.

5.2.3 Representations and Warranties. The representations and warranties of Purchaser contained in this Agreement shall be true, correct and complete in all material respects as of the Closing Date and Purchaser shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.2.4 Attorney General and California Department of Social Services Approval. All consents, approvals and other authorizations from the Attorney General's Office, DSS, and any other consents or approvals necessary to transfer the Assets to Purchaser, have been obtained by Seller, without the imposition of conditions unsatisfactory to Seller in its sole discretion.

5.2.5 Purchaser's Performance. Purchaser shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Purchaser to be complied with or performed under this Agreement prior to or at Closing, including Purchaser and/or its designee having obtained the Residential Care Facility for the Elderly license and Certificate of Authority per **Section 5.1.5**.

5.3 Conditions Generally. The foregoing conditions are for the benefit only of the Party for whom they are specified to be conditions precedent and such Party may, in its sole discretion, waive any or all of such conditions and proceed with the Closing under this Agreement without any increase in, abatement of or credit against the Purchase Price.

6. Closing Costs and Prorations.

6.1 Costs and Expenses. All costs and expenses associated with the Transaction shall be allocated between the Parties as follows:

6.1.1 Seller shall pay the cost of a standard coverage title insurance policy with respect to the Real Property in the amount of the Purchase Price and Purchaser shall pay the additional cost to secure extended coverage and for all endorsements, as well as the cost of the Survey and any lender's title insurance policy which Purchaser may elect to obtain.

6.1.2 Seller shall pay for the transfer taxes applicable to the sale of the Real Property.

6.1.3 Purchaser shall pay all of the costs associated with the Due Diligence Review.

6.1.4 Each of the Parties shall each pay their own legal fees and expenses.

6.1.5 Purchaser and Seller shall share on a 50-50 basis all escrow fees.

6.1.6 Seller shall pay the cost of recording the Deed and all recording fees required to remove any exceptions from title other than the Permitted Exceptions and Purchaser shall pay any other recording fees.

6.1.7 Purchaser shall pay any and all filing fees and all other costs which may be due in connection with securing the Purchaser's licenses and permits necessary to operate the Facility.

6.2 Prorations and Adjustments.

6.2.1 All of the revenues and expenses related to the ownership of the Seller's Assets and the operation of the Facility as of the Closing Date shall be prorated between Seller and Purchaser, with Seller entitled to such revenues and responsible for such expenses for the period prior to the Closing Date and with Purchaser entitled to such revenues and responsible for such expenses for the period from and after the Closing Date. For the avoidance of doubt, any market rate fees due to any resident referral/placement agencies shall be the responsibility of Seller to the extent the applicable resident commenced occupancy at the Facility at any time prior to the Closing Date and shall be the responsibility of Purchaser to the extent the applicable resident commences occupancy at the Facility at any time on or after the Closing Date. Similarly, any amounts due under the Operating Contracts relating to the Facility and Business for services rendered or goods received prior to the Closing Date, whether an Assigned Contract or not, shall be the responsibility of Seller. Further, the parties acknowledge and agree that post-Closing Seller will continue to collect certain governmental receivables for services rendered by Seller prior to Closing as set forth in Section 10.7 below and pursuant to the terms of the OTA.

6.2.2 Real and personal property taxes shall be prorated as of the Closing Date, with Seller responsible therefor for the period prior to the Closing Date and with Purchaser responsible therefor for the period from and after the Closing Date. Such proration shall be based on the most recently available tax bills and shall be subject to re-proration after Closing in accordance with the provisions of **Section 6.2.3** below.

6.2.3 Prior to Closing, Seller shall arrange for a final statement with respect to all utilities serving the Real Property and the Facility as of the Closing Date and shall pay all fees identified thereon and Purchaser shall arrange for all such utilities to be billed in its name from and after the Closing Date and shall pay all fees due therefor as of the Closing Date.

6.2.4 All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the Closing Date shall be settled within sixty (60) days after the Closing Date or, in the event the information necessary for such adjustment is not available within said sixty (60) day period, then within ten (10) Business Days of receipt of information by either Party necessary to settle the amounts subject to proration and, unless otherwise set forth herein, any payment owed shall be made within fifteen (15) days of a Party's receipt of a request for payment. In the event of a disagreement regarding any item(s) (or the amount of any item(s)) subject to proration under the terms of this Agreement, Seller and Purchaser shall negotiate in good faith to resolve any such disagreement within ten (10) Business Days after either Party articulates to the other a basis for disagreement. If the Parties are unable to resolve

such dispute within ten (10) Business Days, then the Parties shall appoint an independent accounting firm of national or regional reputation as is mutually acceptable to the Seller and Purchaser and having no current relationship with either Seller or Purchaser or any affiliate thereof (an "**Independent Accounting Firm**"), which shall review the items then subject to disagreement and determine the appropriate proration within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The determination by the Independent Accounting Firm with respect to each item in dispute shall be conclusive and binding on the Parties hereto. All fees and expenses billed by the Independent Accounting Firm in connection with the resolution of disputes under this Section shall be borne one-half by Seller and one-half by Purchaser.

6.2.5 This **Section 6** shall survive the Closing.

7. **Seller's Representations, Warranties and Covenants.** Seller does hereby warrant and represent to Purchaser solely in its capacity as the owner of the Facility and the Real Property (and not on behalf of any facility or other real or personal property owned by Seller) as follows:

7.1 **Organization and Authority.** Seller is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California. Seller has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

7.2 **Enforceability; No Conflict.** This Agreement is valid, binding and enforceable against Seller in accordance with its terms, except as such enforceability may be limited by creditors' rights laws. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under or violation of the Seller's organizational documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Seller is now a party or by which Seller or any of the assets of Seller may be bound or affected. Except with respect to the approvals provided for in **Section 5.2.4** above, with respect to Seller, no other consent, approval, order or authorization of or from, or registration, notification, declaration or filing with any Person, including without limitation, any Government Entity, is required in connection with the execution, delivery or performance of this Agreement by Seller or the consummation by Seller of the transactions contemplated herein.

7.3 **Litigation.** Except as disclosed to Purchaser on **Schedule 7.3** hereto, there is no pending or, to Seller's knowledge, threatened litigation, administrative investigation or other proceeding with respect to or affecting Seller, the Real Property, the Facility or the Business, at law or in equity. Seller is not a party to, nor is Seller or the Real Property, Facility or Business bound by, any orders, judgments, injunctions, decrees or settlement agreements under which Purchaser may have continuing obligations after the Closing Date. **Schedule 7.3** lists all ongoing actions against the Seller at law or in equity, and Seller will provide a summary of any

general/professional liability ~~and~~, property and workers' compensation claims ~~from~~for the prior ~~two~~ (2)three (3) years with the Due Diligence Materials.

7.4 Compliance with Law. Seller has received no written notice that the Facility or Business is not in compliance with applicable laws, nor is Seller aware of any condition that would reasonably be expected to give rise to such non-compliance.

7.5 The Facility. The Facility is a licensed continuing care retirement community. Seller holds the following licenses and certificates ("**Licenses**"): (i) Residential Care Facility for the Elderly license issued by DSS, (ii) a Certificate of Authority issued by DSS, and (iii) a SNF license issued by CDPH. True and correct copies of the current Licenses to operate the Facility, the form of Resident Agreements in use at the Facility (the "**Resident Agreements**") and rent roll for the Facility (the "**Rent Roll**") have been provided to Purchaser as part of the Due Diligence Review. The Rent Roll shall be updated by Seller monthly. The Licenses are in full force and effect.

7.6 Employees of the Facility; Unions. All of the employees of the Business at the Facility are the employees of Seller. None of the employees of the Business at the Facility are members of a labor union or subject to any collective bargaining agreement nor to Seller's knowledge are such employees engaged in any union organizing activities or threatened an attempt to organize or establish any labor union or employee association to represent any employees. Seller is not a party to any labor dispute or grievances with respect to the operations at the Facility. Except as disclosed to Purchaser on **Schedule 7.3** hereto, Seller has received no written notice of nor does Seller have knowledge of any non-compliance with applicable laws governing employment and employee relations, including laws relating to employment discrimination, sexual harassment, civil rights, equal pay, wages, meal and rest breaks, hours, overtime, sick leave, collective bargaining and labor relations, occupational safety and health, workers' compensation, immigration, or the withholding and payment of income, social security (FICA) or similar taxes, and any similar laws of any foreign jurisdiction. Except as disclosed to Purchaser on **Schedule 7.3** hereto, to Seller's knowledge, no action alleging a violation of any applicable employment law has been threatened. Seller hereby acknowledges that it has I-9's on file at the Facility for each of the employees of Seller. To Seller's knowledge, Seller does not have any existing workers' compensation liabilities with respect to Seller's employees that are not covered by insurance. Purchaser will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any such law or regulation relating to actions arising out of or related to any event occurring on or before the Closing Date. Seller will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any law or regulation relating to actions arising out of or related to any event occurring after the Closing Date.

7.7 Condemnation; Reassessment. Seller has not received written notice of any (a) condemnation proceeding relating to the Real Property, (b) reclassification of any or all of the Real Property for local zoning purposes, or (c) reassessment or reclassification of any or all of the Real Property for state or local real property taxation purposes. To Seller's knowledge, no such actions have been threatened.

7.8 Operating Contracts. Copies of all written operating contracts and equipment leases to which Seller is a party in connection with the ownership and/or operation of the Facility (collectively, the "**Operating Contracts**") have been provided to Purchaser as part of the Due Diligence Review. Each of the Operating Contracts is in full force and effect, none of the Operating Contracts has been modified or amended except any modifications or amendments provided to Purchaser as part of the Due Diligence Review, and, to Seller's knowledge, Seller is in compliance in all material respects with all obligations under the Operating Contracts. Seller has received no written notice that it or the Facility is in default of any obligations under the Operating Contracts.

7.9 Executive Order 13224. None of Seller or the entities or individuals that constitute Seller, or that may own or control Seller, or that may be owned or controlled by Seller (in all cases, other than through the ownership of publicly traded, direct or indirect, ownership interests) are: (i) in violation of any laws relating to terrorism or money laundering, or (ii) among the individuals or entities identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/tllsdn.pdf> or any replacement website or other replacement official publication of such list which identifies an "Specially Designated National" or "blocked person."

7.10 Tax Returns. To Seller's knowledge, all tax returns and reports required by law to be filed by Seller relating to the ownership and operation of the Business prior to Closing (collectively, "**Tax Returns**") have been or will be properly and timely filed (subject to the right to extend or delay the filing thereof) and do, or at the time of the filing thereof will, correctly reflect the tax position of Seller and all taxes due under such Tax Returns have been or will be timely objected to, disputed and/or paid. Moreover, to Seller's knowledge, (i) no liens have been filed against Seller or Seller's Assets in respect of taxes, and no waivers of statutes of limitations have been given or requested with respect to Seller; (ii) there are no pending tax audits or other proceedings with respect to Seller or Seller's Tax Returns nor has Seller been notified of any dispute or claim with respect to taxes that has not been resolved; (iii) Seller is not now a party to any tax sharing, allocation or distribution agreement; and (iv) Seller has no obligation to make (or possibly make) any payments that will be non-deductible under, or would otherwise constitute a "parachute payment" within the meaning of, Section 280G of the Code (or any corresponding provision of state, local or foreign income Tax law).

7.11 No Violations of Environmental Laws. To Seller's knowledge and except as disclosed in the Property Materials or any environmental reports obtained by Purchaser in connection with this Agreement: (a) the Property is not nor has it been under investigation for violation of any federal, state, or local law, ordinance, or regulation relating to industrial hygiene, worker health and safety, or to the environmental conditions in, at, on, under, or about the Property, including, but not limited to, soil and groundwater conditions ("**Environmental Laws**"); (b) the Property has not been subject to a deposit of any Hazardous Substance except in compliance with applicable laws; (c) Seller has not used, generated, manufactured, stored, or disposed in, at, on, or under the Property any Hazardous Substance except in compliance with applicable laws; and (d) there is not now in, on, or under the Property any underground or above ground storage tanks or surface impoundments, any asbestos containing materials, or any polychlorinated biphenyls used in hydraulic oils, electrical transformers, or other equipment. Seller hereby assigns to Purchaser

as of the Closing all claims, counterclaims, defenses, and actions, whether at common law or pursuant to any other applicable federal, state or other laws that Seller may have against any third party or parties relating to the existence or presence of any Hazardous Substance in, at, on, under, or about the Property. For purpose of this Agreement, the term "Hazardous Substance" shall be deemed to include any wastes, materials, substances, pollutants, and other matters regulated by Environmental Laws including, without limitation, per- and polyfluoroalkl substances (PFAS).

7.12 Health Care Representations. To Seller's knowledge, Seller is not a target of, participant in, or subject to any pending or threatened action, proceeding, suit, audit, investigation or sanction by any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident which could reasonably be expected to have a material adverse effect on Seller, or the operation of the Facility. With respect to Windsor Manor SNF, Seller is certified for participation in the Medicare and Medi-Cal programs, and has current and valid provider contracts with each of such programs. Seller has no pending license revocation or suspension proceedings, outstanding or uncompleted plan of correction that remains outstanding or uncompleted beyond its stated due date, denial of payment or denial of new admission orders or directives from Medicare or Medi-Cal. Seller has no pending or outstanding allegations or orders for civil money penalties or recoupment payments from the Medicare and/or Medi-Cal programs. ~~[NOTE — PURCHASER CAN OBTAIN THE FULL LICENSING HISTORY AND SURVEY INFORMATION FOR THE PROJECT FROM THE DSS AND DPH WEBSITES]~~

7.13 Financial Statements. Each of the audited Financial Statements of the Business provided by Seller to Purchaser as part of the Due Diligence Materials has been prepared in accordance with GAAP applied on a consistent basis (except as otherwise may be indicated therein) and in accordance with the books and records of Seller. Each of the Financial Statements is complete and accurate and presents fairly in all material respects the financial position of Seller at the dates thereof and the results of operations and cash flows for the periods indicated subject, in the case of interim Financial Statements, to normal year-end adjustments and that interim financial statements do not include footnote disclosure. To Seller's knowledge, since December 31, 2019, except as required by applicable law or changes in GAAP, there has been no change in any accounting principle, procedure, or practice followed by Seller or in the method of applying any such principle, procedure, or practice.

7.14 Undisclosed Liabilities. To Seller's knowledge, Seller does not have any liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for liabilities or obligations reflected or reserved against in the Financial Statements and liabilities incurred in the ordinary course of Business since the respective dates thereof.

7.15 Absence of Certain Developments. Since January 1, 2021, the Company has conducted the Business only in the ordinary course of business, as applicable, consistent with past practice, including with regard to nature, frequency and magnitude.

7.16 Anti-Bribery.

7.16.1 Neither Seller nor any of its officers or directors, or any employee, agent, distributor or other person acting on behalf of Seller has, directly or indirectly, used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity, made any unlawful payment to foreign or domestic government officials or employees or made any bribe, rebate, payoff, influence payment, kickback or other similar unlawful payment, or taken any action which would cause them to be in violation of any Anti-Corruption or Anti-Bribery Law.

7.16.2 There is no pending or threatened claims, charges, investigations, violations, settlements, civil or criminal enforcement actions, lawsuits, or other court actions against Seller with respect to any Anti-Corruption or Anti-Bribery Law.

7.16.3 To Seller's Knowledge, there are no actions, conditions, or circumstances pertaining to the activities of Seller that would reasonably be expected to give rise to any claims, charges, investigations, violations, settlements, civil or criminal actions, lawsuits, or other court actions under any Anti-Corruption or Anti-Bribery Law.

7.17 Sufficiency and Condition of Assets. Excluding the Other Assets, Seller's Assets: (a) constitute all of the assets, tangible and intangible, of any nature whatsoever, necessary to operate the Business in the manner presently operated by Seller, and (b) include no assets other than those used in the operation of the Business. Seller has good and valid title, or a leasehold interest in, all of Seller's Assets, free and clear of all liens.

7.18 Contracts.

7.18.1 The Due Diligence Materials contain copies of the Assumed Contracts to which Seller is a party and that are related to the Business. As of the Effective Date, Seller has no knowledge of any material disputes with any existing vendors of the Facility and Seller agrees to disclose to Purchaser any material disputes with vendors arising prior to Closing.

7.18.2 To Seller's knowledge: (i) Seller is not in default under any of the Assumed Contracts; (ii) there has not occurred any event that, with the lapse of time or the giving of notice, or both, would constitute such a default; and (iii) no party to any of the Assumed Contracts other than Seller is in default under any Assumed Contract nor has any event occurred that, with the lapse of time or the giving of notice, or both, would constitute such a default by any such other party.

7.18.3 To Seller's knowledge, each Assumed Contract is in full force and effect and is valid and enforceable in accordance with its terms.

7.19 Legal Compliance; Permits and Licenses.

7.19.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with applicable laws, ordinances, rules, regulations, judgments, orders, decrees, and Permits of all Governmental Entities that are applicable to Seller, and to Seller's Knowledge, Seller is in compliance in all material respects; and (ii) to Seller's

knowledge, no investigation by any Governmental Entity with respect to Seller, the operation of the Business, or the ownership or use of any of the Seller Assets is pending or threatened.

7.19.2 (i) Seller holds all material Permits required for the operation of the Business (including, without limitation, all material Permits required by any Environmental Laws), all of which are valid and in full force and effect in all material respects; and (ii) Seller has not received any notice that any Governmental Entity which has issued any such Permit intends to cancel, terminate or not renew any such Permit

7.20 Labor Matters. Seller shall provide a redacted list of all persons who are employees, independent contractors or consultants of the Business as of the date hereof in the Due Diligence Materials, including any employee who is on a leave of absence of any nature, paid or unpaid, authorized or unauthorized, and sets forth for each such individual the following: (i) title or position (including whether full-time or part-time); (ii) hire or retention date; (iii) current annual base compensation rate or contract fee; and (iv) commission, bonus or other incentive-based compensation.

7.20.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with all applicable laws and regulations respecting employment, including, without limitation, laws and regulations respecting employment practices, employment terms and conditions, wages and hours, tax withholding, immigration and collective bargaining, and is not engaged in any unfair labor practice, except as disclosed on **Schedule 7.3**; (ii) except as disclosed to Purchaser on **Schedule 7.3** hereto, there is no pending or, to Seller's knowledge, threatened charge, complaint, or grievance against Seller related to any employment law or regulation; (iii) there is no labor strike, material dispute, slowdown or stoppage actually pending or, to Seller's knowledge, threatened against or involving Seller; and (iv) to Seller's knowledge, there is no threat of unionization involving Seller or any of its employees.

7.20.2 To Seller's knowledge, Seller is not delinquent in payments to any of their employees or independent contractors for any wages, salaries, commissions, bonuses, or other direct compensation for any services performed by them to date or amounts required to be reimbursed to such employees or independent contractors.

7.21 Employee Benefit Plans.

7.21.1 Employee Benefit Plans. **Schedule 7.21.1** sets forth a complete list of all material employee retirement, welfare, bonus, incentive, deferred compensation, vacation, equity, severance, employment, change of control, and/or fringe benefit plans, programs, policies, practices, and/or other arrangements: (i) covering any current employee, officer or director of Seller or any ERISA Affiliate; (ii) that are sponsored or maintained by Seller or any ERISA Affiliate; or (iii) with respect to which either Seller or any ERISA Affiliate has any current or potential liability (each, a "**Plan**").

7.21.2 Administration and Compliance of the Plans. With respect to each Plan, to Seller's knowledge:

7.21.2.1 all required, declared or discretionary (in accordance with historical practices) payments, premiums, contributions, reimbursements or accruals for all periods ending prior to or as of the Closing Date have been made or properly accrued on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller;

7.21.2.2 there is no unfunded liability relating to any Plan which is not reflected on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller; and

7.21.2.3 there have been no violations of applicable laws with respect thereto; neither Seller nor any of its agents or delegates has any liability for breach of fiduciary duty or any other failure to act or comply in connection with the administration or investment of the assets thereof; no Plan has engaged in or been a party to a "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975(c) of the Code) without an exemption applying thereto; no Proceeding with respect to the administration or the investment of the assets thereof (other than routine claims for benefits) for which Seller or any ERISA Affiliate could have any liability is pending or threatened, and Seller does not have any knowledge of any basis for any a Proceeding with respect to any Plan.

7.22 Certain Fees and Liabilities. Seller has not paid or is obligated to pay any fee or commission to any broker, finder, or intermediary in connection with the transactions contemplated by this Agreement.

7.23 For purposes of this Agreement, "Health Care Authority/ies" shall mean any Governmental Entity or quasi-Governmental Entity or any agency, intermediary, board, authority or entity with lawful jurisdiction over Seller and concerned with the ownership, operation, use or occupancy of the Facility as a licensed continuing care retirement community.

Upon Purchaser becoming aware (whether by notice from Seller or otherwise) of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, the provisions of **Section 11** shall apply. For purposes of this **Section 7**, "Seller's knowledge" or similar phrase means: the current actual knowledge of Dan Ogus without a duty of investigation or inquiry, and nothing in this Agreement shall be deemed to create or impose any personal liability of any kind whatsoever on such party. Seller represents and warrants that Dan Ogus is the person most knowledgeable about the subject matter contained in each representation and warranty provided in such manner. Further, the parties acknowledge and agree that the representations and warranties made by Seller herein relate only to the Facility and Business being purchased by Purchaser and specifically exclude the Other Assets.

8. **Purchaser's Representations and Warranties.** Purchaser represents and warrants as follows:

8.1 Organization and Authority. Purchaser is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California, and is recognized by the Internal Revenue Service as an organization described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Purchaser has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

8.2 Enforceability; No Conflict. This Agreement is valid, binding and enforceable against Purchaser in accordance with its terms except as such enforceability may be limited by creditors' rights laws and general principles of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under, or a violation of, Purchaser's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Purchaser is now a party or by which any of the assets of Purchaser are bound or affected.

8.3 Litigation. The right or ability of Purchaser to consummate the Transaction contemplated herein has not been challenged by any governmental agency or any other person and Purchaser has no knowledge of the occurrence of any event which would provide a reasonable basis for any such litigation, investigation or other proceeding.

8.4 Financing. Purchaser has access to the funds required to pay the Purchase Price and other costs for which Purchaser is responsible under this Agreement. Accordingly, as a material inducement to Seller's willingness to enter into this Agreement with Purchaser, Purchaser represents, warrants, acknowledges and agrees that arranging financing shall not be a condition to the Purchaser's ability to consummate the Transaction provided for herein.

8.5 AS IS. IT IS UNDERSTOOD AND AGREED THAT EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) SELLER'S ASSETS ARE BEING SOLD BY SELLER AND PURCHASED AND ACCEPTED BY PURCHASER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION WHICH MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE UPON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON BEHALF OF SELLER EXCEPT THOSE REPRESENTATIONS, WARRANTIES AND AGREEMENTS SPECIFICALLY SET FORTH IN THIS AGREEMENT; (B) PURCHASER IS BEING GIVEN THE OPPORTUNITY TO THOROUGHLY INSPECT AND EXAMINE SELLER'S ASSETS TO THE EXTENT DEEMED NECESSARY BY PURCHASER IN ORDER TO ENABLE PURCHASER TO EVALUATE THE PURCHASE OF THE SELLER'S ASSETS ON THE FOREGOING BASIS; AND (C) PURCHASER IS RELYING SOLELY UPON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF SELLER'S ASSETS BY PURCHASER IN PURCHASING THE SELLER'S ASSETS ON AN "AS IS", "WHERE IS" AND "WITH ALL FAULTS" BASIS, WITHOUT REPRESENTATION, WARRANTY, AGREEMENT OR STATEMENT BY SELLER OR ANYONE ACTING ON BEHALF OF SELLER, EXPRESS OR IMPLIED, OF ANY KIND OR NATURE, EXCEPT AS MAY BE SET FORTH IN THIS AGREEMENT. SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER REGARDING ANY

INTELLECTUAL PROPERTY RIGHTS. SELLER EXPRESSLY DISCLAIMS, WHICH PURCHASER HEREBY ACKNOWLEDGES AND ACCEPTS, ANY IMPLIED WARRANTY OF CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. **Pre-Closing Covenants/Risk of Loss.**

9.1 **Conduct Pending Closing.** Between the Execution Date and the Closing Date, Seller covenants as follows:

9.1.1 Seller will operate the Facility and Business in the ordinary course of business, in compliance with all applicable law, including, but not limited to, the rules and regulations of any Health Care Authority, and, unless consented to by Purchaser, will not sell or dispose of any of the Seller's Assets or enter into any contract, commitment or agreement affecting Seller's Assets except in the ordinary course of business, including, but not limited to, any Resident Agreement which deviates in any material respect from the form of Resident Agreement provided to Purchaser under the term of this Agreement.

9.1.2 From time to time between the Execution Date and the Closing Date, Seller will provide to Purchaser such information as Purchaser may reasonably require in order to allow Purchaser to secure the New Licenses (as defined below).

9.1.3 Seller will cooperate in Purchaser's efforts to conduct the Due Diligence Review including, but not limited to, providing Purchaser and its agents and employees with access to the Facility and to the books and records of the Facility; *provided, however*, that such access and inspection shall be on no less than 48 hours' prior notice (or if longer, the notice required under applicable law, including, without limitation, residential landlord tenant law) and during normal business hours at such time and in such manner as the Parties shall reasonably agree upon. Notwithstanding the above, access to the Facility may be limited during the current COVID pandemic based on the regulation, guidelines or recommendations of the any Health Care Authority, State of California and other state or federal regulatory agencies.

9.1.4 Seller will maintain in force the existing hazard and liability insurance policies, or comparable coverage, for Seller's Assets.

9.1.5 Seller will maintain Seller's Assets in substantially the same condition as they are in as of the Execution Date, ordinary wear and tear excepted.

9.1.6 Seller shall maintain the Inventory consistent with Seller's past practices and in compliance with applicable laws, and will replenish the same consistent with Seller's past practices.

9.1.7 Unless this Agreement is terminated in accordance with the terms hereof, Seller shall not market the Seller's Assets or negotiate with any third party with respect to the sale of Seller's Assets or the equity interests in Seller.

9.2 **Risk of Loss**

9.2.1 Condemnation. If, prior to any Closing, all or any material portion of the Property is taken by condemnation or eminent domain (or is the subject of a pending or contemplated taking which has not been consummated), Seller shall immediately notify Purchaser in writing of such fact. In such event, Purchaser shall have the option to terminate this Agreement upon written notice to Seller given within ten (10) Business Days after receipt of such notice from Seller, in which event the Deposit shall be returned to Purchaser. Notwithstanding the foregoing, Purchaser's failure to provide written notice of Purchaser's election to terminate within such ten (10) Business Day period shall be deemed Purchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, Purchaser shall have the right to participate in any proceedings and negotiations with respect to the taking and any transfer in lieu of taking (and Seller shall not consummate any transfer in lieu of taking without Purchaser's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed). If Purchaser waives the right to terminate this Agreement and elects to proceed with the Closing, then (a) Seller, at, and as a condition precedent to Purchaser's obligation to proceed with, the Closing, must: (i) pay to Purchaser (or direct Escrow Agent to credit Purchaser against the Purchase Price for) the amount of any awards for the taking (and any consideration for any transfer in lieu of taking) actually received by Seller; and (ii) assign to Purchaser by written instrument reasonably satisfactory to Purchaser all rights or claims to any future awards for the taking (and any consideration for any transfer in lieu of taking); and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement.

9.2.2 Casualty. If, at any time after the Effective Date and prior to Closing or earlier termination of this Agreement, the Property or any portion thereof is materially damaged or destroyed by fire or any other casualty (as used herein, "material" shall mean a casualty which would cost more than \$250,000 to repair or cure), Seller shall immediately notify Purchaser in writing of such fact. In the event of a material casualty, Purchaser shall have the option to terminate this Agreement upon written notice to Seller given within ten (10) Business Days after receipt of any such notice from Seller, in which event the Deposit shall be returned to Purchaser. Notwithstanding the foregoing, Purchaser's failure to provide written notice of Purchaser's election to terminate within such ten (10) Business Day period shall be deemed Purchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, Purchaser shall have the right to participate in any adjustment of the insurance claim. If Purchaser waives the right to terminate this Agreement and elects to proceed with the Closing ~~or in the event of a non-material casualty~~, then (a) Seller, at, and as a condition precedent to Purchaser's obligation to proceed with, the Closing, must either: (i) pay to Purchaser (or direct Escrow Agent to credit Purchaser against the Purchase Price for) the amount of any insurance proceeds actually received by Seller plus the amount of any deductible under Seller's insurance; or (ii) if no insurance proceeds have been received by Seller, assign to Purchaser by written instrument reasonably satisfactory to Purchaser all rights or claims to the insurance proceeds and credit Purchaser against the Purchase Price for any deductible payable under Seller's insurance policy; and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement. In the event of a non-material casualty, the Closing Date shall be extended to the date that is five (5) business days after the date Seller has completed to Purchaser's reasonable satisfaction any repairs to the Facility necessitated by the casualty.

10. Operations Transfer Provisions.

10.1 Licenses. On or prior to the expiration of the Due Diligence Period and concurrent with Seller's delivery of the Approval Notice, Purchaser shall submit a change of ownership application ("**CHOW**") with DSS pursuant to which Purchaser will obtain a new **RCFE License** to operate the Residential Care Facility for the Elderly portion of the Facility. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit an application for a new certificate of Authority with DSS pursuant to which Purchaser will obtain a new COA to enter into continuing care contracts with residents of the Facility and operate the Facility as a continuing care retirement community. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a SNF license application ("**SNF Application**") with CDPH pursuant to which Purchaser will obtain a new SNF license ("**SNF License**") to operate the Windsor Manor SNF portion of the Facility. The parties acknowledge that Purchaser must obtain the RCFE License and COA on the Closing date. Following the submission of the applications for the RCFE License, COA and SNF License, Purchaser will take and/or cause its designee to take such actions as are necessary to obtain the RCFE License, COA and SNF License in a timely manner, including, without limitation, submitting any missing information required for Purchaser's licensing applications reasonably promptly following receipt thereof by Purchaser. Purchaser shall notify the Seller promptly following its submission of the license applications and shall keep Seller reasonably informed as to the status of the license applications, including without limitation, informing Seller of any material communications with DSS and/or CDPH as to the timing of the issuance of the RCFE License, COA and SNF License.

10.2 Interim Lease and Management Agreements. Seller and Purchaser acknowledge that Purchaser will be unable to obtain the SNF License on the Closing Date and that the Parties will need to enter into an interim arrangement to allow the continued operation of the Windsor Manor SNF under Seller's SNF License until the Purchaser's SNF License is issued. The Parties shall enter into an Interim Lease ("**Interim Lease**"), Interim Management Agreement ("**Interim Management Agreement**"), and SNF operations transfer agreement ("**OTA**") to be negotiated and agreed upon in good faith during the Due Diligence Period. If the parties cannot agree on a form of OTA, Interim Lease and/or Interim Management Agreement prior to the expiration of the Due Diligence Period, either party may terminate this Agreement upon written notice to the other in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

10.3 Notices. Seller is required to provide one hundred and twenty (120) days' written notice to DSS of the Transaction and to Seller's RCFE residents at least thirty (30) days prior to Closing (the "**CHOW Notice**") and to Seller's SNF residents at least ninety (90) days prior to Closing. Seller is also required to provide written notice to CDPH of the Transaction. Purchaser and Seller shall jointly approve the notices set forth in this Section.

10.4 CHOMs. On or prior to the expiration of the Due Diligence Period, if mutually agreed to by Seller and Purchaser, Purchaser shall submit change of manager applications to DSS with respect to the RCFE License and COA, and CDPH with respect to the SNF License pursuant to which Purchaser will become the manager of the Facility as approved by DSS and CDPH. During the Due Diligence Period, if the parties mutually agree that Purchaser will submit change of manager applications, the parties will agree upon a mutually agreeable form of management agreement pursuant to which Purchaser will manage the Facility prior to Closing.

10.5 Employees.

10.5.1 At the Closing Date, Seller shall terminate all of the employees of the Facility and shall pay to them any wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before ~~Closing Date.~~ At the Closing Date and Seller shall help Purchaser facilitate the employee interviews. In accordance with Cal H & S Code Section 1267.62, at least ~~three (3) business~~ ten (10) days preceding the Closing Date, except for the Retained Employees, Purchaser shall ~~offer to employ after~~ provide written offers of employment, as of the Closing Date, to all of the skilled nursing employees of the Facility for a 60-day transition period in the employee's primary language or another language in which the employee is literate conditioned only on the occurrence of the Closing Date (the "~~Hired~~ SNF Employees"). ~~That~~ The offer to the SNF Employees shall state the time within which the employee shall accept the offer, but that time period may not be fewer than ten (10) days. During the 60-day transition period, Purchaser shall not discharge without cause ~~an employee retained~~ any SNF Employee that accepts Purchaser's offer of employment ("~~SNF Hired~~ Employees") pursuant to this **Section 10.5.1**. Cause shall be based only on the performance or conduct of the particular ~~employee.~~ SNF Hired Employee. During the 60-day transition period, a SNF Hired Employee- shall not suffer any reduction in wages, benefits, or other terms and conditions of employment, economic or otherwise, as a result of the transfer or change of ownership.

~~10.5.1~~ 10.5.2 In addition to the Purchaser's hiring of all SNF Hired Employees pursuant to **Section 10.5.1**, in order to insure that the transaction does not trigger any notice obligations under the California WARN Act, at least ten (10) days preceding the Closing Date, Purchaser shall offer to employ as of the Closing Date a total number of the remaining employees of the Facility conditioned only on the occurrence of the Closing Date (the "~~Hired~~ RCFE Employees") such that there does not result in a total loss of employment during any 30-day period of fifty (50) or more employees – in other words the total number of employees that the Purchaser does not offer employment cannot exceed forty-nine (49) employees. The parties hereto agree that, notwithstanding anything to the contrary contained in this Agreement, Purchaser shall hire that number or percentage of employees and upon such terms so as to avoid applicability of the Worker Adjustment Retraining and Notification Act and any other applicable laws or regulations requiring notice prior to plant or facility closings or a mass layoff, due to the transaction contemplated hereby and by this Agreement. Purchaser acknowledges and agrees that Seller is relying on Purchaser's agreement as set forth in this **Section 10.5** in not giving notice to the employees of the Facility of the Transaction provided for herein under the provisions of the WARN.

~~10.5.2~~ 10.5.3 To the extent permitted by applicable law and as of the Closing, Seller shall deliver to Purchaser the file for all employees hired by Purchaser in Seller's possession, including but not limited to training records, licenses and certifications, criminal background check results, and other required documents. Seller shall have satisfied its obligations under this **Section 10.5.2** as long as all of such employee records are present at the Facility on the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

~~10.5.3~~ 10.5.4 Salaries and Benefits.

~~10.5.3.1~~10.5.4.1 Seller shall be responsible for: (A) the payment of all wages and other remuneration due to Seller's employees for their services as employees of Seller through the conclusion of Hired Employees' employment with Seller, including pro rata bonus and commission payments and all vacation, paid time off and sick leave pay obligations to the extent accrued prior to the Closing Date and required by applicable law; and (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of COBRA and Sections 601 through 608 of ERISA.

~~10.5.3.2~~10.5.4.2 Seller shall be liable for any claims made or incurred by Hired Employees and/or their beneficiaries through the Closing Date, including, but not limited to, claims made under any law or under the Plans, and Seller agrees to defend, indemnify and to hold Purchaser harmless from any costs incurred related thereto, including attorneys' fees. For purposes of the immediately preceding sentence, a claim will be deemed incurred when the conduct that is the subject of the claim occurs or when services that are the subject of the claim are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

~~10.5.3.3~~10.5.4.3 No Transfer of Assets. Seller will not make any transfer of pension or other employee benefit plan assets to Purchaser.

~~10.5.3.4~~10.5.4.4 General Employee Provisions.

~~10.5.3.4.1~~10.5.4.4.1 Seller shall provide Purchaser with completed I-9 forms and attachments with respect to all Hired Employees, except for such employees as Seller certify in writing to Purchaser are exempt from such requirement.

~~10.5.3.4.2~~10.5.4.4.2 Purchaser shall not have any responsibility, liability or obligation arising prior to Closing, whether to Hired Employees, former employees, their beneficiaries or to any other Person, with respect to any employee benefit plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA coverage extension) maintained by Seller.

~~10.5.4~~10.5.5 To the extent permitted by applicable law, Seller shall deliver to Purchaser the full and complete employment file for all current employees in Seller's possession, including, but not limited to, training records, licenses and certifications, criminal background check results, performance reviews, and other required documents, in connection with Purchaser's review and investigation of prospective employment of Seller's employees. Seller shall have satisfied its obligations under this **Section 10.5.4** as long as all of such employee records are present at the Facility ~~during the 30-day period prior to~~as of the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.6 Bulk Sales Laws. The parties hereby waive compliance with the provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Seller's Assets to Purchaser; it being understood that any liabilities arising out of the failure of Seller to comply with the requirements and provisions of any

bulk sales, bulk transfer or similar Laws of any jurisdiction which would not otherwise constitute Assumed Liabilities shall be treated as Excluded Liabilities.

10.7 Accounts Receivable.

10.7.1 Within ten (10) days prior to the Closing Date, Seller shall provide Purchaser with a detailed listing of Seller's accounts receivable which arose from the provision of goods or services prior to the Closing Date and are anticipated to be outstanding on the Closing Date (the "**Pre-Closing AR Schedule**"), and Seller shall provide Purchaser with an update to such schedule as of the Closing Date as soon as possible post-Closing.

10.7.2 Except as set forth in the OTA between Seller and Purchaser, from and after the Closing Date, Purchaser, or its management agent shall assume responsibility for the billing for and collection of payments on account of services rendered or goods sold by Purchaser on and after the Closing Date and Seller shall retain all right, title and interest in and to and all responsibility for the collection of its accounts receivable for services rendered or goods sold prior to the Closing Date.

10.7.3 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services prior to the Closing Date, they shall either be retained by Seller if received by Seller, or if they have been received by Purchaser, they shall be remitted to Seller, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.4 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services from and after the Closing Date, they shall either be retained by Purchaser if received by Purchaser, or if they have been received by Seller, they shall be remitted to Purchaser, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.5 Except as set forth in the OTA, if any payments are received by Purchaser after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to then current amounts owed the Purchaser to reduce post-Closing Date balances and Purchaser shall remit to Seller any excess up to the amount due Seller for pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) within five (5) Business Days after receipt.

10.7.6 Except as set forth in the OTA, if any payments are received by Seller after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying

remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) and Seller shall remit the excess, if any, to Purchaser to reduce any post-Closing Date balances within five (5) Business Days after receipt.

10.7.7 Seller shall have the right during normal business hours and on reasonable notice to Purchaser to inspect Purchaser's books and records with respect to the accounts receivable received by it after the Closing Date from residents with balances due as of the Closing Date.

10.8 Access to Records.

10.8.1 From and after the Closing Date and, except as otherwise specifically provided below, for a period of seven (7) years thereafter, each party hereto agrees to give the other (and their agents and representatives) reasonable access to (upon reasonable prior written notice and during normal business hours), and to make copies of (at the requesting party's expense), the books and records and supporting material of the Facility which are in said party's possession, to the extent reasonably necessary to enable said party to among other things investigate and defend malpractice, employee or other claims and to file or defend cost reports and tax returns.

10.8.2 Seller shall have the right, at its sole cost and expense, within three (3) days of the delivery of a request therefor to Purchaser to enter the Facility and remove originals or copies of any of the records delivered to Purchaser for purposes of litigation involving a resident or employee to whom such record relates. If an officer of or counsel for Seller certifies that an original of such record must be produced in order to comply with applicable law or the order of a court of competent jurisdiction in connection with such litigation then the records so removed shall be an original. Any record so removed shall promptly be returned to Purchaser following its use, and nothing herein shall be interpreted to prohibit Purchaser from retaining copies of any such documents. All cost of making such copies shall be for the account of Seller. Upon request of Seller, Purchaser shall cooperate with such requests and shall make its employees available to comply with such requests and assist in responding to such litigation requests provided that their availability is requested during normal business hours and does not interfere with the performance of their duties for Purchaser. In the event such use of Purchaser's employees to assist Seller is more than de minimis, Seller shall pay Purchaser's costs for the employee time spent assisting Seller.

10.9 Operating Contracts. Purchaser shall review the Operating Contracts and inform Seller during the Due Diligence Period which of such Operating Contracts Purchaser desires to assume effective as of the Closing Date (the "**Designated Operating Contracts**"). Further, the parties hereby acknowledge and agree that notwithstanding any provision to the contrary herein, no national Operating Contracts will be assigned by Seller to Purchaser at Closing ~~[NOTE— NATIONAL CONTRACTS COVER MANY OF SELLER'S OTHER PROJECTS AND THEREFOR ARE NOT ASSUMABLE BY PURCHASER. PURCHASER CAN ENTER INTO ITS OWN CONTRACT WITH THE SERVICE PROVIDER IF NEED BE].~~ Seller shall use commercially reasonable efforts to obtain any third party consents required in connection with the assignment to Purchaser of the Designated Operating Contracts, it being understood and agreed

that (i) if a Designated Operating Contract requires consent of the counterparty to be assigned to Purchaser, such Designated Operating Contract shall not be assigned unless and until the requisite consent is received and (ii) if any principal or affiliate of Seller has guaranteed the obligations of Seller under any Designated Operating Contract, the same shall not be assigned to Purchaser unless and until the guarantor has been released from his/her/its guaranteed obligations effective from and after the Closing Date. Effective as of the Closing Date, the Designated Operating Contracts that may be assigned hereunder shall be referred to herein as the "Assumed Operating Contracts." At Closing, subject to **Section 5.1.1(I)**, (i) Seller shall assign the Assumed Operating Contracts to Purchaser pursuant to the Assignment, and (ii) terminate any Operating Contracts which are not Assumed Operating Contracts hereunder. In either case, Seller shall be responsible to pay balances owed under all Operating Contracts for good ordered and services provided prior to the Closing Date.

10.10 Benevolent Residents. The parties acknowledge that presently there are two (2) continuing care residents ("Benevolent Residents") at the Facility who are no longer paying a portion of their care costs due under their Resident Agreements. Seller agrees to subsidize all care costs associated with the Benevolent Residents that are not covered by Medi-Cal post-Closing until such time as the Benevolent Residents are no longer residents at the Facility. Seller shall provide the names of the Benevolent Residents to Purchaser at Closing. After Closing and on a monthly basis, Purchaser shall provide to Seller an accounting of any care costs due from Seller for the Benevolent Residents, and Seller shall pay any undisputed costs within ten (10) business days of Purchaser's request therefor. If Seller contests any of the costs due to Purchaser for the Benevolent Residents, Seller and Purchaser shall use good faith efforts to resolve any such dispute for a period of thirty (30) days thereafter, and if the parties are unable to resolve the dispute, either party shall have the right to submit the dispute to mediation for resolution before Judicial Arbitration and Mediation Service in Los Angeles, California. Purchaser shall be solely responsible for all costs and expenses associated with any residents who apply for benevolence after the Effective Date.

11. **Termination and Remedies.**

11.1 **Termination.** This Agreement may be terminated as follows:

11.1.1 By mutual written agreement of Purchaser and Seller;

11.1.2 By Seller, if any of the conditions set forth in **Section 5.2** are not fulfilled on the Closing Date, unless resulting from a material breach by Seller of its obligations hereunder, and the same shall not have been waived in writing by Seller;

11.1.3 By Purchaser, if any of the conditions set forth in **Section 5.1** are not fulfilled on the Closing Date, unless resulting from a material breach by Purchaser of its obligations hereunder, and the same shall not have been waived in writing by Purchaser; provided that if Purchaser becomes aware of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller; provided Purchaser shall elect any such termination right, if at all, within five (5) Business Days after Purchaser becomes aware of such matter;

11.1.4 By Seller in the event of a material default by Purchaser of its obligations hereunder or by Purchaser in the event of a material default by Seller of its obligations hereunder; or

11.1.5 By Purchaser pursuant to **Section 9.2** (Damage or Condemnation).

11.2 Opportunity to Cure. No Party to this Agreement may claim termination or pursue any other remedy referred to in this Section on account of a breach of a condition, covenant or warranty by the other Party, without first giving the other Party written notice of such breach and not less than ten (10) days within which to cure such breach. The Closing Date shall be postponed for up to ten (10) days if necessary to afford such opportunity to cure.

11.3 Seller's Remedies Upon Termination. In the event Seller has the right to terminate this Agreement under **Section 11.1.2** because a condition of closing has not been met (rather than because of a material default by Purchaser), then Escrow shall return the Deposit to the Purchaser and escrow shall be cancelled. In the event Seller has the right to terminate this Agreement under **Section 11.1.4** because of a material default by Purchaser, Purchaser and Seller acknowledge and agree as follows:

SELLER SHALL BE ENTITLED TO TERMINATE THIS AGREEMENT AND TO RETAIN THE DEPOSIT AND ANY INTEREST ACCRUED THEREON AS SELLER'S SOLE AND EXCLUSIVE REMEDY AND ALL ACCRUED INTEREST THEREON AS LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGING AND AGREEING THAT THE AMOUNT OF DAMAGES WHICH SELLER MAY INCUR AS A RESULT OF SUCH TERMINATION MAY BE DIFFICULT TO ASCERTAIN AND THAT THE DEPOSIT (OR SO MUCH THEREOF AS MAY, AT THE TIME OF TERMINATION, HAVE BEEN DELIVERED BY PURCHASER TO ESCROW AGENT IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT) IS A REASONABLE AND FAIR ESTIMATE THEREOF, AFTER WHICH THE PARTIES SHALL HAVE NO FURTHER RIGHTS OR OBLIGATIONS HEREUNDER OTHER THAN THOSE RIGHTS AND OBLIGATIONS, IF ANY, WHICH SPECIFICALLY SURVIVE TERMINATION OF THIS AGREEMENT.

11.4 Purchaser's Remedies Upon Termination. In the event Purchaser has the right to terminate this Agreement under **Section 11.1.3** because a condition of closing has not been met (rather than because of a material default by Seller), then Purchaser shall have the right either to (i) waive the condition at issue and proceed with the Transaction on the terms contemplated herein, or (ii) terminate this Agreement and secure the return of the Deposit and any accrued interest thereon. In the event Purchaser has the right to terminate this Agreement under **Sections 11.1.5** because a because of a material default by Seller, Purchaser and Seller acknowledge and agree that Purchaser's sole and exclusive remedy shall be:

11.4.1 TO TERMINATE THIS AGREEMENT UPON DELIVERY OF WRITTEN NOTICE TO THE SELLER AND ESCROW AGENT (IN WHICH CASE, EXCEPT AS OTHERWISE SET FORTH HEREIN AS EXPRESSLY SURVIVING A TERMINATION OF THIS AGREEMENT AND THE PARTIES' DUTIES UNDER THIS SECTION, THE

RESPECTIVE RIGHTS, DUTIES AND OBLIGATIONS OF PURCHASER AND SELLER UNDER THIS AGREEMENT SHALL FORTHWITH TERMINATE WITHOUT FURTHER LIABILITY) AND RECOVER THE DEPOSIT AND BE REIMBURSED FOR PURCHASER'S DOCUMENTED OUT-OF-POCKET EXPENSES INCURRED BY PURCHASER IN CONNECTION WITH THIS AGREEMENT OR ITS INVESTIGATION OF THE PROPERTY (SUCH AMOUNT NOT TO EXCEED \$75,000). SELLER SHALL PAY ANY CANCELLATION CHARGES DUE TO ESCROW AGENT AND THE TITLE COMPANY. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES AND PURCHASER HEREBY WAIVES ANY AND ALL RIGHT TO PURSUE SUCH DAMAGES; OR

11.4.2 PURCHASER MAY INSTITUTE AN ACTION (WITHOUT THE NECESSITY OF PROVING IRREPARABLE HARM OR POSTING SECURITY) (A "SPECIFIC PERFORMANCE ACTION") SEEKING SPECIFIC PERFORMANCE OF SELLER'S OBLIGATIONS UNDER THIS AGREEMENT SO LONG AS PURCHASER SHALL HAVE FILED THE SPECIFIC PERFORMANCE ACTION WITHIN SIXTY (60) DAYS OF THE DATE THE CLOSING WAS TO HAVE OCCURRED. PURCHASER IS EXPRESSLY PROHIBITED FROM RECORDING A NOTICE OF LIS PENDENS AGAINST THE PROPERTY.

IF PURCHASER RECOVERS LIQUIDATED DAMAGES IN ACCORDANCE WITH SECTION 12.1(a), SUCH AMOUNTS SHALL BE DEEMED TO CONSTITUTE A REASONABLE ESTIMATE OF PURCHASER'S DAMAGES UNDER THE PROVISIONS OF SECTION 1671 OF THE CALIFORNIA CIVIL CODE AND SHALL CONSTITUTE PURCHASER'S SOLE AND EXCLUSIVE REMEDIES FOR SELLER'S FAILURE TO CLOSE ESCROW.

THE FOREGOING SHALL NOT LIMIT PURCHASER'S RIGHTS OR REMEDIES (WHETHER ARISING AT LAW OR IN EQUITY) TO RECEIVE REIMBURSEMENT FOR ATTORNEYS' FEES AND COSTS IN ACCORDANCE WITH THIS AGREEMENT OR FOR ANY CLAIMS RELATING TO SELLER'S WILLFUL MISCONDUCT OR FRAUD, NOR WAIVE OR AFFECT PURCHASER'S RIGHTS AND SELLER'S OBLIGATIONS UNDER ANY SECTION HEREIN WHICH STATES THAT AN OBLIGATION ON THE PART OF SELLER SURVIVES THE CLOSING OR THAT SELLER SHALL INDEMNIFY AND/OR DEFEND PURCHASER.

BY INITIALING BELOW, THE PARTIES ACKNOWLEDGE AND AGREE THAT BASED UPON THE CIRCUMSTANCES NOW EXISTING, KNOWN OR UNKNOWN, IT WOULD BE EXTREMELY DIFFICULT, COSTLY AND IMPRACTICAL TO ESTABLISH DAMAGES FOR EITHER PARTY. ACCORDINGLY, BOTH PURCHASER AND SELLER, BY THEIR RESPECTIVE INITIALS SET FORTH BELOW, DO HEREBY ACKNOWLEDGE AND AGREE THAT TERMS SET FORTH IN THIS SECTION 11.4 ARE NEGOTIATED AND REASONABLE.

11.5 Other Termination Provisions. In the event this Agreement is terminated pursuant to **Sections 11.1.1** (mutual agreement) or **Section 11.1.5** (damage or condemnation), then the Deposit and any accrued interest thereon shall immediately be refunded and returned to Purchaser.

11.6 Post-Termination. Following the conveyance of the amounts due to the appropriate Party under this **Section 11**, neither Party shall have any further rights or obligations hereunder other than those rights and obligations, if any, which specifically survive termination of this Agreement.

12. **Notices.** All notices, demands or other communications given hereunder shall be in writing and shall be given by (a) messenger or overnight express delivery service, (b) certified mail return receipt requested, postage prepaid, at a post office maintained by the United States Postal Service, or (c) by electronic transmission with confirmed receipt, addressed as follows:

13. **Indemnities.**

13.1 **By Seller to Purchaser.** From and after the Closing Date, Seller shall indemnify, defend and hold Purchaser harmless from and against any and all costs, losses, damages, liabilities, claims and obligations, including, but not limited to, reasonable attorneys' fees (the "**Losses**") arising from or related to: (a) the ownership and operation of the Seller's Assets prior to the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Purchaser, the designee of Purchaser to operate the Facility, or any affiliate of Purchaser; and (b) any material misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part of Seller under this Agreement.

13.2 **By Purchaser to Seller.** From and after the Closing Date, Purchaser shall indemnify, defend and hold Seller harmless from and against any and all Losses arising from or related to: (a) the ownership and operation of the Seller's Assets from and after the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Seller or any affiliate of Seller; (b) any misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part on the part of Purchaser under this Agreement; and (c) against any and all Losses which Seller may incur as a result of physical damage or injury to any person or property as a result of the acts or omissions of Purchaser or its agents or employees while performing the Due Diligence Investigation with respect to the Seller's Assets.

13.3 **Method of Indemnification.**

13.3.1 In the event that any claim for Losses (a "**Claim**") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "**Indemnitee**") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "**Indemnitor**") in writing of Indemnitee's Claim and shall endeavor to do so reasonably promptly after becoming aware of the same; provided, however, that unless the Indemnitee's failure to timely notify the Indemnitor of Indemnitee's Claim materially prejudices Indemnitor's ability to defend any such Claim as more particularly set forth below, Indemnitee's failure to timely notify Indemnitor of Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect subject to the applicable terms hereof. If the Indemnitee fails to provide timely notice of Indemnitee's Claim, the Indemnitor will not be obligated to indemnify the Indemnitee with respect to such Claim to the extent (and only to the extent) that the Indemnitor's ability to defend such Claim has been materially prejudiced by such failure of the Indemnitee to timely notify Indemnitor of the same.

13.3.2 If the applicable Indemnitee Claim relates to a Claim made by a third party against Indemnitee, then the Indemnitor at its sole cost and expense shall defend, with counsel reasonably satisfactory to the Indemnitee, such Claim by all appropriate proceedings, which proceedings will be diligently prosecuted to a final conclusion or will be settled at the discretion of the Indemnitor (with the consent of the Indemnitee, which shall not be unreasonably withheld and which shall be deemed to be provided if such settlement provides a release to the Indemnitee without the payment of any amount or the taking of any action or admission of liability by the Indemnitee). The Indemnitee will cooperate in such defense at the sole cost and expense of the Indemnitor. Notwithstanding the foregoing, if the named parties to any proceeding include both the Indemnitee and the Indemnitor and, in the reasonable opinion of counsel to the Indemnitee, representation of both parties by the same counsel would be in conflict or otherwise inappropriate due to actual or potential differing interests between them, then the Indemnitee shall be entitled to retain separate counsel for the Indemnitee, at the expense of the Indemnitor (provided that the costs and expenses of such separate counsel are reasonable).

13.4 Survival. All indemnities, warranties and representations of Purchaser and Seller herein shall survive the Closing for a period of twelve (12) months, after which they shall terminate and be of no further force or effect except with respect to claims made within such period, in which case the applicable indemnity, warranty and/or representation shall survive until the full and final resolution thereof. Notwithstanding the foregoing, the indemnity period for Seller's indemnity in **Section 13.1** shall survive through the applicable Statute of Limitations (which Statute of Limitations period shall begin to run when any claimed pre-Closing event occurred) for any third party claim as may apply (the "**Survival Period**"). In addition, Purchaser's indemnity in **Section 13.2** shall survive the termination of this Agreement for the Survival Period.

13.5 Limitations. Except as otherwise specifically set forth in this Section neither Seller nor Purchaser shall have any right to seek indemnity against the other Party pursuant to **Section 13.1** or **Section 13.2** either (A) where the claim is made after the Survival Period or (B) unless the amount of such indemnity claim, individually or when taken together with all other such indemnity claims hereunder, is at least equal to Ten Thousand and No/100 Dollars (\$10,000.00) (the "**Indemnity Floor**"), after which the Indemnitor shall be responsible for any such Indemnitee's Claims on a first dollar basis, or (C) for any such indemnity claims hereunder in an aggregate amount in excess of Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) (the "**Indemnity Cap**"). Attorneys' fees arising out of any indemnified third party claim shall be subject to such Indemnity Cap, provided, that any attorneys' fees and costs payable to the prevailing Party arising out of any dispute between Seller and Purchaser hereunder, including, without limitation, to enforce any Indemnitee Claim, shall not be subject to the Indemnity Cap. Notwithstanding anything to the contrary set forth in **Section 13.4** or **Section 13.5**, (i) neither the Indemnity Floor nor the Indemnity Cap shall apply in the case of claims that allege fraud on the part of the Party named therein, or (ii) the prorrations and adjustments to be made pursuant to **Section 6** hereof.

14. **Confidentiality and Non-Solicitation**

14.1 Confidentiality. Seller and Purchaser acknowledge that the other party may be irreparably damaged if the confidential knowledge and information possessed or hereafter acquired

by either party relating to the Business (which shall include the terms of this Agreement and other agreements delivered pursuant to this Agreement and all other non-public information regarding either party and/or the Business, including, without limitation, trade secrets or technology/inventions now known or hereafter discovered, and information reflecting or pertaining to research, developments, techniques, purchasing, marketing, business plans and strategies, accounting, licensing, know-how, methods, projects, processes, computer hardware and programs, software libraries, databases, compositions, discoveries, cost systems, personnel data, customer lists, business partner names and lists (including, but not limited to, vendors, suppliers, licensees, licensors, franchisees, referral sources, and consultants), training, the particular needs and requirements of customers and/or business partners, the identity of customers and potential customers, business partners and potential business partners, pending business transactions, pricing for customers or potential customers, pricing of business partners or potential business partners, policies and procedures, equipment and materials used by either party, methods used in the recruiting or placement of personnel by either party and methods and marketing of products or services by either party) were disclosed to or utilized on behalf of others. Accordingly, neither party shall directly or indirectly: (i) disclose to any Person any non-public information concerning the Business or any of the terms of this Agreement or the other agreements delivered pursuant to this Agreement, for any reason or purpose whatsoever; or (ii) make use of any such non-public information for either party's own purpose or for the benefit of any other Person.

14.2 For a period of one (1) year after termination of the Interim Lease, Interim Management Agreement and OTA following issuance of a new license for Purchaser' operation of the SNF, Seller shall not, directly or indirectly:

14.2.1 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Purchaser to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser;

14.2.2 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Seller on the Closing Date or within the year preceding the Closing Date to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser; or

14.2.3 hire or attempt to hire any employee or independent contractor of Purchaser or in any way interfere with the relationship between Purchaser and any of its employees or independent contractors; provided the parties acknowledge and agree that Seller will retain the employees ("**Retained Employees**") listed on **Schedule 14.2.3** hereto from and after Closing.

14.2.4 The foregoing restrictions on solicitation shall not restrict general advertising or residents or employees initiating contact with Seller or Seller affiliates for purposes of relocating to another senior living facility operated by Seller or affiliates of Seller.

14.3 If, at the time of enforcement of this **Section 14**, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties agree that the maximum period, scope or geographical area reasonable under such circumstances shall be

substituted for the stated period, scope or area so as to protect Purchaser to the greatest extent possible under applicable law from improper competition. The parties hereto acknowledge that money damages would be an inadequate remedy for any breach of this **Section 14** and that Purchaser would be irreparably damaged if any party were to breach the covenants set forth in this **Section 14**. Therefore, in the event of a breach or threatened breach of this **Section 14**, Purchaser, or their respective successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions of this **Section 14** (without posting a bond or other security). If Purchaser prevails in any legal proceedings to enforce this Agreement, then Purchaser is also entitled to recover its costs and fees incurred, including reasonable attorney's fees and out-of-pocket costs.

14.4 Seller acknowledges that the foregoing restrictions are supported by sufficient consideration and other benefits that they have received and will receive hereunder. They also acknowledge that the restrictions protect against unfair competition and that the restrictions do not prevent them from earning a living given their education, skills, and ability. Seller agrees and acknowledge that (i) Purchaser has required that Seller make the covenants set forth in this **Section 14** as a condition to Purchaser's obligations to consummate the transactions contemplated hereby; and (ii) the provisions of this **Section 14** are reasonable and necessary to protect and preserve the Business.

15. **Miscellaneous.**

15.1 **Entire Agreement.** This Agreement, including the Exhibits and Schedules attached hereto, constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof, and supersede all prior discussions, negotiations or writings with respect to such subject matter, including, but not limited to, that certain Letter of Intent executed as of March 29, 2022. This Agreement may not be modified, amended or cancelled except pursuant to the terms hereof or an instrument in writing signed by the Parties. The Schedules and Exhibits annexed hereto are hereby incorporated herein by reference as fully as though set forth herein.

15.2 **Time is of the Essence.** Time is of the essence with respect to all terms, conditions, provisions and covenants of this Agreement.

15.3 **Waiver.** No waiver of any term, provision or condition of this Agreement shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

15.4 **Public Announcements.** Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and to issue no press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders.

15.5 Attorneys' Fees in the Event of Litigation. Except as provided otherwise in this Agreement, in the event any dispute between the Parties results in litigation, the prevailing Party shall be reimbursed for all reasonable costs, including, but not limited to, reasonable attorneys' fees and consultants' fees and reimbursable costs and expenses, whether at trial, upon appeal or otherwise.

15.6 Jurisdiction; Venue. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS RULES OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.

15.7 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

15.8 Headings and Business Day. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement. Any day other than a Saturday, Sunday or other day on which commercial banks are authorized to close under the laws of the State of California is defined herein as either "Business Day".

15.9 Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

15.10 Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the

Parties; provided however, that (i) Seller shall not assign this Agreement without the prior written consent of Purchaser, and (ii) Purchaser shall not assign this Agreement without the prior written consent of Seller, other than an assignment to an entity owned or controlled by or under common control with Purchaser. Any assignment not permitted hereunder and undertaken without such prior written consent shall be deemed null and void.

15.11 Further Assurances. Between the Execution Date and the Closing Date, neither Seller nor Purchaser shall take any action which is inconsistent with its obligations under this Agreement. Further, whether prior to or after Closing, Seller and Purchaser shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the Party so executing and delivering said instrument.

15.12 Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but each term and provision shall be valid and be enforced to the fullest extent permitted by law.

15.13 Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, "any" shall mean "any and all", "or" shall mean "and/or", and "including" shall mean "including without limitation".

15.14 No Strict Construction. The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any of the Parties.

15.15 Confidentiality. Purchaser and its parent, subsidiary and affiliate entities will obtain access to confidential information of Seller that could cause material and irreparable damage to the business prospects of the Seller in the event that such information is disclosed or otherwise used if the Transaction contemplated in this Agreement is not concluded. Purchaser shall maintain the confidentiality of any information concerning the Seller which it obtains during its Due Diligence Review and shall return any Due Diligence Materials to Seller in the event the Transaction fails to close for any reason.

15.16 Calculation of Time Periods. Unless otherwise specified, (a) in computing any period of time described herein, the day of the act or event on which the designated period of time begins to run shall not be included and the last day of the period so computed shall be included and (b) if the last day of any period or any date otherwise specified hereunder is a Saturday, Sunday or legal holiday, the period shall run until, or such date shall be automatically revised to, the next day which is not a Saturday, Sunday or a legal holiday. Further, unless otherwise specified, any reference to a specified number of days shall be deemed to refer to calendar days. This obligation shall survive the Closing or termination of this Agreement.

15.17 Exhibits and Schedules. If any exhibits or schedules are not attached hereto, the Parties agree to attach such exhibits and schedules as soon as reasonably practicable and that it shall be a condition to the non-preparing Party's obligations hereunder that any Exhibits and Schedules attached hereto after the Execution Date shall be subject to the review and approval of the non-preparing Party. The Parties hereto agree that the Party charged with providing an exhibit or schedule to this Agreement shall, to the extent necessary after delivery thereof (but subject to the following sentence) amend and/or supplement all exhibits and schedules in order for the same to be current, true and correct as of the Closing Date. In furtherance and not in limitation of the foregoing, Purchaser acknowledges and agrees that the pendency of the Transaction provided for in this Agreement may, from time to time, require Seller to amend and/or supplement the exhibits and schedules attached hereto, provided that no such amendment or supplement shall be effective or modify the representations and warranties herein unless approved by Purchaser in its reasonable discretion.

15.18 Third Party Beneficiary. Nothing in this Agreement express or implied is intended to and shall not be construed to confer upon or create in any person (other than the Parties) any rights or remedies under or by reason of this Agreement, including without limitation, any right to enforce this Agreement.

15.19 1031 Exchange. Purchaser and Seller acknowledge that either Party may wish to structure this transaction as a tax deferred exchange of like kind property within the meaning of Section 1031 of the Internal Revenue Code. Each Party agrees to reasonably cooperate with the other Party to effect such an exchange; provided, however, that (a) the cooperating Party shall not be required to acquire or take title to any exchange property, (b) the cooperating Party shall not be required to incur any expense or liability whatsoever in connection with the exchange, including, without limitation, any obligation for the payment of any escrow, title, brokerage or other costs including attorneys' fees incurred with respect to the exchange, (c) no substitution of the effectuating Party shall release said Party from any of its obligations, warranties or representations set forth in this Agreement or from liability for any prior or subsequent default under this Agreement by the effectuating Party, its successors, or assigns, which obligations shall continue as the obligations of a principal and not of a surety or guarantor, (d) the effectuating Party shall give the cooperating Party at least ten (10) Business Days prior notice of the proposed changes required to effect such exchange and the identity of any Party to be substituted in the escrow, (e) the effectuating Party shall be responsible for preparing all additional agreements, documents and escrow instructions (collectively, the "**Exchange Documents**") required by the exchange, at its sole cost and expense, (f) the effectuating Party shall be responsible for making all determinations as to the legal sufficiency, tax considerations and other considerations relating to the proposed exchange, the Exchange Documents and the transactions contemplated thereby, and the cooperating Party shall in no event be responsible for, or in any way be deemed to warrant or represent any tax or other consequences of the exchange transaction, and (g) the election to effect such an exchange shall not delay the Closing of the transaction as defined herein.

15.20 Exclusivity. Unless this Agreement shall be terminated by Seller or Purchaser as provided herein, neither Seller nor any member, manager, officer, director, employee, authorized representative or agent of Seller shall, directly or indirectly, solicit, seek, enter into, conduct or

participate in any discussions or negotiations, or enter into any agreement with any person or entity, regarding the sale, lease or other transfer of all or any portion of the Seller's Assets.

15.21 Brokerage Commissions. Each of the Parties hereby represents, covenants, and warrants to the other that neither has employed any broker or finder in connection with the Transaction. Each Party agrees to indemnify and hold harmless the other from and against all liability, claims, demands, damages or costs of any kind, including attorneys' fees, arising from or connected with any broker's commission or finder's fee or commission or charge claimed to be due any other person arising from the Party's conduct with respect to the Transaction. This **Section 15.21** shall survive Closing.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be signed as of the Execution Date.

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, effective as of _____, 2022 (the "**Effective Date**"), HUMANGOOD SOCAL, a California non-profit public benefit corporation ("**Seller**") does hereby grant, bargain, sell, convey, transfer and assign to _____ LLC, a California limited liability company ("**Purchaser**") pursuant to the terms of that Purchase and Sale Agreement dated as of _____, 2022, between Seller and Purchaser (the "**Purchase Agreement**") all of their right, title and interest in and to, all and singular of the following:

1. All fixtures attached or appurtenant to the Real Property and the Facility (the "**Fixtures**");
2. All furnishings and equipment, including, but not limited to, tools, machinery, appliances, bed linens, inventory, food, housekeeping supplies, and all other tangible personal property located on or about the Real Property and the Facility which is owned by Seller (collectively, the "**Personal Property**");
3. To the extent assignable, all of the permits, licenses, approvals, entitlements, certifications and other governmental and quasi-governmental authorizations including, without limitation, bed rights, certificates of occupancy and other similar permits relating to all or any part of the Real Property and the Facility, and all amendments, modifications, supplements, general conditions and addenda thereto, required in connection with the ownership and the operation of the Facility;
4. Original and, to the extent in the possession of Seller or under the control of Seller, digital copies of all reports, drawings, plans, blueprints, studies, specifications, certificates of occupancy, building permits and grading permits relating to all or any part of the Real Property or the Facility and all amendments, modifications, supplements, general conditions and addenda thereto;
5. All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");
6. All of Seller's legal and equitable claims, causes of action, and rights, if any, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

7. All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

8. The owned vehicle described on Exhibit A hereto (the "**Vehicle**");

9. The goodwill associated with the operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the business of the Facility;

10. All books, files and records related to the operation of the Facility, including, but not limited to, original records for current residents and employees of the Facility, but specifically excluding (a) proprietary or organizational document and financial, accounting and/or tax records or Seller, (b) those documents whose disclosure is restricted by applicable law and (c) any records of former residents and employees which may be removed from the Facility by prior to the Closing Date; and

11. All computer hardware and software which are located at the Facility, owned by Seller and used in connection with the operation of the Facility, but specifically excluding any non-assignable software included in the Excluded Assets.

Except for the Excluded Assets identified in Section 1.2 of the Purchase Agreement.

TO HAVE AND TO HOLD, all and singular, the foregoing hereby sold, assigned, transferred and conveyed to Purchaser, its successors and assigns, to and for its own use and benefit.

Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

IN WITNESS WHEREOF, the Seller does hereby execute this Bill of Sale as of the day and year first set forth above.

FORM OF ASSIGNMENT

ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement (this "**Agreement**") is made and entered into effective as of the ____ day of _____, 2022 (the "**Effective Date**"), by and between HUMANGOOD SOCAL, a California non-profit public benefit corporation ("**Assignor**"), and _____ ("**Assignee**").

RECITALS

A. Assignor is the owner and operator of that certain continuing care retirement community commonly known as "Windsor" and "Windsor Manor", and located at 1230 E. Windsor Road, Glendale, CA (the "**Facility**").

B. Assignor, as Seller, has entered into that certain Purchase and Sale Agreement dated as of _____, 2022 (the "**Purchase Agreement**") pursuant to which Assignor has agreed to transfer and assign to Assignee all of Assignor's right title and interest in and to the Operating Contracts listed on Exhibit A hereto and the Resident Agreements (collectively, the "**Assumed Contracts**").

C. Assignor and Assignee are desirous of documenting the terms and conditions under which said assignment and assumption will occur.

D. Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants of the parties set forth herein, IT IS HEREBY AGREED AS FOLLOWS:

AGREEMENT

1. Assignment. Assignor does hereby sell, assign, transfer and convey to Assignee all of Assignor's right, title and interest, if any, in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or of its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or of its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

2. Assumption. Assignee does hereby accept the sale, assignment, transfer and conveyance of Assignor's right, title and interest in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to

the Effective Date or as a result of the acts or omissions of Assignor or its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

3. Governing Law; Amendment. This Agreement shall be governed by and construed in accordance with the laws of the State of California, and may not be amended or modified except by written instrument signed by the parties hereto.

4. Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

5. Attorneys' Fees. In the event of a dispute among the parties hereto with respect to the subject matter hereof, the prevailing party in any such dispute shall be entitled to collect from the other any and all attorneys' fees and costs.

6. Entirety. This Agreement represents the entire agreement of the parties hereto with respect to the subject matter hereof, it being understood and agreed that nothing herein shall affect the rights and obligations of Assignor and Assignee under the Purchase Agreement. This Agreement shall be subject to and governed by the terms and conditions of the Purchase Agreement. Notwithstanding any other provision of this Agreement, no provision of this Agreement shall in any way modify, amend, replace, change, rescind, waive, enlarge or in any way affect the express provisions (including the warranties, covenants, agreements, conditions, representations, or any of the obligations and indemnifications of the parties hereto) set forth in the Purchase Agreement, this Agreement being intended solely to effect the transfer and assignment of certain rights sold and purchased pursuant to and in accordance with the Purchase Agreement.

7. Notices. Any notice, request or other communication to be given by either party hereunder shall be in writing and shall be sent to the parties and in the manner specified in the Purchase Agreement.

8. Severability. Should any one or more of the provisions hereof be deemed to be invalid or unenforceable said determination shall not affect the validity or enforceability of the remaining terms hereof.

9. Captions. The captions in this Agreement have been inserted for convenience of reference only and shall not be construed to define or to limit any of the terms or conditions hereof.

Hereinafter the assets described in this **Section 1.1** shall sometimes be collectively referred to as "Seller's Assets." The parties hereby acknowledge and agree that HumanGood SoCal owns and operates seniors housing communities other than the Facility ("**Other Assets**"), and that Seller's Assets being sold hereunder do not include the Other Assets.

1.2 Excluded Assets. ~~Except as may be defined as a Seller's Asset~~^[GPH] ~~in Section 1.1 above,~~ Purchaser acknowledges and agrees that the Seller's Assets shall not include the following, all of which shall be and remain the property of Seller (the "**Excluded Assets**");

1.2.1 the Other Assets;

1.2.2 Seller's cash, including petty cash, or accounts receivable of Seller arising from the operation of the Facility prior to the Closing Date;

1.2.3 Except as provided in Section 1.1.3 above, Seller's proprietary or organizational documents, financial (including historical financials), accounting and/or tax records and other records that Seller is required by law to retain in its possession;

1.2.4 Seller's rights arising under this Agreement or under any other agreement between Purchaser and Seller;

1.2.5 any insurance policies in the name of either of the entities comprising Seller which are in effect at Closing with respect to any or all of the Seller's Assets;

1.2.6 Seller's deposits, including utility deposits and prepaid expenses accruing through the Closing Date, unless and to the extent that Seller is reimbursed therefor on the Closing Date;

1.2.7 any claim, cause of action, or right of recovery or settlement held by Seller against third parties including vendors, relating to the ownership and/or operation of the Facility on or before the Closing Date;

1.2.8 any and all proprietary and confidential materials, rights and information located at and used in connection with the ownership and/or operation of the Facility, including but not limited to, policy and procedure manuals;

1.2.9 any personal property identified on **Schedule 1.2.8** hereto (the "**Excluded Personal Property**");

1.2.10 the name "HumanGood" or "HumanGood SoCal" and any variations thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that Seller and its affiliates will continue to use the name HumanGood and HumanGood SoCal post-Closing. At Closing, Seller will grant to Purchaser a non-exclusive, nontransferable, limited license to use the name "Windsor" and "Windsor Manor" and all associated logos in connection with Purchaser's ownership and management of the Facility post-Closing, which license shall remain in place for a period of ninety (90) days post-Closing, or in the case of the skilled nursing facility ("SNF") that is part of the Facility (the "**Windsor Manor SNF**"), until the date that the California Department of Public Health ("**CDPH**") issues a new skilled nursing facility to Purchaser. The foregoing license provision shall survive the Closing; and

1.2.11 all contracts and agreements to which Seller may be a party in connection with the ownership and operation of the Facility which are not Assigned Contracts and the national contracts identified on **Schedule 1.1.5** hereto.

1.3 Assumption of Liabilities. Except for the deposits and obligations related to the Assigned Contracts arising on or after Closing, Purchaser does not hereby or in connection herewith assume any liability of Seller or any other party whatsoever in relation to the Seller's Real Property, Facility or the Business (the "**Assumed Liabilities**").

1.4 Notwithstanding the provisions of **Section 1.3** or any other provision in this Agreement to the contrary, ~~Buyer~~Purchaser shall not assume and shall not be responsible to pay, perform or discharge any liabilities of Seller of any kind or nature whatsoever other than the Assumed Liabilities (the "**Excluded Liabilities**"). Seller shall pay and satisfy in due course all

Excluded Liabilities, which shall include all monies owed by Seller under the Assigned Contracts through the Closing.

2. Purchase Price.

2.1 Purchase Price. The aggregate consideration for the Seller's Assets (the "**Purchase Price**") shall be Fourteen Million ~~Eight~~Five Hundred Thousand and No/100 Dollars (\$14,~~800~~500,000.00) plus the assumption of any Assumed Liabilities, subject to any proration adjustment contemplated in **Section 6.2** hereof. At the Closing, the Purchaser will deliver to Seller, by wire transfer or immediately available funds, an amount equal to the Purchase Price, less the Deposit as set forth in 2.1.1. as follows:

2.1.1 Deposit. Within two (2) business days after the Execution Date, Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Initial Deposit**") with Commonwealth Land Title, 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660 Attention: Kelly Ralph (the "**Escrow Agent**"). Within two (2) business days after the expiration of the Due Diligence Period (as defined below), Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Additional Deposit**") with Escrow Agent. The Initial Deposit and Additional Deposit shall be defined herein as the "Deposit". In the event the Closing occurs, the Deposit shall be applied against the Purchase Price. In the event the Closing fails to occur, the Deposit shall be remitted to the Seller or to Purchaser as set forth more fully in **Section 11**; provided, however, if Purchaser does not provide an Approval Notice (as defined below) prior to expiration of the Due Diligence Period for any reason, this Agreement and the escrow shall be cancelled, and the Initial Deposit immediately returned to Purchaser.

2.1.2 Balance of Purchase Price. The balance of the Purchase Price, less the Deposit, plus or minus any costs and prorations for which Seller and/or Purchaser are responsible under **Section 6.2** hereof shall be paid by wire transfer of immediately available funds at Closing.

2.2 Allocation of Purchase Price. The Purchase Price shall be allocated among the Seller's Assets in the manner set forth in **Schedule 2.2**.

2.3 Independent Consideration. As consideration for Seller's agreement to enter into this Agreement, Purchaser shall deliver directly to Seller, within two (2) business days following the Execution Date, the sum of One Hundred Dollars (\$100.00) (the "**Independent Consideration**"), which Independent Consideration shall be retained by Seller as Seller's sole property immediately upon receipt thereof and which shall be nonrefundable to purchaser in all events; provided, however, that the Independent Consideration shall be applied to the Purchase Price at Closing.

3. Closing

3.1 Time and Place of Closing. Subject to the satisfaction or waiver of the closing conditions set forth in **Section 5** below, the closing of the Transaction contemplated hereby (the "**Closing**") shall occur on the date that the California Department of Social Services ("**DSS**") approves Purchaser's new Residential Care Facility for the Elderly license ("**RCFE License**") to

operate the Facility post-Closing and issues Purchaser a Certificate of Authority ("COA") to enter into continuing care contracts with residents of the Facility post-Closing, such approval and issuance occurring on the same date, with documents to be released for recording and the funds released by Purchaser to Seller on or before 3:00 PM (Pacific Time) and shall be effective at 12:01 am on such date (the "**Closing Date**")~~);~~ provided that in the event the Closing has not occurred on or before December 31, 2023 [NOTE - SELLER NEEDS AN OUTSIDE DATE FOR CLOSING AS THE PSA CAN'T CONTINUE INDEFINITELY], Seller shall have the right to terminate this Agreement upon written notice to Purchaser in which case the Deposit shall be returned to Purchaser unless Purchaser is then in default and neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

3.2 Closing Process. The Closing shall occur through escrow and accordingly, at or prior to the Closing Date, the Parties shall deposit in escrow with the Escrow Agent all documents and monies necessary to close the transaction as herein provided. Closing shall occur in accordance with the procedures and instructions given by the Parties to the Escrow Agent prior to Closing.

4. Due Diligence; Title and Survey.

4.1 Due Diligence Investigation.

4.1.1 Within three (3) Business Days after the Opening of Escrow, Seller shall deliver to Purchaser or provide Purchaser access to all materials in Seller's possession or control relating to the Real Property or Facility including, but not limited to: (i) copies of the most recent property tax bills and assessments for the Property; (ii) copies of all documents evidencing interests not shown on the Title Report, if any, (iii) a copy of any and all leases, service contracts, easements, licenses, development approvals and/or other agreements related to the Real Property or Facility including, without limitation, contracts for design work thereon; (iv) any and all existing surveys of the Real Property; (v) any and all soils reports, reports pertaining to hazardous materials or other environmental conditions or other reports relating to the physical condition of the Real Property; (vi) any and all engineering documents relating to the Facility including, without limitation, plans and specifications prepared for Seller in connection with the development of the Real Property and Facility (the "**Plans and Specifications**"); (vii) any and all other correspondence, reports, studies, permits, approvals or documents relating to the Real Property or Facility, except for Seller's internal materials, documents, correspondence, and/or analysis; (viii) audited financial statements for the Business for the period ending December 31, 2019, 2020 and 2021 (the "**Financial Statements**"), as well as the three month period ending March 31, 2022; (ix) the general ledger and trial balance supporting the Financial Statements; (x) contracts and agreements and other documents material to the Business; (xi) a redacted current and complete employment files for list of all current employees; of Seller who work at the Facility, together with their dates of hire, positions and their annual salaries and other compensation; and (xii) and other documents ~~set forth on the Diligence Checklist related to the Business as set forth on Schedule~~ provided by Seller in accordance with this Section 4.1.1 (collectively, the "**Due Diligence Materials**"). In addition, Seller shall promptly deliver to Purchaser or provide Purchaser access to such other information relating to the Real Property, Facility and Business that is specifically and reasonably requested by Purchaser of Seller in writing to the extent such information is in the possession or control of Seller. Except as otherwise expressly set forth in this Agreement, Seller

makes no representations or warranties whatsoever regarding the Due Diligence Materials, including, without limitation, as to their completeness or accuracy. Prior to the expiration of the Due Diligence Period, Seller will provide to Purchaser a final list of the Due Diligence Materials provided to Purchaser.

4.1.2 During the period (the "**Due Diligence Period**") commencing on the later of the Execution Date and the delivery of all the Due Diligence Items in Seller's possession or control, and ending forty-five (45) days thereafter, Purchaser will have the right, at its sole cost and expense, to conduct such investigations with respect to Seller's Assets as it deems to be necessary in the exercise of its sole and absolute discretion in connection with its purchase thereof, including without limitation, environmental site assessments, property condition reports, appraisals, engineering tests and studies, physical examinations of the Property, and feasibility studies, as well as inspections of the financial condition and operations of the Facility.

4.1.2.1 At all reasonable times from the date of this Agreement to the Closing, or earlier termination of this Agreement, upon forty-eight (48) hours prior written notice to Seller, Purchaser and their respective employees, agents, consultants, managers and contractors (~~collectively, "Buyer Permitted Parties"~~) shall be entitled, at Purchaser's sole cost and expense, to: (a) enter onto the Real Property and Facility to perform any inspections, investigations, studies, and tests of the Real Property and Facility (including, without limitation, physical, engineering, soils, geotechnical, and environmental tests) that Purchaser deems reasonable; provided however that Purchaser shall not do any invasive testing on the land without the prior consent of Seller, which consent shall not be unreasonably withheld; (b) review all Due Diligence Materials; and (c) investigate such other matters pertaining to the Real Property, Facility and Business as Purchaser may desire. Any entry by Purchaser onto the Real Property shall be subject to, and conducted in accordance with, all applicable laws. Upon completion of any such testing, Purchaser shall immediately restore the Real Property and Facility to substantially the same condition as it existed prior to Purchaser's entry under this **Section 4.1.2.1**. During the term of Escrow, Purchaser shall have the right to meet with representatives of the City and other governmental agencies having jurisdiction over the Real Property and Facility. Seller shall have the right to have a representative attend each and every meeting with representatives of the City and other governmental agencies having such jurisdiction. Seller shall cooperate with Purchaser in its investigation of the Real Property, Facility and Business (the "**Due Diligence Review**").

4.1.2.2 Purchaser shall indemnify, defend and hold Seller and Seller's Assets harmless of and from any and all losses, liabilities, costs, expenses (including without limitation, reasonable attorneys' fees and costs of court at trial and on appeal), damages, liens, claims (including, without limitation mechanics' or materialmans' liens or claims of liens), actions and causes of action arising from or relating to Purchaser (or Purchaser's agents, employees, or representatives) entering on the Real Property and/or the Facility to test, study, investigate or inspect the same or any part thereof (except for the discovery of any pre-existing conditions). The foregoing indemnity shall expressly survive the Closing or the earlier termination of this Agreement.

4.1.2.3 Purchaser shall have the right at any time on or before the end of the Due Diligence Period (the "**Due Diligence Termination Date**"), to terminate this Agreement by

delivering a written notice of such termination to Seller and Escrow Agent if Purchaser determines, in its sole and absolute discretion, that the Seller's Assets are not acceptable to Purchaser for any reason. Purchaser shall indicate its satisfaction and/or waiver of the Due Diligence condition described in this **Section 4.1** by delivering written notice of such satisfaction and/or waiver ("**Approval Notice**") to Seller and Escrow Agent on or prior to the Due Diligence Termination Date. In the event Purchaser fails to timely deliver an Approval Notice, then this Agreement and the Escrow shall be automatically deemed terminated. In the event this Agreement is terminated in accordance with this Section, then the Initial Deposit shall be immediately returned to Purchaser and the parties shall thereafter be relieved from further liability hereunder, except with respect to any obligations under this Agreement that are expressly stated to survive any termination of this Agreement.

4.2 Title Matters. After the Execution Date, Purchaser will also conduct a review of the condition of title to the Real Property pursuant to the procedures outlined below:

4.2.1 Property Documents. After the Execution Date, to the extent not previously obtained, Seller shall obtain a title report or title commitment (the "**Title Commitment**") for a standard owner's title insurance policy with respect to the Property issued by Commonwealth Land Title (the "**Title Company**"), along with copies of all of the exception documents referenced therein and a map showing all easements plotted. Purchaser shall have the right, at its own cost and expense, to obtain a zoning compliance letter issued by the local zoning authority or a zoning report issued by a third party provider qualified in the preparation of such reports, an ALTA survey with respect to the Real Property (the "**Survey**") prepared by a surveyor selected by Purchaser, a Phase One Environmental Site Assessment (the "**Phase One**") and Property Condition Report.

4.2.2 Title Objections.

(a) Not later than fifteen (15) days after the receipt of the Title Commitment, Purchaser shall advise Seller in writing of its objections, if any, to the matters reflected in the Title Commitment (a "**Title Document Objection Letter**").

(b) Within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall specify by written notice delivered to Purchaser which of the objections described therein it will correct at or prior to the Closing Date and which of such objections it refuses to correct at or prior to the Closing Date (the "**Seller Title Document Response Notice**"). If Seller fails to deliver a Seller Title Document Response Notice within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall be deemed to have refused to correct any of the matters to which Purchaser objected in the Title Document Objection Letter. If Seller refuses to or is deemed to have refused to correct some or all of the matters objected to in the Title Document Objection Letter, Purchaser shall have five (5) days after receipt or deemed receipt of a Seller Title Document Response Notice in which to advise Seller of its decision to terminate this Agreement, in which case the Deposit shall be immediately returned to ~~Buyer~~[Purchaser](#). If Purchaser does not deliver a notice of termination under this Section, Purchaser shall be deemed to have waived its objections, notwithstanding the defects which Seller has refused to correct. In the event Purchaser elects to terminate this Agreement as

a result of the existence of matters contained in the Title Commitment which Seller refuses to correct by Closing, then the provisions of **Section 11** shall apply.

(c) Any matter reflected in the Title Commitment and not objected to by Purchaser or as to which Purchaser waives or is deemed to have waived its objections in accordance with the terms hereof, shall be deemed accepted by Purchaser and shall for purposes hereof be deemed to be the "Permitted Exceptions".

(d) If any update to the Title Commitment issued by the Title Company following the above reveals any additional lien or encumbrance, Purchaser shall have the right to object to the matters contained in such update in accordance with the provisions set forth above with a supplemental property document objection letter.

4.3 Access to Key Employees. Seller agrees to provide Purchaser with access to meet with Seller's executive director and other department heads (and no other employees of the Facility) during the Due Diligence Period. Such meetings shall be conducted with prior notice to and approval by Seller and in the presence of Seller. Purchaser shall not disclose to other members of Seller's staff or the residents, the existence of this Agreement, or of any proposed sale of the Facility. After the expiration of the Due Diligence Period, Seller shall provide Purchaser with access to the other employees of the Facility, which meetings shall also be conducted with prior notice to and approval by Seller and in the presence of Seller.

5. Conditions to Closing.

5.1 Purchaser's Conditions. Purchaser's obligation to purchase Seller's Assets hereunder is subject to fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Seller at the Closing) (the "**Purchaser's Closing Conditions**"), which conditions may be waived by Purchaser only in a writing executed by Purchaser:

5.1.1 Closing Deliveries. Seller shall have delivered to Purchaser or, if applicable, to the Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

(a) A Grant Deed in substantially the form annexed hereto as **Exhibit BA** (the "**Deed**") in proper form for recording, duly executed and acknowledged by Seller, sufficient to convey to Purchaser fee simple title to the Real Property, free and clear of all liens and encumbrances, other than the Permitted Exceptions;

(b) A bill of sale executed by Seller in substantially the form annexed hereto as **Exhibit CB** (the "**Bill of Sale**") sufficient to convey to Purchaser good and indefeasible title to the remainder of the Seller's Assets, free and clear of all liens, encumbrances and security interests;

(c) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit DC** (the "**Assignment**") duly executed by Seller with respect to the Assumed Operating Contracts and the Resident Agreements;

(d) Such title affidavits and indemnities as may be reasonably required by the Title Company in connection with the issuance of the Title Policy (as defined below);

(e) A Foreign Investment in Real Property Tax Act affidavit duly executed by Seller in substantially the form annexed hereto as **Exhibit ED**;

(f) A Form 1099-S identifying Seller's gross proceeds and tax identification number, if required by the Escrow Agent;

(g) A certificate, in form and substance reasonably acceptable to Purchaser, of Seller to the effect that the representations and warranties of Seller set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Seller has complied with all covenants of Seller set forth herein;

(h) A counterpart copy of the Seller's "Closing Statement" prepared by the Escrow Agent and approved and signed by Seller;

(i) Written closing instructions directed to the Escrow Agent;

(j) Documentation, reasonably acceptable to the Title Company, confirming the authority of Seller to execute and deliver this Agreement and all of the documents described in this **Section 5.1.1** and to consummate the Transaction contemplated hereby;

(k) An Interim Lease, Interim Management Agreement and OTA;

(l) The consent of all other parties to the Assumed Operating Contracts for each Assumed Operating Contract that requires the consent of another party prior to the consummation of the transaction contemplated by this Agreement; and

(m) Such other customary closing documents required from the sellers of real estate in the applicable city, state and county in which the Facility is located as Purchaser or the Title Company may reasonably require.

5.1.2 **Title Policy.** The Title Company shall be irrevocably and unconditionally prepared and committed to issue to Purchaser a standard, or if Purchaser has paid the additional cost thereof as contemplated by **Section 6.1.1**, an extended, coverage title insurance policy insuring Purchaser's title to the Real Property as of the Closing Date subject to no exceptions other than the Permitted Exceptions, with those endorsements reasonably requested by Purchaser (provided that such endorsements are available in the State of California and are paid for in accordance with the terms in this Agreement), in an amount equal to the part of the Purchase Price allocated to the Real Property and Facility (the "**Title Policy**").

5.1.3 **Representations and Warranties.** The representations and warranties of Seller contained in this Agreement shall be true, correct, and complete in all material respects as of the Closing Date and Seller shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.1.4 Seller's Performance. Seller shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Seller to be complied with or performed under the terms of this Agreement prior to or at Closing.

5.1.5 Licenses and Approvals. Purchaser and/or its designee shall have obtained a RCFE license and a COA from DSS. CDPH shall have received a SNF Change of Ownership application for Windsor Manor SNF from Purchaser that includes the executed Interim Lease and Interim Management Agreements required in **Sections 5.1.1(k)** and **5.2.2(g)**.

5.1.6 Due Diligence Review. ~~Buyer~~Purchaser shall have delivered an Approval Notice pursuant to **Section 4.1.2.3**.

5.1.7 New Encumbrances. Other than new Resident Agreements entered into in the ordinary course of business by Seller, Seller shall not have encumbered or granted any interest in or to the Property or any portion thereof to any party for any reason whatsoever, include the grant or dedication of any easements, any security interest or otherwise burden the title or use of the Property or any portion thereof after the Opening of Escrow.

~~5.1.8 No Changes. The Real Property and Facility shall be in substantially the same physical condition on the Closing Date as existed on the Opening of Escrow, ordinary wear and tear excepted.~~ [GP12]

5.2 Seller's Conditions. Seller's obligation to sell Seller's Assets hereunder is subject to the fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by ~~Buyer~~Purchaser at the Closing) (the "**Seller's Closing Conditions**"), which conditions may be waived by Seller only in a writing executed by Seller:

5.2.1 Purchase Price. Purchaser shall have delivered to Escrow Agent the Purchase Price as set forth in **Section 2** above.

5.2.2 Closing Deliveries. Purchaser shall have delivered to Seller or, if applicable, to Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

- (a) The executed Assignment;
- (b) A certificate, in form and substance reasonably acceptable to Seller, of Purchaser to the effect that the representations and warranties of Purchaser set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Purchaser has complied with all covenants of Purchaser set forth herein;
- (c) A counterpart copy of the Purchaser's "Closing Statement" prepared by the Escrow Agent and approved and signed by Purchaser;
- (d) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit DC** (the "**Assignment**") duly executed by Purchaser with respect to the Assumed Operating Contracts and the Resident Agreements;

- (e) Written closing instructions directed to the Escrow Agent;
- (f) Documentation, reasonably acceptable to Seller and the Title Company, confirming the authority of Purchaser to execute and deliver this Agreement and all of the documents described in this **Section 5.2.2** and to consummate the transaction contemplated hereby;
- (g) An Interim Lease, Interim Management Agreement and OTA; and
- (h) Such other customary closing documents required from the purchasers of real estate in the applicable city, state and county in which the Facility is located as Seller or the Title Company may reasonably require.

5.2.3 Representations and Warranties. The representations and warranties of Purchaser contained in this Agreement shall be true, correct and complete in all material respects as of the Closing Date and Purchaser shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.2.4 Attorney General and California Department of Social Services Approval. All consents, approvals and other authorizations from the Attorney General's Office, DSS, and any other consents or approvals necessary to transfer the Assets to Purchaser, have been obtained by Seller, without the imposition of conditions unsatisfactory to Seller in its sole discretion.

5.2.5 Purchaser's Performance. Purchaser shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Purchaser to be complied with or performed under this Agreement prior to or at Closing, including Purchaser and/or its designee having obtained the Residential Care Facility for the Elderly license and Certificate of Authority per **Section 5.1.5**.

5.3 Conditions Generally. The foregoing conditions are for the benefit only of the Party for whom they are specified to be conditions precedent and such Party may, in its sole discretion, waive any or all of such conditions and proceed with the Closing under this Agreement without any increase in, abatement of or credit against the Purchase Price.

6. Closing Costs and Prorations.

6.1 Costs and Expenses. All costs and expenses associated with the Transaction shall be allocated between the Parties as follows:

6.1.1 Seller shall pay the cost of a standard coverage title insurance policy with respect to the Real Property in the amount of the Purchase Price and Purchaser shall pay the additional cost to secure extended coverage and for all endorsements, as well as the cost of the Survey and any lender's title insurance policy which Purchaser may elect to obtain.

6.1.2 Seller shall pay for the transfer taxes applicable to the sale of the Real Property.

6.1.3 Purchaser shall pay all of the costs associated with the Due Diligence Review.

6.1.4 Each of the Parties shall each pay their own legal fees and expenses.

6.1.5 Purchaser and Seller shall share on a 50-50 basis all escrow fees.

6.1.6 Seller shall pay the cost of recording the Deed and all recording fees required to remove any exceptions from title other than the Permitted Exceptions and Purchaser shall pay any other recording fees.

6.1.7 Purchaser shall pay any and all filing fees and all other costs which may be due in connection with securing the Purchaser's licenses and permits necessary to operate the Facility.

6.2 Prorations and Adjustments.

6.2.1 All of the revenues and expenses related to the ownership of the Seller's Assets and the operation of the Facility as of the Closing Date shall be prorated between Seller and Purchaser, with Seller entitled to such revenues and responsible for such expenses for the period prior to the Closing Date and with Purchaser entitled to such revenues and responsible for such expenses for the period from and after the Closing Date. For the avoidance of doubt, any market rate fees due to any resident referral/placement agencies shall be the responsibility of Seller to the extent the applicable resident commenced occupancy at the Facility at any time prior to the Closing Date and shall be the responsibility of Purchaser to the extent the applicable resident commences occupancy at the Facility at any time on or after the Closing Date. Similarly, any amounts due under ~~Seller contracts~~[the Operating Contracts](#) relating to the Facility and Business for services [rendered](#) or goods received ~~incurred~~ prior to the Closing Date, whether an Assigned Contract or not, shall be the responsibility of Seller. Further, the parties acknowledge and agree that post-Closing Seller will continue to collect certain governmental receivables for services rendered by Seller prior to Closing as set forth in Section ~~—below~~[10.7 below and pursuant to the terms of the OTA](#).

6.2.2 Real and personal property taxes shall be prorated as of the Closing Date, with Seller responsible therefor for the period prior to the Closing Date and with Purchaser responsible therefor for the period from and after the Closing Date. Such proration shall be based on the most recently available tax bills and shall be subject to re-proration after Closing in accordance with the provisions of **Section 6.2.3** below.

6.2.3 Prior to Closing, Seller shall arrange for a final statement with respect to all utilities serving the Real Property and the Facility as of the Closing Date and shall pay all fees identified thereon and Purchaser shall arrange for all such utilities to be billed in its name from and after the Closing Date and shall pay all fees due therefor as of the Closing Date.

6.2.4 All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the Closing Date shall be settled within sixty (60) days after the Closing Date or, in the event the information necessary for such adjustment is not

available within said sixty (60) day period, then within ten (10) Business Days of receipt of information by either Party necessary to settle the amounts subject to proration and, unless otherwise set forth herein, any payment owed shall be made within fifteen (15) days of a Party's receipt of a request for payment. In the event of a disagreement regarding any item(s) (or the amount of any item(s)) subject to proration under the terms of this Agreement, Seller and Purchaser shall negotiate in good faith to resolve any such disagreement within ten (10) Business Days after either Party articulates to the other a basis for disagreement. If the Parties are unable to resolve such dispute within ten (10) Business Days, then the Parties shall appoint an independent accounting firm of national or regional reputation as is mutually acceptable to the Seller and Purchaser and having no current relationship with either Seller or Purchaser or any affiliate thereof (an "**Independent Accounting Firm**"), which shall review the items then subject to disagreement and determine the appropriate proration within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The determination by the Independent Accounting Firm with respect to each item in dispute shall be conclusive and binding on the Parties hereto. All fees and expenses billed by the Independent Accounting Firm in connection with the resolution of disputes under this Section shall be borne one-half by Seller and one-half by Purchaser.

6.2.5 This **Section 6** shall survive the Closing.

7. **Seller's Representations, Warranties and Covenants.** Seller does hereby warrant and represent to Purchaser solely in its capacity as the owner of the Facility and the Real Property (and not on behalf of any facility or other real or personal property owned by Seller) as follows:

7.1 **Organization and Authority.** Seller is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California. Seller has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

7.2 **Enforceability; No Conflict.** This Agreement is valid, binding and enforceable against Seller in accordance with its terms, except as such enforceability may be limited by creditors' rights laws. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under or violation of the Seller's organizational documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Seller is now a party or by which Seller or any of the assets of Seller may be bound or affected. Except with respect to the approvals provided for in **Section 5.2.4** above, with respect to Seller, no other consent, approval, order or authorization of or from, or registration, notification, declaration or filing with any Person, including without limitation, any Government Entity, is required in connection with the execution, delivery or performance of this Agreement by Seller or the consummation by Seller of the transactions contemplated herein.

7.3 Litigation. Except as disclosed to Purchaser on **Schedule 7.3** hereto, there is no pending or, to Seller's knowledge, threatened litigation, administrative investigation or other proceeding with respect to or affecting Seller, the Real Property, the Facility or the Business, at law or in equity. Seller is not a party to, nor is Seller or the Real Property, Facility or Business bound by, any orders, judgments, injunctions, decrees or settlement agreements under which Purchaser may have continuing obligations after the Closing Date. ~~To Seller's knowledge, there are no facts, circumstances or conditions that would reasonably be expected to form the basis for any action against or affecting Seller, the Real Property, the Facility, Business, or the transactions contemplated hereby.~~ **Schedule 7.3** lists all ongoing actions against the Seller at law or in equity, and Seller will provide a summary of any general/professional liability and property claims from the prior two (2) years with the Due Diligence Materials.

7.4 Compliance with Law. Seller has received no written notice that the Facility or Business is not in compliance with applicable laws, nor is Seller aware of any condition that would reasonably be expected to give rise to such non-compliance.

7.5 The Facility. The Facility is a licensed continuing care retirement community. Seller holds the following licenses and certificates ("**Licenses**"): (i) Residential Care Facility for the Elderly license issued by DSS, (ii) a Certificate of Authority issued by DSS, and (iii) a SNF license issued by CDPH. True and correct copies of the current Licenses to operate the Facility, the form of Resident Agreements in use at the Facility (the "**Resident Agreements**") and rent roll for the Facility (the "**Rent Roll**") have been provided to Purchaser as part of the Due Diligence Review. The Rent Roll shall be updated by Seller monthly. The Licenses are in full force and effect.

7.6 Employees of the Facility; Unions. All of the employees of the Business at the Facility are the employees of Seller. None of the employees of the Business at the Facility are members of a labor union or subject to any collective bargaining agreement nor to Seller's knowledge are such employees engaged in any union organizing activities or threatened an attempt to organize or establish any labor union or employee association to represent any employees. Seller is not a party to any labor dispute or grievances with respect to the operations at the Facility. Except as disclosed to Purchaser on **Schedule 7.3** hereto, Seller has received no written notice of nor does Seller have knowledge of any non-compliance with applicable laws governing employment and employee relations, including laws relating to employment discrimination, sexual harassment, civil rights, equal pay, wages, meal and rest breaks, hours, overtime, sick leave, collective bargaining and labor relations, occupational safety and health, workers' compensation, immigration, or the withholding and payment of income, social security (FICA) or similar taxes, and any similar laws of any foreign jurisdiction. Except as disclosed to Purchaser on **Schedule 7.3** hereto, to Seller's knowledge, no action alleging a violation of any applicable employment law has been threatened. Seller hereby acknowledges that it has I-9's on file at the Facility for each of the employees of Seller. To Seller's knowledge, Seller does not have any existing workers' compensation liabilities with respect to Seller's employees that are not covered by insurance. Purchaser will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any such law or regulation relating to actions arising out of or related to any event occurring on or before the Closing Date. Seller will not have any liability to any

employee (or to any Government Entity with respect to any such employee) under any law or regulation relating to actions arising out of or related to any event occurring after the Closing Date.

7.7 Condemnation; Reassessment. Seller has not received written notice of any (a) condemnation proceeding relating to the Real Property, (b) reclassification of any or all of the Real Property for local zoning purposes, or (c) reassessment or reclassification of any or all of the Real Property for state or local real property taxation purposes. To Seller's knowledge, no such actions have been threatened.

7.8 Operating Contracts. Copies of all written operating contracts and equipment leases to which Seller is a party in connection with the ownership and/or operation of the Facility (collectively, the "**Operating Contracts**") have been provided to Purchaser as part of the Due Diligence Review. Each of the Operating Contracts is in full force and effect, none of the Operating Contracts has been modified or amended except any modifications or amendments provided to Purchaser as part of the Due Diligence Review, and, to Seller's knowledge, Seller is in compliance in all material respects with all obligations under the Operating Contracts. Seller has received no written notice that it or the Facility is in default of any obligations under the Operating Contracts.

7.9 Executive Order 13224. None of Seller or the entities or individuals that constitute Seller, or that may own or control Seller, or that may be owned or controlled by Seller (in all cases, other than through the ownership of publicly traded, direct or indirect, ownership interests) are: (i) in violation of any laws relating to terrorism or money laundering, or (ii) among the individuals or entities identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/tlstdn.pdf> or any replacement website or other replacement official publication of such list which identifies an "Specially Designated National" or "blocked person."

7.10 Tax Returns. To Seller's knowledge, all tax returns and reports required by law to be filed by Seller relating to the ownership and operation of the Business prior to Closing (collectively, "**Tax Returns**") have been or will be properly and timely filed (subject to the right to extend or delay the filing thereof) and do, or at the time of the filing thereof will, correctly reflect the tax position of Seller and all taxes due under such Tax Returns have been or will be timely objected to, disputed and/or paid. Moreover, to Seller's knowledge, (i) no liens have been filed against Seller or Seller's Assets in respect of taxes, and no waivers of statutes of limitations have been given or requested with respect to Seller; (ii) there are no pending tax audits or other proceedings with respect to Seller or Seller's Tax Returns nor has Seller been notified of any dispute or claim with respect to taxes that has not been resolved; (iii) Seller is not now a party to any tax sharing, allocation or distribution agreement; and (iv) Seller has no obligation to make (or possibly make) any payments that will be non-deductible under, or would otherwise constitute a "parachute payment" within the meaning of, Section 280G of the Code (or any corresponding provision of state, local or foreign income Tax law).

7.11 No Violations of Environmental Laws. To Seller's knowledge and except as disclosed in the Property Materials or any environmental reports obtained by Purchaser in connection with this Agreement: (a) the Property is not nor has it been under investigation for

violation of any federal, state, or local law, ordinance, or regulation relating to industrial hygiene, worker health and safety, or to the environmental conditions in, at, on, under, or about the Property, including, but not limited to, soil and groundwater conditions ("**Environmental Laws**"); (b) the Property has not been subject to a deposit of any Hazardous Substance except in compliance with applicable laws; ~~and~~ (c) Seller has not used, generated, manufactured, stored, or disposed in, at, on, or under the Property any Hazardous Substance except in compliance with applicable laws; ~~;~~ and (d) there is not now in, on, or under the Property any underground or above ground storage tanks or surface impoundments, any asbestos containing materials, or any polychlorinated biphenyls used in hydraulic oils, electrical transformers, or other equipment. Seller hereby assigns to ~~Buyer~~Purchaser as of the Closing all claims, counterclaims, defenses, and actions, whether at common law or pursuant to any other applicable federal, state or other laws that Seller may have against any third party or parties relating to the existence or presence of any Hazardous Substance in, at, on, under, or about the Property. For purpose of this Agreement, the term "Hazardous Substance" shall be deemed to include any wastes, materials, substances, pollutants, and other matters regulated by Environmental Laws including, without limitation, per- and polyfluoroalkyl substances (PFAS).

7.12 Health Care Representations. To Seller's knowledge, Seller is not a target of, participant in, or subject to any pending or threatened action, proceeding, suit, audit, investigation or sanction by any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident which could reasonably be expected to have a material adverse effect on Seller, or the operation of the Facility. With respect to Windsor Manor SNF, Seller is certified for participation in the Medicare and Medi-Cal programs, and has current and valid provider contracts with each of such programs. Seller has no pending license revocation or suspension proceedings, outstanding or uncompleted plan of correction that remains outstanding or uncompleted beyond its stated due date, denial of payment or denial of new admission orders or directives from Medicare or Medi-Cal. Seller has no pending or outstanding allegations or orders for civil money penalties or recoupment payments from the Medicare and/or Medi-Cal programs. [NOTE – PURCHASER CAN OBTAIN THE FULL LICENSING HISTORY AND SURVEY INFORMATION FOR THE PROJECT FROM THE DSS AND DPH WEBSITES]

7.13 Financial Statements. Each of the audited Financial Statements of the Business provided by Seller to Purchaser as part of the Due Diligence Materials has been prepared in accordance with GAAP applied on a consistent basis (except as otherwise may be indicated therein) and in accordance with the books and records of Seller. Each of the Financial Statements is complete and accurate and presents fairly in all material respects the financial position of Seller at the dates thereof and the results of operations and cash flows for the periods indicated subject, in the case of interim Financial Statements, to normal year-end adjustments and that interim financial statements do not include footnote disclosure. To Seller's knowledge, since December 31, 2019, except as required by applicable law or changes in GAAP, there has been no change in any accounting principle, procedure, or practice followed by Seller or in the method of applying any such principle, procedure, or practice.

7.14 Undisclosed Liabilities. To Seller's knowledge, Seller does not have any liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for

liabilities or obligations reflected or reserved against in the Financial Statements and liabilities incurred in the ordinary course of Business since the respective dates thereof.

7.15 Absence of Certain Developments. Since January 1, 2021, the Company has conducted the Business only in the ordinary course of business, as applicable, consistent with past practice, including with regard to nature, frequency and magnitude.

7.16 Anti-Bribery.

7.16.1 Neither Seller nor any of its officers or directors, or any employee, agent, distributor or other person acting on behalf of Seller has, directly or indirectly, used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity, made any unlawful payment to foreign or domestic government officials or employees or made any bribe, rebate, payoff, influence payment, kickback or other similar unlawful payment, or taken any action which would cause them to be in violation of any Anti-Corruption or Anti-Bribery Law.

7.16.2 There is no pending or threatened claims, charges, investigations, violations, settlements, civil or criminal enforcement actions, lawsuits, or other court actions against Seller with respect to any Anti-Corruption or Anti-Bribery Law.

7.16.3 To Seller's Knowledge, there are no actions, conditions, or circumstances pertaining to the activities of Seller that would reasonably be expected to give rise to any claims, charges, investigations, violations, settlements, civil or criminal actions, lawsuits, or other court actions under any Anti-Corruption or Anti-Bribery Law.

7.17 Sufficiency and Condition of Assets. Excluding the Other Assets, Seller's Assets: (a) constitute all of the assets, tangible and intangible, of any nature whatsoever, necessary to operate the Business in the manner presently operated by Seller, and (b) include no assets other than those used in the operation of the Business. Seller has good and valid title, or a leasehold interest in, all of Seller's Assets, free and clear of all liens.

7.18 Contracts.

7.18.1 The Due Diligence Materials contain copies of the Assumed Contracts to which Seller is a party and that are related to the Business. As of the Effective Date, Seller has no knowledge of any material disputes with any existing vendors of the Facility and Seller agrees to disclose to Purchaser any material disputes with vendors arising prior to Closing.

7.18.2 To Seller's knowledge: (i) Seller is not in default under any of the Assumed Contracts; (ii) there has not occurred any event that, with the lapse of time or the giving of notice, or both, would constitute such a default; and (iii) no party to any of the Assumed Contracts other than Seller is in default under any Assumed Contract nor has any event occurred that, with the lapse of time or the giving of notice, or both, would constitute such a default by any such other party.

7.18.3 To Seller's knowledge, each Assumed Contract is in full force and effect and is valid and enforceable in accordance with its terms.

7.19 Legal Compliance; Permits and Licenses.

7.19.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with applicable laws, ordinances, rules, regulations, judgments, orders, decrees, and Permits of all Governmental Entities that are applicable to Seller, and to Seller's Knowledge, Seller is in compliance in all material respects; and (ii) to Seller's knowledge, no investigation by any Governmental Entity with respect to Seller, the operation of the Business, or the ownership or use of any of the Seller Assets is pending or threatened.

7.19.2 (i) Seller holds all material Permits required for the operation of the Business (including, without limitation, all material Permits required by any Environmental Laws), all of which are valid and in full force and effect in all material respects; and (ii) Seller has not received any notice that any Governmental Entity which has issued any such Permit intends to cancel, terminate or not renew any such Permit

7.20 Labor Matters. Seller shall provide a redacted list of all persons who are employees, independent contractors or consultants of the Business as of the date hereof in the Due Diligence Materials, including any employee who is on a leave of absence of any nature, paid or unpaid, authorized or unauthorized, and sets forth for each such individual the following: (i) title or position (including whether full-time or part-time); (ii) hire or retention date; (iii) current annual base compensation rate or contract fee; and (iv) commission, bonus or other incentive-based compensation.

7.20.1 (i) Seller has received no written notice that the Facility or Business is not in compliance in all material respects with all applicable laws and regulations respecting employment, including, without limitation, laws and regulations respecting employment practices, employment terms and conditions, wages and hours, tax withholding, immigration and collective bargaining, and is not engaged in any unfair labor practice, except as disclosed on **Schedule 7.3**; (ii) except as disclosed to Purchaser on **Schedule 7.3 heretofore**, there is no pending or, to Seller's knowledge, threatened charge, complaint, or grievance against Seller related to any employment law or regulation; (iii) there is no labor strike, material dispute, slowdown or stoppage actually pending or, to Seller's knowledge, threatened against or involving Seller; and (iv) to Seller's knowledge, there is no threat of unionization involving Seller or any of its employees.

7.20.2 To Seller's knowledge, Seller is not delinquent in payments to any of their employees or independent contractors for any wages, salaries, commissions, bonuses, or other direct compensation for any services performed by them to date or amounts required to be reimbursed to such employees or independent contractors.

7.21 Employee Benefit Plans.

7.21.1 Employee Benefit Plans. **Schedule 7.21.1** sets forth a complete list of all material employee retirement, welfare, bonus, incentive, deferred compensation, vacation, equity,

severance, employment, change of control, and/or fringe benefit plans, programs, policies, practices, and/or other arrangements: (i) covering any current employee, officer or director of Seller or any ERISA Affiliate; (ii) that are sponsored or maintained by Seller or any ERISA Affiliate; or (iii) with respect to which either Seller or any ERISA Affiliate has any current or potential liability (each, a "**Plan**").

7.21.2 Administration and Compliance of the Plans. With respect to each Plan, to Seller's knowledge:

7.21.2.1 all required, declared or discretionary (in accordance with historical practices) payments, premiums, contributions, reimbursements or accruals for all periods ending prior to or as of the Closing Date have been made or properly accrued on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller;

7.21.2.2 there is no unfunded liability relating to any Plan which is not reflected on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller; and

7.21.2.3 there have been no violations of applicable laws with respect thereto; neither Seller nor any of its agents or delegates has any liability for breach of fiduciary duty or any other failure to act or comply in connection with the administration or investment of the assets thereof; no Plan has engaged in or been a party to a "prohibited transaction" (as defined in Section 406 of ERISA or Section 4975(c) of the Code) without an exemption applying thereto; no Proceeding with respect to the administration or the investment of the assets thereof (other than routine claims for benefits) for which Seller or any ERISA Affiliate could have any liability is pending or threatened, and Seller does not have any knowledge of any basis for any a Proceeding with respect to any Plan.

7.22 Certain Fees and Liabilities. Seller has not paid or is obligated to pay any fee or commission to any broker, finder, or intermediary in connection with the transactions contemplated by this Agreement.

7.23 For purposes of this Agreement, "Health Care Authority/ies" shall mean any Governmental Entity or quasi-Governmental Entity or any agency, intermediary, board, authority or entity with lawful jurisdiction over Seller and concerned with the ownership, operation, use or occupancy of the Facility as a licensed continuing care retirement community.

Upon Purchaser becoming aware (whether by notice from Seller or otherwise) of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, the provisions of **Section 11** shall apply. For purposes of this **Section 7**, "Seller's knowledge" or similar phrase means: the current actual knowledge of Dan Ogus without a duty of investigation or inquiry, and nothing in this Agreement shall be deemed to create or impose any personal liability of any kind whatsoever on such party. Seller represents and warrants that Dan Ogus is the person most knowledgeable about the subject

matter contained in each representation and warranty provided in such manner. Further, the parties acknowledge and agree that the representations and warranties made by Seller herein relate only to the Facility and Business being purchased by Purchaser and specifically exclude the Other Assets.

8. **Purchaser's Representations and Warranties.** Purchaser represents and warrants as follows:

8.1 **Organization and Authority.** Purchaser is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California, and is recognized by the Internal Revenue Service as an organization described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Purchaser has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

8.2 **Enforceability; No Conflict.** This Agreement is valid, binding and enforceable against Purchaser in accordance with its terms except as such enforceability may be limited by creditors' rights laws and general principles of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under, or a violation of, Purchaser's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Purchaser is now a party or by which any of the assets of Purchaser are bound or affected.

8.3 **Litigation.** The right or ability of Purchaser to consummate the Transaction contemplated herein has not been challenged by any governmental agency or any other person and Purchaser has no knowledge of the occurrence of any event which would provide a reasonable basis for any such litigation, investigation or other proceeding.

8.4 **Financing.** Purchaser has access to the funds required to pay the Purchase Price and other costs for which Purchaser is responsible under this Agreement. Accordingly, as a material inducement to Seller's willingness to enter into this Agreement with Purchaser, Purchaser represents, warrants, acknowledges and agrees that arranging financing shall not be a condition to the Purchaser's ability to consummate the Transaction provided for herein.

8.5 **AS IS.** IT IS UNDERSTOOD AND AGREED THAT EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) SELLER'S ASSETS ARE BEING SOLD BY SELLER AND PURCHASED AND ACCEPTED BY PURCHASER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION WHICH MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE UPON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON BEHALF OF SELLER EXCEPT THOSE REPRESENTATIONS, WARRANTIES AND AGREEMENTS SPECIFICALLY SET FORTH IN THIS AGREEMENT; (B) PURCHASER IS BEING GIVEN THE OPPORTUNITY TO THOROUGHLY INSPECT AND EXAMINE SELLER'S ASSETS TO THE EXTENT DEEMED NECESSARY BY PURCHASER IN ORDER TO ENABLE PURCHASER TO EVALUATE THE PURCHASE OF

THE SELLER'S ASSETS ON THE FOREGOING BASIS; AND (C) PURCHASER IS RELYING SOLELY UPON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF SELLER'S ASSETS BY PURCHASER IN PURCHASING THE SELLER'S ASSETS ON AN "AS IS", "WHERE IS" AND "WITH ALL FAULTS" BASIS, WITHOUT REPRESENTATION, WARRANTY, AGREEMENT OR STATEMENT BY SELLER OR ANYONE ACTING ON BEHALF OF SELLER, EXPRESS OR IMPLIED, OF ANY KIND OR NATURE, EXCEPT AS MAY BE SET FORTH IN THIS AGREEMENT. SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER REGARDING ANY INTELLECTUAL PROPERTY RIGHTS. SELLER EXPRESSLY DISCLAIMS, WHICH PURCHASER HEREBY ACKNOWLEDGES AND ACCEPTS, ANY IMPLIED WARRANTY OF CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. **Pre-Closing Covenants/Risk of Loss.**

9.1 Conduct Pending Closing. Between the Execution Date and the Closing Date, Seller covenants as follows:

9.1.1 Seller will operate the Facility and Business in the ordinary course of business, in compliance with all applicable law, including, but not limited to, the rules and regulations of any Health Care Authority, and, unless consented to by Purchaser, will not sell or dispose of any of the Seller's Assets or enter into any contract, commitment or agreement affecting Seller's Assets except in the ordinary course of business, including, but not limited to, any Resident Agreement which deviates in any material respect from the form of Resident Agreement provided to Purchaser under the term of this Agreement.

9.1.2 From time to time between the Execution Date and the Closing Date, Seller will provide to Purchaser such information as Purchaser may reasonably require in order to allow Purchaser to secure the New Licenses (as defined below).

9.1.3 Seller will cooperate in Purchaser's efforts to conduct the Due Diligence Review including, but not limited to, providing Purchaser and its agents and employees with access to the Facility and to the books and records of the Facility; *provided, however*, that such access and inspection shall be on no less than 48 hours' prior notice (or if longer, the notice required under applicable law, including, without limitation, residential landlord tenant law) and during normal business hours at such time and in such manner as the Parties shall reasonably agree upon. Notwithstanding the above, access to the Facility may be limited during the current COVID pandemic based on the regulation, guidelines or recommendations of the any Health Care Authority, State of California and other state or federal regulatory agencies.

9.1.4 Seller will maintain in force the existing hazard and liability insurance policies, or comparable coverage, for Seller's Assets.

9.1.5 Seller will maintain Seller's Assets in substantially the same condition as they are in as of the Execution Date, ordinary wear and tear excepted.

9.1.6 Seller shall maintain the Inventory consistent with Seller's past practices and in compliance with applicable laws, and will replenish the same consistent with Seller's past practices.

9.1.7 Unless this Agreement is terminated in accordance with the terms hereof, Seller shall not market the Seller's Assets or negotiate with any third party with respect to the sale of Seller's Assets or the equity interests in Seller.

9.2 Risk of Loss

9.2.1 Condemnation. If, prior to any Closing, all or any material portion of the Property is taken by condemnation or eminent domain (or is the subject of a pending or contemplated taking which has not been consummated), Seller shall immediately notify BuyerPurchaser in writing of such fact. In such event, BuyerPurchaser shall have the option to terminate this Agreement upon written notice to Seller given within ten (10) Business Days after receipt of such notice from Seller, in which event the Deposit shall be returned to BuyerPurchaser. Notwithstanding the foregoing, Buyer'sPurchaser's failure to provide written notice of Buyer'sPurchaser's election to terminate within such ten (10) Business Day period shall be deemed Buyer'sPurchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, BuyerPurchaser shall have the right to participate in any proceedings and negotiations with respect to the taking and any transfer in lieu of taking (and Seller shall not consummate any transfer in lieu of taking without Buyer'sPurchaser's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed). If BuyerPurchaser waives the right to terminate this Agreement and elects to proceed with the Closing, then (a) Seller, at, and as a condition precedent to Buyer'sPurchaser's obligation to proceed with, the Closing, must: (i) pay to BuyerPurchaser (or direct Escrow Agent to credit BuyerPurchaser against the Purchase Price for) the amount of ~~all~~any awards for the taking (and any consideration for any transfer in lieu of taking) actually received by Seller; and (ii) assign to BuyerPurchaser by written instrument reasonably satisfactory to BuyerPurchaser all rights or claims to any future awards for the taking (and any consideration for any transfer in lieu of taking); and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement.

9.2.2 Casualty. ~~Prior to~~If, at any time after the Effective Date and prior to Closing ~~and notwithstanding the pendency or earlier termination~~ of this Agreement, the ~~entire risk of loss or damage~~Property or any portion thereof is materially damaged or destroyed by ~~earthquake, hurricane, rain, wind, tornado, flood, fire, sinkhole, contamination by hazardous materials or~~ or ~~any~~ other casualty (as used herein, "material" shall be borne and assumed by Seller. If, prior to the Closing, any portion of the Property is damaged as mean a result of any earthquake, hurricane, rain, wind, tornado, flood, fire, sinkhole, contamination by hazardous materials or other casualty, which would cost more than \$250,000 to repair or cure). Seller shall immediately notify BuyerPurchaser in writing of such fact. In ~~such~~the event, ~~Buyer of a material casualty, Purchaser~~ shall have the option to terminate this Agreement upon written notice to Seller given within ten (10) Business Days after receipt of any such notice from Seller, in which event the Deposit shall be returned to BuyerPurchaser. Notwithstanding the foregoing, Buyer'sPurchaser's failure to provide written notice of Buyer'sPurchaser's election to terminate within such ten (10) Business

Day period shall be deemed ~~Buyer's~~Purchaser's election to terminate this Agreement. Prior to any termination or deemed termination of this Agreement, ~~Buyer~~Purchaser shall have the right to participate in any adjustment of the insurance claim. If ~~Buyer~~Purchaser waives the right to terminate this Agreement and elects to proceed with the Closing or in the event of a non-material casualty, then (a) Seller, at, and as a condition precedent to ~~Buyer's~~Purchaser's obligation to proceed with, the Closing, must either: (i) pay to ~~Buyer~~Purchaser (or direct Escrow Agent to credit ~~Buyer~~Purchaser against the Purchase Price for) the amount of any insurance proceeds actually received by Seller plus the amount of any deductible under Seller's insurance; or (ii) if no insurance proceeds have been received by Seller, assign to ~~Buyer~~Purchaser by written instrument reasonably satisfactory to ~~Buyer~~Purchaser all rights or claims to the insurance proceeds and credit ~~Buyer~~Purchaser against the Purchase Price for any deductible payable under Seller's insurance policy; and (b) the Parties shall proceed to the Closing pursuant to the terms hereof without further modification of the terms of this Agreement.

10. Operations Transfer Provisions.

10.1 Licenses. On or prior to the expiration of the Due Diligence Period and concurrent with Seller's delivery of the Approval Notice, Purchaser shall submit a change of ownership application ("**CHOW**") with DSS pursuant to which Purchaser will obtain a new **RCFE License** to operate the Residential Care Facility for the Elderly portion of the Facility. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit an application for a new certificate of Authority with DSS pursuant to which Purchaser will obtain a new COA to enter into continuing care contracts with residents of the Facility and operate the Facility as a continuing care retirement community. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a SNF license application ("**SNF Application**") with CDPH pursuant to which Purchaser will obtain a new SNF license ("**SNF License**") to operate the Windsor Manor SNF portion of the Facility. The parties acknowledge that Purchaser must obtain the RCFE License and COA on the Closing date. Following the submission of the applications for the RCFE License, COA and SNF License, Purchaser will take and/or cause its designee to take such actions as are necessary to obtain the RCFE License, COA and SNF License in a timely manner, including, without limitation, submitting any missing information required for Purchaser's licensing applications reasonably promptly following receipt thereof by Purchaser. Purchaser shall notify the Seller promptly following its submission of the license applications and shall keep Seller reasonably informed as to the status of the license applications, including without limitation, informing Seller of any material communications with DSS and/or CDPH as to the timing of the issuance of the RCFE License, COA and SNF License.

10.2 Interim Lease and Management Agreements. Seller and Purchaser acknowledge that Purchaser will be unable to obtain the SNF License on the Closing Date and that the Parties will need to enter into an interim arrangement to allow the continued operation of the Windsor Manor SNF under Seller's SNF License until the Purchaser's SNF License is issued. The Parties shall enter into an Interim Lease ("**Interim Lease**"), Interim Management Agreement ("**Interim Management Agreement**"), and SNF operations transfer agreement ("**OTA**") to be negotiated and agreed upon in good faith during the Due Diligence Period. If the parties cannot agree on a form of OTA, Interim Lease and/or Interim Management Agreement prior to the expiration of the Due Diligence Period, either party may terminate this Agreement upon written notice to the other

in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

10.3 Notices. Seller is required to provide one hundred and twenty (120) days' written notice to DSS of the Transaction and to Seller's RCFE residents at least thirty (30) days prior to Closing (the "**CHOW Notice**") and to Seller's SNF residents at least ninety (90) days prior to Closing. Seller is also required to provide written notice to CDPH of the Transaction. Purchaser and Seller shall jointly approve the notices set forth in this Section.

10.4 CHOMs. On or prior to the expiration of the Due Diligence Period, if mutually agreed to by Seller and Purchaser, Purchaser shall submit change of manager applications to DSS with respect to the RCFE License and COA, and CDPH with respect to the SNF License pursuant to which Purchaser will become the manager of the Facility as approved by DSS and CDPH. During the Due Diligence Period, if the parties mutually agree that Purchaser will submit change of manager applications, the parties will agree upon a mutually agreeable form of management agreement pursuant to which Purchaser will manage the Facility prior to Closing.

10.5 Employees.

10.5.1 At the Closing Date, Seller shall terminate all of the employees of the Facility and shall pay to them any wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before Closing Date. At least three (3) business days preceding the Closing Date, except for the Retained Employees, Purchaser shall offer to employ after the Closing Date all of the employees of the Facility for a 60-day transition period in the employee's primary language or another language in which the employee is literate conditioned only on the occurrence of the Closing Date (the "**Hired Employees**"). That offer shall state the time within which the employee shall accept the offer, but that time period may not be fewer than ten (10) days. During the 60-day transition period, Purchaser shall not discharge without cause an employee retained pursuant to this **Section 10.5.1**. Cause shall be based only on the performance or conduct of the particular employee. During the 60-day transition period, a Hired Employee shall not suffer any reduction in wages, benefits, or other terms and conditions of employment, economic or otherwise, as a result of the transfer or change of ownership. The parties hereto agree that, notwithstanding anything to the contrary contained in this Agreement, Purchaser shall hire that number or percentage of employees and upon such terms so as to avoid applicability of the Worker Adjustment Retraining and Notification Act and any other applicable laws or regulations requiring notice prior to plant or facility closings or a mass layoff, due to the transaction contemplated hereby and by this Agreement. Purchaser acknowledges and agrees that Seller is relying on Purchaser's agreement as set forth in this **Section 10.5** in not giving notice to the employees of the Facility of the Transaction provided for herein under the provisions of the WARN.

10.5.2 To the extent permitted by applicable law, Seller shall deliver to Purchaser the file for all employees hired by Purchaser in Seller's possession, including but not limited to training records, licenses and certifications, criminal background check results, and other required documents. Seller shall have satisfied its obligations under this **Section 10.5.2** as long as all of

such employee records are present at the Facility on the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.5.3 Salaries and Benefits.

10.5.3.1 Seller shall be responsible for: (A) the payment of all wages and other remuneration due to Seller's employees for their services as employees of Seller through the conclusion of Hired Employees' employment with Seller, including pro rata bonus and commission payments and all vacation, paid time off and sick leave pay obligations to the extent accrued prior to the Closing Date and required by applicable law; and (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of COBRA and Sections 601 through 608 of ERISA.

10.5.3.2 Seller shall be liable for any claims made or incurred by Hired Employees and/or their beneficiaries through the Closing Date, including, but not limited to, claims made under any law or under the Plans, and Seller agrees to defend, indemnify and to hold Purchaser harmless from any costs incurred related thereto, including attorneys' fees. For purposes of the immediately preceding sentence, a claim will be deemed incurred when the conduct that is the subject of the claim occurs or when services that are the subject of the claim are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

10.5.3.3 No Transfer of Assets. Seller will not make any transfer of pension or other employee benefit plan assets to Purchaser.

10.5.3.4 General Employee Provisions.

10.5.3.4.1 Seller shall provide Purchaser with completed I-9 forms and attachments with respect to all Hired Employees, except for such employees as Seller certify in writing to Purchaser are exempt from such requirement.

10.5.3.4.2 Purchaser shall not have any responsibility, liability or obligation arising prior to Closing, whether to Hired Employees, former employees, their beneficiaries or to any other Person, with respect to any employee benefit plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA coverage extension) maintained by Seller.

10.5.4 To the extent permitted by applicable law, Seller shall deliver to Purchaser the full and complete employment file for all current employees in Seller's possession, including, but not limited to, training records, licenses and certifications, criminal background check results, performance reviews, and other required documents, in connection with Purchaser's review and investigation of prospective employment of Seller's employees. Seller shall have satisfied its obligations under this **Section 10.5.4** as long as all of such employee records are present at the Facility during the 30 day period prior to the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.6 Bulk Sales Laws. The parties hereby waive compliance with the provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Seller's Assets to Purchaser; it being understood that any liabilities arising out of the failure of Seller to comply with the requirements and provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction which would not otherwise constitute Assumed Liabilities shall be treated as Excluded Liabilities.

10.7 Accounts Receivable.

10.7.1 Within ten (10) days prior to the Closing Date, Seller shall provide Purchaser with a detailed listing of Seller's accounts receivable which arose from the provision of goods or services prior to the Closing Date and are anticipated to be outstanding on the Closing Date (the "**Pre-Closing AR Schedule**"), and Seller shall provide Purchaser with an update to such schedule as of the Closing Date as soon as possible post-Closing.

10.7.2 Except as set forth in the OTA between Seller and Purchaser, from and after the Closing Date, Purchaser, or its management agent shall assume responsibility for the billing for and collection of payments on account of services rendered or goods sold by Purchaser on and after the Closing Date and Seller shall retain all right, title and interest in and to and all responsibility for the collection of its accounts receivable for services rendered or goods sold prior to the Closing Date.

10.7.3 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services prior to the Closing Date, they shall either be retained by Seller if received by Seller, or if they have been received by Purchaser, they shall be remitted to Seller, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.4 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services from and after the Closing Date, they shall either be retained by Purchaser if received by Purchaser, or if they have been received by Seller, they shall be remitted to Purchaser, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.5 Except as set forth in the OTA, if any payments are received by Purchaser after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to then current amounts owed the Purchaser to reduce post-Closing Date balances and Purchaser shall remit to Seller any excess up to the amount due Seller for pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) within five (5) Business Days after receipt.

10.7.6 Except as set forth in the OTA, if any payments are received by Seller after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) and Seller shall remit the excess, if any, to Purchaser to reduce any post-Closing Date balances within five (5) Business Days after receipt.

10.7.7 Seller shall have the right during normal business hours and on reasonable notice to Purchaser to inspect Purchaser's books and records with respect to the accounts receivable received by it after the Closing Date from residents with balances due as of the Closing Date.

10.8 Access to Records.

10.8.1 From and after the Closing Date and, except as otherwise specifically provided below, for a period of seven (7) years thereafter, each party hereto agrees to give the other (and their agents and representatives) reasonable access to (upon reasonable prior written notice and during normal business hours), and to make copies of (at the requesting party's expense), the books and records and supporting material of the Facility which are in said party's possession, to the extent reasonably necessary to enable said party to among other things investigate and defend malpractice, employee or other claims and to file or defend cost reports and tax returns.

10.8.2 Seller shall have the right, at its sole cost and expense, within three (3) days of the delivery of a request therefor to Purchaser to enter the Facility and remove originals or copies of any of the records delivered to Purchaser for purposes of litigation involving a resident or employee to whom such record relates. If an officer of or counsel for Seller certifies that an original of such record must be produced in order to comply with applicable law or the order of a court of competent jurisdiction in connection with such litigation then the records so removed shall be an original. Any record so removed shall promptly be returned to Purchaser following its use, and nothing herein shall be interpreted to prohibit Purchaser from retaining copies of any such documents. All cost of making such copies shall be for the account of Seller. Upon request of Seller, Purchaser shall cooperate with such requests and shall make its employees available to comply with such requests and assist in responding to such litigation requests provided that their availability is requested during normal business hours and does not interfere with the performance of their duties for Purchaser. In the event such use of Purchaser's employees to assist Seller is more than de minimis, Seller shall pay Purchaser's costs for the employee time spent assisting Seller.

10.9 Operating Contracts. Purchaser shall review the Operating Contracts and inform Seller during the Due Diligence Period which of such Operating Contracts Purchaser desires to assume effective as of the Closing Date (the "**Designated Operating Contracts**") ~~provided that Purchaser hereby agrees to assume any contracts that Seller cannot terminate without penalty which contracts shall be deemed to be Assumed Operating Contracts with the amount of penalty thereby reducing the Purchase Price accordingly.~~ Further, the parties hereby acknowledge and agree that notwithstanding any provision to the contrary herein, ~~the~~ no national ~~contracts identified~~

~~on Schedule 1.1.5~~ Operating Contracts will ~~not~~ be assigned by Seller to Purchaser at Closing. [NOTE - NATIONAL CONTRACTS COVER MANY OF SELLER'S OTHER PROJECTS AND THEREFOR ARE NOT ASSUMABLE BY PURCHASER. PURCHASER CAN ENTER INTO ITS OWN CONTRACT WITH THE SERVICE PROVIDER IF NEED BE]. Seller shall use commercially reasonable efforts to obtain any third party consents required in connection with the assignment to Purchaser of the Designated Operating Contracts, it being understood and agreed that (i) if a Designated Operating Contract requires consent of the counterparty to be assigned to Purchaser, such Designated Operating Contract shall not be assigned unless and until the requisite consent is received and (ii) if any principal or affiliate of Seller has guaranteed the obligations of Seller under any Designated Operating Contract, the same shall not be assigned to Purchaser unless and until the guarantor has been released from his/her/its guaranteed obligations effective from and after the Closing Date. Effective as of the Closing Date, the Designated Operating Contracts that may be assigned hereunder shall be referred to herein as the "Assumed Operating Contracts." At Closing, subject to **Section 5.1.1(I)**, (i) Seller shall assign the Assumed Operating Contracts to Purchaser pursuant to the Assignment, and (ii) terminate any Operating Contracts which are not Assumed Operating Contracts hereunder. In either case, Seller shall be responsible to pay balances owed under all Operating Contracts for good ordered and services ~~ordered~~provided prior to the Closing Date.

11. **Termination and Remedies.**

11.1 Termination. This Agreement may be terminated as follows:

11.1.1 By mutual written agreement of Purchaser and Seller;

11.1.2 By Seller, if any of the conditions set forth in **Section 5.2** are not fulfilled on the Closing Date, unless resulting from a material breach by Seller of its obligations hereunder, and the same shall not have been waived in writing by Seller;

11.1.3 By Purchaser, if any of the conditions set forth in **Section 5.1** are not fulfilled on the Closing Date, unless resulting from a material breach by Purchaser of its obligations hereunder, and the same shall not have been waived in writing by Purchaser; provided that if Purchaser becomes aware of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller; provided Purchaser shall elect any such termination right, if at all, within five (5) Business Days after Purchaser becomes aware of such matter;

11.1.4 By Seller in the event of a material default by Purchaser of its obligations hereunder or by Purchaser in the event of a material default by Seller of its obligations hereunder;
or

11.1.5 By Purchaser pursuant to **Section 9.2** (Damage or Condemnation).

11.2 Opportunity to Cure. No Party to this Agreement may claim termination or pursue any other remedy referred to in this Section on account of a breach of a condition, covenant or warranty by the other Party, without first giving the other Party written notice of such breach and

not less than ten (10) days within which to cure such breach. The Closing Date shall be postponed for up to ten (10) days if necessary to afford such opportunity to cure.

11.3 Seller's Remedies Upon Termination. In the event Seller has the right to terminate this Agreement under **Section 11.1.2** because a condition of closing has not been met (rather than because of a material default by Purchaser), then Escrow shall return the Deposit to the Purchaser and escrow shall be cancelled. In the event Seller has the right to terminate this Agreement under **Section 11.1.4** because of a material default by Purchaser, Purchaser and Seller acknowledge and agree as follows:

SELLER SHALL BE ENTITLED TO TERMINATE THIS AGREEMENT AND TO RETAIN THE DEPOSIT AND ANY INTEREST ACCRUED THEREON AS SELLER'S SOLE AND EXCLUSIVE REMEDY AND ALL ACCRUED INTEREST THEREON AS LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGING AND AGREEING THAT THE AMOUNT OF DAMAGES WHICH SELLER MAY INCUR AS A RESULT OF SUCH TERMINATION MAY BE DIFFICULT TO ASCERTAIN AND THAT THE DEPOSIT (OR SO MUCH THEREOF AS MAY, AT THE TIME OF TERMINATION, HAVE BEEN DELIVERED BY PURCHASER TO ESCROW AGENT IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT) IS A REASONABLE AND FAIR ESTIMATE THEREOF, AFTER WHICH THE PARTIES SHALL HAVE NO FURTHER RIGHTS OR OBLIGATIONS HEREUNDER OTHER THAN THOSE RIGHTS AND OBLIGATIONS, IF ANY, WHICH SPECIFICALLY SURVIVE TERMINATION OF THIS AGREEMENT.

11.4 Purchaser's Remedies Upon Termination. In the event Purchaser has the right to terminate this Agreement under ~~Sections~~**Section 11.1.3** because a condition of closing has not been met (rather than because of a material default by Seller), then Purchaser shall have the right either to (i) waive the condition at issue and proceed with the Transaction on the terms contemplated herein, or (ii) terminate this Agreement and secure the return of the Deposit and any accrued interest thereon. In the event Purchaser has the right to terminate this Agreement under **Sections 11.1.5** because a because of a material default by Seller, Purchaser and Seller acknowledge and agree that Purchaser's sole and exclusive remedy shall be:

11.4.1 TO TERMINATE THIS AGREEMENT UPON DELIVERY OF WRITTEN NOTICE TO THE SELLER AND ESCROW AGENT (IN WHICH CASE, EXCEPT AS OTHERWISE SET FORTH HEREIN AS EXPRESSLY SURVIVING A TERMINATION OF THIS AGREEMENT AND THE PARTIES' DUTIES UNDER THIS SECTION, THE RESPECTIVE RIGHTS, DUTIES AND OBLIGATIONS OF ~~BUYER~~**PURCHASER** AND SELLER UNDER THIS AGREEMENT SHALL FORTHWITH TERMINATE WITHOUT FURTHER LIABILITY) AND RECOVER THE DEPOSIT AND BE REIMBURSED FOR ~~BUYER'S~~**PURCHASER'S** DOCUMENTED OUT-OF-POCKET EXPENSES INCURRED BY ~~BUYER~~**PURCHASER** IN CONNECTION WITH THIS AGREEMENT OR ITS INVESTIGATION OF THE PROPERTY: (SUCH AMOUNT NOT TO EXCEED \$75,000). SELLER SHALL PAY ANY CANCELLATION CHARGES DUE TO ESCROW AGENT AND THE TITLE COMPANY. IN NO EVENT SHALL SELLER BE LIABLE FOR ANY SPECIAL,

PUNITIVE OR CONSEQUENTIAL DAMAGES AND ~~BUYER~~PURCHASER HEREBY WAIVES ANY AND ALL RIGHT TO PURSUE SUCH DAMAGES; OR

11.4.2 ~~BUYER~~PURCHASER MAY INSTITUTE AN ACTION (WITHOUT THE NECESSITY OF PROVING IRREPARABLE HARM OR POSTING SECURITY) (A "SPECIFIC PERFORMANCE ACTION") SEEKING SPECIFIC PERFORMANCE OF SELLER'S OBLIGATIONS UNDER THIS AGREEMENT ~~AND RECORD AND MAINTAIN AGAINST THE PROPERTY A NOTICE OF LIS PENDENS IN ACCORDANCE WITH APPLICABLE LAW~~ SO LONG AS ~~BUYER~~PURCHASER SHALL HAVE FILED THE SPECIFIC PERFORMANCE ACTION WITHIN ~~NINETY (90)~~SIXTY (60) DAYS OF THE DATE THE CLOSING WAS TO HAVE OCCURRED. ~~NOTWITHSTANDING THE FORGOING, IF SPECIFIC PERFORMANCE~~PURCHASER IS NOT AVAILABLE TO ~~BUYER~~ DUE TO THE INTENTIONAL ACTIONS OF THE SELLER OR ANY PARTY ACTING ON BEHALF OF OR WITH AUTHORITY OF THE SELLER THEN BUYER MAY SEEK ANY REMEDIES AVAILABLE AT LAW OR IN EQUITY AND TO RECOVER ITS ACTUAL, OUT OF POCKET DAMAGES EXPRESSLY PROHIBITED FROM ~~SELLER EXERCISING ALL AVAILABLE REMEDIES~~. RECORDING A NOTICE OF LIS PENDENS AGAINST THE PROPERTY.

IF ~~BUYER~~PURCHASER RECOVERS LIQUIDATED DAMAGES IN ACCORDANCE WITH SECTION 12.1(a), SUCH AMOUNTS SHALL BE DEEMED TO CONSTITUTE A REASONABLE ESTIMATE OF ~~BUYER'S~~PURCHASER'S DAMAGES UNDER THE PROVISIONS OF SECTION 1671 OF THE CALIFORNIA CIVIL CODE AND SHALL CONSTITUTE ~~BUYER'S~~PURCHASER'S SOLE AND EXCLUSIVE REMEDIES FOR SELLER'S FAILURE TO CLOSE ESCROW.

_____ THE FOREGOING SHALL NOT LIMIT ~~BUYER'S~~PURCHASER'S RIGHTS OR REMEDIES (WHETHER ARISING AT LAW OR IN EQUITY) TO RECEIVE REIMBURSEMENT FOR ATTORNEYS' FEES AND COSTS IN ACCORDANCE WITH THIS AGREEMENT OR FOR ANY CLAIMS RELATING TO SELLER'S WILLFUL MISCONDUCT OR FRAUD, NOR WAIVE OR AFFECT ~~BUYER'S~~PURCHASER'S RIGHTS AND SELLER'S OBLIGATIONS UNDER ANY SECTION HEREIN WHICH STATES THAT AN OBLIGATION ON THE PART OF SELLER SURVIVES THE CLOSING OR THAT SELLER SHALL INDEMNIFY AND/OR DEFEND ~~BUYER~~PURCHASER.

_____ BY INITIALING BELOW, THE PARTIES ACKNOWLEDGE AND AGREE THAT BASED UPON THE CIRCUMSTANCES NOW EXISTING, KNOWN OR UNKNOWN, IT WOULD BE EXTREMELY DIFFICULT, COSTLY AND IMPRACTICAL TO ESTABLISH DAMAGES FOR EITHER PARTY. ACCORDINGLY, BOTH ~~BUYER~~PURCHASER AND SELLER, BY THEIR RESPECTIVE INITIALS SET FORTH BELOW, DO HEREBY ACKNOWLEDGE AND AGREE THAT TERMS SET FORTH IN THIS SECTION ~~12.1~~11.4 ARE NEGOTIATED AND REASONABLE.

~~Buyer's~~Purchaser's Initials _____ Seller's Initials _____

11.5 Other Termination Provisions. In the event this Agreement is terminated pursuant to **Sections 11.1.1** (mutual agreement) or **Section 11.1.5** (damage or condemnation), then the Deposit and any accrued interest thereon shall immediately be refunded and returned to Purchaser.

11.6 Post-Termination. Following the conveyance of the amounts due to the appropriate Party under this **Section 11**, neither Party shall have any further rights or obligations hereunder other than those rights and obligations, if any, which specifically survive termination of this Agreement.

12. **Notices.** All notices, demands or other communications given hereunder shall be in writing and shall be given by (a) messenger or overnight express delivery service, (b) certified mail return receipt requested, postage prepaid, at a post office maintained by the United States Postal Service, or (c) by electronic transmission with confirmed receipt, addressed as follows:

Any notice sent in accordance with the provisions of this **Section 12**, shall be deemed received upon the actual receipt or refusal of receipt thereof regardless of the method of delivery used. Any Party may, by notice given as aforesaid, change the address or addresses, or designate an additional address or additional addresses, for its notices, provided, however, that no notice of a change of address shall be effective until actual receipt of such notice. Each Party covenants and agrees that

simultaneously with sending any notice pursuant to this **Section 12** it will use reasonable good faith efforts to send a copy of such notice to the addressee thereof by email, at the email address set forth above or such other email address as a Party may designate in writing given to the other parties pursuant to this **Section 12**; provided that in no event shall any notice sent by email be effective as a notice under this Agreement unless receipt is confirmed, and the failure of any Party to deliver any notice pursuant to email shall not affect the validity of any notice that is sent pursuant to this **Section 12**.

13. **Indemnities.**

13.1 **By Seller to Purchaser.** From and after the Closing Date, Seller shall indemnify, defend and hold Purchaser harmless from and against any and all costs, losses, damages, liabilities, claims and obligations, including, but not limited to, reasonable attorneys' fees (the "**Losses**") arising from or related to: (a) the ownership and operation of the Seller's Assets prior to the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Purchaser, the designee of Purchaser to operate the Facility, or any affiliate of Purchaser; and (b) any material misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part of Seller under this Agreement.

13.2 **By Purchaser to Seller.** From and after the Closing Date, Purchaser shall indemnify, defend and hold Seller harmless from and against any and all Losses arising from or related to: (a) the ownership and operation of the Seller's Assets from and after the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Seller or any affiliate of Seller; (b) any misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part on the part of Purchaser under this Agreement; and (c) against any and all Losses which Seller may incur as a result of physical damage or injury to any person or property as a result of the acts or omissions of Purchaser or its agents or employees while performing the Due Diligence Investigation with respect to the Seller's Assets.

13.3 **Method of Indemnification.**

13.3.1 In the event that any claim for Losses (a "**Claim**") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "**Indemnitee**") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "**Indemnitor**") in writing of Indemnitee's Claim and shall endeavor to do so reasonably promptly after becoming aware of the same; provided, however, that unless the Indemnitee's failure to timely notify the Indemnitor of Indemnitee's Claim materially prejudices Indemnitor's ability to defend any such Claim as more particularly set forth below, Indemnitee's failure to timely notify Indemnitor of Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect subject to the applicable terms hereof. If the Indemnitee fails to provide timely notice of Indemnitee's Claim, the Indemnitor will not be obligated to indemnify the Indemnitee with respect to such Claim to the extent (and only to the extent) that the Indemnitor's ability to

defend such Claim has been materially prejudiced by such failure of the Indemnitee to timely notify Indemnitor of the same.

13.3.2 If the applicable Indemnitee Claim relates to a Claim made by a third party against Indemnitee, then the Indemnitor at its sole cost and expense shall defend, with counsel reasonably satisfactory to the Indemnitee, such Claim by all appropriate proceedings, which proceedings will be diligently prosecuted to a final conclusion or will be settled at the discretion of the Indemnitor (with the consent of the Indemnitee, which shall not be unreasonably withheld and which shall be deemed to be provided if such settlement provides a release to the Indemnitee without the payment of any amount or the taking of any action or admission of liability by the Indemnitee). The Indemnitee will cooperate in such defense at the sole cost and expense of the Indemnitor. Notwithstanding the foregoing, if the named parties to any proceeding include both the Indemnitee and the Indemnitor and, in the reasonable opinion of counsel to the Indemnitee, representation of both parties by the same counsel would be in conflict or otherwise inappropriate due to actual or potential differing interests between them, then the Indemnitee shall be entitled to retain separate counsel for the Indemnitee, at the expense of the Indemnitor (provided that the costs and expenses of such separate counsel are reasonable).

13.4 Survival. All indemnities, warranties and representations of Purchaser and Seller herein shall survive the Closing for a period of twelve (12) months, after which they shall terminate and be of no further force or effect except with respect to claims made within such period, in which case the applicable indemnity, warranty and/or representation shall survive until the full and final resolution thereof. Notwithstanding the foregoing, the indemnity period for Seller's indemnity in **Section 13.1** shall survive through the applicable Statute of Limitations ([which Statute of Limitations](#) period [shall begin to run when any claimed pre-Closing event occurred](#)) for any third party claim as may apply (the "**Survival Period**"). In addition, Purchaser's indemnity in **Section 13.2** shall survive the termination of this Agreement for the Survival Period.

13.5 Limitations. Except as otherwise specifically set forth in this Section neither Seller nor Purchaser shall have any right to seek indemnity against the other Party pursuant to **Section 13.1** or **Section 13.2** either (A) where the claim is made after the Survival Period or (B) unless the amount of such indemnity claim, individually or when taken together with all other such indemnity claims hereunder, is at least equal to Ten Thousand and No/100 Dollars (\$10,000.00) (the "**Indemnity Floor**"), after which the Indemnitor shall be responsible for any such Indemnitee's Claims on a first dollar basis, or (C) for any such indemnity claims hereunder in an aggregate amount in excess of Seven Hundred Fifty Thousand and No/100 Dollars (\$750,000.00) (the "**Indemnity Cap**"). Attorneys' fees arising out of any indemnified third party claim shall be subject to such Indemnity Cap, provided, that any attorneys' fees and costs payable to the prevailing Party arising out of any dispute between Seller and Purchaser hereunder, including, without limitation, to enforce any Indemnitee Claim, shall not be subject to the Indemnity Cap. Notwithstanding anything to the contrary set forth in **Section 13.4** or **Section 13.5**, (i) neither the Indemnity Floor nor the Indemnity Cap shall apply in the case of claims that allege fraud on the part of the Party named therein, or (ii) the prorations and adjustments to be made pursuant to **Section 6** hereof.

14. **Confidentiality and Non-Solicitation**

14.1 Confidentiality. Seller and Purchaser acknowledge that the other party may be irreparably damaged if the confidential knowledge and information possessed or hereafter acquired by either party relating to the Business (which shall include the terms of this Agreement and other agreements delivered pursuant to this Agreement and all other non-public information regarding either party and/or the Business, including, without limitation, trade secrets or technology/inventions now known or hereafter discovered, and information reflecting or pertaining to research, developments, techniques, purchasing, marketing, business plans and strategies, accounting, licensing, know-how, methods, projects, processes, computer hardware and programs, software libraries, databases, compositions, discoveries, cost systems, personnel data, customer lists, business partner names and lists (including, but not limited to, vendors, suppliers, licensees, licensors, franchisees, referral sources, and consultants), training, the particular needs and requirements of customers and/or business partners, the identity of customers and potential customers, business partners and potential business partners, pending business transactions, pricing for customers or potential customers, pricing of business partners or potential business partners, policies and procedures, equipment and materials used by either party, methods used in the recruiting or placement of personnel by either party and methods and marketing of products or services by either party) were disclosed to or utilized on behalf of others. Accordingly, neither party shall directly or indirectly: (i) disclose to any Person any non-public information concerning the Business or any of the terms of this Agreement or the other agreements delivered pursuant to this Agreement, for any reason or purpose whatsoever; or (ii) make use of any such non-public information for either party's own purpose or for the benefit of any other Person.

14.2 For a period of one (1) year after termination of the Interim Lease, Interim Management Agreement and OTA following issuance of a new license for Purchaser' operation of the SNF, Seller shall not, directly or indirectly:

14.2.1 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Purchaser to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser;

14.2.2 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Seller on the Closing Date or within the year preceding the Closing Date to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser; or

14.2.3 hire or attempt to hire any employee or independent contractor of Purchaser or in any way interfere with the relationship between Purchaser and any of its employees or independent contractors; provided the parties acknowledge and agree that Seller will retain the employees ("**Retained Employees**") listed on **Schedule 14.2.3** hereto from and after Closing.

14.2.4 The foregoing restrictions on solicitation shall not restrict general advertising or residents or employees initiating contact with Seller or Seller affiliates for purposes of relocating to another senior living facility operated by Seller or affiliates of Seller.

14.3 If, at the time of enforcement of this **Section 14**, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area so as to protect Purchaser to the greatest extent possible under applicable law from improper competition. The parties hereto acknowledge that money damages would be an inadequate remedy for any breach of this **Section 14** and that Purchaser would be irreparably damaged if any party were to breach the covenants set forth in this **Section 14**. Therefore, in the event of a breach or threatened breach of this **Section 14**, Purchaser, or their respective successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions of this **Section 14** (without posting a bond or other security). If Purchaser prevails in any legal proceedings to enforce this Agreement, then Purchaser is also entitled to recover its costs and fees incurred, including reasonable attorney's fees and out-of-pocket costs.

14.4 Seller acknowledges that the foregoing restrictions are supported by sufficient consideration and other benefits that they have received and will receive hereunder. They also acknowledge that the restrictions protect against unfair competition and that the restrictions do not prevent them from earning a living given their education, skills, and ability. Seller agrees and acknowledge that (i) Purchaser has required that Seller make the covenants set forth in this **Section 14** as a condition to Purchaser's obligations to consummate the transactions contemplated hereby; and (ii) the provisions of this **Section 14** are reasonable and necessary to protect and preserve the Business.

15. **Miscellaneous.**

15.1 **Entire Agreement.** This Agreement, including the Exhibits and Schedules attached hereto, constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof, and supersede all prior discussions, negotiations or writings with respect to such subject matter, including, but not limited to, that certain Letter of Intent executed as of March 29, 2022. This Agreement may not be modified, amended or cancelled except pursuant to the terms hereof or an instrument in writing signed by the Parties. The Schedules and Exhibits annexed hereto are hereby incorporated herein by reference as fully as though set forth herein.

15.2 **Time is of the Essence.** Time is of the essence with respect to all terms, conditions, provisions and covenants of this Agreement.

15.3 **Waiver.** No waiver of any term, provision or condition of this Agreement shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

15.4 **Public Announcements.** Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and to issue no press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written

approval of the other party, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders.

15.5 Attorneys' Fees in the Event of Litigation. Except as provided otherwise in this Agreement, in the event any dispute between the Parties results in litigation, the prevailing Party shall be reimbursed for all reasonable costs, including, but not limited to, reasonable attorneys' fees and consultants' fees and reimbursable costs and expenses, whether at trial, upon appeal or otherwise.

15.6 Jurisdiction; Venue. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS RULES OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.

15.7 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

15.8 Headings and Business Day. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement. Any day other than a Saturday, Sunday or other day on which commercial banks are authorized to close under the laws of the State of California is defined herein as either "Business Day".

15.9 Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

15.10 Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the Parties; provided however, that (i) Seller shall not assign this Agreement without the prior written consent of Purchaser, and (ii) Purchaser shall not assign this Agreement without the prior written consent of Seller, other than an assignment to an entity owned or controlled by or under common control with Purchaser. Any assignment not permitted hereunder and undertaken without such prior written consent shall be deemed null and void.

15.11 Further Assurances. Between the Execution Date and the Closing Date, neither Seller nor Purchaser shall take any action which is inconsistent with its obligations under this Agreement. Further, whether prior to or after Closing, Seller and Purchaser shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the Party so executing and delivering said instrument.

15.12 Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but each term and provision shall be valid and be enforced to the fullest extent permitted by law.

15.13 Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, "any" shall mean "any and all", "or" shall mean "and/or", and "including" shall mean "including without limitation".

15.14 No Strict Construction. The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any of the Parties.

15.15 Confidentiality. Purchaser and its parent, subsidiary and affiliate entities will obtain access to confidential information of Seller that could cause material and irreparable damage to the business prospects of the Seller in the event that such information is disclosed or otherwise used if the Transaction contemplated in this Agreement is not concluded. Purchaser shall maintain the confidentiality of any information concerning the Seller which it obtains during its Due Diligence Review and shall return any Due Diligence Materials to Seller in the event the Transaction fails to close for any reason.

15.16 Calculation of Time Periods. Unless otherwise specified, (a) in computing any period of time described herein, the day of the act or event on which the designated period of time begins to run shall not be included and the last day of the period so computed shall be included and (b) if the last day of any period or any date otherwise specified hereunder is a Saturday, Sunday or legal holiday, the period shall run until, or such date shall be automatically revised to, the next day which is not a Saturday, Sunday or a legal holiday. Further, unless otherwise specified, any

reference to a specified number of days shall be deemed to refer to calendar days. This obligation shall survive the Closing or termination of this Agreement.

15.17 Exhibits and Schedules. If any exhibits or schedules are not attached hereto, the Parties agree to attach such exhibits and schedules as soon as reasonably practicable and that it shall be a condition to the non-preparing Party's obligations hereunder that any Exhibits and Schedules attached hereto after the Execution Date shall be subject to the review and approval of the non-preparing Party. The Parties hereto agree that the Party charged with providing an exhibit or schedule to this Agreement shall, to the extent necessary after delivery thereof (but subject to the following sentence) amend and/or supplement all exhibits and schedules in order for the same to be current, true and correct as of the Closing Date. In furtherance and not in limitation of the foregoing, Purchaser acknowledges and agrees that the pendency of the Transaction provided for in this Agreement may, from time to time, require Seller to amend and/or supplement the exhibits and schedules attached hereto, provided that no such amendment or supplement shall be effective or modify the representations and warranties herein unless approved by Purchaser in its reasonable discretion.

15.18 Third Party Beneficiary. Nothing in this Agreement express or implied is intended to and shall not be construed to confer upon or create in any person (other than the Parties) any rights or remedies under or by reason of this Agreement, including without limitation, any right to enforce this Agreement.

15.19 1031 Exchange. Purchaser and Seller acknowledge that either Party may wish to structure this transaction as a tax deferred exchange of like kind property within the meaning of Section 1031 of the Internal Revenue Code. Each Party agrees to reasonably cooperate with the other Party to effect such an exchange; provided, however, that (a) the cooperating Party shall not be required to acquire or take title to any exchange property, (b) the cooperating Party shall not be required to incur any expense or liability whatsoever in connection with the exchange, including, without limitation, any obligation for the payment of any escrow, title, brokerage or other costs including attorneys' fees incurred with respect to the exchange, (c) no substitution of the effectuating Party shall release said Party from any of its obligations, warranties or representations set forth in this Agreement or from liability for any prior or subsequent default under this Agreement by the effectuating Party, its successors, or assigns, which obligations shall continue as the obligations of a principal and not of a surety or guarantor, (d) the effectuating Party shall give the cooperating Party at least ten (10) Business Days prior notice of the proposed changes required to effect such exchange and the identity of any Party to be substituted in the escrow, (e) the effectuating Party shall be responsible for preparing all additional agreements, documents and escrow instructions (collectively, the "**Exchange Documents**") required by the exchange, at its sole cost and expense, (f) the effectuating Party shall be responsible for making all determinations as to the legal sufficiency, tax considerations and other considerations relating to the proposed exchange, the Exchange Documents and the transactions contemplated thereby, and the cooperating Party shall in no event be responsible for, or in any way be deemed to warrant or represent any tax or other consequences of the exchange transaction, and (g) the election to effect such an exchange shall not delay the Closing of the transaction as defined herein.

15.20 Exclusivity. Unless this Agreement shall be terminated by Seller or Purchaser as provided herein, neither Seller nor any member, manager, officer, director, employee, authorized representative or agent of Seller shall, directly or indirectly, solicit, seek, enter into, conduct or participate in any discussions or negotiations, or enter into any agreement with any person or entity, regarding the sale, lease or other transfer of all or any portion of the Seller's Assets.

15.21 Brokerage Commissions. Each of the Parties hereby represents, covenants, and warrants to the other that neither has employed any broker or finder in connection with the Transaction. Each Party agrees to indemnify and hold harmless the other from and against all liability, claims, demands, damages or costs of any kind, including attorneys' fees, arising from or connected with any broker's commission or finder's fee or commission or charge claimed to be due any other person arising from the Party's conduct with respect to the Transaction. This **Section 15.21** shall survive Closing.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be signed as of the Execution Date.

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, effective as of _____, 2022 (the "**Effective Date**"), HUMANGOOD SOCAL, a California non-profit public benefit corporation ("**Seller**") does hereby grant, bargain, sell, convey, transfer and assign to _____ LLC, a California limited liability company ("**Purchaser**") pursuant to the terms of that Purchase and Sale Agreement dated as of _____, 2022, between Seller and Purchaser (the "**Purchase Agreement**") all of their right, title and interest in and to, all and singular of the following:

1. All fixtures attached or appurtenant to the Real Property and the Facility (the "**Fixtures**");
2. All furnishings and equipment, including, but not limited to, tools, machinery, appliances, bed linens, inventory, food, housekeeping supplies, and all other tangible personal property located on or about the Real Property and the Facility which is owned by Seller (collectively, the "**Personal Property**");
3. To the extent assignable, all of the permits, licenses, approvals, entitlements, certifications and other governmental and quasi-governmental authorizations including, without limitation, bed rights, certificates of occupancy and other similar permits relating to all or any part of the Real Property and the Facility, and all amendments, modifications, supplements, general conditions and addenda thereto, required in connection with the ownership and the operation of the Facility;
4. Original and, to the extent in the possession of Seller or under the control of Seller, digital copies of all reports, drawings, plans, blueprints, studies, specifications, certificates of occupancy, building permits and grading permits relating to all or any part of the Real Property or the Facility and all amendments, modifications, supplements, general conditions and addenda thereto;
5. All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");
6. All of Seller's legal and equitable claims, causes of action, and rights, if any, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

7. All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

8. The owned vehicle described on Exhibit A hereto (the "**Vehicle**");

9. The goodwill associated with the operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the business of the Facility;

10. All books, files and records related to the operation of the Facility, including, but not limited to, original records for current residents and employees of the Facility, but specifically excluding (a) proprietary or organizational document and financial, accounting and/or tax records or Seller, (b) those documents whose disclosure is restricted by applicable law and (c) any records of former residents and employees which may be removed from the Facility by prior to the Closing Date; and

11. All computer hardware and software which are located at the Facility, owned by Seller and used in connection with the operation of the Facility, but specifically excluding any non-assignable software included in the Excluded Assets.

Except for the Excluded Assets identified in Section 1.2 of the Purchase Agreement.

TO HAVE AND TO HOLD, all and singular, the foregoing hereby sold, assigned, transferred and conveyed to Purchaser, its successors and assigns, to and for its own use and benefit.

Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

IN WITNESS WHEREOF, the Seller does hereby execute this Bill of Sale as of the day and year first set forth above.

FORM OF ASSIGNMENT

ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement (this "**Agreement**") is made and entered into effective as of the ____ day of _____, 2022 (the "**Effective Date**"), by and between HUMANGOOD SOCAL, a California non-profit public benefit corporation ("**Assignor**"), and _____ ("**Assignee**").

RECITALS

A. Assignor is the owner and operator of that certain continuing care retirement community commonly known as "Windsor" and "Windsor Manor", and located at 1230 E. Windsor Road, Glendale, CA (the "**Facility**").

B. Assignor, as Seller, has entered into that certain Purchase and Sale Agreement dated as of _____, 2022 (the "**Purchase Agreement**") pursuant to which Assignor has agreed to transfer and assign to Assignee all of Assignor's right title and interest in and to the Operating Contracts listed on Exhibit A hereto and the Resident Agreements (collectively, the "**Assumed Contracts**").

C. Assignor and Assignee are desirous of documenting the terms and conditions under which said assignment and assumption will occur.

D. Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants of the parties set forth herein, IT IS HEREBY AGREED AS FOLLOWS:

AGREEMENT

1. Assignment. Assignor does hereby sell, assign, transfer and convey to Assignee all of Assignor's right, title and interest, if any, in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or of its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or of its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

2. Assumption. Assignee does hereby accept the sale, assignment, transfer and conveyance of Assignor's right, title and interest in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to

the Effective Date or as a result of the acts or omissions of Assignor or its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

3. Governing Law; Amendment. This Agreement shall be governed by and construed in accordance with the laws of the State of California, and may not be amended or modified except by written instrument signed by the parties hereto.

4. Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

5. Attorneys' Fees. In the event of a dispute among the parties hereto with respect to the subject matter hereof, the prevailing party in any such dispute shall be entitled to collect from the other any and all attorneys' fees and costs.

6. Entirety. This Agreement represents the entire agreement of the parties hereto with respect to the subject matter hereof, it being understood and agreed that nothing herein shall affect the rights and obligations of Assignor and Assignee under the Purchase Agreement. This Agreement shall be subject to and governed by the terms and conditions of the Purchase Agreement. Notwithstanding any other provision of this Agreement, no provision of this Agreement shall in any way modify, amend, replace, change, rescind, waive, enlarge or in any way affect the express provisions (including the warranties, covenants, agreements, conditions, representations, or any of the obligations and indemnifications of the parties hereto) set forth in the Purchase Agreement, this Agreement being intended solely to effect the transfer and assignment of certain rights sold and purchased pursuant to and in accordance with the Purchase Agreement.

7. Notices. Any notice, request or other communication to be given by either party hereunder shall be in writing and shall be sent to the parties and in the manner specified in the Purchase Agreement.

8. Severability. Should any one or more of the provisions hereof be deemed to be invalid or unenforceable said determination shall not affect the validity or enforceability of the remaining terms hereof.

9. Captions. The captions in this Agreement have been inserted for convenience of reference only and shall not be construed to define or to limit any of the terms or conditions hereof.

—Hereinafter the assets described in this **Section 1.1** shall sometimes be collectively referred to as "Seller's Assets." The parties hereby acknowledge and agree that HumanGood SoCal owns and operates seniors housing communities other than the Facility ("**Other Assets**"), and that Seller's Assets being sold hereunder do not include the Other Assets.

~~1.2.1.2~~ Excluded Assets. Purchaser acknowledges and agrees that the Seller's Assets shall not include the following, all of which shall be and remain the property of Seller (the "**Excluded Assets**"):

~~1.2.1.~~ ~~Seller's cash;~~

1.2.1 the Other Assets;

1.2.2 Seller's cash, including petty cash, or accounts receivable of Seller arising from the operation of the Facility prior to the Closing Date;

~~1.2.2.~~1.2.3 Seller's proprietary or organizational documents, financial (including historical financials), accounting and/or tax records and other records that Seller is required by law to retain in its possession;

~~1.2.3.~~1.2.4 Seller's rights arising under this Agreement or under any other agreement between Purchaser and Seller;

~~1.2.4.~~1.2.5 any insurance policies in the name of either of the entities comprising Seller which are in effect at Closing with respect to any or all of the Seller's Assets;

1.2.6 Seller's deposits, including utility deposits and prepaid expenses accruing through the Closing Date, unless and to the extent that Seller is reimbursed therefor on the Closing Date;

1.2.7 any claim, cause of action, or right of recovery or settlement held by Seller against third parties including vendors, relating to the ownership and/or operation of the Facility on or before the Closing Date;

~~1.2.5.~~1.2.8 any and all proprietary and confidential materials, rights and information located at and used in connection with the ownership and/or operation of the Facility, including but not limited to, policy and procedure manuals;

~~1.2.6.~~1.2.9 any personal property identified on **Schedule 1.2.8** hereto (the "**Excluded Personal Property**");

~~1.2.7.~~1.2.10 the name "HumanGood" or "HumanGood SoCal" and any variations thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that Seller and its affiliates will continue to use the name HumanGood and HumanGood SoCal post-Closing. At Closing, Seller will grant to Purchaser a non-exclusive, nontransferable, limited license to use the name "Windsor" and "Windsor Manor" and all associated logos in connection with Purchaser's ownership and management of the Facility post-Closing, which license shall remain in place for a period of ninety (90) days post-Closing, or in the case of the skilled nursing facility ("**SNF**") that is part of the Facility (the "**Windsor Manor SNF**"), until the date that the California Department of Public Health ("**CDPH**") issues a new skilled nursing facility to Purchaser. The foregoing license provision shall survive the Closing; and

~~1.2.8.1.2.11~~ all contracts and agreements to which Seller may be a party in connection with the ownership and operation of the Facility which are not ~~Assumed Operating Contracts~~ Assigned Contracts and the national contracts identified on Schedule 1.1.5 hereto.

~~1.3.1.3~~ Assumption of Liabilities. Except for the deposits and obligations related to the ~~Resident Agreements~~ Assigned Contracts arising on or after Closing, Purchaser does not hereby or in connection herewith assume any liability of Seller or any other party whatsoever in relation to the Seller's Real Estate Property, Facility or the Business (the ~~"Assumed Liabilities"~~ ").

~~1.4~~ ~~1.4~~—Notwithstanding the provisions of ~~Section~~ Section 1.3 or any other provision in this Agreement to the contrary, Buyer shall not assume and shall not be responsible to pay, perform or discharge any liabilities of Seller of any kind or nature whatsoever other than the Assumed Liabilities (the ~~"Excluded Liabilities"~~ "Sellers"). Seller shall pay and satisfy in due course all Excluded Liabilities.

2. Purchase Price.

~~2.1.2.1~~ Purchase Price. The aggregate consideration for the Seller's Assets (the ~~"Purchase Price"~~ ") shall be ~~(i)~~ Fourteen Million Eight Hundred Thousand and No/100 Dollars (\$14,800,000.00) ~~(the "Closing Payment ")~~. ~~(ii) plus or minus the Post-Closing Adjustment, and~~ ~~(iii)~~ plus the assumption of ~~the~~ any Assumed Liabilities, subject to any proration adjustment contemplated in Section 6.2 hereof. At the Closing, the Purchaser will deliver to Seller, by wire transfer or immediately available funds, an amount equal to the ~~Closing Payment~~ Purchase Price, less the ~~Current Assets Holdback Amount~~[†], ~~less the Deposits~~ Deposit as set forth in 2.1.1. as follows:

~~2.1.1.2.1.1~~ Deposit. Within two (2) business days after the Execution Date, Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "Initial Deposit") with Commonwealth Land Title, 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660 Attention: Kelly Ralph (the "Escrow Agent"). Within two (2) business days after the expiration of the Due Diligence Period (as defined below), Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "Additional Deposit") with Escrow Agent. The Initial Deposit and Additional Deposit shall be defined herein as the "Deposit". In the event the Closing occurs, the Deposit shall be applied against the Purchase Price. In the event the Closing fails to occur, the Deposit shall be remitted to the Seller or to Purchaser as set forth more fully in **Section 11**; provided, however, if ~~the purchaser~~ Purchaser does not provide an Approval Notice (as defined below) prior to expiration of the Due Diligence Period for any reason, this ~~agreement~~ Agreement and the escrow shall be cancelled, and the Initial Deposit immediately returned to Purchaser.

[†] ~~"Current Assets Holdback Amount" means an amount equal to Three Hundred Fifty Thousand Dollars (\$350,000). The Current Assets Holdback Amount shall serve for the benefit of Purchaser as a reserve with respect to the Post-Closing Adjustment as set forth in Section 2.1.2.~~

~~1.1 2.1.2 Current Assets Adjustment. The Purchase Price shall be adjusted in accordance with the following:~~

1.1 Balance of Purchase Price. The

~~(a) Post Closing Adjustment.~~

~~(i) Within 60 days after the Closing Date, Purchaser shall prepare and deliver to Seller a statement setting forth its calculation of Closing Current Assets², which statement shall contain a balance sheet of Seller as of the Closing Date (without giving effect to the transactions contemplated herein) and a calculation of Closing Current Assets (the “Closing Current Assets Statement”). The Closing Current Assets Statement shall be prepared consistently with Schedule 2.1.2. The post closing adjustment shall be an amount equal to the Closing Current Assets minus the Target Current Assets³ (the “Post Closing Adjustment”).~~

(i) balance of

~~(ii) If the Post Closing Adjustment is a positive number, Purchaser shall pay Seller, by wire transfer of immediately available funds, an amount equal to the Post Closing Adjustment plus the Current Assets Holdback Amount within five Business Days of the final determination of the Post Closing Adjustment.~~

~~(iii) If the Post Closing Adjustment is a negative number and the absolute value of the Post Closing Adjustment is more than the Current Assets Holdback Amount, Seller shall pay Purchaser, by wire transfer of immediately available funds, an amount equal to the absolute value of the Post Closing Adjustment less the Current Assets Holdback Amount within five Business Days of the final determination of the Post Closing Adjustment.~~

~~(iv) If the Post Closing Adjustment is a positive number and the absolute value of the Post Closing Adjustment is less than the Current Assets Holdback Amount, Purchaser shall pay Seller, by wire transfer of immediately available funds, an amount equal to the Current Assets Holdback Amount less the absolute value of the Post Closing Adjustment within five Business Days of the final determination of the Post Closing Adjustment.~~

~~(b) Examination and Review.~~

~~(i) Examination. After receipt of the Closing Current Assets Statement, Seller shall have 30 days (the “Review Period”) to review the Closing Current Assets Statement. During the Review Period, Seller and Seller’s accountants shall~~

² ~~“Closing Current Assets” means Seller’s Current Assets (defined as the total current assets minus current liabilities as set forth on Schedule 2.1.2) as of the close of business on the Closing Date.~~

³ ~~“Target Current Assets” means \$[_____]~~

have full access to the work papers prepared by Purchaser and/or Purchaser's accountants to the extent that they relate to the Closing Current Assets Statement.

(ii) — Objection. On or prior to the last day of the Review Period, Seller may object to the Closing Current Assets Statement by delivering to Purchaser a written statement setting forth Seller's objections in reasonable detail, indicating each disputed item or amount and the basis for Seller's disagreement therewith (the "Statement of Objections"). If Seller fails to deliver the Statement of Objections before the expiration of the Review Period, the Closing Current Assets Statement and the Post-Closing Adjustment, as the case may be, reflected in the Closing Current Assets Statement shall be deemed to have been accepted by Seller. If Seller delivers the Statement of Objections before the expiration of the Review Period, then Purchaser and Sellers shall negotiate in good faith to resolve such objections within 15 days after the delivery of the Statement of Objections (the "Resolution Period"), and, if the same are so resolved within the Resolution Period, then the Post-Closing Adjustment and the Closing Current Assets Statement with such changes as may have been previously agreed in writing by Purchaser and Seller, shall be final and binding.

(iii) — Resolution of Disputes. If Seller and Purchaser fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections before expiration of the Resolution Period, then any amounts remaining in dispute ("Disputed Amounts") shall be submitted for resolution to the office of CBIZ, Inc. or, if CBIZ, Inc. is unable to serve, Purchaser and Seller shall appoint by mutual agreement the office of an impartial nationally recognized firm of independent certified public accountants other than Seller's or Purchaser's accountants (the "Independent Accountants") who, acting as experts and not arbitrators, shall resolve the Disputed Amounts only and make any adjustments to the Post-Closing Adjustment, as the case may be, and the Closing Current Assets Statement, and whose decision shall be final, conclusive and binding upon Seller and Buyer. The parties hereto agree that all adjustments shall be made without regard to materiality. The Independent Accountants shall only decide the specific items under dispute by the parties.

(iv) — Fees of the Independent Accountants. Sellers shall pay a portion of the fees and expenses of the Independent Accountants equal to 100% multiplied by a fraction, the numerator of which is the amount of Disputed Amounts submitted to the Independent Accountants that are resolved in favor of Buyer (that being the difference between the Independent Accountants' determination and Seller's determination) and the denominator of which is the total amount of Disputed Amounts submitted to the Independent Accountants (that being the sum total by which Purchaser's determination and Seller's determination differ from the determination of the Independent Accountants). Purchaser shall pay that portion of the fees and expenses of the Independent Accountants that Seller is not required to pay hereunder.

~~(v) — Determination by Independent Accountants. The Independent Accountants shall make a determination as soon as practicable within 30 days (or such other time as the parties hereto shall agree in writing) after their engagement, and their resolution of the Disputed Amounts and their adjustments to the Closing Current Assets Statement and/or the Post-Closing Adjustment shall be conclusive and binding upon the parties hereto and their decision for each Disputed Amount must be within the range of value assigned to each such item in the Closing Current Assets Statement and the Statement of Objections, respectively.~~

~~(e) — Adjustments for Tax Purposes. Any payments made pursuant to Section 2.1.2 shall be treated as an adjustment to the Purchase Price by the parties for tax purposes, unless otherwise required by law.~~
the Purchase Price

~~2.1.32.1.2~~ 2.1.32.1.2, less the ~~Deposit~~ Balance of Purchase Price. ~~The balance of the Purchase Price (Closing Payment, minus the Current Assets Holdback Amount, minus the Deposits, plus or minus any costs and proration for which the Seller and/or Purchaser are responsible under the terms~~ Section 6.2 hereof) shall be paid by wire transfer of immediately available funds at Closing.

~~2.2.2.2~~ 2.2.2.2 Allocation of Purchase Price. The Purchase Price shall be allocated among the Seller's Assets in the manner set forth in **Schedule 2.2**.

~~2.3.2.3~~ 2.3.2.3 Independent Consideration. As consideration for Seller's agreement to enter into this Agreement, Purchaser shall deliver directly to Seller, within two (2) business days following the Execution Date, the sum of One Hundred Dollars (\$100.00) (the "**Independent Consideration**"), which Independent Consideration shall be retained by Seller as Seller's sole property immediately upon receipt thereof and which shall be nonrefundable to purchaser in all events; provided, however, that the Independent Consideration shall be applied to the Purchase Price at Closing.

3. Closing

~~3.1.3.1~~ 3.1.3.1 Time and Place of Closing. -Subject to the satisfaction or waiver of the closing conditions set forth in **Section 5** below, the closing of the Transaction contemplated hereby (the "**Closing**") shall occur on the date that the California Department of Social Services ("**DSS**") approves ~~Purchaser's~~ Purchaser's new Residential Care Facility for the Elderly license ("**RCFE License**") to operate the Facility post-Closing and issues Purchaser a Certificate of Authority ("**COA**") to enter into continuing care contracts with residents of the Facility post-Closing, such approval and issuance occurring on the same date, with documents to be released for recording and the funds released by Purchaser to Seller on or before 3:00 PM (Pacific Time) and shall be effective at 12:01 am on such date (the "**Closing Date**"); provided that in the event the Closing has not occurred on or before October 31, 2023, Seller shall have the right to terminate this Agreement upon written notice to Purchaser in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

~~3.2.3.2~~ 3.2.3.2 Closing Process. The Closing shall occur through escrow and accordingly, at or prior to the Closing Date, the Parties shall deposit in escrow with the Escrow Agent all documents and monies necessary to close the transaction as herein provided. Closing shall occur in accordance with the procedures and instructions given by the Parties to the Escrow Agent prior to Closing.

4. **Due Diligence; Title and Survey.**

~~4.1.4.1~~ 4.1.4.1 Due Diligence Investigation.

4.1.1 ~~4.1.1~~ Within three (3) Business Days after the Opening of Escrow, Seller shall deliver to Purchaser or provide Purchaser access to all materials in ~~Seller's~~Seller's possession or control relating to the Real Property or Facility including, but not limited to: (i) copies of the most recent property tax bills and assessments for the Property; (ii) copies of all documents evidencing interests not shown on the Title Report, if any, (iii) a copy of any and all leases, service contracts, easements, licenses, development approvals and/or other agreements related to the Real Property or Facility including, without limitation, contracts for design work thereon; (iv) any and all existing surveys of the Real Property; (v) any and all soils reports, reports pertaining to hazardous materials or other environmental conditions or other reports relating to the physical condition of the Real Property; (vi) any and all engineering documents relating to the Facility including, without limitation, plans and specifications prepared for Seller in connection with the development of the Real Property and Facility (the "**Plans and Specifications**"); (vii) any and all other correspondence, reports, studies, permits, approvals or documents relating to the Real Property or Facility, except for ~~Seller's~~Seller's internal materials, documents, correspondence, and/or analysis; (viii) audited financial statements for the Business for the period ending December 31, 2019, ~~2021~~2020 and 2021; (the "Financial Statements"), as well as the three month period ending March 31, 2022 ~~(the "Financial Statements")~~; (ix) the general ledger and trial balance supporting the Financial Statements; (x) contracts and agreements and other documents material to the Business; (xi) and other documents set forth on the Diligence Checklist related to the Business as set forth on **Schedule 4.1.1** (collectively, the "**Due Diligence Materials**"). In addition, Seller shall promptly deliver to Purchaser or provide Purchaser access to such other information relating to the Real Property, Facility and Business that is specifically and reasonably requested by Purchaser of Seller in writing to the extent such information is in the possession or control of Seller.

4.1.2 ~~4.1.2~~ During the period (the "**Due Diligence Period**") commencing on the later of the Execution Date and the delivery of all the Due Diligence Items in Seller's possession or control, and ending forty-five (45) days thereafter, Purchaser will have the right, at its sole cost and expense, to conduct such investigations with respect to Seller's Assets as it deems to be necessary in the exercise of its sole and absolute discretion in connection with its purchase thereof, including without limitation, environmental site assessments, property condition reports, appraisals, engineering tests and studies, physical examinations of the Property, and feasibility studies, as well as inspections of the financial condition and operations of the Facility.

4.1.2.1 ~~4.1.2.1~~ At all reasonable times from the date of this Agreement to the Closing, or earlier termination of this Agreement, upon forty-eight (48)

hours prior written notice to Seller, Purchaser and their respective employees, agents, consultants, managers and contractors (collectively, "**Buyer Permitted Parties**") shall be entitled, at Purchaser's sole cost and expense, to: (a) enter onto the Real Property and Facility to perform any inspections, investigations, studies, and tests of the Real Property and Facility (including, without limitation, physical, engineering, soils, geotechnical, and environmental tests) that Purchaser deems reasonable; provided however that Purchaser shall not do any invasive testing on the land without the prior consent of Seller, which consent shall not be unreasonably withheld; (b) review all Due Diligence Materials; and (c) investigate such other matters pertaining to the Real Property, Facility and Business as Purchaser may desire. Any entry by Purchaser onto the Real Property shall be subject to, and conducted in accordance with, all applicable laws. Upon completion of any such testing, Purchaser shall immediately restore the Real Property and Facility to substantially the same condition as it existed prior to Purchaser's entry under this **Section 4.1.2.1**. During the term of Escrow, Purchaser shall have the right to meet with representatives of the City and other governmental agencies having jurisdiction over the Real Property and Facility. Seller shall have the right to have a representative attend each and every meeting with representatives of the City and other governmental agencies having such jurisdiction. Seller shall cooperate with Purchaser in its investigation of the Real Property, Facility and Business (the "**Due Diligence Review**").

~~4.1.2.2~~ ~~4.1.2.2~~ Purchaser shall indemnify, defend and hold Seller and Seller's Assets harmless of and from any and all losses, liabilities, costs, expenses (including without limitation, reasonable attorneys' fees and costs of court at trial and on appeal), damages, liens, claims (including, without limitation mechanics' or materialmans' liens or claims of liens), actions and causes of action arising from or relating to Purchaser (or Purchaser's agents, employees, or representatives) entering on the Real Property and/or the Facility to test, study, investigate or inspect the same or any part thereof (except for the discovery of any pre-existing conditions). The foregoing indemnity shall expressly survive the Closing or the earlier termination of this Agreement.

~~4.1.2.3~~

~~4.1.2.3~~ ~~4.1.3~~ Purchaser shall have the right at any time on or before the end of the Due Diligence Period (the "**Due Diligence Termination Date**"), to terminate this Agreement by delivering a written notice of such termination to Seller and Escrow Agent if Purchaser determines, in its sole and absolute discretion, that the Seller's Assets are not acceptable to Purchaser for any reason. Purchaser shall indicate its satisfaction and/or waiver of the Due Diligence condition described in this **Section 4.1** by delivering written notice of such satisfaction and/or waiver ("**Approval Notice**") to Seller and Escrow Agent on or prior to the Due Diligence Termination Date. In the event Purchaser fails to timely deliver an Approval Notice, then this Agreement and the Escrow shall be automatically deemed terminated. In the event this Agreement is terminated in accordance with this Section, then the Initial Deposit shall be immediately returned to Purchaser and the parties shall thereafter be relieved from further liability hereunder, except with respect to any obligations under this Agreement that are expressly stated to survive any termination of this Agreement.

4.2.4.2 Title Matters. After the Execution Date, Purchaser will also conduct a review of the condition of title to the Real Property pursuant to the procedures outlined below:

4.2.1.4.2.1 Property Documents. After the Execution Date, to the extent not previously obtained, Seller shall obtain a title report or title commitment (the "**Title Commitment**") for a standard owner's title insurance policy with respect to the Property issued by Commonwealth Land Title (the "**Title Company**"), along with copies of all of the exception documents referenced therein and a map showing all easements plotted. Purchaser shall have the right, at its own cost and expense, to obtain a zoning compliance letter issued by the local zoning authority or a zoning report issued by a third party provider qualified in the preparation of such reports, an ALTA survey with respect to the Real Property (the "**Survey**") prepared by a surveyor selected by Purchaser, a Phase One Environmental Site Assessment (the "**Phase One**") and Property Condition Report.

4.2.2.4.2.2 Title Objections.

~~(a)~~ (a) Not later than fifteen (15) days after the receipt of the Title Commitment, Purchaser shall advise Seller in writing of its objections, if any, to the matters reflected in the Title Commitment (a "**Title Document Objection Letter**").

~~(b)~~ (b) Within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall specify by written notice delivered to Purchaser which of the objections described therein it will correct at or prior to the Closing Date and which of such objections it refuses to correct at or prior to the Closing Date (the "**Seller Title Document Response Notice**"). If Seller fails to deliver a Seller Title Document Response Notice within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall be deemed to have refused to correct any of the matters to which Purchaser objected in the Title Document Objection Letter. If Seller refuses to or is deemed to have refused to correct some or all of the matters objected to in the Title Document Objection Letter, Purchaser shall have five (5) days after receipt or deemed receipt of a Seller Title Document Response Notice in which to advise Seller of its decision to terminate this Agreement, in which case the Deposit shall be immediately returned to Buyer. If Purchaser does not deliver a notice of termination under this Section, Purchaser shall be deemed to have waived its objections, notwithstanding the defects which Seller has refused to correct. In the event Purchaser elects to terminate this Agreement as a result of the existence of matters contained in the Title Commitment which Seller refuses to correct by Closing, then the provisions of **Section 11** shall apply.

~~(c)~~ (c) Any matter reflected in the Title Commitment and not objected to by Purchaser or as to which Purchaser waives or is deemed to have waived its objections in accordance with the terms hereof, shall be deemed accepted by Purchaser and shall for purposes hereof be deemed to be the "Permitted Exceptions".

~~(d)~~ (d) If any update to the Title Commitment issued by the Title Company following the above reveals any additional lien or encumbrance, Purchaser shall have the right to

object to the matters contained in such update in accordance with the provisions set forth above with a supplemental property document objection letter.

~~4.3.4.3~~ 4.3.4.3 **Access to Key Employees.** Seller agrees to provide Purchaser with access to meet with Seller's executive director and other department heads (and no other employees of the Facility) during the Due Diligence Period. Such meetings shall be conducted with prior notice to and approval by Seller and in the presence of Seller. Purchaser shall not disclose to other members of Seller's staff or the residents, the existence of this Agreement, or of any proposed sale of the Facility. After the expiration of the Due Diligence Period, Seller shall provide Purchaser with access to the other employees of the Facility, which meetings shall also be conducted with prior notice to and approval by Seller and in the presence of Seller.

5. **Conditions to Closing.**

~~5.1.5.1~~ 5.1.5.1 **Purchaser's Conditions.** Purchaser's obligation to purchase Seller's Assets hereunder is subject to fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Seller at the Closing) (the "**Purchaser's Closing Conditions**"), which conditions may be waived by Purchaser only in a writing executed by Purchaser:

~~5.1.1.5.1.1~~ 5.1.1.5.1.1 **Closing Deliveries.** Seller shall have delivered to Purchaser or, if applicable, to the Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

- ~~(e)~~ (e) Written closing instructions directed to the Escrow Agent;
- ~~(f)~~ (f) Documentation, reasonably acceptable to Seller and the Title Company, confirming the authority of Purchaser to execute and deliver this Agreement and all of

the documents described in this **Section 5.2.2** and to consummate the transaction contemplated hereby;

~~(e)~~ (g) An Interim Lease, Interim Management Agreement and OTA; and

~~(f)~~ (h) Such other customary closing documents required from the purchasers of real estate in the applicable city, state and county in which the Facility is located as Seller or the Title Company may reasonably require.

~~5.2.3.5.2.3~~ 5.2.3.5.2.3 **Representations and Warranties.** The representations and warranties of Purchaser contained in this Agreement shall be true, correct and complete in all material respects as of the Closing Date and Purchaser shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

~~5.2.4.5.2.4~~ 5.2.4.5.2.4 **Attorney General and California Department of Social Services Approval.** All consents, approvals and other authorizations from the Attorney General's Office, DSS, and any other consents or approvals necessary to transfer the Assets to Purchaser, have been obtained by Seller, without the imposition of conditions unsatisfactory to Seller in its sole discretion.

~~5.2.5.5.2.5~~ 5.2.5.5.2.5 **Purchaser's Performance.** Purchaser shall have complied with and/or performed all of its obligations, covenants, and agreements required on the part of Purchaser to be complied with or performed under this Agreement prior to or at Closing, including Purchaser and/or its designee having obtained the Residential Care Facility for the Elderly license and Certificate of Authority per **Section 5.1.5**.

~~5.3.5.3~~ 5.3.5.3 **Conditions Generally.** The foregoing conditions are for the benefit only of the Party for whom they are specified to be conditions precedent and such Party may, in its sole discretion, waive any or all of such conditions and proceed with the Closing under this Agreement without any increase in, abatement of or credit against the Purchase Price.

6. **Closing Costs and Prorations.**

~~6.1.6.1~~ 6.1.6.1 **Costs and Expenses.** All costs and expenses associated with the Transaction shall be allocated between the Parties as follows:

~~6.1.1.6.1.1~~ 6.1.1.6.1.1 Seller shall pay the cost of a standard coverage title insurance policy with respect to the Real Property in the amount of the Purchase Price and Purchaser shall pay the additional cost to secure extended coverage and for all endorsements, as well as the cost of the Survey and any lender's title insurance policy which Purchaser may elect to obtain.

~~6.1.2.6.1.2~~ 6.1.2.6.1.2 Seller shall pay for the transfer taxes applicable to the sale of the Real Property.

~~6.1.3.~~6.1.3 Purchaser shall pay all of the costs associated with the Due Diligence Review.

~~6.1.4.~~6.1.4 Each of the Parties shall each pay their own legal fees and expenses.

~~6.1.5.~~6.1.5 Purchaser and Seller shall share on a 50-50 basis all escrow fees.

~~6.1.6.~~6.1.6 Seller shall pay the cost of recording the Deed and all recording fees required to remove any exceptions from title other than the Permitted Exceptions and Purchaser shall pay any other recording fees.

~~6.1.7.~~6.1.7 Purchaser shall pay any and all filing fees and all other costs which may be due in connection with securing the ~~Purchaser's~~Purchaser's licenses and permits necessary to operate the Facility.

6.2.6.2 Prorations and Adjustments.

6.2.1 All of the revenues and expenses related to the ownership of the Seller's Assets and the operation of the Facility as of the Closing Date shall be prorated between Seller and Purchaser, with Seller entitled to such revenues and responsible for such expenses for the period prior to the Closing Date and with Purchaser entitled to such revenues and responsible for such expenses for the period from and after the Closing Date. For the avoidance of doubt, any market rate fees due to any resident referral/placement agencies shall be the responsibility of Seller to the extent the applicable resident commenced occupancy at the Facility at any time prior to the Closing Date and shall be the responsibility of Purchaser to the extent the applicable resident commences occupancy at the Facility at any time on or after the Closing Date. Further, the parties acknowledge and agree that post-Closing Seller will continue to collect certain governmental receivables for services rendered by Seller prior to Closing.

~~6.2.1.~~6.2.2 Real and personal property taxes shall be prorated as of the Closing Date, with Seller responsible therefor for the period prior to the Closing Date and with Purchaser responsible therefor for the period from and after the Closing Date. Such proration shall be based on the most recently available tax bills and shall be subject to re-proration after Closing in accordance with the provisions of **Section 6.2.3** below.

~~6.2.2.~~6.2.3 Prior to Closing, Seller shall arrange for a final statement with respect to all utilities serving the Real Property and the Facility as of the Closing Date and shall pay all fees identified thereon and Purchaser shall arrange for all such utilities to be billed in its name from and after the Closing Date and shall pay all fees due therefor as of the Closing Date.

~~6.2.3.~~6.2.4 All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the Closing Date shall be settled within sixty (60) days after the Closing Date or, in the event the information necessary for such adjustment is not available within said sixty (60) day period, then within ten (10) Business Days of receipt of information by either Party necessary to settle the amounts subject to proration and, unless otherwise set forth herein, any payment owed shall be made within fifteen (15) days of a Party's receipt of a request for payment. In the event of a disagreement regarding any item(s) (or the

amount of any item(s)) subject to proration under the terms of this Agreement, Seller and Purchaser shall negotiate in good faith to resolve any such disagreement within ten (10) Business Days after either Party articulates to the other a basis for disagreement. If the Parties are unable to resolve such dispute within ten (10) Business Days, then the Parties shall appoint an independent accounting firm of national or regional reputation as is mutually acceptable to the Seller and Purchaser and having no current relationship with either Seller or Purchaser or any affiliate thereof (an "**Independent Accounting Firm**"), which shall review the items then subject to disagreement and determine the appropriate proration within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The determination by the Independent Accounting Firm with respect to each item in dispute shall be conclusive and binding on the Parties hereto. All fees and expenses billed by the Independent Accounting Firm in connection with the resolution of disputes under this Section shall be borne one-half by Seller and one-half by Purchaser.

~~6.2.4.6.2.5~~ This **Section 6** shall survive the Closing.

7. Seller's Representations, Warranties and Covenants. Seller does hereby warrant and represent to Purchaser ~~on behalf~~ solely in its capacity as the owner of ~~itself~~ the Facility and the Real Property (and not on behalf of the any facility or other entity comprising real or personal property owned by Seller) as follows:

To the ~~disclosed to Purchaser on Schedule 7.3 hereto, to~~ Seller's knowledge, no action alleging a violation of any ~~such~~ applicable employment law has been threatened. ~~Purchaser will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any such law or regulation relating to actions arising out of or related to any event occurring on or before the Closing Date. The Seller is in compliance with all applicable requirements of the Immigration Reform and Control Act (to the extent applicable), and~~ hereby acknowledges that it has in its files

~~properly completed copies of Form I-9 (and, as applicable, copies of supporting documents)~~ I-9's on file at the Facility for ~~each of the~~ employees ~~and former employees with respect to whom that form is required.~~ ~~The~~ of Seller. To Seller's knowledge, Seller does not have any existing workers' compensation ~~Liabilities~~ liabilities with respect to Seller's employees that are not covered by insurance.

~~7.7.7.7~~ 7.7.7.7 Condemnation; Reassessment. Seller has not received written notice of any (a) condemnation proceeding relating to the Real Property, (b) reclassification of any or all of the Real Property for local zoning purposes, or (c) reassessment or reclassification of any or all of the Real Property for state or local real property taxation purposes. To Seller's knowledge, no such actions have been threatened.

~~7.8.7.8~~ 7.8.7.8 Operating Contracts. Copies of all written operating contracts and equipment leases to which Seller is a party in connection with the ownership and/or operation of the Facility (collectively, the "**Operating Contracts**") have been provided to Purchaser as part of the Due Diligence Review. Each of the Operating Contracts is in full force and effect and none of the Operating Contracts has been modified or amended except any modifications or amendments provided to Purchaser as part of the Due Diligence Review. Seller has received no written notice that it or the Facility is in default of any obligations under the Operating Contracts.

~~7.9.7.9~~ 7.9.7.9 Executive Order 13224. None of Seller or the entities or individuals that constitute Seller, or that may own or control Seller, or that may be owned or controlled by Seller (in all cases, other than through the ownership of publicly traded, direct or indirect, ownership interests) are: (i) in violation of any laws relating to terrorism or money laundering, or (ii) among the individuals or entities identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/tltsdn.pdf> or any replacement website or other replacement official publication of such list which identifies an "Specially Designated National" or "blocked person."

~~7.10.7.10~~ 7.10.7.10 Tax Returns. To Seller's Seller's knowledge, all tax returns and reports required by law to be filed by Seller relating to the ownership and operation of the Business prior to Closing (collectively, "**Tax Returns**") have been or will be properly and timely filed (subject to the right to extend or delay the filing thereof) and do, or at the time of the filing thereof will, correctly reflect the tax position of Seller and all taxes due under such Tax Returns have been or will be timely objected to, disputed and/or paid. Moreover, ~~to Seller's knowledge,~~ (i) no ~~Liens~~ liens have been filed against ~~Sellers~~ Seller or ~~their assets~~ Seller's Assets in respect of ~~Taxes~~ taxes, and no waivers of statutes of limitations have been given or requested with respect to ~~Sellers~~ Seller; (ii) there are no pending ~~Tax~~ tax audits or other proceedings with respect to ~~Sellers~~ Seller or ~~any of their~~ Seller's Tax Returns nor ~~have Sellers~~ has Seller been notified of any dispute or claim with respect to ~~Taxes~~ taxes that has not been resolved; (iii) ~~Sellers have complied in all respects with all applicable laws relating to the collection or withholding of Taxes (such as sales Taxes, customs duties or withholding of Taxes from the wages of employees);~~ (iv) ~~Sellers are~~ Seller is not now ~~nor have they been~~ a party to any ~~Tax~~ tax sharing, allocation or distribution agreement; and (v) ~~Sellers have~~ iv) Seller has no obligation to make (or possibly make) any payments that will be non-deductible under, or would otherwise constitute a "parachute

payment²²" within the meaning of, Section 280G of the Code (or any corresponding provision of state, local or foreign income Tax law). ~~Sellers are not directly nor indirectly responsible for the Taxes of any other Person, and Sellers (A) have never been a member of a group filing a consolidated, combined, unitary or similar Tax Return and (B) have no liability for the Taxes of any Person (other than Sellers) under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign law), as a transferee or successor, by contract, or otherwise.~~

~~7.11.~~7.11 No Violations of Environmental Laws. To Seller's knowledge and except as disclosed in the Property Materials or any environmental reports obtained by Purchaser in connection with this Agreement: (a) the Property is not ~~in~~, nor has it been ~~or is it currently~~ under investigation for violation of any federal, state, or local law, ordinance, or regulation relating to industrial hygiene, worker health and safety, or to the environmental conditions in, at, on, under, or about the Property, including, but not limited to, soil and groundwater conditions ("**Environmental Laws**"); (b) the Property has not been subject to a deposit of any Hazardous Substance; except in compliance with applicable laws; and (c) ~~neither Seller nor any third Party~~ has not used, generated, manufactured, stored, or disposed in, at, on, or under the Property any Hazardous Substance; ~~and (d) there is not now in, on, or under the Property any underground or above ground storage tanks or surface impoundments, any asbestos containing materials, or any polychlorinated biphenyls used in hydraulic oils, electrical transformers, or other equipment.~~ except in compliance with applicable laws. Seller hereby assigns to Buyer as of the Closing all claims, counterclaims, defenses, and actions, whether at common law or pursuant to any other applicable federal, state or other laws that Seller may have against any third ~~Party~~party or ~~Parties~~parties relating to the existence or presence of any Hazardous Substance in, at, on, under, or about the Property. For purpose of this Agreement, the term "Hazardous Substance" shall be deemed to include any wastes, materials, substances, pollutants, and other matters regulated by Environmental Laws including, without limitation, per- and polyfluoroalkl substances (PFAS).

~~7.12.~~7.12 Health Care Representations. To Seller's knowledge, Seller is not a target of, participant in, or subject to any pending or threatened action, proceeding, suit, audit, investigation or sanction by any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident which could reasonably be expected to have a material adverse effect on Seller, or the operation of the Facility. With respect to Windsor Manor SNF, Seller is certified for participation in the Medicare and Medi-Cal programs, and has current and valid provider contracts with each of such programs. Seller has no pending license revocation or suspension proceedings, outstanding or uncompleted plan of correction that remains outstanding or uncompleted beyond its stated due date, denial of payment or denial of new admission orders or directives from Medicare or Medi-Cal. Seller has no pending or outstanding allegations or orders for civil money penalties or recoupment payments from the Medicare and/or Medi-Cal programs. ~~Seller has provided all correspondence with any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident received from January 1, 2020 to the present to Purchaser as part of the Due Diligence Materials. Seller has maintained the Facility and operated the Business in such a manner as to avoid any negative survey finding by any Health Care Authority.~~

~~7.19. Sufficiency and Condition of Assets.~~

~~7.19.1.7.17 . Excluding the Other Assets, Seller's Assets: (a) constitute all of the assets, tangible and intangible, of any nature whatsoever, necessary to operate the Business in the manner presently operated by Seller, (b) include all of the operating assets of Seller, and (c) and (b) include no assets other than those used in the operation of the Business.~~

~~7.19.2. Use of the Real Property for the various purposes for which it is presently being used is permitted as of right under all applicable zoning legal requirements and is not subject to "permitted nonconforming" use or structure classifications. All improvements on the Real Property are in compliance with all applicable legal requirements, including those pertaining to zoning, building and the disabled, are in good repair and in good condition, ordinary wear and tear excepted, and are free from latent and patent defects. No improvement on the Real Property encroaches on any real property not included in the Real Property, and there are no buildings, structures, fixtures or other improvements primarily situated on adjoining property that encroach on any part of the Real Property. The Real Property abuts on and has direct vehicular access to a public road or has access to a public road via a permanent, irrevocable, appurtenant easement benefiting such Real Property and comprising a part thereof, is supplied with public or quasi-public utilities and other services appropriate for the operation of the improvements located thereon. There is no existing or proposed plan to modify or realign any street or highway or any existing or proposed eminent domain proceeding that would result in the taking of all or any part of any Real Property or improvement on the Real Property or that would prevent or hinder the continued use of any Real Property as heretofore used in the conduct of the Business.~~

~~7.19.3. Each item of Tangible Personal Property is in good repair and good operating condition, ordinary wear and tear excepted, with no known needed repairs (other than routine maintenance), is suitable for immediate use in the ordinary course of the Business, and is free from latent and patent defects. No item of Tangible Personal Property is in need of repair or replacement other than as part of routine maintenance in the ordinary course of Business. All Tangible Personal Property used in the Business is in the possession of Sellers.~~

~~7.20. Contracts.~~

~~7.18 Schedule 7.20.1 includes a listing of all Contracts.~~

~~7.20.1. Assumed Contracts to which either Seller is a party that are related to the Business.~~

7.18.1 The Due Diligence Materials contain copies of the Assumed Contracts to which Seller is a party and that are related to the Business. As of the Effective Date, Seller has no knowledge of any material disputes with any existing vendors of the Facility and Seller agrees to disclose to Purchaser any material disputes with vendors arising prior to Closing.

~~7.20.2.7.18.2 Except as set forth on Schedule 7.20.2: To Seller's knowledge:~~
(i) Seller is not in default under any of the Assumed Contracts ~~identified in Section 7.20.1;~~
(ii) there has not occurred any event that, with the lapse of time or the giving of notice, or both, would constitute such a default; and (iii) ~~to the Seller's knowledge,~~ no party to any of the Assumed Contracts other than Seller is in default under any Assumed Contract nor has any event occurred that, with the lapse of time or the giving of notice, or both, would constitute such a default by any such other party.

~~7.20.3.7.18.3 Except as set forth in Schedule 7.20.3, (i) To Seller's knowledge,~~ each Assumed Contract is in full force and effect and is valid and enforceable in accordance with its terms; ~~(ii) each Assumed Contract is assignable by Seller to Purchaser without the consent of any other person; and (iii) no Assumed Contract will upon completion or performance thereof have a material adverse effect on the Business, or the Assumed Liabilities.~~

~~7.20.4. ————— There are no renegotiations of, attempts or requests to renegotiate or outstanding rights to renegotiate any Assumed Contract and no person has the contractual or statutory right to demand or require such renegotiation~~

~~7.21.2.7.19.2 Except as disclosed on Schedule 7.21.2:—~~(i) Seller holds all material Permits required for the operation of the Business (including, without limitation, all material Permits required by any Environmental Laws), all of which are valid and in full force and effect in all material respects ~~and are listed on Schedule 7.21.2;~~ and (ii) ~~Sellers have~~ Seller has not received any notice that any Governmental Entity which has issued any such Permit intends to cancel, terminate or not renew any such Permit

⁴ ~~Permits shall mean all permits, licenses, franchises, approvals, authorizations, registrations, certificates, variances and similar rights obtained, or required to be obtained, from Governmental Entities, held by Seller relating to the Business.~~

~~7.22.7.20~~ Labor Matters. ~~Schedule 7.22 contains a~~ Seller shall provide a redacted list of all persons who are employees, ~~independent contractors or consultants~~ of the Business as of the date hereof in the Due Diligence Materials, including any employee who is on a leave of absence of any nature, paid or unpaid, authorized or unauthorized, and sets forth for each such individual the following: (i) ~~name;~~ (ii) title or position (including whether full-time or part-time); (~~iii~~) hire or retention date; (~~iv~~) current annual base compensation rate or contract fee; and (~~v~~) commission, bonus or other incentive-based compensation.

~~7.22.17.20.1~~ ~~Except as disclosed on Schedule 7.22.1:~~ (i) Seller is received no written notice from any Governmental Entity that the Facility or Business is not in compliance in all material respects with all applicable laws and regulations respecting employment, including, without limitation, laws and regulations respecting employment practices, employment terms and conditions, wages and hours, tax withholding, immigration and collective bargaining, and is not engaged in any unfair labor practice; (ii) except as disclosed to Purchaser on Schedule 7.3 hereto, there is no pending or, to Seller's knowledge, threatened charge, complaint, or grievance against ~~Sellers~~ Seller related to any employment law or regulation; (iii) there is no labor strike, material dispute, slowdown or stoppage actually pending or, to Seller's knowledge, threatened against or involving ~~Sellers~~ Seller; and (iv) to Seller's knowledge, there is no threat of unionization involving ~~Sellers~~ Seller or any of ~~their~~ its employees.

~~7.22.27.20.2~~ To Seller's knowledge, Seller is not delinquent in payments to any of their employees or independent contractors for any wages, salaries, commissions, bonuses, or other direct compensation for any services performed by them to date or amounts required to be reimbursed to such employees or independent contractors. ~~Seller is not obligated to pay severance pay or any other payments to their employees upon termination of employment except for payment of accrued wages and benefits pursuant to requirements of law, regulation, or any Plan disclosed on Schedule 7.23.~~

~~7.22.3~~ All persons classified by Sellers as independent contractors or as self-employed do satisfy and have satisfied the requirements of any applicable law or regulation to be so classified.

~~7.23.7.21~~ Employee Benefit Plans.

~~7.21.1~~ ~~7.23.1~~ Employee Benefit Plans. ~~Schedule 7.2321.1~~ sets forth a complete list of all material employee retirement, welfare, bonus, incentive, deferred compensation, vacation, equity, severance, employment, change of control, and/or fringe benefit plans, programs, policies, practices, and/or other arrangements: (i) covering any current ~~or former~~ employee, officer or director of ~~Sellers~~ Seller or any ERISA Affiliate; (ii) that are sponsored or maintained by ~~Sellers~~ Seller or any ERISA Affiliate; or (iii) with respect to which either Seller or any ERISA Affiliate has any current or potential liability (each, a "Plan").

~~7.21.2~~ ~~7.23.2~~ Administration and Compliance of the Plans. ~~Except as set forth on Schedule 7.23.2, with~~ With respect to each Plan, to Seller's knowledge:

~~7.21.2.1~~ ~~7.23.2.1~~ all required, declared or discretionary (in accordance with historical practices) payments, premiums, contributions, reimbursements or accruals for all periods ending prior to or as of the Closing Date have been made or properly accrued on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of ~~Sellers~~ Seller;

~~7.21.2.2~~ ~~7.23.2.2~~ there is no unfunded liability relating to any Plan which is not reflected on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller; and

~~7.21.2.3~~ ~~7.23.2.3~~ there have been no violations of ~~ERISA, the Code, the Patient Protection and Affordable Care Act, or other~~ applicable laws with respect thereto ~~and each Plan has been administered in all material respects in accordance with its terms and established in accordance with all laws~~; neither Seller nor any of its agents or delegates has any liability for breach of fiduciary duty or any other failure to act or comply in connection with the administration or investment of the assets thereof; no Plan has engaged in or been a party to a ~~"prohibited transaction"~~ (as defined in Section 406 of ERISA or Section 4975(c) of the Code) without an exemption applying thereto; no Proceeding with respect to the administration or the investment of the assets thereof (other than routine claims for benefits) for which Seller or any ERISA Affiliate could have any liability is pending or, ~~to Seller's knowledge~~, threatened, and Seller does not have any knowledge of any basis for any a Proceeding with respect to any Plan;

~~7.23.2.4~~ ~~Schedule 7.23.2 identifies each Plan that is intended to qualify as a "qualified plan" within the meaning of Section 401(a) of the Code (each, a "Qualified Plan"), and there are no existing circumstances nor any events that have occurred that could adversely affect the qualified status of any Qualified Plan or the related trust;~~

~~7.23.2.5~~ ~~Seller has timely deposited all amounts withheld from employees for pension, welfare or other benefits into the appropriate trusts or accounts;~~

~~7.23.2.6~~ ~~except to the extent required under Section 601 et seq. of ERISA and/or Section 4980B of the Code, or comparable provisions of state insurance laws, neither Seller nor any ERISA Affiliate is obligated to provide health or welfare benefits to any former employee;~~

~~7.23.2.7~~ ~~Seller has provided Purchaser with true and complete copies of each Plan and each summary plan description and, to the extent applicable, all other documents pursuant to which each such Plan is maintained and administered, the most recent annual reports (Form 5500 and attachments) and financial statements therefor, all governmental rulings and opinions (and pending requests therefor), the most recent IRS determination letter, if~~

~~applicable, and if such Plan provides post retirement or post employment health and life insurance, accident, or other “welfare type” benefits, the most recent valuation of the present and future obligations under such Plan. The foregoing documents accurately reflect all material terms of such Plan. Except as specifically provided in the foregoing documents delivered or made available to Purchaser, or as disclosed on Schedule 7.23.2, there are no amendments to any Plan that have been adopted or approved nor have Sellers undertaken to make any such amendments or to adopt or approve any new Plan; and~~

~~7.23.2.8 no benefit or amount payable or which may become payable by Seller pursuant to any Plan or Contract with any employee is or may be subject to the imposition of any excise tax under applicable law or would not be deductible under applicable law.~~

~~7.23.3 Multi-Employer Plans, Etc. Sellers and their ERISA Affiliates do not and have never maintained or been obligated to contribute to a Multi-Employer Plan. Neither Sellers nor any ERISA Affiliate has engaged in any transaction which could give rise to any withdrawal liability under Title IV of ERISA.~~

~~7.23.4 Each Plan that is an employee welfare benefit plan under Section 3(1) of ERISA is either: (i) funded through an insurance company contract and is not a self-insured “welfare benefit fund” within the meaning of Section 419 of the Code; or (ii) is unfunded. No Plan is a “multiple employer welfare arrangement” (as defined in Section 3(40) of ERISA).~~

~~7.23.5 No Plan or payment or benefit provided pursuant to any Plan between Seller and any “service provider” (within the meaning of Section 409A of the Code, and the regulations promulgated thereunder), including the grant, vesting, or exercise of any stock option or stock appreciation right, will or may provide for the deferral of compensation subject to Section 409A of the Code, whether pursuant to the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby (either alone or upon the occurrence of any additional or subsequent events) or otherwise. Each Plan that is a nonqualified deferred compensation plan subject to Section 409A of the Code has been operated and administered in good faith compliance with Section 409A of the Code from the effective date of Section 409A through the date hereof.~~

~~7.23.6 Each Plan may be amended or terminated at any time by action of Seller~~

~~(c) 7.23.7 Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby will: (i) result in any payment (including, without limitation, severance, unemployment compensation, golden parachute, bonus, or otherwise) becoming due to any director or employee of Seller from Seller, under any Plan or otherwise; (ii) increase any~~

~~benefits otherwise payable under any employee benefit plan or otherwise; or
(iii) result in the acceleration of the time of payment or vesting of any such benefits.~~

~~7.24.7.22~~ Certain Fees and Liabilities. Seller has not paid or is obligated to pay any fee or commission to any broker, finder, or intermediary in connection with the transactions contemplated by this Agreement.

~~7.25.7.23~~ For purposes of this Agreement, "Health Care Authority/ies" shall mean any Governmental Entity or quasi-Governmental Entity or any agency, intermediary, board, authority or entity with lawful jurisdiction over Seller and concerned with the ownership, operation, use or occupancy of the Facility as a licensed continuing care retirement community.

Upon Purchaser becoming aware (whether by notice from Seller or otherwise) of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, Purchaser shall as its sole and exclusive remedy have the option of: (a) waiving the breach of warranty or change, and proceeding with Closing without any change to the Purchase Price, or (b) terminating this Agreement within five (5) Business Days after Purchaser becomes aware of such matter, in which event, the provisions of **Section 11** shall apply. If Purchaser elects to terminate this Agreement pursuant to clause (b) above, Seller may elect to cure the breach by providing written notice to Purchaser of such election within five (5) Business Days after receiving Purchaser's election to terminate this Agreement. If Seller cures the breach to the reasonable satisfaction of Purchaser within fifteen (15) Business Days thereafter (or such longer period of time as is reasonably necessary to cure such breach, not to exceed thirty (30) days, and Closing will be extended as necessary to accommodate such cure), Purchaser's election to terminate this Agreement shall be null and void. For purposes of this **Section 7**, "Seller's knowledge" or similar phrase means: the current actual knowledge of Dan Ogus without a duty of investigation or inquiry, and nothing in this Agreement shall be deemed to create or impose any personal liability of any kind whatsoever on such party. Seller represents and warrants that Dan Ogus is the person most knowledgeable about the subject matter contained in each representation and warranty provided in such manner. Further, the parties acknowledge and agree that the representations and warranties made by Seller herein relate only to the Facility and Business being purchased by Purchaser and specifically exclude the Other Assets.

8. Purchaser's Representations and Warranties. Purchaser represents and warrants as follows:

~~8.1.8.1~~ Organization and Authority. Purchaser is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California, and is recognized by the Internal Revenue Service as an organization described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended. Purchaser has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

~~8.2.8.2~~ Enforceability; No Conflict. This Agreement is valid, binding and enforceable against Purchaser in accordance with its terms except as such enforceability may be limited by

creditors' rights laws and general principles of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under, or a violation of, Purchaser's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Purchaser is now a party or by which any of the assets of Purchaser are bound or affected.

8.3.8.3 Litigation. The right or ability of Purchaser to consummate the Transaction contemplated herein has not been challenged by any governmental agency or any other person and Purchaser has no knowledge of the occurrence of any event which would provide a reasonable basis for any such litigation, investigation or other proceeding.

8.4.8.4 Financing. Purchaser has access to the funds required to pay the Purchase Price and other costs for which Purchaser is responsible under this Agreement. Accordingly, as a material inducement to Seller's willingness to enter into this Agreement with Purchaser, Purchaser represents, warrants, acknowledges and agrees that arranging financing shall not be a condition to the Purchaser's ability to consummate the Transaction provided for herein.

8.5.8.5 AS IS. IT IS UNDERSTOOD AND AGREED THAT EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) SELLER'S ASSETS ARE BEING SOLD BY SELLER AND PURCHASED AND ACCEPTED BY PURCHASER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION WHICH MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE UPON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON BEHALF OF SELLER EXCEPT THOSE REPRESENTATIONS, WARRANTIES AND AGREEMENTS SPECIFICALLY SET FORTH IN THIS AGREEMENT; (B) PURCHASER IS BEING GIVEN THE OPPORTUNITY TO THOROUGHLY INSPECT AND EXAMINE SELLER'S ASSETS TO THE EXTENT DEEMED NECESSARY BY PURCHASER IN ORDER TO ENABLE PURCHASER TO EVALUATE THE PURCHASE OF THE SELLER'S ASSETS ON THE FOREGOING BASIS; AND (C) PURCHASER IS RELYING SOLELY UPON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF SELLER'S ASSETS BY PURCHASER IN PURCHASING THE SELLER'S ASSETS ON AN "AS IS", "WHERE IS" AND "WITH ALL FAULTS" BASIS, WITHOUT REPRESENTATION, WARRANTY, AGREEMENT OR STATEMENT BY SELLER OR ANYONE ACTING ON BEHALF OF SELLER, EXPRESS OR IMPLIED, OF ANY KIND OR NATURE, EXCEPT AS MAY BE SET FORTH IN THIS AGREEMENT. SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER REGARDING ANY INTELLECTUAL PROPERTY RIGHTS. SELLER EXPRESSLY DISCLAIMS, WHICH PURCHASER HEREBY ACKNOWLEDGES AND ACCEPTS, ANY IMPLIED WARRANTY OF CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. **Pre-Closing Covenants/Risk of Loss.**

9.1.9.1 Conduct Pending Closing. Between the Execution Date and the Closing Date, Seller covenants as follows:

~~9.1.1.~~9.1.1 Seller will operate the Facility and Business in the ordinary course of business, in compliance with all applicable law, including, but not limited to, the rules and regulations of any Health Care Authority, and, unless consented to by Purchaser, will not sell or dispose of any of the Seller's Assets or enter into any contract, commitment or agreement affecting Seller's Assets except in the ordinary course of business, including, but not limited to, any Resident Agreement which deviates in any material respect from the form of Resident Agreement provided to Purchaser under the term of this Agreement.

~~9.1.2.~~9.1.2 From time to time between the Execution Date and the Closing Date, Seller will provide to Purchaser such information as Purchaser may reasonably require in order to allow Purchaser to secure the New Licenses (as defined below).

~~9.1.3.~~9.1.3 Seller will cooperate in Purchaser's efforts to conduct the Due Diligence Review including, but not limited to, providing Purchaser and its agents and employees with access to the Facility and to the books and records of the Facility; *provided, however*, that such access and inspection shall be on no less than 48 ~~hours~~hours' prior notice (or if longer, the notice required under applicable law, including, without limitation, residential landlord tenant law) and during normal business hours at such time and in such manner as the Parties shall reasonably agree upon. Notwithstanding the above, access to the Facility may be limited during the current COVID pandemic based on the regulation, guidelines or recommendations of the any Health Care Authority, State of California and other state or federal regulatory agencies.

~~9.1.4.~~9.1.4 Seller will maintain in force the existing hazard and liability insurance policies, or comparable coverage, for Seller's Assets.

~~9.1.5.~~9.1.5 Seller will maintain Seller's Assets in substantially the same condition as they are in as of the Execution Date, ordinary wear and tear excepted.

9.1.6 Seller shall maintain the Inventory consistent with Seller's past practices and in compliance with applicable laws, and will replenish the same consistent with Seller's past practices.

~~9.1.6.~~9.1.7 Unless this Agreement is terminated in accordance with the terms hereof, Seller shall not market the Seller's Assets or negotiate with any third party with respect to the sale of Seller's Assets or the equity interests in Seller.

~~9.2.~~9.2 **Damage and Condemnation.** Prior to the Closing Date, the risk of physical loss to Seller's Assets shall be borne by Seller. Accordingly, it shall be a condition to Purchaser's obligation hereunder that prior to the Closing Date, no material (as defined in this **Section 9.2**) portion of the Facility nor any material portion of any of Seller's Assets shall have been damaged or destroyed by fire or other casualty, or shall have been materially taken or condemned by any public or quasi-public authority under the power of eminent domain. Accordingly, in the event a material portion of the Seller's Assets is damaged, destroyed or taken prior to the Closing Date, Purchaser may elect to terminate this Agreement pursuant to **Section 11**. If, however, either (A) the damage to Seller's Assets is not material or (B) the damage to, or destruction of, the Seller's Assets is material, but Purchaser waives this condition, then Seller shall assign to Purchaser all of

its rights to any insurance proceeds in the connection therewith and the Purchase Price shall be reduced by any deductible which Purchaser shall be required to pay in connection with such damage or destruction. Further, if either (B) the taking or condemnation of Seller's Assets is not material or (B) a material portion of Seller's Assets shall be so taken or condemned prior to Closing but Purchaser waives this condition, then Seller shall pay or assign to Purchaser all Seller's right to the proceeds of any condemnation award in connection thereof and the Purchase Price shall be reduced by Purchaser's reasonable estimate of the amount by which the cost to repair the portion of Seller's Assets affected by such taking exceeds such condemnation award. For the purposes of this **Section 9.2**, "material" damage, destruction or condemnation shall mean any damage or loss to or destruction or taking or condemnation of the Facility which would cost more than Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) to repair.

10. **Operations Transfer Provisions.**

~~10.1.10.1~~ **Licenses.** On or prior to the expiration of the Due Diligence Period and concurrent with Seller's delivery of the Approval Notice, Purchaser shall submit a change of ownership application ("**CHOW**") with DSS pursuant to which Purchaser will obtain a new **RCFE License** to operate the Residential Care Facility for the Elderly portion of the Facility. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit an application for a new certificate of Authority with DSS pursuant to which Purchaser will obtain a new COA to enter into continuing care contracts with residents of the Facility and operate the Facility as a continuing care retirement community. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a SNF license application ("**SNF Application**") with CDPH pursuant to which Purchaser will obtain a new SNF license ("**SNF License**") to operate the Windsor Manor SNF portion of the Facility. The parties acknowledge that Purchaser must obtain the RCFE License and COA on the Closing date. Following the submission of the applications for the RCFE License, COA and SNF License, Purchaser will take and/or cause its designee to take such actions as are necessary to obtain the RCFE License, COA and SNF License in a timely manner, including, without limitation, submitting any missing information required for Purchaser's licensing applications reasonably promptly following receipt thereof by Purchaser. Purchaser shall notify the Seller promptly following its submission of the license applications and shall keep Seller reasonably informed as to the status of the license applications, including without limitation, informing Seller of any material communications with DSS and/or CDPH as to the timing of the issuance of the RCFE License, COA and SNF License.

~~10.2.10.2~~ **Interim Lease and Management Agreements.** Seller and Purchaser acknowledge that Purchaser will be unable to obtain the SNF License on the Closing Date and that the Parties will need to enter into an interim arrangement to allow the continued operation of the Windsor Manor SNF under Seller's SNF License until the ~~purchaser's~~Purchaser's SNF License is issued. The Parties shall enter into an Interim Lease ("**Interim Lease**"), Interim Management Agreement ("**Interim Management Agreement**"), and SNF operations transfer agreement ("**OTA**") to be negotiated and agreed upon in good faith during the Due Diligence Period. If the parties cannot agree on a form of OTA, Interim Lease and/or Interim Management Agreement prior to the expiration of the Due Diligence Period, either party may terminate this Agreement upon written notice to the other in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

~~10.3.10.3~~ Notices. Seller is required to provide one hundred and twenty (120) ~~days'~~days' written notice to DSS of the Transaction and to Seller's RCFE residents at least thirty (30) days prior to Closing (the "**CHOW Notice**") and to ~~Seller's~~Seller's SNF residents at least ninety (90) days prior to Closing. Seller is also required to provide written notice to CDPH of the Transaction. Purchaser and Seller shall jointly approve the notices set forth in this Section.

~~10.4.10.4~~ CHOMs. **[UNDER DISCUSSION]** On or prior to the expiration of the Due Diligence Period, if mutually agreed to by Seller and Purchaser, Purchaser shall submit change of manager applications to DSS with respect to the RCFE License and COA, and CDPH with respect to the SNF License pursuant to which Purchaser will become the manager of the Facility as approved by DSS and CDPH. During the Due Diligence Period, if the parties mutually agree that Purchaser will submit change of manager applications, the parties will agree upon a mutually agreeable form of management agreement pursuant to which Purchaser will manage the Facility prior to Closing.

~~10.5.10.5~~ Employees.

~~• At the Closing Date, Seller shall terminate all of the Active Employees⁵ of the Facility and shall pay to them any accrued wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before Closing Date. Buyer is not obligated to hire any Active Employee, but may hire any Active Employees in its sole discretion. Effective immediately before the Closing, Seller will terminate the employment of all of the Active Employees who work~~

10.5.1 At the Closing Date, Seller shall terminate all of the employees of the Facility and shall pay to them any wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before Closing Date. At least three (3) business days preceding the Closing Date, except for the Retained Employees, Purchaser shall offer to employ after the Closing Date all of the employees of the Facility for a 60-day transition period in the employee's primary language or another language in which the employee is literate conditioned only on the occurrence of the Closing Date (the "**Hired Employees**"). That offer shall state the time within which the employee shall accept the offer, but that time period may not be fewer than ten (10) days. During the 60-day transition period, Purchaser shall not discharge without cause an employee retained pursuant to this Section 10.5.1. Cause shall be based only on the performance or conduct of the particular employee. During the 60-day transition period, a Hired Employee shall not suffer any reduction in wages, benefits, or other terms and conditions of employment, economic or otherwise, as a result of the transfer or change of ownership. The parties hereto agree that, notwithstanding anything to the contrary contained in this Agreement, Purchaser shall hire that number or percentage of employees and upon such terms so as to avoid applicability of the

~~⁵ The term "Active Employees" shall mean all employees employed on the Closing Date exclusively in the Business as currently conducted, including employees on temporary leave of absence, including family medical leave, military leave, temporary disability or sick leave, but excluding employees on long-term disability leave.~~

Worker Adjustment Retraining and Notification Act and any other applicable laws or regulations requiring notice prior to plant or facility closings or a mass layoff, due to the transaction contemplated hereby and by this Agreement. Purchaser acknowledges and agrees that Seller is relying on Purchaser's agreement as set forth in this Section 10.5 in not giving notice to the employees of the Facility of the Transaction provided for herein under the provisions of the WARN.

~~10.5.1. — at the Facility, shall provide whatever WARN Act notices are required in connection with such layoff, if any, and shall hold Purchaser harmless from any WARN Act liabilities that result from Seller's termination of the employees or Purchaser's failure to hire a sufficient number of terminated employees. Nothing in this Agreement shall be deemed to prevent or restrict in any way the right of Purchaser to make any and all employment-related decisions with respect to Active Employees after the Closing Date.~~

10.5.2 To the extent permitted by applicable law, Seller shall deliver to Purchaser the file for all employees hired by Purchaser in Seller's possession that may be limited to training records, licenses and certifications, criminal background check results, and other required documents. Seller shall have satisfied its obligations under this Section 10.5.2 as long as all of such employee records are present at the Facility on the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

~~10.5.2.~~10.5.3 Salaries and Benefits.

~~10.5.2.1.~~10.5.3.1 Seller shall be responsible for: (A) the payment of all wages and other remuneration due to ~~Active Employees~~ Seller's employees for their services as employees of Seller through the conclusion of ~~Active Employees'~~ Hired Employees' employment with Seller, including pro rata bonus and commission payments and all vacation, paid time off and sick leave pay obligations to the extent accrued prior to the Closing Date; and required by applicable law; and (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of COBRA and Sections 601 through 608 of ERISA; ~~(C) any and all payments to employees required under the WARN Act, if any; and (D) compliance with IRS §409A, if applicable.~~

~~10.5.2.2.~~10.5.3.2 Seller shall be liable for any claims made or incurred by ~~Active~~ Hired Employees and/or their beneficiaries through the Closing Date, including, but not limited to, claims made under any law or under the Plans, and Seller agrees to indemnify and to hold Purchaser harmless from any costs incurred related thereto, including ~~attorneys'~~ attorneys' fees. For purposes of the immediately preceding sentence, a claim will be deemed incurred when the conduct that is the subject of the claim occurs or when services that are the subject of the claim are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

~~10.5.2.3. — Seller's Retirement and Savings Plans. All Active Employees who are participants in Seller's retirement plan shall retain their accrued benefits under Seller's~~

~~retirement plans as of the Closing Date, and Seller (or Seller's retirement plans) will retain sole liability for the payment of such benefits as and when such Active Employees become eligible therefor under such plans. All Active Employees will become fully vested in their accrued benefits under Seller's retirement plans as of the Closing Date, and Sellers will so amend such plans if necessary to achieve this result~~

~~10.5.2.4.10.5.3.3~~ No Transfer of Assets. Seller will not make any transfer of pension or other employee benefit plan assets to Purchaser.

~~10.5.2.5. — Employment Matters. Purchaser will set its own initial terms and conditions of employment for each hired Active Employee and others it may hire, including employment policies and practices, work rules, benefits and salary and wage structure, all as permitted by Law. Seller will be solely liable for any severance payment required to be made to their employees due to the transactions contemplated by this Agreement.~~

~~10.5.2.6.10.5.3.4~~ General Employee Provisions.

~~10.5.2.6.1. — Seller shall give any notices required by Law and take whatever other actions with respect to the plans, programs and policies described in this Section 10.5.2 as may be necessary to carry out the arrangements described in this Section 10.5.2.~~

~~10.5.2.6.2. — Seller shall provide Purchaser with such plan documents and summary plan descriptions; employee data or other information as may be reasonably required to carry out the arrangements described in this 10.5.2.~~

~~10.5.2.6.3.10.5.3.4.1~~ — Seller shall provide Purchaser with completed I-9 forms and attachments with respect to all ~~hired Active~~Hired Employees, except for such employees as Seller certify in writing to Purchaser are exempt from such requirement.

~~10.5.2.6.4.10.5.3.4.2~~ — Purchaser shall not have any responsibility, liability or obligation arising prior to Closing, whether to ~~Active~~Hired Employees, former employees, their beneficiaries or to any other Person, with respect to any employee benefit plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA coverage extension) maintained by Seller.

~~10.5.2.6.5. — At-Will Employment. No provision of this Agreement shall be construed as a guarantee of continued employment of any manager or other employee of Seller, and this Agreement shall not be construed so as to prohibit Purchaser from having the right to terminate the employment of any such employee, subject to any Law or contractual obligations.~~

~~10.5.3.10.5.4~~ To the extent permitted by applicable law, Seller shall deliver to Purchaser the full and complete employment file for all ~~Active Employees~~current employees in Seller's possession, including, but not limited to, training records, licenses and certifications, criminal background check results, performance reviews, and other required documents, in connection with Purchaser's review and investigation of prospective employment of Seller's ~~Active Employees.~~employees. Seller shall have satisfied its obligations under this **Section 10.5.24**

as long as all of such employee records are present at the Facility during the 30 day period prior to the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

~~10.6.10.6~~ Bulk Sales Laws. The parties hereby waive compliance with the provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Seller's Assets to Purchaser; it being understood that any liabilities arising out of the failure of Seller to comply with the requirements and provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction which would not otherwise constitute Assumed Liabilities shall be treated as Excluded Liabilities.

10.7 Accounts Receivable.

10.7.1 Within ten (10) days prior to the Closing Date, Seller shall provide Purchaser with a detailed listing of Seller's accounts receivable which arose from the provision of goods or services prior to the Closing Date and are anticipated to be outstanding on the Closing Date (the "Pre-Closing AR Schedule"), and Seller shall provide Purchaser with an update to such schedule as of the Closing Date as soon as possible post-Closing.

10.7.2 Except as set forth in the OTA between Seller and Purchaser, from and after the Closing Date, Purchaser, or its management agent shall assume responsibility for the billing for and collection of payments on account of services rendered or goods sold by Purchaser on and after the Closing Date and Seller shall retain all right, title and interest in and to and all responsibility for the collection of its accounts receivable for services rendered or goods sold prior to the Closing Date.

10.7.3 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services prior to the Closing Date, they shall either be retained by Seller if received by Seller, or if they have been received by Purchaser, they shall be remitted to Seller, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.4 Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services from and after the Closing Date, they shall either be retained by Purchaser if received by Purchaser, or if they have been received by Seller, they shall be remitted to Purchaser, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.7.5 Except as set forth in the OTA, if any payments are received by Purchaser after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying

remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to then current amounts owed the Purchaser to reduce post-Closing Date balances and Purchaser shall remit to Seller any excess up to the amount due Seller for pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) within five (5) Business Days after receipt.

10.7.6 Except as set forth in the OTA, if any payments are received by Seller after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) and Seller shall remit the excess, if any, to Purchaser to reduce any post-Closing Date balances within five (5) Business Days after receipt.

10.7.7 Seller shall have the right during normal business hours and on reasonable notice to Purchaser to inspect Purchaser's books and records with respect to the accounts receivable received by it after the Closing Date from residents with balances due as of the Closing Date.

10.7.10.8 Access to Records.

10.7.1.10.8.1 From and after the Closing Date and, except as otherwise specifically provided below, for a period of seven (7) years thereafter, ~~Purchaser shall allow Seller~~ each party hereto agrees to give the other (and their agents and representatives ~~to have~~) reasonable access to (upon reasonable prior written notice and during normal business hours), and to make copies of (at ~~Seller's~~ the requesting party's expense), the books and records and supporting material of the Facility ~~relating to the period prior to the Closing Date~~ which are in ~~Purchaser's~~ said party's possession, to the extent reasonably necessary to enable ~~Sellers~~ said party to among other things investigate and defend malpractice, employee or other claims and to file or defend cost reports and tax returns.

10.7.2.10.8.2 Seller shall have the right, at its sole cost and expense, within three (3) days of the delivery of a request therefor to Purchaser to enter the Facility and remove originals or copies of any of the records delivered to Purchaser for purposes of litigation involving a resident or employee to whom such record relates. If an officer of or counsel for Seller certifies that an original of such record must be produced in order to comply with applicable law or the order of a court of competent jurisdiction in connection with such litigation then the records so removed shall be an original. Any record so removed shall promptly be returned to Purchaser following its use, and nothing herein shall be interpreted to prohibit Purchaser from retaining copies of any such documents. All cost of making such copies shall be for the account of Seller. Upon request of Seller, Purchaser shall cooperate with such requests and shall make its employees available to comply with such requests and assist in responding to such litigation requests provided that their availability is requested during normal business hours and does not interfere with the performance of their duties for Purchaser. In the event such use of Purchaser's employees to assist Seller is more than de minimis, Seller shall pay Purchaser's costs for the employee time spent assisting Seller.

~~10.8.10.9~~ Operating Contracts. Purchaser shall review the Operating Contracts and inform Seller during the Due Diligence Period which of such Operating Contracts Purchaser desires to assume effective as of the Closing Date (the "**Designated Operating Contracts**") provided that Purchaser hereby agrees to assume ~~the existing [REDACTED] any~~ contracts that Seller cannot terminate without penalty which contracts shall be deemed to be Assumed Operating Contracts. Further, the parties hereby acknowledge and agree that notwithstanding any provision to the contrary herein, the national contracts identified on Schedule 1.1.5 will not be assigned by Seller to Purchaser at Closing. Seller shall use commercially reasonable efforts to obtain any third party consents required in connection with the assignment to Purchaser of the Designated Operating Contracts, it being understood and agreed that (i) if a Designated Operating Contract requires consent of the counterparty to be assigned to Purchaser, such Designated Operating Contract shall not be assigned unless and until the requisite consent is received and (ii) if any principal or affiliate of Seller has guaranteed the obligations of Seller under any Designated Operating Contract, the same shall not be assigned to Purchaser unless and until the guarantor has been released from his/her/its guaranteed obligations effective from and after the Closing Date. Effective as of the Closing Date, the Designated Operating Contracts that may be assigned hereunder shall be referred to herein as the "Assumed Operating Contracts." At Closing, subject to Section 5.1.1-(I), (i) Seller shall ~~(+)~~ assign the Assumed Operating Contracts to Purchaser pursuant to the Assignment, and (ii) terminate any Operating Contracts which are not Assumed Operating Contracts hereunder.

11. Termination and Remedies.

~~11.1.11.1~~ Termination. This Agreement may be terminated as follows:

~~11.1.1.11.1.1~~ By mutual written agreement of Purchaser and Seller;

~~11.1.2.11.1.2~~ By Seller, if any of the conditions set forth in Section 5.2 are not fulfilled on the Closing Date, unless resulting from a material breach by Seller of its obligations hereunder, and the same shall not have been waived in writing by Seller;

~~11.1.3.11.1.3~~ By Purchaser, if any of the conditions set forth in Section 5.1 are not fulfilled on the Closing Date, unless resulting from a material breach by Purchaser of its obligations hereunder, and the same shall not have been waived in writing by Purchaser;

~~11.1.4.11.1.4~~ By Seller in the event of a material default by Purchaser of its obligations hereunder or by Purchaser in the event of a material default by Seller of its obligations hereunder; or

~~11.1.5.11.1.5~~ By Purchaser pursuant to Section 9.2 (Damage or Condemnation).

~~11.2.11.2~~ Opportunity to Cure. No Party to this Agreement may claim termination or pursue any other remedy referred to in this Section on account of a breach of a condition, covenant or warranty by the other Party, without first giving the other Party written notice of such breach and not less than ten (10) days within which to cure such breach. The Closing Date shall be postponed for up to ten (10) days if necessary to afford such opportunity to cure.

Any notice sent in accordance with the provisions of this **Section 12**, shall be deemed received upon the actual receipt or refusal of receipt thereof regardless of the method of delivery used. Any Party may, by notice given as aforesaid, change the address or addresses, or designate an additional address or additional addresses, for its notices, provided, however, that no notice of a change of address shall be effective until actual receipt of such notice. Each Party covenants and agrees that simultaneously with sending any notice pursuant to this **Section 12** it will use reasonable good faith efforts to send a copy of such notice to the addressee thereof by email, at the email address set forth above or such other email address as a Party may designate in writing given to the other parties pursuant to this **Section 12**; provided that in no event shall any notice sent by email be effective as a notice under this Agreement unless receipt is confirmed, and the failure of any Party to deliver any notice pursuant to email shall not affect the validity of any notice that is sent pursuant to this **Section 12**.

13. **Indemnities.**

~~13.1.~~13.1 By Seller to Purchaser. From and after the Closing Date, Seller shall indemnify, defend and hold Purchaser harmless from and against any and all costs, losses, damages, liabilities, claims and obligations, including, but not limited to, reasonable attorneys' fees (the "**Losses**") arising from or related to: (a) the ownership and operation of the Seller's Assets prior to the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Purchaser, the designee of Purchaser to operate the Facility, or any affiliate of Purchaser; and (b) any material misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part of Seller under this Agreement.

~~13.2.~~13.2 By Purchaser to Seller. From and after the Closing Date, Purchaser shall indemnify, defend and hold Seller harmless from and against any and all Losses arising from or related to: (a) the ownership and operation of the Seller's Assets from and after the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Seller or any affiliate of Seller; (b) any misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part on the part of Purchaser under this Agreement; and (c) against any and all Losses which Seller may incur as a result of physical damage or injury to any person or property as a result of the acts or omissions of Purchaser or its agents or employees while performing the Due Diligence Investigation with respect to the Seller's Assets.

~~13.3.~~13.3 Method of Indemnification.

~~13.3.1.~~13.3.1 In the event that any claim for Losses (a "**Claim**") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "**Indemnitee**") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "**Indemnitor**") in writing of Indemnitee's Claim and shall endeavor to do so reasonably promptly after becoming aware of the same; provided, however, that unless the Indemnitee's failure to timely notify the Indemnitor of Indemnitee's Claim materially prejudices Indemnitor's ability to defend any such Claim as more particularly set forth below, Indemnitee's failure to timely notify Indemnitor of Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect subject to the applicable terms hereof. If the Indemnitee fails to provide timely notice of Indemnitee's Claim, the Indemnitor will not be obligated to indemnify the Indemnitee with respect to such Claim to the extent (and only to the extent) that the Indemnitor's ability to defend such Claim has been materially prejudiced by such failure of the Indemnitee to timely notify Indemnitor of the same.

~~13.3.2.~~13.3.2 If the applicable Indemnitee Claim relates to a Claim made by a third party against Indemnitee, then the Indemnitor at its sole cost and expense shall defend, with counsel reasonably satisfactory to the Indemnitee, such Claim by all appropriate proceedings, which proceedings will be diligently prosecuted to a final conclusion or will be settled at the discretion of the Indemnitor (with the consent of the Indemnitee, which shall not be unreasonably withheld and which shall be deemed to be provided if such settlement provides a release to the Indemnitee without the payment of any amount or the taking of any action or admission of liability by the Indemnitee). The Indemnitee will cooperate in such defense at the sole cost and expense of the Indemnitor. Notwithstanding the foregoing, if the named parties to any proceeding include both the Indemnitee and the Indemnitor and, in the reasonable opinion of counsel to the Indemnitee, representation of both parties by the same counsel would be in conflict or otherwise inappropriate due to actual or potential differing interests between them, then the Indemnitee shall be entitled to retain separate counsel for the Indemnitee, at the expense of the Indemnitor (provided that the costs and expenses of such separate counsel are reasonable).

~~13.4.~~13.4 Survival. All ~~covenants~~, indemnities, warranties and representations of Purchaser and Seller herein shall survive the Closing ~~and shall continue in effect for a period of~~

~~four (4) years with respect to Core Representations⁶ and a period of eighteen (18) month for all others~~ for a period of twelve (12) months, after which they shall terminate and be of no further force or effect except with respect to claims made within such period, in which case the applicable ~~covenant~~, indemnity, warranty and/or representation shall survive until the full and final resolution thereof (the "**Survival Period**"). In addition, Purchaser's indemnity in **Section 13.2** shall survive the termination of this Agreement for the Survival Period.

~~13.5.13.5~~ **Limitations.** Except as otherwise specifically set forth in this Section neither Seller nor Purchaser shall have any right to seek indemnity against the other Party pursuant to **Section 13.1** or **Section 13.2** either (A) where the claim is made after the Survival Period or (B) unless the amount of such indemnity claim, individually or when taken together with all other such indemnity claims hereunder, is at least equal to Ten Thousand and No/100 Dollars (\$10,000.00) (the "**Indemnity Floor**"), after which the Indemnitor shall be responsible for any such Indemnitee's Claims on a first dollar basis, or (C) for any such indemnity claims hereunder in an aggregate amount in excess of ~~One Million Two~~Five Hundred Thousand and No/100 Dollars (~~\$1,200~~500,000.00) (the "**Indemnity Cap**"). Attorneys' fees arising out of any indemnified third party claim shall be subject to such Indemnity Cap, provided, that any attorneys' fees and costs payable to the prevailing Party arising out of any dispute between Seller and Purchaser hereunder, including, without limitation, to enforce any Indemnitee Claim, shall not be subject to the Indemnity Cap. Notwithstanding anything to the contrary set forth in **Section 13.4** or **Section 13.5**, (i) neither the Indemnity Floor nor the Indemnity Cap shall apply in the case of claims that allege fraud on the part of the Party named therein, or (ii) the prorations and adjustments to be made pursuant to **Section 6** hereof.

14. **Confidentiality and Non-Solicitation**

~~14.1.14.1~~ **Confidentiality.** ~~Sellers~~Seller and ~~acknowledges that~~ Purchaser ~~acknowledge that the other party~~ may be irreparably damaged if the confidential knowledge and information possessed or hereafter acquired by ~~Seller~~either party relating to ~~Purchaser or~~ the Business (which shall include the terms of this Agreement and other agreements delivered pursuant to this Agreement and all other non-public information regarding ~~Purchaser~~either party and/or the Business, including, without limitation, trade secrets or technology/inventions now known or hereafter discovered, and information reflecting or pertaining to research, developments, techniques, purchasing, marketing, business plans and strategies, accounting, licensing, know-how, methods, projects, processes, computer hardware and programs, software libraries, databases, compositions, discoveries, cost systems, personnel data, customer lists, business partner names and lists (including, but not limited to, vendors, suppliers, licensees, licensors, franchisees, referral sources, and consultants), training, the particular needs and requirements of customers and/or business partners, the identity of customers and potential customers, business partners and potential business partners, pending business transactions, pricing for customers or potential customers, pricing of business partners or potential business partners, ~~Purchaser's~~ policies and procedures, equipment and materials used by ~~Purchaser~~either party, methods used in the recruiting

⁶~~Core Representations means any representations, warranties and covenants contained in Sections 7.1, 7.2, 7.10, 7.14, 7.18, 7.22, 7.23 and 7.24.~~

or placement of personnel by ~~Purchaser, either party~~ and methods and marketing of products or services by ~~Purchaser either party~~) were disclosed to or utilized on behalf of others. Accordingly, ~~Seller and neither party~~ shall ~~not~~, directly or indirectly: (i) disclose to any Person any non-public information concerning the Business or any of the terms of this Agreement or the other agreements delivered pursuant to this Agreement, for any reason or purpose whatsoever; or (ii) make use of any such non-public information for ~~Seller's~~ ~~either party's~~ own purpose or for the benefit of any ~~other~~ Person ~~(other than Purchaser)~~.

~~14.2.14.2~~ 14.2 For a period of ~~three years~~ one (1) year after the Closing Date, Seller shall not, directly or indirectly:

~~14.2.1. — solicit the business of any Person who is a customer of Purchaser for the benefit of anyone other than the Purchaser with respect to the Business or the any other business of Purchaser;~~

~~14.2.2.14.2.1~~ 14.2.2.14.2.1 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Purchaser to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser;

~~14.2.3.14.2.2~~ 14.2.3.14.2.2 cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of ~~Sellers~~ Seller on the Closing Date or within the year preceding the Closing Date to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser; or

~~14.2.4.14.2.3~~ 14.2.4.14.2.3 hire, ~~retain~~ or attempt to hire ~~or retain~~ any employee or independent contractor of Purchaser or in any way interfere with the relationship between Purchaser and any of its employees or independent contractors; provided the parties acknowledge and agree that Seller will retain the employees ("Retained Employees") listed on Schedule 14.2.3 hereto from and after Closing.

14.2.4 The foregoing restrictions on solicitation shall not restrict general advertising or residents or employees initiating contact with Seller or Seller affiliates for purposes of relocating to another senior living facility operated by Seller or affiliates of Seller.

~~14.3.14.3~~ 14.3.14.3 If, at the time of enforcement of this **Section 14**, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area so as to protect Purchaser to the greatest extent possible under applicable law from improper competition. The parties hereto acknowledge that money damages would be an inadequate remedy for any breach of this **Section 14** and that Purchaser would be irreparably damaged if any party were to breach the covenants set forth in this **Section 14**. Therefore, in the event of a breach or threatened breach of this **Section 14**, Purchaser,

or their respective successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions of this **Section 14** (without posting a bond or other security). If Purchaser prevails in any legal proceedings to enforce this Agreement, then Purchaser is also entitled to recover its costs and fees incurred, including reasonable attorney's fees and out-of-pocket costs.

~~14.4.14.4~~ Seller acknowledges that the foregoing restrictions are supported by sufficient consideration and other benefits that they have received and will receive hereunder. They also acknowledge that the restrictions protect against unfair competition and that the restrictions do not prevent them from earning a living given their education, skills, and ability. Seller agrees and acknowledge that (i) Purchaser has required that Seller make the covenants set forth in this **Section ~~6.14~~** as a condition to Purchaser's obligations to consummate the transactions contemplated hereby; and (ii) the provisions of this **Section ~~6.14~~** are reasonable and necessary to protect and preserve the Business.

15. **Miscellaneous.**

~~15.1.15.1~~ **Entire Agreement.** This Agreement, including the Exhibits and Schedules attached hereto, constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof, and supersede all prior discussions, negotiations or writings with respect to such subject matter, including, but not limited to, that certain Letter of Intent executed as of March 29, 2022. This Agreement may not be modified, amended or cancelled except pursuant to the terms hereof or an instrument in writing signed by the Parties. The Schedules and Exhibits annexed hereto are hereby incorporated herein by reference as fully as though set forth herein.

~~15.2.15.2~~ **Time is of the Essence.** Time is of the essence with respect to all terms, conditions, provisions and covenants of this Agreement.

~~15.3.15.3~~ **Waiver.** No waiver of any term, provision or condition of this Agreement shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

~~15.4.15.4~~ **Public Announcements.** Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and to issue no press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders.

~~15.5.15.5~~ **Attorneys' Fees in the Event of Litigation.** Except as provided otherwise in this Agreement, in the event any dispute between the Parties results in litigation, the prevailing Party shall be reimbursed for all reasonable costs, including, but not limited to, reasonable

attorneys' fees and consultants' fees and reimbursable costs and expenses, whether at trial, upon appeal or otherwise.

~~15.6.~~15.6 Jurisdiction; Venue. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS RULES OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. ~~EACH~~ OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.

~~15.7.~~15.7 Waiver of Jury Trial. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.

~~15.8.~~15.8 Headings and Business Day. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement. Any day other than a Saturday, Sunday or other day on which commercial banks are authorized to close under the laws of the State of California is defined herein as either "Business Day".

~~15.9.~~15.9 Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

~~15.10.~~15.10 Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the Parties; provided however, that (i) Seller shall not assign this Agreement without the prior written consent of Purchaser, and (ii) Purchaser shall not assign this Agreement without the prior

written consent of Seller, other than an assignment to an entity owned or controlled by or under common control with Purchaser. Any assignment not permitted hereunder and undertaken without such prior written consent shall be deemed null and void.

~~15.11.~~15.11 Further Assurances. Between the Execution Date and the Closing Date, neither Seller nor Purchaser shall take any action which is inconsistent with its obligations under this Agreement. Further, whether prior to or after Closing, Seller and Purchaser shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the Party so executing and delivering said instrument.

~~15.12.~~15.12 Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but each term and provision shall be valid and be enforced to the fullest extent permitted by law.

~~15.13.~~15.13 Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, "any" shall mean "any and all", "or" shall mean "and/or", and "including" shall mean "including without limitation".

~~15.14.~~15.14 No Strict Construction. The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any of the Parties.

~~15.15.~~15.15 Confidentiality. Purchaser and its parent, subsidiary and affiliate entities will obtain access to confidential information of Seller that could cause material and irreparable damage to the business prospects of the Seller in the event that such information is disclosed or otherwise used if the Transaction contemplated in this Agreement is not concluded. Purchaser shall maintain the confidentiality of any information concerning the Seller which it obtains during its Due Diligence Review and shall return any Due Diligence Materials to Seller in the event the Transaction fails to close for any reason.

~~15.16.~~15.16 Calculation of Time Periods. Unless otherwise specified, (a) in computing any period of time described herein, the day of the act or event on which the designated period of time begins to run shall not be included and the last day of the period so computed shall be included and (b) if the last day of any period or any date otherwise specified hereunder is a Saturday, Sunday or legal holiday, the period shall run until, or such date shall be automatically revised to, the next day which is not a Saturday, Sunday or a legal holiday. Further, unless otherwise specified, any reference to a specified number of days shall be deemed to refer to calendar days. This obligation shall survive the Closing or termination of this Agreement.

~~15.17.~~15.17 Exhibits and Schedules. If any exhibits or schedules are not attached hereto, the Parties agree to attach such exhibits and schedules as soon as reasonably practicable and that

it shall be a condition to the non-preparing Party's obligations hereunder that any Exhibits and Schedules attached hereto after the Execution Date shall be subject to the review and approval of the non-preparing Party. The Parties hereto agree that the Party charged with providing an exhibit or schedule to this Agreement shall, to the extent necessary after delivery thereof (but subject to the following sentence) amend and/or supplement all exhibits and schedules in order for the same to be current, true and correct as of the Closing Date. In furtherance and not in limitation of the foregoing, Purchaser acknowledges and agrees that the pendency of the Transaction provided for in this Agreement may, from time to time, require Seller to amend and/or supplement the exhibits and schedules attached hereto, provided that no such amendment or supplement shall be effective or modify the representations and warranties herein unless approved by Purchaser in its reasonable discretion.

~~15.18.~~15.18 Third Party Beneficiary. Nothing in this Agreement express or implied is intended to and shall not be construed to confer upon or create in any person (other than the Parties) any rights or remedies under or by reason of this Agreement, including without limitation, any right to enforce this Agreement.

~~15.19.~~15.19 1031 Exchange. Purchaser and Seller acknowledge that either Party may wish to structure this transaction as a tax deferred exchange of like kind property within the meaning of Section 1031 of the Internal Revenue Code. Each Party agrees to reasonably cooperate with the other Party to effect such an exchange; provided, however, that (a) the cooperating Party shall not be required to acquire or take title to any exchange property, (b) the cooperating Party shall not be required to incur any expense or liability whatsoever in connection with the exchange, including, without limitation, any obligation for the payment of any escrow, title, brokerage or other costs including attorneys' fees incurred with respect to the exchange, (c) no substitution of the effectuating Party shall release said Party from any of its obligations, warranties or representations set forth in this Agreement or from liability for any prior or subsequent default under this Agreement by the effectuating Party, its successors, or assigns, which obligations shall continue as the obligations of a principal and not of a surety or guarantor, (d) the effectuating Party shall give the cooperating Party at least ten (10) Business Days prior notice of the proposed changes required to effect such exchange and the identity of any Party to be substituted in the escrow, (e) the effectuating Party shall be responsible for preparing all additional agreements, documents and escrow instructions (collectively, the "**Exchange Documents**") required by the exchange, at its sole cost and expense, (f) the effectuating Party shall be responsible for making all determinations as to the legal sufficiency, tax considerations and other considerations relating to the proposed exchange, the Exchange Documents and the transactions contemplated thereby, and the cooperating Party shall in no event be responsible for, or in any way be deemed to warrant or represent any tax or other consequences of the exchange transaction, and (g) the election to effect such an exchange shall not delay the Closing of the transaction as defined herein.

~~15.20.~~15.20 Exclusivity. Unless this Agreement shall be terminated by Seller or Purchaser as provided herein, neither Seller nor any member, manager, officer, director, employee, authorized representative or agent of Seller shall, directly or indirectly, solicit, seek, enter into, conduct or participate in any discussions or negotiations, or enter into any agreement with any person or entity, regarding the sale, lease or other transfer of all or any portion of the Seller's Assets.

~~15.21.~~15.21 Brokerage Commissions. Each of the Parties hereby represents, covenants, and warrants to the other that neither has employed any broker or finder in connection with the Transaction. Each Party agrees to indemnify and hold harmless the other from and against all liability, claims, demands, damages or costs of any kind, including attorneys' fees, arising from or connected with any broker's commission or finder's fee or commission or charge claimed to be due any other person arising from the Party's conduct with respect to the Transaction. This **Section ~~14~~15.21** shall survive Closing.

This Assignment and Assumption Agreement (this "**Agreement**") is made and entered into effective as of the ____ day of _____, 2022 (the "**Effective Date**"), by and between HUMANGOOD SOCAL, a California non-profit public benefit corporation ("**Assignor**"), and _____ ("**Assignee**").

RECITALS

~~A.A.~~ Assignor is the owner and operator of that certain continuing care retirement community commonly known as "Windsor" and "Windsor Manor", and located at 1230 E. Windsor Road, Glendale, CA (the "**Facility**").

~~B.B.~~ Assignor, as Seller, has entered into that certain Purchase and Sale Agreement dated as of _____, 2022 (the "**Purchase Agreement**") pursuant to which Assignor has agreed to transfer and assign to Assignee all of Assignor's right title and interest in and to the Operating Contracts listed on Exhibit A hereto and the Resident Agreements (collectively, the "~~permits~~": Assumed Contracts").

~~C.C.~~ Assignor and Assignee are desirous of documenting the terms and conditions under which said assignment and assumption will occur.

~~D.D.~~ Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants of the parties set forth herein, IT IS HEREBY AGREED AS FOLLOWS:

AGREEMENT

1. Assignment. Assignor does hereby sell, assign, transfer and convey to Assignee all of Assignor's right, title and interest, if any, in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or of its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or of its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

2. Assumption. Assignee does hereby accept the sale, assignment, transfer and conveyance of Assignor's right, title and interest in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

3. Governing Law; Amendment. This Agreement shall be governed by and construed in accordance with the laws of the State of California, and may not be amended or modified except by written instrument signed by the parties hereto.

4. Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

5. Attorneys' Fees. In the event of a dispute among the parties hereto with respect to the subject matter hereof, the prevailing party in any such dispute shall be entitled to collect from the other any and all attorneys' fees and costs.

6. Entirety. This Agreement represents the entire agreement of the parties hereto with respect to the subject matter hereof, it being understood and agreed that nothing herein shall affect the rights and obligations of Assignor and Assignee under the Purchase Agreement. This Agreement shall be subject to and governed by the terms and conditions of the Purchase Agreement. Notwithstanding any other provision of this Agreement, no provision of this Agreement shall in any way modify, amend, replace, change, rescind, waive, enlarge or in any way affect the express provisions (including the warranties, covenants, agreements, conditions, representations, or any of the obligations and indemnifications of the parties hereto) set forth in the Purchase Agreement, this Agreement being intended solely to effect the transfer and assignment of certain rights sold and purchased pursuant to and in accordance with the Purchase Agreement.

7. Notices. Any notice, request or other communication to be given by either party hereunder shall be in writing and shall be sent to the parties and in the manner specified in the Purchase Agreement.

8. Severability. Should any one or more of the provisions hereof be deemed to be invalid or unenforceable said determination shall not affect the validity or enforceability of the remaining terms hereof.

9. Captions. The captions in this Agreement have been inserted for convenience of reference only and shall not be construed to define or to limit any of the terms or conditions hereof.

~~1.2.5. Seller's deposits (but excluding any deposits from Residents), including utility deposits, and prepaid expenses accruing through the Closing Date, unless and to the extent that Seller is reimbursed therefor on the Closing Date;~~

~~1.2.6. any claim, cause of action, or right of recovery or settlement held by Seller against third parties including vendors, relating to the ownership and/or operation of the Facility on or before the Closing Date;~~

~~1.2.7.~~ 1.2.5. any and all proprietary and confidential materials, rights and information located at and used in connection with the ownership and/or operation of the Facility, including but not limited to, policy and procedure manuals;

~~1.2.8.~~ 1.2.6. any personal property identified on **Schedule 1.2.8** hereto (the "**Excluded Personal Property**");

~~1.2.9.~~ 1.2.7. the name "HumanGood" or "HumanGood SoCal" and any variations thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that Seller and its affiliates will continue to use the name HumanGood and HumanGood SoCal post-Closing. At Closing, Seller will grant to Purchaser a non-exclusive, nontransferable, limited license to use the name "Windsor" and "Windsor Manor" and all associated logos in connection with Purchaser's ownership and management of the Facility post-Closing, which license shall remain in place for a period of ninety (90) days post-Closing, or in the case of the skilled nursing facility ("SNF") that is part of the Facility (the "**Windsor Manor SNF**"), until the date that the California Department of Public Health ("**CDPH**") issues a new skilled nursing facility to Purchaser. The foregoing license provision shall survive the Closing; and

~~1.2.10.~~ 1.2.8. all contracts and agreements to which Seller may be a party in connection with the ownership and operation of the Facility which are not Assumed Operating Contracts.

1.3. Assumption of Liabilities. Except for the deposits related to the Resident Agreements as specifically provided in this Agreement, Purchaser does not hereby or in connection herewith assume any liability of Seller or any other party whatsoever in relation to the Seller's Real Estate, Facility or the Business (the "Assumed Liabilities") ~~Assets~~.

~~1.3.~~ 1.4 Notwithstanding the provisions of Section 1.3 or any other provision in this Agreement to the contrary, Buyer shall not assume and shall not be responsible to pay, perform or discharge any liabilities of Seller of any kind or nature whatsoever other than the Assumed Liabilities (the “Excluded Liabilities”). Sellers shall pay and satisfy in due course all Excluded Liabilities.

2. Purchase Price.

2.1. Purchase Price. The ~~aggregate consideration purchase price payable by Purchaser to Seller~~ for the Seller’s Assets (the “Purchase Price”) shall be (i) Fourteen Million Eight Hundred Thousand and No/100 Dollars (\$14,800,000.00) (the "Closing Payment Purchase Price"). (ii) plus or minus the Post-Closing Adjustment, and (iii) plus the assumption of the Assumed Liabilities. At the Closing, the Purchaser will deliver to Seller, by wire transfer or immediately available funds, an amount equal to the Closing Payment less the Current Assets Holdback Amount¹, less the Deposits as set forth in 2.1.1. ~~The Purchase Price shall be payable~~ as follows:

2.1.1. Deposit. Within two (2) business days after the Execution Date, Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Initial Deposit**") with Commonwealth Land Title, 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660 Attention: Kelly Ralph (the "**Escrow Agent**"). Within two (2) business days after the expiration of the Due Diligence Period (as defined below), Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Additional Deposit**") with Escrow Agent. The Initial Deposit and Additional Deposit shall be defined herein as the "**Deposit**". In the event the Closing occurs, the Deposit shall be applied against the Purchase Price. In the event the Closing fails to occur, the Deposit shall be remitted to the Seller or to Purchaser as set forth more fully in **Section 11**; provided, however, if the purchaser does not provide an Approval Notice prior to expiration of the Due Diligence Period for any reason, this agreement and the escrow shall be cancelled, and the Initial Deposit immediately returned to Purchaser.

2.1.2 Current Assets Adjustment. The Purchase Price shall be adjusted in accordance with the following:

(a) Post-Closing Adjustment.

(i) Within 60 days after the Closing Date, Purchaser shall prepare and deliver to Seller a statement setting forth its calculation of Closing Current Assets², which statement shall contain a balance sheet of Seller as of the Closing Date (without giving effect to the transactions contemplated herein) and a calculation of

¹ “Current Assets Holdback Amount” means an amount equal to Three Hundred Fifty Thousand Dollars (\$350,000). The Current Assets Holdback Amount shall serve for the benefit of Purchaser as a reserve with respect to the Post-Closing Adjustment as set forth in Section 2.1.2.

² “Closing Current Assets” means Seller’s Current Assets (defined as the total current assets minus current liabilities as set forth on Schedule 2.1.2) as of the close of business on the Closing Date.

Closing Current Assets (the “Closing Current Assets Statement”). The Closing Current Assets Statement shall be prepared consistently with Schedule 2.1.2. The post-closing adjustment shall be an amount equal to the Closing Current Assets minus the Target Current Assets³ (the “Post-Closing Adjustment”).

(ii) If the Post-Closing Adjustment is a positive number, Purchaser shall pay Seller, by wire transfer of immediately available funds, an amount equal to the Post-Closing Adjustment plus the Current Assets Holdback Amount within five Business Days of the final determination of the Post-Closing Adjustment.

(iii) If the Post-Closing Adjustment is a negative number and the absolute value of the Post-Closing Adjustment is more than the Current Assets Holdback Amount, Seller shall pay Purchaser, by wire transfer of immediately available funds, an amount equal to the absolute value of the Post-Closing Adjustment less the Current Assets Holdback Amount within five Business Days of the final determination of the Post-Closing Adjustment.

(iv) If the Post-Closing Adjustment is a positive number and the absolute value of the Post-Closing Adjustment is less than the Current Assets Holdback Amount, Purchaser shall pay Seller, by wire transfer of immediately available funds, an amount equal to the Current Assets Holdback Amount less the absolute value of the Post-Closing Adjustment within five Business Days of the final determination of the Post-Closing Adjustment.

(b) Examination and Review.

(i) Examination. After receipt of the Closing Current Assets Statement, Seller shall have 30 days (the “Review Period”) to review the Closing Current Assets Statement. During the Review Period, Seller and Seller’s accountants shall have full access to the work papers prepared by Purchaser and/or Purchaser’s accountants to the extent that they relate to the Closing Current Assets Statement.

(ii) Objection. On or prior to the last day of the Review Period, Seller may object to the Closing Current Assets Statement by delivering to Purchaser a written statement setting forth Seller’s objections in reasonable detail, indicating each disputed item or amount and the basis for Seller’s disagreement therewith (the “Statement of Objections”). If Seller fails to deliver the Statement of Objections before the expiration of the Review Period, the Closing Current Assets Statement and the Post-Closing Adjustment, as the case may be, reflected in the Closing Current Assets Statement shall be deemed to have been accepted by Seller. If Seller delivers the Statement of Objections before the expiration of the Review Period, then Purchaser and Sellers shall negotiate in good faith to resolve such objections within 15 days after the delivery of the Statement of Objections (the “Resolution Period”), and, if the same are so resolved within the Resolution Period, then the

³ “Target Current Assets” means \$[_____]

Post-Closing Adjustment and the Closing Current Assets Statement with such changes as may have been previously agreed in writing by Purchaser and Seller, shall be final and binding.

(iii) Resolution of Disputes. If Seller and Purchaser fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections before expiration of the Resolution Period, then any amounts remaining in dispute (“Disputed Amounts”) shall be submitted for resolution to the office of CBIZ, Inc. or, if CBIZ, Inc. is unable to serve, Purchaser and Seller shall appoint by mutual agreement the office of an impartial nationally recognized firm of independent certified public accountants other than Seller’s or Purchaser’s accountants (the “Independent Accountants”) who, acting as experts and not arbitrators, shall resolve the Disputed Amounts only and make any adjustments to the Post-Closing Adjustment, as the case may be, and the Closing Current Assets Statement, and whose decision shall be final, conclusive and binding upon Seller and Buyer. The parties hereto agree that all adjustments shall be made without regard to materiality. The Independent Accountants shall only decide the specific items under dispute by the parties.

(iv) Fees of the Independent Accountants. Sellers shall pay a portion of the fees and expenses of the Independent Accountants equal to 100% multiplied by a fraction, the numerator of which is the amount of Disputed Amounts submitted to the Independent Accountants that are resolved in favor of Buyer (that being the difference between the Independent Accountants’ determination and Seller’s determination) and the denominator of which is the total amount of Disputed Amounts submitted to the Independent Accountants (that being the sum total by which Purchaser’s determination and Seller’s determination differ from the determination of the Independent Accountants). Purchaser shall pay that portion of the fees and expenses of the Independent Accountants that Seller is not required to pay hereunder.

(v) Determination by Independent Accountants. The Independent Accountants shall make a determination as soon as practicable within 30 days (or such other time as the parties hereto shall agree in writing) after their engagement, and their resolution of the Disputed Amounts and their adjustments to the Closing Current Assets Statement and/or the Post-Closing Adjustment shall be conclusive and binding upon the parties hereto and their decision for each Disputed Amount must be within the range of value assigned to each such item in the Closing Current Assets Statement and the Statement of Objections, respectively.

~~2.1.1.~~ (c) Adjustments for Tax Purposes. Any payments made pursuant to Section 2.1.2 shall be treated as an adjustment to the Purchase Price by the parties for tax purposes, unless otherwise required by law.

2.1.3 Balance of Purchase Price. The balance of the Purchase Price (Closing Payment, minus the Current Assets Holdback Amount, minus the Deposits, plus or minus any costs and proration for which the Seller and/or Purchaser are responsible under the terms hereof) shall be paid by wire transfer of immediately available funds at Closing.

2.2. Allocation of Purchase Price. The Purchase Price shall be allocated among the Seller's Assets in the manner set forth in **Schedule 2.2.**

2.3. Independent Consideration. As consideration for Seller's agreement to enter into this Agreement, Purchaser shall deliver directly to Seller, within two (2) business days following the Execution Date, the sum of One Hundred Dollars (\$100.00) (the "**Independent Consideration**"), which Independent Consideration shall be retained by Seller as Seller's sole property immediately upon receipt thereof and which shall be nonrefundable to purchaser in all events; provided, however, that the Independent Consideration shall be applied to the Purchase Price at Closing.

3. **Closing**

3.1. Time and Place of Closing. Subject to the satisfaction or waiver of the closing conditions set forth in **Section 5** below, the closing of the Transaction contemplated hereby (the "**Closing**") shall occur on the date that the California Department of Social Services ("**DSS**") approves Purchaser's new Residential Care Facility for the Elderly license ("**RCFE License**") to operate the Facility post-Closing and issues Purchaser a Certificate of Authority ("**COA**") to enter into continuing care contracts with residents of the Facility post-Closing, such approval and issuance occurring on the same date, with documents to be released for recording and the funds released by Purchaser to Seller on or before 3:00 PM (Pacific Time) and shall be effective at 12:01 am on such date (the "**Closing Date**"); provided that in the event the Closing has not occurred on or before October 31, 2023, Seller shall have the right to terminate this Agreement upon written notice to Purchaser in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

3.2. Closing Process. The Closing shall occur through escrow and accordingly, at or prior to the Closing Date, the Parties shall deposit in escrow with the Escrow Agent all documents and monies necessary to close the transaction as herein provided. Closing shall occur in accordance with the procedures and instructions given by the Parties to the Escrow Agent prior to Closing.

4. **Due Diligence; Title and Survey.**

4.1. Due Diligence Investigation.

4.1.1 Within three (3) Business Days after the Opening of Escrow, Seller shall deliver to Purchaser or provide Purchaser access to all materials in Seller's possession or control relating to the Real Property or Facility including, but not limited to: (i) copies of the most recent property tax bills and assessments for the Property; (ii) copies of all documents evidencing interests not shown on the Title Report, if any, (iii) a copy

of any and all leases, service contracts, easements, licenses, development approvals and/or other agreements related to the Real Property or Facility including, without limitation, contracts for design work thereon; (iv) any and all existing surveys of the Real Property; (v) any and all soils reports, reports pertaining to hazardous materials or other environmental conditions or other reports relating to the physical condition of the Real Property; (vi) any and all engineering documents relating to the Facility including, without limitation, plans and specifications prepared for Seller in connection with the development of the Real Property and Facility (the "**Plans and Specifications**"); (vii) any and all other correspondence, reports, studies, permits, approvals or documents relating to the Real Property or Facility, except for Seller's internal materials, documents, correspondence, and/or analysis; (viii) financial statements for the Business for the period ending December 31, 2019, 2021 and 2021, as well as the three month period ending March 31, 2022 (the "Financial Statements"); (ix) the general ledger and trial balance supporting the Financial Statements; (x) contracts and agreements and other documents material to the Business; (xi) and other documents set forth on the Diligence Checklist related to the Business as set forth on Schedule 4.1.1 (collectively, the "**Due Diligence Materials**"). In addition, Seller shall promptly deliver to Purchaser or provide Purchaser access to such other information relating to the Real Property, Facility and Business that is specifically and reasonably requested by Purchaser of Seller in writing to the extent such information is in the possession or control of Seller.

4.1.2 During the period (the "**Due Diligence Period**") commencing on the later of the Execution Date and the delivery of all the Due Diligence Items in Seller's possession or control, and ending forty-five (45) days thereafter, Purchaser will have the right, at its sole cost and expense, to conduct such investigations with respect to Seller's Assets as it deems to be necessary in the exercise of its ~~sole and absolute~~ **reasonable** discretion in connection with its purchase thereof, including without limitation, environmental site assessments, property condition reports, appraisals, engineering tests and studies, physical examinations of the Property, and feasibility studies, as well as inspections of the financial condition and operations of the Facility.

4.1.2.1; At all reasonable times from the date of this Agreement to the Closing, or earlier termination of this Agreement, upon forty-eight (48) hours prior written notice to Seller, Purchaser and their respective employees, agents, consultants, managers and contractors (collectively, "**Buyer Permitted Parties**") shall be entitled, at Purchaser's sole cost and expense, to: (a) enter onto the Real Property and Facility to perform any inspections, investigations, studies, and tests of the Real Property and Facility (including, without limitation, physical, engineering, soils, geotechnical, and environmental tests) that Purchaser deems reasonable; (b) review all Due Diligence Materials; and (c) investigate such other matters pertaining to the Real Property, Facility and Business as Purchaser may desire. Any entry by Purchaser onto the Real Property shall be subject to, and conducted in accordance with, all applicable laws. Upon completion of any such testing, Purchaser shall immediately restore the Real Property and Facility to substantially the same condition as it existed prior to Purchaser's entry under this Section 4.1.2.1. During the term of Escrow, Purchaser shall have the right to meet with representatives of the City and other governmental agencies having jurisdiction over the Real Property and Facility. Seller shall have the right to have a representative attend each and every

meeting with representatives of the City and other governmental agencies having such jurisdiction. Seller shall cooperate with Purchaser in its investigation of the Real Property, Facility and Business provided that no investigations will be physically intrusive on the Real Property or the Facility unless Seller consents thereto, which consent shall not be unreasonably withheld, but which consent may be conditioned on the third party site inspectors, engineers or other parties conducting such invasive testing or inspection, providing Seller with proof of any insurance reasonably required by Seller covering any potential damage done to the Seller's Assets as a result of such inspection/testing (the "Due Diligence Review").

~~4.1.~~ 4.1.2.2 Purchaser shall indemnify, defend and hold Seller and Seller's Assets harmless of and from any and all losses, liabilities, costs, expenses (including without limitation, reasonable attorneys' fees and costs of court at trial and on appeal), damages, liens, claims (including, without limitation mechanics' or materialmans' liens or claims of liens), actions and causes of action arising from or relating to Purchaser (or Purchaser's agents, employees, or representatives) entering on the Real Property and/or the Facility to test, study, investigate or inspect the same or any part thereof (except for the discovery of any pre-existing conditions). The foregoing indemnity shall expressly survive the Closing or the earlier termination of this Agreement.

~~4.1.2.3 Due Diligence Materials. In connection with Purchaser's Due Diligence Review, Seller shall provide to Purchaser the documents and information described on Exhibit A hereto (the "Due Diligence Materials") if and to the extent they are in the possession or under the control of Seller, to be delivered within three (3) days of the execution of this Agreement.~~

4.1.3 Purchaser shall have the right at any time on or before the end of the Due Diligence Period (the "**Due Diligence Termination Date**"), to terminate this Agreement by delivering a written notice of such termination to Seller and Escrow Agent if Purchaser determines, in its sole and absolute discretion, that the Seller's Assets are not acceptable to Purchaser for any reason. Purchaser shall indicate its satisfaction and/or waiver of the Due Diligence condition described in this Section 4.1 by delivering written notice of such satisfaction and/or waiver ("**Approval Notice**") to Seller and Escrow Agent on or prior to the Due Diligence Termination Date. In the event Purchaser fails to timely deliver an Approval Notice, then this Agreement and the Escrow shall be automatically deemed terminated. In the event this Agreement is terminated in accordance with this Section, then the Initial Deposit shall be immediately returned to Purchaser and the parties shall thereafter be relieved from further liability hereunder, except with respect to any obligations under this Agreement that are expressly stated to survive any termination of this Agreement.

~~4.2.~~

~~4.3.4.2.~~ Title Matters. After the Execution Date, Purchaser will also conduct a review of the condition of title to the Real Property pursuant to the procedures outlined below:

~~4.3.1.4.2.1.~~ Property Documents. After the Execution Date, to the extent not previously obtained, Seller shall obtain a title report or title commitment (the "**Title**

Commitment") for a standard owner's title insurance policy with respect to the Property issued by Commonwealth Land Title (the "**Title Company**"), along with copies of all of the exception documents referenced therein and a map showing all easements plotted. Purchaser shall have the right, at its own cost and expense, to obtain a zoning compliance letter issued by the local zoning authority or a zoning report issued by a third party provider qualified in the preparation of such reports, an ALTA survey with respect to the Real Property (the "**Survey**") prepared by a surveyor selected by Purchaser, a Phase One Environmental Site Assessment (the "**Phase One**") and Property Condition Report.

4.3.2.4.2.2. Title Objections.

(a) Not later than fifteen (15) days after the receipt of the Title Commitment, Purchaser shall advise Seller in writing of its objections, if any, to the matters reflected in the Title Commitment (a "**Title Document Objection Letter**").

(b) Within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall specify by written notice delivered to Purchaser which of the objections described therein it will correct at or prior to the Closing Date and which of such objections it refuses to correct at or prior to the Closing Date (the "**Seller Title Document Response Notice**"). If Seller fails to deliver a Seller Title Document Response Notice within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall be deemed to have refused to correct any of the matters to which Purchaser objected in the Title Document Objection Letter. If Seller refuses to or is deemed to have refused to correct some or all of the matters objected to in the Title Document Objection Letter, Purchaser shall have five (5) days after receipt or deemed receipt of a Seller Title Document Response Notice in which to advise Seller of its decision to terminate this Agreement, in which case the Deposit shall be immediately returned to Buyer. If Purchaser does not deliver a notice of termination under this Section, Purchaser shall be deemed to have waived its objections, notwithstanding the defects which Seller has refused to correct. In the event Purchaser elects to terminate this Agreement as a result of the existence of matters contained in the Title Commitment which Seller refuses to correct by Closing, then the provisions of **Section 11** shall apply.

(c) Any matter reflected in the Title Commitment and not objected to by Purchaser or as to which Purchaser waives or is deemed to have waived its objections in accordance with the terms hereof, shall be deemed accepted by Purchaser and shall for purposes hereof be deemed to be the "Permitted Exceptions".

(d) If any update to the Title Commitment issued by the Title Company following the above reveals any additional lien or encumbrance, Purchaser shall have the right to object to the matters contained in such update in accordance with the provisions set forth above with a supplemental property document objection letter, ~~provided that the supplemental property document objection letter may not be delivered later than two (2) business day prior to the scheduled Closing Date.~~

4.4.4.3. Access to Key Employees. Seller agrees to provide Purchaser with access to meet with Seller's executive director and other department heads (and no other employees of the

Facility) during the Due Diligence Period. Such meetings shall be conducted with prior notice to and approval by Seller and in the presence of Seller. Purchaser shall not disclose to other members of Seller's staff or the residents, the existence of this Agreement, or of any proposed sale of the Facility. After the expiration of the Due Diligence Period, Seller shall provide Purchaser with access to the other employees of the Facility, which meetings shall also be conducted with prior notice to and approval by Seller and in the presence of Seller.

5. **Conditions to Closing.**

5.1. Purchaser's Conditions. Purchaser's obligation to purchase Seller's Assets hereunder is subject to fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Seller at the Closing) (the "Purchaser's Closing Conditions"), ~~which conditions may be waived by Purchaser only in a writing executed by Purchaser~~conditions, any one or all of which may be waived by Purchaser in writing:

5.1.1. Closing Deliveries. Seller shall have delivered to Purchaser or, if applicable, to the Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

(a) A Grant Deed in substantially the form annexed hereto as **Exhibit B** (the "**Deed**") in proper form for recording, duly executed and acknowledged by Seller, sufficient to convey to Purchaser fee simple title to the Real Property, free and clear of all liens and encumbrances, other than the Permitted Exceptions;

(b) A bill of sale executed by Seller in substantially the form annexed hereto as **Exhibit C** (the "**Bill of Sale**") sufficient to convey to Purchaser good and indefeasible title to the remainder of the Seller's Assets, free and clear of all liens, encumbrances and security interests;

(c) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit D** (the "**Assignment**") duly executed by Seller with respect to the Assumed Operating Contracts and the Resident Agreements;

(d) Such title affidavits and indemnities as may be reasonably required by the Title Company in connection with the issuance of the Title Policy (as defined below);

(e) A Foreign Investment in Real Property Tax Act affidavit duly executed by Seller in substantially the form annexed hereto as **Exhibit E**;

(f) A Form 1099-S identifying Seller's gross proceeds and tax identification number, if required by the Escrow Agent;

(g) A certificate, in form and substance reasonably acceptable to Purchaser, of Seller to the effect that the representations and warranties of Seller set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Seller has complied with all covenants of Seller set forth herein;

(h) A counterpart copy of the Seller's "Closing Statement" prepared by the Escrow Agent and approved and signed by Seller;

(i) Written closing instructions directed to the Escrow Agent;

(j) Documentation, reasonably acceptable to the Title Company, confirming the authority of Seller to execute and deliver this Agreement and all of the documents described in this **Section 5.1.1** and to consummate the Transaction contemplated hereby;

(k) An Interim Lease, Interim Management Agreement and OTA;

~~(l)~~ the consent of all other parties to the Assumed Contracts for each Assumed Contract that requires the consent of another party prior to the consummation of the transaction contemplated by this Agreement; and

~~(m)~~ Such other customary closing documents required from the sellers of real estate in the applicable city, state and county in which the Facility is located as Purchaser or the Title Company may reasonably require.

5.1.2. Title Policy. The Title Company shall be irrevocably and unconditionally prepared and committed to issue to Purchaser a standard, or if Purchaser has paid the additional cost thereof as contemplated by **Section 6.1.1**, an extended, coverage title insurance policy insuring Purchaser's title to the Real Property as of the Closing Date subject to no exceptions other than the Permitted Exceptions, with those endorsements reasonably requested by Purchaser (provided that such endorsements are available in the State of California and are paid for in accordance with the terms in this Agreement), in an amount equal to the part of the Purchase Price allocated to the Real Property and Facility (the "**Title Policy**").

5.1.3. Representations and Warranties. The representations and warranties of Seller contained in this Agreement shall be true, correct, and complete in all material respects as of the Closing Date and Seller shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.1.4. Seller's Performance. Seller shall have complied with and/or materially performed all of its obligations, covenants, and agreements required on the part of Seller to be complied with or performed under the terms of this Agreement ~~that are required to be performed~~ prior to or at Closing.

5.1.5. Licenses and Approvals. Purchaser and/or its designee shall have obtained a RCFE license and a COA from DSS. CDPH shall have received a SNF Change of Ownership application for Windsor Manor SNF from Purchaser that includes the executed Interim Lease and Interim Management Agreements required in **Sections 5.1.1(k)** and **5.2.2(g)**.

5.1.6. Due Diligence Review. Buyer shall have delivered an Approval Notice pursuant to Section 4.1.3. ~~Purchaser shall be satisfied in its sole and absolute discretion with the results of its Due Diligence Review; provided, however, that this Agreement shall automatically terminate and neither party shall have any further rights or obligations hereunder, other than~~

~~Purchaser's right to secure the return of the Deposit, if this condition has not been satisfied by 5:00 PM Pacific Time as of the end of the Due Diligence Period. Purchaser shall provide Seller a written notice (a "**Termination Notice**") on or before 5:00 PM Pacific Time as of the end of the Due Diligence if Purchaser is NOT satisfied with the results of its Due Diligence Review.~~

5.1.7. No Changes. The Real Property and Facility shall be in substantially the same physical condition on the Closing Date as existed on the Opening of Escrow, ordinary wear and tear excepted.

5.1.8. New Encumbrances. Seller shall not have encumbered or granted any interest in or to the Property or any portion thereof to any party for any reason whatsoever, include the grant or dedication of any easements, any security interest or otherwise burden the title or use of the Property or any portion thereof after the Opening of Escrow.

~~5.1.6.—~~

5.2. Seller's Conditions. Seller's obligation to sell Seller's Assets hereunder is subject to the fulfillment of each of the following conditions precedent (and conditions concurrent, with respect to deliveries to be made by Buyer at the Closing) (the "Seller's Closing Conditions"), which conditions may be waived by Seller only in a writing executed by Seller, ~~any one or all of which may be waived by Seller in writing:~~

5.2.1. Purchase Price. Purchaser shall have delivered to Escrow Agent the portion of the Closing Payment due as set forth in Section 2.1.3 ~~Purchase Price due pursuant to Section 2.1 hereof.~~

5.2.2. Closing Deliveries. Purchaser shall have delivered to Seller or, if applicable, to Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

(a) The executed Assignment;

(b) A certificate, in form and substance reasonably acceptable to Seller, of Purchaser to the effect that the representations and warranties of Purchaser set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Purchaser has complied with all covenants of Purchaser set forth herein;

(c) A counterpart copy of the Purchaser's "Closing Statement" prepared by the Escrow Agent and approved and signed by Purchaser;

(d) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit D** (the "**Assignment**") duly executed by Purchaser with respect to the Assumed Operating Contracts and the Resident Agreements;

(e) Written closing instructions directed to the Escrow Agent;

(f) Documentation, reasonably acceptable to Seller and the Title Company, confirming the authority of Purchaser to execute and deliver this Agreement and all of the documents described in this **Section 5.2.2** and to consummate the transaction contemplated hereby;

(g) An Interim Lease, Interim Management Agreement and OTA; and

(h) Such other customary closing documents required from the purchasers of real estate in the applicable city, state and county in which the Facility is located as Seller or the Title Company may reasonably require.

5.2.3. Representations and Warranties. The representations and warranties of Purchaser contained in this Agreement shall be true, correct and complete in all material respects as of the Closing Date and Purchaser shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.2.4. Attorney General and California Department of Social Services Approval. All consents, approvals and other authorizations from the Attorney General's Office, DSS, and any other consents or approvals necessary to transfer the Assets to Purchaser, have been obtained by Seller, without the imposition of conditions unsatisfactory to Seller in its sole discretion.

5.2.5. Purchaser's Performance. Purchaser shall have complied with and/or materially performed all of its obligations-, covenants, and agreements required on the part of Purchaser to be complied with or performed under this Agreement ~~that are required to be performed~~ prior to or at Closing, including Purchaser and/or its designee having obtained the Residential Care Facility for the Elderly license and Certificate of Authority per **Section 5.1.5**.

5.3. Conditions Generally. The foregoing conditions are for the benefit only of the Party for whom they are specified to be conditions precedent and such Party may, in its sole discretion, waive any or all of such conditions and proceed with the Closing under this Agreement without any increase in, abatement of or credit against the Purchase Price.

6. Closing Costs and Prorations.

6.1. Costs and Expenses. All costs and expenses associated with the Transaction shall be allocated between the Parties as follows:

6.1.1. Seller shall pay the cost of a standard coverage title insurance policy with respect to the Real Property in the amount of the Purchase Price and Purchaser shall pay the additional cost to secure extended coverage and for all endorsements, as well as the cost of the Survey and any lender's title insurance policy which Purchaser may elect to obtain.

6.1.2. Seller shall pay for the transfer taxes applicable to the sale of the Real Property.

6.1.3. Purchaser shall pay all of the costs associated with the Due Diligence Review.

6.1.4. Each of the Parties shall each pay their own legal fees and expenses.

6.1.5. Purchaser and Seller shall share on a 50-50 basis all escrow fees.

6.1.6. Seller shall pay the cost of recording the Deed and all recording fees required to remove any exceptions from title other than the Permitted Exceptions and Purchaser shall pay any other recording fees.

6.1.7. Purchaser shall pay any and all filing fees and all other costs which may be due in connection with securing the Purchaser's licenses and permits necessary to operate the Facility.

6.2. Prorations and Adjustments.

~~6.2.1. All of the revenues and expenses related to the ownership of the Seller's Assets and the operation of the Facility as of the Closing Date shall be prorated between Seller and Purchaser, with Seller entitled to such revenues and responsible for such expenses for the period prior to the Closing Date and with Purchaser entitled to such revenues and responsible for such expenses for the period from and after the Closing Date. For the avoidance of doubt, any market rate fees due to any resident referral/placement agencies shall be the responsibility of Seller to the extent the applicable resident commenced occupancy at the Facility at any time prior to the Closing Date and shall be the responsibility of Purchaser to the extent the applicable resident commences occupancy at the Facility at any time on or after the Closing Date.~~

6.2.2.6.2.1. Real and personal property taxes shall be prorated as of the Closing Date, with Seller responsible therefor for the period prior to the Closing Date and with Purchaser responsible therefor for the period from and after the Closing Date. Such proration shall be based on the most recently available tax bills and shall be subject to re-proration after Closing in accordance with the provisions of **Section 6.2.43** below.

~~6.2.3.6.2.2.~~ 6.2.2.6.2.2. Prior to Closing, Seller shall arrange for a final statement with respect to all utilities serving the Real Property and the Facility as of the Closing Date and shall pay all fees identified thereon and Purchaser shall arrange for all such utilities to be billed in its name from and after the Closing Date and shall pay all fees due therefor as of the Closing Date.

~~6.2.4.6.2.3.~~ 6.2.2.6.2.3. All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the Closing Date shall be settled within sixty (60) days after the Closing Date or, in the event the information necessary for such adjustment is not available within said sixty (60) day period, then within ten (10) Business Days of receipt of information by either Party necessary to settle the amounts subject to proration and, unless otherwise set forth herein, any payment owed shall be made within fifteen (15) days of a Party's receipt of a request for payment. In the event of a disagreement regarding any item(s) (or the amount of any item(s)) subject to proration under the terms of this Agreement, Seller and Purchaser shall negotiate in good faith to resolve any such disagreement within ten (10) Business Days after

either Party articulates to the other a basis for disagreement. If the Parties are unable to resolve such dispute within ten (10) Business Days, then the Parties shall appoint an independent accounting firm of national or regional reputation as is mutually acceptable to the Seller and Purchaser and having no current relationship with either Seller or Purchaser or any affiliate thereof (an "**Independent Accounting Firm**"), which shall review the items then subject to disagreement and determine the appropriate proration within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The determination by the Independent Accounting Firm with respect to each item in dispute shall be conclusive and binding on the Parties hereto. All fees and expenses billed by the Independent Accounting Firm in connection with the resolution of disputes under this Section shall be borne one-half by Seller and one-half by Purchaser.

~~6.2.5-6.2.4.~~ This **Section 6** shall survive the Closing.

7. **Seller's Representations, Warranties and Covenants.** Seller does hereby warrant and represent to Purchaser on behalf of itself and not on behalf of the other entity comprising Seller as follows:

7.1. **Organization and Authority.** Seller is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California. Seller has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

7.2. **Enforceability; No Conflict.** This Agreement is valid, binding and enforceable against Seller in accordance with its terms, except as such enforceability may be limited by creditors' rights laws ~~or general principals of equity~~. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under or violation of the Seller's ~~organizational limited liability company~~ documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Seller is now a party or by which Seller or any of the assets of Seller may be bound or affected. With respect to Seller, no consent, approval, order or authorization of or from, or registration, notification, declaration or filing with any Person, including without limitation, any Government Entity, is required in connection with the execution, delivery or performance of this Agreement by any Seller or the consummation by any Seller of the transactions contemplated herein

7.3. **Litigation.** Except as disclosed to Purchaser on Schedule 7.3 hereto, there is no pending or, to Seller's knowledge, threatened litigation, administrative investigation or other proceeding with respect to or affecting Seller, the Real Estate, or the Facility or the Business, at law or in equity. Seller is not a party to, nor is Seller or the Real Estate, Facility or Business bound by, any orders, judgments, injunctions, decrees or settlement agreements under which it may have continuing obligations as of the Closing Date ~~and that are likely to materially restrict or affect the present business operations of the Facility~~. There are no facts, circumstances or conditions that

would reasonably be expected to form the basis for any action against or affecting Sellers, the Real Estate, Facility, Business, or the transactions contemplated hereby. Schedule 7.3 lists all actions against the Company at law or in equity that have occurred since January 1, 2017.

7.4. Compliance with Law. Seller is and has been in compliance with all applicable laws in connection with operation of the Facility and Business~~Seller has received no written notice that the Facility and its operation and use are not now in compliance with all applicable laws.~~

7.5. The Facility. The Facility is a licensed continuing care retirement community. Seller holds the following licenses and certificates ("**Licenses**"): (i) Residential Care Facility for the Elderly license issued by DSS, (ii) a Certificate of Authority issued by DSS, and (iii) a SNF license issued by CDPH. True and correct copies of the current Licenses to operate the Facility, the form of Resident Agreements in use at the Facility (the "**Resident Agreements**") and rent roll for the Facility (the "**Rent Roll**") have been provided to Purchaser as part of the Due Diligence Review. The Rent Roll shall be updated by Seller monthly. The Licenses are in full force and effect.

7.6. Employees of the Facility; Unions. All of the employees of the Business at the Facility are the employees of Seller. None of the employees of the Business at the Facility are members of a labor union or subject to any collective bargaining agreement nor to Seller's knowledge are ~~has Seller received any written notice that any~~ such employees ~~are~~ engaged in any union organizing activities or threatened an attempt to organize or establish any labor union or employee association to represent any employees. Seller is not a party to any labor dispute or grievances with respect to the operations at the Facility. No unfair labor practice charge, work stoppage, picketing, or other such activity relating to labor matters of the Business will be pending as of the Closing Date. The Seller is in compliance with all requirements of all applicable Laws governing employment and employee relations, including laws relating to employment discrimination, sexual harassment, civil rights, equal pay, wages, meal and rest breaks, hours, overtime, sick leave, collective bargaining and labor relations, occupational safety and health, workers' compensation, immigration, or the withholding and payment of income, social security (FICA) or similar taxes, and any similar laws of any foreign jurisdiction. No suits, charges or administrative proceedings relating to any such law or regulation are pending as of the Closing Date. To the Seller's knowledge, no action alleging a violation of any such applicable law has been threatened. Purchaser will not have any liability to any employee (or to any Government Entity with respect to any such employee) under any such law or regulation relating to actions arising out of or related to any event occurring on or before the Closing Date. The Seller is in compliance with all applicable requirements of the Immigration Reform and Control Act (to the extent applicable), and has in its files properly completed copies of Form I-9 (and, as applicable, copies of supporting documents) for all employees and former employees with respect to whom that form is required. The Seller does not have any workers' compensation Liabilities with respect to employees that are not covered by insurance.

7.7. Condemnation; Reassessment. Seller has not received written notice of any (a) condemnation proceeding relating to the Real Property, (b) reclassification of any or all of the Real Property for local zoning purposes, or (c) reassessment or reclassification of any or all of the

Real Property for state or local real property taxation purposes. To Seller's knowledge, no such actions have been threatened.

7.8. Operating Contracts. Copies of all written operating contracts and equipment leases to which Seller is a party in connection with the ownership and/or operation of the Facility (collectively, the "**Operating Contracts**") have been provided to Purchaser as part of the Due Diligence Review. Each of the Operating Contracts is in full force and effect and none of the Operating Contracts has been modified or amended except any modifications or amendments provided to Purchaser as part of the Due Diligence Review. Seller has received no written notice that it or the Facility is in default of any obligations under the Operating Contracts.

7.9. Executive Order 13224. None of Seller or the entities or individuals that constitute Seller, or that may own or control Seller, or that may be owned or controlled by Seller (in all cases, other than through the ownership of publicly traded, direct or indirect, ownership interests) are: (i) in violation of any laws relating to terrorism or money laundering, or (ii) among the individuals or entities identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/tllsdn.pdf> or any replacement website or other replacement official publication of such list which identifies an "Specially Designated National" or "blocked person."

7.10. Tax Returns. To Seller's knowledge, all tax returns and reports required by law to be filed by Seller relating to the ownership and operation of the ~~Facility~~ Business prior to Closing (collectively, "**Tax Returns**") have been or will be properly and timely filed (subject to the right to extend or delay the filing thereof) and do, or at the time of the filing thereof will, correctly reflect the tax position of Seller and all taxes due under such Tax Returns have been or will be timely objected to, disputed and/or paid. Moreover, : (i) no Liens have been filed against Sellers or their assets in respect of Taxes, and no waivers of statutes of limitations have been given or requested with respect to Sellers; (ii) there are no pending Tax audits or other proceedings with respect to Sellers or any of their Tax Returns nor have Sellers been notified of any dispute or claim with respect to Taxes that has not been resolved; (iii) Sellers have complied in all respects with all applicable laws relating to the collection or withholding of Taxes (such as sales Taxes, customs duties or withholding of Taxes from the wages of employees); (iv) Sellers are not now nor have they been a party to any Tax sharing, allocation or distribution agreement; and (v) Sellers have no obligation to make (or possibly make) any payments that will be non-deductible under, or would otherwise constitute a "parachute payment" within the meaning of, Section 280G of the Code (or any corresponding provision of state, local or foreign income Tax law). Sellers are not directly nor indirectly responsible for the Taxes of any other Person, and Sellers (A) have never been a member of a group filing a consolidated, combined, unitary or similar Tax Return and (B) have no liability for the Taxes of any Person (other than Sellers) under Treasury Regulation Section 1.1502-6 (or any similar provision of state, local or foreign law), as a transferee or successor, by contract, or otherwise.

7.11. No Violations of Environmental Laws. -To Seller's knowledge and except as disclosed in the Property Materials: (a) the Property is not in, nor has it been or is it currently under investigation for violation of any federal, state, or local law, ordinance, or regulation relating

to industrial hygiene, worker health and safety, or to the environmental conditions in, at, on, under, or about the Property, including, but not limited to, soil and groundwater conditions ("Environmental Laws"); (b) the Property has not been subject to a deposit of any Hazardous Substance; (c) neither Seller nor any third Party has used, generated, manufactured, stored, or disposed in, at, on, or under the Property any Hazardous Substance; and (d) there is not now in, on, or under the Property any underground or above ground storage tanks or surface impoundments, any asbestos containing materials, or any polychlorinated biphenyls used in hydraulic oils, electrical transformers, or other equipment. Seller hereby assigns to Buyer as of the Closing all claims, counterclaims, defenses, and actions, whether at common law or pursuant to any other applicable federal, state or other laws that Seller may have against any third Party or Parties relating to the existence or presence of any Hazardous Substance in, at, on, under, or about the Property. For purpose of this Agreement, the term "Hazardous Substance" shall be deemed to include any wastes, materials, substances, pollutants, and other matters regulated by Environmental Laws including, without limitation, per- and polyfluoroalkyl substances (PFAS). ~~To Seller's knowledge and except as provided in any Phase One obtained by Purchaser: (i) Seller is not a party to any contract, settlement agreement, or other similar arrangement that requires or may require Seller to have any liability or obligation of any kind arising out of any law designed to minimize, prevent, punish, or remedy the consequences of actions that damage or threaten the environment or public health and safety ("Environmental Law"); (ii) Seller has not received any written notice from any governmental authority or other person regarding any actual, alleged, or potential failure by Seller to comply with any Environmental Law; (iii) no action, arbitration, audit, hearing, investigation, litigation, suit, or other proceeding relating to any Environmental Law is pending or, to Seller's knowledge, threatened against Seller; and (iv) Seller is not subject to any judgment or order relating to any Environmental Law.~~

7.12. Health Care Representations. ~~To Seller's knowledge, the Licenses are in full force and effect.~~ Seller is not a target of, participant in, or subject to any pending or threatened action, proceeding, suit, audit, investigation or sanction by any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident which could reasonably be expected to have a material adverse effect on Seller, or the operation of the Facility. With respect to Windsor Manor SNF, Seller is certified for participation in the Medicare and Medi-Cal programs, and has current and valid provider contracts with each of such programs. Seller has no pending license revocation or suspension proceedings, outstanding or uncompleted plan of correction that remains outstanding or uncompleted beyond its stated due date, denial of payment or denial of new admission orders or directives from Medicare or Medi-Cal. Seller has no pending or outstanding allegations or orders for civil money penalties or recoupment payments from the Medicare and/or Medi-Cal programs. Seller has provided all correspondence with any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident received from January 1, 2020 to the present to Purchaser as part of the Due Diligence Materials. Seller has maintained the Facility and operated the Business in such a manner as to avoid any negative survey finding by any Health Care Authority.

7.13. Financial Statements. Each of the audited and unaudited Financial Statements of the Business provided by Seller to Purchaser as part of the Due Diligence Materials has been prepared in accordance with GAAP applied on a consistent basis (except as otherwise may be

indicated therein) and in accordance with the books and records of Seller. Each of the financial statements presents fairly in all material respects the financial position of Seller at the dates thereof and the results of operations and cash flows for the periods indicated subject, in the case of interim Financial Statements, to normal year-end adjustments and that interim financial statements do not include footnote disclosure. The Seller's books and records relating to the Business are complete and correct and accurately reflect all of the assets, liabilities, transactions and results of operations of the Business at the Facility in all material respects. Since December 31, 2019, except as required by applicable law or changes in GAAP, there has been no change in any accounting principle, procedure, or practice followed by Seller or in the method of applying any such principle, procedure, or practice.

7.14. Undisclosed Liabilities. Except as set forth on Schedule 7.14, Seller does not have any liabilities or obligations of any nature (whether absolute, accrued, contingent or otherwise), except for liabilities or obligations reflected or reserved against in the Financial Statements and liabilities incurred in the ordinary course of Business since the respective dates thereof

7.15. Receivables. The Accounts Receivable reflected on the latest balance sheet included in the Financial Statements (March 31, 2022) arose in the ordinary course of the Business, and represent bona fide, arms-length transactions, or refunds due from governmental entities. The Accounts Receivable as of the Closing are collectible by Seller, subject to reasonable reserves reflected in the Financial Statements. Schedule 7.15 sets forth in summary form an aging of the Accounts Receivable of Seller as of the Closing Date.

7.16. Absence of Certain Developments. Except as set forth on Schedule 7.16:

7.16.1 Ordinary Course of Business. Since January 1, 2019, the Company has conducted business only in the ordinary course of business, as applicable, consistent with past practice, including with regard to nature, frequency and magnitude ("Ordinary Course of Business").

7.16.2 Certain Matters. Since such date, the Company has not:

7.16.2.1 discharged or satisfied any liens or paid any material obligation or liability, other than current liabilities paid in the Ordinary Course of Business, or cancelled, compromised, waived or released any right or claim;

7.16.2.2 sold, assigned, licensed or transferred any of its assets, except for sales in the Ordinary Course of Business, or mortgaged, pledged or subjected its assets to any lien;

7.16.2.3 sold, assigned, transferred or granted a right to any intellectual property (other than agreements with customers entered into in the Ordinary Course of Business), or disclosed any proprietary information with respect to the Business;

7.16.2.4 sold, assigned, transferred, abandoned or permitted to lapse any licenses or permits;

7.16.2.5 suffered any extraordinary loss, damage, destruction or casualty loss or waived any rights of value, whether or not covered by insurance and whether or not in the Ordinary Course of Business;

- 7.16.2.6 borrowed any amount or incurred or become subject to any liabilities, except current liabilities incurred in the Ordinary Course of Business and liabilities under contracts entered into in the Ordinary Course of Business;
- 7.16.2.7 commenced any litigation or binding dispute resolution process or settled or compromised any pending or threatened suit, action or claim;
- 7.16.2.8 entered into any material transaction, other than in the Ordinary Course of Business; or
- 7.16.2.9 experienced any event, change, circumstance, effect, or state of facts that, when considered individually or in the aggregate, is, or is likely to be, materially adverse to (a) the Business, financial condition, prospects, or results of operations of the Facility, taken as a whole, or (b) the ability of Seller to perform its obligations under this Agreement or to consummate the transaction contemplated by this Agreement.

7.17. Anti-Bribery.

- 7.17.1. Neither Seller nor any of its officers or directors, or any employee, agent, distributor or other person acting on behalf of Seller has, directly or indirectly, used any corporate funds for unlawful contributions, gifts, entertainment or other unlawful expenses relating to political activity, made any unlawful payment to foreign or domestic government officials or employees or made any bribe, rebate, payoff, influence payment, kickback or other similar unlawful payment, or taken any action which would cause them to be in violation of any Anti-Corruption or Anti-Bribery Law.
- 7.17.2. There is no pending or threatened claims, charges, investigations, violations, settlements, civil or criminal enforcement actions, lawsuits, or other court actions against Sellers with respect to any Anti-Corruption or Anti-Bribery Law.
- 7.17.3. To Seller's Knowledge, there are no actions, conditions, or circumstances pertaining to the activities of Seller that would reasonably be expected to give rise to any claims, charges, investigations, violations, settlements, civil or criminal actions, lawsuits, or other court actions under any Anti-Corruption or Anti-Bribery Law.
- 7.17.4. Seller has established and maintains reasonable internal controls and procedures appropriate to the requirements of any applicable Anti-Corruption or Anti-Bribery Law.

7.18. Title to Assets. Except as disclosed on Schedule 7.18, Seller has good and valid title, or a valid leasehold interest in, all of Seller's Assets, free and clear of all liens.

7.19. Sufficiency and Condition of Assets.

7.19.1. Seller's Assets: (a) constitute all of the assets, tangible and intangible, of any nature whatsoever, necessary to operate the Business in the manner presently operated by Seller, (b) include all of the operating assets of Seller, and (c) include no assets other than those used in the operation of the Business.

7.19.2. Use of the Real Property for the various purposes for which it is presently being used is permitted as of right under all applicable zoning legal requirements and is not subject to "permitted nonconforming" use or structure classifications. All improvements on the Real Property are in compliance with all applicable legal requirements, including those pertaining to zoning, building and the disabled, are in good repair and in good condition, ordinary wear and tear excepted, and are free from latent and patent defects. No improvement on the Real Property encroaches on any real property not included in the Real Property, and there are no buildings, structures, fixtures or other improvements primarily situated on adjoining property that encroach on any part of the Real Property. The Real Property abuts on and has direct vehicular access to a public road or has access to a public road via a permanent, irrevocable, appurtenant easement benefiting such Real Property and comprising a part thereof, is supplied with public or quasi-public utilities and other services appropriate for the operation of the improvements located thereon. There is no existing or proposed plan to modify or realign any street or highway or any existing or proposed eminent domain proceeding that would result in the taking of all or any part of any Real Property or improvement on the Real Property or that would prevent or hinder the continued use of any Real Property as heretofore used in the conduct of the Business.

7.19.3. Each item of Tangible Personal Property is in good repair and good operating condition, ordinary wear and tear excepted, with no known needed repairs (other than routine maintenance), is suitable for immediate use in the ordinary course of the Business, and is free from latent and patent defects. No item of Tangible Personal Property is in need of repair or replacement other than as part of routine maintenance in the ordinary course of Business. All Tangible Personal Property used in the Business is in the possession of Sellers.

7.20. Contracts.

- 7.20.1. Schedule 7.20.1 includes a listing of all Assumed Contracts to which either Seller is a party that are related to the Business.
- 7.20.2. Except as set forth on Schedule 7.20.2: (i) Seller is not in default under any of the Assumed Contracts identified in Section 7.20.1; (ii) there has not occurred any event that, with the lapse of time or the giving of notice, or both, would constitute such a default; and (iii) to the Seller's knowledge, no party to any of the Assumed Contracts other than Seller is in default under any Assumed Contract nor has any event occurred that, with the lapse of time or the giving of notice, or both, would constitute such a default by any such other party.
- 7.20.3. Except as set forth in Schedule 7.20.3, (i) each Assumed Contract is in full force and effect and is valid and enforceable in accordance with its terms; (ii) each Assumed Contract is assignable by Seller to Purchaser without the consent of any other person; and (iii) no Assumed Contract will upon completion or performance thereof have a material adverse effect on the Business, or the Assumed Liabilities.
- 7.20.4. There are no renegotiations of, attempts or requests to renegotiate or outstanding rights to renegotiate any Assumed Contract and no person has the contractual or statutory right to demand or require such renegotiation

7.21. Legal Compliance; Permits and Licenses.

- 7.21.1. Except as disclosed on Schedule 7.21.1: (i) Seller has been and is in compliance in all material respects with all applicable laws, ordinances, rules, regulations, judgments, orders, decrees, and Permits⁴ of all Governmental Entities that is or was applicable to Seller, the conduct or operation of the Business, or the ownership or use of any of the Seller Assets; and (ii) no investigation or review by any Governmental Entity with respect to Seller, the operation of the Business, or the ownership or use of any of the Seller Assets is pending or threatened.
- 7.21.2. Except as disclosed on Schedule 7.21.2: (i) Seller holds all material Permits required for the operation of the Business (including, without limitation, all material Permits required by any Environmental Laws), all of which are valid and in full force and effect in all material respects and are listed on Schedule 7.21.2; and (ii) Sellers have not received any

⁴ Permits shall mean all permits, licenses, franchises, approvals, authorizations, registrations, certificates, variances and similar rights obtained, or required to be obtained, from Governmental Entities, held by Seller relating to the Business.

notice that any Governmental Entity which has issued any such Permit intends to cancel, terminate or not renew any such Permit

7.22. Labor Matters. Schedule 7.22 contains a list of all persons who are employees, independent contractors or consultants of the Business as of the date hereof, including any employee who is on a leave of absence of any nature, paid or unpaid, authorized or unauthorized, and sets forth for each such individual the following: (i) name; (ii) title or position (including whether full-time or part-time); (iii) hire or retention date; (iv) current annual base compensation rate or contract fee; and (v) commission, bonus or other incentive-based compensation.

7.22.1 Except as disclosed on Schedule 7.22.1: (i) Seller is in compliance in all material respects with all applicable laws and regulations respecting employment, including, without limitation, laws and regulations respecting employment practices, employment terms and conditions, wages and hours, tax withholding, immigration and collective bargaining, and is not engaged in any unfair labor practice; (ii) there is no pending or threatened charge, complaint, or grievance against Sellers related to any employment law or regulation; (iii) there is no labor strike, material dispute, slowdown or stoppage actually pending or threatened against or involving Sellers; and (iv) there is no threat of unionization involving Sellers or any of their employees.

7.22.2 Seller is not delinquent in payments to any of their employees or independent contractors for any wages, salaries, commissions, bonuses, or other direct compensation for any services performed by them to date or amounts required to be reimbursed to such employees or independent contractors. Seller is not obligated to pay severance pay or any other payments to their employees upon termination of employment except for payment of accrued wages and benefits pursuant to requirements of law, regulation, or any Plan disclosed on Schedule 7.23.

7.22.3 All persons classified by Sellers as independent contractors or as self-employed do satisfy and have satisfied the requirements of any applicable law or regulation to be so classified.

7.23. Employee Benefit Plans.

7.23.1 Employee Benefit Plans. Schedule 7.23.1 sets forth a complete list of all material employee retirement, welfare, bonus, incentive, deferred compensation, vacation, equity, severance, employment, change of control, and/or fringe benefit plans, programs, policies, practices, and/or other arrangements: (i) covering any current or former employee, officer or director of Sellers or any ERISA Affiliate; (ii) that are sponsored or maintained by Sellers or any ERISA Affiliate; or (iii) with respect to which either Seller or any ERISA Affiliate has any current or potential liability (each, a “Plan”).

7.23.2 Administration and Compliance of the Plans. Except as set forth on Schedule 7.23.2, with respect to each Plan:

7.23.2.1 all required, declared or discretionary (in accordance with historical practices) payments, premiums, contributions, reimbursements or accruals for all periods ending prior to or as of the Closing Date have been made or properly accrued on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Sellers;

7.23.2.2 there is no unfunded liability relating to any Plan which is not reflected on the latest balance sheet included in the Financial Statements or with respect to accruals properly made after the date of the latest balance sheet included in the Financial Statements, on the books and records of Seller;

7.23.2.3 there have been no violations of ERISA, the Code, the Patient Protection and Affordable Care Act, or other applicable laws with respect thereto and each Plan has been administered in all material respects in accordance with its terms and established in accordance with all laws; neither Seller nor any of its agents or delegates has any liability for breach of fiduciary duty or any other failure to act or comply in connection with the administration or investment of the assets thereof; no Plan has engaged in or been a party to a “prohibited transaction” (as defined in Section 406 of ERISA or Section 4975(c) of the Code) without an exemption applying thereto; no Proceeding with respect to the administration or the investment of the assets thereof (other than routine claims for benefits) for which Seller or any ERISA Affiliate could have any liability is pending or, to Seller’s knowledge, threatened, and Seller does not have any knowledge of any basis for any a Proceeding with respect to any Plan;

7.23.2.4 Schedule 7.23.2 identifies each Plan that is intended to qualify as a “qualified plan” within the meaning of Section 401(a) of the Code (each, a “Qualified Plan”), and there are no existing circumstances nor any events that have occurred that could adversely affect the qualified status of any Qualified Plan or the related trust;

7.23.2.5 Seller has timely deposited all amounts withheld from employees for pension, welfare or other benefits into the appropriate trusts or accounts;

7.23.2.6 except to the extent required under Section 601 et seq. of ERISA and/or Section 4980B of the Code, or comparable provisions of state insurance laws, neither Seller nor any ERISA Affiliate is obligated to provide health or welfare benefits to any former employee;

7.23.2.7 Seller has provided Purchaser with true and complete copies of each Plan and each summary plan description and, to the extent applicable, all other documents pursuant to which each such Plan is maintained and administered, the most recent annual reports (Form 5500 and attachments) and financial statements therefor, all governmental rulings and opinions (and pending requests therefor), the most recent IRS determination letter, if applicable, and if such Plan provides post-retirement or post-employment health and life insurance, accident, or other “welfare-type” benefits, the most recent valuation of the present and future obligations under such Plan. The foregoing documents accurately reflect all material terms of such Plan. Except as specifically provided in the foregoing documents delivered or made available to Purchaser, or as disclosed on Schedule 7.23.2, there are no amendments to any Plan that have been adopted or approved nor have Sellers undertaken to make any such amendments or to adopt or approve any new Plan; and

7.23.2.8 no benefit or amount payable or which may become payable by Seller pursuant to any Plan or Contract with any employee is or may be subject to the imposition of any excise tax under applicable law or would not be deductible under applicable law.

7.23.3 Multi-Employer Plans, Etc. Sellers and their ERISA Affiliates do not and have never maintained or been obligated to contribute to a Multi-Employer Plan. Neither Sellers nor any ERISA Affiliate has engaged in any transaction which could give rise to any withdrawal liability under Title IV of ERISA.

7.23.4 Each Plan that is an employee welfare benefit plan under Section 3(1) of ERISA is either: (i) funded through an insurance company contract and is not a self-insured “welfare benefit fund” within the meaning of Section 419 of the Code; or (ii) is unfunded. No Plan is a “multiple employer welfare arrangement” (as defined in Section 3(40) of ERISA).

7.23.5 No Plan or payment or benefit provided pursuant to any Plan between Seller and any “service provider” (within the meaning of Section 409A of the Code, and the regulations promulgated thereunder), including the grant, vesting, or exercise of any stock option or stock appreciation right, will or may provide for the deferral of compensation subject to Section 409A of the Code, whether pursuant to the execution and delivery of this Agreement or the consummation of the transactions contemplated hereby (either alone or upon the occurrence of any additional or subsequent events) or otherwise. Each Plan that is a nonqualified deferred compensation plan subject to Section 409A of the Code has been operated and administered in good faith compliance with Section 409A of the Code from the effective date of Section 409A through the date hereof.

7.23.6 Each Plan may be amended or terminated at any time by action of Seller

7.23.7 Neither the execution and delivery of this Agreement, nor the consummation of the transactions contemplated hereby will: (i) result in any payment (including, without limitation, severance, unemployment compensation, golden parachute, bonus, or otherwise) becoming due to any director or employee of Seller from Seller, under any Plan or otherwise; (ii) increase any benefits otherwise payable under any employee benefit plan or otherwise; or (iii) result in the acceleration of the time of payment or vesting of any such benefits.

7.24. Certain Fees and Liabilities. Seller has not paid or is obligated to pay any fee or commission to any broker, finder, or intermediary in connection with the transactions contemplated by this Agreement.

~~7.13.~~7.25. For purposes of this Agreement, "Health Care Authority/ies" shall mean any Governmental Entity or quasi-Governmental Entity or any agency, intermediary, board, authority or entity with lawful jurisdiction over Seller and concerned with the ownership, operation, use or occupancy of the Facility as a licensed continuing care retirement community.

Upon Purchaser becoming aware (whether by notice from Seller or otherwise) of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, Purchaser shall as its sole and exclusive remedy have the option of: (a) waiving the breach of warranty or change, and proceeding with Closing without any change to the Purchase Price, or (b) terminating this Agreement within five (5) Business Days after Purchaser becomes aware of such matter, in which event, the provisions of **Section 11** shall apply. If Purchaser elects to terminate this Agreement pursuant to clause (b) above, Seller may elect to cure the breach by providing written notice to Purchaser of such election within five (5) Business Days after receiving Purchaser's election to terminate this Agreement. If Seller cures the breach to the reasonable satisfaction of Purchaser within fifteen (15) Business Days thereafter (or such longer period of time as is reasonably necessary to cure such breach, not to exceed thirty (30) days, and Closing will be extended as necessary to accommodate such cure), Purchaser's election to terminate this Agreement shall be null and void. For purposes of this **Section 7**, "Seller's knowledge" or similar phrase means: the current actual knowledge of Dan Ogus without a duty of investigation or inquiry, and nothing in this Agreement shall be deemed to create or impose any personal liability of any kind whatsoever on such party. Seller represents and warrants that Dan Ogus is the person most knowledgeable about the subject matter contained in each representation and warranty provided in such manner.

8. **Purchaser's Representations and Warranties.** Purchaser represents and warrants as follows:

8.1. **Organization and Authority.** Purchaser is a duly organized and validly existing California corporation that is in good standing under the laws of the State of California. Purchaser has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

8.2. Enforceability; No Conflict. This Agreement is valid, binding and enforceable against Purchaser in accordance with its terms except as such enforceability may be limited by creditors' rights laws and general principles of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under, or a violation of, Purchaser's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Purchaser is now a party or by which any of the assets of Purchaser are bound or affected.

8.3. Litigation. The right or ability of Purchaser to consummate the Transaction contemplated herein has not been challenged by any governmental agency or any other person and Purchaser has no knowledge of the occurrence of any event which would provide a reasonable basis for any such litigation, investigation or other proceeding.

8.4. Financing. Purchaser has access to the funds required to pay the Purchase Price and other costs for which Purchaser is responsible under this Agreement. Accordingly, as a material inducement to Seller's willingness to enter into this Agreement with Purchaser, Purchaser represents, warrants, acknowledges and agrees that, ~~provided that Purchaser has not delivered a Termination Notice pursuant to Section 5.1.6,~~ arranging financing shall not be a condition to the Purchaser's ability to consummate the Transaction provided for herein.

8.5. AS IS. IT IS UNDERSTOOD AND AGREED THAT EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) SELLER'S ASSETS ARE BEING SOLD BY SELLER AND PURCHASED AND ACCEPTED BY PURCHASER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION WHICH MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE UPON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON BEHALF OF SELLER EXCEPT THOSE REPRESENTATIONS, WARRANTIES AND AGREEMENTS SPECIFICALLY SET FORTH IN THIS AGREEMENT; (B) PURCHASER IS BEING GIVEN THE OPPORTUNITY TO THOROUGHLY INSPECT AND EXAMINE SELLER'S ASSETS TO THE EXTENT DEEMED NECESSARY BY PURCHASER IN ORDER TO ENABLE PURCHASER TO EVALUATE THE PURCHASE OF THE SELLER'S ASSETS ON THE FOREGOING BASIS; AND (C) PURCHASER IS RELYING SOLELY UPON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF SELLER'S ASSETS BY PURCHASER IN PURCHASING THE SELLER'S ASSETS ON AN "AS IS", "WHERE IS" AND "WITH ALL FAULTS" BASIS, WITHOUT REPRESENTATION, WARRANTY, AGREEMENT OR STATEMENT BY SELLER OR ANYONE ACTING ON BEHALF OF SELLER, EXPRESS OR IMPLIED, OF ANY KIND OR NATURE, EXCEPT AS MAY BE SET FORTH IN THIS AGREEMENT. SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER REGARDING ANY INTELLECTUAL PROPERTY RIGHTS. SELLER EXPRESSLY DISCLAIMS, WHICH PURCHASER HEREBY ACKNOWLEDGES AND ACCEPTS, ANY IMPLIED WARRANTY OF CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. Pre-Closing Covenants/Risk of Loss.

9.1. Conduct Pending Closing. Between the Execution Date and the Closing Date, Seller covenants as follows:

9.1.1. Seller will operate the Facility and Business in the ordinary course of business, in compliance with all applicable law, including, but not limited to, the rules and regulations of any Health Care Authority, and, unless consented to by Purchaser, will not sell or dispose of any of the Seller's Assets or enter into any contract, commitment or agreement affecting Seller's Assets except in the ordinary course of business, including, but not limited to, any Resident Agreement which deviates in any material respect from the form of Resident Agreement provided to Purchaser under the term of this Agreement.

9.1.2. From time to time between the Execution Date and the Closing Date, Seller will provide to Purchaser such information as Purchaser may reasonably require in order to allow Purchaser to secure the New Licenses (as defined below).

9.1.3. Seller will cooperate in Purchaser's efforts to conduct the Due Diligence Review including, but not limited to, providing Purchaser and its agents and employees with access to the Facility and to the books and records of the Facility; *provided, however*, that such access and inspection shall be on no less than 48 hours' prior notice (or if longer, the notice required under applicable law, including, without limitation, residential landlord tenant law) and during normal business hours at such time and in such manner as the Parties shall reasonably agree upon. Notwithstanding the above, access to the Facility may be limited during the current COVID pandemic based on the regulation, guidelines or recommendations of the any Health Care Authority, State of California and other state or federal regulatory agencies.

9.1.4. Seller will maintain in force the existing hazard and liability insurance policies, or comparable coverage, for Seller's Assets.

9.1.5. Seller will maintain Seller's Assets in substantially the same condition as they are in as of the Execution Date, ordinary wear and tear excepted.

9.1.6. Unless this Agreement is terminated in accordance with the terms hereof, Seller shall not market the Seller's Assets or negotiate with any third party with respect to the sale of Seller's Assets or the equity interests in Seller.

9.2. Damage and Condemnation. Prior to the Closing Date, the risk of physical loss to Seller's Assets shall be borne by Seller. Accordingly, it shall be a condition to Purchaser's obligation hereunder that prior to the Closing Date, no material (as defined in this **Section 9.2**) portion of the Facility nor any material portion of any of Seller's Assets shall have been damaged or destroyed by fire or other casualty, or shall have been materially taken or condemned by any public or quasi-public authority under the power of eminent domain. Accordingly, in the event a material portion of the Seller's Assets is damaged, destroyed or taken prior to the Closing Date, Purchaser may elect to terminate this Agreement pursuant to **Section 11**. If, however, either (A) the damage to Seller's Assets is not material or (B) the damage to, or destruction of, the Seller's Assets is material, but Purchaser waives this condition, then Seller shall assign to Purchaser all of its rights to any insurance proceeds in the connection therewith and the Purchase Price shall be

reduced by any deductible which Purchaser shall be required to pay in connection with such damage or destruction. Further, if either (B) the taking or condemnation of Seller's Assets is not material or (B) a material portion of Seller's Assets shall be so taken or condemned prior to Closing but Purchaser waives this condition, then Seller shall pay or assign to Purchaser all Seller's right to the proceeds of any condemnation award in connection thereof and the Purchase Price shall be reduced by Purchaser's reasonable estimate of the amount by which the cost to repair the portion of Seller's Assets affected by such taking exceeds such condemnation award. For the purposes of this **Section 9.2**, "material" damage, destruction or condemnation shall mean any damage or loss to or destruction or taking or condemnation of the Facility which would cost more than Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) to repair.

10. **Operations Transfer Provisions.**

10.1. Licenses. On or prior to the expiration of the Due Diligence Period and concurrent with Seller's delivery of the Approval Notice, Purchaser shall submit a change of ownership application ("**CHOW**") with DSS pursuant to which Purchaser will obtain a new **RCFE License** to operate the Residential Care Facility for the Elderly portion of the Facility. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit an application for a new certificate of Authority with DSS pursuant to which Purchaser will obtain a new COA to enter into continuing care contracts with residents of the Facility and operate the Facility as a continuing care retirement community. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a SNF license application ("**SNF Application**") with CDPH pursuant to which Purchaser will obtain a new SNF license ("**SNF License**") to operate the Windsor Manor SNF portion of the Facility. The parties acknowledge that Purchaser must obtain the RCFE License and COA on the Closing date. Following the submission of the applications for the RCFE License, COA and SNF License, Purchaser will take and/or cause its designee to take such actions as are necessary to obtain the RCFE License, COA and SNF License in a timely manner, including, without limitation, submitting any missing information required for Purchaser's licensing applications reasonably promptly following receipt thereof by Purchaser. Purchaser shall notify the Seller promptly following its submission of the license applications and shall keep Seller reasonably informed as to the status of the license applications, including without limitation, informing Seller of any material communications with DSS and/or CDPH as to the timing of the issuance of the RCFE License, COA and SNF License.

10.2. Interim Lease and Management Agreements. Seller and Purchaser acknowledge that Purchaser will be unable to obtain the SNF License on the Closing Date and that the Parties will need to enter into an interim arrangement to allow the continued operation of the Windsor Manor SNF under Seller's SNF License until the purchaser's SNF License is issued. The Parties shall enter into an Interim Lease ("**Interim Lease**"), Interim Management Agreement ("**Interim Management Agreement**"), and SNF operations transfer agreement ("**OTA**") to be negotiated and agreed upon in good faith during the Due Diligence Period.

10.3. Notices. Seller is required to provide one hundred and twenty (120) days' written notice to DSS of the Transaction and to Seller's RCFE residents at least thirty (30) days prior to Closing (the "**CHOW Notice**") and to Seller's SNF residents at least ninety (90) days prior to

Closing. Seller is also required to provide written notice to CDPH of the Transaction. Purchaser and Seller shall jointly approve the notices set forth in this Section.

10.4. CHOMs. [**UNDER DISCUSSION**] On or prior to the expiration of the Due Diligence Period, Purchaser shall submit change of manager applications to DSS with respect to the RCFE License and COA, and CDPH with respect to the SNF License pursuant to which Purchaser will become the manager of the Facility as approved by DSS and CDPH. During the Due Diligence Period, the parties will agree upon a mutually agreeable form of management agreement pursuant to which Purchaser will manage the Facility prior to Closing.

10.5. Employees.

10.5.1. At the Closing Date, Seller shall terminate all of the Active eEmployees⁵ of the Facility and shall pay to them any accrued wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before Closing Date. ~~At least three (3) business days preceding the Closing Date, Purchaser shall offer to employ after the Closing Date substantially all of the employees of the Facility conditioned only on the occurrence of the Closing Date (the "Hired Employees"). Effective as of the Closing Date, Purchaser, or its management agent will retain and hire all Hired Employees and will recognize for each Hired Employee his or her original hire date with Seller. The parties hereto agree that, notwithstanding anything to the contrary contained in this Agreement, Purchaser shall hire that number or percentage of employees and upon such terms so as to avoid applicability of the Worker Adjustment Retraining and Notification Act and any other applicable laws or regulations requiring notice prior to plant or facility closings or a mass layoff, due to the transaction contemplated hereby and by this Agreement. Purchaser acknowledges and agrees that Seller is relying on Purchaser's agreement as set forth in this Section 10.2 in not giving notice to the employees of the Facility of the Transaction provided for herein under the provisions of the WARN. Buyer is not obligated to hire any Active Employee, but may hire any Active Employees in its sole discretion. Effective immediately before the Closing, Seller will terminate the employment of all of the Active Employees who work at the Facility, shall provide whatever WARN Act notices are required in connection with such layoff, if any, and shall hold Purchaser harmless from any WARN Act liabilities that result from Seller's termination of the employees or Purchaser's failure to hire a sufficient number of terminated employees. Nothing in this Agreement shall be deemed to prevent or restrict in any way the right of Purchaser to make any and all employment-related decisions with respect to Active Employees after the Closing Date.~~

10.5.2. Salaries and Benefits.

10.5.2.1. Seller shall be responsible for: (A) the payment of all wages and other remuneration due to Active Employees for their services as employees of Seller through the

⁵ The term "Active Employees" shall mean all employees employed on the Closing Date exclusively in the Business as currently conducted, including employees on temporary leave of absence, including family medical leave, military leave, temporary disability or sick leave, but excluding employees on long-term disability leave.

conclusion of Active Employees' employment with Seller, including pro rata bonus and commission payments and all vacation, paid time off and sick leave pay obligations to the extent accrued prior to the Closing Date; (B) the payment of any termination or severance payments and the provision of health plan continuation coverage in accordance with the requirements of COBRA and Sections 601 through 608 of ERISA; (C) any and all payments to employees required under the WARN Act, if any; and (D) compliance with IRS §409A, if applicable.

10.5.2.2. Seller shall be liable for any claims made or incurred by Active Employees and/or their beneficiaries through the Closing Date, including, but not limited to, claims made under any law or under the Plans, and Seller agrees to indemnify and to hold Purchaser harmless from any costs incurred related thereto, including attorneys' fees. For purposes of the immediately preceding sentence, a claim will be deemed incurred when the conduct that is the subject of the claim occurs or when services that are the subject of the claim are performed and, in the case of other benefits (such as disability or life insurance), when an event has occurred or when a condition has been diagnosed that entitles the employee to the benefit.

10.5.2.3. Seller's Retirement and Savings Plans. All Active Employees who are participants in Seller's retirement plan shall retain their accrued benefits under Seller's retirement plans as of the Closing Date, and Seller (or Seller's retirement plans) will retain sole liability for the payment of such benefits as and when such Active Employees become eligible therefor under such plans. All Active Employees will become fully vested in their accrued benefits under Seller's retirement plans as of the Closing Date, and Sellers will so amend such plans if necessary to achieve this result

10.5.2.4. No Transfer of Assets. Seller will not make any transfer of pension or other employee benefit plan assets to Purchaser.

10.5.2.5. Employment Matters. Purchaser will set its own initial terms and conditions of employment for each hired Active Employee and others it may hire, including employment policies and practices, work rules, benefits and salary and wage structure, all as permitted by Law. Seller will be solely liable for any severance payment required to be made to their employees due to the transactions contemplated by this Agreement.

10.5.2.6. General Employee Provisions.

10.5.2.6.1. Seller shall give any notices required by Law and take whatever other actions with respect to the plans, programs and policies described in this Section 10.5.2 as may be necessary to carry out the arrangements described in this Section 10.5.2.

10.5.2.6.2. Seller shall provide Purchaser with such plan documents and summary plan descriptions; employee data or other information as may be reasonably required to carry out the arrangements described in this 10.5.2.

10.5.2.6.3. Seller shall provide Purchaser with completed I-9 forms and attachments with respect to all hired Active Employees, except for such employees as Seller certify in writing to Purchaser are exempt from such requirement.

10.5.2.6.4. Purchaser shall not have any responsibility, liability or obligation, whether to Active Employees, former employees, their beneficiaries or to any other Person, with respect to any employee benefit plans, practices, programs or arrangements (including the establishment, operation or termination thereof and the notification and provision of COBRA coverage extension) maintained by Seller.

10.5.2.6.5. At-Will Employment. No provision of this Agreement shall be construed as a guarantee of continued employment of any manager or other employee of Seller, and this Agreement shall not be construed so as to prohibit Purchaser from having the right to terminate the employment of any such employee, subject to any Law or contractual obligations.

10.5.3. To the extent permitted by applicable law, Seller shall deliver to Purchaser the full and complete employment file for all Active eEmployees hired by Purchaser in Seller's possession, including, but not limited to, ~~that may be limited to~~ training records, licenses and certifications, criminal background check results, performance reviews, and other required documents, in connection with Purchaser's review and investigation of prospective employment of Seller's Active Employees. Seller shall have satisfied its obligations under this **Section 10.5.2** as long as all of such employee records are present at the Facility during the 30 day period prior to ~~on~~ the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.6. Bulk Sales Laws. The parties hereby waive compliance with the provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Seller's Assets to Purchaser; it being understood that any liabilities arising out of the failure of Seller to comply with the requirements and provisions of any bulk sales, bulk transfer or similar Laws of any jurisdiction which would not otherwise constitute Assumed Liabilities shall be treated as Excluded Liabilities.

~~10.5.2.~~

~~10.6.—Accounts Receivable:~~

~~10.6.1. Within ten (10) days prior to the Closing Date, Seller shall provide Purchaser with a detailed listing of Seller's accounts receivable which arose from the provision of goods or services prior to the Closing Date and are anticipated to be outstanding on the Closing Date (the "Pre-Closing AR Schedule"), and Seller shall provide Purchaser with an update to such schedule as of the Closing Date as soon as possible post-Closing.~~

~~10.6.2. Except as set forth in the OTA between Seller and Purchaser, from and after the Closing Date, Purchaser, or its management agent shall assume responsibility for the billing for and collection of payments on account of services rendered or goods sold by Purchaser on and after the Closing Date and Seller shall retain all right, title and interest in and to and all responsibility for the collection of its accounts receivable for services rendered or goods sold prior to the Closing Date.~~

~~10.6.3. Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying~~

~~remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services prior to the Closing Date, they shall either be retained by Seller if received by Seller, or if they have been received by Purchaser, they shall be remitted to Seller, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.~~

~~10.6.4. Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services from and after the Closing Date, they shall either be retained by Purchaser if received by Purchaser, or if they have been received by Seller, they shall be remitted to Purchaser, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.~~

~~10.6.5. Except as set forth in the OTA, if any payments are received by Purchaser after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to then current amounts owed the Purchaser to reduce post Closing Date balances and Purchaser shall remit to Seller any excess up the amount due Seller for pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) within five (5) Business Days after receipt.~~

~~10.6.6. Except as set forth in the OTA, if any payments are received by Seller after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) and Seller shall remit the excess, if any, to Purchaser to reduce any post-Closing Date balances within five (5) Business Days after receipt.~~

~~10.6.7. Seller shall have the right during normal business hours and on reasonable notice to Purchaser to inspect Purchaser's books and records with respect to the accounts receivable received by it after the Closing Date from residents with balances due as of the Closing Date.~~

10.7. Access to Records.

10.7.1. From and after the Closing Date and, except as otherwise specifically provided below, for a period of seven (7) years thereafter, Purchaser shall allow Seller and their agents and representatives to have reasonable access to (upon reasonable prior written notice and during normal business hours), and to make copies of (at Seller's expense), the books and records and supporting material of the Facility relating to the period prior to the Closing Date which are in Purchaser's possession, to the extent reasonably necessary to enable Sellers to among other things investigate and defend malpractice, employee or other claims and to file or defend cost reports and tax returns.

10.7.2. Seller shall have the right, at its sole cost and expense, within three (3) days of the delivery of a request therefor to Purchaser to enter the Facility and remove originals or copies of any of the records delivered to Purchaser for purposes of litigation involving a resident or employee to whom such record relates. If an officer of or counsel for Seller certifies that an original of such record must be produced in order to comply with applicable law or the order of a court of competent jurisdiction in connection with such litigation then the records so removed shall be an original. Any record so removed shall promptly be returned to Purchaser following its use, and nothing herein shall be interpreted to prohibit Purchaser from retaining copies of any such documents. All cost of making such copies shall be for the account of Seller. Upon request of Seller, Purchaser shall cooperate with such requests and shall make its employees available to comply with such requests and assist in responding to such litigation requests provided that their availability is requested during normal business hours and does not interfere with the performance of their duties for Purchaser. In the event such use of Purchaser's employees to assist Seller is more than de minimis, Seller shall pay Purchaser's costs for the employee time spent assisting Seller.

10.8. Operating Contracts. Purchaser shall review the Operating Contracts and inform Seller during the Due Diligence Period which of such Operating Contracts Purchaser desires to assume effective as of the Closing Date (the "**Designated Operating Contracts**") provided that Purchaser hereby agrees to assume the existing [REDACTED] contracts which contracts shall be deemed to be Assumed Operating Contracts. Purchaser shall use commercially reasonable efforts to obtain any third party consents required in connection with the assignment to Purchaser of the Designated Operating Contracts, it being understood and agreed that (i) if a Designated Operating Contract requires consent of the counterparty to be assigned to Purchaser, such Designated Operating Contract shall not be assigned unless and until the requisite consent is received and (ii) if any principal or affiliate of Seller has guaranteed the obligations of Seller under any Designated Operating Contract, the same shall not be assigned to Purchaser unless and until the guarantor has been released from his/her/its guaranteed obligations effective from and after the Closing Date. Effective as of the Closing Date, the Designated Operating Contracts that may be assigned hereunder shall be referred to herein as the "Assumed Operating Contracts." At Closing, [subject to 5.1.1 \(I\)](#), Seller shall (i) assign the Assumed Operating Contracts to Purchaser pursuant to the Assignment and (ii) terminate any Operating Contracts which are not Assumed Operating Contracts hereunder.

11. Termination and Remedies.

11.1. Termination. This Agreement may be terminated as follows:

11.1.1. By mutual written agreement of Purchaser and Seller;

11.1.2. By Seller, if any of the conditions set forth in **Section 5.2** are not fulfilled on the Closing Date, unless resulting from a material breach by Seller of its obligations hereunder, and the same shall not have been waived in writing by Seller;

11.1.3. By Purchaser, if any of the conditions set forth in **Section 5.1** are not fulfilled on the Closing Date, unless resulting from a material breach by Purchaser of its obligations hereunder, and the same shall not have been waived in writing by Purchaser;

11.1.4. By Seller in the event of a material default by Purchaser of its obligations hereunder or by Purchaser in the event of a material default by Seller of its obligations hereunder;
or

11.1.5. By Purchaser pursuant to **Section 9.2** (Damage or Condemnation).

11.2. Opportunity to Cure. No Party to this Agreement may claim termination or pursue any other remedy referred to in this Section on account of a breach of a condition, covenant or warranty by the other Party, without first giving the other Party written notice of such breach and not less than ten (10) days within which to cure such breach. The Closing Date shall be postponed for up to ten (10) days if necessary to afford such opportunity to cure.

11.3. Seller's Remedies Upon Termination. In the event Seller has the right to terminate this Agreement under **Section 11.1.2, or Section 11.1.4**, Purchaser and Seller acknowledge and agree as follows:

SELLER SHALL BE ENTITLED TO TERMINATE THIS AGREEMENT AND TO RETAIN THE DEPOSIT AND ANY INTEREST ACCRUED THEREON AS SELLER'S SOLE AND EXCLUSIVE REMEDY AND ALL ACCRUED INTEREST THEREON AS LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGING AND AGREEING THAT THE AMOUNT OF DAMAGES WHICH SELLER MAY INCUR AS A RESULT OF SUCH TERMINATION MAY BE DIFFICULT TO ASCERTAIN AND THAT THE DEPOSIT (OR SO MUCH THEREOF AS MAY, AT THE TIME OF TERMINATION, HAVE BEEN DELIVERED BY PURCHASER TO ESCROW AGENT IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT) IS A REASONABLE AND FAIR ESTIMATE THEREOF, AFTER WHICH THE PARTIES SHALL HAVE NO FURTHER RIGHTS OR OBLIGATIONS HEREUNDER OTHER THAN THOSE RIGHTS AND OBLIGATIONS, IF ANY, WHICH SPECIFICALLY SURVIVE TERMINATION OF THIS AGREEMENT.

11.4. Purchaser's Remedies Upon Termination. In the event Purchaser has the right to terminate this Agreement under **Sections 11.1.3 or Section 11.1.5**, Purchaser shall have the right either to (i) waive the condition or covenant or breach at issue and proceed with the Transaction on the terms contemplated herein, or (ii) seek specific performance of Seller's obligations hereunder, or (iii) terminate this Agreement and secure the return of the Deposit and any accrued interest thereon.

11.5. Other Termination Provisions. In the event this Agreement is terminated pursuant to **Sections 11.1.1** (mutual agreement) or **Section 11.1.5** (damage or condemnation), then the Deposit and any accrued interest thereon shall immediately be refunded and returned to Purchaser.

11.6. Post-Termination. Following the conveyance of the amounts due to the appropriate Party under this **Section 11**, neither Party shall have any further rights or obligations hereunder other than those rights and obligations, if any, which specifically survive termination of this Agreement.

12. Notices. All notices, demands or other communications given hereunder shall be in writing and shall be given by (a) messenger or overnight express delivery service, (b) certified mail return receipt requested, postage prepaid, at a post office maintained by the United States Postal Service, or (c) by electronic transmission with confirmed receipt, addressed as follows:

Any notice sent in accordance with the provisions of this **Section 12**, shall be deemed received upon the actual receipt or refusal of receipt thereof regardless of the method of delivery used. Any Party may, by notice given as aforesaid, change the address or addresses, or designate an additional

address or additional addresses, for its notices, provided, however, that no notice of a change of address shall be effective until actual receipt of such notice. Each Party covenants and agrees that simultaneously with sending any notice pursuant to this **Section 12** it will use reasonable good faith efforts to send a copy of such notice to the addressee thereof by email, at the email address set forth above or such other email address as a Party may designate in writing given to the other parties pursuant to this **Section 12**; provided that in no event shall any notice sent by email be effective as a notice under this Agreement unless receipt is confirmed, and the failure of any Party to deliver any notice pursuant to email shall not affect the validity of any notice that is sent pursuant to this **Section 12**.

13. **Indemnities.**

13.1. By Seller to Purchaser. From and after the Closing Date, Seller shall indemnify, defend and hold Purchaser harmless from and against any and all costs, losses, damages, liabilities, claims and obligations, including, but not limited to, reasonable attorneys' fees (the "**Losses**") arising from or related to: (a) the ownership and operation of the Seller's Assets prior to the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Purchaser, the designee of Purchaser to operate the Facility, or any affiliate of Purchaser; and (b) any material misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part of Seller under this Agreement.

13.2. By Purchaser to Seller. From and after the Closing Date, Purchaser shall indemnify, defend and hold Seller harmless from and against any and all Losses arising from or related to: (a) the ownership and operation of the Seller's Assets from and after the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Seller or any affiliate of Seller; (b) any misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part of Purchaser under this Agreement; and (c) against any and all Losses which Seller may incur as a result of physical damage or injury to any person or property as a result of the acts or omissions of Purchaser or its agents or employees while performing the Due Diligence Investigation with respect to the Seller's Assets.

13.3. Method of Indemnification.

13.3.1. In the event that any claim for Losses (a "**Claim**") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "**Indemnitee**") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "**Indemnitor**") in writing of Indemnitee's Claim and shall endeavor to do so reasonably promptly after becoming aware of the same; provided, however, that unless the Indemnitee's failure to timely notify the Indemnitor of Indemnitee's Claim materially prejudices Indemnitor's ability to defend any such Claim as more particularly set forth below, Indemnitee's failure to timely notify Indemnitor of Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect subject to the applicable terms hereof. If the Indemnitee fails to provide timely

notice of Indemnitee's Claim, the Indemnitor will not be obligated to indemnify the Indemnitee with respect to such Claim to the extent (and only to the extent) that the Indemnitor's ability to defend such Claim has been materially prejudiced by such failure of the Indemnitee to timely notify Indemnitor of the same.

13.3.2. If the applicable Indemnitee Claim relates to a Claim made by a third party against Indemnitee, then the Indemnitor at its sole cost and expense shall defend, with counsel reasonably satisfactory to the Indemnitee, such Claim by all appropriate proceedings, which proceedings will be diligently prosecuted to a final conclusion or will be settled at the discretion of the Indemnitor (with the consent of the Indemnitee, which shall not be unreasonably withheld and which shall be deemed to be provided if such settlement provides a release to the Indemnitee without the payment of any amount or the taking of any action or admission of liability by the Indemnitee). The Indemnitee will cooperate in such defense at the sole cost and expense of the Indemnitor. Notwithstanding the foregoing, if the named parties to any proceeding include both the Indemnitee and the Indemnitor and, in the reasonable opinion of counsel to the Indemnitee, representation of both parties by the same counsel would be in conflict or otherwise inappropriate due to actual or potential differing interests between them, then the Indemnitee shall be entitled to retain separate counsel for the Indemnitee, at the expense of the Indemnitor (provided that the costs and expenses of such separate counsel are reasonable).

13.4. Survival. All covenants, indemnities, warranties and representations of Purchaser and Seller herein shall survive the Closing and shall continue in effect for a period of four (4) years with respect to Core Representations⁶ and a period of eighteen (18) month for all others, ~~six (6) months after the Closing Date,~~ after which they shall terminate and be of no further force or effect except with respect to claims made within such ~~such six (6) month~~ period, in which case the applicable covenant, indemnity, warranty and/or representation shall survive until the full and final resolution thereof (the "**Survival Period**"). In addition, Purchaser's indemnity in **Section 13.2** shall survive the termination of this Agreement for the Survival Period.

13.5. Limitations. Except as otherwise specifically set forth in this Section neither Seller nor Purchaser shall have any right to seek indemnity against the other Party pursuant to **Section 13.1** or **Section 13.2** either (A) where the claim is made after the Survival Period or (B) unless the amount of such indemnity claim, individually or when taken together with all other such indemnity claims hereunder, is at least equal to Twenty-Five-Ten Thousand and No/100 Dollars (\$2510,000.00) (the "**Indemnity Floor**"), after which the Indemnitor shall be responsible for any such Indemnitee's Claims on a first dollar basis, or (C) for any such indemnity claims hereunder in an aggregate amount in excess of One Million Two Hundred Thousand and No/100 Dollars (\$1,200,000.00) (the "**Indemnity Cap**"). Attorneys' fees arising out of any indemnified third party claim shall be subject to such Indemnity Cap, provided, that any attorneys' fees and costs payable to the prevailing Party arising out of any dispute between Seller and Purchaser hereunder, including, without limitation, to enforce any Indemnitee Claim, shall not be subject to the Indemnity Cap. Notwithstanding anything to the contrary set forth in **Section 13.4** or **Section 13.5**, (i) neither the Indemnity Floor nor the Indemnity Cap shall apply in the case of claims that allege

⁶ Core Representations means any representations, warranties and covenants contained in Sections 7.1, 7.2, 7.10, 7.14, 7.18, 7.22, 7.23 and 7.24.

fraud on the part of the Party named therein, or (ii) the prorations and adjustments to be made pursuant to **Section 6** hereof.

14. Confidentiality and Non-Solicitation

14.1. Confidentiality. Sellers and acknowledges that Purchaser may be irreparably damaged if the confidential knowledge and information possessed or hereafter acquired by Seller relating to Purchaser or the Business (which shall include the terms of this Agreement and other agreements delivered pursuant to this Agreement and all other non-public information regarding Purchaser and/or the Business, including, without limitation, trade secrets or technology/inventions now known or hereafter discovered, and information reflecting or pertaining to research, developments, techniques, purchasing, marketing, business plans and strategies, accounting, licensing, know-how, methods, projects, processes, computer hardware and programs, software libraries, databases, compositions, discoveries, cost systems, personnel data, customer lists, business partner names and lists (including, but not limited to, vendors, suppliers, licensees, licensors, franchisees, referral sources, and consultants), training, the particular needs and requirements of customers and/or business partners, the identity of customers and potential customers, business partners and potential business partners, pending business transactions, pricing for customers or potential customers, pricing of business partners or potential business partners, Purchaser's policies and procedures, equipment and materials used by Purchaser, methods used in the recruiting or placement of personnel by Purchaser, and methods and marketing of products or services by Purchaser) were disclosed to or utilized on behalf of others. Accordingly, Seller and shall not, directly or indirectly: (i) disclose to any Person any non-public information concerning the Business or any of the terms of this Agreement or the other agreements delivered pursuant to this Agreement, for any reason or purpose whatsoever; or (ii) make use of any such non-public information for Seller's own purpose or for the benefit of any Person (other than Purchaser).

14.2. For a period of three years after the Closing Date, Seller shall not, directly or indirectly:

14.2.1. solicit the business of any Person who is a customer of Purchaser for the benefit of anyone other than the Purchaser with respect to the Business or the any other business of Purchaser;

14.2.2. cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Purchaser to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser;

14.2.3. cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of Sellers on the Closing Date or within the year preceding the Closing Date to cease doing business with Purchaser, to deal with any competitor of Purchaser or in any way interfere with its relationship with Purchaser; or

14.2.4. hire, retain or attempt to hire or retain any employee or independent contractor of Purchaser or in any way interfere with the relationship between Purchaser and any of its employees or independent contractors.

14.3. If, at the time of enforcement of this Section 14, a court holds that the restrictions stated herein are unreasonable under the circumstances then existing, the parties agree that the maximum period, scope or geographical area reasonable under such circumstances shall be substituted for the stated period, scope or area so as to protect Purchaser to the greatest extent possible under applicable law from improper competition. The parties hereto acknowledge that money damages would be an inadequate remedy for any breach of this Section 14 and that Purchaser would be irreparably damaged if any party were to breach the covenants set forth in this Section 14. Therefore, in the event of a breach or threatened breach of this Section 14, Purchaser, or their respective successors or assigns may, in addition to other rights and remedies existing in their favor, apply to any court of competent jurisdiction for specific performance and/or injunctive or other relief in order to enforce, or prevent any violations of, the provisions of this Section 14 (without posting a bond or other security). If Purchaser prevails in any legal proceedings to enforce this Agreement, then Purchaser is also entitled to recover its costs and fees incurred, including reasonable attorney's fees and out-of-pocket costs.

14.4. Seller acknowledges that the foregoing restrictions are supported by sufficient consideration and other benefits that they have received and will receive hereunder. They also acknowledge that the restrictions protect against unfair competition and that the restrictions do not prevent them from earning a living given their education, skills, and ability. Seller agrees and acknowledge that (i) Purchaser has required that Seller make the covenants set forth in this Section 6.1 as a condition to Purchaser's obligations to consummate the transactions contemplated hereby; and (ii) the provisions of this Section 6.1 are reasonable and necessary to protect and preserve the Business.

14.15. Miscellaneous.

~~14.1.~~15.1. Entire Agreement. This Agreement, including the Exhibits and Schedules attached hereto, constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof, and supersede all prior discussions, negotiations or writings with respect to such subject matter, including, but not limited to, that certain Letter of Intent executed as of March 29, 2022. This Agreement may not be modified, amended or cancelled except pursuant to the terms hereof or an instrument in writing signed by the Parties. The Schedules and Exhibits annexed hereto are hereby incorporated herein by reference as fully as though set forth herein.

~~14.2.~~15.2. Time is of the Essence. Time is of the essence with respect to all terms, conditions, provisions and covenants of this Agreement.

~~14.3.~~15.3. Waiver. No waiver of any term, provision or condition of this Agreement shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

~~14.4.~~15.4. Public Announcements. Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and to issue no press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written approval of the other party, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders.

~~14.5.~~15.5. Attorneys' Fees in the Event of Litigation. Except as provided otherwise in this Agreement, in the event any dispute between the Parties results in litigation, the prevailing Party shall be reimbursed for all reasonable costs, including, but not limited to, reasonable attorneys' fees and consultants' fees and reimbursable costs and expenses, whether at trial, upon appeal or otherwise.

~~14.6.~~15.6. Jurisdiction; Venue. **THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS RULES OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.**

~~14.7.~~15.7. Waiver of Jury Trial. **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.**

~~14.8.~~15.8. Headings and Business Day. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement. Any day other than a Saturday, Sunday or other day on which commercial

banks are authorized to close under the laws of the State of California is defined herein as either "Business Day".

~~14.9.~~15.9. Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

~~14.10.~~15.10. Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the Parties; provided however, that (i) Seller shall not assign this Agreement without the prior written consent of Purchaser, and (ii) Purchaser shall not assign this Agreement without the prior written consent of Seller, other than an assignment to an entity owned or controlled by or under common control with Purchaser. Any assignment not permitted hereunder and undertaken without such prior written consent shall be deemed null and void.

~~14.11.~~15.11. Further Assurances. Between the Execution Date and the Closing Date, neither Seller nor Purchaser shall take any action which is inconsistent with its obligations under this Agreement. Further, whether prior to or after Closing, Seller and Purchaser shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the Party so executing and delivering said instrument.

~~14.12.~~15.12. Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but each term and provision shall be valid and be enforced to the fullest extent permitted by law.

~~14.13.~~15.13. Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, "any" shall mean "any and all", "or" shall mean "and/or", and "including" shall mean "including without limitation".

~~14.14.~~15.14. No Strict Construction. The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any of the Parties.

~~14.15.~~15.15. Confidentiality. Purchaser and its parent, subsidiary and affiliate entities will obtain access to confidential information of Seller that could cause material and irreparable damage to the business prospects of the Seller in the event that such information is disclosed or otherwise used if the Transaction contemplated in this Agreement is not concluded. Purchaser shall maintain the confidentiality of any information concerning the Seller which it obtains during its Due Diligence Review and shall return any Due Diligence Materials to Seller in the event the Transaction fails to close for any reason.

~~14.16.~~15.16. Calculation of Time Periods. Unless otherwise specified, (a) in computing any period of time described herein, the day of the act or event on which the designated period of time begins to run shall not be included and the last day of the period so computed shall be included and (b) if the last day of any period or any date otherwise specified hereunder is a Saturday, Sunday or legal holiday, the period shall run until, or such date shall be automatically revised to, the next day which is not a Saturday, Sunday or a legal holiday. Further, unless otherwise specified, any reference to a specified number of days shall be deemed to refer to calendar days. This obligation shall survive the Closing or termination of this Agreement.

~~14.17.~~15.17. Exhibits and Schedules. If any exhibits or schedules are not attached hereto, the Parties agree to attach such exhibits and schedules as soon as reasonably practicable and that it shall be a condition to the non-preparing Party's obligations hereunder that any Exhibits and Schedules attached hereto after the Execution Date shall be subject to the review and approval of the non-preparing Party. The Parties hereto agree that the Party charged with providing an exhibit or schedule to this Agreement shall, to the extent necessary after delivery thereof (but subject to the following sentence) amend and/or supplement all exhibits and schedules in order for the same to be current, true and correct as of the Closing Date. In furtherance and not in limitation of the foregoing, Purchaser acknowledges and agrees that the pendency of the Transaction provided for in this Agreement may, from time to time, require Seller to amend and/or supplement the exhibits and schedules attached hereto, provided that no such amendment or supplement shall be effective or modify the representations and warranties herein unless approved by Purchaser in its reasonable discretion.

~~14.18.~~15.18. Third Party Beneficiary. Nothing in this Agreement express or implied is intended to and shall not be construed to confer upon or create in any person (other than the Parties) any rights or remedies under or by reason of this Agreement, including without limitation, any right to enforce this Agreement.

~~14.19.~~15.19. 1031 Exchange. Purchaser and Seller acknowledge that either Party may wish to structure this transaction as a tax deferred exchange of like kind property within the meaning of Section 1031 of the Internal Revenue Code. Each Party agrees to reasonably cooperate with the other Party to effect such an exchange; provided, however, that (a) the cooperating Party shall not be required to acquire or take title to any exchange property, (b) the cooperating Party shall not be required to incur any expense or liability whatsoever in connection with the exchange, including, without limitation, any obligation for the payment of any escrow, title, brokerage or other costs including attorneys' fees incurred with respect to the exchange, (c) no substitution of the effectuating Party shall release said Party from any of its obligations, warranties or representations set forth in this Agreement or from liability for any prior or subsequent default under this Agreement by the effectuating Party, its successors, or assigns, which obligations shall continue as the obligations of a principal and not of a surety or guarantor, (d) the effectuating Party shall give the cooperating Party at least ten (10) Business Days prior notice of the proposed changes required to effect such exchange and the identity of any Party to be substituted in the escrow, (e) the effectuating Party shall be responsible for preparing all additional agreements, documents and escrow instructions (collectively, the "**Exchange Documents**") required by the exchange, at its sole cost and expense, (f) the effectuating Party shall be responsible for making all determinations as to the legal sufficiency, tax considerations and other considerations relating

to the proposed exchange, the Exchange Documents and the transactions contemplated thereby, and the cooperating Party shall in no event be responsible for, or in any way be deemed to warrant or represent any tax or other consequences of the exchange transaction, and (g) the election to effect such an exchange shall not delay the Closing of the transaction as defined herein.

~~14.20.~~15.20. Exclusivity. Unless this Agreement shall be terminated by Seller or Purchaser as provided herein, neither Seller nor any member, manager, officer, director, employee, authorized representative or agent of Seller shall, directly or indirectly, solicit, seek, enter into, conduct or participate in any discussions or negotiations, or enter into any agreement with any person or entity, regarding the sale, lease or other transfer of all or any portion of the Seller's Assets.

~~14.21.~~15.21. Brokerage Commissions. Each of the Parties hereby represents, covenants, and warrants to the other that neither has employed any broker or finder in connection with the Transaction. Each Party agrees to indemnify and hold harmless the other from and against all liability, claims, demands, damages or costs of any kind, including attorneys' fees, arising from or connected with any broker's commission or finder's fee or commission or charge claimed to be due any other person arising from the Party's conduct with respect to the Transaction. This **Section 14.21** shall survive Closing.

FORM OF ASSIGNMENT

ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement (this "**Agreement**") is made and entered into effective as of the ____ day of _____, 2022 (the "**Effective Date**"), by and between HUMANGOOD SOCAL, a California non-profit public benefit corporation ("**Assignor**"), and _____ ("**Assignee**").

RECITALS

A. Assignor is the owner and operator of that certain continuing care retirement community commonly known as "Windsor" and "Windsor Manor", and located at 1230 E. Windsor Road, Glendale, CA (the "**Facility**").

B. Assignor, as Seller, has entered into that certain Purchase and Sale Agreement dated as of _____, 2022 (the "**Purchase Agreement**") pursuant to which Assignor has agreed to transfer and assign to Assignee all of Assignor's right title and interest in and to the Operating Contracts listed on Exhibit A hereto and the Resident Agreements (collectively, the "**Assumed Contracts**permits").

C. Assignor and Assignee are desirous of documenting the terms and conditions under which said assignment and assumption will occur.

D. Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants of the parties set forth herein, IT IS HEREBY AGREED AS FOLLOWS:

AGREEMENT

1. Assignment. Assignor does hereby sell, assign, transfer and convey to Assignee all of Assignor's right, title and interest, if any, in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or of its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or of its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

2. Assumption. Assignee does hereby accept the sale, assignment, transfer and conveyance of Assignor's right, title and interest in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or its officers, employees,

contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

3. Governing Law; Amendment. This Agreement shall be governed by and construed in accordance with the laws of the State of California, and may not be amended or modified except by written instrument signed by the parties hereto.

4. Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

5. Attorneys' Fees. In the event of a dispute among the parties hereto with respect to the subject matter hereof, the prevailing party in any such dispute shall be entitled to collect from the other any and all attorneys' fees and costs.

6. Entirety. This Agreement represents the entire agreement of the parties hereto with respect to the subject matter hereof, it being understood and agreed that nothing herein shall affect the rights and obligations of Assignor and Assignee under the Purchase Agreement. This Agreement shall be subject to and governed by the terms and conditions of the Purchase Agreement. Notwithstanding any other provision of this Agreement, no provision of this Agreement shall in any way modify, amend, replace, change, rescind, waive, enlarge or in any way affect the express provisions (including the warranties, covenants, agreements, conditions, representations, or any of the obligations and indemnifications of the parties hereto) set forth in the Purchase Agreement, this Agreement being intended solely to effect the transfer and assignment of certain rights sold and purchased pursuant to and in accordance with the Purchase Agreement.

7. Notices. Any notice, request or other communication to be given by either party hereunder shall be in writing and shall be sent to the parties and in the manner specified in the Purchase Agreement.

8. Severability. Should any one or more of the provisions hereof be deemed to be invalid or unenforceable said determination shall not affect the validity or enforceability of the remaining terms hereof.

9. Captions. The captions in this Agreement have been inserted for convenience of reference only and shall not be construed to define or to limit any of the terms or conditions hereof.

Windsor Road, Glendale, CA (the "**Facility**").

B. Purchaser is the owner of and has experience operating a senior care community.

C. Seller is interested in selling the Real Property, the Facility and the operations thereof to Purchaser and Purchaser is interested in purchasing the Real Property, the Facility and the operations thereof from Seller (the "**Transaction**").

D. The Parties are interested in documenting the terms and conditions on which the Transaction would occur.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and provisions herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto (the "**Parties**" and each a "**Party**") hereby covenant and agree as follows:

1. Purchase and Sale.

1.1. Seller's Assets. On the terms and conditions set forth herein, on the Closing Date (as defined below) Seller shall sell to Purchaser and Purchaser shall purchase from Seller the following:

1.1.1. The Real Property, and the Facility, together with all tenements, hereditaments, rights, privileges, interests, easements (both benefitting and burdening such Real Property) and appurtenances now or hereafter belonging or in any way pertaining thereto;

1.1.2. All fixtures attached or appurtenant to the Real Property and the Facility;

1.1.3. All furnishings and equipment, including, but not limited to, tools, machinery, appliances, bed linens, inventory, food, housekeeping supplies, and all other tangible personal property located on or about the Real Property and the Facility which is owned by Seller (collectively, the "**Personal Property**");

1.1.4. To the extent assignable, all of the permits, licenses, approvals, entitlements, certifications and other governmental and quasi-governmental authorizations including, without limitation, bed rights, certificates of occupancy and other similar permits relating to all or any part of the Real Property and the Facility, and all amendments, modifications, supplements, general conditions and addenda thereto, required in connection with the ownership and the operation of the Facility;

1.1.5. To the extent in the possession of Seller or under the control of Seller, digital copies of all reports, drawings, plans, blueprints, studies, specifications, certificates of occupancy, building permits and grading permits relating to all or any part of the Real Property or the Facility and all amendments, modifications, supplements, general conditions and addenda thereto;

1.1.6. All warranties, representations and guaranties with respect to the ownership and operation of the Real Property and the Facility, whether express or implied, which Seller now holds or under which Seller is the beneficiary (the "**Warranties**");

1.1.7. All of Seller's legal and equitable claims, causes of action, and rights, if any, against the architects, engineers, designers, contractors, subcontractors, suppliers and materialmen and any other party who has supplied labor, services, materials or equipment, directly or indirectly, in connection with the design, planning, construction or ownership of all or any part of the Real Property or the Facility (the "**Claims**");

1.1.8. All other intangible personal property of every kind and nature whatsoever owned by the Seller as of the date of this Agreement or hereafter acquired, which can be legally transferred and which relate directly to the ownership and operation of the Real Property and the Facility;

1.1.9. The vehicle described in **Schedule 1.1.9** (the "**Vehicle**");

1.1.10. The goodwill associated with operations at the Facility, as well as all related tangible and intangible personal property which the Seller uses in the conduct of the business of the Facility;

1.1.11. The Resident Agreements and the Assumed Operating Contracts (each as defined below); and

1.1.12. All books, files and records (excluding historical financial records) related to the operation of the Facility, including, but not limited to, original records for current residents and employees of the Facility, but specifically excluding (a) proprietary or organizational document and financial, accounting and/or tax records or Seller, (b) those documents whose disclosure is restricted by applicable law and (c) any records of former residents and employees which may be removed from the Facility by prior to the Closing Date.

Hereinafter the assets described in this **Section 1.1** shall sometimes be collectively referred to as "Seller's Assets."

1.2. Excluded Assets. Purchaser acknowledges and agrees that the Seller's Assets shall not include the following, all of which shall be and remain the property of Seller (the "**Excluded Assets**"):

1.2.1. Seller's cash, including petty cash, or accounts receivable of Seller arising from the operation of the Facility prior to the Closing Date;

1.2.2. Seller's proprietary or organizational document and financial, accounting and/or tax records, including historical financial records;

1.2.3. Seller's rights arising under this Agreement or under any other agreement between Purchaser and Seller;

1.2.4. any insurance policies in the name of either of the entities comprising Seller which are in effect at Closing with respect to any or all of the Seller's Assets;

1.2.5. Seller's deposits (but excluding any deposits from Residents), including utility deposits, and prepaid expenses accruing through the Closing Date, unless and to the extent that Seller is reimbursed therefor on the Closing Date;

1.2.6. any claim, cause of action, or right of recovery or settlement held by Seller against third parties including vendors, relating to the ownership and/or operation of the Facility on or before the Closing Date;

1.2.7. any and all proprietary and confidential materials, rights and information located at and used in connection with the ownership and/or operation of the Facility, including but not limited to, policy and procedure manuals;

1.2.8. any personal property identified on **Schedule 1.2.8** hereto (the "**Excluded Personal Property**");

1.2.9. the name "HumanGood" or "HumanGood SoCal" and any variations thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that Seller and its affiliates will continue to use the name HumanGood and HumanGood SoCal post-Closing. At Closing, Seller will grant to Purchaser a non-exclusive, nontransferable, limited license to use the name "Windsor" and "Windsor Manor" and all associated logos in connection with Purchaser's ownership and management of the Facility post-Closing, which license shall remain in place for a period of ninety (90) days post-Closing, or in the case of the skilled nursing facility ("SNF") that is part of the Facility (the "**Windsor Manor SNF**"), until the date that the California Department of Public Health ("**CDPH**") issues a new skilled nursing facility to Purchaser. The foregoing license provision shall survive the Closing; and

1.2.10. all contracts and agreements to which Seller may be a party in connection with the ownership and operation of the Facility which are not Assumed Operating Contracts.

1.3. Assumption of Liabilities. Except as specifically provided in this Agreement, Purchaser does not hereby or in connection herewith assume any liability of Seller or any other party whatsoever in relation to the Seller's Assets.

2. Purchase Price.

2.1. Purchase Price. The purchase price payable by Purchaser to Seller for the Seller's Assets shall be Fourteen Million Eight Hundred Thousand and No/100 Dollars (\$14,800,000.00) (the "**Purchase Price**"). The Purchase Price shall be payable as follows:

2.1.1. Deposit. Within two (2) business days after the Execution Date, Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Initial Deposit**") with Commonwealth Land Title, 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660 Attention: Kelly Ralph (the "**Escrow Agent**"). Within two (2) business days after the expiration of the Due Diligence Period (as defined below), Purchaser shall deposit Two Hundred Fifty Thousand and no/100 Dollars (\$250,000.00) (the "**Additional Deposit**") with Escrow Agent. The Initial Deposit and Additional Deposit shall be defined herein as the "**Deposit**". In the event the Closing occurs, the Deposit shall be applied against the Purchase Price. In the event the Closing fails to occur, the Deposit shall be remitted to the Seller or to Purchaser as set forth more fully in **Section 11**.

2.1.2. Balance of Purchase Price. The balance of the Purchase Price (plus or minus any costs and proration for which the Seller and/or Purchaser are responsible under the terms hereof) shall be paid by wire transfer of immediately available funds at Closing.

2.2. Allocation of Purchase Price. The Purchase Price shall be allocated among the Seller's Assets in the manner set forth in **Schedule 2.2**.

2.3. Independent Consideration. As consideration for Seller's agreement to enter into this Agreement, Purchaser shall deliver directly to Seller, within two (2) business days following the Execution Date, the sum of One Hundred Dollars (\$100.00) (the "**Independent Consideration**"), which Independent Consideration shall be retained by Seller as Seller's sole property immediately upon receipt thereof and which shall be nonrefundable to purchaser in all events; provided, however, that the Independent Consideration shall be applied to the Purchase Price at Closing.

3. Closing

3.1. Time and Place of Closing. Subject to the satisfaction or waiver of the closing conditions set forth in **Section 5** below, the closing of the Transaction contemplated hereby (the "**Closing**") shall occur on the date that the California Department of Social Services ("**DSS**") approves Purchaser's new Residential Care Facility for the Elderly license ("**RCFE License**") to operate the Facility post-Closing and issues Purchaser a Certificate of Authority ("**COA**") to enter into continuing care contracts with residents of the Facility post-Closing, such approval and issuance occurring on the same date, with documents to be released for recording and the funds

released by Purchaser to Seller on or before 3:00 PM (Pacific Time) and shall be effective at 12:01 am on such date (the "**Closing Date**"); provided that in the event the Closing has not occurred on or before October 31, 2023, Seller shall have the right to terminate this Agreement upon written notice to Purchaser in which case neither party shall have any further rights or obligations hereunder except as expressly provided for herein.

3.2. Closing Process. The Closing shall occur through escrow and accordingly, at or prior to the Closing Date, the Parties shall deposit in escrow with the Escrow Agent all documents and monies necessary to close the transaction as herein provided. Closing shall occur in accordance with the procedures and instructions given by the Parties to the Escrow Agent prior to Closing.

4. Due Diligence; Title and Survey.

4.1. Due Diligence Investigation. During the period (the "**Due Diligence Period**") commencing on the later of the Execution Date and the delivery of all the Due Diligence Items in Seller's possession or control, and ending forty-five (45) days thereafter, Purchaser will have the right, at its sole cost and expense, to conduct such investigations with respect to Seller's Assets as it deems to be necessary in the exercise of its reasonable discretion in connection with its purchase thereof, including without limitation, environmental site assessments, property condition reports, appraisals, engineering tests and studies, physical examinations of the Property, and feasibility studies, as well as inspections of the financial condition and operations of the Facility; provided that no investigations will be physically intrusive on the Real Property or the Facility unless Seller consents thereto, which consent shall not be unreasonably withheld, but which consent may be conditioned on the third party site inspectors, engineers or other parties conducting such invasive testing or inspection, providing Seller with proof of any insurance reasonably required by Seller covering any potential damage done to the Seller's Assets as a result of such inspection/testing (the "**Due Diligence Review**"). Purchaser shall indemnify, defend and hold Seller and Seller's Assets harmless of and from any and all losses, liabilities, costs, expenses (including without limitation, reasonable attorneys' fees and costs of court at trial and on appeal), damages, liens, claims (including, without limitation mechanics' or materialmans' liens or claims of liens), actions and causes of action arising from or relating to Purchaser (or Purchaser's agents, employees, or representatives) entering on the Real Property and/or the Facility to test, study, investigate or inspect the same or any part thereof (except for the discovery of any pre-existing conditions). The foregoing indemnity shall expressly survive the Closing or the earlier termination of this Agreement.

4.2. Due Diligence Materials. In connection with Purchaser's Due Diligence Review, Seller shall provide to Purchaser the documents and information described on **Exhibit A** hereto (the "**Due Diligence Materials**") if and to the extent they are in the possession or under the control of Seller, to be delivered within three (3) days of the execution of this Agreement.

4.3. Title Matters. After the Execution Date, Purchaser will also conduct a review of the condition of title to the Real Property pursuant to the procedures outlined below:

4.3.1. Property Documents. After the Execution Date, to the extent not previously obtained, Seller shall obtain a title report or title commitment (the "**Title Commitment**") for a standard owner's title insurance policy with respect to the Property issued by Commonwealth Land Title (the "**Title Company**"), along with copies of all of the exception documents referenced therein. Purchaser shall have the right, at its own cost and expense, to obtain a zoning compliance letter issued by the local zoning authority or a zoning report issued by a third party provider qualified in the preparation of such reports, an ALTA survey with respect to the Real Property (the "**Survey**") prepared by a surveyor selected by Purchaser, a Phase One Environmental Site Assessment (the "**Phase One**") and Property Condition Report.

4.3.2. Title Objections.

(a) Not later than fifteen (15) days after the receipt of the Title Commitment, Purchaser shall advise Seller in writing of its objections, if any, to the matters reflected in the Title Commitment (a "**Title Document Objection Letter**").

(b) Within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall specify by written notice delivered to Purchaser which of the objections described therein it will correct at or prior to the Closing Date and which of such objections it refuses to correct at or prior to the Closing Date (the "**Seller Title Document Response Notice**"). If Seller fails to deliver a Seller Title Document Response Notice within fifteen (15) days after Seller's receipt of the Title Document Objection Letter, Seller shall be deemed to have refused to correct any of the matters to which Purchaser objected in the Title Document Objection Letter. If Seller refuses to or is deemed to have refused to correct some or all of the matters objected to in the Title Document Objection Letter, Purchaser shall have five (5) days after receipt or deemed receipt of a Seller Title Document Response Notice in which to advise Seller of its decision to terminate this Agreement. If Purchaser does not deliver a notice of termination under this Section, Purchaser shall be deemed to have waived its objections, notwithstanding the defects which Seller has refused to correct. In the event Purchaser elects to terminate this Agreement as a result of the existence of matters contained in the Title Commitment which Seller refuses to correct by Closing, then the provisions of **Section 11** shall apply.

(c) Any matter reflected in the Title Commitment and not objected to by Purchaser or as to which Purchaser waives or is deemed to have waived its objections in accordance with the terms hereof, shall be deemed accepted by Purchaser and shall for purposes hereof be deemed to be the "Permitted Exceptions".

(d) If any update to the Title Commitment issued by the Title Company following the above reveals any additional lien or encumbrance, Purchaser shall have the right to object to the matters contained in such update in accordance with the provisions set forth above with a supplemental property document objection letter, provided that the supplemental property document objection letter may not be delivered later than two (2) business day prior to the scheduled Closing Date.

4.4. Access to Key Employees. Seller agrees to provide Purchaser with access to meet with Seller's executive director and other department heads (and no other employees of the

Facility) during the Due Diligence Period. Such meetings shall be conducted with prior notice to and approval by Seller and in the presence of Seller. Purchaser shall not disclose to other members of Seller's staff or the residents, the existence of this Agreement, or of any proposed sale of the Facility. After the expiration of the Due Diligence Period, Seller shall provide Purchaser with access to the other employees of the Facility, which meetings shall also be conducted with prior notice to and approval by Seller and in the presence of Seller.

5. **Conditions to Closing.**

5.1. **Purchaser's Conditions.** Purchaser's obligation to purchase Seller's Assets hereunder is subject to fulfillment of each of the following conditions, any one or all of which may be waived by Purchaser in writing:

5.1.1. **Closing Deliveries.** Seller shall have delivered to Purchaser or, if applicable, to the Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

(a) A Grant Deed in substantially the form annexed hereto as **Exhibit B** (the "**Deed**") in proper form for recording, duly executed and acknowledged by Seller, sufficient to convey to Purchaser fee simple title to the Real Property, free and clear of all liens and encumbrances, other than the Permitted Exceptions;

(b) A bill of sale executed by Seller in substantially the form annexed hereto as **Exhibit C** (the "**Bill of Sale**") sufficient to convey to Purchaser good and indefeasible title to the remainder of the Seller's Assets, free and clear of all liens, encumbrances and security interests;

(c) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit D** (the "**Assignment**") duly executed by Seller with respect to the Assumed Operating Contracts and the Resident Agreements;

(d) Such title affidavits and indemnities as may be reasonably required by the Title Company in connection with the issuance of the Title Policy (as defined below);

(e) A Foreign Investment in Real Property Tax Act affidavit duly executed by Seller in substantially the form annexed hereto as **Exhibit E**;

(f) A Form 1099-S identifying Seller's gross proceeds and tax identification number, if required by the Escrow Agent;

(g) A certificate, in form and substance reasonably acceptable to Purchaser, of Seller to the effect that the representations and warranties of Seller set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Seller has complied with all covenants of Seller set forth herein;

(h) A counterpart copy of the Seller's "Closing Statement" prepared by the Escrow Agent and approved and signed by Seller;

- (i) Written closing instructions directed to the Escrow Agent;
- (j) Documentation, reasonably acceptable to the Title Company, confirming the authority of Seller to execute and deliver this Agreement and all of the documents described in this **Section 5.1.1** and to consummate the Transaction contemplated hereby;
- (k) An Interim Lease, Interim Management Agreement and OTA; and
- (l) Such other customary closing documents required from the sellers of real estate in the applicable city, state and county in which the Facility is located as Purchaser or the Title Company may reasonably require.

5.1.2. Title Policy. The Title Company shall be irrevocably committed to issue to Purchaser a standard, or if Purchaser has paid the additional cost thereof as contemplated by **Section 6.1.1**, an extended, coverage title insurance policy insuring Purchaser's title to the Real Property as of the Closing Date subject to no exceptions other than the Permitted Exceptions in an amount equal to the part of the Purchase Price allocated to the Real Property and Facility (the "**Title Policy**").

5.1.3. Representations and Warranties. The representations and warranties of Seller contained in this Agreement shall be true and complete in all material respects as of the Closing Date and Seller shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.1.4. Seller's Performance. Seller shall have materially performed all of its obligations under this Agreement that are required to be performed prior to or at Closing.

5.1.5. Licenses and Approvals. Purchaser and/or its designee shall have obtained a RCFE license and a COA from DSS. CDPH shall have received a SNF Change of Ownership application for Windsor Manor SNF from Purchaser that includes the executed Interim Lease and Interim Management Agreements required in **Sections 5.1.1(k)** and **5.2.2(g)**.

5.1.6. Due Diligence Review. Purchaser shall be satisfied in its sole and absolute discretion with the results of its Due Diligence Review; provided, however, that this Agreement shall automatically terminate and neither party shall have any further rights or obligations hereunder, other than Purchaser's right to secure the return of the Deposit, if this condition has not been satisfied by 5:00 PM Pacific Time as of the end of the Due Diligence Period. Purchaser shall provide Seller a written notice (a "**Termination Notice**") on or before 5:00 PM Pacific Time as of the end of the Due Diligence if Purchaser is NOT satisfied with the results of its Due Diligence Review.

5.2. Seller's Conditions. Seller's obligation to sell Seller's Assets hereunder is subject to the fulfillment of each of the following conditions, any one or all of which may be waived by Seller in writing:

5.2.1. Purchase Price. Purchaser shall have delivered to Escrow Agent the Purchase Price due pursuant to **Section 2.1** hereof.

5.2.2. Closing Deliveries. Purchaser shall have delivered to Seller or, if applicable, to Escrow Agent to be held in escrow in accordance with the terms of this Agreement, on or before the Closing Date the following:

- (a) The executed Assignment;
- (b) A certificate, in form and substance reasonably acceptable to Seller, of Purchaser to the effect that the representations and warranties of Purchaser set forth in this Agreement are true and complete in all material respects on and as of the Closing Date and that Purchaser has complied with all covenants of Purchaser set forth herein;
- (c) A counterpart copy of the Purchaser's "Closing Statement" prepared by the Escrow Agent and approved and signed by Purchaser;
- (d) An Assignment and Assumption Agreement in substantially the form attached hereto as **Exhibit D** (the "**Assignment**") duly executed by Purchaser with respect to the Assumed Operating Contracts and the Resident Agreements;
- (e) Written closing instructions directed to the Escrow Agent;
- (f) Documentation, reasonably acceptable to Seller and the Title Company, confirming the authority of Purchaser to execute and deliver this Agreement and all of the documents described in this **Section 5.2.2** and to consummate the transaction contemplated hereby;
- (g) An Interim Lease, Interim Management Agreement and OTA; and
- (h) Such other customary closing documents required from the purchasers of real estate in the applicable city, state and county in which the Facility is located as Seller or the Title Company may reasonably require.

5.2.3. Representations and Warranties. The representations and warranties of Purchaser contained in this Agreement shall be true and complete in all material respects as of the Closing Date and Purchaser shall be in compliance in all material respects with the terms and provisions of this Agreement, in each case subject only to exceptions permitted by this Agreement.

5.2.4. Attorney General and California Department of Social Services Approval. All consents, approvals and other authorizations from the Attorney General's Office, DSS, and any other consents or approvals necessary to transfer the Assets to Purchaser, have been obtained by Seller, without the imposition of conditions unsatisfactory to Seller in its sole discretion.

5.2.5. Purchaser's Performance. Purchaser shall have materially performed all of its obligations under this Agreement that are required to be performed prior to or at Closing,

including Purchaser and/or its designee having obtained the Residential Care Facility for the Elderly license and Certificate of Authority per **Section 5.1.5**.

5.3. Conditions Generally. The foregoing conditions are for the benefit only of the Party for whom they are specified to be conditions precedent and such Party may, in its sole discretion, waive any or all of such conditions and proceed with the Closing under this Agreement without any increase in, abatement of or credit against the Purchase Price.

6. **Closing Costs and Prorations.**

6.1. Costs and Expenses. All costs and expenses associated with the Transaction shall be allocated between the Parties as follows:

6.1.1. Seller shall pay the cost of a standard coverage title insurance policy with respect to the Real Property in the amount of the Purchase Price and Purchaser shall pay the additional cost to secure extended coverage and for all endorsements, as well as the cost of the Survey and any lender's title insurance policy which Purchaser may elect to obtain.

6.1.2. Seller shall pay for the transfer taxes applicable to the sale of the Real Property.

6.1.3. Purchaser shall pay all of the costs associated with the Due Diligence Review.

6.1.4. Each of the Parties shall each pay their own legal fees and expenses.

6.1.5. Purchaser and Seller shall share on a 50-50 basis all escrow fees.

6.1.6. Seller shall pay the cost of recording the Deed and all recording fees required to remove any exceptions from title other than the Permitted Exceptions and Purchaser shall pay any other recording fees.

6.1.7. Purchaser shall pay any and all filing fees and all other costs which may be due in connection with securing the Purchaser's licenses and permits necessary to operate the Facility.

6.2. Prorations and Adjustments.

6.2.1. All of the revenues and expenses related to the ownership of the Seller's Assets and the operation of the Facility as of the Closing Date shall be prorated between Seller and Purchaser, with Seller entitled to such revenues and responsible for such expenses for the period prior to the Closing Date and with Purchaser entitled to such revenues and responsible for such expenses for the period from and after the Closing Date. For the avoidance of doubt, any market rate fees due to any resident referral/placement agencies shall be the responsibility of Seller to the extent the applicable resident commenced occupancy at the Facility at any time prior to the Closing Date and shall be the responsibility of Purchaser to the extent the applicable resident commences occupancy at the Facility at any time on or after the Closing Date.

6.2.2. Real and personal property taxes shall be prorated as of the Closing Date, with Seller responsible therefor for the period prior to the Closing Date and with Purchaser responsible therefor for the period from and after the Closing Date. Such proration shall be based on the most recently available tax bills and shall be subject to re-proration after Closing in accordance with the provisions of **Section 6.2.4** below.

6.2.3. Prior to Closing, Seller shall arrange for a final statement with respect to all utilities serving the Real Property and the Facility as of the Closing Date and shall pay all fees identified thereon and Purchaser shall arrange for all such utilities to be billed in its name from and after the Closing Date and shall pay all fees due therefor as of the Closing Date.

6.2.4. All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the Closing Date shall be settled within sixty (60) days after the Closing Date or, in the event the information necessary for such adjustment is not available within said sixty (60) day period, then within ten (10) Business Days of receipt of information by either Party necessary to settle the amounts subject to proration and, unless otherwise set forth herein, any payment owed shall be made within fifteen (15) days of a Party's receipt of a request for payment. In the event of a disagreement regarding any item(s) (or the amount of any item(s)) subject to proration under the terms of this Agreement, Seller and Purchaser shall negotiate in good faith to resolve any such disagreement within ten (10) Business Days after either Party articulates to the other a basis for disagreement. If the Parties are unable to resolve such dispute within ten (10) Business Days, then the Parties shall appoint an independent accounting firm of national or regional reputation as is mutually acceptable to the Seller and Purchaser and having no current relationship with either Seller or Purchaser or any affiliate thereof (an "**Independent Accounting Firm**"), which shall review the items then subject to disagreement and determine the appropriate proration within thirty (30) days after such appointment. The Parties agree to cooperate with the Independent Accounting Firm and provide it with such information as it reasonably requests to enable it to make such determination. The determination by the Independent Accounting Firm with respect to each item in dispute shall be conclusive and binding on the Parties hereto. All fees and expenses billed by the Independent Accounting Firm in connection with the resolution of disputes under this Section shall be borne one-half by Seller and one-half by Purchaser.

6.2.5. This **Section 6** shall survive the Closing.

7. **Seller's Representations, Warranties and Covenants.** Seller does hereby warrant and represent to Purchaser on behalf of itself and not on behalf of the other entity comprising Seller as follows:

7.1. **Organization and Authority.** Seller is a duly organized and validly existing California non-profit public benefit corporation that is in good standing under the laws of the State of California. Seller has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

7.2. Enforceability; No Conflict. This Agreement is valid, binding and enforceable against Seller in accordance with its terms, except as such enforceability may be limited by creditors' rights laws or general principals of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under or violation of the Seller's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Seller is now a party or by which Seller or any of the assets of Seller may be bound or affected.

7.3. Litigation. Except as disclosed to Purchaser on Schedule 7.3 hereto, there is no pending or, to Seller's knowledge, threatened litigation, administrative investigation or other proceeding with respect to or affecting Seller or the Facility. Seller is not a party to, nor is Seller or the Facility bound by, any orders, judgments, injunctions, decrees or settlement agreements under which it may have continuing obligations as of the Closing Date and that are likely to materially restrict or affect the present business operations of the Facility.

7.4. Compliance with Law. Seller has received no written notice that the Facility and its operation and use are not now in compliance with all applicable laws.

7.5. The Facility. The Facility is a licensed continuing care retirement community. Seller holds the following licenses and certificates ("**Licenses**"): (i) Residential Care Facility for the Elderly license issued by DSS, (ii) a Certificate of Authority issued by DSS, and (iii) a SNF license issued by CDPH. True and correct copies of the current Licenses to operate the Facility, the form of Resident Agreements in use at the Facility (the "**Resident Agreements**") and rent roll for the Facility (the "**Rent Roll**") have been provided to Purchaser as part of the Due Diligence Review. The Rent Roll shall be updated by Seller monthly.

7.6. Employees of the Facility; Unions. All of the employees of the Facility are the employees of Seller. None of the employees of the Facility are members of a labor union or subject to any collective bargaining agreement nor has Seller received any written notice that any such employees are engaged in any union organizing activities. Seller is not a party to any labor dispute or grievances with respect to the operations at the Facility.

7.7. Condemnation; Reassessment. Seller has not received written notice of any (a) condemnation proceeding relating to the Real Property, (b) reclassification of any or all of the Real Property for local zoning purposes, or (c) reassessment or reclassification of any or all of the Real Property for state or local real property taxation purposes. To Seller's knowledge, no such actions have been threatened.

7.8. Operating Contracts. Copies of all written operating contracts and equipment leases to which Seller is a party in connection with the ownership and/or operation of the Facility (collectively, the "**Operating Contracts**") have been provided to Purchaser as part of the Due Diligence Review. Each of the Operating Contracts is in full force and effect and none of the Operating Contracts has been modified or amended except any modifications or amendments

provided to Purchaser as part of the Due Diligence Review. Seller has received no written notice that it or the Facility is in default of any obligations under the Operating Contracts.

7.9. Executive Order 13224. None of Seller or the entities or individuals that constitute Seller, or that may own or control Seller, or that may be owned or controlled by Seller (in all cases, other than through the ownership of publicly traded, direct or indirect, ownership interests) are: (i) in violation of any laws relating to terrorism or money laundering, or (ii) among the individuals or entities identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U.S. Treasury Department Office of Foreign Assets Control at its official website, <http://www.treas.gov/ofac/tllsdn.pdf> or any replacement website or other replacement official publication of such list which identifies an "Specially Designated National" or "blocked person."

7.10. Tax Returns. To Seller's knowledge, all tax returns and reports required by law to be filed by Seller relating to the ownership and operation of the Facility prior to Closing (collectively, "**Tax Returns**") have been or will be properly and timely filed (subject to the right to extend or delay the filing thereof) and do, or at the time of the filing thereof will, correctly reflect the tax position of Seller and all taxes due under such Tax Returns have been or will be timely objected to, disputed and/or paid.

7.11. Environmental. To Seller's knowledge and except as provided in any Phase One obtained by Purchaser: (i) Seller is not a party to any contract, settlement agreement, or other similar arrangement that requires or may require Seller to have any liability or obligation of any kind arising out of any law designed to minimize, prevent, punish, or remedy the consequences of actions that damage or threaten the environment or public health and safety ("**Environmental Law**"); (ii) Seller has not received any written notice from any governmental authority or other person regarding any actual, alleged, or potential failure by Seller to comply with any Environmental Law; (iii) no action, arbitration, audit, hearing, investigation, litigation, suit, or other proceeding relating to any Environmental Law is pending or, to Seller's knowledge, threatened against Seller; and (iv) Seller is not subject to any judgment or order relating to any Environmental Law.

7.12. Health Care Representations. To Seller's knowledge, the Licenses are in full force and effect. Seller is not a target of, participant in, or subject to any action, proceeding, suit, audit, investigation or sanction by any Health Care Authority or any other administrative or investigative body or entity or any other third party payor or any patient or resident which could reasonably be expected to have a material adverse effect on Seller, or the operation of the Facility. With respect to Windsor Manor SNF, Seller is certified for participation in the Medicare and Medi-Cal programs, and has current and valid provider contracts with each of such programs. Seller has no pending license revocation or suspension proceedings, outstanding or uncompleted plan of correction that remains outstanding or uncompleted beyond its stated due date, denial of payment or denial of new admission orders or directives from Medicare or Medi-Cal. Seller has no pending or outstanding allegations or orders for civil money penalties or recoupment payments from the Medicare and/or Medi-Cal programs.

7.13. For purposes of this Agreement, "Health Care Authority/ies" shall mean any Governmental Entity or quasi-Governmental Entity or any agency, intermediary, board, authority or entity with lawful jurisdiction over Seller and concerned with the ownership, operation, use or occupancy of the Facility as a licensed continuing care retirement community.

Upon Purchaser becoming aware (whether by notice from Seller or otherwise) of any fact which would materially adversely change any of the representations or warranties contained herein or would otherwise constitute a breach thereof by Seller, Purchaser shall as its sole and exclusive remedy have the option of: (a) waiving the breach of warranty or change, and proceeding with Closing without any change to the Purchase Price, or (b) terminating this Agreement within five (5) Business Days after Purchaser becomes aware of such matter, in which event, the provisions of **Section 11** shall apply. If Purchaser elects to terminate this Agreement pursuant to clause (b) above, Seller may elect to cure the breach by providing written notice to Purchaser of such election within five (5) Business Days after receiving Purchaser's election to terminate this Agreement. If Seller cures the breach to the reasonable satisfaction of Purchaser within fifteen (15) Business Days thereafter (or such longer period of time as is reasonably necessary to cure such breach, not to exceed thirty (30) days, and Closing will be extended as necessary to accommodate such cure), Purchaser's election to terminate this Agreement shall be null and void. For purposes of this **Section 7**, "Seller's knowledge" or similar phrase means: the current actual knowledge of Dan Ogus without a duty of investigation or inquiry, and nothing in this Agreement shall be deemed to create or impose any personal liability of any kind whatsoever on such party.

8. **Purchaser's Representations and Warranties.** Purchaser represents and warrants as follows:

8.1. **Organization and Authority.** Purchaser is a duly organized and validly existing California corporation that is in good standing under the laws of the State of California. Purchaser has full power and authority to execute and deliver this Agreement and all related documents, and to carry out the Transaction contemplated herein and therein as and when due.

8.2. **Enforceability; No Conflict.** This Agreement is valid, binding and enforceable against Purchaser in accordance with its terms except as such enforceability may be limited by creditors' rights laws and general principles of equity. The execution of this Agreement and the consummation of the Transaction contemplated herein in accordance with the terms hereof do not and will not result in a breach of the terms and conditions of nor constitute a default under, or a violation of, Purchaser's limited liability company documents, or of any law, regulation, court order, mortgage, note, bond, indenture, agreement, license or other instrument or obligation to which Purchaser is now a party or by which any of the assets of Purchaser are bound or affected.

8.3. **Litigation.** The right or ability of Purchaser to consummate the Transaction contemplated herein has not been challenged by any governmental agency or any other person and Purchaser has no knowledge of the occurrence of any event which would provide a reasonable basis for any such litigation, investigation or other proceeding.

8.4. **Financing.** Purchaser has access to the funds required to pay the Purchase Price and other costs for which Purchaser is responsible under this Agreement. Accordingly, as a material

inducement to Seller's willingness to enter into this Agreement with Purchaser, Purchaser represents, warrants, acknowledges and agrees that, provided that Purchaser has not delivered a Termination Notice pursuant to **Section 5.1.6**, arranging financing shall not be a condition to the Purchaser's ability to consummate the Transaction provided for herein.

8.5. AS IS. IT IS UNDERSTOOD AND AGREED THAT EXCEPT AS MAY BE EXPRESSLY SET FORTH IN THIS AGREEMENT, (A) SELLER'S ASSETS ARE BEING SOLD BY SELLER AND PURCHASED AND ACCEPTED BY PURCHASER ON AN "AS IS," "WHERE IS" AND "WITH ALL FAULTS" BASIS, SUBJECT TO ANY CONDITION WHICH MAY EXIST, AND WITHOUT THE EXISTENCE OF AND WITHOUT RELIANCE UPON ANY REPRESENTATION, WARRANTY, AGREEMENT, OR STATEMENT BY SELLER, OR ANYONE ACTING ON BEHALF OF SELLER EXCEPT THOSE REPRESENTATIONS, WARRANTIES AND AGREEMENTS SPECIFICALLY SET FORTH IN THIS AGREEMENT; (B) PURCHASER IS BEING GIVEN THE OPPORTUNITY TO THOROUGHLY INSPECT AND EXAMINE SELLER'S ASSETS TO THE EXTENT DEEMED NECESSARY BY PURCHASER IN ORDER TO ENABLE PURCHASER TO EVALUATE THE PURCHASE OF THE SELLER'S ASSETS ON THE FOREGOING BASIS; AND (C) PURCHASER IS RELYING SOLELY UPON SUCH INSPECTIONS, EXAMINATION, AND EVALUATION OF SELLER'S ASSETS BY PURCHASER IN PURCHASING THE SELLER'S ASSETS ON AN "AS IS", "WHERE IS" AND "WITH ALL FAULTS" BASIS, WITHOUT REPRESENTATION, WARRANTY, AGREEMENT OR STATEMENT BY SELLER OR ANYONE ACTING ON BEHALF OF SELLER, EXPRESS OR IMPLIED, OF ANY KIND OR NATURE, EXCEPT AS MAY BE SET FORTH IN THIS AGREEMENT. SELLER MAKES NO REPRESENTATIONS OR WARRANTIES WHATSOEVER REGARDING ANY INTELLECTUAL PROPERTY RIGHTS. SELLER EXPRESSLY DISCLAIMS, WHICH PURCHASER HEREBY ACKNOWLEDGES AND ACCEPTS, ANY IMPLIED WARRANTY OF CONDITION, HABITABILITY, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

9. Pre-Closing Covenants/Risk of Loss.

9.1. Conduct Pending Closing. Between the Execution Date and the Closing Date, Seller covenants as follows:

9.1.1. Seller will operate the Facility in the ordinary course of business, in compliance with all applicable law, including, but not limited to, the rules and regulations of any Health Care Authority, and, unless consented to by Purchaser, will not sell or dispose of any of the Seller's Assets or enter into any contract, commitment or agreement affecting Seller's Assets except in the ordinary course of business, including, but not limited to, any Resident Agreement which deviates in any material respect from the form of Resident Agreement provided to Purchaser under the term of this Agreement.

9.1.2. From time to time between the Execution Date and the Closing Date, Seller will provide to Purchaser such information as Purchaser may reasonably require in order to allow Purchaser to secure the New Licenses (as defined below).

9.1.3. Seller will cooperate in Purchaser's efforts to conduct the Due Diligence Review including, but not limited to, providing Purchaser and its agents and employees with access to the Facility and to the books and records of the Facility; *provided, however*, that such access and inspection shall be on no less than 48 hours' prior notice (or if longer, the notice required under applicable law, including, without limitation, residential landlord tenant law) and during normal business hours at such time and in such manner as the Parties shall reasonably agree upon. Notwithstanding the above, access to the Facility may be limited during the current COVID pandemic based on the regulation, guidelines or recommendations of the any Health Care Authority, State of California and other state or federal regulatory agencies.

9.1.4. Seller will maintain in force the existing hazard and liability insurance policies, or comparable coverage, for Seller's Assets.

9.1.5. Seller will maintain Seller's Assets in substantially the same condition as they are in as of the Execution Date, ordinary wear and tear excepted.

9.1.6. Unless this Agreement is terminated in accordance with the terms hereof, Seller shall not market the Seller's Assets or negotiate with any third party with respect to the sale of Seller's Assets or the equity interests in Seller.

9.2. Damage and Condemnation. Prior to the Closing Date, the risk of physical loss to Seller's Assets shall be borne by Seller. Accordingly, it shall be a condition to Purchaser's obligation hereunder that prior to the Closing Date, no material (as defined in this **Section 9.2**) portion of the Facility nor any material portion of any of Seller's Assets shall have been damaged or destroyed by fire or other casualty, or shall have been materially taken or condemned by any public or quasi-public authority under the power of eminent domain. Accordingly, in the event a material portion of the Seller's Assets is damaged, destroyed or taken prior to the Closing Date, Purchaser may elect to terminate this Agreement pursuant to **Section 11**. If, however, either (A) the damage to Seller's Assets is not material or (B) the damage to, or destruction of, the Seller's Assets is material, but Purchaser waives this condition, then Seller shall assign to Purchaser all of its rights to any insurance proceeds in the connection therewith and the Purchase Price shall be reduced by any deductible which Purchaser shall be required to pay in connection with such damage or destruction. Further, if either (B) the taking or condemnation of Seller's Assets is not material or (B) a material portion of Seller's Assets shall be so taken or condemned prior to Closing but Purchaser waives this condition, then Seller shall pay or assign to Purchaser all Seller's right to the proceeds of any condemnation award in connection thereof and the Purchase Price shall be reduced by Purchaser's reasonable estimate of the amount by which the cost to repair the portion of Seller's Assets affected by such taking exceeds such condemnation award. For the purposes of this **Section 9.2**, "material" damage, destruction or condemnation shall mean any damage or loss to or destruction or taking or condemnation of the Facility which would cost more than Two Hundred Fifty Thousand and No/100 Dollars (\$250,000.00) to repair.

10. Operations Transfer Provisions.

10.1. Licenses. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a change of ownership application ("**CHOW**") with DSS pursuant to which Purchaser will

obtain a new **RCFE License** to operate the Residential Care Facility for the Elderly portion of the Facility. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit an application for a new certificate of Authority with DSS pursuant to which Purchaser will obtain a new COA to enter into continuing care contracts with residents of the Facility and operate the Facility as a continuing care retirement community. On or prior to the expiration of the Due Diligence Period, Purchaser shall submit a SNF license application ("**SNF Application**") with CDPH pursuant to which Purchaser will obtain a new SNF license ("**SNF License**") to operate the Windsor Manor SNF portion of the Facility. The parties acknowledge that Purchaser must obtain the RCFE License and COA on the Closing date. Following the submission of the applications for the RCFE License, COA and SNF License, Purchaser will take and/or cause its designee to take such actions as are necessary to obtain the RCFE License, COA and SNF License in a timely manner, including, without limitation, submitting any missing information required for Purchaser's licensing applications reasonably promptly following receipt thereof by Purchaser. Purchaser shall notify the Seller promptly following its submission of the license applications and shall keep Seller reasonably informed as to the status of the license applications, including without limitation, informing Seller of any material communications with DSS and/or CDPH as to the timing of the issuance of the RCFE License, COA and SNF License.

10.2. Interim Lease and Management Agreements. Seller and Purchaser acknowledge that Purchaser will be unable to obtain the SNF License on the Closing Date and that the Parties will need to enter into an interim arrangement to allow the continued operation of the Windsor Manor SNF under Seller's SNF License until the purchaser's SNF License is issued. The Parties shall enter into an Interim Lease ("**Interim Lease**"), Interim Management Agreement ("**Interim Management Agreement**"), and SNF operations transfer agreement ("**OTA**") to be negotiated and agreed upon in good faith during the Due Diligence Period.

10.3. Notices. Seller is required to provide one hundred and twenty (120) days' written notice to DSS of the Transaction and to Seller's RCFE residents at least thirty (30) days prior to Closing (the "**CHOW Notice**") and to Seller's SNF residents at least ninety (90) days prior to Closing. Seller is also required to provide written notice to CDPH of the Transaction. Purchaser and Seller shall jointly approve the notices set forth in this Section.

10.4. CHOMs. [**UNDER DISCUSSION**] On or prior to the expiration of the Due Diligence Period, Purchaser shall submit change of manager applications to DSS with respect to the RCFE License and COA, and CDPH with respect to the SNF License pursuant to which Purchaser will become the manager of the Facility as approved by DSS and CDPH. During the Due Diligence Period, the parties will agree upon a mutually agreeable form of management agreement pursuant to which Purchaser will manage the Facility prior to Closing.

10.5. Employees.

10.5.1. At the Closing Date, Seller shall terminate all of the employees of the Facility and shall pay to them any wages and other benefits which are due as of the Closing Date under Seller's employment policies and applicable State law. Purchaser shall only conduct employee interviews within thirty (30) days before Closing Date. At least three (3) business days

preceding the Closing Date, Purchaser shall offer to employ after the Closing Date substantially all of the employees of the Facility conditioned only on the occurrence of the Closing Date (the "**Hired Employees**"). Effective as of the Closing Date, Purchaser, or its management agent will retain and hire all Hired Employees and will recognize for each Hired Employee his or her original hire date with Seller. The parties hereto agree that, notwithstanding anything to the contrary contained in this Agreement, Purchaser shall hire that number or percentage of employees and upon such terms so as to avoid applicability of the Worker Adjustment Retraining and Notification Act and any other applicable laws or regulations requiring notice prior to plant or facility closings or a mass layoff, due to the transaction contemplated hereby and by this Agreement. Purchaser acknowledges and agrees that Seller is relying on Purchaser's agreement as set forth in this **Section 10.2** in not giving notice to the employees of the Facility of the Transaction provided for herein under the provisions of the WARN.

10.5.2. To the extent permitted by applicable law, Seller shall deliver to Purchaser the file for all employees hired by Purchaser in Seller's possession that may be limited to training records, licenses and certifications, criminal background check results, and other required documents. Seller shall have satisfied its obligations under this **Section 10.5.2** as long as all of such employee records are present at the Facility on the Closing Date. Seller shall segregate and remove from the Facility all records of former employees who are not hired by Purchaser.

10.6. Accounts Receivable.

10.6.1. Within ten (10) days prior to the Closing Date, Seller shall provide Purchaser with a detailed listing of Seller's accounts receivable which arose from the provision of goods or services prior to the Closing Date and are anticipated to be outstanding on the Closing Date (the "**Pre-Closing AR Schedule**"), and Seller shall provide Purchaser with an update to such schedule as of the Closing Date as soon as possible post-Closing.

10.6.2. Except as set forth in the OTA between Seller and Purchaser, from and after the Closing Date, Purchaser, or its management agent shall assume responsibility for the billing for and collection of payments on account of services rendered or goods sold by Purchaser on and after the Closing Date and Seller shall retain all right, title and interest in and to and all responsibility for the collection of its accounts receivable for services rendered or goods sold prior to the Closing Date.

10.6.3. Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision of goods or services prior to the Closing Date, they shall either be retained by Seller if received by Seller, or if they have been received by Purchaser, they shall be remitted to Seller, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.6.4. Except as set forth in the OTA, if any payments are received after the Closing Date by either Party which either specifically indicate on the check or accompanying remittance advice, or if the Parties agree in their reasonable discretion, that they relate to provision

of goods or services from and after the Closing Date, they shall either be retained by Purchaser if received by Purchaser, or if they have been received by Seller, they shall be remitted to Purchaser, along with the applicable remittance advice, promptly, but in no event more than five (5) Business Days, after receipt thereof.

10.6.5. Except as set forth in the OTA, if any payments are received by Purchaser after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to then current amounts owed the Purchaser to reduce post-Closing Date balances and Purchaser shall remit to Seller any excess up the amount due Seller for pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) within five (5) Business Days after receipt.

10.6.6. Except as set forth in the OTA, if any payments are received by Seller after the Closing Date from residents with balances due for the periods both prior to and after the Closing Date, which do not specifically indicate a period of time on the check or accompanying remittance advice and the Parties do not otherwise agree to which period they relate, such payments shall be applied first to pre-Closing Date balances (as reflected on the Pre-Closing AR Schedule) and Seller shall remit the excess, if any, to Purchaser to reduce any post-Closing Date balances within five (5) Business Days after receipt.

10.6.7. Seller shall have the right during normal business hours and on reasonable notice to Purchaser to inspect Purchaser's books and records with respect to the accounts receivable received by it after the Closing Date from residents with balances due as of the Closing Date.

10.7. Access to Records.

10.7.1. From and after the Closing Date and, except as otherwise specifically provided below, for a period of seven (7) years thereafter, Purchaser shall allow Seller and their agents and representatives to have reasonable access to (upon reasonable prior written notice and during normal business hours), and to make copies of (at Seller's expense), the books and records and supporting material of the Facility relating to the period prior to the Closing Date which are in Purchaser's possession, to the extent reasonably necessary to enable Sellers to among other things investigate and defend malpractice, employee or other claims and to file or defend cost reports and tax returns.

10.7.2. Seller shall have the right, at its sole cost and expense, within three (3) days of the delivery of a request therefor to Purchaser to enter the Facility and remove originals or copies of any of the records delivered to Purchaser for purposes of litigation involving a resident or employee to whom such record relates. If an officer of or counsel for Seller certifies that an original of such record must be produced in order to comply with applicable law or the order of a court of competent jurisdiction in connection with such litigation then the records so removed shall be an original. Any record so removed shall promptly be returned to Purchaser following its use, and nothing herein shall be interpreted to prohibit Purchaser from retaining copies of any such

documents. All cost of making such copies shall be for the account of Seller. Upon request of Seller, Purchaser shall cooperate with such requests and shall make its employees available to comply with such requests and assist in responding to such litigation requests provided that their availability is requested during normal business hours and does not interfere with the performance of their duties for Purchaser. In the event such use of Purchaser's employees to assist Seller is more than de minimis, Seller shall pay Purchaser's costs for the employee time spent assisting Seller.

10.8. Operating Contracts. Purchaser shall review the Operating Contracts and inform Seller during the Due Diligence Period which of such Operating Contracts Purchaser desires to assume effective as of the Closing Date (the "**Designated Operating Contracts**") provided that Purchaser hereby agrees to assume the existing [] contracts which contracts shall be deemed to be Assumed Operating Contracts. Purchaser shall use commercially reasonable efforts to obtain any third party consents required in connection with the assignment to Purchaser of the Designated Operating Contracts, it being understood and agreed that (i) if a Designated Operating Contract requires consent of the counterparty to be assigned to Purchaser, such Designated Operating Contract shall not be assigned unless and until the requisite consent is received and (ii) if any principal or affiliate of Seller has guaranteed the obligations of Seller under any Designated Operating Contract, the same shall not be assigned to Purchaser unless and until the guarantor has been released from his/her/its guaranteed obligations effective from and after the Closing Date. Effective as of the Closing Date, the Designated Operating Contracts that may be assigned hereunder shall be referred to herein as the "Assumed Operating Contracts." At Closing, Seller shall (i) assign the Assumed Operating Contracts to Purchaser pursuant to the Assignment and (ii) terminate any Operating Contracts which are not Assumed Operating Contracts hereunder.

11. Termination and Remedies.

11.1. Termination. This Agreement may be terminated as follows:

11.1.1. By mutual written agreement of Purchaser and Seller;

11.1.2. By Seller, if any of the conditions set forth in **Section 5.2** are not fulfilled on the Closing Date, unless resulting from a material breach by Seller of its obligations hereunder, and the same shall not have been waived in writing by Seller;

11.1.3. By Purchaser, if any of the conditions set forth in **Section 5.1** are not fulfilled on the Closing Date, unless resulting from a material breach by Purchaser of its obligations hereunder, and the same shall not have been waived in writing by Purchaser;

11.1.4. By Seller in the event of a material default by Purchaser of its obligations hereunder or by Purchaser in the event of a material default by Seller of its obligations hereunder;
or

11.1.5. By Purchaser pursuant to **Section 9.2** (Damage or Condemnation).

11.2. Opportunity to Cure. No Party to this Agreement may claim termination or pursue any other remedy referred to in this Section on account of a breach of a condition, covenant or

warranty by the other Party, without first giving the other Party written notice of such breach and not less than ten (10) days within which to cure such breach. The Closing Date shall be postponed for up to ten (10) days if necessary to afford such opportunity to cure.

11.3. Seller's Remedies Upon Termination. In the event Seller has the right to terminate this Agreement under **Section 11.1.2**, or **Section 11.1.4**, Purchaser and Seller acknowledge and agree as follows:

SELLER SHALL BE ENTITLED TO TERMINATE THIS AGREEMENT AND TO RETAIN THE DEPOSIT AND ANY INTEREST ACCRUED THEREON AS SELLER'S SOLE AND EXCLUSIVE REMEDY AND ALL ACCRUED INTEREST THEREON AS LIQUIDATED DAMAGES, THE PARTIES ACKNOWLEDGING AND AGREEING THAT THE AMOUNT OF DAMAGES WHICH SELLER MAY INCUR AS A RESULT OF SUCH TERMINATION MAY BE DIFFICULT TO ASCERTAIN AND THAT THE DEPOSIT (OR SO MUCH THEREOF AS MAY, AT THE TIME OF TERMINATION, HAVE BEEN DELIVERED BY PURCHASER TO ESCROW AGENT IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT) IS A REASONABLE AND FAIR ESTIMATE THEREOF, AFTER WHICH THE PARTIES SHALL HAVE NO FURTHER RIGHTS OR OBLIGATIONS HEREUNDER OTHER THAN THOSE RIGHTS AND OBLIGATIONS, IF ANY, WHICH SPECIFICALLY SURVIVE TERMINATION OF THIS AGREEMENT.

11.4. Purchaser's Remedies Upon Termination. In the event Purchaser has the right to terminate this Agreement under **Sections 11.1.3** or **Section 11.1.5**, Purchaser shall have the right either to (i) waive the condition or covenant or breach at issue and proceed with the Transaction on the terms contemplated herein, or (ii) seek specific performance of Seller's obligations hereunder, or (iii) terminate this Agreement and secure the return of the Deposit and any accrued interest thereon.

11.5. Other Termination Provisions. In the event this Agreement is terminated pursuant to **Sections 11.1.1** (mutual agreement) or **Section 11.1.5** (damage or condemnation), then the Deposit and any accrued interest thereon shall immediately be refunded and returned to Purchaser.

11.6. Post-Termination. Following the conveyance of the amounts due to the appropriate Party under this **Section 11**, neither Party shall have any further rights or obligations hereunder other than those rights and obligations, if any, which specifically survive termination of this Agreement.

12. Notices. All notices, demands or other communications given hereunder shall be in writing and shall be given by (a) messenger or overnight express delivery service, (b) certified mail return receipt requested, postage prepaid, at a post office maintained by the United States Postal Service, or (c) by electronic transmission with confirmed receipt, addressed as follows:

Any notice sent in accordance with the provisions of this **Section 12**, shall be deemed received upon the actual receipt or refusal of receipt thereof regardless of the method of delivery used. Any Party may, by notice given as aforesaid, change the address or addresses, or designate an additional address or additional addresses, for its notices, provided, however, that no notice of a change of address shall be effective until actual receipt of such notice. Each Party covenants and agrees that simultaneously with sending any notice pursuant to this **Section 12** it will use reasonable good faith efforts to send a copy of such notice to the addressee thereof by email, at the email address set forth above or such other email address as a Party may designate in writing given to the other parties pursuant to this **Section 12**; provided that in no event shall any notice sent by email be effective as a notice under this Agreement unless receipt is confirmed, and the failure of any Party to deliver any notice pursuant to email shall not affect the validity of any notice that is sent pursuant to this **Section 12**.

13. **Indemnities.**

13.1. By Seller to Purchaser. From and after the Closing Date, Seller shall indemnify, defend and hold Purchaser harmless from and against any and all costs, losses, damages, liabilities, claims and obligations, including, but not limited to, reasonable attorneys' fees (the "**Losses**") arising from or related to: (a) the ownership and operation of the Seller's Assets prior to the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Purchaser, the designee of Purchaser to operate the Facility, or any affiliate of Purchaser; and (b) any material misrepresentation, breach of

warranty or non-fulfillment of any agreement or covenant on the part of Seller under this Agreement.

13.2. By Purchaser to Seller. From and after the Closing Date, Purchaser shall indemnify, defend and hold Seller harmless from and against any and all Losses arising from or related to: (a) the ownership and operation of the Seller's Assets from and after the Closing Date, including Losses incurred as a result of any liability to any third party related thereto, but not including Losses arising out of the actions of Seller or any affiliate of Seller; (b) any misrepresentation, breach of warranty or non-fulfillment of any agreement or covenant on the part on the part of Purchaser under this Agreement; and (c) against any and all Losses which Seller may incur as a result of physical damage or injury to any person or property as a result of the acts or omissions of Purchaser or its agents or employees while performing the Due Diligence Investigation with respect to the Seller's Assets.

13.3. Method of Indemnification.

13.3.1. In the event that any claim for Losses (a "**Claim**") which is indemnified against by or under any term, provision, section or paragraph of this Agreement is made against or received by any indemnified party (hereinafter "**Indemnitee**") hereunder, said Indemnitee shall notify the indemnifying party (hereinafter "**Indemnitor**") in writing of Indemnitee's Claim and shall endeavor to do so reasonably promptly after becoming aware of the same; provided, however, that unless the Indemnitee's failure to timely notify the Indemnitor of Indemnitee's Claim materially prejudices Indemnitor's ability to defend any such Claim as more particularly set forth below, Indemnitee's failure to timely notify Indemnitor of Indemnitee's Claim shall not impair, void, vitiate and/or invalidate Indemnitor's indemnity hereunder nor release Indemnitor from the same, which duty, obligation and indemnity shall remain valid, binding, enforceable and in full force and effect subject to the applicable terms hereof. If the Indemnitee fails to provide timely notice of Indemnitee's Claim, the Indemnitor will not be obligated to indemnify the Indemnitee with respect to such Claim to the extent (and only to the extent) that the Indemnitor's ability to defend such Claim has been materially prejudiced by such failure of the Indemnitee to timely notify Indemnitor of the same.

13.3.2. If the applicable Indemnitee Claim relates to a Claim made by a third party against Indemnitee, then the Indemnitor at its sole cost and expense shall defend, with counsel reasonably satisfactory to the Indemnitee, such Claim by all appropriate proceedings, which proceedings will be diligently prosecuted to a final conclusion or will be settled at the discretion of the Indemnitor (with the consent of the Indemnitee, which shall not be unreasonably withheld and which shall be deemed to be provided if such settlement provides a release to the Indemnitee without the payment of any amount or the taking of any action or admission of liability by the Indemnitee). The Indemnitee will cooperate in such defense at the sole cost and expense of the Indemnitor. Notwithstanding the foregoing, if the named parties to any proceeding include both the Indemnitee and the Indemnitor and, in the reasonable opinion of counsel to the Indemnitee, representation of both parties by the same counsel would be in conflict or otherwise inappropriate due to actual or potential differing interests between them, then the Indemnitee shall be entitled to retain separate counsel for the Indemnitee, at the expense of the Indemnitor (provided that the costs and expenses of such separate counsel are reasonable).

13.4. Survival. All covenants, indemnities, warranties and representations of Purchaser and Seller herein shall survive the Closing and shall continue in effect for a period of six (6) months after the Closing Date, after which they shall terminate and be of no further force or effect except with respect to claims made within such six (6) month period, in which case the applicable covenant, indemnity, warranty and/or representation shall survive until the full and final resolution thereof (the "**Survival Period**"). In addition, Purchaser's indemnity in **Section 13.2** shall survive the termination of this Agreement for the Survival Period.

13.5. Limitations. Except as otherwise specifically set forth in this Section neither Seller nor Purchaser shall have any right to seek indemnity against the other Party pursuant to **Section 13.1** or **Section 13.2** either (A) where the claim is made after the Survival Period or (B) unless the amount of such indemnity claim, individually or when taken together with all other such indemnity claims hereunder, is at least equal to Twenty-Five Thousand and No/100 Dollars (\$25,000.00) (the "**Indemnity Floor**"), after which the Indemnitor shall be responsible for any such Indemnitee's Claims on a first dollar basis, or (C) for any such indemnity claims hereunder in an aggregate amount in excess of Two Hundred Thousand and No/100 Dollars (\$200,000.00) (the "**Indemnity Cap**"). Attorneys' fees arising out of any indemnified third party claim shall be subject to such Indemnity Cap, provided, that any attorneys' fees and costs payable to the prevailing Party arising out of any dispute between Seller and Purchaser hereunder, including, without limitation, to enforce any Indemnitee Claim, shall not be subject to the Indemnity Cap. Notwithstanding anything to the contrary set forth in **Section 13.4** or **Section 13.5**, (i) neither the Indemnity Floor nor the Indemnity Cap shall apply in the case of claims that allege fraud on the part of the Party named therein, or (ii) the prorations and adjustments to be made pursuant to **Section 6** hereof.

14. Miscellaneous.

14.1. Entire Agreement. This Agreement, including the Exhibits and Schedules attached hereto, constitute the entire agreement of the Parties with respect to the subject matter hereof and thereof, and supersede all prior discussions, negotiations or writings with respect to such subject matter, including, but not limited to, that certain Letter of Intent executed as of March 29, 2022. This Agreement may not be modified, amended or cancelled except pursuant to the terms hereof or an instrument in writing signed by the Parties. The Schedules and Exhibits annexed hereto are hereby incorporated herein by reference as fully as though set forth herein.

14.2. Time is of the Essence. Time is of the essence with respect to all terms, conditions, provisions and covenants of this Agreement.

14.3. Waiver. No waiver of any term, provision or condition of this Agreement shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Agreement. No failure to act shall be construed as a waiver of any term, provision, condition or rights granted hereunder.

14.4. Public Announcements. Each of the parties to this Agreement agrees not to make any public announcement or disclosure, and to issue no press release, concerning the execution of this Agreement or the transactions contemplated hereby prior to Closing without the prior written

approval of the other party, except to the extent necessary to make regulatory filings or as required by law or as may be necessary for such party to reveal to such party's lenders or proposed lenders.

14.5. Attorneys' Fees in the Event of Litigation. Except as provided otherwise in this Agreement, in the event any dispute between the Parties results in litigation, the prevailing Party shall be reimbursed for all reasonable costs, including, but not limited to, reasonable attorneys' fees and consultants' fees and reimbursable costs and expenses, whether at trial, upon appeal or otherwise.

14.6. Jurisdiction; Venue. **THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS RULES OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.**

14.7. Waiver of Jury Trial. **TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.**

14.8. Headings and Business Day. The headings of the various Sections of this Agreement have been inserted only for the purposes of convenience, are not part of this Agreement and shall not be deemed in any manner to modify, explain, qualify or restrict any of the provisions of this Agreement. Any day other than a Saturday, Sunday or other day on which commercial banks are authorized to close under the laws of the State of California is defined herein as either "Business Day".

14.9. Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the

same document. All such counterparts shall be construed together and shall constitute one instrument.

14.10. Successors and Assigns. This Agreement shall bind and inure to the benefit of the respective heirs, executors, administrators, personal representatives, successors and assigns of the Parties; provided however, that (i) Seller shall not assign this Agreement without the prior written consent of Purchaser, and (ii) Purchaser shall not assign this Agreement without the prior written consent of Seller, other than an assignment to an entity owned or controlled by or under common control with Purchaser. Any assignment not permitted hereunder and undertaken without such prior written consent shall be deemed null and void.

14.11. Further Assurances. Between the Execution Date and the Closing Date, neither Seller nor Purchaser shall take any action which is inconsistent with its obligations under this Agreement. Further, whether prior to or after Closing, Seller and Purchaser shall provide to the other such further assurances as may reasonably be required hereunder to effectuate the purposes of this Agreement and, without limiting the foregoing, shall execute and deliver such affidavits, certificates and other instruments as may be so required hereunder so long as the same shall not materially increase the liability of the Party so executing and delivering said instrument.

14.12. Severability. If any term or provision of this Agreement shall to any extent be held invalid or unenforceable, the remaining terms and provisions of this Agreement shall not be affected thereby, but each term and provision shall be valid and be enforced to the fullest extent permitted by law.

14.13. Usage. All nouns and pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons, firm or firms, corporation or corporations, entity or entities or any other thing or things may require, "any" shall mean "any and all", "or" shall mean "and/or", and "including" shall mean "including without limitation".

14.14. No Strict Construction. The language used in this Agreement is the language chosen by the Parties to express their mutual intent, and no rule of strict construction shall be applied against any of the Parties.

14.15. Confidentiality. Purchaser and its parent, subsidiary and affiliate entities will obtain access to confidential information of Seller that could cause material and irreparable damage to the business prospects of the Seller in the event that such information is disclosed or otherwise used if the Transaction contemplated in this Agreement is not concluded. Purchaser shall maintain the confidentiality of any information concerning the Seller which it obtains during its Due Diligence Review and shall return any Due Diligence Materials to Seller in the event the Transaction fails to close for any reason.

14.16. Calculation of Time Periods. Unless otherwise specified, (a) in computing any period of time described herein, the day of the act or event on which the designated period of time begins to run shall not be included and the last day of the period so computed shall be included and (b) if the last day of any period or any date otherwise specified hereunder is a Saturday, Sunday

or legal holiday, the period shall run until, or such date shall be automatically revised to, the next day which is not a Saturday, Sunday or a legal holiday. Further, unless otherwise specified, any reference to a specified number of days shall be deemed to refer to calendar days. This obligation shall survive the Closing or termination of this Agreement.

14.17. Exhibits and Schedules. If any exhibits or schedules are not attached hereto, the Parties agree to attach such exhibits and schedules as soon as reasonably practicable and that it shall be a condition to the non-preparing Party's obligations hereunder that any Exhibits and Schedules attached hereto after the Execution Date shall be subject to the review and approval of the non-preparing Party. The Parties hereto agree that the Party charged with providing an exhibit or schedule to this Agreement shall, to the extent necessary after delivery thereof (but subject to the following sentence) amend and/or supplement all exhibits and schedules in order for the same to be current, true and correct as of the Closing Date. In furtherance and not in limitation of the foregoing, Purchaser acknowledges and agrees that the pendency of the Transaction provided for in this Agreement may, from time to time, require Seller to amend and/or supplement the exhibits and schedules attached hereto, provided that no such amendment or supplement shall be effective or modify the representations and warranties herein unless approved by Purchaser in its reasonable discretion.

14.18. Third Party Beneficiary. Nothing in this Agreement express or implied is intended to and shall not be construed to confer upon or create in any person (other than the Parties) any rights or remedies under or by reason of this Agreement, including without limitation, any right to enforce this Agreement.

14.19. 1031 Exchange. Purchaser and Seller acknowledge that either Party may wish to structure this transaction as a tax deferred exchange of like kind property within the meaning of Section 1031 of the Internal Revenue Code. Each Party agrees to reasonably cooperate with the other Party to effect such an exchange; provided, however, that (a) the cooperating Party shall not be required to acquire or take title to any exchange property, (b) the cooperating Party shall not be required to incur any expense or liability whatsoever in connection with the exchange, including, without limitation, any obligation for the payment of any escrow, title, brokerage or other costs including attorneys' fees incurred with respect to the exchange, (c) no substitution of the effectuating Party shall release said Party from any of its obligations, warranties or representations set forth in this Agreement or from liability for any prior or subsequent default under this Agreement by the effectuating Party, its successors, or assigns, which obligations shall continue as the obligations of a principal and not of a surety or guarantor, (d) the effectuating Party shall give the cooperating Party at least ten (10) Business Days prior notice of the proposed changes required to effect such exchange and the identity of any Party to be substituted in the escrow, (e) the effectuating Party shall be responsible for preparing all additional agreements, documents and escrow instructions (collectively, the "**Exchange Documents**") required by the exchange, at its sole cost and expense, (f) the effectuating Party shall be responsible for making all determinations as to the legal sufficiency, tax considerations and other considerations relating to the proposed exchange, the Exchange Documents and the transactions contemplated thereby, and the cooperating Party shall in no event be responsible for, or in any way be deemed to warrant or represent any tax or other consequences of the exchange transaction, and (g) the election to effect such an exchange shall not delay the Closing of the transaction as defined herein.

14.20. Exclusivity. Unless this Agreement shall be terminated by Seller or Purchaser as provided herein, neither Seller nor any member, manager, officer, director, employee, authorized representative or agent of Seller shall, directly or indirectly, solicit, seek, enter into, conduct or participate in any discussions or negotiations, or enter into any agreement with any person or entity, regarding the sale, lease or other transfer of all or any portion of the Seller's Assets.

14.21. Brokerage Commissions. Each of the Parties hereby represents, covenants, and warrants to the other that neither has employed any broker or finder in connection with the Transaction. Each Party agrees to indemnify and hold harmless the other from and against all liability, claims, demands, damages or costs of any kind, including attorneys' fees, arising from or connected with any broker's commission or finder's fee or commission or charge claimed to be due any other person arising from the Party's conduct with respect to the Transaction. This **Section 14.21** shall survive Closing.

FORM OF ASSIGNMENT

ASSIGNMENT AND ASSUMPTION AGREEMENT

This Assignment and Assumption Agreement (this "**Agreement**") is made and entered into effective as of the ____ day of _____, 2022 (the "**Effective Date**"), by and between HUMANGOOD SOCAL, a California non-profit public benefit corporation ("**Assignor**"), and _____ ("**Assignee**").

RECITALS

A. Assignor is the owner and operator of that certain continuing care retirement community commonly known as "Windsor" and "Windsor Manor", and located at 1230 E. Windsor Road, Glendale, CA (the "**Facility**").

B. Assignor, as Seller, has entered into that certain Purchase and Sale Agreement dated as of _____, 2022 (the "**Purchase Agreement**") pursuant to which Assignor has agreed to transfer and assign to Assignee all of Assignor's right title and interest in and to the Operating Contracts listed on Exhibit A hereto and the Resident Agreements (collectively, the "**Assumed Contracts**").

C. Assignor and Assignee are desirous of documenting the terms and conditions under which said assignment and assumption will occur.

D. Capitalized terms used herein and not otherwise defined shall have the meaning ascribed to them in the Purchase Agreement.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants of the parties set forth herein, IT IS HEREBY AGREED AS FOLLOWS:

AGREEMENT

1. Assignment. Assignor does hereby sell, assign, transfer and convey to Assignee all of Assignor's right, title and interest, if any, in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or of its officers, employees, contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or of its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

2. Assumption. Assignee does hereby accept the sale, assignment, transfer and conveyance of Assignor's right, title and interest in and to the Assumed Contracts; provided, however, that nothing herein shall be construed as (i) imposing any liability on Assignee with respect to the Assumed Contracts for the performance of obligations arising thereunder prior to the Effective Date or as a result of the acts or omissions of Assignor or its officers, employees,

contractors, agents or affiliates thereunder prior to the Effective Date, or (ii) imposing any liability on Assignor with respect to the Assumed Contracts as a result of the acts or omissions of Assignee or its officers, employees, contractors, agents or affiliates thereunder from and after the Effective Date.

3. Governing Law; Amendment. This Agreement shall be governed by and construed in accordance with the laws of the State of California, and may not be amended or modified except by written instrument signed by the parties hereto.

4. Counterparts. This Agreement may be executed in any number of counterparts and delivered by facsimile or electronic mail with the same effect as if all Parties had executed the same document. All such counterparts shall be construed together and shall constitute one instrument.

5. Attorneys' Fees. In the event of a dispute among the parties hereto with respect to the subject matter hereof, the prevailing party in any such dispute shall be entitled to collect from the other any and all attorneys' fees and costs.

6. Entirety. This Agreement represents the entire agreement of the parties hereto with respect to the subject matter hereof, it being understood and agreed that nothing herein shall affect the rights and obligations of Assignor and Assignee under the Purchase Agreement. This Agreement shall be subject to and governed by the terms and conditions of the Purchase Agreement. Notwithstanding any other provision of this Agreement, no provision of this Agreement shall in any way modify, amend, replace, change, rescind, waive, enlarge or in any way affect the express provisions (including the warranties, covenants, agreements, conditions, representations, or any of the obligations and indemnifications of the parties hereto) set forth in the Purchase Agreement, this Agreement being intended solely to effect the transfer and assignment of certain rights sold and purchased pursuant to and in accordance with the Purchase Agreement.

7. Notices. Any notice, request or other communication to be given by either party hereunder shall be in writing and shall be sent to the parties and in the manner specified in the Purchase Agreement.

8. Severability. Should any one or more of the provisions hereof be deemed to be invalid or unenforceable said determination shall not affect the validity or enforceability of the remaining terms hereof.

9. Captions. The captions in this Agreement have been inserted for convenience of reference only and shall not be construed to define or to limit any of the terms or conditions hereof.

9) Revised Letter of Intent from Ararat Home of Los Angeles dated March 28, 2022.

March 24, 2022

Daniel Ogus, Chief Operating Officer
HumanGood SoCal
1900 Huntington Drive
Duarte, CA 91010

Dear Mr. Ogus:

On behalf of the Ararat Home of Los Angeles, Inc. ("Ararat Home"), we are pleased to present this Letter of Intent ("LOI") to purchase the assets, business operations, land and building ("Proposed Transaction") of HumanGood SoCal's Windsor facility located at 1230 E. Windsor Road, Glendale, CA ("Windsor"). The Ararat Home and HumanGood SoCal have long histories of providing a common vision of helping older adults live their best lives possible, and they share a mutual respect of each group's values and integrity. We are confident this opportunity brings together two well-aligned company cultures that will impact the senior living, health care supportive service marketplace in a positive way.

The Ararat Home is prepared to move forward immediately with the steps to complete the Proposed Transaction. Based on the Ararat Home's familiarity with Windsor and the financial and business information provided, we believe the Ararat Home is uniquely situated to complete the Proposed Transaction with you. Accordingly, we request that you favorably consider our proposal to consummate the Proposed Transaction pursuant to the following terms:

1. Assets Purchased. The transaction will be structured as an asset purchase pursuant to a mutually satisfactory purchase agreement ("Purchase Agreement") to be executed by Ararat Home and HumanGood SoCal. The Ararat Home will purchase all of the assets, excluding cash, of HumanGood SoCal's Windsor facility, including the land, building, fixtures and equipment and all other operating assets at the location, as outlined in this LOI and to be further described in the Purchase Agreement ("Assets"); provided Ararat Home acknowledges and agrees that Ararat Home will not be purchasing the name "HumanGood" and any variation thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that HumanGood SoCal and its affiliates will continue to use the name HumanGood post-closing. At closing, HumanGood SoCal will grant to Ararat Home a non-exclusive, nontransferable, limited license to use the name "HumanGood" and all associated logos in connection with Ararat's ownership and management of the Facility post-closing, which license shall remain in place for a period of ninety (90) days post-Closing.

2. Purchase Price. Subject to any adjustments provided herein, the aggregate purchase price to be paid by the Ararat Home will be (a) Fourteen Million Eight Hundred Thousand Dollars (\$14,800,000.00) plus (b) the amount of Assumed Liabilities (as defined below). Within two (2) business days of the signing of the Purchase Agreement, Ararat Home will deposit with Commonwealth Land Title ("Title Company") at 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660, Attention: Kelly Ralph, a deposit in the amount of Two Hundred Fifty Thousand Dollars (\$250,000), which shall remain refundable to the Ararat Home until it completes its investigation and approves moving forward with the transaction by the end of the Due Diligence Period (as described below). Assuming Ararat elects to proceed with closing, upon the expiration of the Due Diligence Period (as described below), Ararat will deposit with Title Company an additional deposit in the amount of Two Hundred Fifty Thousand Dollars (\$250,000). At closing, HumanGood SoCal shall pay fifty percent (50%) of escrow charges, any county transfer taxes, and the base premium for the title policy to be issued to Ararat Home at closing. Ararat Home shall pay fifty percent (50%) of escrow charges, any lender's policy, and any extended coverage and all endorsements to the title policy. All other closing costs shall be allocated in accordance with the custom in Los Angeles County. At Closing, the current installment of real property taxes and assessments, rent, if any, and all current operating expenses of the Assets shall be prorated between Ararat Home and HumanGood SoCal as of such date on the basis of a thirty (30) day month.

3. Assumed Liabilities. Upon closing the Proposed Transaction, the Ararat Home will not assume any liabilities of HumanGood SoCal, except deposits relating to Windsor, all obligations arising under the resident and occupancy agreements and under any leases/service contracts assumed by Ararat Home arising after closing, outstanding trade accounts payable incurred by HumanGood SoCal in the ordinary course of the Windsor facility's business and any other liabilities expressly assumed by Ararat Home under the terms of the Purchase Agreement ("Assumed Liabilities").

4. Purchase Agreement. As soon as reasonably practicable after the execution of this LOI, the parties shall commence negotiation of the Purchase Agreement. The Purchase Agreement shall include, without limitation, (i) the terms and conditions summarized in this LOI, (ii) an agreed net working capital at closing; and (iii) such other representations, warranties, conditions, covenants, indemnities, escrows and other terms that are customary for transactions of this kind.

5. All Cash Purchase. The Ararat Home intends to fund the Proposed Transaction with existing cash, so bank financing is not currently contemplated for the Proposed Transaction.

6. Due Diligence Period; Access to Information. For a period of forty-five (45) days from and after the execution of the Purchase Agreement ("Due Diligence Period"), Ararat Home,

at Ararat Home's expense, shall review and investigate the physical and environmental condition of the Assets, the character, quality, and general utility of Windsor, the zoning, land use, environmental and building requirements, and restrictions applicable to the Assets and its development, the state of title to the Real Property, any leases or other agreements effecting the Assets, all applicable licensing matters and all other matters Ararat Home feels is necessary to evaluate the Assets and the Proposed Transaction and determine its acceptability to Ararat Home. If, during the Due Diligence Period, Ararat Home determines that the Assets are not acceptable for any reason in Ararat Home's discretion, Ararat Home shall have the right, by giving written notice to HumanGood SoCal on or before the last day of the Due Diligence Period, to terminate the Purchase Agreement. In order to permit completion of the Ararat Home's due diligence during the Due Diligence Period on the timeframe set forth herein, the Ararat Home and its advisors must have reasonable access to HumanGood SoCal, the department heads at the Windsor facility, and outside advisors. Accordingly, upon advance notice to HumanGood SoCal's management, HumanGood SoCal and its outside advisors will provide the Ararat Home and its representatives access to HumanGood SoCal's books and records, contracts, facilities, key personnel, suppliers, independent accountants and attorneys, and all other documents and data, as reasonably requested by the Ararat Home in connection with the completion of the Proposed Transaction. HumanGood SoCal shall cooperate with the Ararat Home as may be necessary to facilitate its investigation of Windsor and shall provide such assistance as is reasonably requested.

7. Brokers, Professional Fees and Expenses. HumanGood SoCal and the Ararat Home represent to each other that no person is entitled to any finder's or broker's fee or commission in connection with the Proposed Transaction. HumanGood SoCal and the Ararat Home shall be responsible for its own expenses incurred in connection with the Proposed Transaction.

8. Closing. HumanGood SoCal and the Ararat Home shall close the Proposed Transaction immediately upon receipt of approval of the issuance of the applicable licenses and permits from the California Department of Public Health and the Department of Social Services for RCFE or CCRC, and receipt of approval from the attorney general's office approving the Proposed Transaction. It is the intention of both parties to use all reasonable efforts to expedite this transaction as quickly as possible.

9. Cooperation and Exclusivity. HumanGood SoCal and the Ararat Home Line will cooperate in good faith and expeditiously in the preparation of the documents and the taking of other actions necessary to carry out the Proposed Transaction. HumanGood SoCal agrees that, from the date of execution of this LOI until the earlier of (i) April 15, (ii) the Closing of the Proposed Transaction or (iii) the termination of this LOI by mutual written agreement of HumanGood SoCal and the Ararat Home, HumanGood SoCal shall not (a) negotiate the terms of, or enter into, any agreement, letter of intent or term sheet with any third party for the sale of the Assets, or (b) enter into discussions with one or more third parties regarding a possible sale of assets or stock/membership interests, related to the Assets.

10. Nondisclosure. HumanGood SoCal and the Ararat Home shall enter concurrently herewith into a mutual non-disclosure agreement. Except as may be required by law, HumanGood SoCal and the Ararat Home agree not to disclose the existence of this LOI or its terms without the prior written approval of the other party. Notwithstanding this requirement, each party may, subject to the restrictions in the applicable mutual non-disclosure agreement, disclose the existence of this LOI and its terms, on a need-to-know basis, to such party's employees, counsel, accountants, investors, financing sources, and other professional advisors.

11. Governing Law. This LOI shall be governed by and construed in accordance with the internal laws of the State of California. The venue for any disputes concerning this LOI shall be at a court of competent jurisdiction in California.

12. Nonbinding Agreement. The LOI is intended to provide a basis for the preparation of a Purchase Agreement. Until such agreement has been prepared and executed and delivered by each of the parties, none of the provisions of this letter shall be binding upon any party except for the agreements and obligations contained in paragraphs 9 through 11. In the event the parties fail to enter into a mutually satisfactory Purchase Agreement on or before April 15, 2022, or unless this LOI is earlier terminated as provided herein, the understandings contained in this LOI, unless extended by mutual agreement of the parties, shall terminate without any liability of a party to the other party.

13. Expiration. We appreciate your consideration for this proposal and request your response by 5:00 p.m. PST on March 29, 2022.

We hope that this LOI conveys our enthusiasm for the opportunity. We look forward to hearing from you soon.

Sincerely yours,

HumanGood SoCal and the Ararat Home Line will cooperate in good faith and expeditiously in the preparation of the documents and the taking of other actions necessary to carry out the Proposed Transaction. HumanGood SoCal agrees that, from the date of execution of this LOI until the earlier of (i) April 15, (ii) the Closing of the Proposed Transaction or (iii) the termination of this LOI by mutual written agreement of HumanGood SoCal and the Ararat Home, HumanGood SoCal shall not (a) negotiate the terms of, or enter into, any agreement, letter of intent or term sheet with any third party for the sale of the Assets, or (b) enter into discussions with one or more third parties regarding a possible sale of assets or stock/membership interests, related to the Assets.

10.Nondisclosure. HumanGood SoCal and the Ararat Home shall enter concurrently herewith into a mutual non-disclosure agreement. Except as may be required by law, HumanGood SoCal and the Ararat Home agree not to disclose the existence of this LOI or its terms without the prior written approval of the other party. Notwithstanding this requirement, each party may, subject to the restrictions in the applicable mutual non-disclosure agreement, disclose the existence of this LOI and its terms, on a need-to-know basis, to such party's employees, counsel, accountants, investors, financing sources, and other professional advisors.

11.Governing Law. This LOI shall be governed by and construed in accordance with the internal laws of the State of California. The venue for any disputes concerning this LOI shall be at a court of competent jurisdiction in California.

12.Nonbinding Agreement. The LOI is intended to provide a basis for the preparation of a Purchase Agreement. Until such agreement has been prepared and executed and delivered by each of the parties, none of the provisions of this letter shall be binding upon any party except for the agreements and obligations contained in paragraphs 9 through 11. In the event the parties fail to enter into a mutually satisfactory Purchase Agreement on or before April 15, 2022, or unless this LOI is earlier terminated as provided herein, the understandings contained in this LOI, unless extended by mutual agreement of the parties, shall terminate without any liability of a party to the other party.

13.Expiration. We appreciate your consideration for this proposal and request your response by 5:00 p.m. PST on March 29, 2022.

We hope that this LOI conveys our enthusiasm for the opportunity. We look forward to hearing from you soon.

Sincerely yours,

Ararat Home of Los Angeles, Inc.

11) Letter of Intent from Ararat Home of Los Angeles – Redline and Comments by HumanGood SoCal dated March 25, 2022.

March 24, 2022

Daniel Ogus, Chief Operating Officer
HumanGood SoCal
516 Burchett Street
Glendale, California 91203

Dear Mr. Ogus:

On behalf of the Ararat Home of Los Angeles, Inc. ("Ararat Home"), we are pleased to present this Letter of Intent ("LOI") to purchase the assets, business operations, land and building ("Proposed Transaction") of HumanGood SoCal's Windsor facility located at 1230 E. Windsor Road, Glendale, CA ("Windsor"). The Ararat Home and HumanGood SoCal have long histories of providing a common vision of helping older adults live their best lives possible, and they share a mutual respect of each group's values and integrity. We are confident this opportunity brings together two well-aligned company cultures that will impact the senior living, health care supportive service marketplace in a positive way.

The Ararat Home is prepared to move forward immediately with the steps to complete the Proposed Transaction. Based on the Ararat Home's familiarity with Windsor and the financial and business information provided, we believe the Ararat Home is uniquely situated to complete the Proposed Transaction with you. Accordingly, we request that you favorably consider our proposal to consummate the Proposed Transaction pursuant to the following terms:

1. Assets Purchased. The transaction will be structured as an asset purchase pursuant to a mutually satisfactory purchase agreement ("Purchase Agreement") to be executed by Ararat Home and HumanGood SoCal. The Ararat Home will purchase all of the assets, excluding cash, of HumanGood SoCal's Windsor facility, including the land, building, fixtures and equipment and all other operating assets at the location, as outlined in this LOI and to be further described in the Purchase Agreement ("Assets"); provided Ararat Home acknowledges and agrees that Ararat Home will not be purchasing the name "HumanGood" and any variation thereof, as well as any service marks, any associated logos or logo-types, any and all attendant state and/or federal service mark registrations, or other similar descriptive items, and that HumanGood SoCal and its affiliates will continue to use the name HumanGood post-closing. At closing, HumanGood SoCal will grant to Ararat Home a non-exclusive, nontransferable, limited license to use the name "HumanGood" and all associated logos in connection with Ararat's ownership and management of the Facility post-closing, which license shall remain in place for a period of ninety (90) days post-Closing.

15105 Mission Hills Road, Mission Hills, CA 91345 • (818) 365-3000 • info@ararathome.org • www.ararathome.org

2. Purchase Price. Subject to any adjustments provided herein, the aggregate purchase price to be paid by the Ararat Home will be (a) Fourteen Million Eight Hundred Thousand Dollars (\$14,800,000.00) plus (b) the amount of Assumed Liabilities (as defined below). Within two (2) business days of the signing of the Purchase Agreement, Ararat Home will deposit with Commonwealth Land Title ("Title Company") at 4100 Newport Place Drive, Suite 120, Newport Beach, CA 92660, Attention: Kelly Ralph, a deposit in the amount of Two Hundred Fifty Thousand Dollars (\$250,000), which shall remain refundable to the Ararat Home until it completes its investigation and approves moving forward with the transaction by the end of the Due Diligence Period (as described below). Assuming Ararat elects to proceed with closing, upon the expiration of the Due Diligence Period (as described below), Ararat will deposit with Title Company an additional deposit in the amount of Two Hundred Fifty Thousand Dollars (\$250,000). At closing, HumanGood SoCal shall pay fifty percent (50%) of escrow charges, any county transfer taxes, and the base premium for the title policy to be issued to Ararat Home at closing. Ararat Home shall pay fifty percent (50%) of escrow charges, any lender's policy, and any extended coverage and all endorsements to the title policy. All other closing costs shall be allocated in accordance with the custom in Los Angeles County. At Closing, the current installment of real property taxes and assessments, rent, if any, and all current operating expenses of the Assets shall be prorated between Ararat Home and HumanGood SoCal as of such date on the basis of a thirty (30) day month.

3. Assumed Liabilities. Upon closing the Proposed Transaction, the Ararat Home will not assume any liabilities of HumanGood SoCal, except accrued salaries/wages and deposits relating to Windsor, all obligations arising under the resident and occupancy agreements and under any leases/service contracts assumed by Ararat Home arising after closing, outstanding trade accounts payable incurred by HumanGood SoCal in the ordinary course of the Windsor facility's business and any other liabilities expressly assumed by Ararat Home under the terms of the Purchase Agreement ("Assumed Liabilities").

4. Purchase Agreement. As soon as reasonably practicable after the execution of this LOI, the parties shall commence negotiation of the Purchase Agreement. The Purchase Agreement shall include, without limitation, (i) the terms and conditions summarized in this LOI, (ii) an agreed net working capital at closing; and (iii) such other representations, warranties, conditions, covenants, indemnities, escrows and other terms that are customary for transactions of this kind.

5. All Cash Purchase. The Ararat Home intends to fund the Proposed Transaction with existing cash, so bank financing is not currently contemplated for the Proposed Transaction.

6. Due Diligence Period; Access to Information. For a period of ~~sixty-fourty-five~~ (6045) days from and after the execution of the Purchase Agreement ("Due Diligence Period"), Ararat Home,

at Ararat Home's expense, shall review and investigate the physical and environmental condition of the Assets, the character, quality, and general utility of Windsor, the zoning, land use, environmental and building requirements, and restrictions applicable to the Assets and its development, the state of title to the Real Property, any leases or other agreements effecting the Assets, all applicable licensing matters and all other matters Ararat Home feels is necessary to evaluate the Assets and the Proposed Transaction and determine its acceptability to Ararat Home. If, during the Due Diligence Period, Ararat Home determines that the Assets are not acceptable for any reason in Ararat Home's discretion, Ararat Home shall have the right, by giving written notice to HumanGood SoCal on or before the last day of the Due Diligence Period, to terminate the Purchase Agreement. In order to permit completion of the Ararat Home's due diligence during the Due Diligence Period on the timeframe set forth herein, the Ararat Home and its advisors must have reasonable access to HumanGood SoCal, the department heads at the Windsor facility, and outside advisors. Accordingly, upon advance notice to HumanGood SoCal's management, HumanGood SoCal and its outside advisors will provide the Ararat Home and its representatives access to HumanGood SoCal's books and records, contracts, facilities, key personnel, suppliers, independent accountants and attorneys, and all other documents and data, as reasonably requested by the Ararat Home in connection with the completion of the Proposed Transaction. HumanGood SoCal shall cooperate with the Ararat Home as may be necessary to facilitate its investigation of Windsor and shall provide such assistance as is reasonably requested.

7. Brokers, Professional Fees and Expenses. HumanGood SoCal and the Ararat Home represent to each other that no person is entitled to any finder's or broker's fee or commission in connection with the Proposed Transaction. HumanGood SoCal and the Ararat Home shall be responsible for its own expenses incurred in connection with the Proposed Transaction.

8. Closing. HumanGood SoCal and the Ararat Home shall close the Proposed Transaction immediately upon receipt of approval of the issuance of the applicable licenses and permits from the California Department of Public Health and the Department of Social Services for RCFE or CCRC, and receipt of approval from the attorney general's office approving the Proposed Transaction. It is the intention of both parties to use all reasonable efforts to expedite this transaction as quickly as possible.

9. Cooperation and Exclusivity. HumanGood SoCal and the Ararat Home Line will cooperate in good faith and expeditiously in the preparation of the documents and the taking of other actions necessary to carry out the Proposed Transaction. HumanGood SoCal agrees that, from the date of execution of this ~~LOT-LOI~~ until the earlier of (i) April 30, 2015, (ii) the Closing of the Proposed Transaction or (iii) the termination of this LOI by mutual written agreement of HumanGood SoCal and the Ararat Home, HumanGood SoCal shall not (a) negotiate the terms of, or enter into, any agreement, letter of intent or term sheet with any third party for the sale of the Assets, or (b) enter into discussions with one or more third parties regarding a possible sale of assets or stock/membership interests, related to the Assets.

Section 999.5(d)(1)(B)

14) Operations Transfer Agreement by and between HumanGood SoCal and Ararat Home of Los Angeles – Redline from Ararat Home of Los Angeles dated June 13, 2022.

OPERATIONS TRANSFER AGREEMENT

THIS OPERATIONS TRANSFER AGREEMENT (this “Agreement”) is made and entered into as of [●], 2022 (the “Effective Date”), by and among HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee”) (each of Transferor and Transferee being a “Party” and, collectively, the “Parties”), with respect to the following:

RECITALS

A. Transferor is the owner and licensed operator of that certain continuing care retirement community commonly referred to as “Windsor” and “Windsor Manor” and located at 1230 E. Windsor Road, Glendale, California (the “Facility”). The Facility includes independent living residences and assisted living that are licensed Residential Care Facility for the Elderly (the “RCFE Premises”) and a licensed Skilled Nursing Facility (the “SNF Premises”).

B. Transferor, as Seller, and Transferee, as Purchaser, are parties to that certain Purchase and Sale Agreement dated May 17, 2022 (as the same may hereinafter be amended or modified from time to time, the “PSA”), pursuant to which Transferor has agreed, upon and subject to the terms and conditions of such agreement, to transfer to Transferee all of its right, title and interest in and to certain properties and assets used in connection with the Facility, as of the “Closing Date” (as defined in the PSA).

C. Effective as of the Closing Date Transferee will become the new licensed operator of the RCFE Premises.

D. Transferee has applied for a skilled nursing facility license from the California Department of Public Health (“CDPH”) and Medicare and Medi-Cal certification from the applicable state and federal governmental authorities to operate the SNF Premises (the “License Approvals”).

E. To assure that a licensed party at all times controls the physical premises of the SNF Premises while CDPH processes Transferee’s skilled nursing facility license application, Transferor and Transferee have entered into an Interim Lease effective as of the Closing Date whereby Transferee has agreed to sublease its interest in the SNF Premises back to Transferor pursuant to the terms of the Interim Lease and subject to the agreement of Transferor to engage Transferee to manage the SNF Premises on an interim basis on behalf of Transferor pursuant to that certain Interim Management Agreement effective on the Closing date, pending issuance of the SNF License to Transferee by CDPH. The Interim Lease and Interim Management Agreement (collectively, the “Interim Agreements”) will terminate on the OTA Closing Date, which is the date that CDPH issues Transferee a new skilled nursing facility license for the SNF Premises.

F. In order to facilitate a transition of operational and financial responsibility from Transferor to Transferee in a manner which will ensure the continued operation of the SNF Premises after the Closing Date in compliance with applicable law and in a manner which does not jeopardize the health and welfare of the residents of the SNF Premises, Transferor and Transferee are desirous of documenting the terms and conditions on which Transferee will manage

the SNF Premises for Transferor on and after the Closing Date and certain other terms and conditions relevant to the transition of operational and financial responsibility from Transferor to Transferee.

AGREEMENT

IN CONSIDERATION OF the foregoing recitals, the mutual promises contained herein, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties hereby agree as follows:

1. Transfer of Property; Excluded Assets.

(a) Inventory. Transferor shall transfer and convey to Transferee on the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the consumable inventories of every kind and nature whatsoever located on or about the SNF Premises and used or held for use in connection with the operation of the SNF Premises (the “Inventory”).

(b) Personal Property. Transferor shall transfer and convey to Transferee on the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the Personal Property and Vehicles described in the PSA.

(c) Permits. Transferor shall transfer and convey to Transferee as of the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the Permits described in the PSA, it being understood and agreed that the Permits shall specifically exclude any state issued regulatory permits, certificates, licenses and authorizations that are not transferable by law, regulation or ordinance.

(d) Excluded Assets. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, the transactions contemplated by this Agreement shall exclude the Excluded Assets (as defined in the PSA) and in no event shall Transferor be required to convey to Transferee or to any other person any Excluded Assets.

(e) Delivery of Possession. On the Closing Date, Transferor shall deliver possession of its Inventory, the Personal Property, and the Permits for the SNF Premises to Transferee (at the SNF Premises, in the case of tangible property).

(f) “As Is, Where Is” Transfer. Except as specifically set forth in this PSA, the Inventory, the Personal Property, the Vehicles and the Permits are being conveyed in their “as is, where is” condition.

(g) Bill of Sale and General Assignment. On the Closing Date, Transferor shall execute a Bill of Sale and General Assignment substantially in the form annexed as Exhibit A hereto to evidence the conveyance by Transferor of its Inventory, the Personal Property and the Permits to Transferee.

2. Employees.

(a) Employees Interviews. At any time during the thirty (30) day period prior to the anticipated Closing Date, upon prior notice to Transferor and in consultation with Transferor and as otherwise provided in the PSA, Transferee may conduct interviews of individuals employed at the Facility (collectively, "Employees"); and prior to the Closing Date, Transferee shall make offers of employment to the Employees in accordance with the terms of the PSA. Transferee shall coordinate with Transferor prior to making any disclosures of its hire/no hire decisions or making offers of employment to any such Employees.

(b) Accrued Employee Benefits. Transferor shall pay out the Accrued Employee Benefits to all of the hired Employees, on or before the next regularly scheduled payroll date following the Closing Date or at such earlier time as required by (and otherwise in accordance with) applicable law, in accordance with Transferor's standard policies in effect prior to the Closing Date.

3. Residency Agreements; Operating/Lease Contracts; Records.

(a) Residency Agreements. Effective on the OTA Closing Date, Transferor shall assign to Transferee and Transferor shall assume the residency agreements (the "Residency Agreements") for the then-current residents (the "Residents") of the SNF Premises. Transferor shall remain responsible for the obligations of Transferor arising under the Residency Agreements prior to the OTA Closing Date.

(b) Operating/Lease Contracts. In accordance with the terms of the PSA, Transferor shall assign to Transferee the service or equipment contracts or leases with certain third-party vendors that provide goods or services to the Facility, including the SNF Premises, designated by Transferee to the extent assignable (the "Operating Contracts"). Transferor shall be responsible for the obligations of Transferor arising under the Operating Contracts that are not assigned assignable before the OTA Closing Date. Transferee shall be responsible for the obligations under the assigned Operating Contracts. On the Closing Date, all vendor or service arrangements for the benefit of multiple senior living communities of Seller or its affiliates, including the Facility and other communities owned, leased or managed by Seller or its affiliates, including, without limitation, any national or regional contracts and/or leases negotiated by Transferor or its affiliates (the "National Contracts") will cease providing goods or services to the Facility and Transferee will be responsible for establishing new relationships with vendors for these goods and services.

(c) Assignment and Assumption Agreement. On the OTA Closing Date, Transferor and Transferee shall execute an Assignment and Assumption Agreement with respect to the Residency Agreements and any Operating/Lease Contracts not assigned on the Closing Date^[GPJ1], substantially in the form annexed as Exhibit B hereto.

(d) Records. On the Closing Date, Transferor shall deliver possession to Transferee of (i) copies of the employee records which relate exclusively to the SNF Premises and are necessary for the continued operation of the SNF Premises; (ii) all of the records or written documents physically located at the SNF Premises and relating to current Residents of the SNF

Premises, in the form in which such records or written documents are currently held; and (iii) any active sales leads solely for the SNF Premises, and the lead sources related thereto, in the format in which such sales leads and lead source are currently maintained for the SNF Premises.

4. Medicare, Medi-Cal and Managed Care Agreements

(a) Medicare/Medi-Cal/Managed Care Agreements.

(i) Schedule I lists Transferor's Medicare and Medi-Cal provider numbers that pertains to the SNF Premises, Schedule II sets forth a list of the contracts between Transferor and managed care organizations that pertain to the SNF Premises (collectively, the "Medicare MCO Contracts").

(ii) Assignment and Assumption. To the extent permitted by applicable law, Transferor transfers, assigns, conveys and delivers to Transferee, and Transferee acquires and accepts from Transferor, all of Transferor's right, title and interest in Transferor's Medicare Provider Agreement (the "Medicare Assets"), provided that the parties recognize that this Agreement is not enforceable against the Centers for Medicare and Medicaid Services ("CMS") with respect to the imposition by CMS of any successor liability under applicable laws and CMS regulations. Transferee will be solely responsible pursuant to applicable law for the assigned Medicare Assets.

(iii) On the Closing Date, Transferor shall deliver to each managed care organization that is a party to a Medicare MCO Contract written notice of the transfer of the operations of the SNF Premises (including, without limitation, all billing related to the care rendered to the Residents thereof) from Transferor to Transferee. From and after the Closing Date, Transferee shall (x) perform all of the obligations that are to be performed by the operator and manager of the SNF Premises under the MCO Contracts or the Replacement MCO Contracts (as defined below) and that first arise from and after the Closing Date and (y) at Transferee's sole cost and expense, diligently pursue and use commercially reasonable efforts to cause each managed care organization to enter into a new contract with Transferee (each such replacement contract, a "Replacement MCO Contract"). Transferee acknowledges and agrees that Transferor makes no representation or warranty as to when or if each such managed care organization will agree to enter into a Replacement MCO Contract with Transferee.

(iv) Transferee shall indemnify, defend and hold harmless Transferor from and against any loss, damage, liability, claim, cost or expense (including, without limitation, reasonable attorneys' fees and any amounts payable by Transferor, whether by contractual indemnity or otherwise) that may be incurred by, or asserted against, Transferor arising out of or relating to Transferee's efforts to obtain assignment of the Medicare Assets, Transferee's efforts to cause the managed care organizations to enter into the Replacement MCO Contracts, any failure of Transferee to comply with their obligations pursuant to this Section or Transferee's billings under the Government Program (as defined below), or any other payer contracts.

5. Medicare Change of Ownership

(a) Transferee has filed a Medicare change of ownership application (the “CHOW”) with the applicable CMS Medicare Administrative Contractor (the “CMS MAC”) for the assignment of the Medicare Assets to Transferee. Transferee shall use commercially reasonable efforts to obtain, as soon as possible following the date hereof, CMS MAC and CMS Regional Office (“RO”) approval of the CHOW. Transferee shall be solely responsible for any and all costs associated with the CHOW process. Promptly upon receipt of a request from Transferor, Transferee will provide Transferor with copies of its CHOW application (which may be redacted for personal and ownership information) and any further documents submitted by Transferee to Medicare in response to any requests from such governmental authority.

(b) Transferor shall complete and file in a timely manner the “former owner,” “former operator,” or similar portions of the CHOW application, and complete and file in a timely manner all other required applications and forms, and shall otherwise reasonably cooperate with Transferee in order to facilitate the approval of the CHOW and assignment of the Medicare Assets. Promptly upon receipt of a request from Transferee, Transferor will provide Transferee with copies of its portion of the CHOW applications (which may be redacted for personal and ownership information) and any further documents reasonably requested by Transferee to be submitted to Medicare in response to any requests from such governmental authority.

(c) Transferee acknowledges that Transferor has not made, and is not making, any representation, warranty or other assurance regarding Transferee’s ability to (i) obtain any third-party payer agreement, or (ii) participate in any third-party payer program. Transferee acknowledges and agrees that it bears the entire risk of the foregoing and that, without waiving any rights or remedies under the PSA, Transferee will not have any claims against Transferor or any right to rescind all or any part of this Agreement, on the basis of any failure of the foregoing, unless and to the extent Transferor fails to cooperate [or otherwise comply with its obligations](#) pursuant to this Section. The provisions of this Section shall survive the expiration or any earlier termination of this Agreement.

6. Billings, Collections and Accounts Receivable.

(a) Billing. Transferor covenants to Transferee that, until the Closing Date, Transferor shall continue to bill the Residents and all other payers in the ordinary course of business consistent with past practices for amounts due under Residency Agreements or other payer contracts. From and after the Closing Date, Transferee shall assume responsibility for the billing of such amounts on and after the Closing Date, provided that Transferee is responsible for obtaining all other payer or provider agreements (commercial, governmental, or otherwise) which may be necessary for operating the SNF Premises on or after the Closing Date pursuant to Section 4. Transferor shall retain its right, title and interest in and to all unpaid accounts receivable with respect to the SNF Premises that relate to all periods prior to the Closing Date, including, but not

limited to, any accounts receivable arising from rate increase adjustments which relate to periods prior to the Closing Date even if such adjustments occur after the Closing Date.

(b) Private Pay Billing. The Parties acknowledge that private pay Residents are typically billed monthly by Transferor for amounts due under Residency Agreements in advance on or about the first (1st) day of each calendar month. Until the Closing Date, Transferor shall continue to bill private pay Residents in the ordinary course of business for amounts due under Residency Agreements. From and after the Closing Date, Transferee shall assume responsibility for billing private pay Residents for services provided to such residents on and after the Closing Date; provided, however, that Transferor may bill Residents after the Closing Date for services provided prior to the Closing Date that were not billed in advance on the first day of any calendar month prior to the Closing Date. Any private pay Resident payments that specifically identify dates of service, regardless of when received, shall be disbursed to Transferor or Transferee according to whether the dates of service were before or after the Closing Date. Private pay Resident payments that are not identified by dates of service and that are received by Transferor or Transferee during the first sixty (60) business days following the Closing Date shall be remitted to Transferor to be applied to reduce any outstanding private pay resident's obligations to Transferor, with any excess applied to reduce any balances due for services rendered by Transferee on and after the Closing Date. Private pay Resident payments that are not identified by dates of service and that are received by Transferor or Transferee on or after the sixty-first (61st) business day following the Closing Date, shall be remitted to Transferee or retained by Transferee, as applicable, to be applied to reduce private pay Residents' obligations to Transferee arising from and after the Closing Date. In the event the Parties mutually determine that any private pay Residents are entitled to a refund of payments, the portion thereof that relates to the period from and after the Closing Date shall be paid by Transferee and the portion thereof that relates to the period prior to the Closing Date shall be paid by Transferor to such private pay Resident.

(c) Medicare Billing.

(i) The Parties recognize that, subject to compliance with Medicare assignment rules, the Transferee is entitled to any and all outstanding Medicare receivables arising after the Closing Date on account of services rendered at the SNF Premises after the Closing Date. The Parties recognize that the CMS MAC continues to pay Transferor Medicare funds for the SNF Premises until the CMS MAC receives the tie-in/approval notice for the Medicare CHOW from the RO. Therefore, to the extent permitted under applicable law, (i) Transferee is hereby authorized to use the Medicare Provider Number in the name of and on behalf of Transferor, and in accordance with all applicable laws, regulations, and payor rules, to process invoices to and payments from Medicare, so long as those payments are deposited directly into a bank account designated in writing by, and in the name of and under the sole control of, Transferor for eligible services rendered at the SNF Premises after the Closing Date and until receipt of the tie-in/approval notice from the RO (the "CHOW Processing Period"), and (ii) Transferor is hereby authorized to continue to use the Medicare Provider Number, in its own name and behalf, to process invoices to and payments from Medicare for eligible services rendered at the SNF Premises on or prior to the Closing Date. '

(ii) Transferee and Transferor hereby acknowledge and agree that following the Closing Date and until the date that CMS sends the tie-in/approval notice to the CMS MAC, Transferee shall be allowed to bill under Transferor's existing Medicare Provider Agreement, insurance contracts and any other payor program related agreements for the SNF Premises (collectively, "Program Agreements"), and provider numbers for purposes of billing and collecting receivables on account of services rendered by Transferee after the Closing Date. In order to assist in the billing and collection of such receivables, and periodically track receivables, Transferor agrees to use its commercially reasonable efforts to permit Transferee access to any website of any carrier, fiscal intermediary or CMS MAC (collectively referred to as a "MAC"), or any other third-party payor. Transferor agrees to grant Transferee or its designee status as an authorized user under such websites (including establishing a new user id and password if applicable). From the Closing Date, Transferor hereby acknowledges that Transferee may submit claims, reports, documents and other information to the MAC for services provided to residents at the SNF Premises from the Closing Date until the date that CMS sends the tie-in/approval notice to the CMS MAC, as necessary to receive payment for such services. Transferor acknowledges and agrees that all receivables arising from services rendered on and after the Closing Date are the sole property of Transferee. Transferee shall not assume or be deemed to have assumed and shall not be responsible for any liability or obligation of Transferor under Transferor's Provider Agreement related to the operation of the SNF Premises with respect to periods prior to the Closing Date, and Transferor shall not assume or be deemed to have assumed and shall not be responsible for any liability or obligation relating to the operation of the SNF Premises with respect to periods subsequent to the Closing Date. Transferee shall be liable for any overpayments, recoupments or other liabilities relating to the SNF Premises by Medicare or any other third-party payor arising from the operation of the SNF Premises following the Closing Date.

(iii) Payments received by Transferor or Transferee on and after the Closing Date with respect to the SNF Premises from Medicare shall be handled as follows:

(A) If such payments either specifically indicate on the accompanying remittance advice, or if the Parties agree, that they relate to the period prior to the Closing Date, they shall be retained by Transferor or, if received by Transferee, remitted by Transferee to Transferor, as applicable, and the applicable remittance advice shall be provided to Transferee or Transferor as applicable.

(B) If such payments either specifically indicate on the accompanying remittance advice, or if the parties agree, that they relate to the period on or after the Closing Date, they shall be remitted by Transferor to Transferee, or if received by Transferee, retained by Transferee, as applicable, and the applicable remittance advice shall be provided to Transferee or Transferor as applicable.

(C) If such payments indicate on the accompanying remittance advice, or if the parties agree, that they relate to periods both prior to and after the Closing Date, the portion thereof which relates to the period after the

Closing Date shall be forwarded to, or retained by, Transferee, as applicable, and the balance shall be remitted to, or retained by, Transferor, as applicable.

(D) If the accompanying remittance advice, which is received by either party during the first sixty (60) days following the Closing Date does not indicate the period to which a payment relates or if there is no accompanying remittance advice, Transferor will attempt to reconcile the payment to the dates of service for which such payment was made, and the payments thereof which Transferor determines relate to the period after the Closing Date shall be forwarded to, or retained by, Transferee, as applicable, and any payments that relate to the period prior to the Closing Date shall be remitted to, or retained by, Transferor, as applicable. On the sixty-first (61st) day following the Closing Date, Transferor will provide Transferee with all information necessary to allow Transferee to perform the reconciliation described in this section of unaccounted for payments and will either forward to Transferor or retain such payments, as applicable. The party who performs the reconciliation of unaccounted for payments received in accordance with this section will promptly forward documentation to the other party supporting the allocation of the payment. If the Parties do not agree as to how to apply an unaccounted-for payment, then the payment shall be deemed to apply against the oldest outstanding account receivable due from such payor.

(d) Other Third-Party Payor Payments. Payments received by Transferor or Transferee on and after the Closing Date with respect to the SNF Premises from other third-party payors, such as the Medi-Cal Program, the Veterans Administration, managed care companies, or health maintenance organizations, shall be handled in accordance with Section 6(c)(iii).

(e) Timing. By the 20th day of each calendar month, Transferor or Transferee, as applicable, shall deposit to an account designated by Transferor or Transferee all payments due to Transferor or Transferee which are allocable to Transferor or Transferee pursuant to this Section 6 for the previous calendar month.

(f) Statement of Reconciliation. Promptly upon making payment due to Transferor or Transferee which are allocable to Transferor or Transferee pursuant to this Section 6 and in no event later than ten (10) days following a such payment, Transferor or Transferee, as applicable, shall prepare and deliver to Transferor or Transferee, as applicable, a proposed statement of reconciliation of payments received by either Party during such calendar month in respect of the SNF Premises (the "Proposed Reconciliation"). The Proposed Reconciliation shall appropriately reflect the net amount owed to each Party, respectively, as a result of such reconciliation. After approval of the Proposed Reconciliation by both Parties, the Party determined to owe any amounts as a result of such Proposed Reconciliation shall promptly pay such amounts to the other Party by wire transfer to an account designated in writing by such other Party. In addition to the Statement of Reconciliation, each Party agrees to forward to the other Party, as applicable, any and all remittance advice, explanations of benefits, denial of payment notices, and

all other correspondence related to the billing and collection of Accounts Receivable and allocation of payments promptly following receipt by each Party.

(g) Misapplied Payments. In the event the Parties mutually determine that any payment hereunder was misapplied by the parties, the party which erroneously received said payment shall remit the same to the other within two (2) business days after said determination is made.

(h) No Right Offset or Recoupment. To the extent either Transferor or Transferee receive any proceeds from the Accounts Receivable of the other Party, the Parties acknowledge that the Party receiving the payment belonging to the other Party shall hold the payment in trust. Neither Transferee nor Transferor shall have any right to offset or recoupment with respect to such Accounts Receivable, and any Party erroneously receiving a payment belonging to the other Party shall have no right, title or interest whatsoever in the payment and shall remit the same to the other as provided herein.

(i) Cooperation in Processing of Claims. Each Party agrees that it will provide the other Party with any information reasonably required to enable any Party to complete its billing to Residents or other payouts in accordance with this Agreement. If necessary, for a period of eighteen (18) months following the Closing Date:

(i) Each Party agrees to take all reasonable steps to assist the other in processing the Government Programs claims and obtaining payments for services rendered (i) in the case of Transferee, from and after the Closing Date, and (ii) in the case of Transferor, prior to the Closing Date.

(ii) The Party being assisted pursuant to this Section agrees to reimburse the Party rendering assistance for any reasonable, documented, out-of-pocket expenses (due to third parties) actually incurred by the assisting Party in rendering such assistance.

7. Cost Reports

(a) Transferor and Transferee shall each timely prepare and file with the appropriate Medicare and/or Medi-Cal agency, in accordance with applicable law and regulation, any final or other cost reports with respect to its operation of the SNF Premises which are required to be filed by law under the terms of the Medicare or Medi-Cal programs. The Parties shall cooperate fully by providing to each other any and all necessary financial or accounting information reasonably required by the other Party to enable such other Party to timely submit the foregoing described final or other cost reports and shall cooperate fully in any accounting decisions related to the depreciation of certain assets and the inclusion of Medicare bad debt on the final cost report filed by Transferor.

(b) In addition to the foregoing obligations, Transferor shall file, to the extent required by applicable regulations, a credit balance report (Form CMS-838) with Medicare within thirty (30) days following the end of the quarter in which this Agreement is executed and delivered. Transferor and Transferee shall each timely prepare and file with the appropriate payor

authorities, in accordance with applicable laws, any final or other cost reports with respect to its operation of the SNF Premises that are required under the terms of the Medicare program, including, without limitation, Transferor preparing and filing any and all final cost reports for the SNF Premises for the time period during which Transferor was the licensed operator of the SNF Premises (the “Final Assignor Cost Reports”), within the time frames required by applicable laws, but no later than one hundred and eighty (180) days after the Closing Date; provided, however, that Transferee shall reasonably cooperate with Transferor in connection with the preparation of any Final Assignor Cost Reports with respect to any portion of such Final Assignor Costs Reports relating to operations at the SNF Premises during the time between the Closing Date and the OTA Closing Date (the “Interim Period”). Prior to filing any Final Assignor Cost Reports that cover the Interim Period, Transferor shall forward drafts of the same to Transferee for review, and Transferee shall have ten (10) business days to review and comment on any portion thereof relating to the Interim Period. Transferor shall provide Transferee with copies of the Final Assignor Cost Reports within five (5) days after the same are filed with the applicable government program.

8. Indemnification. (a) In consideration of Transferor agreeing to allow Transferee to operate the SNF Premises under Transferor’s skilled nursing facility license and bill Medicare and other government programs using Transferor’s provider numbers during the Interim Period and as a further inducement for Transferor to enter into this Agreement and the Interim Agreements, Transferee hereby agrees to indemnify, protect, defend, and hold harmless Transferor and its affiliates, members, managers, directors, officers, employees and agents (collectively “Transferor Indemnified Parties”) from any losses, damages (other than consequential damages except to the extent payable to third parties), costs and expenses (including reasonable attorneys’ fees) which Transferor Indemnified Parties may at any time suffer or incur, or become subject to, as a result of or arising from: (a) a breach by Transferee of its obligations under this Agreement which is not cured within thirty (30) days after receipt of written notice from Transferor setting forth, in reasonable detail, the nature of such breach, or any breach of the obligation by Transferee to bill correctly and in accordance with all applicable laws, regulations, and payer rules during the time that the CHOW is being processed by the CMS MAC and RO (the “CHOW Billing Obligations”), (b) any liabilities with respect to Transferee’s handling of the Resident Funds received by Transferee; and (c) any liabilities incurred by any Transferor Indemnified Party with respect to the assigned Medicare Assets for services rendered on or after the date hereof, except to the extent arising from Transferor’s negligence or willful misconduct. The foregoing indemnity obligations of Transferee do not limit Transferee’s responsibility to perform its duties and obligations as set forth in this Agreement or Transferee’s direct responsibility for any breach of such obligations. (b) Transferor hereby agrees to indemnify, protect, defend, and hold harmless Transferee and its affiliates, members, managers, directors, officers, employees and agents from any and all claims, suits, demands, liability, damages, and expenses, including reasonable attorneys' fees and costs, to the extent arising from or in connection with Licensee’s maintenance of all state and federal licenses, permits certification and approvals required in connection with management and operation of the SNF Premises, negligence or willful misconduct, or breach of this Agreement, except to the extent of Transferee’s negligence or willful misconduct.

9. Transfer of Resident Trust Funds

(a) On the Closing Date, Transferor shall provide Transferee with a true, correct and complete accounting and inventory of all funds belonging to residents at the SNF

Premises (each, a “Resident”) which are held by Transferor in a custodial capacity (collectively, “Resident Funds”) as of the date hereof, subject to adjustment within fifteen (15) days following the date hereof. Such accounting and inventory will set forth the names of the Residents for whom such Resident Funds are held and the amounts held on behalf of each Resident. On the date hereof, Transferee acknowledges receipt of and expressly assumes all of Transferor’s financial and custodial obligations with respect thereto, it being the intent and purpose of this provision that, on the date hereof, Transferor will be relieved of all fiduciary and custodial obligation with respect to such Resident Funds delivered to Transferee and that Transferee will assume all such obligations and be directly accountable to the Residents with respect to all Resident Funds delivered to Transferee.

(b) Transferee shall have no responsibility as to the applicable Resident/responsible party and regulatory authorities for claims which arise from actions or omissions of Transferor with respect to the Resident Funds prior to the Closing Date, and such pre-existing liabilities (if any) related to the Resident Funds shall be and remain the responsibility of Transferor.

(c) Except as set forth above, Transferor shall have no responsibility to the applicable Resident/responsible party and regulatory authorities with respect to any Resident Funds delivered to Transferee. The provisions of this Section shall survive the expiration or any earlier termination of this Agreement.

10. Interim Covenants.

(a) The Parties acknowledge that (i) Transferee is required under the laws of the State of California to obtain all of the permits, licenses and governmental approvals described on Schedule III attached hereto for the operation of the SNF Premises (the “License Approvals”). Accordingly, Transferee agrees to (u) assume full responsibility for securing the License Approvals required with respect to the SNF Premises, (v) at its sole cost and expense, diligently pursue, and use commercially reasonable efforts to obtain the License Approvals, (w) ~~no less frequently than once per calendar month,~~ prepare and deliver to Transferor a written ~~monthly~~ status report with respect to Transferee’s efforts to obtain the License Approvals (a “Monthly License Approval Status Report”) with fifteen (15) day following Transferor’s written request, but no more than once every two months, (x) promptly notify Transferor in writing of any material development in connection with the License Approvals, (y) deliver to Transferor such reasonable documentation and information in respect of the License Approvals as Transferor may reasonably request from time to time and (z) deliver written notice to Transferor of Transferee’s receipt of the License Approvals no later than ten (10) two (2) business days after Transferee’s receipt thereof. Each ~~Monthly~~ License Approval Status Report shall summarize in reasonable detail (a) the efforts of Transferee (and any person acting on behalf of Transferee) to obtain the License Approvals for the period commencing since the prior ~~Monthly~~ License Approval Status Report was delivered and continuing up to the date of the ~~Monthly~~ License Approval Status Report then being delivered (except that the first ~~Monthly~~ License Approval Status Report shall instead cover the period between the Closing Date and the date such first ~~Monthly~~ License Approval Status Report is delivered), (b) the current status of the application for each License Approval (including commentary regarding the timing and likelihood of the receipt thereof), (c) the dates and subject matter of any and all future meetings, if any, planned (and/or scheduled, as applicable) with any

Governmental Authority in respect of the License Approvals and (d) any setbacks encountered by Transferee (and/or by any person acting on behalf of Transferee) in pursuit of the License Approvals. At Transferee's written request, Transferor agrees to cooperate reasonably and in good faith with Transferee as Transferee seeks to obtain the License Approvals from any applicable Governmental Authority as may be required, provided that Transferee shall pay all out-of-pocket costs and expenses arising in connection with the same or imposed by any Governmental Authority requirement (and reimburse Transferor for any such costs and expenses). If, at any time, Transferee receives notice that a License Approval has been denied, then Transferee shall (A) deliver written notice thereof to Transferor within five (5) business days after Transferee's receipt of such denial notice and (B) diligently pursue, at its sole cost and expense, any lawful challenge or appeal of such denial.

(b) Interim Agreements. On the Closing Date, Transferor and Transferee shall execute the Interim Agreements, pursuant to which an interim arrangement structure permits Transferee to begin managing the SNF Premises under Transferor's skilled nursing facility license, and allows for the applicable existing material permits, licenses, agreements and other authorizations issued and required by Governmental Authorities in connection with the operation of the SNF Premises to remain in full force and effect following the Closing Date and until the OTA Closing Date.

11. Costs and Prorations.

(a) As between Transferee and Transferor, any payments (including any amount paid to Transferor prior to the Closing Date for services to be rendered on and after the Closing Date from social security payments, private pay residents' security deposits and prepayments, applied income payments, resident trust prepayments, etc.); for SNF Premises operating expenses, utility charges for the billing period in which the Closing Date occurs, and prepaid expenses and other related items of revenue or expense attributable to the SNF Premises, including prepaid ~~the~~ SNF Premises license and permit fees, shall be prorated between Transferor and Transferee as of Closing Date. In general, such prorations shall be made so that as between Transferee and Transferor, Transferor shall be reimbursed for prepaid expense items to the extent that the same are applied to expenses attributable to periods on and after the Closing Date and Transferor shall be charged for unpaid expenses to the extent that the same are attributable to periods prior to the Closing Date. Any CDPH annual license renewal fees shall be the sole responsibility of, and paid by, Transferee. [GPJ2]

(b) Section 11(a) shall be implemented by Transferee remitting to Transferor any invoices (or the applicable portion thereof in the case of invoices which cover periods both prior to and after the Closing Date) which describe goods or services provided to the SNF Premises before the Closing Date and by Transferee assuming responsibility for the payment of any invoices (or portions thereof) which describe goods or services provided to the SNF Premises on and after the Closing Date; provided, however, that notwithstanding any provision of this Agreement to the contrary, any and all deposits paid by Transferor with respect to the SNF Premises, including without limitation, any and all utility, insurance company or surety shall remain the sole and exclusive property of Transferor, and Transferee shall have no right or interest therein or thereto, and to the extent that Transferor does not receive a return of any such deposit on the Closing Date and such security deposit has been assumed by Transferee, Transferee shall

reimburse the Transferor on the Closing Date the full amount of any such security deposit assumed by Transferee.

(c) All such prorations shall be made on the basis of actual days elapsed in the relevant accounting or revenue period and shall be based on the most recent information available to Transferor. Utility charges which are not metered and read on the Closing Date shall be estimated based on prior charges, and shall be re prorated upon receipt of statements therefor as of the Closing Date. Transferee shall obtain its own insurance coverage covering all periods commencing on and after the Closing Date and for the duration of the Interim Period, and shall name Transferor as an “Additional Insured” to said insurance coverage policies.

(d) All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the OTA Closing Date shall be settled within ten (10) business days after the OTA Closing Date or, in the event the information necessary for such adjustment is not available within said ten (10) business day period, then within seven (7) business days of receipt of information by either party necessary to settle the amounts subject to proration.

12. Access to Records

(a) On the Closing Date, Transferor shall deliver to Transferee all records necessary to the efficient, continued operation of the SNF Premises, including, but not limited to, investigating and defending malpractice, employee or other claims, filing or defending cost reports and tax returns, completing/revising, as needed, any resident assessments, verifying accounts receivable collections and filing exceptions to the Medicare routine cost limits for the cost reporting periods after the Closing Date. Nothing herein shall be construed as precluding Transferor from removing from the SNF Premises, (a) the originals of the financial records which relate to its operations at the SNF Premises, including all accounts payable and accounts receivable records; provided, however, Transferor shall leave copies of such records at the SNF Premises in order to facilitate the provisions of this Agreement, (b) the originals of any proprietary materials related to its overall corporate operations, (c) the originals of all performance improvement data, (d) originals of employee records for all former employees not employed by Transferee, (e) copies of resident records for all former residents no longer residing at the SNF Premises, (g) copies of records for all current residents residing at the SNF Premises, and (h) legacy records stored either on-site or off-site. Notwithstanding anything to the contrary in this Agreement, Transferor and Transferee agree that all information, records and data collected or maintained regarding the SNF Premises residents shall be confidential. Transferor, Transferee, and their respective employees and agents shall maintain the confidentiality of all SNF Premises resident information received in accordance with applicable California and federal laws, including HIPAA, the Health Insurance Portability and Accountability Act of 1996 (Public Law 104-91), the Health Information Technology for Economic and Clinical Health Act Public Law 111-005 (“HITECH”) and the regulations issued in connection therewith. No employee or agent of Transferor or Transferee shall discuss, transmit or narrate in any manner any SNF Premises resident information of a personal, medical, or other nature except as a necessary part of providing services to the resident, effectuating a transfer of the SNF Premises operations, or otherwise fulfilling its obligations under this Agreement or under law. The obligations under this Section shall survive the termination of this Agreement, whether by rescission or otherwise as amended and the regulations issued in connection therewith.

(b) From and after the Closing Date, Transferee shall allow Transferor and its agents and representatives to have reasonable access to (upon reasonable prior notice and during normal business hours), and to make copies of, the books and records and supporting material of the SNF Premises relating to the period prior to and including the date on which Transferee receives its new skilled nursing facility license from CDPH, to the extent reasonably necessary to enable Transferor to among other things investigate and defend malpractice, employee or other claims, to file or defend cost reports and tax returns, to complete/revise, as needed, any resident assessments which may be required for Transferor to seek reimbursement for services rendered prior to the Closing Date, to verify accounts receivable collections due Transferor and to file exceptions to the Medicare routine cost limits for the cost reporting periods prior to and including the Closing Date.

(c) Transferee agrees to maintain such books, records and other material comprising records of the SNF Premises operations, including, but not limited to, resident records and records of resident funds, to the extent required by law, which relate to the period preceding the Closing Date and which have been delivered to Transferee by Transferor in conjunction herewith. If upon the expiration of any legislatively mandated retention period for such books and records, ~~Transferor determines that it wishes to obtain said records, Transferee decides to dispose of or destroy such books and records, Transferee shall first notify Transferor in writing of its intention to dispose or destroy such books and records, and,~~ upon receipt of a written request from Transferor, Transferee shall allow Transferor a reasonable opportunity to remove such books and records, at Transferor's sole cost and expense, from the SNF Premises.

13. Accounting and Resident Data. Transferor shall transfer its accounts receivable data and resident care data in electronic form, if possible, to Transferee on or before the Closing Date and Transferor agrees to cooperate with Transferee in transferring such information and shall allow, to the extent such temporary arrangement is permissible under Transferor's vendor contracts, to use computer systems and software for a period of ninety (90) days after the Closing Date for accounts receivable collections and resident care maintenance. In the event, the Parties agree that it is not possible to electronically transfer Transferor's accounts receivable and/or resident care data to Transferee, Transferor shall provide hardcopy paper records of its resident care data to Transferee. Transferee will be responsible for any cost associated with the transfer (electronically or otherwise) by Transferor of its resident care data to Transferee not to exceed \$_____.

14. Submission to Jurisdiction; ~~Waiver of Jury Trial.~~ THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION

BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION. ~~TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTION CONTEMPLATED HEREBY, WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT, TORT OR OTHERWISE. THE PARTIES AGREE THAT EITHER OF THEM MAY FILE A COPY OF THIS PARAGRAPH WITH ANY COURT AS WRITTEN EVIDENCE OF THE KNOWING, VOLUNTARY AND BARGAINED-FOR AGREEMENT AMONG THE PARTIES IRREVOCABLY TO WAIVE TRIAL BY JURY AND THAT ANY ACTION OR PROCEEDING WHATSOEVER BETWEEN THEM RELATING TO THIS AGREEMENT OR THE TRANSACTION SHALL INSTEAD BE TRIED IN A COURT OF COMPETENT JURISDICTION BY A JUDGE SITTING WITHOUT A JURY.~~

15. Notice. Unless expressly provided otherwise herein, any notice, communication or demand required or permitted to be given under this Agreement shall be in writing (including e-mail communications) and shall be sent to the applicable party in accordance with the terms of the PSA.

16. Miscellaneous.

(a) No Bulk Transfer. Neither anything contained herein, nor the transactions provided for herein, shall be deemed or construed to constitute a “bulk sale”.

(b) Further Assurances. Each Party agrees to execute and deliver to any other Party any agreement, document or instrument deemed reasonably necessary or desirable to give effect to the transactions described in this Agreement.

(c) Entire Agreement. There are no agreements, understandings, commitments, representations or warranties between the Parties with respect to the subject matter hereof except as expressly set forth in this Agreement. This Agreement supersedes all prior oral or written negotiations, understandings and agreements between the Parties with respect to the subject matter hereof. In the event that any provision of this Agreement conflicts with a provision of the Purchase Agreement, the provision of the Purchase Agreement prevails.

(d) Captions; Pronouns. Any titles or captions contained in this Agreement are for convenience only and shall not be deemed part of the text of this Agreement. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as appropriate.

(e) Counterparts; Facsimile or Electronic Transmission. This Agreement may be executed in any number of multiple counterparts, each of which shall be deemed to be an original copy and all of which shall constitute one agreement, binding on the Parties. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Agreement. The words “executed”, “execution”, “signed”, “signature”, and words of like import in this Agreement shall include images of manually

executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

(f) Governing Law. IN ALL RESPECTS THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF CALIFORNIA (WITHOUT REGARD OF PRINCIPLES OR CONFLICTS OF LAW).

(g) Specific Performance. Each Party shall be entitled to enforce the terms of this Agreement through specific performance.

(h) Attorneys’ Fees. If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement or to resolve any dispute under this Agreement, the losing Party(ies) shall pay the attorneys’ fees, costs and necessary disbursements of the prevailing Party(ies) in addition to any other relief to which such prevailing Party(ies) may be entitled.

(i) No Third-Party Beneficiaries; Successors and Assigns. This Agreement shall not confer any rights or remedies upon any person other than the Parties and their respective successors and permitted assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. No Party, however, may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other Parties.

(j) Amendments. No amendment of any provision of this Agreement shall be valid unless, as a condition to the effectiveness of such change, the same shall be in writing and signed by the Party against whom the amendment is sought to be enforced. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

(k) Severability. In the event that any provision of this Agreement, as applied to any Party or to any circumstance, shall be adjudged by a court to be void, unenforceable or inoperative as a matter of law, then the same shall in no way affect any other provision in this Agreement, the application of such provision in any other circumstance or with respect to any other Party, or the validity or enforceability of this Agreement as a whole.

(l) Full Review and Advice of Counsel. Each Party and their respective attorneys have had full opportunity to review and participate in the drafting of the final form of

this Agreement. Accordingly, this Agreement shall be construed without regard to any presumption or other rule of construction against the Party causing this Agreement to be drafted.

(m) Time of the Essence. Time is of the essence of each and every provision of this Agreement.

IN WITNESS WHEREOF, the Parties have executed and entered into this Agreement as of the Effective Date.

Form of Bill of Sale and General Assignment

BILL OF SALE AND GENERAL ASSIGNMENT

THIS BILL OF SALE AND GENERAL ASSIGNMENT (this “Bill of Sale”) is made as of this [____] day of [____] (the “Effective Date”), by HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and [Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee)”].

W I T N E S S E T H

WHEREAS, Transferor owns and operates that certain continuing care retirement community commonly referred to “Windsor” and “Windsor Manor” and located at 1230 E. Windsor Road, Glendale, California.

WHEREAS, pursuant to that certain Operations Transfer Agreement dated as of [●], 2022 (the “OTA”), Transferor is required to transfer and convey to Transferee all of its right, title and interest in and to the Inventory, Personal Property and Permits (as each of such terms is defined in the OTA) other than the Excluded Assets (as defined in the OTA) (collectively, the “Transferred Property”) with respect to the Facility (as defined in the OTA), free and clear of all liens, charges, claims and encumbrances thereon, and Transferee is required to accept the transfer and conveyance thereof.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Transferor hereby agrees as follows:

1. Transfer of the Transferred Property. Transferor hereby grants, assigns, transfers, conveys and delivers to Transferee, absolutely and unconditionally, all of its right and interest in and to the Transferred Property with respect to the Facility. Except as aforesaid, the Transferred Property is being conveyed in its “as is, where is” condition.

2. Impact of Interim Agreements. Notwithstanding the foregoing, due to the fact that the Interim Agreements are being implemented for the SNF Premises as of the Closing Date, if applicable law prohibits the conveyance of any of the Transferred Property to Transferee until the OTA Closing Date, then such Transferred Property shall not be assigned, transferred or conveyed by Transferor as of the Closing Date, but rather shall be automatically assigned, transferred and conveyed by Transferor to Transferee upon the OTA Closing Date; provided, however, nothing herein shall derogate from any of Transferee’s obligations, as applicable, under the Interim Agreements (including, without limitation, Transferee’s responsibility for obligations with respect to the Transferred Property with respect to the SNF Premises for all periods from and after the Closing Date).

3. Successors and Assigns. This Bill of Sale shall be binding upon and inure to the benefit of Transferor and Transferee and their respective successors.

4. Signatures; Counterparts. This Bill of Sale may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Bill of Sale by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Bill of Sale. The words “executed”, “execution”, “signed”, “signature”, and words of like import in this Bill of Sale shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

5. Governing Law. This Bill of Sale shall be governed by and construed and enforced in accordance with the internal laws of the state of California without giving effect to the principles of conflicts of law thereof.

Form of Assignment and Assumption Agreement

ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (this “Assignment”) is made as of this [____] day of [____] (the “Effective Date”), by and between HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee”).

W I T N E S E T H

WHEREAS, Assignor and Assignee are parties to that certain Operations Transfer Agreement dated as of [●], 2022 (the “Operations Transfer Agreement”), which governs the transfer of operations and management of the continuing care retirement community commonly referred to as Windsor or Windsor Manor (the “Community”).

WHEREAS, pursuant to the Operations Transfer Agreement, (a) Transferor is required to assign, transfer and convey to Assignee all of its right, title and interest in, to and under the (i) Residency Agreements, other than Excluded Assets (as each such term is defined in the Operations Transfer Agreement) (collectively, the “Assigned Agreements”) with respect to the Facility (as defined in the Operations Transfer Agreement) and (ii) any assignable Utility Security Deposits (as defined in the Operations Transfer Agreement) other than Excluded Assets (the “Assigned Accounts”) with respect to the Facility, and (b) Assignee is required to accept such assignment, transfer and conveyance from and after the Closing Date with respect to the Facility (except with respect to the Residency Agreements that are applicable to the SNF Premises (as defined in the Operations Transfer Agreement), which shall be from and after the OTA Closing Date (as defined in the Operations Transfer Agreement); provided that nothing herein shall derogate from any of Transferee’s obligations, if applicable, under the Interim Agreements (as defined in the Operations Transfer Agreement) (including, without limitation, Transferee’s responsibility for Transferor’s obligations under the Residency Agreements with respect to the SNF Premises for periods from and after the Effective Date).

NOW THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the mutual receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

1. Assignment. Assignor assigns, transfers, and conveys unto Assignee all of its rights, title, interest, benefits and privileges in, to and under the Assigned Agreements and the Assigned Accounts with respect to the Facility.
2. Assumption. Each Assignee hereby expressly assumes and agrees to perform from and after the Effective Date all of the obligations of Assignor under the Assigned Agreements which first arise from and after the Effective Date (except with respect to the Residency Agreements that are applicable to the SNF Premises, which shall be from and after the

OTA Closing Date; provided that nothing herein shall derogate from any of Transferee's obligations, if applicable, under the Interim Agreements (including, without limitation, Transferee's responsibility for Transferor's obligations under the Residency Agreements with respect to the SNF Premises for periods from and after the Effective Date).

3. Impact of Interim Agreements. Notwithstanding the foregoing, due to the fact that the Interim Agreements (as defined in the Operations Transfer Agreement) are being implemented for the SNF Premises as of the Closing Date as defined in the PSA, if applicable law prohibits the assignment of any of the Assigned Agreements or Assigned Accounts to Assignee until the OTA Closing Date, then such Assigned Agreement or Assigned Account shall not be assigned, transferred or conveyed by Assignor as of the Closing Date, but rather shall be automatically assigned, transferred and conveyed by Assignor to Assignee upon the OTA Closing Date; provided, however, nothing herein shall derogate from any of Transferee's obligations, if applicable, under the Interim Agreements (including, without limitation, Transferee's responsibility for Transferor's obligations with respect to the Assigned Agreements and Assigned Accounts with respect to the SNF Premises for all periods from and after the Effective Date).

4. Binding Effect. This Assignment shall be binding upon, enforceable by and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Signatures; Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Assignment by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Assignment. The words "executed", "execution", "signed", "signature", and words of like import in this Assignment shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg") and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

6. Governing Law. This Assignment shall be governed by and construed and enforced in accordance with the internal laws of the state of California without giving effect to the principles of conflicts of law thereof.

Form of Interim Management Agreement

[Please See Attached]

15) Operations Transfer Agreement by and between HumanGood SoCal and Ararat Home of Los Angeles – Redline from HumanGood SoCal dated June 10, 2022.

OPERATIONS TRANSFER AGREEMENT

THIS OPERATIONS TRANSFER AGREEMENT (this “Agreement”) is made and entered into as of [●], 2022 (the “Effective Date”), by and among HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee”) (each of Transferor and Transferee being a “Party” and, collectively, the “Parties”), with respect to the following:

RECITALS

A. Transferor is the owner and licensed operator of that certain continuing care retirement community commonly referred to as “Windsor” and “Windsor Manor” and located at 1230 E. Windsor Road, Glendale, California (the “Facility”). The Facility includes independent living residences and assisted living that are licensed Residential Care Facility for the Elderly (the “RCFE Premises”) and a licensed Skilled Nursing Facility (the “SNF Premises”).

B. Transferor, as Seller, and Transferee, as Purchaser, are parties to that certain Purchase and Sale Agreement dated May 17, 2022 (as the same may hereinafter be amended or modified from time to time, the “PSA”), pursuant to which Transferor has agreed, upon and subject to the terms and conditions of such agreement, to transfer to Transferee all of its right, title and interest in and to certain properties and assets used in connection with the Facility, as of the “Closing Date” (as defined in the PSA).

C. Effective as of the Closing Date Transferee will become the new licensed operator of the RCFE Premises.

D. Transferee has applied for a skilled nursing facility license from the California Department of Public Health (“CDPH”) and Medicare and Medi-Cal certification from the applicable state and federal governmental authorities to operate the SNF Premises (the “License Approvals”).

E. To assure that a licensed party at all times controls the physical premises of the SNF Premises while CDPH processes Transferee’s skilled nursing facility license application, Transferor and Transferee have entered into an Interim Lease effective as of the Closing Date whereby Transferee has agreed to sublease its interest in the SNF Premises back to Transferor pursuant to the terms of the Interim Lease and subject to the agreement of Transferor to engage Transferee to manage the SNF Premises on an interim basis on behalf of Transferor pursuant to that certain Interim Management Agreement effective on the Closing date, pending issuance of the SNF License to Transferee by CDPH. The Interim Lease and Interim Management Agreement (collectively, the “Interim Agreements”) will terminate on the OTA Closing Date, which is the date that CDPH issues Transferee a new skilled nursing facility license for the SNF Premises.

F. In order to facilitate a transition of operational and financial responsibility from Transferor to Transferee in a manner which will ensure the continued operation of the SNF Premises after the Closing Date in compliance with applicable law and in a manner which does not jeopardize the health and welfare of the residents of the SNF Premises, Transferor and Transferee are desirous of documenting the terms and conditions on which Transferee will manage

the SNF Premises for Transferor on and after the Closing Date and certain other terms and conditions relevant to the transition of operational and financial responsibility from Transferor to Transferee.

AGREEMENT

IN CONSIDERATION OF the foregoing recitals, the mutual promises contained herein, and other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties hereby agree as follows:

1. Transfer of Property; Excluded Assets.

(a) Inventory. Transferor shall transfer and convey to Transferee on the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the consumable inventories of every kind and nature whatsoever located on or about the SNF Premises and used or held for use in connection with the operation of the SNF Premises (the “Inventory”).

(b) Personal Property. Transferor shall transfer and convey to Transferee on the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the Personal Property and Vehicles described in the PSA.

(c) Permits. Transferor shall transfer and convey to Transferee as of the Closing Date, to the extent legally assignable, all of its right, title and interest in and to the Permits described in the PSA, it being understood and agreed that the Permits shall specifically exclude any state issued regulatory permits, certificates, licenses and authorizations that are not transferable by law, regulation or ordinance.

(d) Excluded Assets. Notwithstanding the foregoing or anything to the contrary contained in this Agreement, the transactions contemplated by this Agreement shall exclude the Excluded Assets (as defined in the PSA) and in no event shall Transferor be required to convey to Transferee or to any other person any Excluded Assets.

(e) Delivery of Possession. On the Closing Date, Transferor shall deliver possession of its Inventory, the Personal Property, and the Permits for the SNF Premises to Transferee (at the SNF Premises, in the case of tangible property).

(f) “As Is, Where Is” Transfer. Except as specifically set forth in this PSA, the Inventory, the Personal Property, the Vehicles and the Permits are being conveyed in their “as is, where is” condition.

(g) Bill of Sale and General Assignment. On the Closing Date, Transferor shall execute a Bill of Sale and General Assignment substantially in the form annexed as Exhibit A hereto to evidence the conveyance by Transferor of its Inventory, the Personal Property and the Permits to Transferee.

2. Employees.

(a) Employees Interviews. At any time during the thirty (30) day period prior to the anticipated Closing Date, upon prior notice to Transferor and in consultation with Transferor and as otherwise provided in the PSA, Transferee may conduct interviews of individuals employed at the Facility (collectively, "Employees"); and prior to the Closing Date, Transferee shall make offers of employment to the Employees in accordance with the terms of the PSA. Transferee shall coordinate with Transferor prior to making any disclosures of its hire/no hire decisions or making offers of employment to any such Employees.

(b) Accrued Employee Benefits. Transferor shall pay out the Accrued Employee Benefits to all of the hired Employees, on or before the next regularly scheduled payroll date following the Closing Date or at such earlier time as required by (and otherwise in accordance with) applicable law, in accordance with Transferor's standard policies in effect prior to the Closing Date.

3. Residency Agreements; Operating/Lease Contracts; Records.

(a) Residency Agreements. Effective on the OTA Closing Date, Transferor shall assign to Transferee and Transferor shall assume the residency agreements (the "Residency Agreements") for the then-current residents (the "Residents") of the SNF Premises. Transferor shall remain responsible for the obligations of Transferor arising under the Residency Agreements prior to the OTA Closing Date.

(b) Operating/Lease Contracts. In accordance with the terms of the PSA, Transferor shall assign to Transferee the service or equipment contracts or leases with certain third-party vendors that provide goods or services to the Facility, including the SNF Premises, designated by Transferee to the extent assignable (the "Operating Contracts"). Transferor shall be responsible for the obligations of Transferor arising under the Operating Contracts that are not assigned. Transferee shall be responsible for the obligations under the assigned Operating Contracts. On the Closing Date, all vendor or service arrangements for the benefit of multiple senior living communities of Seller or its affiliates, including the Facility and other communities owned, leased or managed by Seller or its affiliates, including, without limitation, any national or regional contracts and/or leases negotiated by Transferor or its affiliates (the "National Contracts") will cease providing goods or services to the Facility and Transferee will be responsible for establishing new relationships with vendors for these goods and services.

(c) Assignment and Assumption Agreement. On the OTA Closing Date, Transferor and Transferee shall execute an Assignment and Assumption Agreement with respect to the Residency Agreements ~~and any Operating/Lease Contracts not assigned on the Closing Date~~^[GPH], substantially in the form annexed as Exhibit B hereto.

(d) Records. On the Closing Date, Transferor shall deliver possession to Transferee of (i) copies of the employee records which relate exclusively to the SNF Premises and are necessary for the continued operation of the SNF Premises; (ii) all of the records or written documents physically located at the SNF Premises and relating to current Residents of the SNF Premises, in the form in which such records or written documents are currently held; and (iii) any

active sales leads solely for the SNF Premises, and the lead sources related thereto, in the format in which such sales leads and lead source are currently maintained for the SNF Premises.

4. Medicare, Medi-Cal and Managed Care Agreements

(a) Medicare/Medi-Cal/Managed Care Agreements.

(i) Schedule I lists Transferor's Medicare and Medi-Cal provider numbers that pertains to the SNF Premises, Schedule II sets forth a list of the contracts between Transferor and managed care organizations that pertain to the SNF Premises (collectively, the "Medicare MCO Contracts").

(ii) Assignment and Assumption. To the extent permitted by applicable law, Transferor transfers, assigns, conveys and delivers to Transferee, and Transferee acquires and accepts from Transferor, all of Transferor's right, title and interest in Transferor's Medicare Provider Agreement (the "Medicare Assets"), provided that the parties recognize that this Agreement is not enforceable against the Centers for Medicare and Medicaid Services ("CMS") with respect to the imposition by CMS of any successor liability under applicable laws and CMS regulations. Transferee will be solely responsible pursuant to applicable law for the assigned Medicare Assets.

(iii) On the Closing Date, Transferor shall deliver to each managed care organization that is a party to a Medicare MCO Contract written notice of the transfer of the operations of the SNF Premises (including, without limitation, all billing related to the care rendered to the Residents thereof) from Transferor to Transferee. From and after the Closing Date, Transferee shall (x) perform all of the obligations that are to be performed by the operator and manager of the SNF Premises under the MCO Contracts or the Replacement MCO Contracts (as defined below) and that first arise from and after the Closing Date and (y) at Transferee's sole cost and expense, diligently pursue and use commercially reasonable efforts to cause each managed care organization to enter into a new contract with Transferee (each such replacement contract, a "Replacement MCO Contract"). Transferee acknowledges and agrees that Transferor makes no representation or warranty as to when or if each such managed care organization will agree to enter into a Replacement MCO Contract with Transferee.

(iv) Transferee shall indemnify, defend and hold harmless Transferor from and against any loss, damage, liability, claim, cost or expense (including, without limitation, reasonable attorneys' fees and any amounts payable by Transferor, whether by contractual indemnity or otherwise) that may be incurred by, or asserted against, Transferor arising out of or relating to Transferee's efforts to obtain assignment of the Medicare Assets, Transferee's efforts to cause the managed care organizations to enter into the Replacement MCO Contracts, any failure of Transferee to comply with their obligations pursuant to this Section or Transferee's billings under the Government Program (as defined below), or any other payer contracts.

5. Medicare Change of Ownership

(a) Transferee has filed a Medicare change of ownership application (the “CHOW”) with the applicable CMS Medicare Administrative Contractor (the “CMS MAC”) for the assignment of the Medicare Assets to Transferee. Transferee shall use commercially reasonable efforts to obtain, as soon as possible following the date hereof, CMS MAC and CMS Regional Office (“RO”) approval of the CHOW. Transferee shall be solely responsible for any and all costs associated with the CHOW process. Promptly upon receipt of a request from Transferor, Transferee will provide Transferor with copies of its CHOW application (which may be redacted for personal and ownership information) and any further documents submitted by Transferee to Medicare in response to any requests from such governmental authority.

(b) Transferor shall complete and file in a timely manner the “former owner,” “former operator,” or similar portions of the CHOW application, and complete and file in a timely manner all other required applications and forms, and shall otherwise reasonably cooperate with Transferee in order to facilitate the approval of the CHOW and assignment of the Medicare Assets. Promptly upon receipt of a request from Transferee, Transferor will provide Transferee with copies of its portion of the CHOW applications (which may be redacted for personal and ownership information) and any further documents reasonably requested by Transferee to be submitted to Medicare in response to any requests from such governmental authority.

(c) Transferee acknowledges that Transferor has not made, and is not making, any representation, warranty or other assurance regarding Transferee’s ability to (i) obtain any third-party payer agreement, or (ii) participate in any third-party payer program. Transferee acknowledges and agrees that it bears the entire risk of the foregoing and that, without waiving any rights or remedies under the PSA, Transferee will not have any claims against Transferor or any right to rescind all or any part of this Agreement, on the basis of any failure of the foregoing, unless and to the extent Transferor fails to cooperate or otherwise comply with its obligations pursuant to this Section. The provisions of this Section shall survive the expiration or any earlier termination of this Agreement.

6. Billings, Collections and Accounts Receivable.

(a) Billing. Transferor covenants to Transferee that, until the Closing Date, Transferor shall continue to bill the Residents and all other payers in the ordinary course of business consistent with past practices for amounts due under Residency Agreements or other payer contracts. From and after the Closing Date, Transferee shall assume responsibility for the billing of such amounts on and after the Closing Date, provided that Transferee is responsible for obtaining all other payer or provider agreements (commercial, governmental, or otherwise) which may be necessary for operating the SNF Premises on or after the Closing Date pursuant to Section 4. Transferor shall retain its right, title and interest in and to all unpaid accounts receivable with respect to the SNF Premises that relate to all periods prior to the Closing Date, including, but not

limited to, any accounts receivable arising from rate increase adjustments which relate to periods prior to the Closing Date even if such adjustments occur after the Closing Date.

(b) Private Pay Billing. The Parties acknowledge that private pay Residents are typically billed monthly by Transferor for amounts due under Residency Agreements in advance on or about the first (1st) day of each calendar month. Until the Closing Date, Transferor shall continue to bill private pay Residents in the ordinary course of business for amounts due under Residency Agreements. From and after the Closing Date, Transferee shall assume responsibility for billing private pay Residents for services provided to such residents on and after the Closing Date; provided, however, that Transferor may bill Residents after the Closing Date for services provided prior to the Closing Date that were not billed in advance on the first day of any calendar month prior to the Closing Date. Any private pay Resident payments that specifically identify dates of service, regardless of when received, shall be disbursed to Transferor or Transferee according to whether the dates of service were before or after the Closing Date. Private pay Resident payments that are not identified by dates of service and that are received by Transferor or Transferee during the first sixty (60) business days following the Closing Date shall be remitted to Transferor to be applied to reduce any outstanding private pay resident's obligations to Transferor, with any excess applied to reduce any balances due for services rendered by Transferee on and after the Closing Date. Private pay Resident payments that are not identified by dates of service and that are received by Transferor or Transferee on or after the sixty-first (61st) business day following the Closing Date, shall be remitted to Transferee or retained by Transferee, as applicable, to be applied to reduce private pay Residents' obligations to Transferee arising from and after the Closing Date. In the event the Parties mutually determine that any private pay Residents are entitled to a refund of payments, the portion thereof that relates to the period from and after the Closing Date shall be paid by Transferee and the portion thereof that relates to the period prior to the Closing Date shall be paid by Transferor to such private pay Resident.

(c) Medicare Billing.

(i) The Parties recognize that, subject to compliance with Medicare assignment rules, the Transferee is entitled to any and all outstanding Medicare receivables arising after the Closing Date on account of services rendered at the SNF Premises after the Closing Date. The Parties recognize that the CMS MAC continues to pay Transferor Medicare funds for the SNF Premises until the CMS MAC receives the tie-in/approval notice for the Medicare CHOW from the RO. Therefore, to the extent permitted under applicable law, (i) Transferee is hereby authorized to use the Medicare Provider Number in the name of and on behalf of Transferor, and in accordance with all applicable laws, regulations, and payor rules, to process invoices to and payments from Medicare, so long as those payments are deposited directly into a bank account designated in writing by, and in the name of and under the sole control of, Transferor for eligible services rendered at the SNF Premises after the Closing Date and until receipt of the tie-in/approval notice from the RO (the "CHOW Processing Period"), and (ii) Transferor is hereby authorized to continue to use the Medicare Provider Number, in its own name and behalf, to process invoices to and payments from Medicare for eligible services rendered at the SNF Premises on or prior to the Closing Date. '

(ii) Transferee and Transferor hereby acknowledge and agree that following the Closing Date and until the date that CMS sends the tie-in/approval notice to the CMS MAC, Transferee shall be allowed to bill under Transferor's existing Medicare Provider Agreement, insurance contracts and any other payor program related agreements for the SNF Premises (collectively, "Program Agreements"), and provider numbers for purposes of billing and collecting receivables on account of services rendered by Transferee after the Closing Date. In order to assist in the billing and collection of such receivables, and periodically track receivables, Transferor agrees to use its commercially reasonable efforts to permit Transferee access to any website of any carrier, fiscal intermediary or CMS MAC (collectively referred to as a "MAC"), or any other third-party payor. Transferor agrees to grant Transferee or its designee status as an authorized user under such websites (including establishing a new user id and password if applicable). From the Closing Date, Transferor hereby acknowledges that Transferee may submit claims, reports, documents and other information to the MAC for services provided to residents at the SNF Premises from the Closing Date until the date that CMS sends the tie-in/approval notice to the CMS MAC, as necessary to receive payment for such services. Transferor acknowledges and agrees that all receivables arising from services rendered on and after the Closing Date are the sole property of Transferee. Transferee shall not assume or be deemed to have assumed and shall not be responsible for any liability or obligation of Transferor under Transferor's Provider Agreement related to the operation of the SNF Premises with respect to periods prior to the Closing Date, and Transferor shall not assume or be deemed to have assumed and shall not be responsible for any liability or obligation relating to the operation of the SNF Premises with respect to periods subsequent to the Closing Date. Transferee shall be liable for any overpayments, recoupments or other liabilities relating to the SNF Premises by Medicare or any other third-party payor arising from the operation of the SNF Premises following the Closing Date.

(iii) Payments received by Transferor or Transferee on and after the Closing Date with respect to the SNF Premises from Medicare shall be handled as follows:

(A) If such payments either specifically indicate on the accompanying remittance advice, or if the Parties agree, that they relate to the period prior to the Closing Date, they shall be retained by Transferor or, if received by Transferee, remitted by Transferee to Transferor, as applicable, and the applicable remittance advice shall be provided to Transferee or Transferor as applicable.

(B) If such payments either specifically indicate on the accompanying remittance advice, or if the parties agree, that they relate to the period on or after the Closing Date, they shall be remitted by Transferor to Transferee, or if received by Transferee, retained by Transferee, as applicable, and the applicable remittance advice shall be provided to Transferee or Transferor as applicable.

(C) If such payments indicate on the accompanying remittance advice, or if the parties agree, that they relate to periods both prior to and after the Closing Date, the portion thereof which relates to the period after the

Closing Date shall be forwarded to, or retained by, Transferee, as applicable, and the balance shall be remitted to, or retained by, Transferor, as applicable.

(D) If the accompanying remittance advice, which is received by either party during the first sixty (60) days following the Closing Date does not indicate the period to which a payment relates or if there is no accompanying remittance advice, Transferor will attempt to reconcile the payment to the dates of service for which such payment was made, and the payments thereof which Transferor determines relate to the period after the Closing Date shall be forwarded to, or retained by, Transferee, as applicable, and any payments that relate to the period prior to the Closing Date shall be remitted to, or retained by, Transferor, as applicable. On the sixty-first (61st) day following the Closing Date, Transferor will provide Transferee with all information necessary to allow Transferee to perform the reconciliation described in this section of unaccounted for payments and will either forward to Transferor or retain such payments, as applicable. The party who performs the reconciliation of unaccounted for payments received in accordance with this section will promptly forward documentation to the other party supporting the allocation of the payment. If the Parties do not agree as to how to apply an unaccounted-for payment, then the payment shall be deemed to apply against the oldest outstanding account receivable due from such payor.

(d) Other Third-Party Payor Payments. Payments received by Transferor or Transferee on and after the Closing Date with respect to the SNF Premises from other third-party payors, such as the Medi-Cal Program, the Veterans Administration, managed care companies, or health maintenance organizations, shall be handled in accordance with Section 6(c)(iii).

(e) Timing. By the 20th day of each calendar month, Transferor or Transferee, as applicable, shall deposit to an account designated by Transferor or Transferee all payments due to Transferor or Transferee which are allocable to Transferor or Transferee pursuant to this Section 6 for the previous calendar month.

(f) Statement of Reconciliation. Promptly upon making payment due to Transferor or Transferee which are allocable to Transferor or Transferee pursuant to this Section 6 and in no event later than ten (10) days following a such payment, Transferor or Transferee, as applicable, shall prepare and deliver to Transferor or Transferee, as applicable, a proposed statement of reconciliation of payments received by either Party during such calendar month in respect of the SNF Premises (the "Proposed Reconciliation"). The Proposed Reconciliation shall appropriately reflect the net amount owed to each Party, respectively, as a result of such reconciliation. After approval of the Proposed Reconciliation by both Parties, the Party determined to owe any amounts as a result of such Proposed Reconciliation shall promptly pay such amounts to the other Party by wire transfer to an account designated in writing by such other Party. In addition to the Statement of Reconciliation, each Party agrees to forward to the other Party, as applicable, any and all remittance advice, explanations of benefits, denial of payment notices, and

all other correspondence related to the billing and collection of Accounts Receivable and allocation of payments promptly following receipt by each Party.

(g) Misapplied Payments. In the event the Parties mutually determine that any payment hereunder was misapplied by the parties, the party which erroneously received said payment shall remit the same to the other within two (2) business days after said determination is made.

(h) No Right Offset or Recoupment. To the extent either Transferor or Transferee receive any proceeds from the Accounts Receivable of the other Party, the Parties acknowledge that the Party receiving the payment belonging to the other Party shall hold the payment in trust. Neither Transferee nor Transferor shall have any right to offset or recoupment with respect to such Accounts Receivable, and any Party erroneously receiving a payment belonging to the other Party shall have no right, title or interest whatsoever in the payment and shall remit the same to the other as provided herein.

(i) Cooperation in Processing of Claims. Each Party agrees that it will provide the other Party with any information reasonably required to enable any Party to complete its billing to Residents or other payouts in accordance with this Agreement. If necessary, for a period of eighteen (18) months following the Closing Date:

(i) Each Party agrees to take all reasonable steps to assist the other in processing the Government Programs claims and obtaining payments for services rendered (i) in the case of Transferee, from and after the Closing Date, and (ii) in the case of Transferor, prior to the Closing Date.

(ii) The Party being assisted pursuant to this Section agrees to reimburse the Party rendering assistance for any reasonable, documented, out-of-pocket expenses (due to third parties) actually incurred by the assisting Party in rendering such assistance.

7. Cost Reports

(a) Transferor and Transferee shall each timely prepare and file with the appropriate Medicare and/or Medi-Cal agency, in accordance with applicable law and regulation, any final or other cost reports with respect to its operation of the SNF Premises which are required to be filed by law under the terms of the Medicare or Medi-Cal programs. The Parties shall cooperate fully by providing to each other any and all necessary financial or accounting information reasonably required by the other Party to enable such other Party to timely submit the foregoing described final or other cost reports and shall cooperate fully in any accounting decisions related to the depreciation of certain assets and the inclusion of Medicare bad debt on the final cost report filed by Transferor.

(b) In addition to the foregoing obligations, Transferor shall file, to the extent required by applicable regulations, a credit balance report (Form CMS-838) with Medicare within thirty (30) days following the end of the quarter in which this Agreement is executed and delivered. Transferor and Transferee shall each timely prepare and file with the appropriate payor

authorities, in accordance with applicable laws, any final or other cost reports with respect to its operation of the SNF Premises that are required under the terms of the Medicare program, including, without limitation, Transferor preparing and filing any and all final cost reports for the SNF Premises for the time period during which Transferor was the licensed operator of the SNF Premises (the “Final Assignor Cost Reports”), within the time frames required by applicable laws, but no later than one hundred and eighty (180) days after the Closing Date; provided, however, that Transferee shall reasonably cooperate with Transferor in connection with the preparation of any Final Assignor Cost Reports with respect to any portion of such Final Assignor Costs Reports relating to operations at the SNF Premises during the time between the Closing Date and the OTA Closing Date (the “Interim Period”). Prior to filing any Final Assignor Cost Reports that cover the Interim Period, Transferor shall forward drafts of the same to Transferee for review, and Transferee shall have ten (10) business days to review and comment on any portion thereof relating to the Interim Period. Transferor shall provide Transferee with copies of the Final Assignor Cost Reports within five (5) days after the same are filed with the applicable government program.

8. Indemnification. (a) In consideration of Transferor agreeing to allow Transferee to operate the SNF Premises under Transferor’s skilled nursing facility license and bill Medicare and other government programs using Transferor’s provider numbers during the Interim Period and as a further inducement for Transferor to enter into this Agreement and the Interim Agreements, Transferee hereby agrees to indemnify, protect, defend, and hold harmless Transferor and its affiliates, members, managers, directors, officers, employees and agents (collectively “Transferor Indemnified Parties”) from any losses, damages (other than consequential damages except to the extent payable to third parties), costs and expenses (including reasonable attorneys’ fees) which Transferor Indemnified Parties may at any time suffer or incur, or become subject to, as a result of or arising from: (a) a breach by Transferee of its obligations under this Agreement which is not cured within thirty (30) days after receipt of written notice from Transferor setting forth, in reasonable detail, the nature of such breach, or any breach of the obligation by Transferee to bill correctly and in accordance with all applicable laws, regulations, and payer rules during the time that the CHOW is being processed by the CMS MAC and RO (the “CHOW Billing Obligations”), (b) any liabilities with respect to Transferee’s handling of the Resident Funds received by Transferee; and (c) any liabilities incurred by any Transferor Indemnified Party with respect to the assigned Medicare Assets for services rendered on or after the date hereof, except to the extent arising from Transferor’s negligence or willful misconduct. The foregoing indemnity obligations of Transferee do not limit Transferee’s responsibility to perform its duties and obligations as set forth in this Agreement or Transferee’s direct responsibility for any breach of such obligations. (b) Transferor hereby agrees to indemnify, protect, defend, and hold harmless Transferee and its affiliates, members, managers, directors, officers, employees and agents from any and all claims, suits, demands, liability, damages, and expenses, including reasonable attorneys' fees and costs, to the extent arising from or in connection with Licensee’s ~~maintenance of all state and federal licenses, permits certification and approvals required in connection with management and operation of the SNF Premises,~~ negligence or willful misconduct hereunder, or breach of this Agreement, except to the extent of Transferee’s negligence or willful misconduct. During the term of this Agreement, Licensee warrants that it will not revoke any of the state and federal licenses, permits, certifications, and approvals from governmental authorities that have jurisdiction over the Facility's licensure and operation that are required to be held by Licensee after the Closing Date, including the SNF License, until the date Transferee obtains the permits, certifications and approvals from governmental authorities needed to operate

the Facility as a skilled nursing facility.

9. Transfer of Resident Trust Funds

(a) On the Closing Date, Transferor shall provide Transferee with a true, correct and complete accounting and inventory of all funds belonging to residents at the SNF Premises (each, a “Resident”) which are held by Transferor in a custodial capacity (collectively, “Resident Funds”) as of the date hereof, subject to adjustment within fifteen (15) days following the date hereof. Such accounting and inventory will set forth the names of the Residents for whom such Resident Funds are held and the amounts held on behalf of each Resident. On the date hereof, Transferee acknowledges receipt of and expressly assumes all of Transferor’s financial and custodial obligations with respect thereto, it being the intent and purpose of this provision that, on the date hereof, Transferor will be relieved of all fiduciary and custodial obligation with respect to such Resident Funds delivered to Transferee and that Transferee will assume all such obligations and be directly accountable to the Residents with respect to all Resident Funds delivered to Transferee.

(b) Transferee shall have no responsibility as to the applicable Resident/responsible party and regulatory authorities for claims which arise from actions or omissions of Transferor with respect to the Resident Funds prior to the Closing Date, and such pre-existing liabilities (if any) related to the Resident Funds shall be and remain the responsibility of Transferor.

(c) Except as set forth above, Transferor shall have no responsibility to the applicable Resident/responsible party and regulatory authorities with respect to any Resident Funds delivered to Transferee. The provisions of this Section shall survive the expiration or any earlier termination of this Agreement.

10. Interim Covenants.

(a) The Parties acknowledge that (i) Transferee is required under the laws of the State of California to obtain all of the permits, licenses and governmental approvals described on Schedule III attached hereto for the operation of the SNF Premises (the “License Approvals”). Accordingly, Transferee agrees to (u) assume full responsibility for securing the License Approvals required with respect to the SNF Premises, (v) at its sole cost and expense, diligently pursue, and use commercially reasonable efforts to obtain the License Approvals, (w) prepare and deliver to Transferor a written status report with respect to Transferee’s efforts to obtain the License Approvals (a “License Approval Status Report”) with fifteen (15) day following Transferor’s written request, but no more than once every two months, (x) promptly notify Transferor in writing of any material development in connection with the License Approvals, (y) deliver to Transferor such reasonable documentation and information in respect of the License Approvals as Transferor may reasonably request from time to time and (z) deliver written notice to Transferor of Transferee’s receipt of the License Approvals no later than ten (10) business days after Transferee’s receipt thereof. Each License Approval Status Report shall summarize in reasonable detail (a) the efforts of Transferee (and any person acting on behalf of Transferee) to obtain the License Approvals for the period commencing since the prior License Approval Status Report was delivered and continuing up to the date of the License Approval Status Report then

being delivered (except that the first License Approval Status Report shall instead cover the period between the Closing Date and the date such first License Approval Status Report is delivered), (b) the current status of the application for each License Approval (including commentary regarding the timing and likelihood of the receipt thereof), (c) the dates and subject matter of any and all future meetings, if any, planned (and/or scheduled, as applicable) with any Governmental Authority in respect of the License Approvals and (d) any setbacks encountered by Transferee (and/or by any person acting on behalf of Transferee) in pursuit of the License Approvals. At Transferee's written request, Transferor agrees to cooperate reasonably and in good faith with Transferee as Transferee seeks to obtain the License Approvals from any applicable Governmental Authority as may be required, provided that Transferee shall pay all out-of-pocket costs and expenses arising in connection with the same or imposed by any Governmental Authority requirement (and reimburse Transferor for any such costs and expenses). If, at any time, Transferee receives notice that a License Approval has been denied, then Transferee shall (A) deliver written notice thereof to Transferor within five (5) business days after Transferee's receipt of such denial notice and (B) diligently pursue, at its sole cost and expense, any lawful challenge or appeal of such denial.

(b) Interim Agreements. On the Closing Date, Transferor and Transferee shall execute the Interim Agreements, pursuant to which an interim arrangement structure permits Transferee to begin managing the SNF Premises under Transferor's skilled nursing facility license, and allows for the applicable existing material permits, licenses, agreements and other authorizations issued and required by Governmental Authorities in connection with the operation of the SNF Premises to remain in full force and effect following the Closing Date and until the OTA Closing Date.

11. Costs and Prorations.

(a) As between Transferee and Transferor, any payments (including any amount paid to Transferor prior to the Closing Date for services to be rendered on and after the Closing Date from social security payments, private pay residents' security deposits and prepayments, applied income payments, resident trust prepayments, etc.); for SNF Premises operating expenses, utility charges for the billing period in which the Closing Date occurs, and prepaid expenses and other related items of revenue or expense attributable to the SNF Premises, including prepaid ~~the~~ SNF Premises license and permit fees, shall be prorated between Transferor and Transferee as of Closing Date. In general, such prorations shall be made so that as between Transferee and Transferor, Transferor shall be reimbursed for prepaid expense items to the extent that the same are applied to expenses attributable to periods on and after the Closing Date and Transferor shall be charged for unpaid expenses to the extent that the same are attributable to periods prior to the Closing Date. Any CDPH annual license renewal fees shall be the sole responsibility of, and paid by, Transferee. ~~GPJ2~~ [NTD: TRANSFEEEE SHOULD BE RESPONSIBLE FOR ALL LICENSE FEES POST-CLOSING AS TRANSFEEEE IS THE OWNER OF THE PROJECT AT THAT POINT AND IS THEREFORE RESPONSIBLE FOR ALL FEES ATTRIBUTABLE TO THE OWNERSHIP/OPERATION OF THE PROJECT]

(b) Section 11(a) shall be implemented by Transferee remitting to Transferor any invoices (or the applicable portion thereof in the case of invoices which cover periods both prior to and after the Closing Date) which describe goods or services provided to the

SNF Premises before the Closing Date and by Transferee assuming responsibility for the payment of any invoices (or portions thereof) which describe goods or services provided to the SNF Premises on and after the Closing Date; provided, however, that notwithstanding any provision of this Agreement to the contrary, any and all deposits paid by Transferor with respect to the SNF Premises, including without limitation, any and all utility, insurance company or surety shall remain the sole and exclusive property of Transferor, and Transferee shall have no right or interest therein or thereto, and to the extent that Transferor does not receive a return of any such deposit on the Closing Date and such security deposit has been assumed by Transferee, Transferee shall reimburse the Transferor on the Closing Date the full amount of any such security deposit assumed by Transferee.

(c) All such prorations shall be made on the basis of actual days elapsed in the relevant accounting or revenue period and shall be based on the most recent information available to Transferor. Utility charges which are not metered and read on the Closing Date shall be estimated based on prior charges, and shall be re prorated upon receipt of statements therefor as of the Closing Date. Transferee shall obtain its own insurance coverage covering all periods commencing on and after the Closing Date and for the duration of the Interim Period, and shall name Transferor as an "Additional Insured" to said insurance coverage policies.

(d) All amounts which are subject to proration under the terms of this Agreement and which require adjustment after the OTA Closing Date shall be settled within ten (10) business days after the OTA Closing Date or, in the event the information necessary for such adjustment is not available within said ten (10) business day period, then within seven (7) business days of receipt of information by either party necessary to settle the amounts subject to proration.

~~12. — Access to Records Intentionally deleted.~~

~~On the Closing Date, Transferor shall deliver to Transferee all records necessary to the efficient, continued operation of the SNF Premises, including, but not limited to, investigating and defending malpractice, employee or other claims, filing or defending cost reports and tax returns, completing/revising, as needed, any resident assessments, verifying accounts receivable collections and filing exceptions to the Medicare routine cost limits for the cost reporting periods after the Closing Date. Nothing herein shall be construed as precluding Transferor from removing from the SNF Premises, (a) the originals of the financial records which relate to its operations at the SNF Premises, including all accounts payable and accounts receivable records; provided, however, Transferor shall leave copies of such records at the SNF Premises in order to facilitate the provisions of this Agreement, (b) the originals of any proprietary materials related to its overall corporate operations, (c) the originals of all performance improvement data, (d) originals of employee records for all former employees not employed by Transferee, (e) copies of resident records for all former residents no longer residing at the SNF Premises, (g) copies of records for all current residents residing at the SNF Premises, and (h) legacy records stored either on-site or off-site. Notwithstanding anything to the contrary in this Agreement, Transferor and Transferee agree~~

~~that all information, records and data collected or maintained regarding the SNF Premises residents shall be confidential. Transferor, Transferee, and their respective employees and agents shall maintain the confidentiality of all SNF Premises resident information received in accordance with applicable California and federal laws, including HIPAA, the Health Insurance Portability and Accountability Act of 1996 (Public Law 104-91), the Health Information Technology for Economic and Clinical Health Act Public Law 111-005 (“HITECH”) and the regulations issued in connection therewith. No employee or agent of Transferor or Transferee shall discuss, transmit or narrate in any manner any SNF Premises resident information of a personal, medical, or other nature except as a necessary part of providing services to the resident, effectuating a transfer of the SNF Premises operations, or otherwise fulfilling its obligations under this Agreement or under law. The obligations under this Section shall survive the termination of this Agreement, whether by rescission or otherwise as amended and the regulations issued in connection therewith.~~

~~From and after the Closing Date, Transferee shall allow Transferor and its agents and representatives to have reasonable access to (upon reasonable prior notice and during normal business hours), and to make copies of, the books and records and supporting material of the SNF Premises relating to the period prior to and including the date on which Transferee receives its new skilled nursing facility license from CDPH, to the extent reasonably necessary to enable Transferor to among other things investigate and defend malpractice, employee or other claims, to file or defend cost reports and tax returns, to complete/revise, as needed, any resident assessments which may be required for Transferor to seek reimbursement for services rendered prior to the Closing Date, to verify accounts receivable collections due Transferor and to file exceptions to the Medicare routine cost limits for the cost reporting periods prior to and including the Closing Date.~~

~~15.12. Transferee agrees to maintain such books, records and other material comprising records of the SNF Premises operations, including, but not limited to, resident records and records of resident funds, to the extent required by law, which relate to the period preceding the Closing Date and which have been delivered to Transferee by Transferor in conjunction herewith. If upon the expiration of any legislatively mandated retention period for such books and records, Transferor determines that it wishes to obtain said records, upon receipt of a written request from Transferor, Transferee shall allow Transferor a reasonable opportunity to remove such books and records, at Transferor’s sole cost and expense, from the SNF Premises.~~

~~16.13. Accounting and Resident Data. Transferor shall transfer its accounts receivable data and resident care data in electronic form, if possible, to Transferee on or before the Closing Date and Transferor agrees to cooperate with Transferee in transferring such information and shall allow, to the extent such temporary arrangement is permissible under Transferor’s vendor contracts, to use computer systems and software for a period of ninety (90) days after the Closing Date for accounts receivable collections and resident care maintenance. In the event, the Parties agree that it is not possible to electronically transfer Transferor’s accounts receivable and/or~~

resident care data to Transferee, Transferor shall provide hardcopy paper records of its resident care data to Transferee. Transferee will be responsible for any cost associated with the transfer (electronically or otherwise) by Transferor of its resident care data to Transferee not to exceed \$ _____.

~~17.~~14. Submission to Jurisdiction. THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA, WITHOUT REGARD TO THE CONFLICTS OF LAWS OF THE STATE OF CALIFORNIA. EACH OF THE PARTIES HERETO HEREBY CONSENTS AND SUBMITS TO THE JURISDICTION OF ANY LOCAL, STATE OR FEDERAL COURTS LOCATED WITHIN SAID STATE. EACH OF THE PARTIES HERETO HEREBY WAIVES PERSONAL SERVICE OF ANY AND ALL PROCESS AND AGREES THAT ALL SUCH SERVICE OF PROCESS MAY BE MADE UPON SUCH PARTIES BY CERTIFIED OR REGISTERED MAIL, RETURN RECEIPT REQUESTED, ADDRESSED TO SUCH PARTY, AT THE ADDRESS SET FORTH FOR NOTICE IN THIS AGREEMENT. THE PARTIES HERETO HEREBY WAIVE ANY RIGHT THEY MAY HAVE TO TRANSFER OR CHANGE THE VENUE OF ANY LITIGATION BROUGHT AGAINST SUCH PARTY IN ACCORDANCE WITH THIS SECTION.

~~18.~~15. Notice. Unless expressly provided otherwise herein, any notice, communication or demand required or permitted to be given under this Agreement shall be in writing (including e-mail communications) and shall be sent to the applicable party in accordance with the terms of the PSA.

~~19.~~16. Miscellaneous.

(a) No Bulk Transfer. Neither anything contained herein, nor the transactions provided for herein, shall be deemed or construed to constitute a “bulk sale”.

(b) Further Assurances. Each Party agrees to execute and deliver to any other Party any agreement, document or instrument deemed reasonably necessary or desirable to give effect to the transactions described in this Agreement.

(c) Entire Agreement. There are no agreements, understandings, commitments, representations or warranties between the Parties with respect to the subject matter hereof except as expressly set forth in this Agreement. This Agreement supersedes all prior oral or written negotiations, understandings and agreements between the Parties with respect to the subject matter hereof. In the event that any provision of this Agreement conflicts with a provision of the Purchase Agreement, the provision of the Purchase Agreement prevails.

(d) Captions; Pronouns. Any titles or captions contained in this Agreement are for convenience only and shall not be deemed part of the text of this Agreement. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural, as appropriate.

(e) Counterparts; Facsimile or Electronic Transmission. This Agreement may be executed in any number of multiple counterparts, each of which shall be deemed to be an original copy and all of which shall constitute one agreement, binding on the

Parties. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Agreement. The words “executed”, “execution”, “signed”, “signature”, and words of like import in this Agreement shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

(f) Governing Law. IN ALL RESPECTS THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF CALIFORNIA (WITHOUT REGARD OF PRINCIPLES OR CONFLICTS OF LAW).

(g) Specific Performance. Each Party shall be entitled to enforce the terms of this Agreement through specific performance.

(h) Attorneys’ Fees. If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement or to resolve any dispute under this Agreement, the losing Party(ies) shall pay the attorneys’ fees, costs and necessary disbursements of the prevailing Party(ies) in addition to any other relief to which such prevailing Party(ies) may be entitled.

(i) No Third-Party Beneficiaries; Successors and Assigns. This Agreement shall not confer any rights or remedies upon any person other than the Parties and their respective successors and permitted assigns. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. No Party, however, may assign either this Agreement or any of its rights, interests or obligations hereunder without the prior written approval of the other Parties.

(j) Amendments. No amendment of any provision of this Agreement shall be valid unless, as a condition to the effectiveness of such change, the same shall be in writing and signed by the Party against whom the amendment is sought to be enforced. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent such occurrence.

(k) Severability. In the event that any provision of this Agreement, as applied to any Party or to any circumstance, shall be adjudged by a court to be void, unenforceable or inoperative as a matter of law, then the same shall in no way affect any other provision in this

Agreement, the application of such provision in any other circumstance or with respect to any other Party, or the validity or enforceability of this Agreement as a whole.

(l) Full Review and Advice of Counsel. Each Party and their respective attorneys have had full opportunity to review and participate in the drafting of the final form of this Agreement. Accordingly, this Agreement shall be construed without regard to any presumption or other rule of construction against the Party causing this Agreement to be drafted.

(m) Time of the Essence. Time is of the essence of each and every provision of this Agreement.

IN WITNESS WHEREOF, the Parties have executed and entered into this Agreement as of the Effective Date.

Form of Bill of Sale and General Assignment

BILL OF SALE AND GENERAL ASSIGNMENT

THIS BILL OF SALE AND GENERAL ASSIGNMENT (this “Bill of Sale”) is made as of this [____] day of [____] (the “Effective Date”), by HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and [Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee)”].

W I T N E S S E T H

WHEREAS, Transferor owns and operates that certain continuing care retirement community commonly referred to “Windsor” and “Windsor Manor” and located at 1230 E. Windsor Road, Glendale, California.

WHEREAS, pursuant to that certain Operations Transfer Agreement dated as of [●], 2022 (the “OTA”), Transferor is required to transfer and convey to Transferee all of its right, title and interest in and to the Inventory, Personal Property and Permits (as each of such terms is defined in the OTA) other than the Excluded Assets (as defined in the OTA) (collectively, the “Transferred Property”) with respect to the Facility (as defined in the OTA), free and clear of all liens, charges, claims and encumbrances thereon, and Transferee is required to accept the transfer and conveyance thereof.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Transferor hereby agrees as follows:

1. Transfer of the Transferred Property. Transferor hereby grants, assigns, transfers, conveys and delivers to Transferee, absolutely and unconditionally, all of its right, title and interest in and to the Transferred Property with respect to the Facility. Except as aforesaid, the Transferred Property is being conveyed in its “as is, where is” condition.

2. Impact of Interim Agreements. Notwithstanding the foregoing, due to the fact that the Interim Agreements are being implemented for the SNF Premises as of the Closing Date, if applicable law prohibits the conveyance of any of the Transferred Property to Transferee until the OTA Closing Date, then such Transferred Property shall not be assigned, transferred or conveyed by Transferor as of the Closing Date, but rather shall be automatically assigned, transferred and conveyed by Transferor to Transferee upon the OTA Closing Date; provided, however, nothing herein shall derogate from any of Transferee’s obligations, as applicable, under the Interim Agreements (including, without limitation, Transferee’s responsibility for obligations with respect to the Transferred Property with respect to the SNF Premises for all periods from and after the Closing Date).

3. Successors and Assigns. This Bill of Sale shall be binding upon and inure to the benefit of Transferor and Transferee and their respective successors.

4. Signatures; Counterparts. This Bill of Sale may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Bill of Sale by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Bill of Sale. The words “executed”, “execution”, “signed”, “signature”, and words of like import in this Bill of Sale shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “pdf”, “tif” or “jpg”) and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

5. Governing Law. This Bill of Sale shall be governed by and construed and enforced in accordance with the internal laws of the state of California without giving effect to the principles of conflicts of law thereof.

Form of Assignment and Assumption Agreement

ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (this “Assignment”) is made as of this [____] day of [____] (the “Effective Date”), by and between HumanGood SoCal, a California non-profit public benefit corporation d/b/a “Windsor” and “Windsor Manor” (“Transferor”), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Transferee”).

W I T N E S E T H

WHEREAS, Assignor and Assignee are parties to that certain Operations Transfer Agreement dated as of [●], 2022 (the “Operations Transfer Agreement”), which governs the transfer of operations and management of the continuing care retirement community commonly referred to as Windsor or Windsor Manor (the “Community”).

WHEREAS, pursuant to the Operations Transfer Agreement, (a) Transferor is required to assign, transfer and convey to Assignee all of its right, title and interest in, to and under the (i) Residency Agreements, other than Excluded Assets (as each such term is defined in the Operations Transfer Agreement) (collectively, the “Assigned Agreements”) with respect to the Facility (as defined in the Operations Transfer Agreement) ~~and (ii) any assignable Utility Security Deposits (as defined in the Operations Transfer Agreement) other than Excluded Assets (the “Assigned Accounts”) with respect to the Facility,~~ and (b) Assignee is required to accept such assignment, transfer and conveyance from and after the Closing Date with respect to the Facility (except with respect to the Residency Agreements that are applicable to the SNF Premises (as defined in the Operations Transfer Agreement), which shall be from and after the OTA Closing Date (as defined in the Operations Transfer Agreement); provided that nothing herein shall derogate from any of Transferee’s obligations, if applicable, under the Interim Agreements (as defined in the Operations Transfer Agreement) (including, without limitation, Transferee’s responsibility for Transferor’s obligations under the Residency Agreements with respect to the SNF Premises for periods from and after the Effective Date).

NOW THEREFORE, in consideration of the foregoing premises and other good and valuable consideration, the mutual receipt and sufficiency of which are hereby acknowledged, the parties hereto do hereby agree as follows:

1. Assignment. Assignor assigns, transfers, and conveys unto Assignee all of its rights, title, interest, benefits and privileges in, to and under the Assigned Agreements and the Assigned Accounts with respect to the Facility.
2. Assumption. Each Assignee hereby expressly assumes and agrees to perform from and after the Effective Date all of the obligations of Assignor under the Assigned Agreements which first arise from and after the Effective Date (except with respect to the Residency Agreements that are applicable to the SNF Premises, which shall be from and after the

OTA Closing Date; provided that nothing herein shall derogate from any of Transferee's obligations, if applicable, under the Interim Agreements (including, without limitation, Transferee's responsibility for Transferor's obligations under the Residency Agreements with respect to the SNF Premises for periods from and after the Effective Date).

3. Impact of Interim Agreements. Notwithstanding the foregoing, due to the fact that the Interim Agreements (as defined in the Operations Transfer Agreement) are being implemented for the SNF Premises as of the Closing Date as defined in the PSA, if applicable law prohibits the assignment of any of the Assigned Agreements or Assigned Accounts to Assignee until the OTA Closing Date, then such Assigned Agreement or Assigned Account shall not be assigned, transferred or conveyed by Assignor as of the Closing Date, but rather shall be automatically assigned, transferred and conveyed by Assignor to Assignee upon the OTA Closing Date; provided, however, nothing herein shall derogate from any of Transferee's obligations, if applicable, under the Interim Agreements (including, without limitation, Transferee's responsibility for Transferor's obligations with respect to the Assigned Agreements and Assigned Accounts with respect to the SNF Premises for all periods from and after the Effective Date).

4. Binding Effect. This Assignment shall be binding upon, enforceable by and shall inure to the benefit of the parties hereto and their respective successors and assigns.

5. Signatures; Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Assignment by facsimile or electronic transmission (including, without limitation, a signature effectuated by DocuSign and/or transmitted by email in portable document format (.pdf)) shall be effective as delivery of a manually executed original counterpart of this Assignment. The words "executed", "execution", "signed", "signature", and words of like import in this Assignment shall include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, "pdf", "tif" or "jpg") and other electronic signatures (including DocuSign and Adobe Sign). The use of electronic signatures and electronic records (including any contract or other record created, generated, sent, communicated, received, or stored by electronic means) shall be of the same legal effect, validity and enforceability as a manually executed signature or use of a paper-based record-keeping system to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, and any other applicable law, including any state law based on the Uniform Electronic Transactions Act or the Uniform Commercial Code.

6. Governing Law. This Assignment shall be governed by and construed and enforced in accordance with the internal laws of the state of California without giving effect to the principles of conflicts of law thereof.

EXHIBIT C

Form of Interim Lease

[Please See Attached]

EXHIBIT D

Form of Interim Management Agreement

[Please See Attached]

16) DRAFT of Interim Lease Agreement by and between HumanGood SoCal and Ararat Home of Los Angeles, to be entered into upon the closing date of the sale July 8, 2022.

INTERIM LEASE AGREEMENT

THIS INTERIM LEASE AGREEMENT (this “Interim Lease”) is made and entered into as of this ____ day of _____, 2022 (the “Effective Date”) by and between Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (“Landlord”), and HumanGood SoCal, a California non-profit public benefit corporation d/b/a "Windsor" and "Windsor Manor" (“Licensee”).

RECITALS

A. Licensee, as “Seller,” and Landlord, as “Buyer”, are parties to that certain Purchase and Sale Agreement dated May 17, 2022 (the “Purchase Agreement”), pursuant to which Licensee is, on the Effective Date, transferring and assigning, and Landlord is acquiring, substantially all of the assets of Licensee relating to that certain continuing care retirement community commonly referred to "Windsor" and "Windsor Manor" and located at 1230 E. Windsor Road, Glendale, California (the skilled nursing portion of the Facility, together with all of Landlord’s right, title and interest in and to the assets being transferred or assigned to Landlord pursuant to the Purchase Agreement, the “Facility”), all as more particularly set forth in the Purchase Agreement.

B. Licensee currently holds skilled nursing facility license (the “SNF License”) for the operation of the Facility.

C. As of the Effective Date, Landlord has applied for a new skilled nursing facility license (the “New License”) from the California Department of Public Health (“DPH”) for the continued operation of the Facility as a Skilled Nursing Facility by Landlord.

D. Pending the issuance of the New License to Landlord, Landlord desires to lease the Facility to Licensee and Licensee desires to lease the Facility from Landlord for the purposes of assuring that a licensed party at all times controls the physical premises of the Facility and providing for the continued operation of the Facility by Licensee under the SNF License.

E. Concurrently with this Interim Lease, Licensee and Landlord are entering into that certain Interim Management Agreement of even date with the Effective Date (the “Interim Management Agreement”) and together with this Interim Lease, the “Interim Agreements”), pursuant to which Licensee is engaging Landlord to manage the Facility, all as more particularly set forth in the Interim Management Agreement.

F. The parties are interested in documenting the terms and conditions under which the Lease of the Facility shall occur.

G. Commensurate with DPH policy and within applicable time frames, Landlord will notify DPH of a change in licensure application and will submit to DPH all documentation required in connection therewith.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants herein contained, IT IS AGREED AS FOLLOWS:

AGREEMENT

1. LEASE OF THE FACILITY

Landlord does hereby lease to Licensee, and Licensee does hereby lease from Landlord, the Facility. Licensee hereby agrees to act as “tenant” of the Facility during the term hereof for the limited purpose of allowing Licensee to continue operating the Facility under the SNF License pending issuance of the New License in the name of Landlord, provided, however, that Licensee shall not have any liability for any claim in connection with this Interim Lease except to the extent resulting from the ~~gross~~-negligence or willful misconduct of Licensee. Without limiting the foregoing, Landlord shall be solely responsible for acquiring, maintaining and paying for any liability or other insurance for the Facility and shall be solely responsible for any losses relating to the Facility which are not covered by such insurance. In connection with the foregoing, Landlord agrees that during the Lease Term (as defined below) and for a period of three (3) years after the Lease Term, Licensee shall be named as additional insured on all policies of liability insurance for the Facility maintained by Landlord which policies of insurance shall be approved by Licensee. Prior to the Effective Date, Landlord shall provide to Licensee certificates of insurance evidencing such coverage.

2. TERM OF LEASE; DILIGENCE IN OBTAINING REQUIRED APPROVALS

The term of this Interim Lease (the “Lease Term”) shall commence on the Effective Date and shall terminate automatically without the need for further action or the execution of any further documents by any of the parties hereto, upon the date on which the New License is issued to Landlord. Landlord hereby covenants and agrees to proceed with commercially reasonable diligence to secure the New License and to inform Licensee in writing promptly upon issuance of the New License. ~~In the event the Lease Term extends beyond the date that is six (6) months after the Effective Date, Landlord shall pay to Licensee a sum equal to Five Thousand Dollars (\$5,000) per month, commencing on _____, and on the first day of each month thereafter for the duration of the Lease Term, as compensation for its services provided under this Interim Lease.~~

3. RENT

3.1. Landlord shall be entitled to any -net cash flow from the operation of the Facility. Further, Landlord shall be responsible for all costs and expenses related to the operation of the Facility during the term of this Interim Lease.

3.2. Without limiting the foregoing, Landlord shall be solely responsible for the condition of the Facility, including without limitation, all repairs (whether or not structural), and Landlord shall bear the risk of any condemnation or eminent domain proceeding and shall bear the entire risk of any fire or other casualty or damage to or destruction of any or all of the Facility.

3.3 Notwithstanding any provisions of this Interim Lease to the contrary, the obligations of Licensee and Landlord arising under this Section 3 for the period prior to the termination of this Interim Lease shall survive any termination of this Interim Lease.

4. **ASSIGNMENT**

The rights and obligations of a party under this Interim Lease may not be assigned or further sublet, or otherwise transferred in whole or in part without the prior written consent of the other party, provided, that Landlord may collaterally assign its rights under this Interim Lease to any lender providing financing for the Facility.

5. **SKILLED NURSING FACILITY REGULATIONS**

5.1. During the Lease Term, Licensee shall use commercially reasonable efforts to maintain, for the benefit of Landlord, the SNF License and any other necessary licenses, permits, consents, approvals and certifications from all governmental authorities that have jurisdiction over the ownership and operation of the Facility (other than any material permits or licenses required to be held by any of the commercial tenants under the commercial leases in connection with their respective operations at the Facility), such that the Facility will comply with all applicable and relevant regulations related to skilled nursing facilities in effect from time to time (provided, however, that Licensee shall be excused from taking any action for which Landlord has not provided sufficient sums in accordance with its obligations hereunder).

5.2 Licensee shall not ~~knowingly~~ take any action which it knows or has reason to believe will cause, nor will it unreasonably refuse to take any action that Landlord requests in writing that Licensee take at no cost to Licensee (provided, however, that Licensee shall be excused from taking any action for which Landlord has not provided sufficient sums) which it knows or has reason to believe will prevent, any governmental authority having jurisdiction over the ownership and operation of the Facility to institute any proceeding for the suspension, recession or revocation of any necessary license, permit, consent, approval or certification.

6. **NOTICE PROVISIONS**

All notices, demands and communications permitted or required to be given hereunder shall be in writing, and shall be delivered (i) personally, (ii) by United States registered or certified mail, postage prepaid, (iii) by Federal Express or other reputable courier service regularly providing evidence of delivery (with charges paid by the party sending the notice), or (iv) by facsimile or a PDF or similar attachment to an email. Any such notice to a party shall be addressed at the address set forth below (subject to the right of a party to designate a different address for itself by notice similarly given):

Service of any such notice or other communications so made shall be deemed effective on the day of actual delivery (whether accepted or refused), as evidenced by printed confirmation if by facsimile (provided that if any notice or other communication to be delivered by facsimile or email attachment as provided above cannot be transmitted because of a problem affecting the receiving party's computer, the deadline for receiving such notice or other communication shall be extended through the next business day), as shown by the addressee's return receipt if by certified mail, and as confirmed by the courier service if by courier; provided, however, that if such actual delivery occurs after 5:00 p.m. local time where received or on a non-business day, then such notice or communication so made shall be deemed effective on the first business day after the day of actual delivery. The attorneys for any party hereto shall be entitled to provide any notice that a party desires to provide or is required to provide hereunder.

7. INDEMNITY

7.1. Landlord shall indemnify, defend and save Licensee and its members and their respective affiliates, partners, members, managers, successors, assigns, heirs, legal representatives, devisees, officers, directors, shareholders, employees, and agents (each, a "Related Person") harmless from and against all actions, causes of action, claims, demands, liabilities, losses, damages, expenses (including without limitation court costs and attorneys' fees and other costs of enforcing this Interim Lease), judgments and amounts asserted against or incurred by them or paid in settlement (collectively, "Liabilities") in connection with (a) the Facility (to the extent such matters arise, and relate to events occurring, from and after the Effective Date) or (b) any other obligations hereunder, except to the extent arising from Licensee's ~~gross~~-negligence, intentional fraud or willful misconduct.

7.2 -Licensee shall indemnify, defend and hold Landlord and its members and Related Person harmless from any loss, liability or cost (including reasonable attorneys' fees) that Landlord may sustain, incur, or assume as a result of Licensee's breach of its obligations hereunder, except to the extent arising from Landlord's negligence, intentional fraud or willful misconduct.

7.23. Notwithstanding any provisions of this Interim Lease to the contrary, the indemnification obligations set forth herein shall survive the termination of this Interim Lease. Landlord and Licensee, respectively, shall have the right to defend with reputable counsel reasonably satisfactory to the other Licensee, and if the obligated party Landlord fails to defend any claim, the other Licensee may do so at the reasonable cost and expense of, and upon notice to, the other Landlord. Any settlement shall be subject to Landlord or Licensee's prior written approval, as the case may be.

7.34 Notwithstanding the above or anything to the contrary contained herein, in the event Landlord takes any action which would cause, or otherwise permit, any suspension or revocation of any licenses, certifications or permits, including the SNF License, held by Licensee, Landlord hereby agrees to indemnify and hold Licensee free and harmless from any loss, liability, or cost (including reasonable attorneys' fees) that Licensee may sustain, incur, or assume as a result thereof.

8. OTHER GENERAL PROVISIONS

8.1. Each of the parties hereto agrees to execute and deliver any and all further agreements, documents or instruments necessary to effectuate this Interim Lease or reasonably requested by the other party to perfect or evidence their rights hereunder, provided that no additional cost, obligation or liability is imposed.

8.2. This Interim Lease may not be modified or amended except in writing signed by the parties hereto. No waiver of any term, provision or condition of this Interim Lease in any one or more instances, shall be deemed to be or be construed as a further or continuing waiver of any such term, provision or condition of this Interim Lease. No failure to act shall be construed as a waiver of any term, provision, condition or right granted hereunder. In the event one or more non-material terms of this Interim Lease is invalid, illegal or unenforceable under applicable law, the balance of this Interim Lease shall be deemed valid, legal and enforceable.

8.3. Nothing contained herein shall be construed as forming a joint venture or partnership between the parties hereto with respect to the subject matter hereof.

8.4. The section headings contained herein are for convenience only and shall not be considered or referred to in resolving questions of interpretation.

8.5. This Interim Lease may be executed in one or more counterparts and all such counterparts taken together shall constitute a single original instrument.

8.6. This Interim Lease shall be governed in accordance with the laws of the State of California.

8.7. If either Landlord or Licensee brings any suit or other proceeding, including an arbitration proceeding, with respect to the subject matter or the enforcement of this Interim Lease, the prevailing party (as determined by the court, agency, arbitrator or other authority before which such suit or proceeding is commenced), in addition to such other relief as may be awarded, shall be entitled to recover reasonable attorneys' fees, expenses and costs of investigation actually incurred. The foregoing includes attorneys' fees, expenses and costs of

investigation (including those incurred in appellate proceedings), costs incurred in establishing the right to indemnification, or in any action or participation in, or in connection with, any case or proceeding under Chapter 7, 11 or 13 of the Bankruptcy Code (11 United States Code Sections 101 et seq.), or any successor statutes. The provisions of this Section 8.7 shall survive any termination of this Interim Lease.

8.8 All of the provisions of this ~~Interim~~ Lease shall bind and inure to the benefit of the parties and, subject to the provisions of this Section 8.8, shall inure to the benefit of any lender to whom this Interim Lease has been or will be collaterally assigned by Landlord (“**Lender**”), and any successors and/or assigns of Lender (each, a “**Collateral Assignee Party**”), and upon any such Collateral Assignee Party’s (i) succeeding to the interest of Landlord under this Interim Lease in any manner, including but not limited to foreclosure, deed in lieu of foreclosure or similar conveyance, or (ii) obtaining the appointment of a receiver for the benefit of such Collateral Assignee Party, Licensee acknowledges and agrees that (A) this Interim Lease and the obligations of Licensee hereunder shall, at the Collateral Assignee Party’s option, remain in full force and effect for the benefit of the Collateral Assignee Party as if such Collateral Assignee Party were the original Landlord’s capacity hereunder, and (B) any liability of any such Collateral Assignee Party under the Interim Lease shall be limited to its interest in the Facility.

IN WITNESS WHEREOF, the parties hereby execute this Interim Lease as of the Effective Date set forth above.

Section 999.5(d)(1)(B)

17) Interim Management Agreement by and between HumanGood SoCal and Ararat Home of Los Angeles, to be entered into upon the closing date of the sale dated July 8, 2022.

INTERIM MANAGEMENT AGREEMENT

THIS INTERIM MANAGEMENT AGREEMENT (the "Agreement") is made and entered into as of _____, 2022 (the "Effective Date"), by and between HumanGood SoCal, a California non-profit public benefit corporation d/b/a "Windsor" and "Windsor Manor" ("Licensee"), and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (the "Manager").

RECITAL

WHEREAS, Licensee, as "Seller," and Manager, as "Buyer", are parties to that certain Purchase and Sale Agreement dated May 17, 2022, as amended to date (the "Purchase Agreement"), pursuant to which Licensee is, on the Effective Date, transferring and assigning, and Manager is acquiring, substantially all of the assets of Licensee relating to that certain continuing care retirement community commonly referred to "Windsor Manor" and located at 1230 E. Windsor Road, Glendale, California (the skilled nursing portion of such Facility, together with all of Buyer's right, title and interest in and to the assets being transferred or assigned to Buyer pursuant to the Purchase Agreement, the "Facility"), all as more particularly set forth in the Purchase Agreement;

WHEREAS, Licensee is currently licensed under applicable law and regulations to operate the Facility as a Skilled Nursing Facility ("SNF License");

WHEREAS, Manager has applied to the California Department of Public Health for a Skilled Nursing Facility License, under which it shall be the named licensee with respect to the Facility;

WHEREAS, To assure that a licensed party at all times controls the physical premises of the Facility, Manager and Licensee have entered into an Interim Lease Agreement dated of even date herewith ("Lease"), whereby Manager leases the Facility to Licensee;

WHEREAS, Licensee and Manager are entering into this Agreement, pursuant to which Licensee shall engage Manager to manage the Facility for and on behalf of Licensee from and after the Effective Date, subject to the Lease and this Agreement; and

WHEREAS, until Manager has obtained a Skilled Nursing Facility License from the California Department of Public Health, Licensee is willing to fulfill the role of licensee of the Facility in conjunction with Manager, subject to the terms of the Lease and this Agreement.

NOW, THEREFORE, in consideration of the mutual promises and agreements contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE 1
ENGAGEMENT OF MANAGER

1.1 Engagement. During the Term hereof, Licensee hereby engages Manager to perform the management services set forth in this Agreement and in the Lease subject to Licensee's responsibility as specified in Section 1.4. Manager hereby accepts such engagement and hereby agrees to perform its duties hereunder in a commercially reasonable manner. Manager further agrees to apply prudent and reasonable business practices in the performance of its duties hereunder during the Term.

1.2 Relationship. Nothing contained in this Agreement is intended to or shall be construed to give rise to or create a partnership, employment, or joint venture relationship between Licensee and Manager. No act, commission, or omission by Licensee or Manager shall be construed to make or constitute the other as partner, employee, principal, agent, or joint venture.

1.3 Grant of Day-to-Day Management Authority. Subject to Section 1.4, hereunder, Manager shall have full responsibility for managing the operation of the Facility and hereby agrees and covenants to assume and discharge all responsibilities related to the Facility and the Licensee which accrue during or subsequent to the Term in connection with properly operating and maintaining the Facility in accordance with the regulations and standards required of a facility so licensed, including, but not limited to the services listed in Article 2 hereof.

1.4 Ultimate Authority and Responsibility. Licensee, as the holder of the SNF License, retains ultimate statutory authority and shall have the on-going statutory and regulatory responsibility for the continued operation of the Facility, in accordance with applicable law which cannot be legally delegated by Licensee to the Manager. Without limitation, Licensee does not engage Manager to perform, and Licensee, as the licensee of the Facility, retains ultimate responsibility for any activity or duty which requires a license or other governmental authorization. Notwithstanding the statutory liability and responsibility of Licensee for the continued operation of the Facility, it is recognized that under this Agreement, the Manager shall be actually in day-to-day charge of managing the operation and maintenance of the Facility and of patient care and of patients' funds in accordance with the terms of this Agreement. In the event that any violation of any statute, law, regulation, or obligation or claim is made, for any reason by any person or entity, arising from or applicable to the management of the Facility by Manager during or after the Term, that would reasonably be expected to result in the imposition of penalties, fines, court or administrative orders, litigation, including third party and governmental claims, or license revocation or decertification as to the Facility or as to Licensee, Manager shall (i) immediately notify Licensee of any such event, and (ii) take all actions reasonably necessary to protect, defend, and hold harmless the Licensee, and its officers, directors, shareholders, and employees, including but not limited to the contesting of any such actions against the Licensee and the Facility at the sole cost of Manager, whether administrative or court proceedings. Licensee retains the right, at Licensee's expense, to join Manager in contesting said action(s) upon providing Manager with such notice.

ARTICLE 2
SERVICES TO BE RENDERED BY MANAGER; COVENANTS

2.1 General Responsibilities and Services. Manager shall perform the services described in this Article 2 and all related functions, as Manager shall determine to be reasonably necessary for the effective management of the Facility. Without limitation of the foregoing, and except as may be limited by other provisions of this Agreement or the Purchase Agreement, Manager shall provide and perform the following services during the Term:

(i) Provide and maintain directly, or indirectly through others, accounting, billing, patient, resident, and collection records on behalf of Licensee; prepare and file on behalf of Licensee's insurance, Medicare and Medicaid (as applicable), and any and all necessary or appropriate reports, claims, and rate increase requests (collectively "Reports") related to goods sold or services provided by the Facility during the Term. Licensee acknowledges that it will be required to sign and file certain of the Reports and agrees to promptly do so.

(ii) On behalf of Licensee, issue bills for services and materials furnished by the Facility on and after the Effective Date, issue and re-issue bills for unpaid services and materials furnished by the Facility before the Effective Date, supervise directly and through others the collection of accounts and monies owed to the Facility for goods sold or services rendered by the Facility on and after the Effective Date, including the institution of legal proceedings in the name of the Facility to collect such accounts and to enforce the rights of the Facility as creditors under any contract or in connection with the rendering of such services and the sale of such goods. The collection of accounts and monies owed to the Facility for goods sold or services rendered by the Facility before the Effective Date shall be governed by Sections 2.3 and 2.4 of this Agreement, except as otherwise provided in the Purchase Agreement, in which case the applicable provisions of the Purchase Agreement shall prevail.

(iii) Order, supervise, and conduct an effective program of regular housekeeping, maintenance, and repair at the Facility.

(iv) Purchase and maintain an adequate inventory of supplies reasonably anticipated to be used in the operations of the Facility. Such supplies shall include, but not be limited to, raw food and dietary supplies; nursing and pharmaceutical supplies; housekeeping and laundry supplies; office supplies; and supplies necessary for repair and maintenance of plant and equipment.

(v) Engage in such marketing activities with respect to the Facility as Manager deems to be appropriate in connection with the operation thereof.

(vi) Supervise and provide for the operation of dietary services facilities.

(vii) Coordinate directly and through others the orderly payment of bills, accounts payable, lease payments, employee payroll, taxes, insurance premiums, and other debts of the Facility, all as more fully described at Section 2.3 of this Agreement.

(viii) Obtain and maintain at Manager's expense insurance coverage for the Facility and the personnel engaged in the operation of the Facility.

(ix) Establish and maintain charts of accounts, accounting systems, and internal controls, using accounts, classifications, and procedures.

(x) Prepare and promptly file, within any time limitations set forth under applicable laws, with the appropriate governmental authority or appropriate other third party payor, as applicable, all Medicare and Medicaid, as applicable, cost reports for the Facility as may be required by any appropriate governmental authority during the Term. Licensee acknowledges that it will be required to sign the above-referenced cost reports, and agrees to promptly do so.

2.2 Reserved.

2.3 Financial Obligations. Without limitation of any rights arising under the Purchase Agreement and during the Term, Manager shall have responsibility for the financial obligations of the Facility and its operations. The payment of all expenses, utilities, and other costs associated with the Facility and its operations, and the right to receive all rental, resident occupancy fees, and other cash-flow income from the Facility and its operations with respect to the periods prior to and after the Effective Date shall be prorated and allocated between Licensee and Manager in accordance with the Purchase Agreement. Manager will pay in the ordinary course of business the bills, invoices, and costs that are incurred in connection with the operation of the Facility during the Term.

2.4 Billing and Collection. Manager shall be responsible for performing the billing, coding, and collection of fees associated with the Facility on behalf of Licensee. Licensee will cooperate with Manager in such activities and execute all documents reasonably required by Manager to perform such activities in compliance with applicable laws.

2.5 Eligibility for Reimbursement/Correction of Deficiencies. At its expense during the Term, Manager shall comply with all requirements of any applicable governmental authority in order to maintain eligibility of the Facility and its operations for payments and reimbursements from government insurers (including Medicare) or private insurers or third party payors; it being understood and agreed that as of the Effective Date, the Facility is not licensed in the name of Manager. Except with respect to the implementation of any existing plan of correction, Manager shall not be responsible for any certification deficiencies or state licensure violations affecting the Facility that relate to events or activities occurring or accruing before the Effective Date. Commencing as of the Effective Date, Manager shall be responsible at Manager's expense for the correction of any certification deficiencies or state licensure violations affecting the Facility that arise

on and after the Effective Date and relate to events or activities occurring or accruing on or after the Effective Date.

2.6 Manager's Representations and Covenants.

(i) Manager shall comply in all material respects with all statutes, rules and regulations of governmental authorities applicable to Manager's management of the operations of the Facility.

(ii) Manager agrees and covenants that it shall manage the Facility so as to provide compliance with the Lease and in accordance with applicable industry standards and standards of care. Manager shall use commercially reasonable efforts to avoid any citations or complaints against the Facility or Licensee's license by any governmental authority or any resident representative with regard to resident care or the operation and maintenance of the Facility.

(iii) Manager shall diligently pursue the new Skilled Nursing Facility License and shall provide reports of its application progress to Licensee promptly upon request.

**ARTICLE 3
LICENSEE'S RESPONSIBILITIES**

3.1 Cooperation with Manager. At no cost to Licensee, Licensee shall timely cooperate with Manager to assist and facilitate performance of Manager's management responsibilities under this Agreement.

3.2 Responsibilities of Licensee. During the Term, Licensee shall be solely responsible for (i) maintaining ultimate authority and responsibility for all aspects of operation of the Facility, to the extent required by licensing, certification, accreditation and other applicable requirements; and (ii) maintaining all state and federal licenses, permits, certifications, and approvals required in connection with the management and operation of the Facility.

3.3 Data and Information. Licensee shall timely provide to Manager, without charge, such necessary and relevant data and information in the possession of Licensee as Manager shall reasonably require or request in order to enable it to perform its duties under this Agreement, subject to applicable laws and confidentiality obligations.

3.4 Notification of Complaints. During the Term, Licensee shall promptly notify Manager of any inquiry, notice, or claim of which Licensee is or becomes aware alleging any deficiency or violation of any law, ordinance, or regulation relating to the Facility or the provision of the services on or after the Effective Date. Licensee shall also notify Manager of any claims or complaints by patients, residents, providers, employees, or independent contractors pertaining to the operation of the Facility or the use of the assets

of the Facility that could reasonably be expected either to damage the reputation of Manager or its affiliates or to subject Manager or its affiliates to any potential liability.

3.5 Permits. To the extent permitted by law, Licensee shall allow Manager to perform, and shall timely assist Manager upon request in the performance of, its management responsibilities under this Agreement, and Licensee shall further allow Manager to manage the Facility under all permits, licenses, or certificates held in the name of Licensee and which are necessary to operate the Facility as Licensee's agents and attorneys-in-fact.

ARTICLE 4 COMPENSATION

Except for reimbursement of any expenses pursuant to this Agreement, which shall be reimbursed as a facility expense from the operations of the Facility, Manager shall not be entitled to any other fees or other compensation for its services under this Agreement. To the fullest extent permitted under applicable law, Licensee shall retain no right, title, or interest in or to the Facility revenues and, to the fullest extent permitted under applicable law, hereby waives and disclaims any such right, title, and interest. The parties acknowledge and agree that Manager shall be responsible for the payment of operating expenses of the Facility incurred from and after the effective date of this Agreement.

ARTICLE 5 TERM

5.1 Term. This Agreement shall commence on the Effective Date and shall end and terminate on the effective date of the new Skilled Nursing Facility License as issued to Manager and/or the effective date of termination of the Lease (the "Term").

ARTICLE 6 INDEMNITY

6.1 By Manager. Manager shall indemnify, protect, defend, and hold Licensees harmless from and against any and all claims, suits, demands, liability, damages, and expenses, including reasonable attorneys' fees and costs, to the extent arising from or in connection with ~~Manager's~~ management of the operation of the Facility on or after the Effective Date, negligent acts or omissions, willful misconduct, or breach of this Agreement.

6.2 By Licensee. Licensee shall indemnify, protect, defend, and hold Manager harmless from and against any and all claims, suits, demands, liability, damages, and expenses, including reasonable attorneys' fees and costs, to the extent arising from or in connection with Licensee's ~~gross~~-negligence or willful misconduct, or breach of this Agreement.

6.3. Process. If any action or proceeding is brought against a party indemnified under this Article 6 in connection with any claims, suits, demands, liability, damages, and expenses for which such party is indemnified hereunder (collectively, "Indemnified Claims"), upon notice from such party, the indemnifying party shall defend the same at the indemnifying party's expense with counsel reasonable acceptable to the indemnified party. The Indemnification obligations under this Article 6 shall survive the termination of this Agreement.

ARTICLE 7 REPRESENTATIONS AND WARRANTIES

7.1 Licensee. Licensee represents and warrants to Manager as of the Effective Date that Licensee has all necessary power and authority to enter into this Agreement, and all necessary action has been taken to authorize the individuals executing this Agreement on Licensee's behalf to do so. Licensee further warrants that it shall use commercially reasonable efforts to maintain, for the benefit of Manager, all state and federal licenses, permits, certifications, and approvals from governmental authorities that have jurisdiction over the ownership and operation of the Facility, including the SNF License, such that the Facility will comply with all applicable and relevant regulations related to skilled nursing facilities in effect from time to time. This Agreement has been duly and validly executed and delivered by Licensee and is enforceable against Licensee in accordance with its terms. In addition to the foregoing provisions of this Section 7.1, the Representations and Warranties applicable to Licensee under the Purchase Agreement are incorporated herein by this reference and made a part of this Agreement.

7.2 Manager. Manager represents and warrants to Licensee as of the Effective Date that Manager has all necessary power and authority to enter into this Agreement, and all necessary action has been taken to authorize the individuals executing this Agreement on Manager's behalf to do so and that Manager is in good standing in the State of California. This Agreement has been duly and validly executed and delivered by Manager and is enforceable against Manager in accordance with its terms.

ARTICLE 8 PATIENT/RESIDENT RECORDS

All medical records shall be maintained in accordance with the Health Insurance Portability and Accountability Act of 1996, as amended by the Health Information Technology for Economic and Clinical Health Act, and all regulations promulgated therewith (collectively, "HIPAA") and any other applicable laws. Upon execution of this Agreement, Manager and Licensee will enter into a business associate addendum to this Agreement, in the form attached hereto as Exhibit A.

ARTICLE 9 MISCELLANEOUS

9.1 Assignment. Neither party may transfer or assign any of its rights or obligations under this Agreement without the prior written consent of the other party, and any such transfer or assignment or attempt thereat shall be null and void and of no force and effect. It is understood, however, that Manager may subcontract certain functions of Manager hereunder to entities that Manager reasonably believes are capable of performing such functions, including to entities affiliated with Manager.

9.2 Governing Law. This Agreement will be governed by and construed in accordance with the law of the State of California (without regard to its principles of conflicts of laws).

9.3 Notice. Any notice hereunder shall be in writing and hand delivered or sent by a nationally recognized overnight courier service, addressed to the parties at their respective addresses set forth below:

If to the Manager:

Ararat Home of Los Angeles, Inc.
15105 Mission Hills Road
Mission Hills, CA 91345
Attention: Derik Ghookasian
Email: derikg@ararathome.org

If to the Licensee:

HumanGood SoCal
1900 Huntington Drive
Duarte, California 91010
Attention: Dan Ogus and Bethany Ghassemi
Email: Dan.Ogus@HumanGood.org;
Bethany.Ghassemi@HumanGood.org

Any such notice shall be deemed effective (i) if delivered personally, upon receipt or refusal of delivery, (ii) if mailed by registered or certified mail (postage prepaid, return-receipt requested), four business days after deposit with the U.S. Postal Service, (iii) if delivered via a nationally recognized overnight courier, upon deposit with such overnight courier, and (iv) if sent by electronic transmission (email), one business day after such electronic transmission. Either party may change its address for notice by giving notice as provided hereunder.

9.4 Execution and Counterparts. This Agreement may be executed in any number of counterparts. It is not necessary that both parties sign all or any of the counterparts, but each party must sign at least one counterpart for this Agreement to be effective.

9.5 Amendment. This Agreement may be amended only by an instrument in writing signed by the parties hereto. The parties agree to confer promptly and in good faith in order to amend this Agreement if required by any local, state, or federal law or regulation or any interpretation thereof by an agency having jurisdiction over the Facility.

9.6 Waiver. A failure or delay by either party in exercising any of its rights or remedies under this Agreement is not a waiver of those rights or remedies and does not otherwise diminish or affect any such right or remedy. A waiver by either party of any right or remedy under this Agreement is effective only to the extent that it is expressed in writing and signed by the party waiving its right or remedy.

9.7 Entire Agreement. This Agreement, Lease and the Purchase Agreement contain the entire understanding of the parties with respect to the subject matter hereof and thereof and supersede all prior understandings and agreements, whether written or oral, and all prior dealings of the parties with respect to such subject matter. In the event that any provision of this Agreement or the Lease conflicts with a provision of the Purchase Agreement, the provision of the Purchase Agreement prevails.

9.8 Severability. If any provision of this Agreement or the application of any such provision in any person or circumstance is held invalid, the remainder of this Agreement, and the application of such provision other than to the extent it is held invalid shall not be invalidated or affected thereby.

9.9 Confidentiality. Each party hereto covenants and agrees that it shall not disclose the terms of this Agreement or any agreement supplementing this Agreement to third parties, except as and to the extent disclosure is required by law, or required for the performance of its obligations hereunder or under related agreements, or as necessary or appropriate in dealing with the accountants, attorneys, and other representatives of the respective parties and/or as necessary to complete the transactions contemplated hereunder and/or under the Purchase Agreement.

BUSINESS ASSOCIATE PRIVACY ADDENDUM

This Business Associate Privacy Addendum (the "Addendum") is made and entered into as of the _____ day of _____, 2022, by and between HumanGood SoCal, a California non-profit public benefit corporation (the "Covered Entity") and Ararat Home of Los Angeles, Inc., a California non-profit public benefit corporation (the "Business Associate") (each a "Party" and collectively the "Parties").

WHEREAS, Covered Entity and Business Associate have contemporaneously entered into an Interim Management Agreement under which Business Associate provides certain management services to Covered Entity (the "Agreement"); and

WHEREAS, in providing services pursuant to the Agreement, Business Associate will have access to Protected Health Information ("PHI") (as defined below); and

WHEREAS, the services provided by Business Associate to Covered Entity cause Business Associate to be considered a "business associate" under the privacy and security regulations issued under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA"), as set forth in 45 C.F.R. Parts 160 and 164, and as amended by the Health Information Technology for Economic and Clinical Health Act (the "HIPAA Privacy Rule" and the "HIPAA Security Rule"); and

WHEREAS, Covered Entity and Business Associate desire to modify the Agreement to include certain provisions required by the HIPAA Privacy Rule and the HIPAA Security Rule.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained herein and the continued provision of PHI by Covered Entity to Business Associate under the Agreement in reliance on this Addendum, the Parties agree as follows:

1. **Definitions.** For purposes of this Addendum, the terms below shall have the meanings given to them in this Section.
 - (a) "Breach" shall mean the acquisition, access, use, or disclosure of PHI in a manner not permitted under the HIPAA Privacy Rule which compromises the security or privacy of the PHI, as defined in 45 C.F.R. § 164.402.
 - (b) "Data Aggregation" shall mean, with respect to PHI created or received by Business Associate in its capacity as the business associate of Covered Entity, the combining of such PHI by Business Associate with the PHI received by Business Associate in its capacity as business associate of other covered entities, to permit data analyses that relate to the Health Care Operations (defined below) of Covered Entity. The meaning of "data aggregation" in this Addendum shall be consistent with the meaning given to that term in the HIPAA Privacy Rule.
 - (c) "Designated Record Set" shall mean a group of Records maintained by or for the Covered Entity that: (a) consists of medical records and billing records about

individuals maintained by or for the Covered Entity; (b) consists of the enrollment, payment, claims adjudication, and case or medical management record systems maintained by or for a health plan; or (c) consists of Records used, in whole or part, by or for the Covered Entity to make decisions about individual patients. As used herein, the term "Record" shall mean any item, collection or grouping of information that includes PHI and is maintained, collected, used or disseminated by or for a provider. The term "designated record set," however, shall not include any information in the possession of Business Associate that is the same as information in the possession of Covered Entity (information shall be considered the same information even if the information is held in a different format, medium or presentation or it has been standardized).

- (d) "De-Identify" shall mean to alter the PHI such that the resulting information meets the requirements described in 45 C.F.R. § 164.514(a) and (b).
- (e) "Electronic PHI" shall mean any PHI maintained in or transmitted by electronic media as defined in 45 C.F.R. § 160.103.
- (f) "Health Care Operations" shall have the meaning given to that term at 45 C.F.R. § 164.501.
- (g) "HHS" shall mean the U.S. Department of Health and Human Services.
- (h) "HITECH Act" shall mean the Health Information Technology for Economic and Clinical Health Act, enacted as part of the American Recovery and Reinvestment Act of 2009, Public Law 111-5.
- (i) "Protected Health Information" or "PHI" shall mean information transmitted or maintained in any form or medium, including demographic information collected from an individual, that
 - (i) is created or received by a health care provider, health plan, employer, or health care clearinghouse; and
 - (ii) relates to the past, present, or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present, or future payment for the provision of health care to an individual, and (a) identifies the individual or (b) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

The meaning of "protected health information" or "PHI" in this Addendum shall be consistent with the meaning given to that term in the HIPAA Privacy Rule.

- (j) "Security Incident" shall mean the attempted or successful unauthorized access, use, disclosure, modification, or destruction of information or interference with system operations in an information system. This term shall not include trivial incidents that occur on a daily basis, such as scans, "pings," or unsuccessful

attempts to penetrate computer networks or servers maintained by Business Associate.

- (k) "Subcontractor" shall mean a person to whom Business Associate delegate a function, activity, or service, other than in the capacity of a member of Business Associate' workforce, as defined in 45 C.F.R. § 160.103.
- (l) "Unsecured PHI" shall mean PHI that has not been rendered unusable, unreadable, or indecipherable to unauthorized individuals under standards published by the Secretary of HHS under Section 13402(h)(2) of the HITECH Act.

2. **Use and Disclosure of PHI.**

- (a) Except as otherwise provided in this Addendum, Business Associate may use or disclose PHI as reasonably necessary to provide the services described in the Agreement to the Covered Entity, and to undertake other activities of Business Associate permitted or required of Business Associate by this Addendum or as required by law.
- (b) Except as otherwise limited by this Addendum, Covered Entity authorizes Business Associate to use the PHI in its possession for the proper management and administration of Business Associate's business and to carry out its legal responsibilities. Business Associate may disclose PHI for its proper management and administration, provided that (i) such disclosures are required by law; or (ii) Business Associate obtains, in writing, prior to making any disclosure to a third party (a) reasonable assurances from such third party that the PHI will be held confidential as provided under this Addendum and used or further disclosed only as required by law or for the purpose for which it was disclosed to such third party; and (b) an agreement from such third party to notify Business Associate immediately of any breaches of the confidentiality of the PHI, to the extent it has knowledge of such breach.
- (c) Covered Entity authorize Business Associate to De-Identify the PHI.
- (d) Business Associate shall not use or disclose PHI in a manner other than as provided in this Addendum, as permitted under the HIPAA Privacy Rule, or as required by law. Business Associate shall use or disclose only the minimum necessary amount of PHI, in accordance with Section 13405(b) the HITECH Act, or any implementing regulations adopted thereunder for each use or disclosure of PHI hereunder.
- (e) Upon request, Business Associate shall make available to Covered Entity any of Covered Entity's PHI that Business Associate, or any of its Subcontractors, has in its possession.

3. **Compliance with HIPAA Privacy Rule.** To the extent that Business Associate carries out one or more of Covered Entity's obligations under Subpart E of 45 C.F.R. Part 164,

Business Associate must comply with the requirements of Subpart E that apply to Covered Entity in the performance of such obligations.

4. **Safeguards Against Misuse of PHI.** Business Associate shall use appropriate safeguards to prevent the use or disclosure of PHI other than as provided by the Agreement or this Addendum; and Business Associate agrees to comply with Subpart C of 45 C.F.R. Part 164 and implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the Electronic PHI that it creates, receives, maintains, or transmits on behalf of Covered Entity. Business Associate agrees to take reasonable steps to ensure that the actions or omissions of its employees or agents do not cause Business Associate to breach the terms of this Addendum.
5. **Reporting Disclosures of PHI and Security Incidents.** Business Associate shall report to Covered Entity in writing any use or disclosure of PHI not provided for by this Addendum of which it becomes aware; and Business Associate agrees to report to Covered Entity any Security Incident affecting Electronic PHI of Covered Entity of which it becomes aware. Business Associate agrees to report any such event within ten (10) business days of becoming aware of the event.
6. **Reporting Breaches of PHI.** Business Associate shall notify Covered Entity in writing promptly upon the discovery of any Breach of Unsecured PHI in accordance with 45 C.F.R. § 164.410, but in no case later than 30 calendar days after discovery. Business Associate will reimburse Covered Entity for any reasonable costs incurred by it in complying with the requirements of 45 C.F.R. §164.410 imposed on Covered Entity as a result of a Breach committed by Business Associate or its Subcontractors.
7. **Mitigation of Disclosures of PHI.** Business Associate shall take reasonable measures to mitigate, to the extent practicable, any harmful effect that is known to Business Associate of any use or disclosure of PHI by Business Associate or its Subcontractors in violation of the requirements of this Addendum.
8. **Agreements with Subcontractors.** Business Associate shall ensure that any of its Subcontractors that have access to or to which Business Associate provide PHI agrees in writing to the restrictions and conditions concerning uses and disclosures of PHI contained herein and agrees to implement reasonable and appropriate safeguards to protect any Electronic PHI that it creates, receives, maintains or transmits on behalf of Business Associate or Covered Entity.
9. **Access to PHI by Individuals.**
 - (a) Upon request, except for PHI that duplicates PHI in the possession of Covered Entity, Business Associate agrees to furnish Covered Entity with copies of the PHI maintained by Business Associate in a Designated Record Set in the time and manner reasonably designated by Covered Entity.
 - (b) In the event any individual or personal representative requests access to the individual's PHI directly from Business Associate, Business Associate within ten

(10) business days, shall forward that request to Covered Entity. Any disclosure of, or decision not to disclose, the PHI requested by an individual or a personal representative and compliance with the requirements applicable to an individual's right to obtain access to PHI shall be the sole responsibility of the Covered Entity.

10. Amendment of PHI.

- (a) Upon request and instruction from Covered Entity, Business Associate shall amend PHI or a Record about an individual in a Designated Record Set that is maintained by, or otherwise within the possession of, Business Associate as directed by Covered Entity in accordance with procedures established by 45 C.F.R. § 164.526. Any request by Covered Entity to amend such information shall be completed by Business Associate within fifteen (15) business days of Covered Entity's request.
- (b) In the event that any individual requests that Business Associate amend such individual's PHI or Record in a Designated Record Set, Business Associate within ten (10) business days, shall forward such request to Covered Entity. Any amendment of, or decision not to amend, the PHI or Record as requested by an individual and in compliance with the requirements applicable to an individual's right to request an amendment of PHI shall be the sole responsibility of the Covered Entity.

11. Accounting of Disclosures.

- (a) Business Associate shall document any disclosures of PHI made by it, except for disclosures relating to treatment, payment, or health care operations or other disclosures excepted under 45 C.F.R. § 164.528(a). Business Associate also shall make available information related to such disclosures as would be required for Covered Entity to respond to a request for an accounting of disclosures in accordance with 45 C.F.R. § 164.528. At a minimum, Business Associate shall furnish Covered Entity the following with respect to any covered disclosures by Business Associate: (i) the date of disclosure of PHI; (ii) the name of the entity or person who received PHI, and, if known, the address of such entity or person; (iii) a brief description of the PHI disclosed; and (iv) a brief statement of the purpose of the disclosure which includes the basis for such disclosure.
- (b) Business Associate hereby agrees to implement an appropriate recordkeeping system to enable it to comply with the requirements of this Section. Business Associate agrees to retain such records for a minimum of six (6) years.
- (c) Business Associate shall furnish to Covered Entity information collected in accordance with this Section, within ten (10) days after written request by the Covered Entity, to permit Covered Entity to make an accounting of disclosures as required by 45 C.F.R. § 164.528, or in the event that Covered Entity elects to provide an individual with a list of its business associates, Business Associate will provide an accounting of its disclosures of PHI upon request of the individual, if

and to the extent that such accounting is required under Section 13405(c) of the HITECH Act or any implementing regulations adopted thereunder.

- (d) In the event an individual delivers the request for an accounting directly to Business Associate, Business Associate shall within ten (10) days forward such request to Covered Entity.

12. **Availability of Books and Records.** Business Associate shall make available its internal practices, books, agreements, records, and policies and procedures relating to the use and disclosure of PHI, upon request, to the Secretary of HHS for purposes of determining Covered Entity's compliance with the HIPAA Privacy Rule, the HIPAA Security Rule, and this Addendum.

13. **Term and Termination.**

- (a) This Addendum shall become effective on the Effective Date, as defined in the Agreement, and shall continue in effect until all obligations of the Parties have been met under the Agreement and under this Addendum.
- (b) Covered Entity may terminate immediately this Addendum if the Covered Entity reasonably determines that the Business Associate has breached a material term of this Addendum and Business Associate has failed to cure that material breach, to Covered Entity's reasonable satisfaction, within thirty (30) days after written notice from Covered Entity.
- (c) Upon termination of the Agreement or this Addendum for any reason other than Manager having assumed operations of the Facility as contemplated under the Purchase Agreement (as defined in the Agreement), all PHI of Covered Entity maintained by Business Associate shall be returned to Covered Entity or destroyed by Business Associate. Business Associate shall not retain any copies of such information. This provision shall apply to PHI of Covered Entity in the possession of Business Associate's Subcontractors. The foregoing notwithstanding, if return or destruction of the PHI is not feasible, in Business Associate's reasonable judgment, Business Associate shall furnish Covered Entity with notification, in writing, of the conditions that make return or destruction infeasible, and Business Associate will extend the protections of this Addendum to such information for as long as Business Associate retains such information and will limit further uses and disclosures to those purposes that make the return or destruction of the information not feasible. This Section 13(c) shall survive any termination of this Addendum.
- (d) Upon Business Associate having assumed operations of the Facility as contemplated under the Purchase Agreement (as defined in the Agreement), the Business Associate shall become the Covered Entity and shall maintain all PHI in accordance with applicable law.

14. **Effect of Addendum.**

- (a) This Addendum is a part of and subject to the terms of the Agreement, except that to the extent any terms of this Addendum conflict with any term of the Agreement, the terms of this Addendum shall govern.
- (b) Except as expressly stated herein or as provided by law, this Addendum shall not create any rights in favor of any third party.

15. **Regulatory References.** A reference in this Addendum to a section in the HIPAA Privacy Rule or HIPAA Security Rule means the section as in effect or as amended.

16. **Notices.** All notices, requests, and demands or other communications to be given hereunder to a Party shall be made to the addresses identified in, and in accordance with the procedure, set forth in Section 9.3 of the Agreement.

17. **Amendments; Waiver.** This Addendum may not be modified, nor shall any provision be waived or amended, except in writing duly signed by authorized representatives of the Parties. A waiver with respect to one event shall not be construed as continuing, or as a bar to or waiver of any right or remedy as to subsequent events.

18. **HITECH Act Compliance.** The Parties acknowledge that the HITECH Act includes significant changes to the HIPAA Privacy Rule and the HIPAA Security Rule. The Privacy Subtitle of the HITECH Act sets forth provisions that significantly change the requirements for business associates and the agreements between business associates and covered entities under the HIPAA Regulations and many of these changes will be clarified in forthcoming regulations and guidance. Each Party agrees to comply with the applicable provisions of the HITECH Act and any implementing regulations issued thereunder. Also, the Parties agree to negotiate in good faith to modify this Agreement as reasonably necessary to comply with the HITECH Act and its implementing regulations as they become effective; provided, however, that if the Parties are unable to reach agreement on such a modification, either Party shall have the right to terminate this Addendum upon thirty (30) days prior written notice to the other Party.

In Witness Whereof, this Addendum is executed by the Parties effective as of the Effective Date, as defined in the Agreement.

SECTION 999.5(d)(1)(C)

(C) A statement of all of the reasons the board of directors of applicant believes that the proposed agreement or transaction is either necessary or desirable

Windsor has been operated in Glendale by HumanGood SoCal (previously known as Southern California Presbyterian Homes dba be.group) since 1959. Unfortunately, the Community has experienced sustained operational challenges and growing financial losses since prior to the HumanGood affiliation in May 2016. HumanGood SoCal attributes these financial issues to increased difficulty attracting residents and staffing. HumanGood SoCal has attempted to turn around Windsor's financial performance through capital investments of over \$5.2 million in the last six years, including an extensive gym and common area renovation. HumanGood SoCal also enhanced its sales and marketing efforts at the community. As shown in the attached marketing comparison, HumanGood spent more than average on the Community than the organization's other 17 West Coast communities, resulting in fewer leads, higher per-lead costs, and higher costs per residential lead move-in. HumanGood also assigned a post-acute care liaison to Windsor in order to improve SNF admissions. Despite these interventions, the Community has generated a loss of approximately \$9MM over the last five years.

HumanGood notes that the Glendale area has seen a profound demographic shift in the decades since Windsor's original founding from what was primarily an Anglo-Saxon protestant community to an increasingly Armenian community. HumanGood's management believes that lacking a formal connection to the Armenian community has exacerbated Windsor's recruiting and sales challenges. After obtaining market valuations and after considering an offer from another well-respected continuing care provider, HumanGood reached out to Ararat Home of Los Angeles, which is affiliated with and has considerable experience working within the Armenian community in Southern California. HumanGood SoCal was impressed by the enthusiasm that Ararat Home of Los Angeles showed for expanding its senior living footprint, its stated commitment to keeping the Windsor skilled nursing facility open, and its excellent RCFE and skilled nursing licensing compliance history. Ararat Home's offer was considered quite reasonable in light of the CBRE appraisal obtained by HumanGood (accounting for the appraisal's assumptions around improvements in operating results and cashflow), and they were considered an ideal buyer because of their excellent history as an operator and connections with the Armenian community in Glendale.

The Board of Directors of HumanGood SoCal believes the sale of Windsor is necessary due to the financial burden the Community is placing on HumanGood's portfolio of health facilities and the Community's failure to rebound in response to various measures intended to improve the Community's performance. The Board believes that if HumanGood SoCal is not able to sell Windsor, the Board will have no choice but to pursue closure of the Community. The Board believes that the sale of the Community to Ararat Home is desirable because of Ararat Home's proven record as an excellent provider of long-term care, its strong ties to the Armenian community, its nonprofit status, its commitment to honor all existing resident contracts, and its enthusiasm for expanding its provision of care to seniors in the Glendale area.

SECTION 999.5(d)(2)(B)

- (B) The estimated market value of each health facility, facility that provides similar health care services, or other asset to be sold or transferred by the applicant under the proposed agreement or transaction.**

The estimated fair market value of the Windsor facility, as stated in the Purchase and Sale Agreement and referenced in Section 999.5(d)(2)(A), is \$14,500,000.

SECTION 999.5(d)(2)(C)

- (C) A description of the methods used by the applicant to determine the market value of any assets involved in the proposed agreement or transaction. This description shall include a description of the efforts made by the applicant to sell or transfer each health facility or facility that provides similar health care services that is the subject of the proposed agreement or transaction.**

The market value of the Windsor facility was determined to be between \$10,000,000 and \$15,000,000 by referencing valuation reports from Ziegler and Sims, a CBRE appraisal and negotiations with potential buyers.

Specifically a valuation Ziegler conducted in June 2021, estimated that the value of Windsor at between \$9,800,000 to \$14,000,000. This valuation was based upon an average price per unit of \$70,000 - \$100,000. The estimated price per unit is based upon a range of comparable CCRC and SNF transactions that occurred throughout California.

Windsor is a community with a total of 140 units. Ziegler's income capitalization approach (see attached) included a list of valuations for facilities of comparable size and unit types throughout California. Facilities with total units in Southern California ranging from 83-207 units were priced between \$10,900,000 to \$15,700,000. While this proposal also included communities in Northern California that were four times larger than Windsor, the capitalization valuation approach indicates that a purchase price of \$14,500,000 is a fair price for community with a 28 bed skilled nursing facility, a 73-bed independent living facility and 39-bed assisted living facility in Southern California.

HumanGood initially engaged in discussions with Solheim Lutheran Home dba, Solheim Senior Community ("Solheim") regarding the sale of Windsor. In December of 2021, the HumanGood SoCal Board approved entering into an LOI with Solheim for the sale of Windsor. This LOI contemplated a purchase price between \$10,000,000 - \$15,000,000. However, Solheim did not sign the LOI. Although HumanGood entered into a Nondisclosure Agreement with Solheim, Solheim has since released HumanGood from that agreement, See attachments

During discussions with Solheim, HumanGood SoCal obtained an appraisal of Windsor from CBRE in order to obtain a more accurate valuation of the property. This CBRE appraisal, dated March 10, 2022, provided a valuation of Windsor at \$16,800,000. The appraisal assumed, however, that \$500,000 of capital expenditures would be applied each year going forward. This appraisal also assumed that the SNF would be renovated and converted into an Assisted Living Memory Support facility, an assumption which would require \$3,000,000 of capital expenditures and necessitate closure of the skilled nursing facility, something the Applicant ultimately wished to avoid. Factoring in these assumptions, HumanGood SoCal believes that the sale price of \$14,500,000 is a reasonable price consistent with the CBRE appraisal.

Subsequently Ararat offered to purchase Windsor in March of 2022. Ararat signed a letter of intent to purchase Windsor for \$14,800,000 on March 28, 2022. The purchase price was negotiated to \$14,500,000 during the due diligence period.

THE ZIEGLER DIFFERENCE

- **Execution Certainty** – Believed to be the best in the industry!
 - 87% for all deals engaged;
 - 94% for all deals with a signed LOI;
 - 98% for all deals that achieve a signed asset purchase agreement.
- **Team Oriented Approach** – A client doesn't just work with one person, but gets the attention they deserve through our team approach. Every transaction Ziegler takes on receives senior level guidance and attention.
- **Unwavering Commitment to Senior Living** – Senior living and post-acute care have been core businesses of Ziegler since the company's founding in 1902. We have dedicated our firm's resources and capital to supporting clients through numerous business cycles.
- **Strong Client Relationships** – Ziegler's relationship approach to investment banking is validated by the large number of providers who view Ziegler as a **"trusted partner"** and have, in a number of instances, worked with our firm for decades.
- **Operational Experience** – Our team includes professionals with prior healthcare operational experience, which includes senior housing executive directors, skilled nursing administrators, and development executives.

KEY HALLMARKS OF THE ZIEGLER PROCESS

- **Deep Understanding of Business Fundamentals Drives Value (Add)** — Ziegler performs deep analysis of the facilities being divested to establish a thorough understanding of fundamentals and to identify credible opportunities to improve cash flow. This thorough understanding allows us to fully convey the value proposition for buyers and achieve stronger valuations.
- **Thorough Disclosure** — We are routinely told that our offering memorandums are the “best in the business” making it easy for buyers to come to a preliminary value conclusion. Also, by thoroughly disclosing key facts (both good and bad), surprises are minimized. This has been critical in achieving our high execution success rate.
- **Fair, Competitive Process with Credible, Capable Buyers** — Ziegler typically establishes a competitive process by soliciting credible, capable buyers, versus a “blast e-mail” approach. This way, buyers know they have a real opportunity and Ziegler can spend more time with each interested buyer.
- **Involved Throughout Process** — Ziegler is involved throughout the process, including writing the offering memorandum, soliciting buyers, evaluating proposals, negotiating terms, coordinating due diligence, monitoring financing, and negotiating transaction agreements. This consistency of service helps to assure execution certainty and prevents key terms from changing.
- **Teamwork** — Ziegler clients get the resources of one of the, if not the, largest boutique healthcare investment bank. We take a team approach to engagements, so success does not depend on one person.
- **Remain Flexible** — Each engagement is unique. We listen to our clients and their goals and customize processes to maximize results. We are also always considering new ways to achieve client goals.

TEAM BIOS AND M&A EXPERIENCE

Dan Hermann

President & CEO
dhermann@ziegler.com

Dan Hermann joined Ziegler in 1987. In 2018 he was named President and CEO. He also is the Head of Investment Banking, and a member of the Ziegler Board and Executive Committee. As the head of both the healthcare and senior living practices, Dan was instrumental in the creation of and fundraising for the Ziegler Link-Age Longevity Fund, L.P. ("Fund"). During his 30-year tenure with Ziegler, Dan has become a leading investment banker in the senior living industry. He has structured and led or co-led more than 325 senior living financings exceeding \$8.2 billion, cumulating far-ranging experience in the management, structuring and financial analysis of every type of senior living financing. Dan has utilized his expertise to create financing structures for a large clientele – from stand-alone nursing homes to multi-facility, multi-state systems, including start-up campuses and campuses undergoing major renovation projects. His particular emphasis in recent years has been to provide resources for key decision-makers in an organization to effectuate sound financial and strategic planning efforts. Dan received a B.S. in finance and accounting from Illinois State University, Normal, Illinois, and an M.B.A. with an emphasis in health services management from Kellogg Graduate School of Management at Northwestern University, Evanston, Illinois. He is a Certified Public Accountant and holds a number of securities certifications.

RE: Appraisal of:
 Windsor
 1230 E. Windsor Road,
 Glendale, California 91205
 CBRE File: CB22US009898-1

Dear Ms. Ghassemi:

At your request and authorization, CBRE, Inc. has prepared an appraisal of the market value of the referenced property. This analysis is presented in the following appraisal report.

The subject, identified as Windsor, is an existing seniors housing community located at 1230 E. Windsor Road, Glendale, California, situated on a 2.56-acre site. The 115,209 square foot improvements were constructed in 1972, and are undergoing a partial renovation. The community is comprised of the main building, part single-story and part four-story, and three cottage style units. The subject also includes a 9,137-square foot site, considered to be excess land, currently used for overflow parking. As a seniors housing community, the set-up of units, beds, and the most appropriate unit of measurement is shown within the following chart. Throughout this report, the term 'Unit' is intended to represent the 'Revenue Unit' unless otherwise noted.

SUBJECT UNIT MIX BY CARE LEVEL				
Care Level	Units	Beds	Unit of Measure	Revenue Units
Independent Living	71	71	Units	71
Assisted Living	38	38	Beds	38
Skilled Nursing	15	28	Beds	28
Total	124	137	-	137
Compiled by CBRE				

The subject has an Assisted Living Facility (ALF) license for 38 beds and a Skilled Nursing Facility License (SNF) for 28 beds. As shown above, the subject has a total operating capacity of 137 revenue units (beds). Revenue units are based on the operating capacity and are considered the more relevant unit of measure for valuation purposes. The skilled nursing facility is rated 5-stars (much above average) per the CMS 5-star rating system.

The subject operates as a rental-only, continuing care retirement community and was formerly an entrance-fee, life-plan community. The audited total of entrance fee deposits owed (\$610,877) was deducted as a lump sum in Year 1 of the DCF analysis and is reflected in the lease-up deduction. Therefore, the deposits owed are incorporated into the “As Completed” value conclusions in the Sales Comparison and Income Approaches to value.

The community is managed by HumanGood; California’s largest non-profit provider of senior housing and services. Headquartered in Duarte, California, HumanGood develops and operates both life plan and affordable senior living communities throughout California, Oregon, Washington and Delaware. Notably, market value is predicated on competent management.

Subject Operation Trends Summary:

- During 2020 census levels remained generally level, with occupancy declining by 8.7% in 2021.
- Operating expenses were elevated in 2020 and 2021 based on increased payroll, PPE costs, and sanitation, by 10.4% and 16.4% per resident day, respectively.
- Both changes in occupancy and expenses have been more fully discussed within the body of this report.

The subject community is in the final phase of a partial renovation which will be completed after a construction period of 1-month or on March 17, 2022. During this assignment, we were provided a renovation budget of \$1,010,853, of which \$751,000 has reportedly been completed. The remaining costs are then \$259,853, for a total cost to complete of \$298,831, inclusive of entrepreneurial profit of 15%.

At the time of inspection, the subject’s occupancy was 75.2%. Notably, our model incorporates a 12-month absorption period. CBRE has projected a stabilized occupancy of 85.0%.

Based on the analysis contained in the following report, the market value of the subject is concluded as follows:

MARKET VALUE CONCLUSIONS			
Appraisal Premise	Interest Appraised	Date of Value	Value Conclusion
Current Value Conclusions			
As Is - Going Concern	Fee Simple Estate	February 17, 2022	\$16,800,000
Excess Land Value	Fee Simple Estate	February 17, 2022	\$1,050,000
Prospective Value Conclusions			
Upon Completion - Going Concern	Fee Simple Estate	March 17, 2022	\$17,100,000
Upon Stabilization - Going Concern	Fee Simple Estate	March 17, 2023	\$19,400,000
Compiled by CBRE			

The excess land is presented on a stand-alone basis and not included in the going concern values.

Allocation of the Going Concern

The allocation of the going concern has been estimated as follows:

ALLOCATION OF THE GOING CONCERN					
	Date of Value	Going Concern Allocations:			Going Concern Market Value

The report, in its entirety, including all assumptions and limiting conditions, is an integral part of, and inseparable from, this letter.

The following appraisal sets forth the most pertinent data gathered, the techniques employed, and the reasoning leading to the opinion of value. The analyses, opinions and conclusions were developed based on, and this report has been prepared in conformance with, the guidelines and recommendations set forth in the Uniform Standards of Professional Appraisal Practice (USPAP), and the requirements of the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute. It also conforms to Title XI Regulations and the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA) updated in 1994 and further updated by the Interagency Appraisal and Evaluation Guidelines promulgated in 2010.

The intended use and user of our report are specifically identified in our report as agreed upon in our contract for services and/or reliance language found in the report. As a condition to being granted the status of an intended user, any intended user who has not entered into a written agreement with CBRE in connection with its use of our report agrees to be bound by the terms and conditions of the agreement between CBRE and the client who ordered the report. No other use or user of the report is permitted by any other party for any other purpose. Dissemination of this report by any party to any non-intended users does not extend reliance to any such party, and CBRE will not be responsible for any unauthorized use of or reliance upon the report, its conclusions or contents (or any portion thereof).

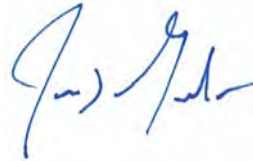

It has been a pleasure to assist you in this assignment. If you have any questions concerning the analysis, or if CBRE, Inc. can be of further service, please contact us.

Respectfully submitted,

Purpose of the Appraisal

The purpose of this appraisal is to estimate the market value of the subject property.

Definition of Market Value

The current economic definition of market value agreed upon by agencies that regulate federal financial institutions in the U.S. (and used herein) is as follows:

The most probable price which a property should bring in a competitive and open market under all conditions requisite to a fair sale, the buyer and seller each acting prudently and knowledgeably, and assuming the price is not affected by undue stimulus. Implicit in this definition is the consummation of a sale as of a specified date and the passing of title from seller to buyer under conditions whereby:

1. buyer and seller are typically motivated;
2. both parties are well informed or well advised, and acting in what they consider their own best interests;
3. a reasonable time is allowed for exposure in the open market;
4. payment is made in terms of cash in U.S. dollars or in terms of financial arrangements comparable thereto; and
5. the price represents the normal consideration for the property sold unaffected by special or creative financing or sales concessions granted by anyone associated with the sale.¹

Definition of Going Concern

Going Concern: A going concern is one of the premises under which the total assets of a business can be valued; the assumption that a company is expected to continue operating well into the future (usually indefinitely). Note that an outdated label or the market value of all the tangible and intangible assets of an established and operating business with an indefinite life, as if sold in aggregate; more accurately termed the market value of the going concern or market value of the total assets of the business.

Market Value of the Going Concern: Market value of the going concern is defined as, the market value of an established and operating business including the real property, personal property, financial assets, and the intangible assets of the business.²

Intended Use of Report

This appraisal is to be used to assist the client with due diligence regarding an acquisition, disposition or exchange of the subject, and no other use is permitted.

Intended User of Report

This appraisal is to be used by HumanGood, and no other user may rely on our report unless as specifically indicated in the report.

Intended Users: Intended users are those who an appraiser intends will use the appraisal or review report. In other words, appraisers acknowledge at the outset of the assignment that they are developing

their expert opinions for the use of the intended users they identify. Although the client provides information about the parties who may be intended users, ultimately it is the appraiser who decides who they are. This is an important point to be clear about: The client does not tell the appraiser who the intended users will be. Rather, the client tells the appraiser who the client needs the report to be speaking to, and given that information, the appraiser identifies the intended user or users.³

Scope of Work

The scope of the assignment relates to the extent and manner in which research is conducted, data is gathered and analysis is applied. CBRE, Inc. completed the following steps for this assignment:

- Client
- Intended use
- Intended user
- Type of opinion
- Effective date of opinion
- Relevant characteristics about the subject
- Assignment conditions

Extent to Which the Property was Inspected

CBRE, Inc. inspected the interior and exterior of the subject, as well as its surrounding environs on the effective date of appraisal. This inspection sample was considered an adequate representation of the subject property and is the basis for our findings.

Type and Extent of the Data Researched

CBRE, Inc. reviewed the micro and macro market environments with respect to physical and economic factors relevant to the valuation process. This process included interviews with regional and local market participants, available published data, and other various resources. CBRE, Inc. also conducted regional and local research with respect to the following:

- applicable tax data
- zoning requirements
- flood zone status
- demographics
- income and expense data
- comparable data

Type and Extent of Analysis Applied

CBRE, Inc. analyzed the data gathered through the use of appropriate and accepted appraisal methodology to arrive at a probable value indication via each applicable approach to value. The steps required to complete each approach are discussed in the methodology section.

Exposure/Marketing Time

Appraisal guidelines require a reasonable time-period estimate in which the subject could be brought to market and sold. This timeframe can either be examined historically or prospectively. In a historical analysis, this is referred to as exposure time. Exposure time always precedes the date of value, with the underlying premise being the time a property would have been on the market prior to the date of value, such that it would sell at its appraised value as of the valuation date. On a prospective basis, the term marketing time is most often used. The marketing time is a function of price, time, and use. It is not an isolated estimate of time alone. We have analyzed exposure periods for comparable sales included within the CBRE VIEW database and CBRE U.S. Seniors Housing Investor Survey, as summarized within the following table.

EXPOSURE/MARKETING TIME INFORMATION

Seniors Housing Industry Overview

Seniors housing communities provide accommodation, an array of services, and healthcare options to the senior population and are subdivided into several principle community types. The following classifications incorporate publicized standards consistent with industry groups including LeadingAge; American Health Care Association (AHCA); American Seniors Housing Association (ASHA); Argentum; and the National Investment Center for the Seniors Housing & Care Industry, Inc. (NIC).

Seniors Housing Principle Types

Seniors Multifamily: Seniors multifamily, age-restricted (55+/62+), communities include for-rent single-family homes, townhomes, mobile homes, or rental apartments. These properties are typically restricted to adults at least 55 years of age who generally lead independent lifestyles. While these communities would likely include an assortment of residential amenities, such as a clubhouse, golf course and recreational spaces, no specialized services are available. Outdoor maintenance is normally included in the homeowner's association or condominium fee. These properties do not have a commercial kitchen and generally do not provide meals or other services to residents.

Active Adult Communities (AA): Active adult communities are generally considered a 'bridge' between market-rate apartments and independent living seniors housing, catering to the more lifestyle focused senior. Amenities, building design, and services, including meals, activities, and transportation, are not included in the monthly rent, but can be arranged at the request of the resident, or on an ala carte basis. These properties do not typically have commercial kitchen, and community dining rooms are usually smaller than independent living communities. Activities of daily living (ADL) services may also be provided through third-party home care providers.

Independent Living (IL): Independent living communities are usually offered on a rental basis with resident access to meals and other services such as housekeeping, linen service, transportation, beauty salon/ barber shop, and social or recreational activities, as part of their monthly fees. Such properties do not provide assistance with ADLs, such as supervision of medication, bathing, dressing, toileting, etc. Residents of independent units may have some home health care services provided by in-house staff or an outside agency. Licensure requirements typically do not apply.

Assisted Living (AL): Assisted living residences are state-regulated communities that provide similar services and amenities as independent living, while also providing supportive care. The staff within these communities are trained in providing assistance to residents who are unable to live independently and require assistance with activities of daily living (ADL) including management of medications, bathing, dressing, toileting, ambulating and eating.

Memory Care (MC): Typically considered a subset of assisted living, memory care residences offer ADL support similar to an assisted living residence. However, this care level is dedicated to residents with Alzheimer's or other forms of dementia. Memory Care residences have 24-hour support with more structured activities to ensure safety and quality of life by trained staff members. Most memory

care living environments are fully secured with locked areas and allow access to outdoor walking paths or gardens.

Skilled Nursing Facilities (SNF): Skilled nursing facilities (nursing care) are the most need-driven demand segment. These properties are the most care intensive and highly regulated segment of the seniors housing and healthcare sector. Most individuals require 24-hour nursing and medical care. In most cases, these properties are licensed for Medicaid and Medicare reimbursement. Nursing care properties fall into two categories: Long Term Care and Post-Acute Care. Medicaid typically is the largest payor source of long-term care properties while Medicare is the largest payor source for post-acute care (rehabilitation) properties.

Continuing Care Retirement Community (CCRCs): Continuing care retirement communities (also referred to as Life-Plan Communities (LPC)) provide independent living, assisted living, and skilled nursing options on a single campus, typically within different buildings. This arrangement allows older adults to remain in the same community with the same provider, even if their future care needs change (age-in-place). Modern CCRCs tend to target an independent living customer seeking hospitality style amenities and services with the security of knowing that future care needs will be met. Resident payment plans vary and include entrance fee, condo/coop and rental programs.

Asset Components

Seniors housing and care properties are encumbered by businesses that require a specific mix of tangible and intangible assets to operate effectively. The tangible or real property assets, including the land, improvements, furniture, fixtures and equipment, are obvious components of a seniors housing and care property. Unlike other forms of income producing commercial real estate, a meaningful component of value relates to intangible assets. The intangible components are summarized below.

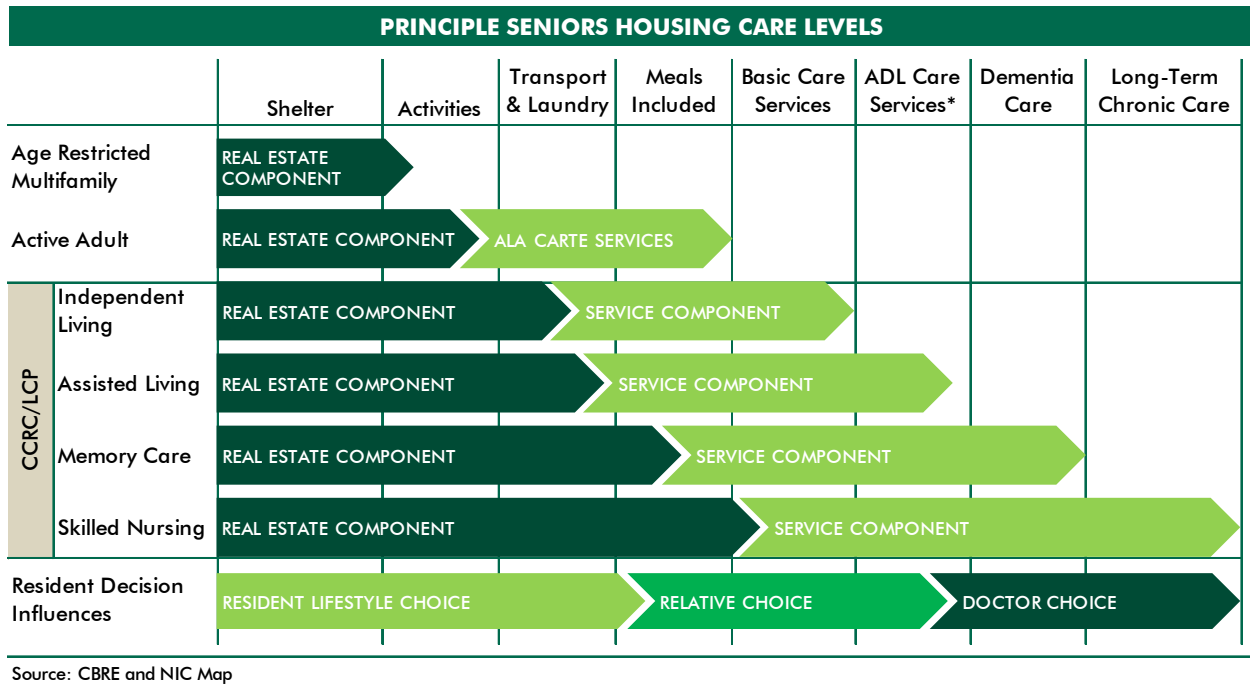

ASSET COMPONENTS	
Tangible Assets	Intangible Assets
Furniture, Fixtures & Equipment	Operating Policies & Procedures
Building Envelope	Brand
HVAC & Mechanical Systems	Assembled Workforce
Elevator(s)	Market Relationships
Land	License*

**Federal, state, and local*

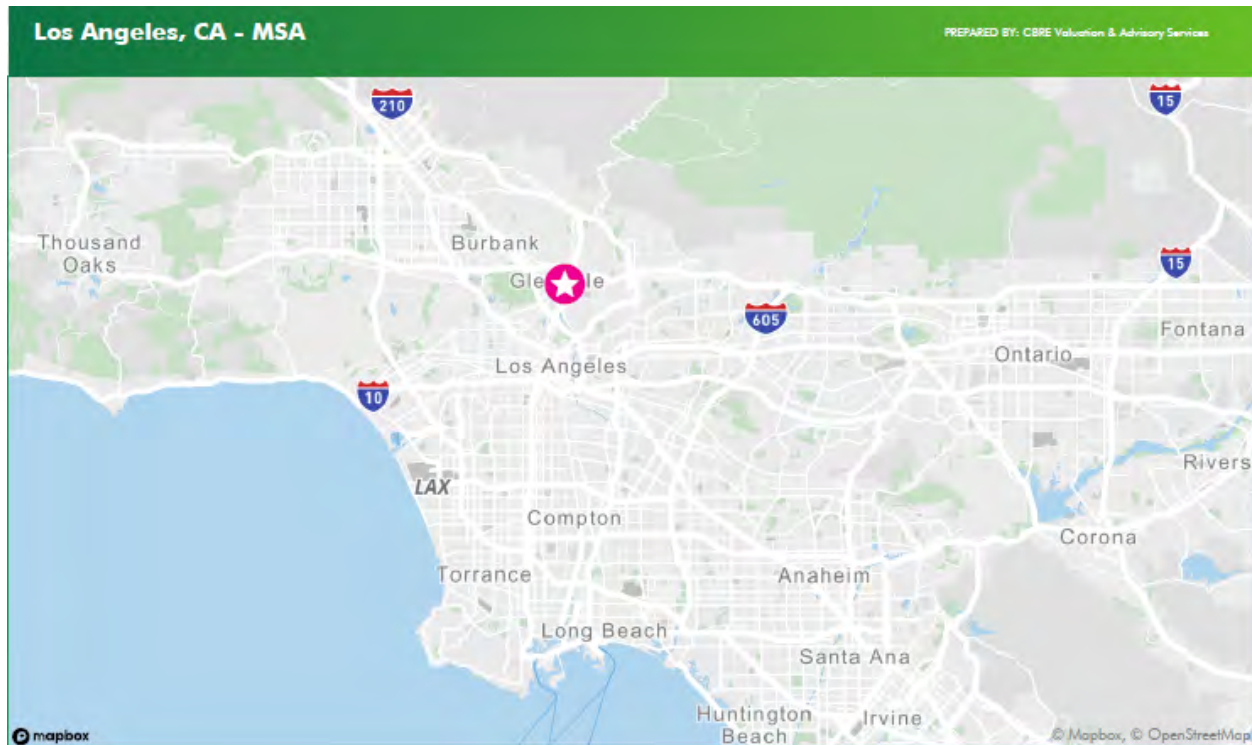

The seniors housing and care business model is more involved than core-asset classes, making property operations an essential component of value. This 'active management' component is correctly viewed by the market as adding incremental risk and complexity versus the conventional commercial real estate asset classes, which translates into higher return expectations by investors.

Seniors Housing Principle Types & Asset Component Summary

In the following illustration, the differing principle care levels are summarized, along with the corresponding asset component and resident demand influencer.

Area & Neighborhood Conclusion

The immediate neighborhood is supportive of the subject's use as seniors housing. The neighborhood contains healthcare providers that are supportive of the subject. Access to area highways, employment centers, and shopping is good. Development has been occurring within the subject's neighborhood. Due to the built-up nature of the area, many of these are redevelopments of older structures. These developments do conform to the existing uses and are considered to benefit the subject. The neighborhood is in a stage of overall balance having a favorable impact on the subject property.

Market Analysis

The market analysis forms a basis for assessing market area boundaries, supply and demand factors, and indications of financial feasibility. Primary data sources utilized for this analysis include National Investment Center for The Seniors Housing & Care Industry (NIC), American Seniors Housing Association (ASHA), and CBRE primary research. In analyzing the subject's market as well as the overall supply and demand fundamentals that impact the subject's occupancy, the following steps have been taken:

- Seniors Housing Market Overview
- Analyse Market and Submarket Trends
- Delineate and Analyse the Subject's Primary Market Area
- Conduct a Penetration Analysis
- Conclusion

The subject is considered a Class B investment, Continuing Care Retirement Community.

National Seniors Housing Market Overview

The following discussion illustrates some general observations regarding the overall fundamentals of the subject's property type within the seniors housing sector. NIC MAP serves as a primary resource to lenders, investors, developers and operators of seniors housing and care properties. NIC MAP reports industry specific data for 140 metro markets in the continental United States.

National Seniors Housing Overview

"The seniors housing sector's occupancy improved in the third quarter of 2021. After five consecutive quarters of no occupancy improvement amid the effects of the COVID-19 pandemic, the seniors housing occupancy rate increased in the third quarter to 80.1%, up from 78.7% in the second quarter. Occupancy was down 190 basis points from a year ago, 730 basis points from its pre-pandemic level and 1,010 basis points (10.1 percentage points) below its most recent peak of 90.2% in the fourth quarter of 2014.

Net absorption was positive in the third quarter of 2021, for the second consecutive quarter, and registered at its highest level since the time series began in 2006. In the third quarter, the number of estimated occupied units increased by 12,318, which represented an absorption rate of 2.3% during the quarter, the highest quarterly absorption growth rate on record. Annual absorption was positive in the third quarter at 0.2%, after five consecutive quarters of negative annual absorption growth.

The pace of inventory growth was relatively moderate, which also contributed to the increase in occupancy. Inventory increased by 3,441 units, which represented a quarterly growth rate of 0.5%, down 20 basis points from the prior quarter and 30 basis points from a year ago. Inventory increased by 2.5% in the past year, down 30 basis points from the prior quarter and down 40 basis points from a year ago.

Construction activity slowed during the third quarter of 2021 with 33,014 units under construction, the lowest number since the second quarter of 2015, and down 5.6% from the prior quarter. Construction represented 4.9% of existing inventory, down 30 basis points from the prior quarter.

SENIORS HOUSING SUPPLY-DEMAND TRENDS

The pace of annual rent growth picked up during the third quarter of 2021 but was still low by historic standards. During the third quarter, annual rent growth was 1.5%, up 20 basis points from the prior quarter and down 60 basis points from a year ago. The average asking rent for seniors housing was \$4,457 as of the third quarter.”⁴

⁴ NIC MAP Monitor®, Quarterly Report Q3 2021

National Independent Living Overview

“Independent living occupancy increased in the third quarter of 2021. The third quarter occupancy of 83.2% is 130 basis points higher than the prior quarter, the largest quarterly increase on record. Occupancy is now 930 basis points (9.3 percentage points) below its first quarter 2007 peak of 92.5% and 650 basis points below its pre-pandemic occupancy of 89.7%.

The third quarter of 2021 recorded the highest net absorption in the time series and the second consecutive quarter of positive absorption. In the third quarter, the number of estimated occupied units increased by 5,831, which represented a record absorption rate of 2.1% during the quarter, up 180 basis points from the prior quarter’s pace. Annual absorption as of the third quarter of 2021 was still negative, however, at -0.1%, an improvement of 3.8% from the prior quarter.

The pace of inventory growth picked up slightly during the third quarter of 2021. Inventory grew by 1,620 units, which represented a quarterly growth rate of 0.5%, up 20 basis points from the prior quarter. Inventory increased by 2.1% in the past year, down 20 basis points from the prior quarter and down 40 basis points from a year ago.

Construction activity at independent living properties has stayed relatively stable for the last three quarters and remained so in the third quarter of 2021. In the third quarter, there were 16,921 units under construction, up 0.5% from the prior quarter. Construction represented 4.9% of existing inventory, unchanged from the prior quarter and down from its recent peak of 6.7% in the fourth quarter of 2019.

MAJORITY INDEPENDENT LIVING SUPPLY-DEMAND TRENDS

The pace of annual rent growth was steady in the third quarter of 2021 at 1.5%, unchanged from the prior quarter and down 80 basis points from a year ago. The average asking rent for independent living was \$3,598 as of the third quarter of 2021.”⁵

⁵ NIC MAP Monitor®, Quarterly Report Q3 2021

National Assisted Living Overview

“Assisted living occupancy increased by 1.5 percentage points (150 basis points) to 76.9% in the third quarter, the largest quarterly increase since NIC MAP began reporting the data in 2005. Occupancy is now 1,210 basis points (12.1 percentage points) below its recent high of 89.0% reached during the third quarter of 2014. It is very low by historic standards, however, and remained 810 basis points below its pre-pandemic peak of 85.0% in the first quarter of 2020.

Net absorption reached a record high level in the third quarter of 2021, the second consecutive quarter with positive absorption. The number of estimated occupied units increased by 6,466, which represented an absorption rate of 2.6% during the quarter, an increase of 160 basis points from the prior quarter’s pace and an increase of 540 basis points from a year ago. Annual absorption was positive at 0.5%, after five consecutive quarters of negative annual absorption rates.

The pace of inventory growth slowed during the third quarter of 2021. Inventory grew by 1,821 units, the lowest number of units since the fourth quarter of 2020. The quarterly growth rate of 0.6% was down 50 basis points from the prior quarter. Inventory increased by 3.0% in the past year, the slowest pace since the first quarter of 2014. That rate is down 30 basis points from the prior quarter and from a year ago.

Construction activity slowed during the third quarter of 2021, with the lowest number of units under construction reported since the second quarter of 2014. In the third quarter, there were 16,093 units under construction, down 11% from the prior quarter. Construction represented 4.9% of existing inventory, down 70 basis points from the prior quarter.

MAJORITY ASSISTED LIVING SUPPLY-DEMAND TRENDS

The pace of annual rent growth increased during the third quarter of 2021 but remained low by historic standards. During the third quarter, annual rent growth was 1.5%, up 30 basis points from the prior quarter and down 50 basis points from a year ago. The average asking rent for assisted living was \$5,464 as of the third quarter of 2021.”⁶

⁶ NIC MAP Monitor®, Quarterly Report Q3 2021

National Nursing Care Overview

“Nursing care occupancy increased to 76.3% in the third quarter, up 220 basis points from the time-series low of 74.0% recorded in the first quarter of 2021. The improvement in occupancy has been greater for nursing care than assisted living or independent living, but the overall decline in occupancy for nursing care since the pandemic was more severe. Occupancy was up 30 basis points from a year ago but was down 10.3 percentage points from the first quarter of 2020 as of the third quarter. The occupancy decline in nursing care was more severe than in seniors housing as the impact of the COVID-19 pandemic has been more significant on residents/patients in nursing care properties due to their higher acuity and general frailty. Occupancy has also been affected by elective surgery cancellations which has lowered rehabilitation services often provided by skilled nursing providers.

Absorption reached a record high level in the third quarter of 2021. This followed the second quarter, when absorption had been at a previous record high level. The number of estimated occupied beds increased by very strong 8,758, which represented an absorption rate of 2.1% during the quarter, up 140 basis points from the prior quarter. Annual absorption in nursing care was positive for the first time since the fourth quarter of 2019 at 0.1%.

The pace of inventory growth slowed during the third quarter. Inventory decreased by 174 beds. Combined with a drop in inventory in the first and second quarters, the overall stock of nursing care is down 1,843 beds.

The third quarter of 2021 recorded the lowest number of units under construction in the time series for nursing care. In the third quarter, there were 1,507 beds under construction, down 151 beds from the first quarter. Construction represented 0.3% of existing inventory, unchanged from the prior quarter.

MAJORITY NURSING CARE SUPPLY-DEMAND TRENDS

Annual rent growth, which is based on the private-pay payor source, was 2.0%, up 10 basis points from the prior quarter and down 40 basis points from a year ago. The average per diem private-pay rate was \$356 as of the third quarter.”⁷

⁷ NIC MAP Monitor®, Quarterly Report Q3 2021

National Continuing Care Retirement Community Overview

“Continuing care retirement community (CCRC) occupancy increased 80 basis points from the second quarter to 85.2% in the third quarter of 2021, the biggest quarterly increase over the time series. Occupancy was down 150 basis points from year-earlier levels. Entrance-fee CCRCs continued to outperform their rental-based counterparts in terms of occupancy. Notably, occupancy declines in CCRCs has been less than in IL, AL, or nursing care.

Absorption was positive for the second quarter in a row in the third quarter of 2021. In the third quarter, the number of estimated occupied units increased by 2,831 units, which represented a quarterly absorption rate of 1.5%, up 140 basis points from the prior quarter. Annual absorption was still negative at -1.0%.

In the third quarter, inventory grew by 1,034 units, representing a quarterly growth rate of 0.5%, up 600 basis points from the prior quarter. In the past year, CCRC inventory has increased by 0.7%.

Overall construction activity picked up during the third quarter of 2021 with 3,733 units under construction, up 673 units from the prior quarter. In the third quarter, construction represented 1.6% of existing inventory, up 30 basis points from the prior quarter.

MAJORITY CCRC SUPPLY-DEMAND TRENDS

Annual rent growth in CCRCs accelerated in the third quarter. Annual rent growth was 2.4%, up 20 basis points from the prior quarter. The average asking rent for the independent living portion of CCRCs was \$3,810 as of the third quarter.

The average entrance fee for CCRCs in the third quarter of 2021 was approximately \$411,000, up 3% from a year ago.”⁸

Demand Influences

Demand for seniors housing is primarily driven by people over the age 75. As of 2010, approximately 5% of the US population, or roughly 19.0 million individuals, were aged 75 years or older. The percentage of seniors in this age group is projected to grow at a much more significant rate due to the aging of the baby boomers. According to projections provided by the United States Census Bureau, the population age 65 and older is expected to more than double between 2012 and 2060.

Baby boomers are defined as persons born between 1946 and 1964. As of 2012, this generation accounted for approximate 76.4 million people, or about one-quarter of the U.S. population. The baby boomers began turning 65 in 2011.

By 2050, the 65-plus age group is estimated to equal 88.0 million, nearly double its current population (48.6 million). The projected growth in this age group will present many challenges to policy makers and programs by having a significant impact on families, businesses, healthcare providers and, most notably, the demand for senior housing.

National Capitalization Rate Trends

The CBRE Valuation & Advisory Seniors Housing and Healthcare practice group recently published the U.S. Seniors Housing & Care Investor Survey. In this survey, capitalization rates for all segments of the seniors housing industry have compressed since H1 2014. Following the COVID-pandemic-induced increase in capitalization rates during the H2 2020 survey, the H1 2021 data indicate an overall compression of 13 bps on a period-over-period (PoP) basis.

Current Market Condition Considerations – COVID Impact

As of March 11, 2020, the Novel Coronavirus (COVID-19/COVID) was declared as a “Global Pandemic” by the World Health Organization. In consideration of the effects of COVID-19 on the subject’s operations, as part of this assignment, we reviewed and analyzed census activity since March 2020, as well as adjustments to operating expenses and capital markets assumptions. Furthermore, projections for the projected term (i.e. near, mid, or long-term) of impact on the subject’s operations was incorporated within the conclusions.

National Occupancy Trends - COVID Impact

Overall national occupancy trends have shown declines across all acuity levels. These reductions in census levels have fluctuated significantly by location, including regional geography and pockets considered as ‘COVID-19 Hotspots’ and because of operator response to COVID-19 on the community level.

For further occupancy trends since March 2020, NIC reports a majority of occupancy decline was reported to have occurred in April 2020. The following chart shows the percentage of respondents that report either an accelerated or no-change in the pace of move-ins, excluding those reporting a trend of ‘deceleration’. Occupancy rates mostly increased, with an overall positive trend, with seasonal declines in the Winter of 2020/2021 and the start of Winter 2021/2022. Impacts of COVID-19 on the subject’s local and regional level are discussed within the ‘Market Occupancy’ subsection of this report.

Market Summary - COVID Impact

Throughout this ongoing pandemic, the CBRE U.S. Seniors Housing valuation practice group has been in continuous contact with numerous market participants, working to discern any perceived and/or quantifiable impact of COVID-19 on the seniors housing market, in real-time. Our discussions include potential near-, mid-, and long-term influences on seniors housing community operations, capital markets, and investor sentiment. These discussions consist of a broad range of market participants active in seniors housing, inclusive of capital markets, private capital investors, institutional fund managers, developers, community operators, and brokers. The following bullets summarize the market discussions:

- Equity funds have record-levels of committed capital that must be deployed in the near term, and are actively assessing investment opportunities, albeit slower to execute.
- Current market activity is showing capitalization rate fluctuations mostly range from 0 to 50 bps over pre-COVID levels for stabilized/near-stabilized communities.
- Capital markets have sizable liquidity and historically low interest rates; however, deployment of capital is somewhat constrained given the continually changing market landscape.
- Investors have developed a comfort level with virtual due diligence.
- Buyers are active in the market, albeit with significant divergence in buy-side vs. sell-side expectations in post-COVID underwriting
- Operators that closed community access, permitting only essential services to enter. The impact of community closers adversely impacted community census levels on aggregate.
- Developers are currently planning to move forward on their projects that are ready to break ground, in most scenarios.
- Near-term disruptions in supply chains and substantial increases in construction costs have impacted the viability of some projects.
- Construction lending is difficult under the current conditions. It should be noted that construction lenders are actively assessing risk for the property type on a daily basis as market data becomes available.

Overall, market participants suggest that markets are incorporating consideration for COVID-19, working to assess potential impact on the seniors housing sector. While a majority of market participants indicated that they do not expect significant price adjustments in the near term, the consensus is that it is too early to quantifiably opine as the impact of this pandemic. Again, please note that these statements are as of the date of the effective date of this report; however, given the recent rate of change in market conditions, these comments are subject to change in the near term.

Submarket Performance Trends

The National Investment Center for the Seniors Housing and Care Industry (NIC) tracks and reports various operational and statistical data through their NIC MAP database. NIC MAP covers 140 U.S. Metropolitan Areas (Metro). The Los Angeles, CA, Metro is the most applicable to the subject's market.

Primary Market Area Performance Summary

The first step in analyzing the competitive market for the subject is delineating the subject's primary market area (PMA). A PMA can be defined by a radius, node(s), submarket(s), zip code(s), county(s) or township(s), or any variety of such defining terms. This cohort represents where approximately 70% to 80% of the residents currently occupying the subject resided prior to moving into the subject property.

Competitive Supply

CBRE researched all current and proposed supply within the subject's primary market area. Based on discussions with property management as well as marketing directors at comparable properties to the subject, the subject's primary market area is outlined in the map below as well as summarized in the following table.

As shown in the map, the comparable rental properties are denoted by 'Green Indicators', additional competitive supply via 'Red Indicators', and proposed supply by 'yellow indicators'. Notably, Comparables 2, 3, 4, and 6 were utilized as comparable properties but not considered direct competitors due to their location outside the defined PMA.

Future Supply

Future supply is one of the greatest potential impacts on a market's balance. Hence, any properties under construction or proposed for construction within the subject's PMA must be identified. To do so, data obtained NIC Construction Reports was researched and inquiries to local planning and zoning approval offices were conducted.

The following properties were identified as part of this research:

- The Panorama Group is planning an elderly care facility at 4900 Eagle Rock in Los Angeles. The plans call for two buildings centered on a single courtyard with a total of 87 assisted-living rooms and 22 memory care rooms for people experiencing cognitive decline. One of the buildings would include a rooftop deck, according to Panorama. While a construction schedule is not yet available, environmental clearance has been granted and the assisted living units were included in the future supply.

Direct Competitors

In addition to the above PMA analysis, the following comparable properties have been surveyed to identify the occupancy and rental trends within the subject's immediate market area. Only properties offering similar services were identified as direct competition to the subject. Note communities within as well as surrounding the subject PMA were considered, with the most comparable properties included; these comparables will be further discussed within the Income Capitalization Approach section of this report. The comparable data is summarized in the following table:

SUMMARY OF COMPARABLE COMMUNITY RENTALS

Penetration Analysis

A penetration analysis can be performed to determine the overall market depth, as well as the potential impact of any future supply within the subject's defined market area. Penetration is defined as the competitive inventory (including the subject) divided by the number of age-qualified households. There are several methodologies in calculating penetration. Though somewhat simplistic, this method is the most widely recognized respective to the subject's property type. Most importantly, it represents the methodology employed by the National Investment Center for the Seniors Housing & Care Industry, therefore allowing for accurate benchmarking against other markets.

This analysis begins by identifying current and proposed competitive supply within the subject's defined PMA. The supply estimate is then applied to demand generators relative to the age qualified demographics of the PMA.

Barriers to Entry

Interest rates and other financing terms remain very attractive with construction levels at all-time highs. Increased construction costs and declining occupancy levels has caused developers to take pause. Nevertheless, all-in development costs remain well below acquisition costs of an existing property. Hence, new development remains an attractive and feasible option for investors.

Investors and underwriters are aware of the potential for overbuilding. Underwriting requirements and levels of due diligence are increasing. Most lenders and investors are requiring extensive market research and a successful track record of developing and-or operating seniors housing properties to move forward.

Licensure requirements relative to the subject's property type are present in California. As further detailed later in this report, there is no moratorium on new licensure. Only the operational and staffing requirements must be met for a property to be granted a license to operate.

Market Occupancy

Occupancy trends for the subject's MSA as well as the NIC MAP Primary and Secondary Metro Markets have been summarized. To best understand market performance within the subject's PMA, current occupancy for all competing properties have been gathered.

Demand Analysis

Demand for seniors housing and care properties can be clearly defined by specific age cohorts, healthcare requirements, and income levels. Future demand can be estimated by understanding population shifts or trends relative to this defined population segment.

This section of the market analysis begins by identifying the age-qualified segment of the population. Various methodologies suggest that consideration should be given to the “adult child” influence, which typically result in an in-migration to the PMA as the adult child will typically bring their respective parent to a property close to their home. However, in accounting for an “adult child” factor, out-migration must also be considered for similar reasoning.

Considering that various markets can behave differently based on locational attributes, climates, local economies, and overall population behaviors, this analysis assumes that the typical in-migration will net out the typical out-migration. This also allows for accurate benchmarking in comparing the subject’s market to the various data-points presented.

Population by Age Cohorts

According to the National Study of Long-Term Care Providers published by the Centers for Disease Control and Prevention (CDC) and National Center for Health Statistics (NCHS), conducted in 2016 and published February 2018, the average age of residents living in residential care communities (IL, AL, MC) is 86.9 years. The following table illustrates the population and projected household changes for the subject’s primary market area.

SENIOR POPULATION BY AGE			
Windsor Glendale, California	3 Miles	5 Miles	7 Miles
2021 Population			
Total Population	263,513	613,575	1,465,018
Age 65 - 74	25,879	57,577	123,316
Age 75 - 84	13,982	30,679	64,735

2026 Population			
Total Population	266,237	620,659	1,510,732
Age 65 - 74	27,448	61,502	135,267
Age 75 - 84	16,515	36,759	79,931
Age 85+	6,593	14,380	30,327
% Change			
Total Population	1.03%	1.15%	3.12%
Age 65 - 74	6.06%	6.82%	9.69%

Age 85+	10.99%	10.36%	10.44%
Source: CBRE Fast Reports & ESRI			

Considering 85+ is the average resident population age at senior living communities, it can be assumed that residents enter these communities at earlier ages as well as later ages. Therefore, this analysis considers the 75 to 84 and the 85+ age cohort as age-qualified demand.

Income Distributions

Income available for expenditure on housing and other consumer items is a primary factor in determining income qualified demand. The following table illustrates estimated household income distributions for the subject's primary market area.

ESTIMATED HOUSEHOLD INCOME BY AGE			
2021 Households	65-74 Years	75 - 84 Years	85+ Years

The immediate area surrounding the subject is projected to experience growth relative to households, population, and income levels over the next five-year period. Foregoing any changes in competitive supply, these trends do indicate a favorable demand outlook.

Penetration Analysis Conclusion

Applying the competitive supply indications to the total demand indications yields the following penetrations rates:

MARKET PENETRATION		
	2022	2027
Independent Living		
Age Qualified Households (75+)	25,566	29,230
Total Supply	288	288
Indicated Penetration Rate:	1.13%	0.99%
Assisted Living		
Age Qualified Households (75+)	25,566	29,230
Total Supply	817	904
Indicated Penetration Rate:	3.20%	3.09%
Nursing Care		
Age Qualified Households (75+)	25,566	29,230
Total Supply	1,650	1,650
Indicated Penetration Rate:	6.45%	5.64%
Compiled by CBRE		

Penetration rates alone can have multiple meanings. To properly understand market penetration, market occupancy must also be considered. The various market types are summarized as follows:

Low Penetration/ High Occupancy: This combination is the most favorable. The high occupancy indicates that the local population is accepting the subject's product type with significant room for expansion. This combination also suggests a higher than typical ratio of residents emanating from outside the defined PMA, or above market net in-migration. This market suggests strong occupancy, stable rent growth, and healthy absorption for proposed properties.

Low Penetration/ Low Occupancy: Age and income qualified seniors are either not accepting the property type or are traveling outside the defined PMA to obtain their respective needs, due to unsatisfactory product within the PMA. This combination suggests that market opportunity does exist but will likely require additional marketing efforts to achieve a favorable stabilized occupancy level.

High Penetration/ High Occupancy: While this combination can indicate a competitive market, it does presume that the local population is well educated with the property type and generally receptive to the services provided. Markets displaying this combination require less marketing efforts in terms of product education but may require more resources from a competitive market position standpoint, such as superior quality or affordable rents.

High Penetration/ Low Occupancy: This combination is the least favorable and most likely depicts a saturated market. Decreasing rental rates, prevalence of concessions, and less than favorable occupancy can be expected when this combination is displayed.

The subject's primary market area is defined by comparing the PMA occupancy and penetration metrics to the respective NIC MAP market metrics as summarized below.

Market Analysis Conclusion

To determine market demand, CBRE employed a penetration analysis. These conclusions are further supported by discussions with local marketing directors at comparable properties within and around the subject's defined market area.

Independent Living Penetration

The independent living penetration analysis yields low penetration with high market occupancy indicating an under supplied market. Penetration is expected to remain low over the next five years, indicating the competitive supply is expected to change at a generally similar rate to demand.

Assisted Living Penetration

The assisted living penetration analysis yields low penetration with high market occupancy indicating an under supplied market. Penetration is expected to remain low over the next five years, indicating the competitive supply is expected to change at a generally similar rate to demand.

Nursing Care Penetration

The nursing care penetration analysis yields low penetration with high market occupancy indicating an under supplied market. Penetration is expected to decrease over the next five years, indicating demand will outpace the competitive supply. Hence, occupancy and-or rental rates are expected to increase over the next five-year period.

Supply and Demand Conclusion

The subject's market is undersupplied with the subject required to capture its proportionate share of market demand to obtain the estimated stabilized levels. The subject is generally competitive in terms of amenities and offers a continuum of care.

The location of the subject with favorable economic and population trends, along with physical and operational attributes suggest that the subject will capture the appropriate share of the market to maintain a stabilized occupancy level consistent with current market indications for stabilized properties.

Subject Market Position

Management Overview

The community is managed by HumanGood; California's largest non-profit provider of senior housing and services. Headquartered in Duarte, California, HumanGood develops and operates both life plan and affordable senior living communities throughout California, Oregon, Washington and Delaware. The analysis and conclusions within this report assume competent management and market operations.

Certificate of Need

Certificate of Need (C.O.N.) programs are aimed at restraining health care facility costs and facilitating coordinated planning of new services and facility construction. Many "CON" laws initially were put into effect across the nation as part of the federal "Health Planning Resources Development Act" of 1974. Despite numerous changes in the past 30 years, most states retain some type of CON program, law or agency as of 2016.

The basic assumption underlying CON regulation is that excess capacity stemming from overbuilding of health care facilities results in health care price inflation. Price inflation can occur when a hospital cannot fill its beds and fixed costs must be met through higher charges for the beds that are used. Bigger institutions generally have bigger costs, so CON supporters say it makes sense to limit facilities to building only enough capacity to meet actual need or demand. A need must be established for an organization to be granted a CON. California does not have a Certificate of Need law.

Stabilized Occupancy Estimate

The physical occupancy for the subject is detailed in the following chart:

In recognition of impacts of COVID-19 on the overall seniors housing market, the following bullets summarize the subject's recent trailing census levels:

- During 2020 census levels remained generally level, with occupancy declining by 8.7% in 2021.

CBRE's conclusion of stabilized occupancy for the subject is illustrated in the following table. This estimate considers physical and economic market factors.

The vacancy estimate above represents physical occupancy based on resident days while the weighted average vacancy represents economic vacancy based on potential gross income (PGI) attributable to each component. Any disparity between the two figures is due to the differing levels of rent for the subject's care levels.

The concluded occupancy was applied to the subject's unit mix to derive a weighted average economic vacancy, as detailed below:

WEIGHTED AVERAGE ECONOMIC VACANCY					
Care Level	% of Total PGI		Vacancy		
Independent Living	37.9%	x	10.0%	=	3.8%
Assisted Living	24.1%	x	15.0%	=	3.6%
Nursing Care	38.0%	x	20.0%	=	7.6%

Based on the market analysis, the subject's PMA shows positive indicated demand. Additionally, in our discussions with representatives at nearby, direct competitors, occupancies are reported to be slowly increasing to pre-pandemic levels. The NIC MSA indicates stabilized levels were 92.7% in the 1st quarter of 2020 for independent living and 88.6% of assisted living. The CBRE stabilized occupancy conclusion places primary weight on the subject's historical levels, as supported by the market data.

In the discounted cash flow analysis, fluctuations in revenue and expenses are incorporated into the valuation model as will be discussed. Consistent with typical market underwriting methodology, a 10-Year discounted cash flow model has been utilized.

Absorption Estimate

As the subject will undergo an absorption period to achieve stabilization, we have researched absorption rates for comparable properties for an absorption rate estimate for the subject. The following comparables were utilized from within the subject's general market area.

Given the impact of COVID on the overall seniors housing market, in our recent (H1 2021) Seniors Housing Investor Survey, we asked respondents to opine as to the rate of absorption they are underwriting for communities that lost census since the COVID pandemic started. As shown within the following dataset, in each care level, a majority of respondents (% of respondents) reported underwriting re-absorption at between one and six units per month.

Units/Month	AA	IL	AL	MC	SNF	CCRC/LPC

Given the variance in census deterioration during the pandemic, we also asked respondents what their projected period (in months) was to re-gain stabilized, or pre-COVID census levels. The results are included within the following dataset. A majority of respondents (% of respondents) reported an absorption period of between 6 and 18 months for lower acuity communities.

Absorption Conclusion

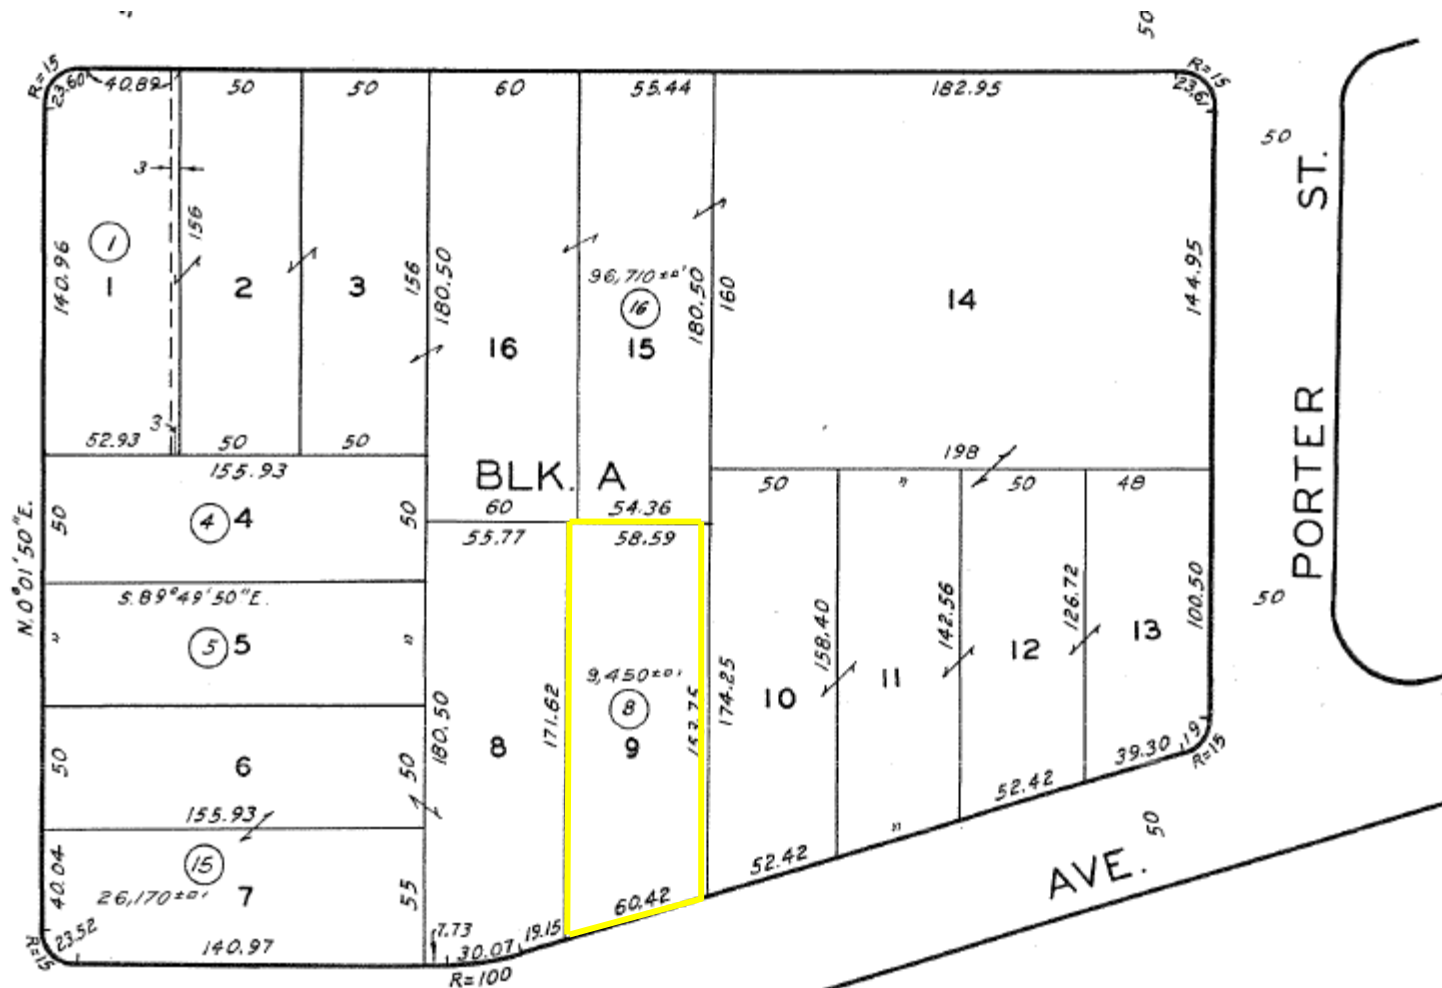

Considering the location of the subject and conclusions stated in the market analysis, lease-up is expected to fall at the low end of the market averages presented above. The subject benefits from its location within the market but absorption tends to compress as a property approaches stabilization. The improvements are well designed for their respective use and offer amenities that are commensurate with the demands of the local population. The data presented throughout the market analysis indicates that operating levels currently projected for the subject will continue.

Overall, we conclude to an absorption of 12 months or to a net monthly absorption of 1.30 revenue units.

Excess Land

The subject includes a 9,137-square foot, nearly rectangular lot, considered to be excess land. The site is identified as tax identification number 5679-032-008 and has an address of 1219 E. Garfield. The site is vacant and used for overflow parking.

Adjacent Properties

The adjacent land uses are summarized as follows:

North:	Residences
South:	Elementary School
East:	Windsor Mini Park, Residences
West:	Medical Office

The adjacent properties are conforming to the neighborhood and are complementary to the specific use of the subject.

Flood Zone

According to flood hazard maps published by the Federal Emergency Management Agency (FEMA), the site is within Zone X (Unshaded). FEMA defines the subject's respective zone flood zone as follows:

Zones C and X (unshaded) are flood insurance rate zones used for areas outside the 0.2-percent-annual-chance floodplain. No Base Flood Elevations (BFEs) or depths are shown in this zone, and insurance purchase is not required.

Conclusion

The site is well located and affords good access and visibility from roadway frontage. The size of the site is typical for the area and use, and there are no known detrimental uses in the immediate vicinity. There are no known factors that are considered to prevent the site from development to its highest and best use, as if vacant, or adverse to the existing use of the site.

Zoning

The following chart summarizes the subject's zoning requirements.

ZONING SUMMARY

Legally Conforming	Yes
Uses Permitted	Multiple Residential Dwellings, Senior housing and congregate living communities are also permitted.
Ability to be Restored Without Permit	Yes
Zoning Change	Not likely
Source: Planning & Zoning Dept.	

The existing improvements represent a legal, conforming use of the site. The excess land, identified as tax identification number 5679-032-008, contains 9,137 square feet. The site is used for overflow parking and is also zoned R-3050; intended primarily as a zone for moderate density residential development with a minimum of three thousand fifty (3,050) square feet of lot area per dwelling unit. The site could be improved with a single-family or a two-unit residence, provided all setback and parking requirements are met.

It is recommended that local planning and zoning personnel be contacted regarding more specific information that might be applicable to the subject.

Layout of Improvements

The existing improvements consist of the primary building, which is part one-story and part, four story, with a subterranean basement and three cottage style, duplex units. The primary building features a central courtyard and surface parking areas at the southeast and northwest portion of the site. There is a lobby area with a reception desk. Most of the administrative offices are located adjacent to the main lobby. Common areas include activity rooms, a dining area, therapy room and a private dining room. The basement also features a theatre, billiards room and meeting room. There are resident laundry rooms and a commercial laundry area. The nursing care wing contains a separate and secured resident "pod" containing a dining area, warming kitchen, common television and activity room along with the resident rooms. All support areas, including a full commercial kitchen and commercial laundry room, are located at the central portion of the property. A summary of the unit mix is included below:

In comparison, the subject's improvements feature smaller average unit sizes, but a greater percentage of common areas, as compared to similar property types.

Description of Improvements

Construction Class: D - Wood frame, floor and structure; considered combustible.

The construction components are assumed to be in working condition and adequate for the building.

Foundation: The foundation is assumed to be of adequate load-bearing capacity to support the improvements.

Ground Floor: Reinforced, concrete basement.

Roof Cover:	Low-pitch roofing system consisting of asphalt-shingles.
Flooring:	The common areas have commercial grade carpeting with Pergo laminate or ceramic tile flooring. The commercial kitchen has a quarry tile floor. The resident units have carpet or laminate in the living and bedroom areas with laminate or ceramic tile in the kitchenettes and bathrooms.
Exterior Walls:	The exterior walls consist of painted stucco with decorative trim. The building contains double-pane aluminum frame windows.
HVAC:	All common areas and resident rooms contain central cooling and heating. The cottages feature individual HVAC systems.
Plumbing:	The plumbing system is assumed to be adequate for the existing use and in compliance with local law and building codes.
Electrical:	The electrical system is assumed to be in good working order and adequate for the building.
Security:	Resident call systems in all the resident living areas and bathrooms, as well as emergency back-up lighting system.

Utilities

The subject operations indicate that management is responsible for all utilities including electricity, water and sewer costs. The individual units are separately wired for phone and cable services with the tenants paying these costs.

Fire Protection

It is assumed the improvements have adequate fire alarm systems, fire exits, fire extinguishers, fire escapes and other fire protection measures to meet local fire marshal requirements. CBRE, Inc. is not qualified to determine adequate levels of safety & fire protection, whereby it is recommended that the client/reader review available permits, etc. prior to making a business decision.

Project Amenities

Property and unit amenities for the subject property are summarized below:

- Community Dining Room(s)
- Private Dining Room
- Other Dining Venues (Bistro)
- Sundries Shop
- Game Room
- Library/Computer Center
- Hair Salon
- Media Room
- Resident Lounge Areas
- Arts & Craft Room
- Elevator Access to all areas
- Laundry Facilities
- Wellness Center
- Resident Storage
- Mail Room
- Outside Patios/Walking Areas
- Scheduled Transportation

The following are the individual living unit amenities and features are being offered at the subject:

- 24-Hour Emergency Response System
- Fire/Smoke Detectors and Sprinkler System
- Individual Air Controls
- Private Baths
- Showers with a Seat and Grab Bars
- Full-Function Kitchen (IL units)
- Kitchenettes (AL units)
- Ample Closet Space
- Basic Cable Television Access
- Washer/Dryer Appliances (Cottage units)

Parking and Drives

The subject features surface parking comprised of 62 spaces situated throughout the site. Additionally, the parking is considered adequate, including accessible (FKA as handicapped or disabled) parking spaces. The cottage style units feature two, 2-car garages. All parking spaces and vehicle drives are asphalt paved and considered to be in good condition.

Landscaping

Landscaping is in good condition and well maintained.

Functional Utility

The floor plans are considered to feature functional layouts and the layout of the overall project is considered functional in utility.

ADA Compliance

The client/reader's attention is directed to the specific limiting conditions regarding ADA compliance.

Furniture, Fixtures and Equipment

Additional personal property including all common area furniture, as well as all equipment required to operate the subject property are typically included in the sale of a seniors housing property. These items are in good condition.

Environmental Issues

CBRE, Inc. is not qualified to detect the existence of any potentially hazardous materials such as lead paint, asbestos, urea formaldehyde foam insulation, or other potentially hazardous construction materials on or in the improvements. The existence of such substances may affect the value of the property. This analysis assumes that any hazardous materials that may cause a loss in value do not affect the subject.

Deferred Maintenance

Our inspection of the property indicated no items of significant deferred maintenance.

Cost to Complete (Capital Expenditures)

The subject is undergoing a renovation of the three-story section of the building. This included renovating the basement level common areas, renovating the resident hallways and renovating a number of resident rooms in the four-story section of the main building. A rooftop HVAC system was also replaced. The renovations will be completed after a construction period of 1-month or on March 17, 2022.

During this assignment, we were provided a budget for the cost to complete this project, as recapitulated within the following chart.

SUMMARY OF COST TO COMPLETE	
Renovation Costs	\$1,010,853
Less Completed	(\$751,000)
Subtotal - Remaining Costs	\$259,853
Plus: Profit @ 15%	\$38,978
Total Cost to Complete:	\$298,831
Source: Management's Construction Budget	

In addition to the cost to complete, a 15% profit (entrepreneurial incentive) line item, based on a percentage of cost, has been added to account for the time, effort, and cost of capital associated with undertaking this project. The remaining costs are then \$259,853, for a total cost to complete of \$298,831, inclusive of entrepreneurial profit.

Economic Age and Life

CBRE, Inc.'s estimate of the subject improvements effective age and remaining economic life is depicted in the following chart:

ECONOMIC AGE AND LIFE	
Actual Age	50 Years
Effective Age	20 Years
MVS Expected Life	55 Years
Remaining Economic Life	35 Years
Accrued Physical Incurable Depreciation	36.4%
Compiled by CBRE	

The overall life expectancy is based upon our on-site observations and a comparative analysis of typical life expectancies reported for buildings of similar construction as published by Marshall and Swift, LLC, in the *Marshall Valuation Service* cost guide. While CBRE, Inc. did not observe anything to suggest a different economic life, a capital improvement program could extend the life expectancy.

This analysis is based on the subject in as is condition, upon completion and upon stabilization.

Conclusion

The improvements are considered to be functional in design and consistent with current design trends for the subject's respective property type. These improvements are expected to maximize the highest and best use of the site.

Tax and Assessment Data

The subject's market value, assessed value, and taxes are summarized below, and do not include any furniture, fixtures and equipment.

The table above shows the 2021 assessment values along with the 2021 taxes, after exemptions were applied. Nonprofit corporations are eligible for tax exempt status under section 501(c)(3) for real and personal property owned and operated in California.

Property Tax Methodology

In California, privately held real property is typically assessed at 100% of full cash value (which is interpreted to mean market value of the fee simple estate) as determined by the County Assessor. Generally, a reassessment occurs only when a property is sold (or transferred) or when new construction occurs (as differentiated from replacing existing construction). In the case of long-term ground leases, the general rule is that a reassessment is made at the time of assigning or terminating a lease where the remaining term is more than 35 years. For reassessment purposes, the lease term includes all options to extend. Assessments for properties that were acquired before the tax year 1975-1976 were stabilized as of the tax year 1975-1976. Property taxes are limited by state law to 1% of the assessed value plus voter-approved obligations and special assessments. If no sale (or transfer) occurs or no new building takes place, assessments may not increase by more than 2% annually. Taxes are payable in two equal installments, which become delinquent after December 10 and April 10, respectively.

The concluded tax value is equal to the “As Is” allocated real estate value. If the subject were to sell, a reassessment at the allocated real estate value would most likely occur, with tax increases limited to 2% annually thereafter until the property is sold again. The stabilized tax projection does not include the excess land parcel.

Delinquency

According to our search of local public records, the subject does not have any outstanding (delinquent) property taxes.

Conclusion

The total taxes for the subject have been estimated as \$158,804 for the base year of our analysis, based upon an assessed value of \$14,870,000 or \$108,540 per unit. The taxes estimated in our analysis are for the subject property assuming a sale at the current market value (real estate). If the subject were to sell, a reassessment at the allocated real estate value would most likely occur, with tax increases limited to 2% annually thereafter until the property is sold again. The consequences of this reassessment have been considered in the appropriate valuation sections.

Highest and Best Use

In appraisal practice, the concept of highest and best use represents the premise upon which value is based. The four criteria the highest and best use must meet are:

- legally permissible
- physically possible
- financially feasible
- maximally productive

The highest and best use analysis of the subject is discussed on the following pages.

As If Vacant – Primary Site

Legally Permissible

The legally permissible uses were discussed in the Site Analysis and Zoning Sections.

Physically Possible

The subject is adequately served by utilities, and has an adequate shape and size, sufficient access, etc., to be a separately developable site. There are no known physical reasons why the subject site would not support any legally probable development (i.e. it appears adequate for development). Existing structures on similar sites provide additional evidence for the physical possibility of development.

Financially Feasible

Potential uses of the site include various multifamily uses as previously detailed in the zoning analysis. The determination of financial feasibility is dependent primarily on the relationship of supply and demand for the legally probable land uses versus the cost to create the uses. As discussed in the market analysis of this report, the subject's seniors housing market is generally stabilized. Development of new seniors housing properties has occurred in the past few years; however elevated construction costs has resulted in many proposed developments which are no longer moving forward due to inadequate construction financing and market conditions (increasing vacancy, declining effective rental rates, higher cap rates, etc.). Overall, there is significant risk in the senior housing market and most investors would not move forward with new construction at this time. Redevelopments of older buildings for new apartment buildings is taking place in the subject's market and due to the built-up nature of the area, demand for redevelopment sites is positive.

Maximally Productive

The final test of highest and best use of the site as if vacant is that the use be maximally productive, yielding the highest return to the land. In relation to the various uses permitted, the subject's location is most viable for an apartment development. Surrounding uses are complementary in nature. Hence, in the case of the subject as if vacant, the analysis has indicated that a new apartment development would be most appropriate.

Conclusion: Highest and Best Use As If Vacant

Based on the information presented above and contained in the market and neighborhood analysis, the highest and best use of the subject as if vacant would be the immediate development of apartments. More specifically, the subject would be developed at a density that would maximize the allowable unit count under current zoning code. Our analysis of the subject and its respective market characteristics indicate the most likely buyer, as if vacant, would be an investor (land speculation) or a developer.

As If Vacant – Excess Land***Legally Permissible***

The legally permissible uses were discussed in the Site Analysis and Zoning Sections.

Physically Possible

The subject is adequately served by utilities, and has an adequate shape and size, sufficient access, etc., to be a separately developable site. There are no known physical reasons why the subject site would not support any legally probable development (i.e. it appears adequate for development). Existing structures on similar sites provide additional evidence for the physical possibility of development.

Financially Feasible

Potential uses of the site include various a single-family or a two-unit residence, provided all setback and parking requirements are met. The determination of financial feasibility is dependent primarily on the relationship of supply and demand for the legally probable land uses versus the cost to create the uses. Redevelopments of older buildings for new apartment buildings is taking place in the subject's market and due to the built-up nature of the area, demand for development sites is positive.

Maximally Productive

The final test of highest and best use of the site as if vacant is that the use be maximally productive, yielding the highest return to the land. In relation to the various uses permitted, the subject's location is most viable for a residential development. Surrounding uses are complementary in nature. Hence, in the case of the subject as if vacant, the analysis has indicated that a new single-family or a two-unit residence would be most appropriate.

Conclusion: Highest and Best Use As If Vacant

Based on the information presented above and contained in the market and neighborhood analysis, the highest and best use of the subject as if vacant would be the immediate development of a single-family or a two-unit residence. Our analysis of the subject and its respective market characteristics indicate the most likely buyer, as if vacant, would be an investor (land speculation) or a developer.

As Improved

Legally Permissible

The site has been improved with a seniors' housing development that is a legal, conforming use.

Physically Possible

The layout and positioning of the improvements are considered functional for seniors housing use. While it would be physically possible for a wide variety of uses, based on the legal restrictions and the design of the improvements, the continued use of the property for seniors housing users would be the most functional use.

Financially Feasible

The financial feasibility of a seniors housing community is based on the amount of rent which can be generated, less operating expenses required to generate that income; if a residual amount exists, then the land is being put to a productive use. Based upon the income capitalization approach conclusion, the subject is producing a positive net cash flow and continued utilization of the improvements for seniors housing purposes is considered financially feasible.

Maximally Productive

The maximally profitable use of the subject as improved should conform to neighborhood trends and be consistent with existing land uses. Although several uses may generate sufficient revenue to satisfy the required rate of return on investment and provide a return on the land, the single use that produces the highest price or value is typically the highest and best use. As shown in the applicable valuation sections, buildings that are similar to the subject have been acquired or continue to be used by seniors housing owners/tenants. These comparables would indicate that the maximally productive use of the property is consistent with the existing use as a seniors housing community.

Conclusion: Highest and Best Use As Improved

The highest and best use of the property as improved, is consistent with the existing use as a seniors housing development. Additionally, the most probable purchaser as improved is a non-profit or regional investor.

Appraisal Methodology

In appraisal practice, an approach to value is included or omitted based on its applicability to the property type being valued and the quality and quantity of information available.

Cost Approach

The cost approach is based on the proposition that the informed purchaser would pay no more for the subject than the cost to produce a substitute property with equivalent utility. This approach is particularly applicable when the property being appraised involves relatively new improvements that represent the highest and best use of the land, or when it is improved with relatively unique or specialized improvements for which there exist few sales or leases of comparable properties.

Sales Comparison Approach

The sales comparison approach utilizes sales of comparable properties, adjusted for differences, to indicate a value for the subject. Valuation is typically accomplished using physical units of comparison such as price per square foot, price per unit, price per floor, etc., or economic units of comparison such as gross rent multiplier. Adjustments are applied to the physical units of comparison derived from the comparable sale. The unit of comparison chosen for the subject is then used to yield a total value.

Income Capitalization Approach

The income capitalization approach reflects the subject's income-producing capabilities. This approach is based on the assumption that value is created by the expectation of benefits to be derived in the future. Specifically estimated is the amount an investor would be willing to pay to receive an income stream plus reversion value from a property over a period of time. The two common valuation techniques associated with the income capitalization approach are direct capitalization and the discounted cash flow (DCF) analysis.

Methodology Applicable to the Subject

In valuing the subject, all three approaches are applicable and have been utilized.

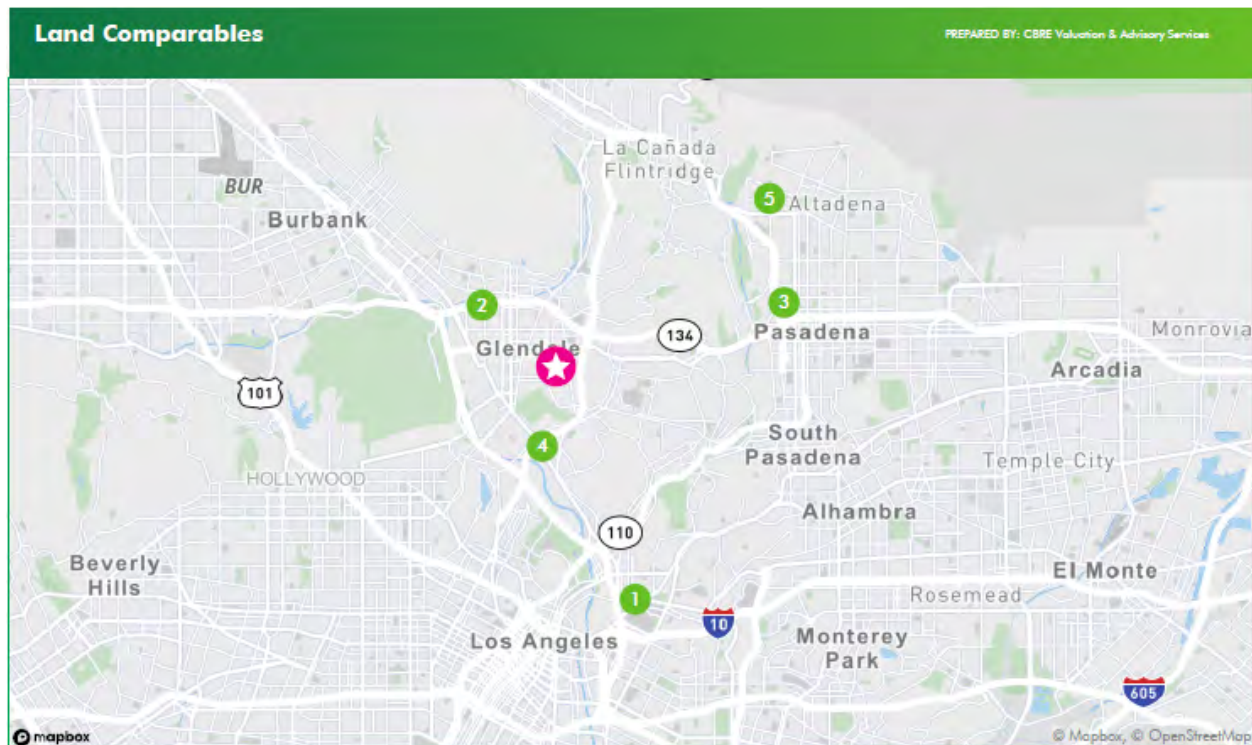

Market Inflation Rate

In each approach to value, the most recent available market data is utilized in providing estimates of value. For estimating an annual inflation rate to be applied within the valuation modeling where applicable, this is estimated by analyzing the expectations typically used by buyers and sellers in the local marketplace. An analysis of the Consumer Price Index (CPI), published survey, as well as data provided via developer and investor proformas is shown in the following chart. The concluded annual inflation rate of 3.00% is also included.

The sales utilized represent the best data available for comparison with the subject. These sales were chosen based upon use, condition and quality, date of transaction, and location. CBRE did attempt to select comparables located in markets with similar economic attributes as the subject.

Discussion/Analysis of Land Sales

Land Sale One

The upward market conditions (time) adjustment reflects the improved market conditions since date of sale. The adjustment for location was warranted due to the property's location in a market with favorable income levels and demographic growth. Therefore, a downward adjustment was judged proper for this comparable. With respect to zoning/density, this comparable was considered superior in this aspect and received a downward adjustment because of its superior allowable development potential (FAR). Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Land Sale Two

The upward market conditions (time) adjustment reflects the improved market conditions since the date of sale. Upon comparison with the subject, this comparable was considered superior in terms of shape and received a downward adjustment for this characteristic due to its rectangular site shape. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Land Sale Three

The downward adjustment for size reflects this comparable's superior feature as smaller sites tend to sell for a higher price per square foot (economies of scale). The adjustment for location was warranted due to the property's location in a market with favorable income levels and demographic growth. Therefore, a downward adjustment was judged proper for this comparable. With respect to zoning/density, this comparable was considered superior in this aspect and received a downward adjustment because of its mixed-use zoning. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Land Sale Four

The upward market conditions (time) adjustment reflects the improved market conditions since the date of sale. The upward adjustment for size reflects this comparable's inferior feature with respect to economies of scale. The adjustment for location was warranted due to the property's location in a market with favorable income levels and demographic growth. Therefore, a downward adjustment was judged proper for this comparable. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Land Sale Five

The upward market conditions (time) adjustment reflects the improved market conditions since the date of sale. The downward adjustment for size reflects this comparable's superior feature with respect to economies of scale. With respect to zoning/density, this comparable was considered superior in this aspect and received a downward adjustment because of its superior allowable development potential (FAR). Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Conclusion

The comparables indicate an unadjusted range of \$90 to \$145 per square foot of land with an adjusted range of \$88 to \$123 per unit. The adjusted average indication of \$103 per square foot represents an approximate -10.32% difference from the unadjusted average.

Comparables 1, 2 and 5 are the most representative of the subject site due to their respective uses. These sales indicate an adjusted average of \$95 per square foot, below the overall average indication of the comparable set. Hence, a price per square foot indication consistent with the mean of these sales is most appropriate for the subject. The following table presents the valuation conclusion:

Excess Land

A value consideration was also applied to the portion of the subject site containing excess land. This site is identified as tax identification number 5679-032-008 and contains 9,137 square feet. The site is used for overflow parking and is zoned R-3050; and is intended primarily as a zone for moderate density residential development with a minimum of three thousand fifty (3,050) square feet of lot area per dwelling unit. The site could be improved with a single-family residence or a two-unit residence, provided all setback and parking requirements are met. We discovered the following recent sales of residential lots in the subject's market.

The data, above along with the previously presented land comparables, indicate a higher price per square foot is warranted for this land parcel's smaller size. A value indication of \$115 per square foot is considered well supported based on the comparables presented.

Cost Approach

In estimating the replacement cost new for the subject, the following methods/data sources have been utilized (where available):

- the comparative unit method has been employed, utilizing the Marshall Valuation Service (MVS) cost guide, published by Marshall and Swift, LLC;
- the subject's actual construction costs (where available); and
- actual/budget construction cost figures available for comparable properties have been considered.

Marshall Valuation Service

Direct Cost

Salient details regarding the direct costs are summarized in the Cost Approach Conclusion at the end of this section. The MVS cost estimates include the following:

1. average architect's and engineer's fees for plans, plan check, building permits and survey(s) to establish building line;
2. normal interest in building funds during the period of construction plus a processing fee or service charge;
3. materials, sales taxes on materials, and labor costs;
4. normal site preparation including finish grading and excavation for foundation and backfill;
5. utilities from structure to lot line figured for typical setback;
6. contractor's overhead and profit, including job supervision, workmen's compensation, fire and liability insurance, unemployment insurance, equipment, temporary facilities, security, etc.;
7. site improvements (included as lump sum additions); and
8. initial tenant improvement costs are included in MVS cost estimate. However, additional lease-up costs such as advertising, marketing and leasing commissions are not included.

Base building costs (direct costs) are adjusted to reflect the physical characteristics of the subject. Making these adjustments, including the appropriate local and current cost multipliers, the direct building cost is indicated.

Additions

Items not included in the direct building cost estimate include parking and walks, signage, landscaping, and miscellaneous site improvements. The cost for these items is estimated separately using the segregated cost sections of the MVS cost guide.

Indirect Cost Items

Several indirect cost items are not included in the direct building cost figures derived through the MVS cost guide. These items include developer overhead (general and administrative costs), property taxes, legal and insurance costs, local development fees and contingencies, and miscellaneous costs.

As part of the research for the most recent U.S. Seniors Housing Development Costs Report, indirect (soft) costs were predominantly reported to range between 20% and 35% of the direct costs. For our conclusion, we have utilized an indirect cost based on 20.0% of the total direct costs.

MVS Conclusion

The concluded direct and indirect building cost estimates obtained via the MVS cost guide are illustrated as follows:

The estimates derived via MVS represent replacement cost while the comparable actual figures represent reproduction costs. The MVS cost guide and the cost comparables were given equal consideration towards a cost conclusion for the subject.

Entrepreneurial Incentive

Entrepreneurial profit represents the return to the developer and is separate from the contractor’s overhead and profit. This line item, which is a subjective figure, tends to range from 10.0% to 25.0% of total direct and indirect costs for this property type, based on discussions with developers active in this market. For this analysis, an entrepreneurial incentive (profit) of 15.0% was utilized.

Accrued Depreciation

There are essentially three sources of accrued depreciation:

1. physical deterioration, both curable and incurable;
2. functional obsolescence, both curable and incurable;
3. external obsolescence.

Distinction must also be made between short lived and long-lived items.

Short Lived Physical Deterioration

Short lived items include roof cover, floor cover, HVAC, a portion of the site improvements, and FF & E. The appropriate depreciation was applied based on our physical inspection of the property. These items are summarized below along with the expected remaining life and depreciated basis.

SUMMARY OF SHORT LIVED ITEMS						
Short Lived Item	Size (SF)	Cost (\$/SF)	Cost New	Effective Age	Expected Life	Depreciation
Roof Cover	28,802	\$3.68	\$105,992	20	25	\$84,794

Furniture, Fixtures and Equipment

Furniture, fixtures and equipment (FF&E) costs have been added to the Cost Approach as they are necessary to operate the subject property. In estimating costs for FF&E, numerous developers have been consulted as well as property owners. The following table outlines budgeted FF&E cost comparables for new construction.

FF&E COST SUMMARY

As shown within the above chart, FF&E costs for similar acuity seniors housing communities range from \$5,268 to \$19,567 per revenue unit, with variation based on quality of assets. Given the degree

of construction and quality associated with the subject property, combined with its size, a an FF&E cost estimate of \$9,000 per revenue unit is considered reasonable for the subject.

Based on our physical inspection of the property, the following depreciation was applied to the FF&E, for the concluded contributory value detailed within the following chart.

FF&E VALUE ESTIMATE		
Cost New per Unit	\$9,000	\$1,233,000
Percentage of Units furnished with FF&E		100.0%
Cost New of FF&E		\$1,233,000
Effective Age	4 Years	
MVS Expected Life	10 Years	
Remaining Economic Life	6 Years	
Less: Incurable Physical Deterioration		40.0%
Rounded Contributory Value of FF&E	137 Units	\$740,000
Compiled by CBRE		

To account for prospective cost escalations, we have included the following analysis for the subject Upon Stabilization.

FF&E PROSPECTIVE VALUE ESTIMATES				
		Rev. Units	\$/Unit	Total
Current Contributory Value of FF&E	February 17, 2022	137	\$5,401	\$740,000
Construction Period	1 months			
Applied Annual Growth Rate	3.00%			
Applied Growth Rate Factor - Adj/Rev. Unit	0.0025		\$13	
Upon Completion Indication (Rounded)	March 17, 2022	137	\$5,415	\$740,000
Construction & Stabilization Period	12 months			
Applied Annual Growth Rate	3.00%			
Applied Growth Rate Factor - Adj/Rev. Unit	0.03000		\$162	
Upon Stabilization Indication (Rounded)	March 17, 2023	137	\$5,577	\$760,000
Compiled by CBRE				

Notably, for the subject Upon Stabilization, the property would have undergone an absorption period. However, depreciation does not typically occur in a linear fashion, and the subject would not be fully occupied during the absorption period. Furthermore, this estimate is based on the contributory value of the FF&E as it relates to the going concern, and it is not expected to have incurred significant, measurable depreciation during this period. As such, in this case, depreciation is not applied to the FF&E under prospective value scenarios.

Long Lived Physical Deterioration

The subject’s physical condition was detailed in the improvement analysis. Curable deterioration affecting the improvements results from deferred maintenance, and if applicable, was previously discussed. With regard to incurable deterioration, the subject’s long-lived improvements are considered to have deteriorated due to normal wear and tear associated with natural aging. The following chart provides a summary of the remaining economic life.

ECONOMIC AGE AND LIFE	
Actual Age	50 Years
Effective Age	20 Years
MVS Expected Life	55 Years
Remaining Economic Life	35 Years
Accrued Physical Incurable Depreciation	36.4%
Compiled by CBRE	

Functional Obsolescence

Based on a review of the layout of the improvements, no forms of curable functional obsolescence were noted. Because replacement cost considers the construction of the subject improvements utilizing modern materials and current standards, design and layout, functional incurable obsolescence normally is not applicable.

External Obsolescence

The cost feasible NOI exceeds the subject’s stabilized NOI resulting in external obsolescence. This is measured by the NOI differential of \$973,910 capitalized at 8.50%, resulting in the external obsolescence outlined below:

EXTERNAL OBSOLESCENCE	
Cost Feasible NOI:	\$2,520,650
Pro-Forma Stabilized NOI:	\$1,546,740
NOI Differential:	\$973,910

The cost to complete was discussed previously in this report. The value estimate included within the above chart is based on current market data. As discussed within the Appraisal Methodology section of this report, to derive estimates of prospective value, the above value estimate is escalated by 3.00% per annum during construction and stabilization, a 1-month period for construction (Upon Completion) and an additional a 12-month period for absorption (Upon Stabilization). This calculation is summarized within the following chart:

COST APPROACH PROSPECTIVE VALUE ESTIMATES

Notably, consistent with increases in construction costs in recent years, we have applied an annual growth rate to the conclusions via the Cost Approach. As the subject will be complete during absorption, the improvements may incur depreciation. However, depreciation is not linear, and the subject will not be fully stabilized during this period; thus, any incurred depreciation is expected to be nominal and an adjustment is not applied.

Sales Comparison Approach

The following map and table summarize the comparable data used in the valuation of the subject. A detailed description of each transaction is included in the addenda.

Given the finite number of properties in this sector, single-asset arm's length transfers remain limited relative to other property types. Recognizing the impact of a property's operating attributes on pricing, it is appropriate to utilize comparable properties exemplifying similar operational margins to accurately interpret pricing metrics employed by market participants. To do so, a more regional search was performed with comparables chosen based on care level provided, operating metrics at time of sale, and condition of the property. The sales utilized represent the best data available for comparison with the subject.

Analysis of Improved Sales

Improved Sale One

This comparable represents a portfolio transaction containing six, Class B, rental only, IL/AL/MC/NC properties located in the Dallas MSA. Autumn Leaves contains 166 revenue units, was built in 1962 and most recently renovated in 2012. Monticello West contains 159 revenue units, was built in 1979 and most recently renovated in 2013. Parkwood Healthcare contains 159 revenue units, was built in 1986 and most recently renovated in 2007. Parkwood Retirement Community contains 162 revenue units, was built in 1986 and most recently renovated in 2007. Signature Pointe on the Lake contains 293 revenue units, was built in 1986 and most recently renovated in 2007. Walnut Place contains 263 revenue units, was built in 1980 and most recently renovated in 2012. The buyer was the tenant in a long-term lease at the time of sale and reported that the capital structure would not allow for necessary capital improvements to be made in order for the six properties to remain competitive in their respective markets. Each of the properties is located in a very desirable area with high barriers to entry. The buyer planned to terminate the lease and immediately implement a \$13.0 million capital improvement plan to re-position the properties.

In terms of conditions of sale, this comparable was considered superior and received a downward adjustment for this characteristic due to the premium associated with a portfolio sale. However, this adjustment was offset by the fact the buyer was also the tenant and had already owned the business. In terms of age/condition, this comparable was judged superior due to capital improvements after the sale and received a downward adjustment for this characteristic. The adjustment for project amenities was warranted due to the superior amenities and services offered. Therefore, a downward adjustment was judged proper for this comparable. An occupancy category adjustment was considered appropriate for this comparable given it was sub-stabilized at the time of sale. Because of this inferior trait, an upward adjustment was considered appropriate. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Improved Sale Two

This comparable is a Class B, senior living community with assisted living, memory care and skilled nursing. The improvements were constructed in 2000, with a memory care addition completed in

2015. The property sold for \$19,000,000 or \$172,727 in April 2018. The proforma cap rate was 11.09%. Occupancy at the time of sale was 98%.

The downward adjustment for location reflects this comparable's superior feature with respect to its location in a high barrier market with superior income levels and demographic growth. In terms of age/condition, this comparable was judged superior due to its date of construction and received a downward adjustment for this characteristic. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Improved Sale Three

Altavita Village, a Class A CCRC, was purchased by Westmont Developer, LP (Buyer) for \$58 million. Altavita is currently in bankruptcy, and as part of the purchase, the burden (debt) of the existing entrance fee contracts will dissolve. Westmont intends to operate in good faith and will transition the community on a forward basis to a full rental senior living campus. Legacy residents will receive discounted rent (current to their existing levels) in perpetuity, with the understanding that the monies owed to them/their estate at time of expiration/move-out will not be returned as initially agreed/contracted. Entrance fee liability exception includes residents who executed a 50% or 95% contract and those residents who executed 100% contracts in 2018. Westmont will assume this liability estimated at just shy of \$3.7 million, and in return will receive funds of nearly \$3.2 million held by the seller, and a credit of just over \$500,000 at time of closing so that together the liabilities are fully covered. Given the current bankruptcy scenario, the size of the property, and the multi-care campus, the number of buyers who would be interested and able to perform are limited. The acquisition price is considered below market and was based on reductions for construction and lease-up. Westmont plans to put \$20 million in capital expenditures to update the common areas and increase the unit count by converting several two-bedroom units into studio and one-bedroom units. The adjusted sale price was \$78,000,000 or \$91,627 per unit.

In terms of conditions of sale, this comparable was considered inferior and received an upward adjustment for this characteristic due to the distressed sale condition. A downward adjustment was applied to this comparable for its superior quality of construction attribute when compared to the subject, based upon its construction class and finish. The adjustment for project amenities was warranted due to superior amenities and services offered. Therefore, a downward adjustment was judged proper for this comparable. An occupancy category adjustment was considered appropriate for this comparable given it was sub-stabilized at the time of sale. Because of this inferior trait, an upward adjustment was considered appropriate. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Improved Sale Four

This comparable is an investment class B skilled nursing facility and assisted living community. The skilled nursing facility consists of 135 beds and was constructed in 1994 while the assisted living

community consists of 59 assisted living units and was constructed in 2006. The community also includes a large wellness center with an indoor pool and exercise room. The improvements are in good condition. The property is located in a suburban/rural area and affords average visibility and good access with favorable access to healthcare providers. Amenities and services offered are superior to the competitive market. The property sold for \$31,000,000 for \$159,794 per revenue unit. Occupancy at the time of sale was 90% with the buyer purchasing the property based on a core investment strategy. Pointe Group Care will assume management of the property post acquisition. Pricing was based on a net operating income of \$2,745,207 or \$14,151 per revenue unit, for an overall capitalization rate 8.86% and EGIM of 1.46. The analysis is based on stabilized operations and include market level management fees and replacement reserves. The community was constructed and internally managed by the local owner/operator since the time of construction. The buyer is a local owner/operator of three skilled nursing facilities in the Boston area. Although public records list the combined purchase price as \$23,447,900, based upon the contract of sale provided, the total consideration was \$31,000,000.

The downward adjustment for location reflects this comparable's superior feature with respect to its location in a high barrier market with superior income levels and demographic growth. In terms of age/condition, this comparable was judged superior due to its year of construction and received a downward adjustment for this characteristic. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Improved Sale Five

Caretel Inns of America Portfolio is comprised of five Class B, senior communities, the Caretel Inns of Lakeland built in 1998, Linden built in 2008, Brighton built in 2005, Tri-Cities built in 2007 and Applewood Nursing Center in Michigan built in 1977. The portfolio consisted of 8 independent living, 211 assisted living, 66 memory care and 362 SNF revenue units. The quality mix for the SNF units was 31%. At the time of marketing the portfolio was exhibiting \$48,141,650 in revenue, with an EGIM of 1.41, with 78% occupancy (with one of the properties still in lease-up from a recent expansion) with an average net operating income margin of 13.3%. The skilled nursing beds at four of the communities were not licensed for Medicaid, contributing to the lower occupancy of the portfolio. While negotiating the purchase and sale agreement, the portfolio experienced a deterioration in operating performance from \$6,400,000 at the time of marketing to \$5,500,000 in EBITDAR. The total purchase price for all five communities was \$68,000,000 (\$105,100 per bed/unit) representing an 8.09% capitalization rate on in-place cash flow. The buyer plans to explore licensing the skilled nursing beds at four of the communities for Medicaid as these beds are only licensed to receive Medicare revenue. The transaction represented the second closing tranche of this portfolio that was financed through a HUD loan assumption. Three of the properties were rated 5-stars and two rated 3-stars, per the CMS Five-Star Quality Rating System. The broker reports pricing was not impacted by COVID-19.

In terms of conditions of sale, this comparable was considered superior and received a downward adjustment for this characteristic due to the premium associated with a portfolio sale. The upward adjustment for location reflects this comparable's inferior feature with respect to its location in a market with less favorable income levels and demographic growth. In terms of age/condition, this comparable was judged superior due to its year of construction and received a downward adjustment for this characteristic. An occupancy category adjustment was considered appropriate for this comparable given it was sub-stabilized at the time of sale. Because of this inferior trait, an upward adjustment was considered appropriate. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Improved Sale Six

Brookdale Northridge is a Class B, 160-bed community with assisted living, memory care, and skilled nursing in the Los Angeles MSA. The improvements were constructed in 2001, have been renovated over the years, and are in good condition. This community was approximately 57% occupied at the time of contract, which was February 2021, and is inclusive of both private pay and Medicare residents. The buyer was Pacifica Senior Living, which purchased the property based on an operational value-add strategy. Upon closing, Pacifica Senior Living reportedly leased the 45-bed skilled nursing component to Aspen Skilled Healthcare for a term of ten years for \$432,000 in Year 1 and \$540,000 in Year 2, with 3% annual escalations thereafter. Based on 2019 historical financials, which were inclusive of 5.0% management fees and \$350/bed replacement reserves, the contract price of \$29,000,000, or \$181,250 per revenue unit, implied a trailing OAR of 10.5%. Closing reportedly occurred in early September 2021 for \$29,000,000.

The downward adjustment for location reflects this comparable's superior feature with respect to its location in a high barrier market with superior income levels and demographic growth. In terms of age/condition, this comparable was judged superior due to its year of construction and received a downward adjustment for this characteristic. The adjustment for project amenities was warranted due to the superior amenities and services offered. Therefore, a downward adjustment was judged proper for this comparable. An occupancy category adjustment was considered appropriate for this comparable given it was sub-stabilized at the time of sale. Because of this inferior trait, an upward adjustment was considered appropriate. Overall, this comparable was deemed superior in comparison to the subject and a downward net adjustment was warranted to the sales price indicator.

Comparable Listings

In addition to recent transactions, comparable listings were considered. Brokers active in the space were interviewed for any comparable properties that are being actively marketed. Data sources were also researched, and no comparable listings were discovered through this process. Seniors housing properties are typically directly marketed to a smaller group of potential buyers without ever being exposed to the open market; furthermore, communities are not typically marketed with a listing price, but on a 'call for offers' basis.

Summary of Adjustments

The sales comparison approach utilizes sales of comparable properties, adjusted for differences, to indicate a value for the subject. Valuation is typically accomplished using physical units of comparison such as price per square foot, price per unit, price per floor, etc., or economic units of comparison such as gross rent multiplier. Adjustments are applied to the physical units of comparison derived from the comparable sales. The unit of comparison chosen for the subject is then used to yield a total value. Economic units of comparison are not adjusted, but rather analyzed as to relevant differences, with the final estimate derived based on the general comparisons. Based on a comparative analysis, the following chart summarizes the adjustments warranted to each comparable.

Price Per Unit Comparison

After applied gross adjustments of -20.00% to 40.00%, the adjusted average of all comparables representing an approximate -11.96% difference over the unadjusted average. The adjusted indicated value range for the sales is from \$114,822 to \$156,357 per unit, with an average of \$135,363 per unit.

Comparables 3 and 4 were the most representative of the subject in terms of operating performance, while Comparables 3 and 6 best represent the subject in terms of location.

Net Operating Income Analysis

The fundamental basis for the real estate appraisal conclusions involve differences (elements of comparison) between the comparables and the subject property. Specifically, the elements of comparison are the characteristics of properties and transactions that cause the prices paid for real estate to vary. The nine common elements of comparison that are always considered in the sales comparison approach include:

- | | |
|----------------------------------|-----------------------------------|
| 1. Real property rights conveyed | 6. Physical Characteristics |
| 2. Financing terms | 7. Economic Characteristics |
| 3. Conditions of sale | 8. Use |
| 4. Market Conditions | 9. Non-Realty Components of Value |
| 5. Location | |

Adjustments for difference in these elements of comparison were applied in the preceding paired sales analysis. These elements combined are considered to have a direct correlation to the net operating income of a specific property, and therefore the overall purchase price. To support this theory, a regression analysis of 50 sales has been performed. The sales data has been generated from CBRE Inc.'s database of verified seniors housing properties. The resulting correlation of 96.5% indicates a relatively high-level relationship between price per bed and net operating income per bed, with minor variations.

The following net operating income analysis chart illustrates the sale prices of the individual sales plotted in comparison to their net operating income per unit. In addition, a trend line has been plotted based on a linear regression analysis of the comparables.

Effective Gross Income Multiplier Analysis

As the above analysis is heavily dependent on the net operating income of a property, the EGIM can be applied to a property's gross income and is therefore less dependent upon an accurate estimation of net operating income.

The EGIM analysis compares the subject's income characteristics with those of the comparable properties and develops a multiplier that is appropriate for the subject. Based on our analysis, we have concluded to an appropriate EGIM as follows:

EFFECTIVE GROSS INCOME MULTIPLIER ANALYSIS			
Sale No.	Occupancy	OER	EGIM
1	75%	75.28%	2.76
2	98%	81.69%	1.65
3	53%	56.91%	3.91
4	90%	87.11%	1.46
5	78%	88.58%	1.41
6	57%	78.63%	2.04
Subj.	85%	85.31%	1.75

Compiled by CBRE

For seniors housing assets, there is typically an inverse relationship between the EGIM and OER, we considered the OERs at each comparable for our conclusion. As the subject's concluded OER falls at above the center of the range, we have reconciled below the center of the comparable EGIM range.

Sales Comparison Approach Conclusion

In completing this analysis, CBRE contacted various market participants that include specialty brokers and national investors of well-known seniors housing investment funds. These participants all indicated that in pricing the subject property, primary weight would be placed on the in-place cash flow with the applied risk based on the amount of historical operations supporting the respective cash flows. It was further indicated that comparable sales would be utilized as a secondary measure. These participants advised that when selecting comparable sales for the subject, a regional search should be employed to appropriately account for comparable operations respective to the subject property.

The following table presents the estimated value for the subject as indicated by the sales comparison approach. The average of all three indications (paired sales, NOI, and EGIM) was utilized.

The comparable sales utilized within this approach represent current market data, the indicated value is considered to be consistent with current price levels. As discussed within the Appraisal Methodology section of this report, to derive estimates of prospective value, the current value indication is escalated by 3.00% per annum during the construction and absorption period.

To derive an indicated value for the subject in Upon Completed condition via the Sales Comparison Approach, a deduction from the Upon Stabilization value indication is necessary. This deduction accounts not only for rent loss during absorption, but also for the time value of money and the entrepreneurial incentive necessary for an investor to undertake the lease-up of a sub-stabilized project. For this deduction, we have applied a lease-up discount (LUD) as derived via the discounted cashflow (DCF) analyses as will be fully discussed in the Income Capitalization Approach section of

this report, or the delta between the Upon Stabilization value indication and the As Completed value indications via the DCF analyses. This calculation is summarized within the following chart:

Income Capitalization Approach

As discussed, the subject is operating as a seniors housing community. The set-up of units, beds, and most appropriate unit of measurement is shown within the following chart.

SUBJECT UNIT MIX BY CARE LEVEL				
Care Level	Units	Beds	Unit of Measure	Revenue Units
Independent Living	71	71	Units	71

In this valuation section, the subject's reported operating data is presented. This data is followed by stabilized revenue and expenses that are estimated with consideration of the subject's reported operating data as well as supported by current market levels.

Operating Summary

As shown in the table on following page, we were provided the trailing three annual, calendar year reporting periods as well as the subject's 2022 budget. Although requested, detailed census data was not provided for the 2021 and 2022 budgeted period (not a stabilized proforma). Monthly totals were provided which were annualized for purposes of comparison. Nursing care revenue was not bifurcated by category and private pay, insurance and Medicaid revenue was allocated based on the average daily rates of the respective year provided by management or rates published by the California Department of Public Health (CDPH) web site. Medicare revenue was then arrived at as a residual sum.

Notably, amortized entrance fees were included as a historical line item in the historical statements but were excluded in our model. The subject has converted to a rental community.

Analysis of Rent Comparables

Rent Comparable One

Pacifica Hollywood Hills is an independent living, assisted living, and memory care community situated in a semi-urban location. The improvements were constructed in 1933, with an extensive multi-million-dollar renovation in 2019, and are in excellent condition. The community is owned and managed by Pacifica Senior Living, a regional operator of seniors housing communities. The property had an overall census of 43% and is in lease-up and opened in August 2020.

Rent Comparable Two

Pasadena Highlands is a good quality senior living community in a suburban location. The community is managed by WellQuest Living. Occupancy is compressed due to the pandemic. Assisted living rates are based on a level of care structure. Memory care rates are all-inclusive. The community fee is equivalent to one month's rent.

Rent Comparable Three

The Heights at Burbank is a good quality independent, assisted living, and memory care community located in Burbank, California. The community was built in 1985 and is operated by SRG Senior Living, a national operator of good-quality senior living communities. The community is 8 stories in height. All beds are licensed for assisted living, however, management stated around 35% of residents on average are considered, independent paying no care service fees.

Rent Comparable Four

Village at Sherman Oaks is a high quality independent and assisted living community located in Sherman Oaks, California. The community is licensed for 100 assisted living residents, to allow for second residents, but has only 83 units of assisted living. The IL and AL wings are located separately. All residents, however, receive three meals per day included in the base rental rates. The community fee is \$4,000 and the second resident fee is \$1,000 per month. Assisted living care service fees follow a levels of care structure with three levels ranging from \$600 to \$1,800 per month, and medication management is a flat rate of \$500 per month.

Rent Comparable Five

Los Feliz Gardens, formerly known as Emerald City, is an assisted living facility with 100 assisted living units and licensed for 199 residents. The property is located on the north side of Los Feliz Boulevard, between Brand Boulevard and Glendale Avenue. It is located in a commercial district with mixed uses, about a quarter mile from the Glendale Memorial Hospital. The property was built in 1977. Additional services are available on an ala carte basis. There is no community fee.

Rent Comparable Six

Westlake Convalescent is an average quality nursing home in an urban location. The facility has a strong quality mix of 94%. The facility is rated 3-stars (average) per the CMS 5-star rating system. The majority of residents use insurance.

Rent Comparable Seven

The Californian is a skilled nursing facility situated in a suburban location. The improvements were constructed in 1964, and are in good condition. The community is locally owned and operated. Per the CMS Five-Star Quality Rating System, this facility had an overall rating of 4-Stars. The property had an overall census of 62%. Amenities and services offered are superior to the local market. This community is near the renowned Huntington Hospital. Medicaid is not accepted, as most patient stays are rehab-focused (Medicare) or private pay. The admissions representative indicated that due to COVID many residents wish to leave early out of fear of contracting the virus, which has been the biggest factor impacting census, and less so actual COVID outbreaks in the facility.

Rent Comparable Eight

Kei-Ai Los Angeles Healthcare Center is a skilled nursing facility located at 2221 Lincoln Park Avenue in Los Angeles, California. The improvements were constructed in 1968, expanded in 1989, and are in average condition. The community is managed by Aspen Skilled Health, a regional operator of seniors housing communities. Per the CMS Five-Star Quality Rating System, this facility has an overall rating of 3-Stars. Private rooms are currently only available for residents in isolation.

Rent Comparable Nine

Highland Park Skilled Nursing and Wellness Center is a skilled nursing facility situated in an urban location. Per the CMS Five-Star Quality Rating System, this facility has an overall rating of 2-Stars (below average). Occupancy at the time of the survey was 92%, with admissions indicating COVID has had limited impact on occupancy levels. Private pay rates range from \$261 to \$282 per day.

Market Rent Estimate

In order to estimate the market rates, the subject unit types have been compared with similar units and care levels. While independent living rents are typically all inclusive, assisted living and memory care units are often rented under various rental structures. These structures range from all inclusive, base

rent plus additional charges for activity of daily living (ADL) services charged by level, or base rent plus additional charges for ADL services charged a la carte. In order to get an accurate understanding of the subject market position, the comparable rents have been adjusted accordingly.

Rent Adjustments

Rent adjustments can be necessary to account for differences in rental rates applicable to different units within similar floor plans due to items such as location within the property and care provided. However, this analysis utilizes the weighted average rental rates, considering this variance. Thus, no rent adjustments are required.

In concluding market rental rate levels, we have incorporated consideration for nearby communities, as previously detailed and discussed. Additionally, the subject’s in-place rates have also been considered. Within this analysis, potential rental income is estimated based upon the forward-looking market rental rates over the next twelve months. This method of calculating rental income is most prevalent in the local market and is consistent with the method used to derive overall capitalization rates from the comparable sales data.

In the proceeding loss to lease analysis, the subject’s in-place rates are juxtaposed to market rent conclusions:

LOSS TO LEASE ANALYSIS			
Revenue Component		Total Monthly Rent	Total Annual Rent
82	Occupied Rev. Units at Contract Rates	\$386,785	\$4,641,420
27	Vacant Rev. Units at Market Rates	\$139,100	\$1,669,200

109	Total Rev. Units @ Market Rent	\$536,200	\$6,434,400
	<i>Indicated Loss-to-Lease</i>		1.9%
Compiled by CBRE			

The variation between the total annual rent reflected in the rent roll analysis and the market rent conclusion is due to older leases that do not reflect recent increases in rental rates.

Concessions

Rent concessions are currently not prevalent in the local market nor are they present at the subject.

Level of Care Income

The subject’s range of quoted monthly care fees as well as the comparables are summarized within the following chart. As utilization of care fees vary by operational model, we have applied an overall average monthly care fee applied to the subject’s census.

Level of care fees were not presented as a separate item in the 2022 budget. As concluded within the above chart, the subject's care fees are consistent with the comparable data and considered reasonable.

Second Resident Fees

Second resident fees are prevalent in the market, whereby couples are charged for double occupancy. The subject's second resident revenue for this source is summarized below.

SECOND RESIDENT FEES				
Reporting Period	\$/ RD	\$/Rev. Unit	% EGI	Annual Total
2019 Actual	\$0.00	\$0	0.0%	\$0

CBRE Stabilized Estimate	\$1.15	\$364	0.5%	\$49,842
Compiled by CBRE				

As the subject formerly operated as an entrance fee community, second resident fees were not itemized in the provided historical statements. Second resident fees currently charged in the market range from \$795 to \$1,200 per month, with management charging a second resident fee \$1,300 to \$3,412 per month, depending on acuity.

Standard double occupancy typically ranges from 1.05 to 1.20; this range generally varies by acuity, with an inverse relationship between community acuity and double occupancy prevalence. By applying the concluded second resident fee of \$1,300 for the subject to an average double occupancy ratio of

5.00%, and adjusting for vacancy, an annual revenue for this source is indicated, as reported in the table above.

Community Fee

It is common for seniors housing properties to charge a one-time community fee at move-in. Property management is charging a community fee. The subject's community fee collections for this source reported below:

COMMUNITY FEES				
Reporting Period	\$/ RD	\$/Rev. Unit	% EGI	Annual Total
2019 Actual	\$0.00	\$0	0.0%	\$0
2020 Actual	\$0.00	\$0	0.0%	\$0

Compiled by CBRE

As the subject formerly operated as an entrance fee community, community fees were not itemized in the provided historical statements. The market indicated range is \$4,000 to \$9,895, while the subject's community fee is quoted at \$3,500. Accordingly, we have projected the community fee at \$3,500.

In a recent The State of Seniors Housing report notes median, annual resident turnover rates as 32% for independent living, 54% for assisted living facilities, and 17% for CCRCs. Given the subject's unit mix with 79.6% of all units independent living and assisted living, we have utilized an annual turnover ratio of 32.0%, or 29.6 unit rollovers per year (occupied beds x 32.0%) based on CBRE's stabilized estimate. The annual revenue for this source can be estimated by applying the indicated unit turnover to the estimated community fee as indicated in the table above.

Skilled Nursing Rate Analysis

Private Pay Rate

Management is currently charging a private pay rate of \$349 per day for companion rooms and \$425 per day for private rooms, with private pay rates in the market ranging from \$240 to \$450. 2021 levels averaged \$353 per resident day. Hence, this analysis reconciles between management's projected rate and the comparable indications, at \$360.00 per day.

Medicare Rate

Trailing RUGS Reimbursement Model (Pre-October 2019)

With respect to reimbursement amounts, Medicare employs a prospective payment system using per diem federal payment rates based on mean SNF costs in a base year (FY 1995) updated annually for inflation, and geographically adjusted for differences in area wage levels using a wage index determined appropriate by the CMS Secretary (thus far, the wage index has been based on inpatient hospital wage index data). Under the RUG IV classification system, there are 8 major RUG Groups:

- Rehab Plus Extensive Services
- Rehab
- Extensive Services
- Special Care High
- Special Care Low
- Clinically Complex
- Behavioral Symptoms and Cognitive Performance
- Reduced Physical Functioning

Each major group is then subdivided into multiple categories (66 altogether) based on various criteria including care intensity, assistance with daily living scores, depression factors, and medical needs.

Patient Driven Payment Model (PDPM) Implementation

In April 2017 the Centers for Medicare and Medicaid Services (CMS) announced they were planning to change the skilled nursing facility reimbursement methodology from Resources Utilization Groups, Version 4 (RUG-IV) to a Resident Classification System. A new final rule was published in July 2018 to implement a classification system called the Patient Driven Payment Model (PDPM). The intended goal of this new classification system is to better reflect each individual resident profile and the varying care required throughout the stay in a skilled nursing facility. The PDPM model was implemented effective October 1, 2019.

The goals of this new payment model are to improve payment accuracy by focusing on the patient, significantly reduce administrative burden on providers, and improve SNF payments to currently underserved beneficiaries without increasing total Medicare payments. PDPM will consist of five case-mix adjusted components:

- Physical Therapy (PT)
- Occupational Therapy (OT)
- Speech Language Pathology (SLP)
- Nursing
 - NTA (non-therapy ancillary)

Each patient is then classified in each of the five case-mix adjusted components utilizing different criteria for each such as clinical category, functional score, etc. Under this method, the relationship between resident dependence and payments are not a linear relationship, which is to say that increasing dependence for a resident will not automatically result in a high payment. This is the most important aspect to determine the impact PDPM will have on NOI when analyzing effects of implementation.

As an example, for the PT and OT component under PDPM, payment for three clinical categories is lower for the most and least dependent patients who are less likely to require high amounts of therapy, as opposed to those residents that are in the middle who will require the most amounts of therapy. Therefore, the impact of PDPM on NOI will rely primarily on the facility charging the appropriate amounts of therapy and care to residents. Facilities dependent on the highest acuity residents receiving the highest RUG-IV rates could see a significant decrease in NOI following the implementation as these higher acuity residents will require less therapy services and therefore result in a lower Medicare rate. Additionally, the daily rate is highest on the first day, and decreases over the stay of the resident until reaching a baseline rate determined by their assessment.

Per discussions with market participants of the impact PDPM will have in general, the market is expected a neutral impact, 50% winners, 50% losers.

However, with regards to the subject, the review of the RUG-IV utilization may result in a significant negative impact to revenue. To assist stakeholders in understanding the potential impacts of the proposed PDPM, CMS provided a provider-specific impact analysis file, which details the estimated impact of the PDPM model discussed in the FY 2019 SNF PPS NPRM on Medicare Part A payments to each SNF in the country. Note that the provider and resident data is for fiscal year 2017 and represents estimated payments under PDPM, assuming no changes in provider operational model or resident case mix.

Although requested, we were not provided a breakout of trailing 12-month PDPM reimbursement rates. Based on the financials provided the average PDPM reimbursement rate was \$646.84, \$548.20 and \$658.27 in 2019, 2020 and 2021, respectively.

Note also that the basket rate increase for 2021 is 2.2%, per CMS. Applying the basket rate increase to the previous 2021 average, results in a stabilized rate of \$672.75 per resident day. Based on this analysis, a Medicare rate of \$672.75 is chosen.

Medicaid Rate

National Overview

Title XIX of the Social Security Act is a Federal-State matching entitlement program that pays for medical assistance for certain vulnerable and needy individuals and families with low incomes and resources. This program, known as Medicaid, became law in 1965 as a jointly funded cooperative venture between the Federal and State governments to assist States furnishing medical assistance to eligible needy persons. Medicaid is the largest program funding medical and health-related services for America's poorest people.

Medicaid operates as a vendor payment program. States may pay health care providers directly on a fee-for-service basis, or states may pay for Medicaid services through various prepayment arrangements, such as health maintenance organizations (HMOs). Within federally imposed upper

limits and specific restrictions, each state for the most part has broad discretion in determining the payment methodology and payment rate for services. Generally, payment rates must be sufficient to enlist enough providers so that covered services are available at least to the extent that comparable care and services are available to the general population within that geographic area. Providers participating in Medicaid must accept Medicaid payment rates as payment in full.

The Federal Government pays a share of the medical assistance expenditures under each state's Medicaid program. That share, known as the Federal Medical Assistance Percentage (FMAP), is determined annually by a formula that compares the state's average per capita income level with the national income average. States with a higher per capita income level are reimbursed a smaller share of their costs. By law, the FMAP cannot be lower than 50 percent or higher than 83 percent. In fiscal year (FY) 2004, the FMAPs varied from 50 percent in 12 states to 77.08 percent in Mississippi, and averaged 60.2 percent overall. The Federal Government pays States a higher share for children covered through the SCHIP program. This "enhanced" FMAP averages about 70 percent for all states, compared to the general Medicaid average of 60.2 percent.

California Medicaid Reimbursement Methodology

The Long-Term Care (LTC) Reimbursement Unit conducts the annual study to develop the Medi-Cal rates for a variety of long-term care providers. This study serves as the basis for Medi-Cal reimbursements of Nursing Facilities including Nursing Facility - Level A (NF-A), Distinct Part Skilled Nursing Facilities of General Acute Care Hospitals (DP/NF-Bs), Distinct Part Adult Subacute Units for General Acute Care Hospitals (DP/ASA), Hospice Care, Rural Swing Beds, Acute and Transitional Inpatient Care Administrative Days (Administrative Days Level 1) and Intermediate Care Facilities for the Developmentally Disabled (ICF-DD) (including ICF/DD-Habilitative and ICF/DD-Nursing). This unit also conducts the necessary research to develop new or revised reimbursement methodologies necessary to meet changing policy or program needs.

The Medi-Cal LTC reimbursement rates are established under the authority of Title XIX of the federal Social Security Act. Reimbursement shall be for routine per diem services, exclusive of ancillary services, except for state-owned facilities where an ancillary per diem rate shall be developed by another State agency, and for county facilities operating under a special agreement with the Department. These ancillary rates are reviewed and audited by the Department and, together with the routine service per diem, form an all-inclusive rate. The routine service per diem shall be based on Medicare principles of reimbursement. Ancillary services for all other facilities are reimbursed separately on a fee for service basis as defined in the California Code of Regulations (CCR), except for facilities providing subacute and pediatric subacute care.

Effective August 1, 2005, a FS/NF-B's actual reimbursement rate (per diem payment) is the amount the Department will reimburse to a FS/NF-B for services rendered to an eligible resident for one resident day. The per diem payment is calculated prospectively on a facility-specific basis using facility-

specific data from the FS/NF-B's most recent cost report period (audited or adjusted), supplemental schedules, and other data determined necessary by the Department.

The prospective per diem payment for each FS/NF-B is computed on a per resident day basis. For the rate year beginning August 1, 2010, and for subsequent years, professional liability insurance costs are included as a major cost category. The per diem payment is comprised of the following major cost categories:

1. labor costs
2. indirect care non-labor costs
3. administrative costs
4. professional liability insurance costs
5. capital costs
6. direct pass-through costs.

Payment for FS/NF-Bs will be based on facility-specific cost-based reimbursement rates consisting of the major cost categories.

NFs shall be reimbursed based on the provision of the following services: level A; level B; subacute - ventilator and non-ventilator dependent; and pediatric subacute -- ventilator and non-ventilator dependent. Level A services are provided to a NF resident who requires medically necessary services of relatively low intensity. Level B, subacute and pediatric subacute services are provided to a NF resident who requires medically necessary services of varying degrees of higher intensity. The criteria for the acuity of NF services and staffing standards are contained in state regulations and policy manuals.

For the rate year beginning August 1, 2014, the Department will develop and implement the Skilled Nursing Facility Quality and Accountability Supplemental C24Payment (QASP) System. This program provides supplemental reimbursement for FS/NF-Bs, including PS/adult subacute facilities, that improve the quality of care rendered to its residents and would be in addition to the rate of payment FS/NF-Bs receive under the current reimbursement methodology. The Department, in consultation with CDPH and representatives from the long-term care industry, organized labor, and consumers; has developed a three-tiered scoring methodology, with improvement scoring, for supplemental payments. The Minimum Data Set data file is obtained from the Centers for Medicare & Medicaid Services. The Department has a data use agreement with the Health Services Advisory Group for such purposes.

Subject's Current Medicaid Reimbursement Rates

The current Medicaid rate includes a temporary additional reimbursement related to the COVID-19 outbreak. The rates effective January 1, 2021 – December 31, 2021, per the California Department of Health Care Services (DHCS) are \$325.63, \$316.90, \$331.35 and \$322.62 for accommodation codes 1, 2 and 3, 11 and 12 respectively. As the current rate reflect a temporary increase, we have reconciled based on the average of the previous two years and the 2022 budgeted period or \$305.68 per resident day.

Other Payors

This category includes any third-party insurance or other payors and typically falls consistent with the property's private pay rate. This rate was reconciled in accordance with the private pay rate at \$360 per resident day.

Skilled Nursing Rate Conclusion

Based on the preceding analysis and discussions, the concluded daily rate for each reimbursement is summarized below:

Census Mix

The final step in determining the potential gross income for the subject's nursing care services is estimating an appropriate census mix.

NURSING CARE CENSUS MIX

Ancillary Income

Ancillary income represents a variety of non-routine medical services which include medications, ambulance transportation, injections, drugs, blood work, and other non-routine services. The subject's ancillary income is summarized as follows:

ANCILLARY INCOME				
Reporting Period	\$/ RD	\$/Rev. Unit	% EGI	Annual Total
2019 Actual	\$0.00	\$0	0.0%	\$0
2020 Actual	\$0.00	\$0	0.0%	\$0
2021 Actual	\$0.00	\$0	0.0%	\$0

CBRE Stabilized Estimate	\$23.00	\$7,272	9.5%	\$996,308

Compiled by CBRE

With respect to the provided statements, ancillary income was only bifurcated in the 2022 budget. The CBRE stabilized estimate reconciles with the budget on a per resident day basis.

Other Income

Other income includes ancillary services, such as guest meals, late fees, medication management, and other add-on services. A summary of the other income fees collected by the subject as well as CBRE's stabilized projections are presented below:

OTHER INCOME				
Reporting Period	\$/ RD	\$/Rev. Unit	% EGI	Annual Total
2019 Actual	\$0.27	\$85	0.1%	\$11,664
2020 Actual	\$1.83	\$572	0.9%	\$78,324
2021 Actual	\$3.22	\$921	1.4%	\$126,237

CBRE Stabilized Estimate	\$2.00	\$632	0.8%	\$86,635

Compiled by CBRE

This revenue category includes guest meals, special events, salon fees and other miscellaneous service fees. 2021 revenue is inflated due to stimulus funds. The CBRE estimate reconciles with 2020 actual levels

Vacancy

The subject's estimated stabilized occupancy rate was previously discussed in the market analysis. The concluded occupancy was applied to the subject's unit mix in order to derive a weighted average vacancy, as detailed below:

WEIGHTED AVERAGE ECONOMIC VACANCY					
Care Level	% of Total PGI		Vacancy		
Independent Living	37.9%	x	10.0%	=	3.8%
Assisted Living	24.1%	x	15.0%	=	3.6%
Nursing Care	38.0%	x	20.0%	=	7.6%
Indicated Weighted Average Vacancy (Rounded)					15.0%

Compiled by CBRE

Notably, while the above vacancy estimate represents weighted average vacancy based on potential gross income (PGI) attributable to each component, or the economic vacancy, the below vacancy indications are based on physical occupancy calculated on a resident day basis. Any disparity between the two figures is due to the differing levels of rent for the subject's care levels. The subject's average vacancy is detailed as follows:

VACANCY	
Reporting Period	%
2019 Actual	14.0%
2020 Actual	14.2%
2021 Actual	21.7%
2022 Budget	20.6%

CBRE Stabilized Estimate	\$243.03	\$76,844	---	\$10,527,567

Compiled by CBRE

The CBRE Stabilized estimate is generally consistent with management's stabilized projections. While the CBRE estimate is modestly higher than management's, our reconciled estimate is below

management's on a per resident day basis. As detailed throughout this report, market data was extracted and utilized in determining these estimates. Historical operations of the subject reveal growth in 2020 and then remained generally level in 2021, due to the pandemic. Overall, management's projections appear to be reasonable with the concluded effective gross income estimated by CBRE being well supported by market-extracted indications.

CBRE's analysis and estimates of stabilized operating expenses for the subject is presented in the following section. In analyzing operating data relative to the subject's property type, the "per resident day" (\$/RD) indicator is considered the most accurate element of comparison for a majority of the departmental expense; in some cases, as will be outlined, weight is placed on alternative units of comparison.

COVID-19 Operating Expense Considerations

Expense levels at seniors housing communities were impacted by the COVID-19 pandemic. Though the level of the impact varied by region and property type, expenses increased since early March 2020. Primary elevated expenses included staffing/payroll, PPE, testing kits, and sanitation. The impact of the elevated expenses on the overall operations have been offset by several factors. In our discussions with operators, there is generally a consensus that while certain expenses, particularly payroll expenses, have increased in recent months, the increase is not anticipated to be permanent. Some operators are reporting that the increase in payroll expenses have reverted back to pre-COVID levels, while other operators report that payroll expenses remain elevated. The consensus among operators is that elevated payroll expenses levels are not expected to be permanent. Notably, several government programs, such as the Payroll Protection Program, helped to offset the increased expenses for qualified operators.

Long-term expectations for changes in operating expenses are not current quantifiable. Potentially, however, elevated PPE and sanitation costs in the longer term are not likely to have significant impacts on overall operations. Potential increased regulatory requirements on a State or Federal level as well as elevated liability insurance, for example, pose a potential risk for increased expenses into perpetuity. However, in our discussions with market participants, this potential threat is not quantifiable, and not currently included within investment underwriting.

Real Estate Taxes

Real estate taxes for the subject are detailed as follows:

Our conclusion is based on the analysis and discussion as presented within the Taxes and Assessment Data section. Note that this line item includes real property tax only, with the subject's personal property tax included under the Administrative & General expense line item.

Property Insurance

Property insurance expenses typically include fire and extended coverage and owner's liability coverage. The subject's expense is detailed as follows:

PROPERTY INSURANCE					
Property Insurance Total:					
Reporting Period	\$/ RD	\$/ Sq.Ft.	\$/Rev. Unit	% EGI	Annual Total
2019 Actual	\$3.26	\$1.22	\$1,024	1.7%	\$140,242

2019, 2020 and 2021 statements combined all insurance categories together with the 2022 budget detailing the property insurance expense only. The CBRE stabilized estimate reconciles with the budget which is supported by the expense comparables on a price per square foot, basis.

Utilities

Utility expenses include electricity, natural gas, water and sewer. The subject's expense is detailed as follows:

UTILITIES					
Utilities Total:					
Reporting Period	\$/ RD	\$/ Sq.Ft.	\$/Rev. Unit	% EGI	Annual Total
2019 Actual	\$9.26	\$3.46	\$2,906	4.9%	\$398,080

The recent renovation of the subject is expected to somewhat reduce the utility expense with high-efficiency units. The CBRE stabilized estimate reconciles just above 2019 actual levels, which assumes a decrease from the last two periods.

Administrative & General

Administrative expenses typically include legal costs, accounting, telephone, supplies, furniture, temporary help and items that are not provided by off-site management. The subject's expense is detailed as follows:

ADMINISTRATIVE & GENERAL						
Reporting Period	Payroll	Expense	Total Administrative & General Expense:

Departmental payroll was not bifurcated out in the historical statements but was included in the 2022 budget. The CBRE stabilized estimate reconciles with the 2022 budget.

Marketing

Marketing expenses typically include all costs associated with the promotion of the subject, including advertisements in local publications, trade publications, yellow pages, et cetera. The subject's expense is detailed as follows:

The expense comparables reported minimal expenses for this category and likely included this expense in the previous administrative and general expense category. The CBRE stabilized estimate reconciles with the 2022 budget.

Resident Care

One of the more costly items involved in operating the subject property is resident care services. In addition to departmental employees, this category includes supplies and drugs, as well as medical and therapy fees necessary for operation. The nurse's aides are on duty 24 hours a day during all shifts, and also perform light housekeeping duties, serve meals, and provide personal care assistance to the residents. The subject's expense is detailed as follows:

RESIDENT CARE

As noted previously, departmental payroll was not bifurcated out in the historical statements but was included in the 2022 budget. Management's projections for this category exceed the range of the expense comparables. Hence, in concluding to a per resident day indication, the CBRE Estimate placed most weight on the expense comparables. The overall percentage of EGI is stabilized at 39.5%, which is also supported by the expense comparable range.

Culinary Services

Another significant departmental expense in the operation of a seniors housing property is the dietary department, which provides food service for the residents, guests, and employees. High quality food and service is a priority consideration in properties such as the subject. The subject's expense is detailed as follows:

CULINARY SERVICES						
Reporting Period	Payroll	Expense	Total Culinary Services Expense:			
	\$/ RD	\$/ RD	\$/ RD	\$/Rev. Unit	% EGI	Annual Total

The 2019, 2020 and 2021 statements lumped all operating supplies, including food into one category. Therefore, these expenses are not considered reliable. The CBRE stabilized estimate reconciles between the 2022 budget and the mean of the expense comparables.

Laundry & Housekeeping

Housekeeping and Laundry expenses include the cost of supplies and miscellaneous expenses, uniforms, and linens. The subject's expense is detailed as follows:

LAUNDRY & HOUSEKEEPING

The CBRE Estimate reconciles between the expense comparables and management's 2022 projected expense for this line item.

Repairs & Maintenance

Repairs and maintenance expenses typically include all outside maintenance service contracts and the cost of maintenance and repairs supplies. Landscaping and security expenses typically include all outside landscaping and grounds maintenance service contracts and the cost of landscaping supplies, as well as security services. Trash related expenses are also included in this line item. The subject's expense is detailed as follows:

Historical levels have ranged from \$6.00 to \$9.00 (rounded) per resident day. The CBRE stabilized estimate reconciles within this range at \$7.00 per resident day. This is also supported by the mean of the expense comparables.

Programming

Programming includes all expenses associated with resident activities, social services, and scheduled transportation.

The CBRE Estimate reconciles with the mean of the expense comparables on a per resident day basis.

Payroll Taxes & Benefits

Payroll expenses typically include all payroll and payroll-related items for all directly employed administrative personnel. Not included are the salaries or fees for off-site management firm personnel and services. The subject's expense is detailed as follows:

PAYROLL TAXES & BENEFITS

We were unable to ascertain why the subject's historical levels represented such a large percentage of payroll. The reported expenses fall well above what is typical in the market. As a check of reasonableness, payroll taxes and benefits typically ranges between 15.0% and 25.0% of the Total Employee Payroll for similar facilities and our conclusion, which falls around 17.3% of the total payroll expenses, is supported by this range.

Management Fee

Management expenses are typically negotiated as a percentage of collected revenues (i.e., effective gross income). Notably, for valuation purposes the reported and comparable datasets have been adjusted to include the market-level management fees. As reported in the 2018 SOSH report, management fees currently charged in the market range from 3.5% to 6.5% depending upon a wide assortment of attributes ranging from size, location, etc. When considering the subject's operations and physical features, we conclude an appropriate management expense is 5.00%.

Reserves for Replacement

As shown, for valuation purposes, the reported and comparable datasets have been adjusted to include the market-level replacement reserves. Reserves for replacement have been estimated based on market parameters with an indicated range of \$250 to \$550 per revenue unit for comparable properties. A reserve replacement of \$350 per unit has been applied to CBRE's pro forma.

Operating Expense Conclusions

As detailed within the departmental operating expense discussions, each conclusion does include payroll expenses. The table on the following page summarizes the breakdown between department payroll and department expenses.

The 2022 budget does not reflect stabilized operations. The CBRE Stabilized operating expense is within 3% of the 2019 actual expenses. These are also supported by the 2019 actual operating history on a per resident day basis and well supported by the market comparables.

As a check of reasonableness for the operating expense conclusions, we have considered the subject's indicated operating expense ratio. The implied expense ratios for the comparable properties range from 83.9% to 88.8%, while the subject's reported operating expenses have a corresponding range of 101.6% to 117.4%. Overall, the subject's indicated expense ratio, of 85.3%, falls within the comparable range, providing further support for the operating expenses conclusion.

Net Operating Income Conclusion

The subject's net operating income is detailed as follows:

NET OPERATING INCOME				
Reporting Period	\$/ RD	\$/Rev. Unit	% EGI	Annual Total
2019 Actual	(\$25.62)	(\$8,040)	-13.5%	(\$1,101,450)

2022 Budget	(\$3.97)	(\$1,150)	-1.6%	(\$157,583)
CBRE Stabilized Estimate	\$35.71	\$11,290	14.7%	\$1,546,740

Compiled by CBRE

The stabilized net operating income reflects stabilized occupancy with expenses adjusted based on similar property types. The subject has been operating as an entrance fee community but has converted to a rental-only community. The amortized entrance fees were excluded from the historical income statements. The community has also undergone a renovation and operations are expected to improve. Notably, it is not uncommon for non-profits to exhibit expense above market norms; however the CBRE stabilized estimate reflects market levels.

As the revenue, occupancy, and individual operating expense line items are supported by the market data, the corresponding net operating income is considered to be well supported.

In addition to the above analysis, we have incorporated consideration for the indicated operating margin, based on the net operating income (EBITDAR) as a test of reasonableness. The following table includes operating margins, on a national basis, for seniors housing communities by care level. Overall, the CBRE revenue and expense conclusion have a corresponding operating margin of 14.7%; this indication is well-within the range of the market data and, as such, this analysis is considered to provide additional support for the overall revenue and expenses conclusions.

OPERATING MARGINS BY COMMUNITY TYPE (EBITDAR/TOTAL REVENUES)						
For Profit Communities Only	IL	IL/AL	IL/AL/MC	AL (no MC)	AL/MC	CCRC
Lower Quartile	26.8%	16.7%	18.1%	13.8%	15.3%	7.6%
Median	39.1%	33.0%	33.2%	29.3%	28.7%	24.7%
Upper Quartile	48.8%	45.2%	43.0%	41.0%	39.9%	44.5%

Note: Properties are ranked by operating margin. Each quartile represents the weighted average of all properties falling in that rank while the median reflects the average of the 5th and 6th deciles.

Direct Capitalization

Direct capitalization is a method used to convert a single year's estimated stabilized net operating income into a value indication. The following subsections represent different techniques for deriving an overall capitalization rate, or "going-in rate", for direct capitalization.

Comparable Sales

The overall capitalization rates (OARs) confirmed for the comparable sales analyzed in the sales comparison approach are as follows:

COMPARABLE CAPITALIZATION RATES				
Sale	Sale Date	Sale Price \$/Rev. Unit	Occupancy	OAR
1	Jan-18	\$167,227	75%	8.96%
2	Apr-18	\$172,727	98%	11.09%
3	Sep-19	\$123,223	53%	11.02%
4	Sep-19	\$159,794	90%	8.86%

COVID-19 Capitalization Rate Considerations

As discussed within the Market Analysis section of this report, market participants opine capitalization rate fluctuations include a range of no change (or 0 bps) up to an increase of up to 50 bps on the buy side. The factors that have been identified as impacting these rates are as follows:

- In the valuation model, near through long-term impacts on census levels have been incorporated and, thus, are not included within the capitalization rate conclusion.
- Similar to occupancy levels, a majority of elevated operating expenses have been incorporated within the cash flow conclusions. However, long-term elevated expenses, including potential increased regulatory requirements and/or liability insurance, etc. is not quantifiable, and has been considered in the selection of the overall capitalization rate selection.
- Disruptions in capital markets, with increased borrowing costs, as discussed.
- Overall increased perception of risk due to market uncertainty.

Capitalization rate fluctuations can vary based on location (core versus non-core, COVID 'Hot Spot', etc.) and asset class (A, B or C), with best-in-class properties falling at the lower end of the range, and value-add properties falling at the high end. Overall capitalization rates expanded during Q2-Q4 2020, while showing improvement in Q1-Q2 2021.

Capitalization Rate Conclusion

The following chart summarizes the OAR conclusions.

OVERALL CAPITALIZATION RATE - CONCLUSION	
Source	Indicated OAR
Comparable Sales	8.09% - 11.09%
National Investor Surveys and Transaction Reports	8.00% - 10.00%
Band of Investment	8.50%
CBRE Estimate	8.50%
Compiled by: CBRE	

In reviewing the Capitalization Rate sources above, the overall rates are generally stable since the transaction dates of the Comparable Sales and the publication dates of National Investor Surveys. The Band of Investment compared the current cost of borrowing against the pre-pandemic environment, indicating a minimal increase. The subject's Strengths/Opportunities and Weaknesses/Threats (SWOT) are considered, and outlined within the following bullets:

Strengths/ Opportunities

- Excellent reputation in community
- Lack of new construction of similar facilities in the local market
- Positive growth in age 75+ population and households
- Good location with historically stable operating trends pre-COVID

- High barrier market in terms of availability of land

Weaknesses/ Threats

- COVID-19 has impacted the subject operation with reductions in occupancy and elevated expenses

Discounted Cash Flow Analysis (DCF)

In the discounted cash flow analysis, fluctuations in revenue and expenses are incorporated into the valuation model as will be discussed. Consistent with typical market underwriting methodology, a 10-Year discounted cash flow model has been utilized.

Variations in Census Levels

As discussed in the Market Analysis section, the occupancy at the subject is expected to fluctuate in the near to midterm, or an absorption period which includes consideration for the following:

- **Existing Census:** Overall occupancy is currently 75.2% which has been applied during Month 1 of the valuation model.
- **Positive Absorption:** Consistent with the discussion in the Market Analysis section, the positive absorption period is projected at 12 months. Notably, this positive absorption period commences after any negative absorption is incorporated within the valuation model.

Positive Absorption Period

When analyzing the lease-up (positive absorption), two methods are typically utilized, including straight-line absorption and weighted absorption:

- **Straight Line:** Under this method, all revenue units are absorbed consistent with the overall average absorption rate, net of pre-leases, on a linear basis.
- **Weighted:** In this method, absorption is not considered to be linear, and the appraiser subjectively incorporates consideration for variation in the lease-up rate. During an absorption period, similar seniors housing communities typically report that the rate of absorption slow as they near stabilization. For this method, the appraiser subjectively incorporates a percentage of absorption per each annual lease-up period.

Revenue During Absorption Period

The following discussion points reference the estimated revenue during the absorption period:

- **Market Rent Estimate:** Rental revenue is based on the corresponding care level, and applied census on a monthly basis, consistent with the stabilization schedule.
- **Levels of Care:** Income from care fees is based on the applicable care levels, consistent with the corresponding stabilization schedule.
- **Second Resident Fees:** Second resident fees are applied consistent with the stabilization schedule.
- **Community Fee:** Community fees are applied consistent with the stabilization schedule.
- **Ancillary Income:** Ancillary income represents a variety of non-routine medical services which include medications, ambulance transportation, injections, drugs, blood work, and other non-routine services. The subject's ancillary income is summarized as follows:
- **Other Income:** Other income is applied consistent with the stabilization schedule.

Applied revenue adjustments, as discussed above, are summarized within the following chart. These subjective adjustments are shown as a percentage (%) of the stabilized market conclusion.

Operating Expenses During the Absorption Period

The following discussion points reference the estimated revenue during absorption.

Fixed Expense:

- **Real Estate Taxes:** As this is a fixed expense, property taxes are expected to be consistent with the stabilized conclusion.
- **Property Insurance:** As a fixed expense, it has been applied at a stabilized level.
- **Reserves for Replacement:** This expense is fixed and applied consistently with the stabilized conclusion.

Variable Expense:

Note that the correlation between census and expenses is not a one-to-one relationship and, therefore, the occupancy conclusion is not directly applied to variable expenses.

- **Utilities:** As utilities fluctuate based on census, an adjustment of -10% has been applied throughout the absorption period.
- **Administrative & General:** This line item includes both payroll and expenses. Staffing is predominantly front-loaded, prior to occupancy. Therefore, no adjustment was warranted.
- **Marketing:** This expense is expected to be somewhat elevated during the absorption period, with a 15% adjustment applied.
- **Resident Care:** Primarily driven by fluctuations in staffing, this expense is expected to fluctuate based on census levels. An adjustment of -10% has been applied throughout the absorption period.

- **Culinary Services:** While culinary staffing positions are mostly filled in the early stages of absorption, food and supplies costs are reflective of census levels. An adjustment of -10% has been applied throughout the absorption period.
- **Laundry & Housekeeping:** This expense is correlated to census levels and, thus, has been adjusted by -10% during stabilization.
- **Repairs & Maintenance:** As the property will be operating at sub-stabilized levels during absorption, this expense is expected to be somewhat reduced during stabilization, and a reduction of -10% is applied during stabilization.
- **Programming:** Programming is highly associated with census levels and, thus, has been adjusted by -10% during stabilization.
- **Payroll Taxes & Benefits:** This expense is tied to the total payroll, and it has been adjusted on a consistent basis.
- **Management Fee:** A management expense based on 5.00% of EGI is applied.

As discussed, subjective adjustments are applied to the trended, As If Stabilized operating expense conclusions based on a percentage of the total, 'Stabilized' operating expense levels for each respective period. These adjustments are included within the following chart:

Lump Sum Deduction

During the initial periods of the DCF, the subject will have the following costs:

LUMP SUM DEDUCTION DURING DCF	
	Amount
DCF Year 1	\$610,877
Total	\$610,877
CBRE Conclusions	

As noted previously, the subject was formerly an entrance fee, continuing care retirement community that has been converted to a rental-only community. According to management, the total audited amount due to residents is \$610,877, as of December 31, 2021. Management further added \$301,500 is due on contracts with rebates, with the remainder due on classic contracts (classic contract refund exposure decreases with time). For the purpose of this appraisal assignment, we have deducted the total audited deposits as a 'lump-sum' deduction from Year 1 in the DCF analysis. This expense is applied below the line.

Growth Rate Assumptions

As the valuation model incorporates future cash flows, annual growth rates are estimated by analyzing the expectations typically used by buyers and sellers in the local marketplace. Market data including the Consumer Price Index (CPI), published survey, as well as data provided via developer and investor proformas, was presented in the Appraisal Methodology section of this report.

For our conclusion, we have applied an annual inflation rate of 3.00% during these periods. In addition to the overall inflation rate, we have considered annual growth rates for the individual revenue and expense line items as these can also fluctuate.

Revenue and Expense Growth Rate Discussion

The concluded growth rates are included within the following table:

ANNUAL GROWTH RATES	
Inflation	Growth Rate
General Inflation	3.0%
Revenue	Growth Rate
All Revenue Line Items	3.0%
Expenses	Growth Rate
Real Estate Taxes	2.0%
Operating Expenses	3.0%
CBRE Conclusions	

Real estate taxes were capped at 2% in accordance with the Assessor's methodology in California.

Investment Rates

For estimating value via the Income Capitalization Approach, investment rates are applied to the projected income levels. In addition to the previously concluded overall capitalization rate (going-in rate), The primary investment rates utilized within our analysis include the reversion (disposition) capitalization rate, and the discount rate (unleveraged IRR).

Terminal Capitalization Rate

The reversionary value of the subject is based on an assumed sale at the end of the holding period based on capitalizing the Year 11 NOI at a terminal capitalization rate. Typically, market participants utilize a terminal capitalization rate that falls above the going-in capitalization rate (OAR); this practice is a result of the uncertainty of future economic conditions and the natural aging of the property. The following chart includes the reported basis point (bps) spread between the going-in capitalization rate and the terminal capitalization rate, as reported by the CBRE Seniors Housing Investor Survey. Additionally, average terminal capitalization rate spreads for multifamily assets, as provided via a recent PwC Real Estate Investor Survey, are also included.

TERMINAL CAPITALIZATION RATES

Investment Type	Spread Over Going-In Cap Rate
CBRE Seniors Housing Investor Survey - Spread Over Going-In Rate	
70.4% of Respondents Reported a Spread:	25 bps - 75 bps
82.7% of Respondents Reported a Spread:	25 bps - 100 bps

CBRE Estimate Spread Over Going-In Rate	50 bps
CBRE Estimate	9.00%
Source: CBRE Investor Survey	

As shown by the CBRE Seniors Housing Investor Survey, a vast majority of market participants utilize a terminal rate spread, over the going-in capitalization rate (OAR), of between 25 bps and 75 bps. Additionally, the following chart includes the reported basis point (bps) spread between the going-in capitalization rate and the terminal capitalization rate, as reported by the CBRE Seniors Housing Investor Survey.

Going-In and Reversion Capitalization Rate Spreads

Source: CBRE Seniors Housing & Care Investor Survey Historical Results.

As shown by the CBRE Seniors Housing Investor Survey trailing data, a vast majority of market participants utilize a terminal rate spread 25 and 100 bps; the summed percentage of respondents that utilize this range (25 – 100 bps) has been between 77.00% and 93.44% during the trailing survey periods. Furthermore, since H1 2016, an average of 70% of respondents reported utilizing a spread

of between 25 and 75 bps. For the subject, we conclude loading 50 basis points to the going-in rate of 8.75% is appropriate based on this dataset; the corresponding reversion rate utilized is 9.25%.

Discount Rate Analysis

The primary rates utilized within our analysis include the overall capitalization rate (going-in rate), reversion (disposition) capitalization rate, and the discount rate (unleveraged IRR). The results of the most recent investor surveys are summarized in the following chart.

Income Capitalization Approach Summary

The conclusions via the valuation methods employed for this approach are as follows:

INCOME CAPITALIZATION APPROACH CONCLUSIONS				
Value Scenario	Date of Value	Direct Capitalization	Discounted Cash Flow Analysis	Reconciled Value
Current As Is	February 17, 2022	-	\$16,800,000	\$16,800,000
Prospective Upon Completion	March 17, 2022	-	\$17,100,000	\$17,100,000
Prospective Upon Stabilization	March 17, 2023	\$18,800,000	\$19,400,000	\$19,400,000

Compiled by CBRE

Direct capitalization is typically utilized in estimating a market value for stabilized properties, the discounted cash flow analysis recognizes the changes in cash flows over the holding period of an asset. In this case, while both methods provided relatively similar value indications, primary weight has been placed on the discounted cash flow analysis as this methodology is considered to best reflect the actions of buyers and sellers currently active in this market.

Reconciliation of Value

The value indications from the approaches to value are summarized as follows:

SUMMARY OF VALUE CONCLUSIONS			
Valuation Approach	As Is	Upon Completion	Upon Stabilization

Excess Land Value	\$1,050,000	-	-

In reconciling the value indications as provided via the utilized approaches to value. The estimate of value is based on valuation techniques as employed by market participants when underwriting acquisitions/dispositions. As part of a recent CBRE U.S. Seniors Housing & Care Investor Survey, market participants opined as to their primary applied seniors housing underwriting methodology; these results are summarized within the following graph.

Market Participant Underwriting Methodology

Source: CBRE Investor Survey, H1 2020.

The cost approach typically gives a reliable value indication when there is strong support for the replacement cost estimate and when there is minimal depreciation. Considering the substantial amount of depreciation present in the property, the reliability of the cost approach is considered somewhat diminished. Therefore, the cost approach is considered less applicable to the subject and is used primarily as a test of reasonableness against the other valuation techniques. However, conclusions derived from this approach are utilized in allocating business value for the subject.

The sales used in this analysis are considered comparable to the subject, and the required adjustments were based on reasonable and well-supported rationale. However, as shown, market participants do not rely heavily on the price per unit indications for estimating value. Therefore, while the sales comparison approach is considered to provide a reliable value indication, it has been given secondary emphasis in the final value reconciliation.

The income capitalization approach is applicable to the subject since it is an income producing property leased in the open market. As shown above, over 80% of market participants primarily utilize analysis of income generating capability, via multiple methods. Therefore, the income capitalization approach has been given primary emphasis in the final value estimate.

Based on the foregoing, the market value of the subject has been concluded as follows:

MARKET VALUE CONCLUSIONS			
Appraisal Premise	Interest Appraised	Date of Value	Value Conclusion
Current Value Conclusions			
As Is - Going Concern	Fee Simple Estate	February 17, 2022	\$16,800,000
Excess Land Value	Fee Simple Estate	February 17, 2022	\$1,050,000
Prospective Value Conclusions			
Upon Completion - Going Concern	Fee Simple Estate	March 17, 2022	\$17,100,000
Upon Stabilization - Going Concern	Fee Simple Estate	March 17, 2023	\$19,400,000
Compiled by CBRE			

The excess land is presented on a stand-alone basis and not included in the going concern values.

Allocation of the Going Concern

This “going concern” value of the fee simple in the subject property includes value attributable to furniture, fixtures, and equipment (FF&E), business operation, and the real property. According to the Uniform Standards of Professional Appraisal Practice, Standards Rule 1-2(e), it is necessary to “identify and consider the effect on value of any personal property, trade fixtures or intangible items that are not real property but are included in the appraisal.” The subject property contains elements of all three types of values: real property, intangible items (or business value), and personal property. Thus, we have allocated between each of these value components. In doing so, this analysis employs the cost residual and the lease coverage methods.

Cost Residual

The allocated value of the real estate and the furnishing, fixtures, and equipment are based on estimates contained in the Cost Approach. In this approach, the depreciated value of the improvements and FF&E was estimated along with a value for the subject site. This allows for the value of the business/intangibles to be estimated by taking the market value of the subject and deducting the estimated personal property value, and the estimated real property value. The remaining value therefore represents the contribution of the business/intangibles.

Based upon the differences presented in the Cost and Income Approach sections of this report, the subject’s values are allocated as follows:

COST RESIDUAL			
Interest Appraised	As Is	Upon Completion	Upon Stabilization
Real Estate Value	\$17,460,000	\$17,503,061	\$18,028,153
FF&E	\$740,000	\$740,000	\$760,000
Business Value	\$0	\$0	\$611,847
Going Concern Value	\$16,800,000	\$17,100,000	\$19,400,000

Lease Coverage Ratio Analysis

A lease coverage ratio (LCR) analysis can be utilized to allocate the going concern of the fee simple interest. To calculate the real estate value component, a market derived lease coverage ratio is applied to the concluded net operating income for the subject. The result is an indicated annual market lease payment for the subject. Market participants utilize this method to value the real property. REITs and other buyers of seniors housing properties also utilize this methodology to determine market rent. Hence, this method is considered to best reflect actions taken by actual market participants in allocating business value for the subject’s property type.

In support of lease coverage ratios, we have included the following dataset is comprised of lease coverage ratios as recently reported by REITs for portfolios of assets:

As shown, lease coverage ratios for seniors housing assets range from 1.06 to 2.59, with a majority of ratios ranging from 1.10 to 1.90. In consideration of the subject's acuity level, for purposes of this analysis, a coverage ratio of 1.30 was used. The inferred rent is assumed to be on an absolute net basis with no expenses to the lessor. Furthermore, the market rent is based upon a long-term lease of 20+ years, which is common. These terms are common for this property type.

The next step is estimating an absolute net lease capitalization rate. The results of the 2021 CBRE Healthcare Real Estate Investor & Developer Survey are summarized as follows, relative to capitalization rates for absolute net leased healthcare properties:

CAP RATE	Above 9.00%	8.50% - 8.99%	8.00% - 8.49%	7.50% - 7.99%	7.00% - 7.49%	6.50% - 6.99%	6.00% - 6.49%	5.50% - 5.99%	5.00% - 5.49%	4.50% - 5.00%	4.00% - 4.49%

Net leased transactions typically yield a capitalization rate ranging from 50 to 500 basis points below the fee simple cap rate. Note that for the subject on an as is and as complete basis, the property will be undergoing an absorption period; thus, we have increased the capitalization rate for this scenario to account for perceived risk associated with a lease-up period.

The final step is applying the concluded lease coverage ratio and absolute net capitalization rate to the estimated NOI for the subject. By capitalizing the indicated annual lease payment, a leased fee value or value allocation of the real estate only is determined. The business value is the difference in the going concern and the inferred leased fee or real property value allocation and FF&E value allocation, as summarized below.

Intangible Component Allocation Conclusion

When concluding to an appropriate business value of the subject, to reflect market-based underwriting, primary weight was placed on the lease coverage method, with secondary consideration for the cost residual method of analysis.

Assumptions and Limiting Conditions

1. CBRE, Inc. through its appraiser (collectively, "CBRE") has inspected through reasonable observation the subject property. However, it is not possible or reasonably practicable to personally inspect conditions beneath the soil and the entire interior and exterior of the improvements on the subject property. Therefore, no representation is made as to such matters.
2. The report, including its conclusions and any portion of such report (the "Report"), is as of the date set forth in the letter of transmittal and based upon the information, market, economic, and property conditions and projected levels of operation existing as of such date. The dollar amount of any conclusion as to value in the Report is based upon the purchasing power of the U.S. Dollar on such date. The Report is subject to change as a result of fluctuations in any of the foregoing. CBRE has no obligation to revise the Report to reflect any such fluctuations or other events or conditions which occur subsequent to such date.
3. Unless otherwise expressly noted in the Report, CBRE has assumed that:
 - (i) Title to the subject property is clear and marketable and that there are no recorded or unrecorded matters or exceptions to title that would adversely affect marketability or value. CBRE has not examined title records (including without limitation liens, encumbrances, easements, deed restrictions, and other conditions that may affect the title or use of the subject property) and makes no representations regarding title or its limitations on the use of the subject property. Insurance against financial loss that may arise out of defects in title should be sought from a qualified title insurance company.
 - (ii) Existing improvements on the subject property conform to applicable local, state, and federal building codes and ordinances, are structurally sound and seismically safe, and have been built and repaired in a workmanlike manner according to standard practices; all building systems (mechanical/electrical, HVAC, elevator, plumbing, etc.) are in good working order with no major deferred maintenance or repair required; and the roof and exterior are in good condition and free from intrusion by the elements. CBRE has not retained independent structural, mechanical, electrical, or civil engineers in connection with this appraisal and, therefore, makes no representations relative to the condition of improvements. CBRE appraisers are not engineers and are not qualified to judge matters of an engineering nature, and furthermore structural problems or building system problems may not be visible. It is expressly assumed that any purchaser would, as a precondition to closing a sale, obtain a satisfactory engineering report relative to the structural integrity of the property and the integrity of building systems.
 - (iii) Any proposed improvements, on or off-site, as well as any alterations or repairs considered will be completed in a workmanlike manner according to standard practices.
 - (iv) Hazardous materials are not present on the subject property. CBRE is not qualified to detect such substances. The presence of substances such as asbestos, urea formaldehyde foam insulation, contaminated groundwater, mold, or other potentially hazardous materials may affect the value of the property.
 - (v) No mineral deposit or subsurface rights of value exist with respect to the subject property, whether gas, liquid, or solid, and no air or development rights of value may be transferred. CBRE has not considered any rights associated with extraction or exploration of any resources, unless otherwise expressly noted in the Report.
 - (vi) There are no contemplated public initiatives, governmental development controls, rent controls, or changes in the present zoning ordinances or regulations governing use, density, or shape that would significantly affect the value of the subject property.
 - (vii) All required licenses, certificates of occupancy, consents, or other legislative or administrative authority from any local, state, nor national government or private entity or organization have been or can be readily obtained or renewed for any use on which the Report is based.
 - (viii) The subject property is managed and operated in a prudent and competent manner, neither inefficiently or super-efficiently.
 - (ix) The subject property and its use, management, and operation are in full compliance with all applicable federal, state, and local regulations, laws, and restrictions, including without limitation environmental laws, seismic hazards, flight patterns, decibel levels/noise envelopes, fire hazards, hillside ordinances, density, allowable uses, building codes, permits, and licenses.
 - (x) The subject property is in full compliance with the Americans with Disabilities Act (ADA). CBRE is not qualified to assess the subject property's compliance with the ADA, notwithstanding any discussion of possible readily achievable barrier removal construction items in the Report.
 - (xi) All information regarding the areas and dimensions of the subject property furnished to CBRE are correct, and no encroachments exist. CBRE has neither undertaken any survey of the boundaries of the subject property nor reviewed or confirmed the accuracy of any legal description of the subject property.

Unless otherwise expressly noted in the Report, no issues regarding the foregoing were brought to CBRE's attention, and CBRE has no knowledge of any such facts affecting the subject property. If any information inconsistent with any of the foregoing assumptions is discovered, such information could have a substantial negative impact on the Report. Accordingly, if any such information is subsequently made known to CBRE, CBRE reserves the right to amend the Report, which may include the conclusions of the Report. CBRE assumes no responsibility for any conditions regarding the foregoing, or for any expertise or knowledge required to discover them. Any user of the Report is urged to retain an expert in the applicable field(s) for information regarding such conditions.

4. CBRE has assumed that all documents, data and information furnished by or behalf of the client, property owner, or owner's representative are accurate and correct, unless otherwise expressly noted in the Report. Such data and information include, without limitation, numerical street addresses, lot and block numbers, Assessor's Parcel Numbers, land dimensions, square footage area of the land, dimensions of the improvements, gross building areas, net rentable areas, usable areas, unit count, room count, rent schedules, income data, historical operating expenses, budgets, and related data. Any error in any of the above could have a substantial impact on the Report. Accordingly, if any such errors are subsequently made known to CBRE, CBRE reserves the right to amend the Report, which may include the conclusions of the Report. The client and intended user should carefully review all assumptions, data, relevant calculations, and conclusions of the Report and should immediately notify CBRE of any questions or errors within 30 days after the date of delivery of the Report.
5. CBRE assumes no responsibility (including any obligation to procure the same) for any documents, data or information not provided to CBRE, including without limitation any termite inspection, survey or occupancy permit.
6. All furnishings, equipment and business operations have been disregarded with only real property being considered in the Report, except as otherwise expressly stated and typically considered part of real property.
7. Any cash flows included in the analysis are forecasts of estimated future operating characteristics based upon the information and assumptions contained within the Report. Any projections of income, expenses and economic conditions utilized in the Report, including such cash flows, should be considered as only estimates of the expectations of future income and expenses as of the date of the Report and not predictions of the future. Actual results are affected by a number of factors outside the control of CBRE, including without limitation fluctuating economic, market, and property conditions. Actual results may ultimately differ from these projections, and CBRE does not warrant any such projections.
8. The Report contains professional opinions and is expressly not intended to serve as any warranty, assurance or guarantee of any particular value of the subject property. Other appraisers may reach different conclusions as to the value of the subject property. Furthermore, market value is highly related to exposure time, promotion effort, terms, motivation, and conclusions surrounding the offering of the subject property. The Report is for the sole purpose of providing the intended user with CBRE's independent professional opinion of the value of the subject property as of the date of the Report. Accordingly, CBRE shall not be liable for any losses that arise from any investment or lending decisions based upon the Report that the client, intended user, or any buyer, seller, investor, or lending institution may undertake related to the subject property, and CBRE has not been compensated to assume any of these risks. Nothing contained in the Report shall be construed as any direct or indirect recommendation of CBRE to buy, sell, hold, or finance the subject property.
9. No opinion is expressed on matters which may require legal expertise or specialized investigation or knowledge beyond that customarily employed by real estate appraisers. Any user of the Report is advised to retain experts in areas that fall outside the scope of the real estate appraisal profession for such matters.
10. CBRE assumes no responsibility for any costs or consequences arising due to the need, or the lack of need, for flood hazard insurance. An agent for the Federal Flood Insurance Program should be contacted to determine the actual need for Flood Hazard Insurance.
11. Acceptance or use of the Report constitutes full acceptance of these Assumptions and Limiting Conditions and any special assumptions set forth in the Report. It is the responsibility of the user of the Report to read in full, comprehend and thus become aware of all such assumptions and limiting conditions. CBRE assumes no responsibility for any situation arising out of the user's failure to become familiar with and understand the same.
12. The Report applies to the property as a whole only, and any pro ration or division of the title into fractional interests will invalidate such conclusions, unless the Report expressly assumes such pro ration or division of interests.
13. The allocations of the total value estimate in the Report between land and improvements apply only to the existing use of the subject property. The allocations of values for each of the land and improvements are not intended to be used with any other property or appraisal and are not valid for any such use.
14. The maps, plats, sketches, graphs, photographs, and exhibits included in this Report are for illustration purposes only and shall be utilized only to assist in visualizing matters discussed in the Report. No such items shall be removed, reproduced, or used apart from the Report.

A 2.1-acre mixed-use site composed of several industrial, commercial, and residential properties on one city block, located on Main Street between Johnson and Hancock Streets. The southern end of the property is a few blocks north of the Keck Hospital of USC and the LAC/USC Medical Center, and the site is located two blocks from Lincoln Park. Half of the site is zoned M1 for limited industrial uses, and the remaining are zoned CM for commercial manufacturing. The site includes a building materials yard, residential single and multifamily homes, retail space, and a separate office building and parking lots.

According to the offering memorandum, short term leases provide an annual income of \$246,000 or the site may be delivered vacant.

In March 2019, the property sold for \$8,251,000, or about \$90 per square foot of land. The buyer, a non-profit, has obtained entitlements and plans to construct an affordable residential project (160 units) plus a health clinic and a grocery store. Additional parcels are under contract, awaiting relocation of the occupants and/or eviction. biotech, and retail project. In mid-2017 the property was listed for sale through Major Properties.

The buyer concurrently purchased a 9,075-square-foot parcel at the southeast corner of Main Street and Johnson Street (APN 5210-024-008) from a different seller, for \$1,800,000, or \$198 per square foot of land based on public record. The assembled site totals approximately 100,905 square feet with a total price of \$10,051,000, or about \$100 per square foot of land. Reportedly this portion, potentially combined with some abutting property, will be developed as new bioscience space, benefiting from its proximity to the LAC/USC Medical complex.

Map & Comments

This comparable is the assemblage of six parcels, totaling 51,685 square feet, at the northeast corner of Orange Grove Boulevard and Lincoln Avenue, in the city of Pasadena. Zoning for APN 5726-018-033 is RM-12 and the other five other parcels are zoned FGSP-C-3D. The RM-12 zoning allows a maximum density of two residential units per lot. The South Fair Oaks Specific Plan C-3D zoning permits residential development at a density of 32 units per acre, equating to 34 units by right. Surrounding uses include residential, commercial and industrial uses, including a Post Office facility.

In March 2018, APN 5726-018-025 located at the northeast corner of Orange Grove Boulevard and Lincoln Avenue sold for \$1,670,000, or about \$107 per square foot of land area. In May 2018, APNs 5726-018-026 and 5726-018-027 fronting on Orange Grove Boulevard sold for \$1,395,000 (\$129 per square foot) and \$1,073,000 (\$99 per square foot), respectively. The remaining three parcels sold in July 2019 for \$3,350,000, or \$230 per square foot of land. The total cost of the assemblage was 7,488,000, or about \$145 per square foot of land area.

The buyer is an experienced local developer who has since entitled the site for 46 units, with approximately 10,000 square feet of retail, above subterranean parking. A knowledgeable third party indicated the units will all be affordable but we were unable to confirm this with a principal. Based on the approved entitlements, the combined purchase price equates to \$162,783 per unit.

Map & Comments

This is a 216,419-square-foot site located on the west side of San Fernando Road, just south of the Glendale (2) Freeway, in the Glassell Park neighborhood of Los Angeles, just across the Los Angeles River from the Elysian Valley/Frogtown neighborhood. It has 460 feet of frontage along San Fernando Road. When the site went under contract it was used as a storage, warehouse, and distribution facility, with approximately 53,670 square feet of improvements and a billboard. The industrial zoning at the time did not allow residential development.

The property went under contract to Fairfield Residential in late-2017 and closed in December 2020 at \$27,000,000, or \$124.76 per square foot of land, or \$72,973 per unit, proposed density. Close of escrow was contingent upon the buyer obtaining entitlements, requiring a zone change from [Q]M1-1-CDO-RIO to (T)(Q)CM-1-CDO-RIO. The initial contract price of \$27,500,000 was renegotiated based on the buyer's concerns about rising costs due to Measure JJJ. The buyer unsuccessfully tried to renegotiate again due to the COVID-19 pandemic.

The zone change allowed mixed-use and multifamily uses to the R3 density of one dwelling unit per 800 square feet of land, resulting in a base density of 275 units. Utilizing SB 1818 allowed a density bonus of +35% units by providing income-restricted affordable housing, in this case 11% Very Low Income units, calculated on the base density. The maximum density with the density bonus is 370 units. The maximum FAR is 3:1. The October 3, 2019 Determination Letter indicates the site was approved for a five-story, 370-unit apartment (including 31 VLI units), with 58,666 square feet of open space, 1,914 square feet of co-work space, and a seven-story parking structure with 597 parking stalls. According to the Los Angeles Department of Building and Safety, the proposed parking structure has been changed to eight stories with 600 spaces and was in plan check as of February 2021. The proposed building plans for the apartment structure were not submitted to the City of Los Angeles at the time of sale.

This is the sale of a 0.61-acre land site located at 2439-2445 Lincoln Avenue in Altadena. The property is zoned LACC3/LACR. The property was listed in 2019 for \$2,900,000, or \$108.98 per site square foot and sold for \$2,900,000 or \$109.14 per square foot on September 24, 2021. The proposed development was originally five stories tall and contained 94 units but in November 2021, after residents objected, Affirmed Housing Group indicated they were willing to reduce the height of the proposed apartment building, changing it from a five-story, 96 unit edifice to a four-story building with 74 units.

Map & Comments

This comparable represents a portfolio transaction containing six rental only IL/AL/MC/NC properties located in the Dallas MSA. Autumn Leaves contains 166 revenue units, was built in 1962 and most recently renovated in 2012. Monticello West contains 159 revenue units, was built in 1979 and most recently renovated in 2013. Parkwood Healthcare contains 159 revenue units, was built in 1986 and most recently renovated in 2007. Parkwood Retirement Community contains 162 revenue units, was built in 1986 and most recently renovated in 2007. Signature Pointe on the Lake contains 293 revenue units, was built in 1986 and most recently renovated in 2007. Walnut Place contains 263 revenue units, was built in 1980 and most recently renovated in 2012. The buyer was the tenant in a long-term lease at the time of sale and reported that the capital structure would not allow for necessary capital improvements to be made in order for the six properties to remain competitive in their respective markets. Each of the properties is located in a very desirable area with high barriers to entry. The buyer planned to terminate the lease and immediately implement a \$13.0 million capital improvement plan to re-position the properties.

Map & Comments

Altavita Village was purchased by Westmont Developer, LP (Buyer) for \$58 million. Altavita is currently in bankruptcy, and as part of the purchase, the burden (debt) of the existing entrance fee contracts will dissolve. Westmont intends to operate in good faith and will transition the community on a forward basis to a full rental senior living campus. Legacy residents will receive discounted rent (current to their existing levels) in perpetuity, with the understanding that the monies owed to them/their estate at time of expiration/move-out will not be returned as initially agreed/contracted. Entrance fee liability exception includes residents who executed a 50% or 95% contract and those residents who executed 100% contracts in 2018. Westmont will assume this liability estimated at just shy of \$3.7 million, and in return will receive funds of nearly \$3.2 million held by the seller, and a credit of just over \$500,000 at time of closing so that together the liabilities are fully covered. Given the current bankruptcy scenario, the size of the property, and the multi-care campus, the number of buyers who would be interested and able to perform are limited. The acquisition price is considered below market and was based on reductions for construction and lease-up. Westmont plans to put \$20 million in capital expenditures to update the common areas and increase the unit count by converting several two-bedroom units into studio and one-bedroom units. The adjusted sale price was \$78,000,000 or \$91,627 per unit.

This comparable is an investment class B skilled nursing facility and assisted living community. The skilled nursing facility consists of 135 beds and was constructed in 1994 while the assisted living community consists of 59 assisted living units and was constructed in 2006. The community also includes a large wellness center with an indoor pool and exercise room. The improvements are in good condition. The property is located in a suburban/rural area and affords average visibility and good access with favorable access to healthcare providers. Amenities and services offered are superior to the competitive market. As of August 2019, the property is under contract for \$31,000,000 for \$159,794 per revenue unit. Occupancy at the time of sale was 90% with the buyer purchasing the property based on a core investment strategy. Pointe Group Care will assume management of the property post acquisition. Pricing was based on a net operating income of \$2,745,207 or \$14,151 per revenue unit, for an overall capitalization rate 8.86% and EGIM of 1.46. The analysis is based on stabilized operations and include market level management fees and replacement reserves. The community was constructed and internally managed by the local owner/operator since the time of construction. The buyer is a local owner/operator of three skilled nursing facilities in the Boston area. Although public records lists the combined purchase price as \$23,447,900, based upon the contract of sale provided, the total consideration was \$31,000,000.

Caretel Inns of America Portfolio is comprised of five senior communities, the Caretel Inns of Lakeland built in 1998, Linden built in 2008, Brighton built in 2005, Tri-Cities built in 2007 and Applewood Nursing Center in Michigan built in 1977. The portfolio consisted of 8 independent living, 211 assisted living, 66 memory care and 362 SNF revenue units. The quality mix for the SNF units was 31%. At the time of marketing the portfolio was exhibiting \$48,141,650 in revenue, with an EGIM of 1.41, with 78% occupancy (with one of the properties still in lease-up from a recent expansion) with an average net operating income margin of 13.3%. The skilled nursing beds at four of the communities were not licensed for Medicaid, contributing to the lower occupancy of the portfolio. While negotiating the purchase and sale agreement, the portfolio experienced a deterioration in operating performance from \$6,400,000 at the time of marketing to \$5,500,000 in EBITDAR. The total purchase price for all five communities was \$68,000,000 (\$105,100 per bed/unit) representing an 8.09% capitalization rate on in-place cash flow. The buyer plans to explore licensing the skilled nursing beds at four of the communities for Medicaid as these beds are only licensed to receive Medicare revenue. The transaction represented the second closing tranche of this portfolio that was financed through a HUD loan assumption. Three of the properties were rated 5-stars and two rated 3-stars, per the CMS Five-Star Quality Rating System. The broker reports pricing was not impacted by COVID-19.

Map & Comments

Brookdale Northridge is a 160-bed community with assisted living, memory care, and skilled nursing in the Los Angeles MSA. The improvements were constructed in 2001, have been renovated over the years, and are in good condition. This community was approximately 57% occupied at the time of contract, which was February 2021, and is inclusive of both private pay and Medicare residents. The buyer was Pacifica Senior Living, which purchased the property based on an operational value-add strategy. Upon closing, Pacifica Senior Living reportedly leased the 45-bed skilled nursing component to Aspen Skilled Healthcare for a term of ten years for \$432,000 in Year 1 and \$540,000 in Year 2, with 3% annual escalations thereafter. Based on 2019 historical financials, which were inclusive of 5.0% management fees and \$350/bed replacement reserves, the contract price of \$29,000,000, or \$181,250 per revenue unit, implied a trailing OAR of 10.5%. Closing reportedly occurred in early September 2021 for \$29,000,000.

Map & Comments

The Californian is a skilled nursing facility situated in a suburban location. The improvements were constructed in 1964, and are in good condition. The community is locally owned and operated. Per the CMS Five-Star Quality Rating System, this facility had an overall rating of 4-Stars. The property had an overall census of 62%. Amenities and services offered are superior to the local market. This community is near the renowned Huntington Hospital. Medicaid is not accepted, as most patient stays are rehab-focused (Medicare) or private pay. The admissions representative indicated that due to COVID many residents wish to leave early out of fear of contracting the virus, which has been the biggest factor impacting census, and less so actual COVID outbreaks in the facility.
